Report on the Financial Statements

We have audited the accompanying financial statements of Scanpoint Geomatics Ltd. which comprise the Balance Sheet as at 31 March 2014, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Principles generally accepted in India including Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- i. In the case of the balance sheet, of the state of affairs of the Company as at 31 March 2014;
- ii. In the case of the statement of profit and loss, of the profit for the year ended on that date; and
- iii. In the case of the cash flow statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH 2014

1. Statement on Significant Accounting Policies

- i. Corporate Information
The Scanpoint Geomatics limited is a public company incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange. The Company is engaged in the business of GIS based software development and sales.
- ii. Basis of Preparation of Financial Statements
The financial statements have been prepared to comply with the Accounting Standards referred to in the Companies (Accounting Standards) Rule, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements are prepared under the historical cost convention on accrual basis in accordance with the generally accepted accounting principles and the provisions of the Companies Act, 1956 as adopted consistently by the Company, unless, specifically mentioned otherwise.
- iii. Presentation and disclosure of Financial Statements
For the year ended 31 March, 2014, the revised Schedule VI notified under the Companies Act, 1956, has become applicable to the Company, for preparation and presentation of its Financial Statements. The adoption of revised Schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.
- iv. Use of Estimates
The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. The estimates and assumptions used in the financial statements are based upon the Management's evaluation of the relevant facts and circumstances as on the date of financial statements. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results may vary from these estimates.
- v. Method of Accounting
The Company follows mercantile system of accounting and recognizes Income and Expenditure on accrual basis.
- vi. Fixed Assets
Fixed Assets are valued at cost. They are stated at cost of acquisition less accumulated depreciation.
- vii. Depreciation
Depreciation on fixed assets is provided on straight-line method at the rates and in the manner specified in Schedule XIV to the Companies Act, 1956. Depreciation on additions / deductions to fixed assets is being provided on pro-rata basis from / to the date of acquisition / disposal.
- viii. Investments
Investments, if any are stated at cost.

- ix. Inventories
Inventories are valued at cost or net realisable value, whichever is lower. Cost of Inventory comprises of Cost of Purchase, Cost of Conversion and other Costs incurred to bring them to their respective present location and condition. Costs of Raw Materials and Packing Materials are determined on FIFO basis.
- x. Sales
Sales are net of discounts and claims allowed to customers.
- xi. Foreign Currency Transactions
Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.
- xii. Employee Retirement Benefits
 - a. Company's contribution to Provident Fund and other funds if any, during the year is charged to Profit and Loss Account.
 - b. The present liability for gratuity payable to employees in accordance with Payment of Gratuity Act, 1972 has been provided during the year.
- xiii. Taxation
Provision for current tax is calculated in accordance with the provisions of the Income-Tax Act, 1961 and is made annually based on the tax liability compute after considering tax allowances and exemptions.
Assets and liabilities representing current tax are disclosed on a net basis when there is a legally enforceable right to set off and where the management intends to settle the asset and liability on a net basis.
Provision for Deferred tax assets and liabilities arising on account of timing difference and which are capable of reversal in subsequent periods, are recognized using the tax rates and tax laws that have been enacted or substantively enacted as on the Balance Sheet date.
Deferred Tax Assets are recognized and carried forward only if there is a virtual certainty that they will be realised and are reviewed for the appropriateness of their respective carrying values at each Balance Sheet date.
- xiv. Amortisation of Goodwill
With effect from the year 1996-97, the Company has discontinued the practice of writing off 10% of the amount of Goodwill annually.
- xv. Earnings per share (EPS)
Basic EPS is computed using the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year except where the results would be anti dilutive. The number of equity shares is adjusted for any share splits and bonus shares issued effected prior to the approval of the financial statements by the Board of Directors.
- xvi. Contingencies and provisions
The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
