Item: 6

The Articles of Association (“AoA”) of the Company is presently in force since its incorporation of the Company i.e. year 2000. The existing Articles of Association are in line with the erstwhile Companies Act, 1956, which are thus no longer in full conformity with the Companies Act, 2013 (‘New Act’). The New Act is now largely in force and substantive sections of the Act which deal with the general working of companies stand notified. With the coming into force of the Act several articles of the existing Articles of Association of the Company require alteration / deletions. Given this position, it is considered expedient to wholly replace the existing Articles of Association by a new set of Articles.

It is thus expedient to adopt new set of Articles of Association (primarily based on Table F set out under the Companies Act, 2013), in place of existing Articles of Association of the Company instead of amending the Articles of Association by alteration/incorporation of provisions of the Companies Act, 2013. Hence the Board of Directors at its meeting held on October 30, 2014 decided to adopt new set of Articles in place of existing Articles of Association of the Company and seek shareholders' approval for the same. In terms of section 5 and 14 of the Companies Act, 2013, the consent of the members by way of special resolution is required for adoption of new set of Articles of Association of the Company. Your approval is sought by voting via Postal Ballot/e-Voting in terms of the provisions of inter-alia, Section 14 of the Companies Act, 2013, read with the Companies (Incorporation) Rules, 2014.

A copy of the proposed set of new Articles of Association of the Company would be available for inspection for the members at the Registered Office of the Company during the office hours on any working day, except Saturdays, between 11.00 a.m. to 6.00 p.m.

None of the Directors, Key Managerial Personnel of Company and their relatives are concerned or interested in the said resolution.

Item: 7

As per the provisions of section 4 of the Companies Act, 2013 read with Companies (Incorporation) Rules, 2014, the Memorandum of Association of the Company will no longer carry other object clause. However, the existing Memorandum of Association carries other object clause.

In order to comply with section 4 of the Companies Act, 2013, it is proposed to alter the Memorandum of the Association of the Company by deleting clause-C Other Objects and accordingly the Memorandum will no longer carry other objects.

The Act provides that the resolution for amending Memorandum has to be done through postal ballot only. Hence, your approval is sought by voting via Postal Ballot/e-Voting in terms of the provisions of inter-alia, Section 13 of the Companies Act, 2013, read with the Companies (Incorporation) Rules, 2014.

A copy of the proposed set of new Memorandum of Association of the Company would be available for inspection for the members at the Registered Office of the Company during the office hours on any working day, except Saturdays, between 11.00 a.m. to 6.00 p.m.

None of the Directors, Key Managerial Personnel of Company and their relatives are concerned or interested in the said resolution.
