Annexure - 5

#### Information as Section 134(3)(m) of the Act read with Rule 8 of the Companies (Accounts) Rules, 2014.

#### Conservation of Energy

The Company's operations are not power-intensive and involve low energy consumption. Nevertheless, energy conservation measures and optimal use of energy through improved operational methods have already been taken, wherever possible, the details of which are as follows:

- (i) Employment of highly efficient low power consuming manufacturing equipment, e.g., LED lighting and automatic testing equipment using state-of-the-art technology.
- (ii) Use of programmable power supplies with equipment, which consume less power than conventional supplies.

# TECHNOLOGY ABSORPTION, ADAPTION & INNOVATION

The Company continues to use the latest technologies for improving the productivity and quality of its products.

# RESEARCH AND DEVELOPMENT

Research and Development (R&D) is being carried out by the Company to develop special systems to meet customer requirements in the export markets. The benefits being derived from this are improved quality of products, process efficiencies, easy maintenance of products, standardization of components and above all, customer satisfaction. With a strong focus on new product development, the Company is able to adapt quickly to the needs of the customer on design and configuration modifications for any specific market.

#### MANAGEMENT DISCUSSION & ANALYSIS

#### Overview

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 and Accounting Standards issued by the Institute of Chartered Accountants of India. The management accepts responsibility for the integrity and objectivity of these financial statements. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, in order that the financial statements reflect in a true and fair manner the form and substance of transaction, and reasonably present the Company's state of affairs and profits of the year.

# Industrial Structure and Development

The business of the Company belongs to the industry of communications equipment, which is substantially dominated by large foreign Multi-National Corporations (MNCs). Communication technology has positively changed the way we work, live and play. Modern and everchanging network infrastructure provides the fundamentals for people to communicate. 24/7 Internet connectivity and high-speed data communication has become an essential part of modern life. Most of us cannot think of a day without internet connectivity, either at work or at play. The accelerated demand has fuelled smartphones and notebooks, coupled with sharp rise in usage of video and data services. Mobile data traffic is expected to double annually over the coming three years. Communication hardware business is becoming more and more user-friendly and software intensive.

That said, there are billions of dollars worth of equipment that are already installed in the network, which has not been up-dated and is based on older TDM technology. This equipment will not be discarded or removed from service any time soon. This older equipment also needs to be integrated with the new and latest technologies. The opportunity to do this is considerably large. The changes in technology are complex, but offer significant growth potential.

The accelerated growth in telecommunications capacity and in telecommunications applications has changed all business variables, which will keep changing. The international telecommunications landscape continues to offer growth opportunities, coupled with the recovery in the world economy. The global telecom business scenario has been boosted with continued deregulation.

The following key trends in the telecommunication industry are being observed and emerging and therefore the product development is being based on these trends:

- 1. Explosion of connected (always-on) devices;
- 2. All of these connected devices are bringing in an astronomical growth in data requirements;
- 3. Global growth of mobile connectivity is the engine for growth.

- 4. Most data growth is occurring in the developing world and amongst poorer populations; and
- 5. Network Security: The network is under threat due to very poor network security.

# **Business Operation**

The Company was mainly focused on the export market erstwhile; however, with the various initiatives taken by the Government of India, under the leadership of our Hon'ble Prime Minister, such as "Make in India", "Digital India" and "PMA Policy", the Indian business scenario is now looking more vibrant and promising. All the initiatives taken by the Government of India are helping the Company (being an indigenous manufacturer of communications equipment) to capitalize its position in India.

Various products of the Company have now been approved by some of the major corporations such as PGCIL (Power Grid), L&T, IRCON, Siemens and various other state electricity companies, which shall provide a distinct advantage to the Company over some large MNCs. There have also been various opportunities wherein Tejas Networks Limited has participated across the utility sectors with the equipment of the Company.

The growth of the Company related to the power sector is closely associated with the pace of Optical Fiber Cable (OFC) deployment. It can be reasonably estimated based on number of power sub-stations, wherein the Company has met the deployment Qualifying Requirement (QR) up to 765KV power sub-station level, one of the highest functional power sub-station level of the country.

During the year under reporting, the Company has also signed MOU with ITI Ltd. (an undertaking of the Govt. of India) for forthcoming large opportunities in defense and paramilitary forces.

On the export front, the Company is experiencing a pick-up in export demand from developing countries in South East Asia, Eastern Europe, the Middle East, Africa and South America.

Many of the larger opportunities are expected to materialize in near term, across various utility sectors including Power, DFCC (Dedicated Freight Corridor under Ministry of Railways), Defense etc., wherein, Valiant is competing against foreign companies including MNCs. All these opportunities have potential to make a significant positive impact on the financials of the Company.

#### Opportunities

Valiant has now also entered in to the domain of Network Synchronization, which is mainly to address the poor Mobile Network Performance and call-drop issues. The upgradation in the levels in technology from 2G to 3G, 4G (LTE) has only increased the requirements of improved Network Performance to a higher level.

The Company has also added to its range of Frequency, Phase and the Time Synchronization range of products with its GPS / GNSS based Primary Reference Clock with integrated IEEE-1588v2 PTP Grandmaster and NTP Server for installation at cell-sites to provide a comprehensive solution which shall improve "Mobile Network Performance" and "Reduce Call Drops". The field trials are in the process of being conducted in India and on an international basis.

New product developments are also focused on Network Security solutions. A range of Encryption & Firewall Equipment along with Network Protection solutions proving Network / Path / Equipment (Server/Router) redundancy solutions for network reliability are been introduced and are currently undergoing extensive Government approvals to be introduced in the domestic and overseas markets.

Higher speed data connectivity requirements, especially those that support next generation applications such as IP voice, high-speed data communication and video-conferencing are an important part of the equipment requirement. The Company is developing many products that will integrate the new and older technologies, besides bringing out latest technology products that cater to the next generation communication networks.

While competing against large foreign MNCs, the Company is continuously investing to upgrade its product portfolio and has launched state-of-the-art technology products for across various utility sectors, which are expected to be bear fruit in the coming quarters.

New product development, technological innovations and strength are Valiant's assets. With introduction of new products, designs, solutions and applications, Valiant looks forward to growth in sales and profits in the current financial year.

To explore the global telecom marketplace and to mark Valiant's presence at the international level, a wholly owned subsidiary, namely, Valiant Communications (UK) Limited, United Kingdom, has been established. This subsidiary offers pre-sales and post-sales support to customers in the European Union.

The Company is now focusing on bringing new products to market, expanding its marketing networks and building a larger base of associates, distributors and re-sellers through which it can sell its products, worldwide.

#### **Quality Initiatives**

It is commonly believed that the sustained commitment to highest levels of quality, best-in-class product offerings and robust and fair business practices helps the Company to attain its objectives.

The Company has successfully achieved the yardsticks to meet with standards ISO 9001:2008 (Quality Management),

ISO 14001:2004 (Environmental Management), and the ISO 10002:2004. The substantial part of the Company's product-line of the Company is now cc certified.

As the Company also offers products to the Power Utility companies on a global level, its GPS Receivers, Multiplexers and Digital Cross Connect Switch products has also received Type Test Approval from the across the Power Grid Corporation of India Ltd., Bharat Heavy Electrical Ltd., Delhi Transco Ltd., Tamil Nadu Transmission Co. Ltd., AP Transmission Company Limited, etc.

The management believes that all these quality initiatives will further strengthen the Company's product-line in global market.

#### **New Products**

The Company has enhanced and upgraded its existing range of the Multiplexers and Teleprotection / Digital Protection Coupler equipment and now also offers a comprehensive range of GPS / GNSS (GNSS refers to a global navigation satellite system (GNSS) which includes Global Positioning System (GPS) and the Russian GLONASS as well as the European Union's Galileo (are termed as GNSS). PTP Grandmaster and Primary Reference Clock products which provide IEEE-1588v2 Synchronization delivering an accuracy of up to 100ns, which is required to synchronize Cellular networks like UMTS, GPRS, 3G/4G/LTE and for distributing Time-of-Day (ToD) and Frequency Reference to Power Utilities and Smart Grid applications. It is also suitable for synchronizing Defense Networks, Airports and Aviation Communications, Railway Signaling Networks and Railway Communication as well as Broadcasting Networks.

The Company has introduced a wide range of products based on IEEE 1588v2 [Precision Time Protocol (PTP)] technology that is used to synchronize Time-of-Day (ToD) and Frequency over an IP network. The IEEE 1588v2 [Precision Time Protocol (PTP)] technology is used by Power Utilities and in Smart Grid operations as well as in Oil and Gas networks etc.

Additionally, the advanced TDM over IP/Ethernet/Packet/MPLS solutions in the company's product portfolio continue to be successfully used to distribute E1 and T1 channels over an IP network. TDM over IP/Ethernet/Packet/MPLS applications include backhauling of legacy voice, low-speed legacy data and high-speed Ethernet services using a single Ethernet infrastructure.

New product development is also focused at Network Security. A range of Encryption & Firewall Equipment along with Network Protection solutions proving Network / Path / Equipment (Server/Router) redundancy solutions for network reliability are been introduced and are currently undergoing extensive Government approvals to be introduced in the domestic and overseas markets.

Similarly, the products suited for Railways, Airport Communication, other utilities including Oil and Gas are being added to the product portfolio for increased business opportunities for the Company.

Your management is confident that all these products and technologies will help to create substantial growth opportunities for the Company.

#### Marketing

The Company is focused on expanding its global marketing network and building a larger base of associates / distributors and re-sellers, through which it can sell its products, on a worldwide basis. The Company has its equipment successfully installed in over 110 countries now.

#### **Threats**

The telecommunication sector, being a high technology-intensive business is prone to rapid technological obsolescence. To cope with an ever changing dynamic and highly competitive telecom business environment, Valiant has to innovate, evolve rapidly; offer technically advanced and competitively priced products, solutions and applications to the demanding international customers, while competing with some of the best businesses in the telecommunication field, in the world.

#### **Future Prospects**

The Company is clearly focused towards the design and development of communication transmission equipment and solutions, for the national and international telecommunication marketplace. With the continuous introduction of new products and technologies, Valiant is focused on marketing, distribution and support of its product range.

The Company is in the process of introducing many new products during the year 2017-2018 for Smart Grid, SCADA and Secure Communications and applications. Some of these products are already being deployed in various networks, worldwide. A series of new products based on advanced Ethernet / IP / high-speed data communication technologies are further being introduced. We believe that these new products will help to create further growth opportunities for the Company.

#### Outlook

The Company continues to design, develop and introduce new products and strengthen its marketing network, worldwide. The introduction of new products and technologies are expected to help to increase export sales growth in the current year. The Company has introduced many new products during the past one year and is confident that these new products will help to increase its sales and performance in the current year ending March 31st 2018.

With the focus on developing new solutions for the fastgrowing Power Utility and Transportation Sectors such as the Railways and Metro, the company continues to make rapid advancements both in technology upgradation and expanding its marketing footprint so that it can have a higher value share in both of these sectors.

Valiant now offers communication solutions for Power Utilities, Airports, Railways including Dedicated Freight Corridor, Cellular Networks / Mobile operators and Corporate networks.

These products are already being deployed in various networks, worldwide. A series of new products based on advanced technologies are being introduced in the current financial year. We believe that these new products will help to create growth opportunities for the company.

#### Segment-wise Performance

During the year 2016-17, the 48.50% (previous year: 9.15%) of operating revenue comes from the India, while the 18.58% (previous year: 31.04%) and 2.90% (previous year: 6.58%) is from the US and European market respectively. The balance 30.02% (previous year: 53.23%) of the sales is contributed from the rest of the world

#### Risk and Concerns

Risk is an inherent aspect of every business. The communication sector being part of a rapidly changing technology orbit, the level of risk increases due to high technology obsolescence. However, continuous technological innovation, product development, value additions by research and development can minimize this class of business risk. Effective reporting and control mechanisms ensure timely information availability and facilitate proactive risk management.

Since the capital structure of the Company consists of only equity share capital without having any loan (neither secured nor unsecured), the degree of financial risk is almost negligible.

The business in Indian environment has long gestation period and inherited execution delays, consequently causes volatility in revenue recognition and profit figures in financial statements.

Further, in view of industrial trends in India, the Company may face the delay in debtors realization, which may have an adverse impact on cash position of the Company in short-term. Consequently, the Company may face challenges to maintain the working capital requirements in view of upcoming larger opportunities.

The Company may also face challenges to meet the requisite financial criteria of tender based business, for which Company has to rely on other larger business entities, which may have an adverse impact on margins.

The Board of Directors is responsible for monitoring risk levels on various parameters and their implementation to ensure the de-risking of the business at various levels. Further, the Audit Committee provides the direction on the risk management.

# **Exchange Rate Fluctuation**

The functional currency of your Company is the Indian rupee, whereas most of the business receipts are in foreign currencies. The exchange rate between the rupee and foreign currencies have been changing substantially, and your Company faces the risks associated with exchange rate fluctuation and translation effect, wherein the appreciation of the rupee against foreign currencies, adversely impacts its profitability and operating results.

# Financial and Operational Performance

The Company has posted its all-time high annual revenue figures at ₹ 1,756 lac (previous year: ₹ 1,351 lac). The total revenue of the Company has increased by 30% on annual basis.

The Company has recorded annual EBITDA Profit at ₹ 200.40 lac Vs. ₹ 109.46 lac on year on year basis.

The other income is dropped from  $\ref{thm:proped}$  74.36 lac to  $\ref{thm:proped}$  42.77 lac on annual basis. The drop is mainly because of fall in income from bank interest on deposits, as the funds are presently being deployed for working capital requirements.

The profit after tax has increased to  $\ref{49.16}$  lac Vs.  $\ref{21.14}$  lac on year-on-year basis.

At consolidated level, the total revenue of the Group has increased by 28% to ₹ 1,759 lac from ₹ 1,372 lac on annual basis. Whereas, the reported net profit after taxes is ₹ 48.49 lac as compared to ₹ 23.30 lac on annual basis.

The Company has maintained its debt-free status throughout the reporting year.

# Shareholders Fund

# INDEPENDENT AUDITORS' REPORT

To the Members of Valiant Communications Limited,

#### Report on the (Standalone) Financial Statements

We have audited the accompanying (Standalone) financial statements of **Valiant Communications Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

# Management's Responsibility for the (Standalone) Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these (Standalone) financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility

Our responsibility is to express an opinion on these (Standalone) financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the (Standalone) financial statements.

# **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017 and its profit and its cash flows for the year ended on that date.

# ANNEXURE - II TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF VALIANT COMMUNICATIONS LIMITED

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Valiant Communications Limited ("the Company") as of  $31^{st}$  March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### 14. SIGNIFICANT ACCOUNTING POLICIES

## a. Accounting assumption

The financial statements are drawn up in accordance with the historical cost convention on accrual basis and comply with the accounting standards referred to in Section 129 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014.

## b. Employees benefits

The Company has adopted Accounting Standard 15 (Revised 2005) issued by the Institute of Chartered Accountants of India (ICAI) on 'Employees Benefits'. Accordingly, the Company has provided for liability on account of all following employees benefits available to the employees in accordance with the applicable rules, regulations, laws and employees benefits policy of the Company.

- i) Provident fund is a defined contribution scheme and the contributions are charged to the profit & loss account of the year when the contributions to the government funds are due.
- ii) Gratuity liability is a defined benefit obligation and provided for on the basis of an actuarial valuation as per projected unit credit method, made at the end of each financial year. The Company has taken a policy with the Life Insurance Corporation of India (LIC) to cover the gratuity liability of the employees and premium paid to the LIC is charged to profit and loss account. The difference between the actuarial valuation of the gratuity liability of the employees at the year end and the balance of funds with LIC is provided for as liability in the books.

- iii) Employees are entitled to short-term compensated absences, which are provided for on the basis of estimates.
- iv) Actuarial gains/losses are immediately taken to the profit and loss account and are not deferred.

#### c. Fixed assets

All fixed assets including intangible assets are stated at cost of acquisition less accumulated depreciation. Cost includes inward freight, duties, taxes and expenses incidental to acquisition and installation.

In accordance with Accounting Standard 28 issued by the Institute of Chartered Accountants of India, consideration is given at the date of balance sheet to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets to recognize impairment loss. However, during the financial year under reporting, there is no indication which gives an expression of impairment loss in carrying amount of the Company's fixed assets.

## d. Depreciation and amortization

Depreciation on fixed assets has been provided on straight line method at the rates prescribed in Schedule II of the Companies Act, 2013, except for intangible assets, which are amortized over the respective individual estimated useful lives on a straight line basis, commencing from the date, the asset is put to use by the Company. Depreciation on additions/deletions is provided on pro-rata basis from/ to the date of additions/deletions. The management estimates the useful lives for intangible assets as follows:

Technical know-how: 4 years Software: 6 years

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31st 2017

#### e. Inventories valuation

Inventories include raw material and semi finished goods. Inventories have been valued at cost or net realizable value, whichever is lower. The cost is calculated on first-in-first-out (FIFO) basis.

## f. Transactions of foreign currencies

All transactions in foreign currency during the year are recorded at the rates of exchange prevailing on the date when the relevant transaction took place. Loss/Gain arising on settlement of such transactions is accounted for in the year of settlement. Monetary assets and liabilities are converted into functional currency i.e., INR, at the rate of exchange prevailing at balance sheet date and the exchange rate fluctuation is recognized as gain or loss on unrealized exchange rate fluctuation.

#### g. Investments

As per the Accounting Standard 13 issued by the Institute of Chartered Accountants of India, investments of a long-term nature are stated at cost. Current investments are valued at lower of cost and fair value.

## h. Revenue recognition

Sale is recognized, when the significant risks and rewards of the ownership of the goods are transferred to the customer and is stated if applicable, net of trade discounts, duties and taxes. Other income is accounted for on accrual basis.

## i. Income tax

Provision for current income tax liability is made on estimated taxable income under Income Tax Act, 1961 after considering permissible tax exemptions, deductions and allowances. The Minimum Alternate Tax (MAT) if payable in accordance with the tax laws, which gives rise to future benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax. Deferred assets are recognized only if there is reasonable certainty that they will be realized and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

## j. Lease

Operating lease payments are recognized as an expense on straight line basis over the term of the lease.

## k. Contingent liabilities and provisions

The Company makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of obligation can be made. A disclosure is made for possible or present obligations that may but probably will not require outflow of resources or where a reliable estimate cannot be made, as a contingent liability in the financial statements.

## Use of estimates

In preparing the Company's financial statements in conformity with accounting principles generally accepted in India, the management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Any revision to accounting estimates is recognized prospectively in current and future periods.

## m. Earning per share

Basic earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of equity shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

## n. Segment reporting

The Company's operating geographical business segment is based on the locations of customers. Allocable costs are allocated to each segment in proportion to the relative sales of each segment. All the common income, expenses, assets and liabilities, which are not possible to be allocated to different segments, are treated as un-allocable items.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31 st 2017

The management believes that the claim made is untenable and is contesting before appellate authority. As of the reporting date, the management is unable to determine the ultimate outcome of above matters. In the event, the revenue authorities succeed with enforcement of their assessments, there shall be an adverse effect on the net income, however, it should not make any material impact on the cash-flow of the Company, as the various other undisputed refund dues are substantially sufficient to settle the above claim.

## 15.2 Commitments

In view of current and expected foreseeable growth opportunities, the Board of Directors intends to retain the financial resources of the Company and therefore, finds it prudent not to propose any dividend for the year under reporting.

## Note:

The Company is an Export Oriented Unit with its sole manufacturing unit being located at New Delhi. The above segment revenue and results are being identified on the basis of geographical markets. The fixed assets used in the Company's business cannot be specifically identified with any geographical segment. The management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a segregation of capital employed on segment basis, is not possible.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31<sup>st</sup> 2017

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

The Company expects to contribute ₹ 515,000/- approximately to gratuity in financial year 2017-2018. The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Current and previous years's figures as required to be disclosed under Para 120(n) of Accounting Standard 15, are as follows:

## INDEPENDENT AUDITOR'S REPORT

To the Members of Valiant Communications Limited,

## Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **VALIANT COMMUNICATIONS LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31<sup>st</sup> March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

## Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

# Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

## **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31<sup>st</sup> March, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

#### **Other Matters**

We did not audit the financial statements of Valiant Communications (UK) Limited and Valcomm Technologies Inc., Foreign subsidiary of the Holding Company, whose respective standalone financial statements reflect total assets of ₹ 286.39 lacs as at  $31^{st}$  March, 2017, total turnover of ₹ 25.09 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited under the provisions of law of the respective host countries and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the aforesaid subsidiary and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary is based solely on the Management certification.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the financial statements certified by the Management.

## Report on other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March, 2017 taken on record by the Board of Directors of the Holding Company and its subsidiary companies incorporated in India, none of the directors of the Company and its subsidiary companies incorporated in India, is disqualified as on 31<sup>st</sup> March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure-I"; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

## Annexure - I to the Auditor's Report

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2017, we have audited the internal financial controls over financial reporting of Valiant Communications limited ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

## Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India

("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## 14. SIGNIFICANT ACCOUNTING POLICIES

## a. Basis of consolidation

The consolidated financial statements comprise of the financial statements of Valiant Communications Ltd. (hereinafter referred to as "Holding Company") with its subsidiaries and associates (hereinafter collectively referred to as "Group"). The consolidated financial statements are prepared in accordance with Accounting Standards 21 and 23, issued by the Institute of Chartered Accountants of India and provisions of Companies Act, 2013.

i) The financial statements of the holding company and its subsidiaries have been combined on a line-by-line basis by

adding together book values of like items of assets, liabilities, income and expenses after eliminating intra group balances/ transactions and unrealized profits/ losses. Exchange difference resulting from the differences due to translation of foreign currency assets, liabilities, income and expenses is disclosed as foreign currency translation reserve. The excess value of consideration given over the net value of the identifiable assets acquired in the subsidiary companies is recognized as goodwill (capital reserve). Goodwill is amortized during the financial year of acquisition.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31st 2017

- ii) Investments in entities in which the Group has significant influence but not controlling interest, are reported according to the equity method, i.e., the investments is initially recorded at cost, identifying any goodwill/capital reserve arising at the time of acquisition. Goodwill amortized during the financial year of acquisition/investment. The carrying amount of the investment is adjusted thereafter for the post acquisition change in the Company's share of net assets of the investee (associate). The consolidated profit and loss account includes the Company's share of the results of the operations of investee (associate).
- iii) Minority interest's share of net profit is adjusted against the income, to arrive at the net income attributable to shareholders. Minority interest's share of net assets is presented separately in the balance sheet.

## b. Employees benefits

The Company has provided for liability on account of all the following employees benefits available to the eligible employees in accordance with the applicable rules, regulations, laws and employees benefits policy of the Company:

- Provident Fund is a defined contribution scheme and the contributions are charged to the Profit & Loss Account of the year when the contributions to the government funds are due.
- ii) Gratuity liability is a defined benefit obligation and provided for on the basis of an actuarial valuation as per projected unit credit method, made at the end of each financial year. The Company has taken a policy with the Life Insurance Corporation of India (LIC) to cover the gratuity liability of the employees and premium paid to the LIC is charged to Profit & Loss Account.

The difference between the actuarial valuation of the gratuity liability of the employees at the year end and the balance of funds with LIC is provided for as liability in the books.

- iii) Employees are entitled for short-term compensated absences only, which are provided for on the basis of estimates.
- iv) Actuarial gains/losses are immediately taken to the profit and loss account and are not deferred.

#### c. Fixed assets

All fixed assets, including intangible assets, are stated at cost of acquisition less accumulated depreciation. Cost includes inward freight, duties and taxes and expenses incidental to acquisition and installation.

In accordance with Accounting Standard 28 issued by the Institute of Chartered Accountants of India, consideration is given at the date of balance sheet to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets to recognize impairment loss. However, during the financial year under reporting, there is no indication which gives an expression of impairment loss in carrying amount of the Company's fixed assets.

## d. Depreciation and amortization

Depreciation on fixed assets has been provided on straight line method at the rates prescribed in Schedule II of the Companies Act, 2013, except for intangible assets, which are amortized over the respective individual estimated useful lives on a straight line basis, commencing from the date the asset is put to use by the Company. Depreciation on additions / deletions is provided on pro-rata basis from/ to the date of additions / deletions. The management estimates the useful lives for intangible assets as follows:

Technical know-how : 4 years Software : 6 years

## e. Inventories valuation

Inventories include raw material and semi-finished goods. Inventories have been valued at cost or net realizable value, whichever is lower. The cost is calculated on first-in-first-out (FIFO) basis.

## f. Transactions of foreign currencies

All transactions in foreign currency during the year are recorded at the rates of exchange prevailing on the date when the relevant transaction took place. Loss/gain arising on settlement of such transactions is accounted for in the year of settlement. Monetary assets and liabilities are converted in to reporting currency, i.e., INR, at the rate of exchange prevailing at Balance Sheet date and the exchange rate fluctuation is recognized as gain or loss on unrealized exchange rate fluctuation.

# g. Investments

As per Accounting Standard 13 issued by the Institute of Chartered Accountants of India, investments of a long-term nature are stated at cost. Current investments are valued at lower of cost and fair value

## h. Revenue recognition

Sale is recognized, when the significant risks and rewards of the ownership of the goods are transferred to the customer and is stated if applicable, net of trade discounts, duties and taxes. Other income is accounted for on accrual basis.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31st 2017

## i. Income tax

Provision for current income tax liability is made on estimated taxable income under the Income Tax Act, 1961 after considering permissible tax exemptions, deductions and allowances. The Minimum Alternate Tax (MAT) if payable in accordance with the tax laws, which gives rise to future benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax. Deferred assets are recognized only if there is reasonable certainty that they will be realized and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

The income of foreign subsidiaries is subject to the tax laws of host countries, which is charged for determination of net profit of subsidiaries.

#### i. Lease

Operating lease payments are recognized as an expense on straight line basis over the term of the lease.

## k. Contingent liabilities and provisions

The Company makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of obligation can be made. A disclosure is made for possible or present obligations that may but probably will

not require outflow of resources or where a reliable estimate cannot be made, as a contingent liability in the financial statements

#### I. Use of estimates

In preparing the Company's financial statements in conformity with accounting principles generally accepted in India, the management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Any revision to accounting estimates is recognized prospectively in current and future periods.

## m. Earning per share

Basic earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of equity shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

**15.** Notes to the consolidated financial statements are intended to serve as a means of informative disclosure and a guide to better understanding. Recognizing this purpose, the Company has disclosed only such notes from the individual financial statements, which fairly present the needed disclosures.
