MANAGEMENT DISCUSSION AND ANALYSIS:

1. INDUSTRY OUTLOOK:

During the period under review there were tremendous growth shown in the markets, GDP was much higher than earlier years. Further travel and tourism industries are growing on rapidly.

Current scenario are very impressive there is lot of potential demand for the next years.

2. OPPORTUNITIES AND THREATS:

Since the Company has been engaged in to the service sector, the main concern of the management is to provide best quality services to the passengers. Safety, decipline as to the timing, comfort are the main parameters to make the passenger feel more comfortable. Company having fleet of buses and providing better services to entire Gujarat region. Government policies and regional policies can affect the performance of the company. New players are joining in the competition. Company is planning to develop more area related to tourism, hotel business and infrastructure facilities and in construction & real estate fields.

3. INITIATIVES

As we know that the customers are becoming more quality conscious which calls for continuous up gradation in the available methods and the technology deployed which will yield better realization to the company. The another niche for the Company is to maximum utilization of the Parcel business which can earn maximum revenues to the company at a negligible cost. Growing competition and drastic change of the life style of the people thereby to constantly make better quality service to satisfy the need of people is the concern of the management.

Since July 2006 the company has obtained dealearship of fuel pump from IOC with a view to tap additional profits from retail trading activities in petroleum products as well as to meet its own fuel requirement . Setting up of own fuel station for own consumption has drastically reduced the cost of fuel consumption of the company which is very well reflected the operating results.

Company is searching and taking appropriate step to grab opportunities in real estate sector.

4. RISKS AND CONCERNS;

Company is travel business and major fluctuation in the price of the petroleum product having vital impact on the profitability and performance. International market having great effect on increase in the crude price and increase in dollar value against the rupee is also a matter of concern.

5. INTERNAL CONTROL SYSTEM:

The Company has adequate system of control implemented by the management towards achieving efficiency in the operation, optimum utilisation of resources and effective monitoring thereof and compliance with applicable laws.

6. HUMAN RESOURCES:

The Company attaches priority to human resources development, with focus on regular up gradation of the knowledge and skills of our employees and equipping them with the necessary expertise to meet the challenges of change and growth successfully.

ACKNOWLEDGMENT:

The Directors sincerely express their appreciation to the employees at all levels, Bankers, customers, investors, Government of Gujarat and Ministry of Government for their sustained support and cooperation and hope that the same will continue in future.
