c. Dry Dock expenditure incurred	131	324
d. Other Expenditure	704	388
Earnings before Depreciation & Tax	252	(413)
Depreciation	311	265
Exceptional Items	-	(44)
Profit / (Loss) before Tax	(59)	(634)
Tax Expenses for the year	45	33
Profit /(Loss) after Taxation	(104)	(667)
<u>Add</u> : Balance brought forward from previous year	2243	2910
Surplus available for appropriation	2139	2243
Appropriation:		
Transfer to General Reserve	-	-
Transfer to Tonnage Tax Reserve	-	-
Retained profit carried forward	2139	2243

During the year under review the Company's total revenue was Rs.1998 million as against Rs.1157 million in previous year an increase of about 73%. Income from operations was Rs.1818 million as against Rs.1024 million in the previous year reflecting increase of about 77%.

The Global Economy seemed to be on a very slow recovery path during the year under review. However, employment of vessels and Charter rates were volatile in your Company's line of business. Your Company is in the process of recovery and endeavoured to keep the vessels deployed to the maximum.

The Company fared reasonably well in its endeavour despite some unforeseen circumstances. One of the Vessels secured a Long Term Charter of 3 years for ONGC Job in India scheduled to commence in November'2011. The other Vessels had also moderate deployment record.

The business scenario got a serious setback with the detention of two vessels by Customs in Mumbai on arrival in India in November'2011 for want of Bill of Entry of original import. The Company had purchased these Vessels in India as Indian Flag Vessels. The Vessels were finally released in January'2012 after order of Hon'ble High Court, Bombay.

Directorate of Revenue Intelligence (DRI) made a search in the offices of the Company and provisionally assessed duty of Rs.126 million towards duty on repairs / modifications carried out outside India. The Company paid the amount "Under Protest" subject to adjudication. Final Assessment is under process.

Your Company suffered a loss of Rs.105 million during the year under review. The loss suffered during the previous year was Rs.667 million. Though your Company incurred expenses towards Customs charges (DRI), dry-docking, the major factor attributed to incurring of loss was inability on the part of Company to execute firm Charters of two Vessels as these Vessels

were detained by Customs. Detention forced the Company to bear the loss of revenue, operation cost and in addition made the Payment of Liquidated Damage for delay in delivery of Vessel for ONGC Job. Absence of these unforeseen circumstances would have brought back your Company to profitability.

Your Company continued to monitor the cost control measures to minimize adverse burden. Your Company continues to retain its debt free status. Cash Balance at the beginning of financial period was Rs. 2025 million. The balance at the end of the period was Rs.416 million a decrease of 79% over last year.

Due to shipping loss, no Reserve was transferred to Tonnage Tax Reserve u/s 115V of Income Tax Act in the year under review.

2. DIVIDEND

In view of the loss suffered during the year, the Board of Directors has decided not to recommend payment of dividend.

3. OPERATIONS OFFSHORE

The Company owns and operates four multi support vessels. The Company operates an additional vessel under Bareboat Charter from SEAMEC INTERNATIONAL FZE, your Company's Wholly Owned Subsidiary, effective from January'2012.

The Company succeeded in overcoming the volatility of decline in business of last year. Overall deployment has increased significantly to 65% against 49% of last year.

The Company's Vessels during the year in general operated in India and South East Asia. One of the Vessels had undergone modification / upgradation for deployment on a Long Term Contract of 3 years with ONGC. The Charter commenced from end of January'2012 after release of Vessel by Customs. With this two of your Company's Vessels are placed on Long Term Charter. Out of the balance, one had assured significant employment whilst the other had to struggle for employment. The Vessel owned by SEAMEC INTERNATIONAL FZE, was taken under Bareboat Charter, deployed in West Africa for a project with TECHNIP effective from January'2012.

4. DIRECTORS AND MANAGEMENT

Your Company is a subsidiary of Coflexip Stena Offshore (Mauritius) Ltd. (CSOML), which ultimately is owned by TECHNIP S.A. FRANCE.

During the year under review CSOML, nominated Mrs. Muriel Hurstel as a Director on the Board of Directors of the Company in place of Mr. Christophe Armengol.

CSOML also nominated Mr. Gregoire Abele as an Alternate Director. Subsequently Mr. Vincent Taravella was nominated as an Alternate Director in place of Mr. Gregoire Abele on 30th May, 2012.

Mr. Vincent Taravella by Qualification is Master of Business and Economics, Corporate Finance and Law. Mr. Taravella works as Finance Manager of your Parent Company TECHNIP in Paris. Mr. Taravella does not hold any shares in your Company. Your Directors placed on record its appreciation of the valuable services rendered by Messers Christophe Armengol and Gregoire Abele during their tenure as Directors of the Company.

In accordance with the provisions of Companies Act, 1956 and the Articles of Association of the Company, Mr. Carl Holmen and Ms. Bhavna Doshi, Directors of the Company, retire by rotation at the ensuing Annual General Meeting and are eligible for re-appointment.

5. AUDITORS

M/s. S. R. Batliboi & Co. Chartered Accountants, the Statutory Auditors of the Company, retire at the conclusion of the ensuing Annual General Meeting and they are eligible for re-appointment.

6. AUDITORS' REPORT

The observations in the Auditors' Report have been dealt with in the relevant Notes to Accounts, which are self-explanatory.

7. RELATED PARTY TRANSACTIONS

A statement of related party transaction pursuant to accounting standard 18 is given in Note 31 (Notes to Accounts).

8. CORPORATE GOVERNANCE

The Company believes that Corporate Governance is a way of business life rather than legal compulsion.

Your Directors re-affirm their commitment to the Corporate Governance standards prescribed by Securities and Exchange Board of India (SEBI) codified as Clause 49 of the Listing Agreement with Stock Exchanges. Corporate Governance and

Management Discussions and Analysis Report as well as Corporate Governance compliance certificate by Auditors are set out in separate Annexures to this report.

9. INVESTOR SERVICES

As the members are aware, your company's shares are tradeable compulsorily in electronic form with effect from 24 August 2000 and your company has established connectivity with both the depositories viz. National Securities Depository Ltd. (NSDL) and Central Depository Services (India) Ltd. (CDSL). In view of the numerous advantages offered by the Depository system, members are requested to avail of the facility of de-materialization of Company's shares on either of the Depositories as aforesaid.

Coflexip Stena Offshore (Mauritius) Limited, the promoter of the Company pursuant to Securities Exchange Board of India, guidelines had dematerialized its entire physical holdings during the year under review.

10. WHOLLY OWNED SUBSIDIARY

SEAMEC INTERNATIONAL FZE, the Wholly Owned Subsidiary has acquired a vessel during the year under review. The said vessel was taken under Bareboat Charter by your Company. As per the regulatory provision, the consolidated financial statement of your Company and its wholly owned subsidiary for the financial Year ended on 31st March 2012 duly audited by Statutory Auditors is attached to the annual report of the Company. The Annual Accounts of the Wholly Owned Subsidiary and the related detailed information shall be made available to the shareholders on request at any point of time.

11. HUMAN RESOURCES

Your Company considers people as one of the most valuable resources. All employees are committed to their work and proactively participate in their area of operations. The continuous training courses give employees the opportunity to improve their skill leading to consistent improvements in systems and practices and adhering to SEAMEC value. Health and Safety of the employees and our associates we work with remains our paramount importance. Your Company ensures that operations are carried out as per the safety guidelines and procedures in place. Employees are regularly made aware of hazards/risks associated with their jobs and appropriate training is imparted to them to improve their skills. Periodic safety audit are undertaken to confirm proper functioning of system and procedure.

12. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND EXPENDITURE

The information to be furnished under Section 217(1)(e) of the Companies Act, 1956 is annexed to this report.

13. PARTICULARS OF EMPLOYEES

The particulars required under Section 217(2A) of the Companies Act, 1956 are also furnished in the Annexure.

14. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 217 (2AA) of the Companies Act, 1956 your Directors state that :

- a. In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanations relating to material departure, if any.
- b. Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of financial year and the loss of the Company for the period.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

01. OVERVIEW

The Oil and Gas business has expanded due to increased exploration and production spending and offshore activity. There has been increased activity in pipe line installation as well as fixed platform projects. Deep water activity mainly driven by activity in the Gulf of Mexico, West Africa and Offshore Brazil. Activities in Mediterranean and South East Asia were relatively moderate. Indian Offshore market remained steady. However, the resultant demand for diving vessels has not yet fully materialized.

SEAMEC has been positively impacted under the improved business scenario. Its Vessels worked in South East Asia and India during the year. Vessel utilization was 65% against 49% of last year.

With expected increases in exploration and production spending, Global Oil Companies are likely to take on new projects and increase activities in the SUBSEA market. On a global basis fleet utilization and day rates for Offshore Vessels are forecast to rise, but will vary by asset and region. The outcome of the above should lead to increase utilization of Diving Support Vessels – SEAMEC’s line of business.

02. OPPORTUNITIES AND THREATS

2012 – 2013 is expected to be a challenging year for world economy due to certain unexpected changes in some parts of the world.

The Shipping Industry, more particularly offshore segment is expected to have some positive changes.

Indian market holds potential for Offshore activities. Long Term employment is an attractive feature of this market. SEAMEC aims to focus its presence in Indian waters. SEAMEC is exploring the possibility of diversifying in some related fields.

SEAMEC is poised to exploit increased activities in the Gulf of Mexico and Caribbean. In addition, opportunities are being examined in South East Asia. SEAMEC is also actively pursuing opportunities in the Arabian Gulf through its Wholly Owned Subsidiary.

Arbitrary Government intervention emerged as a deterrent in Indian market. Ageing of the vessels remained a concern as age restrictions are being imposed by major Charterers on one hand and on the other hand availability of new Tonnage adds a potential threat.

03. BUSINESS SEGMENT ANALYSIS

The only business segment for the Company during the year was Offshore segment.

04. FINANCIAL PERFORMANCE

For meaningful comparison pertinent financial parameters are discussed below: -

(₹ million)

	2011-12 (Twelve months)	2010-11 (Fifteen months)
Revenue	1998	1157
Operating Expenses	1746	1570
Operating Profit	252	(413)
Interest Expenses	-	1
Exceptional Items	-	(44)
Depreciation	311	265
Profit before Tax	(59)	(634)
Provision Tax Expenses	45	33
Net Profit	(104)	(667)
Debtor/Sales	0.56	0.33
Creditor/Purchase	0.19	0.24

Comments on Current Year's Performance:

Revenue	: Increase in Revenue mainly due to higher utilization of Vessels.
Operating Cost	: Statutory dry dock cost of one vessel had an impact on the cost. The normal operating cost was not very significant considering utility factor of the vessels.
Operating Profit (Loss)	: Dry docking had an impact on the profitability both on cost as well as absence of revenue for the vessel. However, a major factor that contributed significantly to the incurrence of loss was the detention by Customs of Company's two Vessels from November'2011 to January'2012 which caused loss of revenue by around Rs.280 mil. Net impact of Custom duty on the Books of Accounts was Rs.69 million.
Depreciation	: Vessel SEAMEC II has been upgraded with additional equipment for 3 years Charter. Hence there is an increase in depreciation cost.
Current Tax Exp.	: The Company is being assessed under Tonnage Tax scheme. Current tax is primarily on the interest income of short term deposits.
Net Profit(Loss)	: Net loss due to low revenue and dry dock cost of three vessels which expensed out as per Indian GAAP.

05 HUMAN RESOURCES

The company's human resource strategy primarily is in line with the group strategy. The company believes that by motivation and values a good Company can be converted to an excellent one. The relations between the employees and the company remained cordial throughout the year. The committed shore based staff provides prompt and efficient support and guidance to the floating staff on a continuous basis, which helps to maintain effective performance and efficiency. In keeping tune with changed business environment, focus is on motivating and retaining key employees of the Company. The Company has 40 employees at its offices and engages through contract around 391 marine crew and officers, in its four vessels. The company continues to focus on safety, training and development of employees.

06 INTERNAL CONTROLS

The Company has an adequate system of internal controls commensurate with its size and nature of the business. Conscious efforts are in place on a continuous basis to ensure that all its assets are safeguarded and protected against loss from unauthorized use and disposal and that all transactions are authorized, recorded and financial statements show a true and fair picture of the state of affairs of the Company.

The internal controls system of the Company are monitored and evaluated by external internal audit, reviewed by Management and Audit Committee of the Board of Directors.

AUDITORS' REPORT

To

The Members of SEAMEC Limited

- 1 We have audited the attached Balance Sheet of SEAMEC Limited ('the Company') as at March 31, 2012 and also the Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
- 2 We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- 3 As required by the Companies (Auditor's Report) Order, 2003 (as amended) issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Companies Act, 1956, we enclose in the annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
- 4 Further to our comments in the Annexure referred to in paragraph 3 above, we report that:
 - (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (ii) In our opinion, proper books of account as required by law have been kept by the Company, so far as appears from our examination of those books;
 - (iii) The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - (iv) In our opinion, the Balance Sheet, Statement of Profit and Loss Account and Cash Flow Statement dealt with by this report comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956;
 - (v) On the basis of the written representations received from the Directors, as on March 31, 2012, and taken on record by the Board of Directors, we report that none of the Directors of the Company is disqualified as on March 31, 2012 from being appointed as a Director, in terms of clause (g) of sub-section (1) of Section 274 of the Companies Act, 1956;
 - (vi) In our opinion and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2012

1 Corporate Information

SEAMEC Limited is a public Company incorporated under the Companies Act, 1956. The Company owns and operates four Multi Support Vessels for providing support services including marine, construction and diving services to offshore oilfields.

2 Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the *Companies (Accounting Standards) Rules, 2006, (as amended)* and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

3 Summary of Significant Accounting Policies

(a) Change in accounting policy

Presentation and disclosure of financial statements

During the year ended 31 March 2012, the revised Schedule VI notified under the Companies Act 1956, has become applicable to the company, for preparation and presentation of its financial statements. Except accounting for dividend on investments in subsidiary companies (see below), the adoption of revised Schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

Dividend on investment in subsidiary companies

Till the year ended 31 March 2011, the company, in accordance with the pre-revised Schedule VI requirement, was recognizing dividend declared by subsidiary companies after the reporting date in the current year's statement of profit and loss if such dividend pertained to the period ending on or before the reporting date. The revised Schedule VI, applicable for financial years commencing on or after 1 April 2011, does not contain this requirement. Hence, to comply with AS 9 Revenue Recognition, the company has changed its accounting policy for recognition of dividend income from subsidiary companies. In accordance with the revised policy, the company recognizes dividend as income only when the right to receive the same is established by the reporting date.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

(c) Tangible Fixed Assets

Fixed assets are stated at cost, net of accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Assets held for disposal are stated at lower of their net book value or net realisable value and are shown separately in financial statements.

(d) Depreciation on tangible fixed assets

Depreciation is provided using the Straight Line Method as per the useful lives of the assets estimated by the management, which is higher than at the rates prescribed under schedule XIV of the Companies Act, 1956.

Assets	Useful life (In Years)
Fleet	15 to 20
Fleet Equipments	3 to 7
Lease hold improvements	5
Office Equipments and Computers	5
Vehicles	4

Machinery/ insurance spares are depreciated over the balance useful life of the respective asset or the mother vessel, whichever is lower. Fixed assets individually costing less than Rs. 5 thousand are fully depreciated in the year of purchase.

(e) Intangible assets

Computer software is capitalised and amortised on a straight-line basis over its useful life, which is estimated as five years.

(f) Impairment of tangible and intangible assets

The carrying amounts of all assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal / external factors, whether they are recorded in excess of their recoverable amounts, and where carrying values exceed this estimated recoverable amount, assets are written down to their recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

(g) Investments

Investments which are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

(h) Inventories

Inventories consist of stores and consumables for use in running of fleets. These are valued at lower of cost and net realizable value. Cost is determined on weighted average basis. Inventory items individually costing less than ₹ 5 thousand are charged to consumption.

(i) Cash and cash equivalents

Cash and cash equivalents in cash flow statement comprise cash in hand and at bank in current and foreign currency accounts. Term deposits having maturity of three months or less are considered as cash equivalents.

(j) Retirement and other employee benefits

- i. Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective fund.
- ii. Contribution to Superannuation Fund, a defined contribution scheme, is made to the Life Insurance Corporation of India, as per the arrangement with them, and the contributions are charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due.
- iii. Gratuity, a defined benefit scheme is covered by a Group Gratuity cum Life Assurance Policy with Life Insurance Corporation of India ("LIC"). Annual contribution to the fund as determined by LIC is expensed in the year of contribution. The shortfall between the accumulated funds available with LIC and liability as determined on the basis of an actuarial valuation is provided for as at the year-end. The actuarial valuation is done as per projected unit credit method. Actuarial gains/losses are immediately taken to statement of profit and loss as per projected unit credit method and are not deferred.
- iv. Short term compensated absences are provided for based on estimates.
- v. The company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based

on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

(k) Foreign Currency transactions

i. Initial recognition

Foreign currency transactions are recorded in the reporting currency by applying, to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

iii. Exchange differences

Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, are recognised as income or as expenses in the period in which they arise.

iv. Forward Exchange Contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or as expense for the period.

(l) Income Tax

Tax expense comprises of Current Tax. Current Income tax liability on shipping income is determined based on the net tonnage of each of its vessels, in accordance with section 115VT of the Income Tax Act, 1961. Income other than shipping income is taxed in accordance with the other provisions of the Income Tax Act, 1961. Further, with the applicability of above section, there is no timing difference between taxable and book profit. Therefore, there is no deferred tax.

(m) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

i. Charter hire income

Charter hire income comprises income from charter hire of multi-support vessels and income from supply of marine and diving crew and services. Charter hire revenues are recognised at contracted rates over the charter period. Revenues from supply of crew and services are classified as other operating revenue and recognised on rendering of the service, based on day rate charges as per the terms of the agreements.

ii. Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

iii. Claims

Claims are accounted when it is reasonably certain that the ultimate collections will be received.

iv. Rental income

Rental income is accrued on time basis, by reference to agreements entered.

(n) Operating lease

Leases where the leaser effectively retains substantially all the risks and benefits of the ownership of the lease term, are classified as operating leases. Operating lease payments are recognised as an expense in the Profit and Loss Account on a straight line basis over the lease term.

**(o) Provisions**

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits, will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(p) Segment Reporting

i. Primary Business Segments

The Company is primarily engaged in a single segment business of providing support services including marine, construction and diving services to offshore oilfields in India and abroad, and accordingly, this is the only primary reportable segment.

ii. Secondary Geographical Segments

Secondary segmental reporting is based on geographical location of the client. The geographical segment has been disclosed based on revenues within India and revenues outside India.

(q) Earnings per Share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of diluted potential equity shares, if any. The Company does not have any diluted equity shares as at the period end.

(r) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

	As at 31.03.2012	As at 31.03.2011
(a) Claim against the Company not acknowledge as debts	Refer note (a) (b) & (c) below	Refer note (a) below

- a The case against the Company alleging violation of Foreign Exchange Regulation Act (FERA), related to acquisition of Land drilling Rig, is pending before the Hon'ble Mumbai High Court. The Company has furnished a Bank Guarantee of ₹ 100 million to the Enforcement Directorate, FERA, towards penalty imposed, as directed by the Hon'ble Mumbai High Court. The bank guarantee is valid till June 30, 2012. No provision is considered necessary in respect of the said penalty as the management believes, based on legal opinion, that there has been no contravention to FERA.
- b During the year, two of company's vessel, Seamec III & Seamec II, were detained by Customs Authority at Mumbai for non-submission of copy of Bill of Entry of original import, purported to have been filed by original importer in 1985 & 1988 respectively. Customs Department subsequently released vessel SEAMEC-III on 30th November 2011 with a condition to furnish copy of Bill of Entry within 30 days. Customs Department seized vessel SEAMEC-II on 1st December 2011 and granted provisional release upon payment of duty on the acquisition cost of the vessel by Company in 1994 along with duty on recent upgradation and dry dock cost carried out abroad, together with a Bank Guarantee of ₹ 270 million and Bond for ₹ 1,350 million. Being aggrieved, the Company filled a writ petition before the Hon'ble High Court at Mumbai. The Hon'ble High Court at Mumbai, vide its order dated January 11, 2012, directed Customs Department to release the vessel SEAMEC-III without any condition and release vessel SEAMEC-II on payment of duty on the recent repairs & upgradation work carried abroad, which company also offered to pay initially, and furnishing bank guarantee of ₹ 82.10 million and Bond for ₹ 821 million, pending adjudication, Hon'ble High Court observed that no duty to be charged on the acquisition cost as the vessel was originally imported prior to 2001 when import duty was not applicable on such vessel. Vessel Seamec III was released on 17th January 2012 and Seamec II on 25th January 2012. Both the vessels are currently deployed for work at Indian Offshore.

- c During the year, the Directorate of Revenue Intelligence (DRI) carried out investigation to ascertain customs duty paid by company on dry-docking and repairs to vessels incurred outside India since 2002. The DRI provisionally assessed customs duty of ₹ 126.60 million which the company has paid under protest and is duly accounted for. The company is contesting the duty as assessed by DRI.

26. Capital Commitments

Estimated amount of contracts remaining to be executed on capital account and not provided for ₹ NIL million (Previous year ₹ 141.46 million).

27. Trade Receivable

The Company withdrew one of its vessels from a charter hire contract due to commercial disputes. The Company has not recognised revenue of ₹ 281.99 million in respect of contract for the period January 2010 to March 2010 on account of uncertainty relating to acceptance and realisability of claims. Further, the Company has also made a provision of ₹ 239.39 million towards outstanding receivables from the same client on grounds of prudence. The Company has been pursuing legal recourse in Mexican Court.

28. Insurance Claim

During the year, the Company has submitted claim of ₹ 13.29 million to Hull & Machinery underwriter towards repairs to thrusters of vessel SEAMEC-III. The claim has since been recommended by Average Adjuster. The Company has accrued the claim as recoverable.

During the previous year the Company has received ₹ 44.44 million from Insurers, towards claims against damage to vessel SEAMEC-II at Curacao Dry Dock in September 2007. The relevant expenditure was expensed to statement of profit and loss, when incurred

The major categories of plan assets as a percentage of the fair value of total plan assets are as follows:

Investments with insurer	100%	100%
--------------------------	------	------

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled. There has been significant change in expected rate of return on assets due to the improved stock market scenario.

The principal assumptions used in determining gratuity for the Company's plans are shown below:

Discount rate	8.25%	8.00%
Expected rate of return on assets	8.00%	7.00%
Salary Escalation	7.00%	7.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

NOTE TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2012

1 Corporate Information

SEAMEC Limited is a public Company incorporated under the Companies Act, 1956. The Company owns and operates four Multi Support Vessels for providing support services including marine, construction and diving services to offshore oilfields.

2 Basis of preparation

The consolidated financial statements of the SEAMEC Limited (the Company) & its subsidiary Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the *Companies (Accounting Standards) Rules, 2006, (as amended)* and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

3 Summary of Significant Accounting Policies

(a) Principles of Consolidation

- (i) The consolidated financial statements of the group have been prepared in accordance with the Accounting Standard 21 'Consolidated Financial Statements' notified under by the Companies (Accounting Standards) Rules, 2006 (as amended).
- (ii) The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financials statements.
- (iii) The financial statements of the Company & its subsidiary have been combined on a line-by-line basis by adding together book values of the like items of assets, liabilities, income & expenses after eliminating all intra group transactions, balances, unrealised surplus and deficits on transactions.
- (iv) The company considered in the consolidated financial statements are listed below:

Sr. No.	Name of Subsidiary :	Proportion of ownership interest either directly or indirectly	
		As on March 31, 2012	As on March 31, 2011
1	Seamec International FZE, United Arab Emirates	100%	100%

(b) Change in accounting policy

Presentation and disclosure of financial statements

During the year ended 31 March 2012, the revised Schedule VI notified under the Companies Act 1956, has become applicable to the company, for preparation and presentation of its financial statements. The adoption of revised Schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

(c) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (Indian GAAP) requires management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

(d) Tangible Fixed Assets

Fixed assets are stated at cost, net of accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Gains or

losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized. Assets held for disposal are stated at lower of their net book value or net realisable value and are shown separately in financial statements.

(e) Depreciation on tangible fixed assets

Depreciation is provided using the Straight Line Method as per the useful lives of the assets estimated by the management, which is higher than at the rates prescribed under schedule XIV of the Companies Act, 1956.

Assets	Useful life (In Years)
Fleet	15 to 20
Fleet Equipments	3 to 7
Lease hold improvements	5
Office Equipments and Computers	5
Vehicles	4

Machinery/ insurance spares are depreciated over the balance useful life of the respective asset or the mother vessel, whichever is lower. Fixed assets individually costing less than ₹ 5 thousand are fully depreciated in the year of purchase.

(f) Intangible assets

Computer software is capitalised and amortised on a straight-line basis over its useful life, which is estimated as five years.

(g) Impairment of tangible and intangible assets

The carrying amounts of all assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal / external factors, whether they are recorded in excess of their recoverable amounts, and where carrying values exceed this estimated recoverable amount, assets are written down to their recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

(h) Investments

Investments which are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

(i) Inventories

Inventories consist of stores and consumables for use in running of fleets. These are valued at lower of cost and net realizable value. Cost is determined on weighted average basis. Inventory items individually costing less than ₹ 5 thousand are charged to consumption.

(j) Cash and cash equivalents

Cash and cash equivalents in cash flow statement comprise cash in hand and at bank in current and foreign currency accounts. Term deposits having maturity of three months or less are considered as cash equivalents.

(k) Retirement and other employee benefits

- i. Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective fund.
- ii. Contribution to Superannuation Fund, a defined contribution scheme, is made to the Life Insurance Corporation of India, as per the arrangement with them, and the contributions are charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due.

- iii. Gratuity, a defined benefit scheme is covered by a Group Gratuity cum Life Assurance Policy with Life Insurance Corporation of India ("LIC"). Annual contribution to the fund as determined by LIC is expensed in the year of contribution. The shortfall between the accumulated funds available with LIC and liability as determined on the basis of an actuarial valuation is provided for as at the year-end. The actuarial valuation is done as per projected unit credit method. Actuarial gains/losses are immediately taken to statement of profit and loss as per projected unit credit method and are not deferred.
- iv. Short term compensated absences are provided for based on estimates.
- v. The company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

(l) Foreign Currency transactions

i. Initial recognition

Foreign currency transactions are recorded in the reporting currency by applying, to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

iii. Exchange differences

Exchange differences arising on the settlement of monetary items not covered above or on reporting monetary items of the Company at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, are recognised as income or as expenses in the period in which they arise.

iv. Forward Exchange Contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or as expense for the period.

(m) Income Tax

Tax expense comprises of Current Tax. Current Income tax liability on shipping income is determined based on the net tonnage of each of its vessels, in accordance with section 115VT of the Income Tax Act, 1961. Income other than shipping income is taxed in accordance with the other provisions of the Income Tax Act, 1961. Further, with the applicability of above section, there is no timing difference between taxable and book profit. Therefore, there is no deferred tax.

(n) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

i. Charter hire income

Charter hire income comprises income from charter hire of multi-support vessels and income from supply of marine and diving crew and services. Charter hire revenues are recognised at contracted rates over the charter period. Revenues from supply of crew and services are classified as other operating revenue and recognised on rendering of the service, based on day rate charges as per the terms of the agreements.

ii. Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

iii. Claims

Claims are accounted when it is reasonably certain that the ultimate collections will be received.

iv. Rental income

Rental income is accrued on time basis, by reference to agreements entered.

(o) Operating lease

Leases where the leaser effectively retains substantially all the risks and benefits of the ownership of the lease term, are classified as operating leases. Operating lease payments are recognised as an expense in the Profit and Loss Account on a straight line basis over the lease term.

(p) Provisions

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits, will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(q) Segment Reporting

i. Primary Business Segments

The Company is primarily engaged in a single segment business of providing support services including marine, construction and diving services to offshore oilfields in India and abroad, and accordingly, this is the only primary reportable segment.

ii. Secondary Geographical Segments

Secondary segmental reporting is based on geographical location of the vessel. The geographical segment has been disclosed based on revenues within India and revenues outside India.

(r) Earnings per Share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of diluted potential equity shares, if any. The Company does not have any diluted equity shares as at the period end.

(s) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

	As at 31.03.2012	As at 31.03.2011
Claim against the Company not acknowledge as debts	Refer note (i) (ii) & (iii) below	Refer note (i) below

- (i) The case against the Company alleging violation of Foreign Exchange Regulation Act (FERA), related to acquisition of Land drilling Rig, is pending before the Hon'ble Mumbai High Court. The Company has furnished a Bank Guarantee of ₹ 100 million to the Enforcement Directorate, FERA, towards penalty imposed, as directed by the Hon'ble Mumbai High Court. The bank guarantee is valid till June 30, 2012. No provision is considered necessary in respect of the said penalty as the management believes, based on legal opinion, that there has been no contravention to FERA.
- (ii) During the year, two of company's vessel, Seamec III & Seamec II, were detained by Customs Authority at Mumbai for non-submission of copy of Bill of Entry of original import, purported to have been filed by original importer in 1985 & 1988 respectively. Customs Department subsequently released vessel SEAMEC-III on 30th November 2011 with a condition to furnish copy of Bill of Entry within 30 days. Customs Department seized vessel SEAMEC-II on 1st December 2011 and granted provisional release upon payment of duty on the acquisition cost of the vessel by Company in 1994 along with duty on recent upgradation and dry dock cost carried out abroad, together with a Bank Guarantee of ₹ 270 million and Bond for ₹ 1,350 million. Being aggrieved, the Company filled a writ petition before the Hon'ble High Court at Mumbai. The Hon'ble High Court at Mumbai, vide its order dated January 11, 2012, directed Customs Department to release the vessel SEAMEC-III without any condition and release vessel SEAMEC-II on payment of duty on the recent repairs & upgradation work carried abroad, which company also offered to pay initially, and furnishing bank guarantee of ₹ 82.10 million and Bond for ₹ 821 million, pending adjudication. Hon'ble High Court observed that no duty to be charged on the acquisition cost as the vessel was originally imported prior to 2001 when import duty was not applicable on such vessel. Vessel Seamec III was released on 17th January 2012 and Seamec II on 25th January 2012. Both the vessels are currently deployed for work at Indian Offshore.
- (iii) During the year, the Directorate of Revenue Intelligence (DRI) carried out investigation to ascertain customs duty paid by company on dry-docking and repairs to vessels incurred outside India since 2002. The DRI provisionally assessed customs duty of ₹ 126.60 million which the company has paid under protest and is duly accounted for. The company is contesting the duty as assessed by DRI.

26. Trade Receivables

The Company withdrew one of its vessels from a charter hire contract due to commercial disputes. The Company has not recognised revenue of ₹ 281.99 million in respect of contract for the period January 2010 to March 2010 on account of uncertainty relating to acceptance and realisability of claims. Further, the Company has also made a provision of ₹ 239.39 million towards outstanding receivables from the same client on grounds of prudence. The Company has been pursuing legal recourse in Mexican Court.

27. Insurance Claim

During the year, the Company has submitted claim of ₹ 13.29 million to Hull & Machinery underwriter towards repairs to thrusters of vessel SEAMEC-III. The claim has since been recommended by Average Adjuster. The Company has accrued the claim as recoverable. During the previous year the Company has received ₹ 44.44 million from Insurers, towards claims against damage to vessel SEAMEC-II at Curacao Dry Dock in September 2007. The relevant expenditure was expensed to profit and loss account when incurred

Key management personnel - Captain C J Rodricks. Managing Director. Total salary & allowances paid to him for the year ended March 31, 2012 ₹ 21.72 million (Previous year ₹ 15.31 million).

In absence of profit during the previous year ended March 31, 2011, not determinable on the date of such approval, the remuneration paid for the previous year was in excess of the requirements of the Companies Act, 1956. The Company has made an application to the Central Government on March 14, 2011 for waiver of the excess remuneration of ₹ 10.51 million. The excess remuneration has been approved by the shareholders at an Extraordinary General Meeting held on October 12, 2011. Ministry of Corporate Affairs, Government of India vide letter dated January 12, 2012 approved ₹ 7.73 million subject to condition that ₹ 2.78 million is recovered from Managing Director. The Company has made a representation to the Central Government for review of its above decision. The decision is pending.
