MANAGEMENT DISCUSSION AND ANALYSIS REPORT
ROLE OF NON-BANKING FINANCIAL COMPANIES IN ECONOMIC DEVELOPMENT:

NBFCs aid in economic development in following ways:

- Mobilization of resources- It converts savings into investments.
- Capital Formation- Aids to increase capital stock of Company.
- NBFCs provide long term credit and specialized credit.
- Aids in employment generation
- Help in development of financial markets.
- Help in attracting foreign grants.
- Helps in breaking the vicious circle of property by serving as Government's Instrument.

OVERALL REVIEW:

As per Economic Survey 2018-19, the GDP growth in 2016-17 was 8.2%. In **2018-19**, the agriculture and industry sectors are expected to grow at 2.9% and 6.9% respectively, while the service sector is estimated to grow at 7.5%. Inflation: The Consumer Price Index (CPI) based inflation declined from 3.6% in 2017-18 to 3.4% in **2018-19**.

The economic fundamentals are showing slow but improving trends, which corroborates the expected growth in the economy. Inflation has been largely tamed. The investment cycle in India is showing positive growth and expenditure on consumption is increasing, although in a fluctuating trend. This growth is likely to be sustainable considering government's focus on industrial activities, infrastructure development and ease of doing business.

OPPORTUNITIES, THREATS, RISKS, CONCERNS, PERFORMANCE AND OUTLOOK:

According to the Reserve Bank of India's (RBI) Financial Stability Report-2019, recent developments in the Non-banking financial companies (NBFC) sector have brought the sector under greater market discipline as the better performing companies continued to raise funds while those with Assets Liability Mismatch and/or asset quality concerns were subjected to higher borrowing costs.

The Indian market too corrected almost 14% from its life time highs in August 2018 when the SENSEX reaching almost 39,000 down to 33,350 in December 2018. The investment community was considerably relieved with the rise in the markets post budget from February 2019 on the back of substantial FII flows leading to the Sensex breaching its life time high and closing above 39,000 on 31st March, 2019.

Another area of concern is the fall in household savings which have fallen to two decade low to 17.2% of GDP in FY18 vs. 25.2% of GDP in FY10. The main reason for the dwindling household savings is a sharp jump in household financial liabilities, which have nearly doubled from ` 3.9 trillion in FY16 to ` 7.4 trillion in FY18, may be due to surge in unsecured lending from Banks, Micro finance and NBFCs.

On a brighter note, it was heartening to see that GST collection has finally moved up and crossed ` 1.1 lac crores for the month of April 2019. The biggest fear for the economists was that GST will fuel inflation and for the assesseees that an online system will never succeed. Both these fears have been negated with the business community relieved of dealing with myriad departments of the 17 to 18 different state and centre related taxes which were subsumed in GST and economists pleased with the retail price inflation touching a low of 1.97 % in January 2019 falling from as high as about 5% in FY 17 - 18 when GST was introduced.

Another development which deserves attention is the growth in deposits in 'Jan-Dhan' accounts, a version of no-frill accounts and the basic savings accounts launched in August 2014, intended as a first step in increasing financial inclusion across India's population, have inched close to the ` 1 lakh crore. As on 3rd May, 2019, deposits in Jan-Dhan accounts stood at ` 98,874.5 crore, spread across 35.54 crore beneficiaries. Deposits in such accounts have risen by 22 percent over the previous year. Average account balance in the Jan-Dhan accounts stood at ` 2,782 in April, 2019 compared to ` 838.8 at the end of the scheme's first phase in January 2015. This is an incredible success story and is now being closely studied and implemented by many other countries. Expectedly, the aforesaid reforms have laid the foundation for buoyant equity markets in the future. GST is leading to formalization of the economy which is helping organized retail, Jan-Dhan accounts has strengthened the liability side of PSU

Banks and will lead to plethora of opportunities to market products for Banks, Insolvency and Bankruptcy Code has brought a discipline into the workings of companies resulting in reduction of excess debt in balance sheets. A trend which is now catching favor globally is Industry consolidation. This is happening in India too. There is a visible consolidation in a few industries namely, airlines, telecom and real estate developers leading to disruption and breakdown of many weaker players. This has unfortunately led to rising unemployment, higher NPAs for Banks and NBFCs, and large write offs in the income statements of creditors as seen in the Jet Airways scenario. The emergence of strong leaders in industries which are consolidating brings forth investment opportunities. In financial markets it is commonly referred to as “Value Migration”.

In the year to come your company will continue to identify opportunities in select sectors which the management believes have potential to grow your wealth. To summarize, the path to rejuvenation of the Indian economy to higher growth as experienced in the years 2007 to 2010 remains a quandrum. However, there are silver linings in the clouds of low growth primarily higher capacity utilization but how far this will sustain over the year only time will tell. Data released by the Reserve Bank of India says that capacity utilization at 75.2 per cent in the quarter ended March 2018 the highest in last two years. Economists, however, caution that corporate capacities are still far away from the 83.2 per cent recorded in March 2011. Valuations remain rich which may lead to lower appreciation than what the market has rewarded shareholders in the last few years. We will continue to look for opportunities both in the listed and unlisted space.

NBFCs bring the much needed diversity to the financial sector thereby diversifying the risks, increasing liquidity in the markets thereby promoting financial stability and bringing efficiency to the financial sector.

In the backdrop of a growing economy, NBFCs will continue to grow in the financial ecosystem and create meaningful financial inclusion and further the government agenda of ‘Make in India’ and ‘Start-Up India’.

The Directors confirm that all the investments have been made with the intent to hold for long term appreciation, to enhance the income from dividends and are not held for trade. The Company continues to remain invested in sectors, which we believe have potential to remain value accretive over the long term. The Company continues to invest for the long term while availing opportunities to realize gains. The Company endeavours to evaluate opportunities considering the macro economic conditions both globally and domestically.

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
Indo Credit Capital Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of **Indo Credit Capital Limited**, (the "Company") which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2019 and its profit (financial performance including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act and relevant rules there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure A** statement on the matters specified in paragraph 3 and 4 of the Order.
- (2) As required by Section 143 (3) of the Act, based on our audit we report that:
 - (A) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (B) In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books.
 - (C) The Balance Sheet, Statement of Profit and Loss including other comprehensive income, Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained.
 - (D) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (E) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (F) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- (G) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (H) With respect to other matter to be included in the Auditor’s Report in accordance with the Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - (1) The Company does not have any pending litigation which would impact its financial position.
 - (2) The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (3) There were no amounts which were required to be transferred to the Investors Education and Protection Fund by the Company.

ANNEXURE-B TO AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Indo Credit Capital Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of "**Indo Credit Capital Limited (the "Company")**" as of 31st March, 2019 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

16. SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS

1. CORPORATE INFORMATION:

1.1 Indo Credit Capital Limited is a listed public limited company incorporated in 1993. Its shares are listed on Bombay and Ahmedabad Stock Exchanges. Company is primarily engaged in the business of finance and investments.

1.2 The Company has obtained a Certificate of Registration as Non Deposit Accepting Non-Banking Finance Company (NBFC) vide Registration No.:01.00039 dated 27th February, 1998.

2. SIGNIFICANT ACCOUNTING POLICIES:

2.1 Basis of Accounting:

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) under the historical cost convention on an accrual basis, unless otherwise stated hereinafter and comply with the Accounting Standards issued by the Institute of Chartered Accountants of India and referred to Sec 129 & 133 of the Companies Act, 2013. The accounting policies applied by the Company are consistent with those used in previous year.

2.2 Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accounting estimates could change from period to period and actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes. Changes in estimates are reflected in the financial statements in the period in which changes are made.

2.3 Revenue Recognition:

Revenue is recognized on accrual basis when no significant uncertainty as to its determination or realization exists.

2.4 Fixed Assets:

Fixed Assets have been recorded at actual cost inclusive of duties, taxes and other incidental expenses related to acquisition, improvement and installation.

2.5 Depreciation:

Depreciation on tangible assets has been provided on the straight-line method over the useful lives of assets as prescribed in Schedule II to the Companies Act, 2013. Depreciation on assets purchased/sold during the year has been proportionately charged.

2.6 Impairment of Fixed Assets:

Fixed assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's net selling price and value in use.

2.7 Investments:

Investments are Long Term Investments and are stated at cost and provision is made for diminution, other than temporary, in value of the investments. Current Investments are valued at the lower of cost and fair value. Profit or Loss on sale of investments is recorded at the time of transfer of title from the company.

2.8 Borrowing Cost:

Borrowing costs directly attributable to the acquisition or construction of qualifying fixed assets are capitalized as a part of cost of that assets till such time the fixed assets are substantially ready for their intended use. Qualifying fixed assets is an asset that necessarily takes a substantial period of time to get ready for their intended use or sale. All other borrowing costs are charged to Statement of Profit and Loss over the tenure of the borrowing.

2.9 Employees' Benefits:

The provision of Provident Fund Act, 1952 and payment of Gratuity Act, 1972 are not applicable to the Company at present.

2.10 Taxes on Income:

Taxes on Income are accounted in the same period to which the revenue and expenses relate. Provision for Current Income Tax is made on the basis of estimated taxable income, in accordance with the provisions of the Income Tax Act, 1961 and rules framed there under.

Deferred tax is the tax effect of timing differences. The timing differences are differences between the taxable income and accounting income for a period that originate in one period and are capable of reversal in one or more subsequent periods.

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

2.11 Earning Per Share (EPS):

Basic earnings per share is computed by dividing the profit/ (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares considered for deriving basic earnings per share.

2.12 Contingencies and Provisions:

Provisions are recognized when there is a present legal obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of obligation cannot be made. Contingent assets are not recognized in the financial statements.

2.13 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on available information.
