MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMIC SCENARIO AND OUTLOOK

India's GDP growth for FY15 was recorded at 7.3% YoY as against the growth rate of 6.9% YoY recorded in FY14. CPI inflation has decelerated from the recent peak of 11.2% YoY registered in Nov-13 to 4.9% YoY in Apr-15 largely led by lower food prices (46% weight in CPI) : FIIs invested USD18.1b in FY15, higher than USD13.7b in FY14. After five years of outflows, domestic MFs recorded an inflow of USD6.6b. Today FIIs own 23.9% of the Nifty stock ownership and as much as 48% of the free float in the Nifty stocks.

The financial year 2014-15 saw the Nifty Index deliver 27% returns closing at 8,491 on 31st March 2015 as against 6704 levels a year ago. This was primarily led by increased optimism on the ability of the newly elected NDA government to fast track the reforms process in India and implement development policies at a faster pace.

Global Foreign institutional investor (fii) flows into Indian markets however, were limited during the year due to the super normal outperformance of the Chinese equity markets. The benchmark Shanghai Composite Index was up 84% during the same period as against 27% returns by the Nifty.

The company has a wholly owned subsidiary which was a trading member of the National Stock Exchange of India Limited. Subsidiary has surrendered its membership card with the NSE and same has been approved during the year by the Exchange.

Our Company has been incorporated in the year 1986 to:

- * Deploy the investible surplus funds in the Capital Market.

2. **Significant Accounting Policies**

a) Basis of preparation of financial Statements

The financial statements are prepared under the historical cost convention on an accrual basis and in accordance with the generally accepted accounting principles in India, the applicable Accounting Standards and the relevant provisions of the Companies Act 2013 of India.

b) Use of Estimates

The preparation of financial statements requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ. Differences between the actual results and estimates are recognized in the period in which the results are known or materialized.

c) Revenue Recognition

Revenue Income and Expenditure are generally accounted on accrual or as they are earned or incurred except in case of significant uncertainty. Profit/Loss from trading activity is recognized on trade dates on first in first out basis. In respect of completed transactions pending settlement process, necessary treatment is given in the accounts for the Profits/Losses arising from these transactions. Dividend income is recognized when right to receive the payment is established.

d) Fixed Assets

Fixed asset is stated at cost less depreciation and impairment losses.

e) Depreciation

Assets are depreciated under the written down value method at the rates prescribed in Schedule IInd of the companies Act 2013 and on the revised carrying amount of the asset, identified as impaired on which depreciation has been provided over the residual life of the respective assets.

f) Investments

Current and Long term investments are stated at cost. Provision for diminution in the value of long term investments is made only if such decline is other than temporary.

**g) Current and Deferred Tax**

Provision for current income tax is made in accordance with the Income Tax Act 1961. Deferred Tax Liabilities and assets are recognized at substantively enacted tax rates, subject to the consideration of prudence on timing difference, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. No deferred tax asset has been created on carried forward losses as per income tax, as there is no reasonable certainty of reversal of the same in one or more subsequent year.

h) Employment Benefits

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees. The gratuity plan provides a lump sum payment to the vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and tenure of employment with the company. The estimates used for provision of Gratuity are not as per "AS 15 – Employee Benefits" issued by ICAI.

Provident fund is a defined contribution scheme and the company has no further obligation beyond the contribution made to the fund. Contributions are charged to profit and loss account in the year in which they accrue.

i) Contingent Liabilities

Provision is recognized when there is a present obligation as a result of past

event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Disclosure for contingent liability is made when there is a possible obligation or present obligation that may, but probably will not require an outflow of resources. No provision is recognized or disclosure for contingent liability is made when there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote.

j) Impairment of assets

The carrying amount of assets is reviewed at each Balance Sheet date for indication of any impairment based on internal/external factors. An asset is treated as impaired when the carrying cost of an asset exceeds its recoverable value and impairment loss is charged to the Profit & Loss account. The impairment of loss recognized in the prior accounting period is reversed if there has been a change in estimates of recoverable amount.

k) Current assets, loans & advances

The current assets, Loans and Advances have a value on realization at least equal to the amount at which they are stated in the balance sheet.

l) Borrowing costs

Borrowing costs that are attributable to the acquisition of assets are capitalized as part of cost of the asset. All other borrowing costs are charged to statement of Profit and Loss.

m) segment reporting

The Company operates in only one segment i.e., Capital Market operations, hence segment reporting in accordance with Accounting Standard-17 is not applicable.

TO THE MEMBERS OF

TWENTYFIRST CENTURY MANAGEMENT SERVICES LIMITED

Report on Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Twentyfirst Century Management Services Limited** (hereinafter referred to as "the Holding Company") and its subsidiary - **Twentyfirst Century Shares & Securities Limited**, (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2015, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "The Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group is responsible for maintenance of adequate accounting records in accordance with the

provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility:

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial

statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.
