SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 2016

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,

Sree Jayalakshmi Auto Spin Limited,

Chitradurga

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Sree Jayalakshmi Auto Spin Limited (hereinafter called the "Company"). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records

maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2016 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 (SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings. (Not Applicable to the Company during the Audit Period)
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

(a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (Not Applicable to the Company during the Audit Period)

(b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992; (Not Applicable to the

Company during the Audit Period)

(c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not

Applicable to the Company during the Audit Period)

(d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 w.e.f. October 28, 2014 (Not Applicable to the Company during the Audit Period)

(e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not Applicable to the Company during the Audit Period)

- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not Applicable to the Company during the Audit Period) and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not Applicable to the Company during the Audit Period).

During the period under review, the Company has complied with the provisions of the applicable Act, Rules, Regulations, Guidelines, etc. mentioned above subject to my observation in Annexure A.

I further report that on examination of the relevant documents and records in pursuance thereof on test-check basis and a having regard to the company's compliance system the Company has complied with the following laws applicable specifically to the Company:

- Industrial Disputes Act, 1947 1.
- The Payment of Wages Act, 1936 2.

### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Indian textile industry is one of the pillars of the country's economy. The industry is contributing about 14% to industrial production, 4% to the Country's G D P and 12% to country export earnings according to ministry of textiles

Global cotton consumption during 15-16 seasons has been estimated to be normal. India's production has been 334.50 bales for the year 2015-16. India Textile and clothing Exports dipped 2.43 percent over the previous year as per data released by commerce ministry. India's cotton exports have continued to follow a declining trend for the second fiscal in a row. Cotton yarn which is a major commodity in the export basket, registered a declining trend as well. Cotton yarn exports have shrunk by 8.37 percent to us dollar 3608.01 million in the last fiscal in value terms. In terms of volume, cotton yarn export's declined 4 percent while it declined 14 percent in value terms in 2014-15. China's demand for Indian cotton yarn slowing down due to competition and their policies on reserve cotton stock has created a vigilant outlook on India's cotton yarn exports.

The spinning sector started performing better despite facing a crisis since the beginning of the financial year owing to steep fall in yarn exports and drop in cotton prices. Despite the high cost of capital the spinning industry is very competitive and efficiently supplying yarn to domestic as well as in global market at very competitive prices.

Indian cotton prices further moved upward in domestic market during the year in line with the forecast offered in the previous report. Severe tight supply of the fiber in domestic market has lead to such a situation, production estimates by various agencies seems to have gone wrong and mills have not covered them well as they were with impression that the cotton would be available in abundance at a competitive price as the season progress. However supply has dried up and cotton prices moved north. At high process, demand for local cotton has diminished and not many deals were reported. On the other hand, yarn prices have not improved proportionately and mills are under pressure due to weaker demand. Many spinning mills have now started importing cotton from abroad as import fiber price is competitive than local goods. The domestic cotton scenario may not change much and cotton prices should stay strong with some fluctuation in near future.

Cotton market is going through a lot of uncertainty and prices may be volatile in the coming months. On the other hand, China's offloading of cotton stock has been performing well and cotton prices have come down marginally. On the key data on the cotton crop from USDA's latest forecast for the next season indicates that world cotton production to be further down to 103.2 million bales (of 480 lb, down from last season's 98.1 million bales) consumption estimates at 110.6 million bales (increase from last season's 108.8 million bales) and ending stock to be at 94.7 million bales as against last season's 102.1 million bales.

On the yarn front, demand for Indian yarn was moderate and spinners have not been able to pass on the increased cost burden to customers. As the yarn prices have increased, buying volume has reduced. Therefore, Indian spinners are under pressure and discounted sales are available.

Your company is engaged in the manufacture of cotton yarn and also in cotton ginning and trading activity. Your company manufacturing mainly 60 s count of yarn, which is sold in Biwandi, Ichalkaranji and Malegaon. This year also cotton production being good and prices remained stable. The yarn prices were more volatative affecting the profitability of the Company.

### OPPORTUNITES, THREATS, RISKS AND CONCERNS;

The continuing threat to the growth of textile industry is irregular of supply of power and availability of lab our. Power and labour are two major factors affect the production.

Though the supply of quality power is in question through power companies, and unscheduled power cuts are on higher side, addition to that the Karnataka electricity regulatory commission has recently hiked power tariff by 10 percent per unit for industrial consumers. This is the nine hikes in last six years beginning from November 2009.

From last few years spinning sector has witnessed worst phases, because of shortage of labour. ASSOCHAM survey reveals that textile units were utilizing only 50 to 60 percent of their capacity due to scarcity of labour.

Even if we get lab our absenteeism and attrition rates are high. Due to power and lab our shortage unit's utilization level has come down to 70 percent.

The plan of the company is to increase the ginning and trading of the company thereby results in overall turnover and profitability of the Company

### **Internal Control**

The Company adopts adequate systems of internal control in places, this is to ensure that assets are safeguarded against loss from unauthorized use or disposition and that transaction are authorized, recorded and reported correctly.

"Annexure B" to The Auditors' Report Referred to in Paragraph 5 of Our Report of Even Date

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies, Act, 2013 ("the Act") We have audited the internal financial controls over financial reporting of Sree Jayalakshmi Auto Spin Limited .("the Company") as of 31st March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting

and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over financial Reporting issued by the Institute of Chartered Accountants of India.
