INITIATIVES TAKEN BY THE GOVERNMENT FOR EDUCATION SECTOR

The Government of India has planned to provide enhanced access to higher education by creating two million additional seats for each age group, in the 12th Five-Year Plan. An advisory body, National Knowledge Commission (NKC) has been set up to guide policy and direct reforms, focusing on certain key areas such as education, science and technology, agriculture, industry and e-governance. It has also allowed 100 per cent Foreign Direct Investment (FDI) in the education sector through the automatic route since 2002. In the year 2015 government is expected to launch New Education Policy to address the changing dynamics in the education industry of the country as per the requirement of the population.
