 - ii. bring their copy of Attendance Slip, duly completed and signed, to the meeting.
7. Members who hold shares in dematerialized form are requested to bring their DP ID and Client ID numbers for easy identification of attendance at the meeting.
8. In case of joint holders attending the Meeting, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
9. For the convenience of the Members, attendance slip is enclosed in the Annual Report. Members/Proxy Holders/Authorized Representatives are requested to fill in and affix their signatures at the space provided therein and surrender the same at the venue of the AGM. Proxy/Authorized Representatives of a member should state on the attendance slip as 'Proxy or Authorized Representative' as the case may be.
10. The proxy form is also attached herewith which is required to be duly filled, stamped, signed and shall be deposited within the prescribed time period.
11. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, M/s. Beetal Financial & Computer Services Private Limited for assistance in this regard.

12. The Board's Report, Auditors' Report and Audited Balance Sheet as at 31st March 2019 and the Profit and Loss Account alongwith the Cash Flow Statement for the financial year ended on that date are enclosed
13. The details as required under Regulation 36(3) of SEBI (LODR) Regulations, 2015 and under Secretarial Standards on General Meeting issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/re-appointment at this Annual General Meeting are also annexed.
14. The Register of Members and Share Transfer Books of the Company will be closed from Sunday, 22nd September, 2019 to Saturday, 28th September, 2019 (both days inclusive) in connection with the 32nd Annual General Meeting.
15. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat Accounts. Members holding shares in physical form can submit their PAN details to the Company.
16. Pursuant to Section 72 of the Companies Act, 2013, shareholders holding shares in physical form may file nomination in the prescribed form SH-13 with the Company's Registrar and Share Transfer Agent. In respect of shares held in Electronic/Demat form, the nomination form may be filed with the respective Depository Participant.
17. Members holding physical shares in multiple folios in identical name are requested to send their share certificates to Company's Registrar and Share Transfer Agent, M/s. Beetal Financial & Computer Services Private Limited for consolidation.
18. In case of any query, Members are requested to send the same to the Company Secretary atleast 10 days before the date of the meeting so that information can be made available at the meeting.
19. Members are requested to note that no **GIFTS, GIFTS COUPONS, OR CASH IN LIEU OF GIFTS** shall be distributed at the meeting.
20. The electronic copy of the Annual Report for the financial year 2018-19 is being sent to all the Members whose e-mail ids are registered with the Company/Depository Participant(s)/RTA unless any Member has requested for a hard copy of the same. For the Members who have not registered their e-mail address, physical copy of the Annual Report for the financial year 2018-19 is being sent in the permitted mode.
21. Members who have not registered their e-mail address so far are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars etc. from the Company electronically hereafter.
22. At the 30th AGM held on 26th September, 2017 the members approved appointment of Dhirubhai Shah & Co., LLP, (then known as M/s. Dhirubhai Shah & Doshi) Chartered Accountants as Statutory Auditors of the Company to hold office for a period of five years subject to ratification of their appointment by Members at every AGM, if so required under the Act. The requirement to place the matter relating to appointment of auditors for ratification by Members at every AGM has been done away by the Companies (Amendment) Act, 2017 with effect from 7th May, 2018. Accordingly, no resolution is being proposed for ratification of appointment of statutory auditors at the 32nd AGM.
23. Pursuant to the provisions of Section 108 of the Companies Act, 2013, read with the Companies (Management and Administration) Rules, 2014 including amendments, if any and Regulation 44 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 the Company is pleased to provide members facility through M/s. Central Depository Services (India) Ltd. (CDSL) to exercise their right to vote on resolutions proposed to be considered at the 32nd Annual General Meeting of the Company by electronic means and the business may be transacted through e-Voting.

AMCO INDIA LIMITED

EXPLANATORY STATEMENT

As required under Section 102 of the Companies Act, 2013 ("Act"), the following explanatory statement sets out all material facts relating to business mentioned under Item Nos. 3 to 4 of the accompanying Notice:

Item No. 3:

Re-appointment of Mr. Dharam Pal Aggarwal as an Independent Director:

Based on recommendation of Nomination and Remuneration Committee, the Board of Directors proposes the re-appointment of Mr. Dharam Pal Aggarwal (DIN: 00096684) as Independent Director, for a second term of five years from 28th September, 2019 to 27th September, 2024, not liable to retire by rotation. Mr. Dharam Pal Aggarwal was appointed as Independent Director w.e.f 25.03.2015 through postal ballot and his term expires at the ensuing Annual General Meeting. The Company has received a notice in writing from a Member in terms of Section 160(1) of the Companies Act, 2013, proposing his candidature for the office of Director.

The Board, based on the performance evaluation and recommendation of Nomination and Remuneration Committee, considers that given his background, experience and contribution, the continued association of Mr. Dharam Pal Aggarwal would be beneficial to the Company and it is desirable to continue to avail his services as Independent Director. In the opinion of the Board, he fulfills the conditions specified in the Act and SEBI Listing Regulations for appointment as an Independent Director and is independent of the management of the Company.

The Company has received a declaration from him to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act and Rules framed thereunder and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. In terms of Regulation 25(8) of SEBI (LODR) Regulations, 2015 he has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties.

The terms and conditions of his appointment shall be open for inspection for the Members at the Registered Office of the Company during the normal business hours on any working day.

Brief Resume of Mr. Dharam Pal Aggarwal, nature of his expertise in specific functional areas and other details as required under Companies Act, 2013, Secretarial Standards and SEBI (LODR) Regulations, 2015 is annexed to the notice.

In compliance with the provisions of Section 149 read with Schedule IV to the Act and Regulation 17 of SEBI (LODR) Regulations, 2015 and other applicable Regulations, the re-appointment of Mr. Dharam Pal Aggarwal as Independent Director is now being placed before the Members for their approval by way of Special Resolution.

The Board recommends the Special Resolution at Item No. 3 of this Notice for approval of the Members.

Except Mr. Dharam Pal Aggarwal and his relatives, none of the Directors and Key Managerial Personnel of the Company and their respective relatives is, in any way, concerned or interested, in the Resolution set out for the re-appointment of Mr. Dharam Pal Aggarwal in this Notice.

Item No. 4:

Re-appointment of Mr. Ankit Aggarwal as an Independent Director:

Based on recommendation of Nomination and Remuneration Committee, the Board of Directors proposes the re-appointment of Mr. Ankit Aggarwal (DIN: 07129392) as Independent Director, for a second term of five years from 28th September, 2019 to 27th September, 2024, not liable to retire by rotation. Mr. Ankit Aggarwal was appointed as Independent Director w.e.f 25.03.2015 through postal ballot and his term expires at the ensuing Annual General Meeting. The Company has received in writing a notice from a Member in terms of Section 160(1) of the Companies Act, 2013, proposing his candidature for the office of Director.

The Schedule IV of the Companies Act, 2013 states that the performance evaluation of the Independent Directors shall also be done by the entire Board of Directors, excluding the Director being evaluated.

The evaluation of all the directors and the Board as the whole was conducted based on the criteria and framework adopted by the Board. The Board works with the Nomination & Remuneration committee to lay down the evaluation criteria for the performance of executive/non-executive/independent directors through a peer evaluation excluding the Director being evaluated through the Board efficiency survey.

The Board's functioning was evaluated on various aspects, including inter alia degree of fulfillment of key responsibilities, Board structure and composition, establishment and delineation of responsibilities to various Committees, effectiveness of Board processes, information and functioning, information flow, relationship with the stakeholders, Company's performance & Company strategies.

The Directors were evaluated on aspects such as attendance and contribution at Board/ Committee Meetings and guidance/ support to the management outside Board/ Committee Meetings. In addition, the Chairman was also evaluated on key aspects of his role, including setting the strategic agenda of the Board, encouraging active engagement by all Board members and motivating and providing guidance to the Managing Director & CEO.

The areas on which the Committees of the Board were assessed included degree of fulfillment of key responsibilities, adequacy of Committee composition and effectiveness of meetings.

The performance evaluation of the Independent Directors was carried out on the basis of the three key roles of the Independent Directors - governance, control & guidance. Some performance indicators bases upon which the independent directors were evaluated are:

- i. Ability to contribute to corporate governance practices of the Company;
- ii. Active participation in long term strategic planning;
- iii. Commitment to the fulfillment of directors' obligations & fiduciary responsibility;
- iv. Participation in Board and committee meetings.

The performance evaluation of the Chairman and the Executive Directors was carried out by the Independent Directors who also reviewed the performance of the Board as a whole.

ANNEXURE TO THE BOARD'S REPORT - ANNEXURE I

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INTRODUCTION:

The management of Amco India Limited presents the analysis of performance of the company for the year 2018-19 and its outlook for the future. The objective of this report is to present the Managements perception of the various developments in the business environment, challenges and opportunities before the Company as well as to provide an analysis of the Company's performance. This report also summarizes the Company's internal control measures and developments in the Human Resources front. The outlook is based on assessment of the current business environment and thus the Company's actual results, performance or achievements could differ from those projected in any forward-looking statements.

1. INDUSTRY STRUCTURE AND DEVELOPMENT:

ALUMINIUM FOIL: There are around many major Aluminum Foil manufacturers in India who caters the total demand of the product in different field of pharmaceuticals and flexible packaging industries. As aware the Indian economy has been passing through a period of sustained decline in the recent past and this continued during the year under review as well. The other factor's market has dropped due to stiff competition in the market.

PVC FILMS & SHEETINGS: There are around 13 PVC Films & Sheeting's manufacturers in India. India is among the world's fastest growing polymer markets. India is the second largest demand hub for polymer in Asia after China, accounting for 10.75% of the Asian consumption.

2. OPPORTUNITIES & THREATS, RISKS & CONCERNS:

ALUMINIUM FOIL: India is known to be a growing market for Aluminium Foil industry. High cost of production, slower machinery can become a threat for the industry and entry of some large scale industries of Aluminium foils which spoiled the market by creating abundance of supplies with no equivalent increase on the demand side of products. The Company expects improvement in demand of indigenous foil due to capacity increase by pharmaceuticals companies in last one year and years to come.

PVC FILMS & SHEETINGS: Indian polymer sector was impacted during the first half of FY 2018-19 due to GST implementation. Demand revived post stabilisation of the GST regime. For the full year, India's polymer market registered a healthy 6% growth y-o-y. Demand growth was driven by higher economic activity, rising disposable income levels, increased spending on infrastructure and uptrend in the packaging and automobiles sector. There is a growing market for PVC Films & Sheetings and Laminated Sheetings as it is used in different types of Industries such as electric tape, stationery, luggage, school belts for children, advertising banners, photographic albums, plastic panels for exhibitions and automobiles.

3. COMPANY'S PERFORMANCE (PRODUCT WISE):

ALUMINIUM FOIL: The Company has executed orders for Pharmaceutical Industries, Packaging Industries, Automobile Industries etc. The total revenue of the Company from Aluminium Foil during the year under review i.e 2018-19 is Rs. 6375.12 lakhs as against the revenue of Rs. 4933.38 lakhs during the previous year 2017-18. The Company witnesses the increase of 29.22% in revenue from Aluminum foil as compared to the previous year.

PVC FILMS & SHEETINGS: The performance in the PVC Films & Sheetings segment has shown a downfall during the year under review. The revenue from PVC films & Sheetings for the year 2018-19 is Rs. 555.77 lakhs against the revenue of the previous year 2017-18 which was Rs. 945.18 lakhs. Being a petroleum product, use of PVC resin, few plastic polymers, D.O.P, the increase in price have together made a heavy impact on cost of our products.

4. **OUTLOOK:**

The Aluminium Foil has potential to replace many non bio-degradable products like Polyester, LD, HD, etc. Aluminium Foil is mainly used and preferred in packaging particularly in Pharmaceutical Industry. The 50% of total capacity is consumed in this field. This product of company has wide applications in various areas, such as flexible packaging, food, chemical industry and Pharma sector. In Packaging industry, aluminum foil is gradually replacing polyester and other barrier films because aluminum foil have better berries properties than others.

Due to improvement in industrial environment after new government in country we hopeful for good growth in domestic and export of drugs and pharma resulting capacity increase in pharmaceutical industries and foil consumption. Further company expect improvement in realization of foil due to close of few foil manufacturing units and costly import due to dollor rate increase.

We have plans to consolidate our position in next two years as one of the top few companies, catering to the packaging needs of Pharma Companies. Further, the Company is highly keen in focusing more in the production of the Aluminium foils and coating of Aluminium foil and the management of the Company has decided to take the relevant steps in the said regard.

5. **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

Amco India Limited manages, monitors and reports on the principal risks and uncertainties that can impact its ability to achieve its strategic objectives. The Company's risk management framework encompasses internal control in an integrated manner and is tailored to the specific segments of Amco, businesses and functions. It takes into account various factors such as the size and nature of the inherent risks and the regulatory environment of the individual business segment or operating company. The Company has an adequate system of internal controls implemented by the management towards achieving efficiency in operations, optimum utilization of company's resources and effective monitoring thereof and compliance with applicable laws and regulations.

Amco India Limited recognizes that the risks associated with the business need to be managed to protect its customers, employees, shareholders and other stakeholders in the society to achieve its business objectives and enable sustainable growth. As part of its risk management process, Amco India Ltd reviews plan related risks, opportunities and uncertainties. It identifies those as having a high priority for particular oversight by the Board and its various committees. The Audit Committee of the Board of Directors also periodically reviews audit plans, external auditor observations and recommendations, significant risk area assessments and adequacy of internal controls.

The Company's internal control systems are geared towards ensuring adequate internal controls commensurate with the size and needs of the business, with the objective of efficient conduct of operations through adherence to the Company's policies, identifying areas of improvement, evaluating the reliability of Financial Statements, ensuring compliances with applicable laws and regulations and safeguarding of assets from unauthorized use.

A regular Internal Audit System is also in place. The internal audit is carried out by a firm of professional auditors and the audit observations, if any, are acted upon periodically after their review by the Audit Committee. It reviews the internal audit reports and also addresses all aspects of the company's functioning as required under SEBI and Company Law Guidelines.

6. **FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:**

The detailed financial performance of the Aluminium Foil, PVC Films & Sheetings and Non Woven has been highlighted in the Annual report under the head Segmental Reporting.

7. **MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS:**

It is your company's belief that people are at the heart of corporate & constitute the primary source of sustainable competitive advantage. The trust of your company's human resource development efforts therefore is to create a responsive and market driven organization. Your company continues its focus on strengthening competitiveness in all its business.

The Company continues to transform its human resource management. The company has followed a conscious policy of providing training to Management Staff through in-house and external programme, for upgrading personal and technical skills in relevant areas of functional disciplines. The industrial relations remained cordial at all locations during the year.

8. NEW PRODUCT DEVELOPMENT:

The Gutkha and Pan Masala Packaging units, which have been hit by the Supreme Court's ban on use of plastic sachets for sale purposes, have found an alternate in paper and aluminum foil pouches. The Gutkha and Pan Masala is main leading product in flexible packaging industry and now Aluminum foil is being used for such product.

The Company has now been supplying Aluminium Foil in the market to big empires for Cigarette Foil Packaging, Milk Powder Packaging and for packaging of medical / surgical equipments.

9. BUSINESS INITIATIVES:

Delivering superior performance in today's volatile and global environment requires sound strategy and disciplined execution. Accordingly, the company has launched new initiatives for both its segments namely, to enter new markets, to increase production and sales of higher value added products.

10. MANAGEMENT'S PERCEPTION OF RISKS:

The Company's exposure to Business, Assets and Financial Risks is stated as under.

BUSINESS RISKS:- In case of all, Aluminum Foil, PVC Films & Sheetings, and Non Woven there is no business risks.

ASSETS RISKS:- Assets risks includes threat to physical assets through accidents, natural calamities, etc. The company has suitable assets insurance policies so as to ensure maximum indemnity in the event of any loss. In addition, it has a system of continuous evaluation of insurance covers so as to cover conventional risks in an adequate manner as is commercially prudent.

11. APPRECIATION & DEPRECIATION OF RUPEE AGAINST US \$:

In case of Aluminium Foil, the currency fluctuation had significant impact on the products sale in the market.

12. RESOURCES

MATERIAL:- In case of Aluminium Foil there is abundance deposits of bauxite in our country which make raw material to be easily assessed. In case of PVC Films & Sheetings, although the raw material used such as PVC resin, DOP, Stabiliser, filler are easily available, the company has faced difficulty due to unstable price of PVC resin. In the matter of Non Woven there are mainly two raw materials. First is PP Granules and the second is PP Pigment. There is no scarcity of any of these raw materials.

CAPITAL:- The company needs more funds to meet its working capital and long term requirements to increase its production and sales.

PVC FILMS & SHEETINGS:- Because of multiple use in different kinds of industries such as Automobile, Stationery, Luggage, Electric Tape etc. and the Fire Retardant Quality, the demand for PVC Films & Sheetings are increasing.

13. CAUTIONARY STATEMENT:

The statements in the Management Discussion and Analysis describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities, law and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include global and domestic supply and demand conditions affecting selling prices of finished goods, input availability and prices, changes in government regulations, tax laws, economic developments within the country and outside the country and other factors such as litigation and industrial relations.

ANNEXURE TO THE BOARD'S REPORT : ANNEXURE IV

PARTICULARS OF REMUNERATION OF DIRECTOR IN COMPARISON TO EMPLOYEES SALARY AND OTHER DETAILS

[Pursuant to Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

1. Ratio of the remuneration of each Director to the median remuneration of the Employees of the Company for the financial year:

(Explanation: (i) the expression "median" means the numerical value separating the higher half of a population from the lower half and the median of a finite list of numbers may be found by arranging all the observations from lowest value to highest value and picking the middle one; (ii) if there is an even number of observations, the median shall be the average of the two middle values).

2. Percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary, or Manager, if any, in the financial year:

The ratio of remuneration of each Director to the Median Remuneration of all employees who were on the payroll of the Company and the percentage increase in remuneration of the Directors during the financial year 2018-19 are given below:

Name of the Directors	Designation	Ration to Maiden	% increase in Remuneration
Mr. Rajeev Gupta	Whole Time Director	9.74:1	NIL
Mr. Surender Kumar Gupta	Managing Director	12.98:1	NIL
Mrs. Vidhu Gupta	Whole Time Director	3.25:1	NIL
Ms. Rhea Gupta	Chief Financial Officer	0:1	NIL

The percentage increase in remuneration of the Directors & Chief Financial Officer during the financial year 2018-19 was NIL.

The percentage increase in remuneration of the Company Secretary during the financial year 2018-19 was 15.55%.

3. Percentage increase(decrease) in the median remuneration of employees in the financial year: -10.73%.

4. Number of permanent employees on the rolls of Company: 68

5. Explanation on the relationship between average increase in remuneration and Company performance:

The remuneration of employees has a close linkage with the performance of the Company. The Annual Performance Award (APA), is a variable component in the remuneration for all the management staff, has a direct correlation with the Company's performance. APA is calculated based on both individual and Company performance. Since, the performance of the Company was expected to be much better there was not much increase in the remuneration of the employees and no increment in the remuneration of Board members.

6. Variations in the market capitalization of the Company, price earnings ratio as at the closing date of the current financial year and previous financial year and percentage increase over decrease in the market quotations of the shares of the Company in comparison to the rate at which the Company came out with the last public offer in case of listed companies:

- The market capitalization of the Company as on 31st March, 2019 was Rs. 849.22 lacs, as against Rs. 1316.37 lacs as at 31st March, 2018, an decrease of 35.49% during the year under review.
- The price earnings ratio of the Company as at 31st March, 2019 was 11.88 as against 13.60 as at 31st March, 2019.
- The Closing price of the Company's equity shares on 31st March, 2019 on BSE was Rs. 21.85 representing 9.25% increase over the IPO price.

7. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:
The percentage increase in the median remuneration of employees other than the managerial personnel in the last financial year is -10.73%. The increment given to each individual employee is based on the employees' potential, experience as also their performance and contribution to the Company's progress over a period of time. During the financial year 2018-19 there was no change in the remuneration of any of the Directors & key managerial personnel and the remuneration of Company Secretary was increased by 15.55%. The decrease median remuneration of employees other than the managerial personnel reflects the decline in the results of the Company. There was downfall in the performance of the Company as compared to previous years. The Company is hopeful of improving these figures in the future.
8. Comparison of the each remuneration of the Key Managerial Personnel against the performance of the Company:
The increase in remuneration is based upon the Annual Performance of the Company. There was a downfall in the performance of the Company compared to previous years. The remuneration of Directors & Key Managerial Personnel were fixed at the time of their appointment. There was increase of 15.55% in the remuneration of the Company Secretary. Except this, there was no increase in the remuneration of any of the the directors & key managerial personnel during the financial year 2018-19. Considering the performance of the Company Mr. Surender Kumar Gupta, Chairman & Managing Director of the Company has foregone half of his salary w.e.f. 01.04.2018 till 31.03.2019. He has paid the sum of Rs. 1,00,000/- per month during the financial year 2018-19. Mr. Rajeev Gupta, Whole Time Director has foregone the sum of Rs. 50,000/- per month from his salary. He was paid the sum of Rs. 1,00,000/- per month during the year 2018-19. Mrs. Vidhu Gupta, Whole Time Director of the Company has foregone all of her salary i.e the sum of Rs. 6,00,000/- during the year under review.
9. Key parameters for any variable components of remuneration availed by the Directors:
The remuneration availed by the directors of the Company do not have any variable component.
10. Ratio of the remuneration of the highest paid Director to that of the employees who are not Directors but receive remuneration in excess of the highest paid Director during the year:
The highest paid Director as at 31st March, 2019 is the Managing Director of the Company. No employee has received remuneration in excess of the Managing Director during the year. However Mr. Surender Kumar Gupta, Managing Director of the Company has also foregone all his salary during the financial year 2018-19.
11. Affirmation that the remuneration is as per the Remuneration Policy of the Company:
It is affirmed that the remuneration paid is as per the Remuneration Policy for Directors, Key Managerial Personnel and other employees, adopted by the Company.

AMCO INDIA LIMITED

INDEPENDENT AUDITOR'S REPORT

To the Members of Amco India Limited

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Amco India Limited ("the Company"), which comprises of the balance sheet as at 31st March 2019, and the statement of Profit and Loss (including other comprehensive income), and the Statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on our audit, there are no key audit matters to be discussed.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.

AMCO INDIA LIMITED

2. As required by Section 143 (3) of the Act, we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the directors as on 31st March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact, wherever necessary, of pending litigations on its financial position in its standalone financial statements;
 - ii. the Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE - B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Amco India Limited ("the Company") as of 31st March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

AMCO INDIA LIMITED

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

AMCO INDIA LIMITED

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS ANNUAL REPORT 31st MARCH, 2019

1. CORPORATE INFORMATION:

Amco India Limited ("the Company") is a public limited company domiciled in India and is listed on the Bombay Stock Exchange (BSE). The Company is engaged in manufacturing of PVC Leather cloth and aluminium foils.

2. BASIS OF PREPARATION:

For the year ended 31st March 2019, the Company has prepared its financial statements in accordance with the Indian Accounting Standards notified under Section 133 of the Companies Act 2013, read together with Companies (Accounts) Rules 2014 (Ind AS). The financial statements have been prepared on historical cost basis, except certain financial assets and liabilities which have been measured at fair value, defined benefits plans and contingent consideration. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

Current versus Non-current classification:

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3. SIGNIFICANT ACCOUNTING POLICIES:

A) USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and reported amount of revenue and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the results are known/materialized.

B) INVENTORIES:

Basis of valuation of inventories followed is given below:

- i) Raw materials are valued at FIFO basis net of excise duty at the lower of the cost or their net realizable value.
- ii) Work- in- Process is valued at their estimated absorption cost.
- iii) Finished goods are valued at cost of production inclusive of excise duty.
- iv) Consumable Stores & Packing Materials are valued at cost or net realizable value whichever is lower.
- v) Damaged, unserviceable and inert stock is suitably depreciated.

C) DEPRECIATION:

Depreciation on Property, Plant & Equipment is provided on Straight Line Method on the basis of useful lives given in Schedule-II to the Companies Act, 2013. Depreciation on additions / deletions to assets during the year is provided on pro-rata basis.

D) REVENUE RECOGNITION:

SALES / OTHER INCOME:

- i) Sales are recognized at the point of dispatch of finished goods to the customers. Sale of waste is accounted for on dispatch basis.
- ii) Processing income is recognized upon rendering of the services.
- iii) Income from dividend on mutual fund is taken on receipt basis.
- iv) Interest income is recognized on the basis of accrual but subject to realization.

E) PROPERTY, PLANT & EQUIPMENT:

Property, Plant & Equipment are recorded in the books at cost of acquisition, which comprises of the purchase price (net of rebate, discount and Cenvat credit) freight and other incidental expenses including interest relating to acquisition and expenditure on their installation or construction. Capital work in progress comprises the cost of the assets purchased but which are not yet ready for intended use at the date of Balance Sheet.

F) FOREIGN CURRENCY TRANSACTIONS:

i) INITIAL RECOGNITION:

Foreign Currency transactions are recorded in the reporting currency, by applying to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii) CONVERSION:

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

iii) EXCHANGE DIFFERENCES:

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year or reported in previous financial statements are recognized as income or as expenses in the year in which they arise.

G) INVESTMENT:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Current investments are carried at lower of cost and fair value. Long term investments are carried at cost. However, provision for diminution in value is made to recognize other than temporary, if any, in the value of the investments.

H) EMPLOYEE BENEFITS:

Liability in respect of employee benefit is provided for and/or charged to the Statement of Profit & Loss Account as follows:

i) PROVIDENT FUND:

The Company's provident fund is in the form of defined contribution plan where contribution is made to funds. The Contribution is accounted on accrual basis. Employers Contributions charged to the Statement of Profit and Loss Account of the year in which the employees render the related service.

ii) LEAVE ENCASHMENT:

The leave encashment liability of the employees of the Company is covered by a Master Policy taken out with the Life Insurance Corporation of India.

iii) GRATUITY:

The Gratuity liability in respect of the employees of the Company is covered by a Master Policy taken out with the Life Insurance Corporation of India under the Group Gratuity Scheme.

I) BORROWING COST:

The cost of borrowing is capitalized to the extent term loan was utilized for the purpose of capital expenditure before the period up to which the assets were put to use for commercial production. Borrowing cost incurred post commencement of commercial production is charged to the Statement of Profit & Loss.

J) SEGMENT REPORTING:

Segment revenue, results, assets and liabilities have been identified to represent segments on the basis of their relationship to the operating activities of the segment.

K) EARNINGS PER SHARE (EPS)

The earnings considered in ascertaining the company's Earning per Share ('EPS') comprises the net profit after tax. The number of shares used in computing the basic EPS is the weighted average number of shares outstanding during the year. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares.

L) TAX EXPENSE:

CURRENT TAX:

Tax on income for the current year is determined as per the provisions of the Income Tax Act, 1961.

DEFERRED TAX

Deferred tax is recognized on timing differences between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. Deferred tax Assets are recognized and carried forward to the extent that there is a reasonable certainty of realization, however in Case of unabsorbed tax losses and tax Depreciation are recognized only when there is a virtual certainty of their realization.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

M) IMPAIRMENT OF ASSETS:

Assets that are subject to amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the assets' carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the assets' fair value less costs to sell and value in use.

N) PROVISIONS AND CONTINGENT LIABILITIES:

Provisions are recognized when the Company has a present obligation as a result of past events, for which it is probable that an outflow of resources embodying economics benefits will be required to settle the obligation, and a reliable estimate can be made. When the company expects a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when reimbursement is virtually certain.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably will not, require an outflow of resources. When there is a possible or a present obligation the likelihood of outflow of resources is remote, no provision or disclosure is made.

O) FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

I. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regularway trades] are recognized on the settlement date, trade date, i.e., the date that the Company settle commits to purchase or sell the asset.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

i. Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held with an objective of collecting contractual cash flows
- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest"[SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate[EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

ii. Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fairvalue movements are recognized in the other comprehensive income [OCI]. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

iii. Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

iv. Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company has made such election on an instrument by- by instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

c. Derecognition:

A financial asset is primarily derecognized when:

- i. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either [a] the Company has transferred substantially all the risks and rewards of the asset, or [b] the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- ii. the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

d. Impairment of financial assets:

In accordance with Ind AS 109, the Company applies expected credit loss [ECL] model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, deposits, trade receivables and bank balance
- b. Trade receivables or any contractual right to receive cash
- c. Financial assets that are debt instruments and are measured as at FVTOCI
- d. Lease receivables under Ind AS 17
- e. Financial guarantee contracts which are not measured as at FVTPL

AMCO INDIA LIMITED

The Company follows 'simplified approach' for recognition of impairment loss allowance on Point c and d provided above. The application of simplified approach requires the company to recognize the impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive [i.e., all cash shortfalls], discounted at the original EIR.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance [or reversal] recognized during the period is recognized as income/ expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- a. Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance which reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.
- b. Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

II. Financial liabilities:

a. Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

ii. Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

iii. Financial guarantee contracts:

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

c. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

P. Reclassification of financial assets:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

Q. Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

R. Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted [unadjusted] market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

33. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The company's financial risk management policy is set by the Managing Board.

Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The company is not exposed to significant interest rate risk as at the specified reporting date.

Foreign currency risk

The Company operates locally, however, the nature of its operations requires it to transact in several currencies and consequently the Company is exposed to foreign exchange risk in various foreign currencies.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies.

I. Foreign Currency Exposure

Refer other notes for foreign currency exposure as at March 31, 2019, March 31, 2018 respectively.

II. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

Currency	2018-2019		2017-2018	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	(1,92,455)	1,92,455	(1,38,808)	1,38,808
Total	(1,92,455)	1,92,455	(1,38,808)	1,38,808

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the company compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty.

- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation,
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

33 - FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Cont.)

- III. Provision for expected credit losses against "I" and "II" above

The company has assets where the counter- parties have sufficient capacity to meet the obligations and where the risk of default is very low. Hence based on historic default rates, the Company believes that, no impairment allowance is necessary in respect of above-mentioned financial assets.

Liquidity risk

Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows.

**Capital management**

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirement of the financial covenants.

The company monitors capital using gearing ratio, which is total debt divided by total capital plus debt.

34. DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS

The Company has classified the various benefits provided to employees as under :-

(a) Defined contribution plans

The Company has recognized the following amounts in the statement of profit and loss

Particulars	Year ended 31-03-2019	Year ended 31-03-2018
Employer Contribution to Provident Fund	704447	670813
Employer Contribution to Employee's State Insurance Fund	371444	345176
Total	1075891	1015989

(b) Defined benefit plans

- Gratuity

- Compensated absences - Earned leave

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined plans based on the following assumptions -

Economic Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long term risk free investments. The estimated term of the benefits/obligations works out to zero years. For the current valuation a discount of 7.61% p.a. (Previous Year 7.05% p.a.) compound has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

The assumptions used are summarized in the following table :
