for the financial year ended 31st March, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members

M/S DAULAT SECURITIES LIMITED

CIN: L67120WB1992PLC056831

Reg. office: 86, Canning Street, 3rd Floor Kolkata - 700001.

Corp Office: 21 Lansdowne Place , Kolkata-700029

West Bengal, India

1. I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **DAULAT SECURITIES LIMITED** (hereinafter called '**the Company**'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.
2. Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :
3. I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020, to the extent applicable, according to the provisions of :
 - (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
 - (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 - (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (N/A)*
 - (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.(N/A)*
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.(N/A) *
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009. (N/A)*
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. (N/A)*
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008. (N/A)*
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client:-
-the Company itself is not registered as the Registrar and Share Transfer Agent.
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009. (N/A)* and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998. (N/A)*
 (N/A)* no such transaction undertaken by the Company during the audit period which require compliances under the act.
 - (vi) Any other laws- as per the information provided by the Company, its officers and authorized representatives there is no such other Law applicable specifically to the Company.
4. I have also examined compliance with the applicable Clauses of the following :
 - (i) Secretarial Standards issued by The Institute of Company Secretaries of India (as applicable).
 - (ii) The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
To the best of my understanding, I am of the view that during the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.
5. **I further report that :**
 - i. Based on the information provided by the Company, its officers and its authorised representatives during the conduct of the audit, and also on the review of the quarterly compliance report by respective department heads taken on record by the Board

- of Directors of the Company, in my opinion, adequate system and processes and control mechanism exist in the Company to monitor and to ensure the compliance with applicable general laws such as labour laws and environmental laws to the extent they are applicable.
- ii. The compliance by the Company of the applicable financial laws, like Direct and Indirect Tax laws, has not been reviewed in this audit since the same have been subject to review by Statutory Auditors and other designated professionals.
6. **I further report that :**
- i. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. Changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
However, during the year Miss Yogita Sharma resigned from the post of Company Secretary w.e.f. 04-06-2019 and the Company has appointed Miss Sneha Agarwala whole time Company Secretary w.e.f. 06-03-2020.
- ii. Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- iii. Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.
7. **I further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
8. **I further report that** as per the information and documents produced during the audit , the Company has no such specific events/actions, during the financial year which have a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.
9. This report is to be read with our letter of even date which is annexed as "**Annexure - A**" and forms an integral part of this Report.

"ANNEXURE – A" to the Secretarial Audit Report

To,

The Members

M/S DAULAT SECURITIES LIMITED

Our report of even date is to be read along with this letter.

1. Maintenance of Secretarial records is the responsibility of the Management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the Audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. We believe that the process and practices we followed, provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
4. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of corporate and other applicable laws, rules, regulations and standards is the responsibility of the management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Management Discussion and Analysis Report

Industries Trends and Developments : Be it Stock Broking, Mutual Fund distribution or Depository Participant Services, all the activities that your company is engaged in have huge growth opportunities due to existing low penetration levels, but are facing tremendous competitive pressures and increasing regulatory compliances. With the increasing role of technology, there is a paradigm shift in the running of these businesses. Your company is gearing up well to face all such developments by ramping up its infrastructure and technological, financial and human resources.

Opportunities and Threats :Your company's philosophy of providing professional, value- added, comprehensive and integrated broking, depository services and mutual fund to a cross- segment of society across the Eastern Region is fast becoming a positive differentiating factor vis- a-vis erstwhile competition. These could be treated as great opportunities for the company. Business

Review/ Segment wise Performance :In spite of such competitive pressures, your company has done satisfactorily well in spite of huge slowdown in income due to its focus on costs and diversified activities within the board core business of the company it does not have any segments/divisions.

Managements of Risks :The T +2 Settlement System in the Indian Capital Market induces safety and your company also has strict margin norms and other risk management policies. A comprehensive risk evaluation methodology and processes for early identification and mitigation of all kinds of risks begin in place, except for unforeseen circumstances and marginal exposure to financial risk in the retail capital markets division, your company is quite a risk-free business entity.

Internal Control Systems and their Adequacy : The scope of work for internal auditors addresses issues related to internal control systems, particularly those related to regulatory compliance. Pre- audit and post audit checks and reviews ensure that audit observations are acted upon. The Audit Committee of the Board of Directors reviews the Internal Audit Reports and the adequacy of internal controls.

Financial Performance : A snapshot of financial performance is furnished in the Directors’ Report. The economic slowdown and covid -19 has brought complete meltdown in capital markets and in the income of the company

Future Outlook: The company is looking at growth opportunities, while consolidation its current business in line with the challenging business environment. Outlook is that of cautious optimism.

Human Resource Management: Employees are vital to Daulat Securities Ltd. and we are committed to our mission of making Daulat Securities Ltd. a preferred place to work and a career growth oriented, professional environment where teamwork and meritocracy prevails.

MD/CFO CERTIFICATE

[Regulation 33(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

The Board of Directors
Daulat Securities Limited

We the undersigned, in our respective capacities as \Managing Director and Chief Financial Officer of Daulat Securities Limited to the best of our knowledge and belief certify that:

- A. We have reviewed the Financial Statements for the Financial Year ended 31st March 2020 and that to the best of our knowledge and belief:
 - 1. These statements do not contain any false or misleading statement or figures and do not omit any material facts which make the statements or figures contained therein misleading.
 - 2. These statements together present a true and fair view of the Company and are in compliance with existing accounting standards, applicable laws and regulations.
- B. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the Financial Year which are fraudulent, illegal or violative of the Company’s Code of Conduct.
- C. We accept responsibility for establishing and maintain internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company pertaining to financial reporting and we have disclosed to the Auditors and the Audit Committee, deficiencies, in the design or operation of such internal controls, if, any of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- D. We have indicated to the Auditors and the Audit Committee:
 - 1. That there have been no significant changes, in internal control over financial reporting during the year.
 - 2. That there have been no significant changes, in accounting policies during the year.
 - 3. That there have been no instances of significant fraud of which I have become aware and the involvement therein, of the management or an employee having significant role in the Company’s internal control systems over financial reporting.

Opinion

We have audited the accompanying financial statement of **DAULAT SECURITIES LIMITED** , which comprises the Balance sheet as at **31st March, 2020** ,the Statement of Profit and Loss (Including other Comprehensive Income),the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended and a summary of Significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the ‘Act’) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We have conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of financial statement under the provisions of Companies Act, 2013 and rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1) Classification and measurement of financial assets –

Business model assessment

Ind AS 109, Financial Instruments, contains three principal measurement categories for financial assets i.e.:

- Amortised cost;
- Fair Value through Other Comprehensive Income (‘FVOCI’); and
- Fair Value through Profit and Loss (‘FVTPL’).

A financial asset is classified into a measurement category at inception and is reclassified only in rare circumstances. The assessment as to how an asset should be classified is made on the basis of both the Group’s business model for managing the financial asset and the contractual cash flow characteristics of the financial asset.

The term ‘business model’ refers to the way in which the Group manages its financial assets in order to generate cash flows. That is, the Group’s business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets or both.

Amortised cost classification and measurement category is met if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows.

FVOCI classification and measurement category is met if the financial asset is held in a business model in which assets are managed both in order to collect contractual cash flows and for sale. Such financial assets are subsequently measured at fair value, with changes in fair value recognized in other comprehensive income.

FVTPL classification and measurement category is met if the financial asset does not meet the criteria for classification and measurement at amortised cost or at FVOCI. Such financial assets are subsequently measured at fair value, with changes in fair value recognized in profit or loss.

Key audit procedures included:

Design / controls

- Assessing the design, implementation and operating effectiveness of key internal controls over management's intent of purchasing a financial asset and the approval mechanism for such stated intent and classification of such financial assets on the basis of management's intent (business model).
- For financial assets classified at amortised cost, we tested controls over the classification of such assets and subsequent measurement of assets at amortised cost. Further, we tested key internal controls over monitoring of such financial assets to check whether there have been any subsequent sales of financial assets classified at amortised cost.
- For financial assets classified at FVOCI, we tested controls over the classification of such assets and subsequent measurement of assets at fair value.

2) Recognition and measurement of impairment of loans and advances involve significant management judgement

With the applicability of Ind AS 109 credit loss assessment is now based on expected credit loss ('ECL') model. The Group's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgement in determining the quantum of loss based on a range of factors.

The most significant areas are:

- Segmentation of loan book
- Loan staging criteria
- Calculation of probability of default / Loss given default
- Consideration of probability weighted scenarios and forward looking macro-economic factors.

Key audit procedures included:

Design / controls

- Assessing the design and implementation of key internal financial controls over loan impairment process used to calculate the impairment charge.
- We used our modelling specialist to test the model methodology and reasonableness of assumptions used.
- Testing of management review controls over measurement of impairment allowances and disclosures in the consolidated financial statements.

Substantive tests

- We focused on appropriate application of accounting principles, validating completeness and accuracy of the data and reasonableness of assumptions used in the model.
- Appropriateness of management's judgments was also independently reconsidered in respect of calculation methodologies, segmentation, economic factors, the period of historical loss rates used, loss emergence periods and the valuation of recovery assets and collateral.

Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of Financial Statement

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the standalone financial statements in place and the operating effectiveness of such controls.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure "A" a statement on matters specified in paragraph 3 and 4 of order to the extent applicable.

2. As required by Section 143 (3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) The Balance Sheet and the Statement of Profit and Loss dealt with by this Report are in agreement with the books of account;

(d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

(e) On the basis of the written representations received from the directors as on 31 March 2020 and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to report on the adequacy of the Internal Financial Control over financial reporting of the Company and the operating effectiveness of such controls, refer to our report in "Annexure B".

(g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations on its financial position in its financial statements.

ii. The Company does not have any material foreseeable losses.

iii. The Company does not require to transfer any amount to the Investor Education and Protection Fund.

ANNEXURE-B TO THE AUDITOR'S REPORT

Report on the Financial Statements of Daulat Securities Limited on the Internal Financial Controls under Clause(i) of Sub-section 3 of Section 143 of the Companies Act,2013("the Act")

We have audited the internal financial controls over the financial reporting of Daulat Securities Limited ("the Company") as on 31 March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls and both, issued by the Institute of Chartered Accountants of India. Those standards and Guidance Note require that we comply with the ethical requirements and plan and platform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of cost records that, in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance and transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also,

projections of any evaluation of the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls system over financial reporting were operating effectively as on 31 March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

Note No : 1 Corporate Information

Corporate information

DAULAT SECURITIES LIMITED ("the Company") is a public limited company incorporated and domiciled in India. The registered office of the Company is situated at 86, Canning Street, Kolkata- 700001, West Bengal, India.

The Company is a Listed Company and the shares are listed in BSE (BSE Ltd.) and Calcutta Stock Exchange Ltd.(CSE)

SPECIFY THE NATURE OF THE BUSINESS

The company is engaged in the business of Stock Broking and Depository Participant.

Note No. : 2 Significant accounting policies

2.1 Statement of Compliance with Ind AS

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from 1st April, 2017 with restatement of previous year figures presented in this financial statements. Accordingly, the financial statements have been prepared in accordance with Ind AS prescribed under Section 133 of the Companies Act, 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are approved for issue by the Board of Directors has been considered in preparing these financial statements.

2.2 Basis of preparation

These financial statements have been prepared in accordance with Ind AS under the historical cost basis except for the following:

i) Certain financial assets and financial liabilities (including derivative instruments) - measured at fair value .

Historical cost is generally based on the fair value of the consideration in exchange for goods and services. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The financial statements including notes thereon are presented in Indian Rupees ("Rupees" or "Rs."), which is the company's functional and presentation currency. All amounts disclosed in the financial statements including notes thereon have been rounded off to the nearest lacs as per the requirement of Schedule III to the Act, unless stated otherwise.

2.3 Revenue recognition

Revenue is recognised to the extent it is probable that economic benefits would flow to the Company and the revenue can be reliably measured, regardless of when the revenue proceeds is received from customers. Revenue is measured at the fair value of the consideration received/receivable taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

The specific recognition criteria for revenue recognition are as follows:

a) Sale of goods

Sale of goods is recognised at the time of transfer of substantial risk and rewards of ownership to the buyer for a consideration.

b) Interest income

Interest income is included in "Other Income" in the Statement of Profit and Loss.

c) Dividend Income

Dividend income is recognised when the Company's right to receive the dividend is established i.e. in case of interim dividend, on the date of declaration by the Board of Directors; whereas in case of final dividend, on the date of approval by the shareholders.

d) All other income are accounted for on accrual basis.

2.4 Expenses

All expenses are accounted for on accrual basis.

2.5 Property, Plant and Equipment (PPE)

b) All Property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of an asset includes the purchase cost of materials, including import duties and non-refundable taxes, and any directly attributable costs of bringing an asset to the location and condition of its intended use. Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.

The carrying amount of the replaced part is derecognised. All other repair and maintenance costs are recognised in the Statement of Profit and Loss as incurred. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

During the year, in terms of Ind AS 36 Impairment of Assets, the company has determined impairment loss (if any) in respect of its Assets where ever considered necessary.

b) Depreciation methods, estimated useful lives and residual value

Freehold land is not depreciated.

Lease-hold land are amortised over the lease term.

Depreciation on other items of PPE is provided on a straight-line basis to allocate their cost, net of their residual value over the estimated useful life of the respective asset as specified in Schedule II to the Companies Act, 2013, except for Power transmission lines and Mobile phones which are depreciated over a period of five years and three years respectively.

The estimated useful lives are determined based on assessment made by technical experts, in order to reflect the actual usage of the assets. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The estimated useful lives considered are as follows:

Category	Useful life
Buildings (other than factory building)	60 years
Factory Building	30 years
Plant & Machinery	25 years
Electrical Installation & Equipment (for double shift)	20 years
Generator Set (for Double Shift)	20 years
Laboratory Equipment	10 years
Weighing Machines, Tools & Implements, Pollution Equipments & Fire fighting equipments	25 years
Computer & Accessories	3 years
Office Equipments including Air Conditioners	5 years
Furniture & Fixtures	10 years
Motor Cars	8 years
Motor Cycles & Scooters	10 years

There exists no restrictions or any encumbrances on title by way of any security/ pledge of any property or plant & Equipment against any liability of the company

Each item of PPE individually costing Rs. 5,000/- or less is depreciated over a period of one year from the date the said assets is available for use.

The residual value of an item of PPE is not more than 5% of the original cost of the respective asset.

The estimated useful lives, residual values and depreciation method are reviewed at-least at the end of each financial year and are adjusted, wherever appropriate.

2.6 Inventories

a) Inventories are valued at lower of cost and net realisable value after providing for obsolescence, if any.

The cost of inventories is computed on FIFO (First in First Out) basis and the estimated costs necessary to make the sale.

2.7 Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset and the arrangement conveys a right to use the asset even if that right is not explicitly specified in an arrangement.

a) When the Company is a lessee

A lease is classified at the inception date as a finance lease or an operating lease. Leases under which substantially all the risks and rewards of ownership are transferred to the Company are classified as finance leases. Payment made under operating leases are recognized as expense in the Statement of Profit and Loss on a straight line basis over the lease term, unless the receipts are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increase.

b) When the Company is a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Where the escalation of lease rentals is in line with the expected general inflation so as to compensate the lessor for expected inflationary cost, the increases in the rentals is not straight lined

2.8 Provisions, contingent liabilities and contingent assets

a) A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are not recognised for future operating losses. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the passage of time is recognized as finance costs. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation as at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to provision is presented in the Statement of Profit and Loss, net of any reimbursement.

b) A contingent liability is not recognised in the financial statements, however, is disclosed, unless the possibility of an outflow of resources embodying economic benefits is remote. If it becomes probable that an outflow of future economic benefits will be required

for an item dealt with as a contingent liability, a provision is recognized in the financial statements of the period (except in the extremely rare circumstances where no reliable estimate can be made).

c) A contingent asset is not recognised in the financial statements, however, is disclosed, where an inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset, and is recognised as an asset.

d) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.9 Employee benefits

a) Short-term employee benefits

Short-term employee benefits in respect of salaries and wages, including non-monetary benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

b) Defined contribution plans

The Company pays provident and other fund contributions to publicly administered fund as per local regulations. The Company has no further obligation, other than the contributions payable to the respective funds. The Company recognizes contribution payable to such funds as an expense, when an employee renders the related service.

c) Defined benefit plans

The Company doesn't operates a defined benefit gratuity plan, which requires contributions to be made to the recognised fund Company doesn't Carry out the Actuarial valuation of the Defined benefit plan (Gratuity) hence doesn't recognise in the Balance sheet in respect of Gratuity in terms of present value of the Defined benefit obligation as the the Balance Sheet date less fair value of plan assets.

2.10 Financial instruments

Financial assets and financial liabilities are recognised in the Balance sheet when the Company becomes a party to the contractual provisions of the instrument. The Company determines the classification of its financial assets and financial liabilities at initial recognition based on its nature and characteristics.

a) Financial Assets

i) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

The financial assets include equity , trade and other receivables, loans and advances, cash and bank balances and derivative financial instruments

ii) Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in the following categories:

- 1) At amortised cost,
- 2) At fair value through other comprehensive income (FVTOCI), and
- 3) At fair value through profit or loss (FVTPL).

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- 1) The asset is held within a business model whose objective is to hold the asset for collecting contractual cash flows, and
- 2) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

Equity investments

All equity investments in the scope of Ind AS 109 are measured at fair value .

Equity instruments included within the FVTPL category, if any, are measured at fair value with all changes recognized in profit or loss. The Company may make an irrevocable election to present in OCI subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

iii) De-recognition

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset

b) Financial liabilities

(i) Initial recognition and measurement

All financial liabilities are recognised initially at fair value

The financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, derivative financial instruments etc.

(ii) Subsequent measurement

For the purpose of subsequent measurement, Financial liabilities are classified in two categories:

- 1) Financial liabilities at amortised cost, and
- 2) Derivative instruments at fair value through profit or loss (FVTPL)

c) Derivative financial instruments

Initial recognition and subsequent measurement

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

d) Offsetting of financial instruments

Financial assets and financial liabilities including derivative instruments are offset and the net amount is reported in the Balance Sheet, if there is currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously

e) Fair value measurement

Fair value is a market-based measurement, not an entity-specific measurement. Under Ind AS, fair valuation of financial instruments is guided by Ind AS 113 "Fair Value Measurement". For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (i.e. an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability). Three widely used valuation techniques specified in the said Ind AS are the market approach, the cost approach and the income approach which have been dealt with separately in the said Ind AS. Each of the valuation techniques stated as above proceeds on different fundamental assumptions, which have greater or lesser relevance, and at times there is no relevance of a particular methodology to a given situation. Thus, the methods to be adopted for a particular purpose must be judiciously chosen. The application of any particular method of valuation depends on the company being evaluated, the nature of industry in which it operates, the company's intrinsic strengths and the purpose for which the valuation is made. In determining the fair value of financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each balance sheet date.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities. **Level 2:** Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. **Level 3:** Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

f) Share capital

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new equity shares are recognized as a deduction from equity, net of any tax effects

2.11 Impairment of Assets

a) Non-financial assets

Property, plant and equipment and intangible assets are evaluated for recoverability whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment loss previously recognized is reversed such that the asset is recognized at its recoverable amount but not exceeding written down value which would have been reported if the impairment loss had not been recognized.

b) Financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. ECL impairment loss allowance is measured at an amount equal to lifetime ECL. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income or expense in the Statement of Profit and Loss. This amount is reflected under the head "Other expenses" in the profit or loss. ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the Balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount

2.12 Taxes

Income tax expense comprises current tax and deferred tax and is recognized in the Statement of Profit and Loss except to the extent it relates to items directly recognized in Equity or in OCI.

a) Current income tax : Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are enacted or substantively enacted by the balance sheet date and applicable for the period. Current tax items in correlation to the underlying transaction relating to OCI and Equity are recognized in OCI and in Equity respectively. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously

b) Deferred income tax : Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction. Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised. Unrecognised deferred tax assets are re-assessed at each balance sheet date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when

the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off deferred tax assets against deferred tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.13 Earnings per Share

a) Basic earnings per share are computed by dividing the net profit/(loss) after tax by the weighted average number of equity shares outstanding during the year.

b) Diluted earnings per share are computed by dividing the net profit/(loss) after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares.

2.14 Segment Reporting

Company is into a single line of business and doesn't have any Reportable Segment, hence Reporting requirements as per Ind AS 108 is not applicable.

2.15 Cash and cash equivalents

Cash and cash equivalents in the Balance sheet comprise cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which carry insignificant risk of changes in value. For the purpose of the Cash Flow Statement, Cash and cash equivalents consist of Cash and cash equivalents, as defined above and net of outstanding book overdrafts as they are considered an integral part of the Company's cash management

2.16 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.17 Recent Accounting Pronouncements

During March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7 - Statement of cash flows. These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7 - Statement of cash flows respectively.

Amendment to Ind AS 7 - Statement of cash flows

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement

Note No. : 3 Use of critical estimates, judgements and assumptions

The preparation of the financial statements requires the use of accounting estimates, which, by definition would seldom equal the actual results. Management also needs to exercise judgement and make certain assumptions in applying the Company's accounting policies and preparation of financial statements. The use of such estimates, judgements and assumptions affect the reported amounts of revenue, expenses, assets and liabilities including the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. Estimates and judgements are continuously evaluated. They are based on historical experience and other factors including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur. In the process of applying the Company's accounting policies, management has made the following judgements, which have most significant effect on the amounts recognised in the financial statements

i) Estimated useful life of Property, plant and equipment

PPE represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual value of the asset are determined by the management when the asset is acquired and reviewed periodically including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their lives, such as change in technology.

ii) Recognition of deferred tax assets for carried forward tax losses and unused tax credit

Deferred tax assets are recognised for unused losses (carry forward of prior years' losses) and unused tax credit to the extent that it is probable that taxable profit would be available against which the losses could be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

iii) Estimated fair value of unlisted securities

The fair values of financial instruments that are not traded in an active market and cannot be measured based on quoted prices in active markets is determined using valuation techniques including Net Asset Value method, discounted cash flow (DCF) model. The Group uses its judgement to select a variety of method / methods and make assumptions that are mainly based on market conditions existing at the end of each financial year. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could effect the reported fair value of financial instruments.

NOTE NO : 4 PROPERTY, PLANT AND EQUIPMENT

Net deferred tax (Assets)/ liabilities /(Income)/ expense	27,14,346	28,642			26,85,704

Note: 7(i) & (ii)

In assessing the realisability of the deferred tax assets, management considers whether some portion or all of the deferred tax assets will not be realized.

The ultimate realisation of the deferred tax assets, carried forward losses and unused tax credits is dependent upon the generation of future taxable income during the periods in which the temporary difference become deductible. Management considers the scheduled reversals of deferred tax liabilities, projected future taxable income and the planning strategies in making this assessment. Based on the historical taxable income and projection of future taxable income over the periods in which the deferred tax assets are deductible, management believes that the Company will realise the benefits of those recognised deductible differences, carried forward losses and portion of unused tax credits

Note No. : 8 Other Non - Current Assets

Non-current (Unsecured, considered good)

Particulars	As at 31st March 2020	As at 31st March 2019

B. Fair value hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values

(I) Fair value of cash and cash equivalents, bank balances other than cash and cash equivalents, trade and other receivables, loans and other current & Non-current financial assets, and other current financial liabilities approximate their carrying amounts due to the short term maturities of these instruments

Description of significant unobservable inputs to valuation

The following table shows the valuation technique and inputs for financial instruments

Particulars	As at 31st March 2020	As at 31st March 2019
Investments in unquoted equity shares	At Cost	At Cost

Since there is no gain or loss in re-measurement of Investments in unquoted equity shares during the F.Y 2019-20 & F.Y 2018-2019 hence reconciliation is not considered necessary. Fair value of Investments in unquoted equity shares is carried out by using level 3 basis and Fair value approximates the adjusted net asset method used to arrive at fair value Investments in unquoted mutual fund are taken at cost as it will be redeemable in equity hence fair value approximates the transaction price, ie, cost

Note No. : 30 Other disclosures (Continued)

8) Financial risk management objectives and policies

The Company's principal financial liabilities are Security deposit characterised with repayable in short period and beside that there exists no other financial liabilities. exists no other financial liabilities. The Company's principal financial assets include Trade receivables, Cash and cash equivalents & other financial assets that derive directly from its operations. The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior management oversees the management of these risks and the appropriate financial risk governance framework for the Company. The senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The Board of Directors reviewed policies for managing each of these risks, which are summarized below :

(A) **Market risk** : Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other risks, such as regulatory risk and commodity price risk.

(I) **Interest rate risk** : Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the company's obligations towards Bank overdraft with floating interest rates.

II) **Foreign currency risk** : Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in Foreign exchange rates. Since Company doesn't have any exposure in Foreign currency therefore it doesn't effects the company's cash flow

(III) **Regulatory risk** : Risk is inherent in every business activity and Sponge iron Industry is no exception. The Steel Industry displays strong commodity characteristics and is subject to cyclical price movements in business cycle. The company is exposed to risks from overall market, cheaper import of steel, changes in Government policies, law of the land, Taxation increases its cost of inputs like iron ore, coal, power, diesel, freight etc which effects the financial performance of the company.

(IV) **Credit risk** : Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date.

Financial assets are written off when there is no reasonable expectation of recovery, however, the Company continues to attempt to recover the receivables. Where recoveries are made, these are recognised in the Statement of Profit and Loss

(V) Trade receivables : Trade receivables are non-interest bearing and are generally on credit terms of 3 to 60 days. An impairment analysis is performed at each balance sheet date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively.

The ageing analysis of the receivables has been considered from the date the invoice falls due

Particulars	As at 31st March 2020	As at 31st March 2019
Upto 6 months	19,68,092	9,27,674
More than 6 months	5,73,313	4,86,213
	25,41,405	14,13,887

(9) Balances with banks

Credit risk from balances with banks is managed in accordance with the Company's policy

Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts and short term loans from banks.

Note No. : 30 Other disclosures (Continued)

10) Capital Management

(a) Risk management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company. The Company's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stake holders. The Company manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares. In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. The Company has complied with these covenants and there have been no breaches in the financial covenants of any interest-bearing loans and borrowings.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2020 And for the year ended 31st March 2019
