DIVIDEND

Your Directors do not recommend for payment of dividend in respect of the Financial year ended 31st March, 2021.

TRANSFER TO RESERVES

The Company proposes not to transfer any funds to the General Reserve for the Financial Year 2020-2021.

INDIAN ECONOMY

India's Gross Domestic Product (GDP) contracted by 7.3% in 2020-2021. The fourth quarter of 2020-21 recorded a growth of 1.6% in GDP, the second quarter of positive growth, after the country had entered a technical recession in the first half of the year.

TRANSPORT SECTOR

Due to Covid 19 pandemic, lockdowns and subsequent restrictive measures implemented by the Governments to contain the disease it has adversely impacted the prospects of the Indian Logistics Sector.

The implementation of nationwide lockdown resulted in disruption in supply chain, the production at factories of various industries were impacted. Less demand for finished products means less demand for raw material too.

Therefore, transport sector witnessed pernicious contraction in demand.

PERFORMANCE REVIEW AND STATE OF COMPANY 'S AFFAIRS

The Total Income for the year ended 31st March, 2021 has been Rs. 3767.41 Lacs as against Rs. 3106.45 Lacs in the previous year, showing increase of Rs. 660.96 Lacs. Profit after tax for the year is Rs.249.88 Lacs as against loss of Rs. 100.99 Lacs in the previous year.

FUTURE PROSPECTS

The rising diesel prices have impacted the transport industry. It can reasonably be stated that transport sector will revive not before the diesel prices go down.

CHANGE IN NATURE OF BUSINESS, IF ANY

There has been no change in the nature of business of the Company.

COVID 19 PANDEMIC

The Covid-19 pandemic is the defining global health crisis of our time and is spreading very fast across the continents. But it is much more than a health crisis and is having an unprecedented impact on people and economies worldwide.

The Company is taking all necessary measures in terms of mitigating the impact of challenges being faced due to Covid 19. Though the long term directional priorities of the Company remain firm, in light of Covid 19 and its expected impact on the operating environment, the key priorities of your Company would be to closely monitor the supply chain, conserve cash and control fixed cost while continuing to invest in acquiring more trucks/tankers.

In order to respond to the pandemic effectively, the Company navigated through these difficult times by developing and adopting a multi-pronged strategy. The Company practised extreme care and caution towards the health and well-being of its employees. The Company regularly adhered to various guidelines and advisories issued by the authorities from time to time including maintaining social distancing, reduced manpower in shift working, working from home, were some of the actions taken in conjunction with provision of all facilities such as sanitization, temperature checks, masks, etc.

SHARE CAPITAL

During the year under review, the Company has not issued shares of any kind. The paid up share capital of the Company stands at Rs. 4,99,23,000 comprising of 49,92,300 equity shares of Rs. 10 each as on 31/03/2021.

INDIAN ACCOUNTING STANDARDS

The Ministry of Corporate Affairs (MCA), vide its notification in the Official Gazette dated 16th February, 2015, notified the Indian Accounting Standards (Ind AS) applicable to certain classes of companies. IndAS has replaced the existing Indian GAAP prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of Companies (Accounts) Rules, 2014. For your Company, Ind AS became applicable from 1st April, 2019 and the Accounts have been prepared accordingly.

INTER STATE OIL CARRIER LIMITED

ADDENDUM TO BOARD'S REPORT OF INTER STATE OIL CARRIER LIMITED FOR THE FINANCIAL YEAR 2020-2021 (Approved at its Board Meeting held on 18th August, 2021)

To the Members of Inter State Oil Carrier Limited

In the Board' Report for the Financial Year 2020-2021, dated 30th June, 2021, under "Statutory Auditors" heading, the following was stated:

M/s. Vasudeo & Associates (Firm Reg. No. 319299E), were appointed as Statutory Auditors of the Company at the 33rd Annual General Meeting held on 21st September, 2017, for a period of 5 consecutive years, to hold office until the conclusion of the Annual General Meeting to be held in the year 2022.

Pursuant to Section 139 and 141 of the Companies Act, 2013 read with Rule 4 of the Companies (Audit and Auditors) Rules, 2014, the Statutory Auditors have furnished a certificate of their eligibility and consent to continue as Statutory Auditors of the Company.

However, members may note that casual vacancy occurred due to the resignation of M/s. Vasudeo & Associates, Chartered Accountants, as Statutory Auditors of the Company vide their letter dated 14.08.2021.

The Board of Directors at their meeting held on 18.08.2021 recommended appointment of new Statutory Auditors M/s. Ranjit Jain & Co., Chartered Accountants, Kolkata to fill the casual vacancy caused.

Therefore, the "Statutory Auditors" heading in the Board's Report, now be read as under:

M/s. Vasudeo & Associates (Firm Reg. No. 319299E), were appointed as Statutory Auditors of the Company at the 33rd Annual General Meeting held on 21st September, 2017, for a period of 5 consecutive years, to hold office until the conclusion of the Annual General Meeting to be held in the year 2022.

However, M/s. Vasudeo & Associates, Chartered Accountants, had tender their resignation as the Statutory Auditors of the Company, vide their letter dated 14.08.2021, expressing their inability to continue, due to commercial reasons, resulting in casual vacancy in the office of the Statutory Auditors of the Company w.e.f. 14th August, 2021, as per section 139(8) of the Companies, Act, 2013.

Accordingly, based on the recommendation of the Audit Committee, and confirmation and consent received from M/s. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW

Your Company is a prominent player in Tanker (Bulk liquid and gas movement) transport. It covers various zones like East-North East, West-North-West, West-East-West, East-South-East, South-West-South. It has sufficient number of fleet to cater to its customers. It has its camp offices at Haldia, Chennai, Hazira, Mumbai, Kandla, Vadodara.

GLOBAL ECONOMY

The Covid-19 pandemic led to an economic contraction in the Calendar Year ("CY") 2020 that was both sudden and deep compared to the previous global crises.

As per IMF World Economic Outlook, Global growth is projected at 6% in 2021, moderating to 4.4% in 2022. The projections for 2021 and 2022 are stronger than in the October 2020 WEO. The upward revision reflects additional fiscal support in a few large economies, the anticipated vaccine-powered recovery in the second half of 2021, and continued adaptation of economic activity to subdued mobility.

Although recent vaccine approvals have raised hopes of a turnaround in the pandemic later this year, renewed waves and new variants of the virus pose concerns for the outlook.

INDIAN ECONOMY

India was one of the most severely affected countries among the emerging economies.

India's Gross Domestic Product (GDP) contracted by 7.3% in 2020-2021. The fourth quarter of 2020-21 recorded a growth of 1.6% in GDP, the second quarter of positive growth, after the country had entered a technical recession in the first half of the year.

The World Bank has projected that the Indian economy is expected to expand 8.3 per cent in fiscal year 2021-2022 where as the IMF has projected an impressive 12.5% growth rate for India in 2021.

The Oxford Economics revised the India' GDP growth forecast for 2021 to 10.02 % from 11.8% previously citing the Country's escalating health burdens, faltering vaccination rate.

INDIAN TRANSPORT INDUSTRY

Due to Covid 19 pandemic, lockdowns and subsequent restrictive measures implemented by the Governments to contain the disease it has adversely impacted the prospects of the Indian Logistics Sector.

The implementation of nationwide lockdown resulted in disruption in supply chain, the production at factories of various industries were impacted. Less demand for finished products means less demand for raw material too.

Therefore, transport sector witnessed pernicious contraction in demand.

INTER STATE OIL CARRIER LTD

Your Directors will leave no stone unturned to ensure that the effect of contraction in demand for movement of trucks and tankers on hired basis is minimum. Your Company has full faith in the efficiency and efficacy of staff, at all levels. Moreover, your Company still enjoys the confidence of many Companies across India and, therefore, your Directors are confident of withstanding the gloomy Indian Economic scenario.

OPERATIONAL REVIEW

The Total income for the year ended 31st March, 2021 has been Rs. 3767.41 Lacs as against Rs. 3106.45 Lacs in the previous year. Profit for the year ended 31st March, 2021 has been Rs. 249.88 Lacs as against loss of Rs. 100.99 in the previous year.

The Capital Structure of the Company as at 31st March, 2021 is Rs. 4,99,23,000 comprising of 49,92,300 Equity shares of Rs. 10 each.

OPPORTUNITIES AND THREATS

Your Company has good number of fleets to cater to the demand of Industries across India. It has added new fleets also. Your Directors are hopeful that your Company will be able to direct customers of other Transport Companies into its fold.

The main threat to transport sector is oil prices. For now, it has been going up. If this trend continues, the bottom line of your Company may be adversely affected.

OUTLOOK

Your Directors are of the view that due to unpredictable Indian Economy connected with pandemic, supply chain disruption and demand contraction, it is difficult to state the future outlook of your Company. Nevertheless, your Directors are confident that your Company will fare much better than other transport Companies.

INTERNAL CONTROL SYSTEM

The Company always strives to strengthen Internal Control Systems and processes for smooth and efficient conduct of business and complies with applicable relevant laws and regulations. A comprehensive delegation of power exists for smooth decision making. Elaborate guidelines for preparation of accounts are followed for uniform compliance. Further, all the key functional areas are governed by respective operating manuals.

The Internal Financial Control are reviewed periodically and in particular the Internal Auditor ensure that the Company as in all material aspects, laid down Internal Financial Controls including Operational controls and that such controls are adequate and operating efficiently.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company appreciates performance of the employees for the year and anticipates much more for the years to come. Your Company believes in employee empowerment across the entire organization in order to achieve organizational effectiveness. Over the period of time, your Company has built and nurtured a dedicated and excellent workforce which includes CS, MBAs. Your Company has sufficient pool of talents in various operational fields. The Human resource environment has been every smooth throughout the year.

The Company takes special care about the safety, which is core value of the company and all necessary actions are taken in the company to keep safety as priority.

RISK AND CONCERN

Risk factor is associated to all business activities of all companies, though in varying degrees and forms. Risk evaluation and its management is ongoing process within your company. The risk of your Company is in the nature of stiff competition in the market. Change in technology also plays a major role.

Further, if the pandemic lingers, the demand and supply chain will definitely be ripped. This is a major concern and also risk to your Company.

KEY FINANCIAL RATIOS

In accordance with SEBI (Listing Obligations and Disclosure Requirements)(Amendment) Regulations, 2018, the Company is required to give details of significant changes (i.e. changes of 25% or more as compared to the immediate previous financial year) in key financial ratios or specific ratios along with detailed explanations thereof, details of which are given below:

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF
INTER STATE OIL CARRIER LIMITED

Report on the Audit of the Financial Statements
Opinion

We have audited the financial statements of Inter State Oil Carrier Limited ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of profit and loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis Board's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

INTER STATE OIL CARRIER LIMITED
CIN: L15142WB1984PLC037472

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure "A" to the Independent Auditor's Report

The Annexure referred to in our report to the members of the Company on the financial statements for the year ended on March 31, 2021. In term of the information and explanations given to us and books of account examined by us in the normal course of audit and to the best of our knowledge and belief, we report that:

- 1) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets. A major portion of fixed assets has been physical verified by the management in accordance with a phased programme of verification adopted by the company. In our opinion, the frequency of verification is reasonable. To the best of our knowledge, no material discrepancies have been noticed on such verification.

According to the information and explanations provided to us, the original lease deeds of below mentioned immovable properties of the company held as fixed assets are in the custody of Indusind Bank due to mortgage of immovable properties against cash credit facility as on 31.03.2021. However, we express no opinion on the validity of the title of the company to these properties. Detail of said immovable properties is mentioned as below:

Particulars	WDV as on 31.03.2021
Office Premises located at 113, Park Street, Poddar Point, 5 th Floor, Kolkata 700016	Rs. 9.23 Lakhs

- 2) As the company has not purchased / sold goods during the year nor is there any opening stocks, requirement of reporting on physical verification of stocks or maintenance of inventory records, in our opinion, does not arise.
- 3) The company has not granted any loans or advances in the nature of loans to parties covered in the registered maintained under section 189 of the Companies Act, 2013. Hence, the question of reporting whether the terms and conditions of loans are prejudicial to the interests of the company, whether reasonable steps for recovery of overdues of such loans are taken does not arise.
- 4) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- 5) Based on our scrutiny of the company records and according to the information and explanations provided by the management, in our opinion, the company has not accepted any deposits so far upto 31st March 2021.
- 6) According to the information & explanations provided by the management, the company is not engaged in production of any such goods or provisions of any such services for which the central government has prescribed particulars relating to utilization of material or labour or other items of cost. Hence the provisions of section 148(1) of the Act do not apply to the company. In our opinion, no comment on maintenance of cost records under section 148(1) of the Act is required.
- 7) According to the records of the company, the company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees state insurance, income tax, sales tax, service tax, duty of custom, duty of excise, value added tax, cess and other statutory dues applicable to it except few cases of delay in payment of provident fund and profession tax.

INTER STATE OIL CARRIER LIMITED
CIN: L15142WB1984PLC037472

According to the information and explanations given, no undisputed amounts payable in respect of income tax, sales tax, service tax, duty of customs, duty of excise and value added tax were outstanding as at 31st March, 2021 for a period of more than six months from the date they became payable.

Income Tax Act, 1961	Income Tax	3,898/-	A.Y. 2009-10	31.03.15	Not yet paid	--

According to the records of the company, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise and value added tax which have not been deposited on account of any dispute except as mentioned below:

Statement of Disputed Dues:

Name of the Statute	Nature of the Dues	Amount (Rs.)	Period to which the amount relates	Forum where dispute is pending	Remarks, if any
Income Tax Act, 1961	Income Tax	8.37 Lakhs	A.Y. 2013-14	ITAT Bench A (SMC), Kolkata	Refer Note No. 41(ii)(b) of the financial statements
		95.42 Lakhs	A.Y. 2017-18	CIT (Appeal - 3), Kolkata	Refer Note No. 41(ii)(d) of the financial statements

- 8) According to records of the company, the company has not borrowed from financial institutions or government or debenture holders till 31st March 2021. Hence in our opinion, the questions of reporting on defaults in repayment of loans or borrowing to a financial institution, government or dues to debenture holders does not arise.
Based on our audit procedures and on the information and explanations given by the management, we are of the opinion that the company has not defaulted in repayment of loans or borrowing to a bank.
- 9) According to the records of the company, the company has not raised any moneys by way of Initial Public Offer or Further Public Offer.
According to the information and explanations received by us, moneys raised by way of Term Loan have been applied for the purpose for which they were raised.
- 10) Based upon the audit procedures performed and information and explanations given by the management, we report that neither fraud on the company by its officers or employees nor any fraud by the company has been noticed or reported during the course of our audit.
- 11) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in

INTER STATE OIL CARRIER LIMITED
CIN: L15142WB1984PLC037472

accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.

- 12) In our opinion, and to the best of our information & explanations provided by the management, the company is not a nidhi company. Accordingly the requirement of clause 3(xii) of the order do not apply to the company.
- 13) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- 14) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- 15) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- 16) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure “B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Inter State Oil Carrier Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that

INTER STATE OIL CARRIER LIMITED
CIN: L15142WB1984PLC037472

transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statement for the year ended 31st March, 2021

1. SIGNIFICANT ACCOUNTING POLICIES

i) Basis of Preparation

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

The financial statements have been prepared on a historical cost convention on the accrual basis, except for the following assets and liabilities which have been measured at fair value.

- a. Certain financial assets at fair value (refer accounting policy regarding financial instruments).

The financial statements are presented in Indian Rupees (Rs. Lakhs).

ii) Summary of Significant Accounting Policies

a) Property, Plant and Equipment

On transition to Ind AS, the Company has adopted optional exception under Ind AS 101 to measure property, plant and equipment at Indian GAAP carrying value as deemed cost. Consequently, the Indian GAAP carrying values has been assumed to be deemed cost of property, plant and equipment on the date of transition. Subsequently, property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation on the property, plant and equipment is provided over the useful life of assets as specified in schedule II to the Companies Act, 2013. Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the date of addition / deletion. Freehold land is not depreciated.

Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

Property, plant and equipment's are eliminated from financial statement, either on disposal or when retired from active use. Profits / losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

Intangible assets have been amortized over the period of four financial years.

The estimated useful lives of Property, Plant & Equipments of the Company as follows:

Office Premises	:	30 years
Garage	:	30 years
Furniture & Fixtures	:	10 years
Plant & Machinery	:	5 years, 10 years and 15 years
Trucks / Tankers	:	8 years
Motor Vehicles	:	8 years and 10 years
Computers & Printers	:	3 years

The assets residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate.

b) Impairment of non-current assets

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset or where applicable the cash generating unit

Notes to the financial statement for the year ended 31st March, 2021

to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price less cost to sell and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the statement of Profit and Loss. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

c) **Cash and Cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks, cash in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

d) **Employee Benefits**

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund. The Company's contribution recognised as an expense in the Statement of Profit & Loss during the period in which the employees renders the related service.

Defined Benefit Plans

In respect of liability towards Gratuity, Company has entered into a Group Gratuity Scheme with Life Insurance Corporation of India.

The other retirement benefits are accounted for as and when the liability for payment arises.

e) **Tax Expenses**

The tax expense for the period comprises of current and deferred tax. Tax is recognised in Statement of Profit & Loss, except to the extent that it relates to items recognised in the comprehensive income or directly in equity respectively. In which case, the tax is also recognised in other comprehensive income or equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the balance sheet date.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that

have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

f) Financial Instruments – Initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equally instrument of another entity.

Financial Assets Initial Recognition and Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

Financial Assets – Subsequent Measurement

For the purpose of subsequent measurement financial assets are classified in two broad categories:-

- a) Financial Assets at fair value
- b) Financial assets at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss) or recognised in other comprehensive income (i.e. fair value through other comprehensive income)

A financial asset that meets the following two conditions in measured at amortised cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- a) Business Model Test: The objective of the Company's business model is to hold the financial asset to collect the contractual cash flow (rather than to sell the instrument).
- b) Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- a) Business Model Test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial assets.
- b) Cash Flow characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an accounting mismatch) that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. All other financial assets are measured at fair value through profit or loss.

INTER STATE OIL CARRIER LIMITED

CIN: L15142WB1984PLC037472

Notes to the financial statement for the year ended 31st March, 2021

All equity instruments are measured at fair value in the balance sheet, with value changes recognised in the statement of profit and loss, except for those equity instruments for which the entity has elected to present value changes in other comprehensive income.

Financial Assets – De-recognition

A financial asset (or where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's statement of financial position) when:

- a) The rights to receive cash flows from the asset have expired or
- b) The Company has transferred its rights to receive cash flow from the asset or has assumed an obligation to pay the received cash flow in full without material delay to a third party under a pass-through arrangement and either i) the company has transferred substantially all the risks and rewards of the asset, or ii) the company has neither transferred nor retained substantially all the risks and rewards of the assets, but has transferred control of the asset.

When the company has transferred its rights to receive cash flow from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying of the asset and the maximum amount of consideration that the company could be required to repay.

Financial Liabilities – Initial Recognition and Measurement

The financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payable, loans and borrowings including bank overdrafts.

Financial Liabilities – Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial Liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss. Financial liabilities designated upon initial recognised at fair value through profit or loss are designated at the initial date of recognition and only if the criteria in Ind AS 109 as satisfied.

Notes to the financial statement for the year ended 31st March, 2021

Financial Liabilities – Loans and Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using Effective Interest Rate (EIR) Method. Gains and losses are recognised in profit and loss when the liabilities are de-recognition as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation includes as finance costs in the statement of profit and loss.

Financial Liabilities – De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

g) Revenue Recognition and Other Income

Sale of Services

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

Interest income

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate to the net carrying amount of the financial asset. Interest income is included in the other income in the statement of profit and loss.

h) Provisions, contingent liabilities, contingent assets and commitments

Provisions are recognised when the company has a present obligations (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligations and a reliable estimate can be made of the amount of the obligations. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of Profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to be Financial Statements.

Contingent assets are not recognised. However when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

i) **Current and Non-current Classification**

The company presents assets and liabilities in statement of financial position based on current / non-current classification.

The company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by Ministry of Corporate Affairs.

An assets is classified as current when it is :

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- b) Held primarily for the purpose of trading.
- c) Expected to be realised within twelve months after the reporting period or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current

A liability is classified as current when it is :

- a) Expected to be settled in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Due to be settled within twelve months after the reporting period or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The company has identified twelve months as its normal operating cycle.

j) **Fair Value Measurement :**

The company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either.

- a) In the principal market for the asset or liability or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of non-financial asset takes into account a market participants ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

INTER STATE OIL CARRIER LIMITED

CIN: L15142WB1984PLC037472

Notes to the financial statement for the year ended 31st March, 2021

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

- a) Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- b) Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- c) Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

k) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable rights to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable rights must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or counterparty.

iii) Significant Accounting Judgement, Estimates and Assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future period. The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

Property, Plant and Equipment

Internal technical team or user team assess the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable.

Contingencies

Management has estimated the possible outflow of resources at the end of each annual reporting period, if any, in respect of contingencies / claim / litigations against the company as it is not possible to predict the outcome of pending matters with accuracy.

Notes to the financial statement for the year ended 31st March, 2021

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent to those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

Defined Benefits Plans

The Cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Fair Value Measurement of Financial Instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

35 CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

The gearing ratio at end of the reporting period was as follows:

	Amount (Rs. Lakhs)	
	As at 31st March, 2021	As at 31st March, 2020
Gross Debt	739.12	827.79

Net Gearing (A/B)	0.08	0.35

36 FINANCIAL INSTRUMENTS

i Valuation

All financial instruments are initially recognized and subsequently re-measured at fair value as described below:

- The fair value of investment in quoted Equity Shares is measured at quoted price or NAV or cost as available with the management.
- The fair value of investment in unquoted Equity Shares is measured at cost as no information is available with the management.
- The fair value of the remaining financial instruments is determined using discounted cash flow analysis.

iv Credit Risk:

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due, causing financial loss to the company. Credit risk arises from company's activities in investments and outstanding receivables from customers.

The Company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. Dues from customers to whom sales are made on credit are generally recovered within credit days allowed to the customer.

v Liquidity Risk:

Liquidity risk arises from the Company's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities (Rs. 614.14 Lakhs as on 31st March 2021; Rs. 388.32 Lakhs as on 31st March 2020). Company accesses financial markets to meet its liquidity requirements.

The Company's liquidity is managed centrally with operating units forecasting their cash and liquidity requirements. Treasury pools the cash surpluses from across the different operating units and then arranges to either fund the net deficit or invest the net surplus in the market.
