“A KARMAYOGI”

Visited us between 25th July
1925 and 27th November 2015

A TRIBUTE TO OUR
FOUNDER CHAIRMAN SHRI
MANSUKHLAL MAHADEV
BHAJI KOTHARI (BABUJI)

In July, 1925 in the Village Nareli of district Surendra Nagar in Gujarat. **Respected Mansukh Bhai Kothari (Babuji)** was born in the family of Shri Mahadev Bhai Kothari. His father was an ordinary merchant/trader.

At the tender age of 11 years he started sharing the responsibilities of his father in the business. However, his ambitions could not contain him into the tiny village and at an age of 16 he started his journey of life away from home and moved to the greener pastures in the field of business and made Kanpur as his Karma Bhumi.

Starting with a meager capital he started the trading business of consumable products. Through his sheer hard work, dedication and will power he started to climb the ladders of success.

1973 was the year that became the turning point in his entrepreneurial skills starting with a cottage industry **Pan Parag** Pan Masala foundation was laid. Thereafter he never looked back not only in India but world wide **Pan Parag** became the synonym of mouth freshner . The brand became most coveted and visible brand in FMCG sector in India.

Many more manufacturing units of FMCG products were set up e.g. **Budget Washing Powder, Yes Packaged Drinking Water** etc.

He was very concerned and aware about the hardships of the society at large especially about the weaker sections of the society and established charitable trust and educational institutions for medical treatment, scholarships to the needy students, community.

A Karmayogi & an institution in himself left us for his heavenly abode on 27th November 2015 leaving behind his legacy for us to nurture.

He was a well known industrialist of India and a great philanthropist. He will always remain in our hearts and we will follow his principles, legacy & values forever.

May the sacred soul of this “**KARMAYOGI**” rest in peace.

Chairman's Message

Dear Fellow Share Owners,

I am quite happy to be with you yet again to share some of my views.

At the outset I thank the Board of Directors for declaring back to back Bonus shares to all the share owners in the financial year ended March'16 as well, thus keeping up their commitment of creating wealth for the share owners.

Your Company has yet again registered a sustained growth in terms of Profits and stable revenues from operations. To conserve the resources for future growth, your Directors have taken a pragmatic view and recommended a moderate dividend this year as compared to last year.

Domestic economy has done well as compared to other countries. GDP growth showed optimism in view of moderate inflation, stable interest rates and by and large stable crude oil prices etc. “Make in India” initiative will definitely accelerate the economic growth and Infrastructure investment will give impetus to the Real estate sector growth.

In the International economic scenario, it seems that we are at the cross- roads at the moment. While the leading developed economies are showing some signs of momentum and although we witnessed a less volatile currency market, the geo political uncertainties, stagnant economic growth, fall out of Brexit etc may have short term future ramifications. The medium and Long Term appears to be full of opportunities and growth.

Going beyond business, we have made sustainable efforts to uplift the deprived society through social programs. We are focusing on providing education to children and empowering the elders of our society by undertaking projects of educational institutions & old age care centre under Corporate Social Responsibility initiative and have spent Rs.1.52 cr. in the financial year under review.

In the end I would reiterate that our people are our most important assets. We actively foster a culture of mutual trust in our interactions with our stake holders and encourage a dialogue which ensures mutual respect. I extend my gratitude to all the stake holders including consortium of Banks lead by Allahabad Bank for their continued support and faith in us.

Overall, the stage is set for sustainable growth in future and I am confident that going forward our TEAM will continue to move ahead and outperform expectations while continuing to create value for all our stake holders.

With best wishes
Yours truly

Deepak Kothari

ITEM NO. 7

The members had authorized the Board of Directors through Postal Ballot on 26th December, 2015 to create charges/mortgages in respect of the borrowings made by the Company subject to a maximum Rs.2500 Crores by way of Special Resolution pursuant to the provision of Section 180(1)(a) of the Companies Act, 2013.

ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Kothari Products Limited (“the Company”) as of 31st March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. The procedures selected depend on the Auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

B. USE OF ESTIMATES :

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of financial statements and reported amounts of income and expenses during the period.

1.2. FIXED ASSETS AND DEPRECIATION :

All fixed assets are stated at cost, comprising of purchase price, duty, levies and any direct attributable cost of bringing the assets to their working condition for the intended use. Depreciation is provided according to straight line method on the basis of useful lives of the assets as prescribed by the Schedule II to the Companies Act, 2013 and Provision for impairment loss is recognised to the extent by which the carrying amount of an asset exceeds its recoverable amount.

1.3. LEASE ACCOUNTING :

- (i) All the lease agreements of the Company are in respect of operating lease of the premises (residential and business premises etc.).
- (ii) The aggregate lease rentals payable are charged to the Statement of Profit & Loss as Rent Expense.

- (iv) The aggregate lease rentals receivable for the year is credited to the Statement of Profit & Loss as Rental Income.

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each Balance Sheet date to reassess realisation.

In conjunction with our audit of the consolidated financial statements of Kothari Products Limited (hereinafter referred to as the Holding Company/the Company) as of and for the year ended March 31st, 2016, we have audited the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 7 subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.
