BOARD OF DIRECTORS AND KEY MANAGERIAL PERSONNEL

Board Meeting

The Board consisted of four members as on 31st March, 2022, three of whom were Independent Non-Executive Directors. Regular meetings of the Board are held at least once in a quarter, inter-alia, to review the quarterly results of the Company. Additional Board meetings are convened to discuss and decide on various business policies, strategies and other Businesses. In view of the pandemic and extant government guidelines, Board Meetings held after the lockdown are being held via video conferencing.

During the year under review, Board of Directors of the Company met four times, viz 29th May, 2021, 11th August, 2021, 12th November, 2021 and 12th February, 2022.

Committee of Board

Your Company has several Committees which have been established as part of best corporate governance practices and are in compliance with the requirements of the relevant provisions of applicable laws and statutes.

The Company has following Committees of the Board:

- Audit Committee
- Nomination and Remuneration Committee
- Stakeholders' Grievances and Relationship Committee

A detailed note on the committees with respect to composition, meeting, powers, and terms of reference is provided under the Corporate Governance Report section in this Annual Report.

Details of Key Managerial Personnel

Mr. Nikhil Morsawala, CFO, Mr Jigar Bhatt, Project Head, Mr Sandipkumar Gupta, Company Secretary and Mr. Atul Mishra, Manager, were the Key Managerial Personnel as per the provisions of the Companies Act, 2013.

Nomination and Remuneration Policy

The Company has, in order to attract motivated manpower in a competitive market, and to harmonise the aspirations of human resources consistent with the goals of the Company and in terms of the provisions of the Companies Act, 2013 and the listing agreement as amended from time to time, devised a policy on the nomination and remuneration of Directors, key managerial personnel and senior management.

Key points of the policy are:

A. Policy on appointment of Directors, Key Managerial Personnel and senior management personnel

- The policy is formulated to identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP and senior management personnel and recommend to the Board for his/her appointment.
- A person should possess adequate qualification, expertise and experience for the position he/she is considered for appointment.
- In case of appointment of Independent Director, the Committee shall satisfy itself with regard to the independent nature of the Director vis-à-vis the Company so as to enable the Board to discharge its function and duties effectively.

B.; Policy on remuneration of Director, key managerial personnel and senior management personnel. The Company's remuneration policy is driven by the success and performance of the Director, KMP and Senior Management Personnel vis-à-vis the Company. The Company's philosophy is to align them and provide adequate compensation with the Objective of the Company so that the compensation is used as a strategic tool that helps us attract, retain and motivate highly talented individuals who are committed to the core value of the Company. The Company follows a combination of fixed pay, benefits and performance-based variable pay. The Company pays remuneration by way of salary, benefits, perquisites and allowance. The remuneration and sitting fees paid by the Company are within the salary scale approved by the Board and Shareholders.

Board Evaluation

Clause 49 of the Listing Agreement mandates that the Board shall monitor and review the Board evaluation framework. The Companies Act, 2013 states that a formal annual evaluation needs to be made by the Board of its own performance and individual Director. Schedule IV of the Companies Act, 2013 states that the performance evaluation of independent directors shall be done by the entire Board of Directors excluding the director being evaluated. A structured questionnaire was prepared after taking into consideration of the various aspects of the Board's functioning, composition of the Board and Committees, culture, execution and performance of specific duties, obligation and governance.

The evaluation of all the directors and the Board as a whole was conducted based on the criteria and framework adopted by the Board. The Board approved the evaluation results as suggested by the Nomination and Remuneration Committee. The performance evaluation of the Independent Directors was completed. For the year under review, the Independent Directors met on 28th May, 2022, interalia, to discuss:

- Performance evaluation of Independent Directors and Board of Directors as a whole;
- Evaluation of the quality of the flow of information between the Management and Board for effective performance by the Board. The Board of Directors expressed their satisfaction with the evaluation process.

PUBLIC DEPOSITS

During the period under review, the Company has not accepted or renewed any deposits from shareholders and public falling within the ambit of Section 73 of the Companies Act, 2013 and rules made thereunder.

SHARE CAPITAL

The paid-up equity share capital as at 31st March, 2022, stood at Rs. 7,21,15,000.

POLICIES

We seek to promote and follow the highest level of ethical standards in all our business transactions guided by our value system. The SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 mandated the formulation of certain policies for all listed companies. The policies are reviewed periodically by the Board and updated based on need and new compliance requirements.

VIGIL MECHANISM

The Company has established a vigil mechanism and accordingly framed a Whistle Blower Policy. The policy enables the employees to report instances of unethical behavior, actual or suspected fraud or violation of Company's Code of Conduct to the management. Further the mechanism adopted by the Company encourages the Whistle Blower to report genuine concerns or grievances and provide for adequate safeguards against victimization of the Whistle Blower who avails of such mechanism and also provides for direct access to the Chairman of the Audit Committee in exceptional cases. The functioning of vigil mechanism is reviewed by the Audit Committee from time to time. No whistle blower has been denied access to the Audit Committee of the Board.

SEXUAL HARASSMENT OF WOMEN AT WORKPLACE

There were no incidences of sexual harassment reported during the year under review, in terms of the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

CORPORATE GOVERNANCE

Pursuant to Regulation 34(3) and Schedule V of SEBI (LODR) Regulations, 2015, a separate report on Corporate Governance and a certificate from the Auditors of the Company are annexed to the Directors' Report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your attention is drawn to the perception and business outlook of your management for your company for current year and for the industry in which it operates including its position and perceived trends in near future. The Management Discussion and Analysis Report, as required under Clause 49 of the Listing Agreement with the Stock Exchange is attached and forms part of this Directors' Report.

RISK MANAGEMENT POLICY:

The Company has developed and implemented a risk management policy which identifies major risks which may threaten the existence of the Company. The same has also been adopted by your Board and is also subject to its review from time to time.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2022

Form No. MR-3

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

**To,
The Members,
EPIC ENERGY LIMITED**

Sai Pooja Apartment, Office No.02, Plot No. 374,
Sector 19C, Kopar Khairane Navi Mumbai-400709.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Epic Energy Limited (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2022, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March 2022, according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made there under as applicable;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Byelaws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - b) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (vi) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

I have also examined compliance with the applicable clauses of the Listing Agreements entered into by the Company with Bombay Stock Exchange Limited.

Further being a Energy Conservation Company, following are some of the Acts applicable to the Company:

1. The Trade Marks Act, 1999

During the period under review the Company has generally complied with the all material aspects of applicable provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc.

During the Period under review, provisions of the following Acts, Rules, Regulations, Guidelines, Standards, etc. were not applicable to the Company:

- i. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- ii. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Securities and Exchange Board of India (Share based employee benefits) Regulations, 2014;
- iii. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- iv. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- v. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- vi. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of External Commercial Borrowings; and
- vii. Secretarial Standards issued by the Institute of Company Secretaries of India. I further report that –

The Board of Directors of the Company is duly constituted with proper balance of Non-Executive Directors and Independent Directors.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent generally in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that -

There are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022

[Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI
(Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,

The Members,

EPIC ENERGY LIMITED

SAI POOJA APARTMENT, OFFICE NO.02, PLOT NO. 374,
SECTOR 19C, KOPAR KHAIRANE NAVI MUMBAI-400709.

Dear Sir,

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of **Epic Energy Limited** having CIN **L67120MH1991PLC063103** and having registered office at SAI POOJA APARTMENT, OFFICE NO.02, PLOT NO. 374, SECTOR 19C, KOPAR KHAIRANE NAVI MUMBAI-400709 (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with the Regulation 34(3) read with Schedule V Para C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company and its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the financial year ending on 31st March 2022 have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs or any such other Statutory Authority.

RENEWABLE ENERGY IN INDIA

ADVANTAGE INDIA

ROBUST DEMAND	INCREASING INVESTMENTS	POLICY SUPPORT	COMPETITIVE ADVANTAGE
<ul style="list-style-type: none"> In June 2021, Prime Minister Mr. Narendra Modi stated that renewable energy capacity in India increased by 250% between 2014 and 2021. The Central Electricity Authority estimates India's power requirement to grow to reach 817 GW by 2030. Most of the demand will come from real estate and transport sectors. 	<ul style="list-style-type: none"> Non-conventional energy sector received FDI inflow of US\$ 11.62 billion between April 2000- March 2022. Rising foreign investment in the renewable sector (such as the US\$ 75 billion investment from the UAE) is expected to promote further investments in the country. 	<ul style="list-style-type: none"> In the Union Budget 2022-23, the government allocated Rs. 19,500 crore (US\$ 2.57 billion) for a PLI scheme to boost manufacturing of high-efficiency solar modules. India launched the Mission Innovation CleanTech Exchange, a global initiative that will help accelerate clean energy innovation. 	<ul style="list-style-type: none"> Globally, India ranks fourth in renewable energy capacity and wind power and fifth in solar power capacity. In October 2021, India retained its third rank on the EY Renewable Energy Country Attractive Index 2021.

India has installed renewable energy projects of 152 GW capacity (March 22,2022). This includes 50.78 GW from solar, 40.13 GW from wind, 10.63 GW from bio-power, 4.84 GW from small hydropower and 46.52 GW from large hydropower. Seven power companies have installed flue gas desulphurisation (FGD) technology in 20 power plant units to control emissions of sulphur dioxide from thermal power plants. Sixteen of these units have installed wet FGD technology while the remaining four have installed dry sorbent injection technology. All 20 units installed FGD prior to 2021-22. The power ministry as well as public sector units (PSU) under it have carried out no assessment on the penetration of electricity-based cooking.

Rooftop solar

The Union Ministry of New and Renewable Energy (MNRE) is implementing phase II of the Grid Connected Rooftop Solar (RTS) Programme. It is providing subsidy for RTS installation in the residential sector under the programme.

The government has installed 1,252 megawatt (MW) RTS capacity in the residential sector as of March 8 this year. Central financial assistance amounting to Rs 1,132.74 crore has been disbursed to various electricity distribution companies under the programme.

Waste-to-Energy

The government has installed 11 waste-to-energy plants of a total capacity of 132.1 MW as of February 28, for generating power from municipal solid waste in India. MNRE conducted a study for the assessment of biomass power and bagasse cogeneration potential. Some 228 million tonnes of surplus biomass and 82 million tonnes of bagasse are generated annually in India.

Renewable Energy Investment in India⁵

Investment in renewable energy hit a record level in India during the last financial year

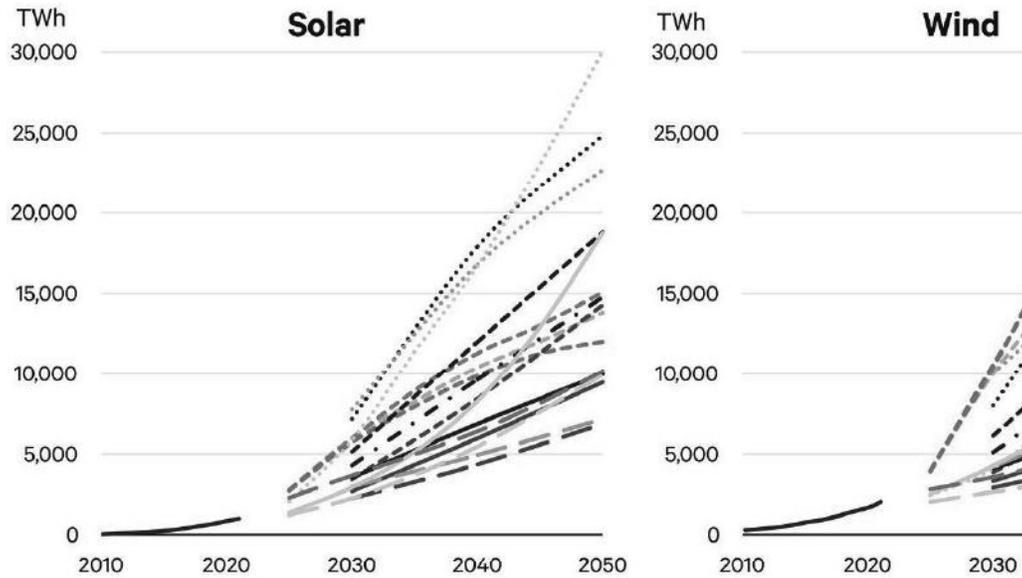

A total of \$14.5 billion was invested in renewable energy, up by 125% compared with financial year 2020-21 and 72% higher than in the pre-pandemic period of the 2019-20 financial year.

Renewable investment since FY 2019/20 (US \$ millions)

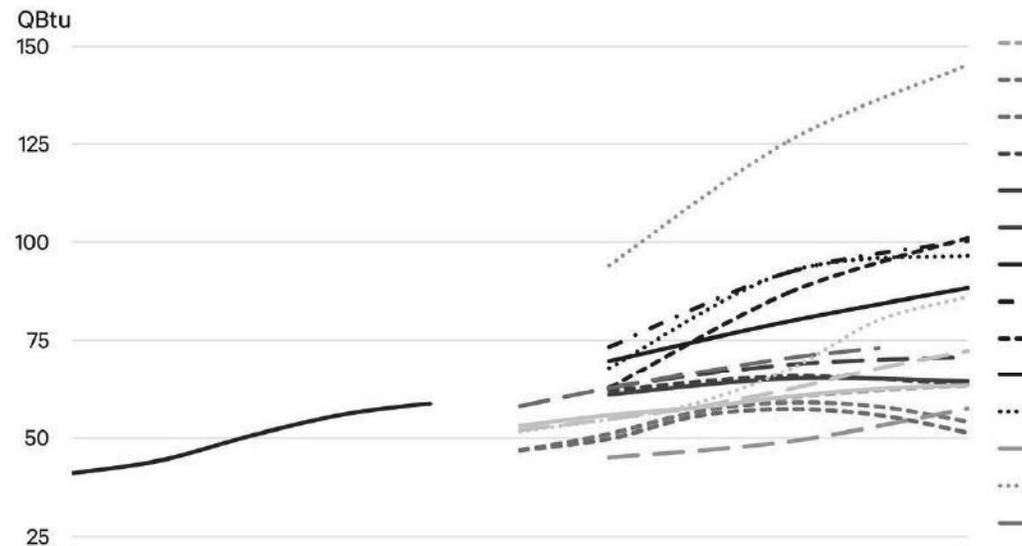

- 2019/20 : \$ 8361
- 2020/21 : \$ 6389
- 2021/22 : \$ 14397

India has committed to reaching 175 GW of renewable capacity by the end of 2022, and increased its 2030 goal to 450 GW.

LED Market in India

The Indian LED Lighting market is **expected to grow at a CAGR⁶ of 23.2%** during the forecast period (2022-2027). The need for outdoor LED lighting has historically been subjected to moderate growth due to the significant change in demand for LED technology with improved features and usage.

- LED lights consume 75% less energy and last 25 times longer than incandescent bulbs. They have the highest potential for saving energy and cost. Hence, replacing old lighting systems with LED lightings has been beneficial. The demand for new installations in the outdoor LED lighting market is significantly increasing.
- Moreover, the LED penetration for outdoor applications in India has been continuously increasing. Also, government initiatives aimed at structuring regulations for encouraging LED adoption are also fueling market growth. For instance, EESL (Energy Efficiency Services Limited), a JV under the Ministry of Power, aims to install 1.6 crore smart LED streetlights across the nation by 2024.
- The ongoing transformation and infrastructure expansion projects are further expected to surge the demand for LED lighting, leading to market growth. For instance, initiatives such as Smart City are expected to support the development of the LED lighting market in India.
- The ongoing COVID-19 pandemic had a significant impact on the market. The COVID-19 impact has been observed at the first or starting node of the market value chain, i.e., lighting products manufacturers. Additionally, the market is witnessing halting of production and disruption in the supply chain, leading to
- Weakened industrial output growth and the decline of light manufacturing output across significant manufacturing hubs.
- Moreover, the initial cost of the LED lighting housing can sometimes depend on the environment as well. Lighting systems deployed in harsh environments have to be safeguarded to withstand extreme conditions. Such a safeguarding arrangement can increase the cost of the equipment.

Key Market Trends

- An LED lamp or LED bulb uses a semiconductor to convert electricity into light. They are significantly more energy-efficient than other types of lamps like incandescent lamps and fluorescent lamps. Additionally, commercial LED lamps have a much longer lifespan than incandescent lamps.
- The huge energy-saving potential of LED lamps, coupled with their decreasing prices over the past few years, has accelerated the demand for these lighting products across India. Additionally, many government policies have been implemented in recent years to increase their adoption.
- For instance, in March 2021, India launched Gram Ujala scheme offering cheap LED bulbs in rural areas at INR 10. In its first phase launched from Arrah in Bihar, 15 million LED bulbs were to be distributed across villages of Arrah (Bihar), Varanasi (Uttar Pradesh), Vijaywada (Andhra Pradesh), Nagpur (Maharashtra), and western Gujarat.
- Further, as per the union power ministry of India, Convergence Energy Services Limited (CESL) has already distributed 5 million LED bulbs under the Gram Ujala program, as of December 2021. The distribution has resulted in energy savings of 71,99,68,373.28 units per year with cost savings of INR 250 crores per year.
- Product innovation also continues to rise in the segment, with many new product launches in the segment. For instance, in March 2021, Realme India announced plans to launch Realme Smart LED bulbs in India. The product has a rated power rating of 9W with an input voltage of AC 120~250V. The lights can be controlled using either the Realme Link application, Google Home, or Amazon Alexa.
- Several government policies are driving the adoption of LED lighting in the highway and roadway infrastructure of India. The government of India's zero-subsidy LED Street Lighting National Programme (SLNP) and Unnat Jyoti by Affordable LEDs for All (UJALA) marked their seventh anniversary in 2022. SLNP is the world's most extensive streetlight replacement program, and UJALA is the world's largest domestic lighting project. Both have been implemented by Energy Efficiency Services Limited (EESL), a joint venture of PSUs under the Ministry of Power, Government of India.

⁶ <https://www.mordorintelligence.com/industry-reports/india-led-lighting-market#:~:text=The%20Indian%20LED%20Lighting%20market%20is%20expected%20to%20grow%20at,with%20improved%20features%20and%20usage.>

- Further, the increasing usage in government projects creates significant opportunities for the market segment in the coming years. For instance, The Bidhannagar Municipal Corporation (BMC) started the much-delayed LED street light project in Kolkata, West Bengal. In the project, LED lights will replace all sodium vapor streetlamps across 41 wards. Near to INR 32 Crore will be invested in this project. The project will deploy LED lights from a wide variety of power range up to 190 Wattage. This will further fuel the growth of this segment in the coming years.
- Moreover, conventional high-intensity discharge (HID) and fluorescent lighting systems methods are inefficient in industrial settings with high, hard-to-reach ceilings and expansive spaces, creating lighting challenges and inefficiencies. Hence several industrial facility managers adopt customized LED lighting solutions that maximize savings and improve performance throughout their facilities. Additionally, HID systems are not compatible with advanced sensors and wireless controls. Besides, long strike-up times often force facilities to leave these lights on for more extended periods. Hence, LED lighting solutions with advanced lighting controls that harvest daylight to reduce energy usage or turn lights on and off at pre-designated times in pre-designated zones are witnessing significant demand in India.
- However, significant sports stadiums in India still do not utilize LED lighting systems. For instance, in January 2021, The Karnataka State Cricket Association (KSCA) announced installing a new floodlight structure at an estimated cost of INR 4.5 crore at the M Chinnaswamy stadium are waiting to replace metal-halide lamps with LED fixtures.
- Moreover, malls and showrooms consider necessary actions to attract the eyes of their customers and trigger the purchase intent. Appropriate and appealing illumination is vital to make the offered products look more desirable in such a scenario. LED lights are versatile and available in various colors, sizes, wattage, and shapes, which are used for decoration purposes during the festive seasons in India. These factors are driving the usage of LED lighting in such commercial spaces.

LED Streetlight status in India

Energy Efficiency Services Limited (EESL), a JV under the Ministry of Power, plans to install 1.6 crore of smart LED lights across the nation by 2024⁷.

Streetlight National Programme (SLNP) was primarily launched in municipalities/ Urban Local Bodies (ULBs) of the country with an objective to replace conventional street lights with LED lights. Since the first project in 2014 in Vizag (Andhra Pradesh), EESL has so far installed 1.2 crore LED streetlights in India, resulting in around 7.8 BU of annual electricity saving and annual reduction of 5.3 million tCO₂, says the company.

Street Lighting National Program

Street Lighting National Program (SLNP) was also launched on January 5, 2015, as “PrakashPath” – National Program for the adoption of LED Street Lighting. The main objective was to convert conventional streetlights with energy-efficient LED Street Lights.

Energy Efficiency Services Limited (EESL) was designated as the implementing agency to implement this program across Pan- India. Union Minister R.K Singh also informed the House that till date, EESL has installed over 1.23 crore (as of March 16, 2022)⁸ LED streetlights in ULBs and Gram Panchayats across India.

This has resulted in energy saving of 8516.7 million Unit of Electricity per annum, peak demand reduction of 1419.45 MW and 5.87 million tons of CO₂ emission reduction annually.

COMPANY STRATEGY AND BUSINESS FOCUS

FINANCIAL CONDITION

1. Share Capital

At present we have only one class of Shares: Equity shares of par value Rs. 10/- each. Our authorized capital is Rupees Twelve Crores divided into One Crore Twenty Lakh shares of Rs. 10/- each. During the year under report, there was no change in the Share Capital of the company.

2. Reserve & Surplus

a. General Reserves

There was no change in the General Reserves during the year.

b. Share Premium Account

During the year under report, there was no change in the Share Premium of the Company.

c. Profit and Loss Account

The company reported an Operating Loss of Rs. (48.53) lakh (previous year Operating loss of Rs. (66.12) lakh) before Extra-Ordinary and non-recurring items. After tax expenses for earlier years, deferred Tax and the profit / (loss) after Tax was Rs. (44.47) lakh (previous year loss After Tax Rs. (63.85) lakh). The book value per share as on 31st March, 2022, was Rs.9.44 compared to Rs.10.06 as of the previous year end.

d. Special Reserve

During the year under report, there was no change in the Share Premium of the Company.

3. Fixed Assets

Your company has added capital assets during the year under review. Capital work-in-progress at the end of the year was Rs. NIL.

4. Inventories

The inventories of finished goods comprise of Energy Savers and Solar Products assembled/purchased by the company. The inventories of stores and spare parts are the maintenance spares which the company keeps to ensure uninterrupted functioning of its equipment.

5. Sundry Debtors

Sundry Debtors are the receivables arising mainly from the Energy Saving Business of the company.

E. RESULTS OF OPERATIONS

1. Income

Your company's main income is from the sales of Energy Efficiency Products & installation of such equipment on BOOT basis.

2. Expenditure

Purchases represent the cost of inputs for assembling the Energy Products of your company. Maintenance Costs represent cost of spares consumed to keep the equipment & solar products in running condition. Employee / Manpower Expenses consist mainly of outsourcing Expenses, since the Company outsources all of its production and maintenance functions.

3. Net Profit/ (Loss)

The company reported a Net loss after tax of Rs. 44.47 lakh (Previous Year Net loss after tax of Rs.63.85 lakh).

4. Provision for Tax

The provision for tax has been made on the basis of extant Rules and Regulations. Tax expenses for earlier years NIL (previous year NIL) and Deferred Tax 4.06 lakh (previous year 2.27 lakh) has been provided accordingly.

OPPORTUNITIES AND THREATS

We have identified Energy Efficiency on the Demand Side as one of the main focus areas of our business. Substantial progress has been made in the last few years by implementing prestigious projects with marquee customers to establish the company as a leading implementer of Energy Efficiency Solutions.

Technological Evolution which gives the cutting edge advantage to your company's equipment has been a key factor of your company's R & D efforts. The company offers equipment with GSM and GPRS capabilities.

Solar Products are also expected to play a major role in providing power to energy deficient areas where sunshine is plentiful.

Availability and Prices of Photo Voltaic Solar Panels largely depend on the supply and price of Silicon.

Shortage of Silicon affects the cost and availability of Solar Panels.

The technology used in Energy Saving Equipment is continually evolving. Obsolescence is a major threat. Your company is constantly researching and studying the application of various technologies around the world to protect its business interests.

Competition is limited to the few players who have the technology to assemble, test and maintain the type of products dealt with by your company.

INTERNAL CONTROLS AND THEIR ADEQUACY

Your company has in place adequate systems of internal control procedures covering all financial and operating functions. The Audit Committee periodically reviews the adequacy of these procedures. Your company renewed its ISO 9001:2015 certification during the year and is committed to maintaining the highest standards of quality control at all levels of operations.

RISK CONCERNS AND RISK MANAGEMENT

The Risk Management Function is overseen by the Audit Committee. Risk Management Policies are designed after discussions with various constituents and experts. The following Risk Concerns have been identified and are being dealt with as explained against each concern:

a. Technology Risk:

The Technology used in Energy Saving Devices is constantly evolving. The introduction of newer and better techniques could render our products obsolete. To address this risk, your company is constantly researching and studying the application of various technologies across the world and has a separate team of people upgrading the technologies that we use. Technological Evolution which gives the cutting edge advantage to your company's equipment has been a key factor of your company's R&D efforts.

b. Concentration Risk:

Your company has a reasonable spread in terms of the various segments of Demand Side Management. The company also has its business spread over a few States in India. . The company derives about 80% (Eighty Percent) of its revenue from one government customer. However, the contract is a long term contract and payments are received timely.

c. Human Resources:

Your company depends to a large extent on trained engineers, both electronic and electrical. Whilst availability of manpower is not a concern, training and retention is a challenge. Your company has instituted various Employee Training and Retention schemes to mitigate this Risk.

d. General Risk

Your company has adequate insurance policies in place for its equipment and inventories.

Medical and Accident Insurance Policies for its employees have also been taken where required.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations may be "forward looking" statements within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions, affecting demand, supply and price conditions in the markets in which the company operates, changes in the Government regulations, tax laws and other statutes and incidental factors.

Report on Corporate Governance

[Your Company has complied in all materials respect with the requirements of the Corporate Governance code as per Schedule V (c) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, (hereinafter referred as "SEBI LODR")]

1. Company's philosophy on code of Governance

Company is committed to good Corporate Governance. The Company fully realizes the rights of its shareholders to information on the performance of the Company and considers itself a trustee of its shareholders. The Company is of the view that good Corporate Governance is an optimum mix of regulatory compliances as well as voluntary disclosures and practices.

The Company is focused on attaining the highest levels of transparency, fairness, accountability and integrity in its dealings with all the constituents of its business i.e. the stakeholders. Towards this end, substantial disclosures on the Board of Directors and its Committees, financial and stock performance have been made in this Annual Report.

We believe that Corporate Governance is the key element in improving efficiency, growth and investors' confidence.

2. Board of Directors under CA, 2013 and regulation 17 of the SEBI (LODR) Regulations, 2015

A) Composition of the Board of Directors as on 31st March, 2022, is as follows:

The Board of Directors of the Company have an optimum combination of Independent Non-Executive Directors and Non-Executive Promoter Director who have an in-depth knowledge of business, in addition to the expertise in their areas of specialization. The Board of the Company comprises four Directors that include one Woman Director.

The composition of the Board is in conformity with Regulation 17 of the SEBI (LODR) Regulation, 2015 entered into with the stock exchanges. The Board has received confirmation from the Non-Executive and Independent Directors that they qualify to be considered as Independent as per the definition of 'Independent Director' stipulated in Regulation 16 (1)(b) of the SEBI (LODR) Regulation, 2015 and Section 149(6) of the Companies Act, 2013 (hereinafter called "the Act"). None of the Directors hold Directorships in more than 20 companies. Further, any individual director's directorships in public companies do not exceed 10. None of the Directors is serving as a member of more than ten committees or as the Chairman of more than five committees across all the public companies of which he is a Director. Necessary disclosures regarding committee positions in other public companies as on March 31, 2022 have been made by the Directors. The number of directorships and committee Chairmanships/Memberships held by the Direct.

INDEPENDENT AUDITOR'S REPORT

To the members of
M/s. Epic Energy Limited

Opinion

We have audited the accompanying IND AS financial statements of **M/s. Epic Energy Limited** ("the Company"), which comprise the balance sheet as at 31st March 2022, and Statement of Profit and Loss (including Other Comprehensive Income), statement of changes in Equity and the Cash Flow Statement for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and Loss for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of matter:

1. Revenue from Operations includes Unbilled Revenue from April 2021 to March 2022 amounting to Rs. 54.93 lakhs.
2. The company is yet to transfer unpaid dividend of an amount aggregating to Rs. 6.63 lakhs relating to Financial Years 2010-11 and 2011-12 from unpaid dividend account to Investor Education and Protection Fund (IEPF).

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Depending on the facts and circumstances of the entity and the Audit, there are no key audit matters to communicate in the Audit Report.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including the other comprehensive income), cash flows and Statement of Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Relevant Rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy

and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit Procedures that is appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists; we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the IND AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the companies (Auditor's Report) Order, 2016 ("the order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the order.

2. As required by Section 143 (3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, Statement of Profit and Loss(including Other Comprehensive Income), the Cash Flow Statement and the Statement of changes in Equity dealt with by this Report are in agreement with the books of account;

(d) In our opinion, the aforesaid IND AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Relevant Rules issued there under.

(e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. The company is yet to transfer unpaid dividend of an amount aggregating to Rs. 6.63 lakhs relating to Financial Years 2010-11 and 2011-12 from unpaid dividend account to Investor Education and Protection Fund (IEPF).

iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has neither declared nor paid any dividend during the year.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of M/s. Epic Energy Limited ('the Company') as of 31st March 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles including Indian Accounting Standards. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements for the year ended 31st March, 2022

Significant Accounting Policies

Note 1

1. CORPORATE INFORMATION

The Company offers comprehensive Energy Management Solutions to its Customers. Power saving Solutions includes Power Saver, APFC Panels, Remote Energy Management Software and Automatic Light Controllers etc. Renewable Energy Solution includes Solar Products, UPS, Inverters, etc. The Financial Statements were approved and adopted by Board of Directors of the Company in their meeting held on 28th May 2022.

2.1. BASIS OF PREPARATION

a. Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, as amended from time to time. The Board of Directors approved the financial statements for the year ended 31st March, 2022 and authorised for issue on 28th May, 2022

(b) Functional and presentation Currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts are rounded to nearest Lakh, unless otherwise indicated.

(c) Basis of measurement

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. All assets and liabilities are classified into current and non-current generally based on the criteria of realisation/settlement within a twelve month period from the balance sheet date.

(d) Critical accounting estimates and judgments

In the application of the Company's accounting policies, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgments are:

Estimation of useful life of Property, Plant and Equipment

Estimation of employee benefit obligations Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

(e) Recent Accounting Developments

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements. Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract. The amendments specify that that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the ‘10 percent’ test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements. The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

2.2 SIGNIFICANT ACCOUNTING POLICIES

a. Property, Plant and Equipment

Property, plant and equipment are stated at cost less accumulated depreciation. Cost is inclusive of freight, duties, levies and any directly attributable cost of bringing the assets to their present working condition. When significant parts of property, plant and equipments are required to be replaced at intervals, the Company derecognises the replaced part, and recognises the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria is satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of the asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met. Capital work-in-progress includes cost of property, plant and equipments under installation / development as at the balance sheet date. Property, plant and equipments are eliminated from financial statement, either on disposal or when retired from financial statement, either on disposal or retired from active use. Losses arising in the case of retirement of property, plant and equipments and gains or losses arising from disposal of property, plant and equipments are recognised in the statement of profit and loss in the year of

occurrence. The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year and adjusted prospectively, if appropriate. Depreciation on fixed assets has been provided on the basis and manner provided in Schedule II to the Companies Act 2013. In respect of Energy Saving Equipments offered on BOOT basis, depreciation is written off over BOOT period. Property, plant and equipments which are added/disposed off during the year, depreciation is provided on pro-rata basis with reference to the month of addition/ deletion.

b. Impairment

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An assets recoverable amount is the higher of an assets or cash –generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. An assessment is made at each reporting date whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased.

c. Revenue Recognition

I) Sale of Goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, related discounts & incentives and volume rebates. It excludes GST and other statutory dues from revenue.

Sale of Services

Revenue from services are recognized when the services are rendered and the same becomes chargeable. GST and other statutory dues are collected on behalf of the government and are excluded from revenue.

II) Interest Income

Interest income is recognised in books of accounts on accrual basis.

d. Financial Instruments:

Financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL, its transaction costs are recognised in the statement of profit and loss. In other cases, the transaction costs are attributed to the acquisition value of the financial asset.

Financial assets are subsequently classified as measured at amortised cost

. fair value through profit and loss (FVTPL)

. fair value through other comprehensive income (FVOCI)

Financial assets are not classified subsequent to their recognition, except if and in the period of the company change its business model for managing financial assets.

Trade Receivables:

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts

estimated credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instruments.

Debt instruments

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value to profit and loss ('FVTPL') till recognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Measured at amortised cost

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payment of principal and interest, are subsequently measured at amortised cost using the effective interest rate (EIR) method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the statement of profit and loss.

Measured at fair value through other comprehensive income

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognised in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of profit and loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to "other income" in the statement of profit and loss.

Measured at fair value through profit and loss

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of profit and loss.

Equity Instruments

All investment in equity instruments classified under financial assets are initially measured at fair value, the company may, on initial recognition, irrevocably elect to measure the same either at FVOCI and FVTPL. The company makes such election on an instrument-by-instrument basis. A fair value change on an equity instrument is recognised as other income in the statement of profit and loss unless the company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of profit and loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the statement of profit and loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from financial assets expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Asset

Expected credit losses are recognised for all financial assets subsequent to initial recognition other than financial assets in FVTPL category. For financial asset other than trade receivables, as per IND AS 109, The Company recognises 12 months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in statement of profit and loss.

Financial Liabilities:

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of Profit and loss.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

e. Other Employee Benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as Short-term employee benefits. These benefits include salaries and wages, performance incentives and Compensated absences which are expected to occur in next twelve months.

f. Income Tax

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

g. Earnings per share

The Company presents basic and diluted earnings per share (“EPS”) data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

h. Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

(i) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

j. Contingent assets

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

k. Foreign currency transactions

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date. Non-monetary assets and liabilities denominated in other currencies and measured at historical cost or fair value are translated at the exchange rates prevailing on the dates on which such values were determined. All exchange differences are included in the statement of profit and loss except any exchange differences on monetary items designated as an effective hedging instrument of the currency risk of designated forecasted sales or purchases, which are recognized in the other comprehensive income.

l. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

b) Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level-1 Inputs are prices (unadjusted) in active markets for identical assets or liabilities.
- Level-2 Inputs are other than prices (unadjusted) in active markets for identical assets or liabilities.(i.e. as prices) or indirectly (derived from prices)
- Level-3 Inputs are not based on observable market data (unobservable inputs). Fair value is determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

C) Valuation techniques and key inputs

- Level-1- At present the company has no such financial assets or financial liabilities which are required to measure by this level of hierarchy.
- Level-2- At present the company has no such financial assets or financial liabilities which are required to measure by this level of hierarchy.
- Level-3- Investment in share application money, cost has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

26) FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES

The Company's principal financial liabilities comprise trade and other payables only. The main purpose of these financial liabilities is to finance the company's operations. The Company's principal financial assets include investments at fair value, trade and other receivables and cash and cash equivalents.

THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:

- Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on at 9.00 a.m. on Tuesday, 20th September, 2022 and shall close at 5.00 p.m. on Friday 23rd September, 2022. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Friday, 16th September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.
