MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure & Development-Media and Entertainment Industry

The Indian M & E industry in 2016 was able to sustain a healthy growth on the back of strong economic fundamentals and steady growth in domestic consumption coupled with growing contribution of rural markets across key segments. These factors aided the industry to grow at 9.1 per cent on the back of advertising growth of 11.2 per cent, despite demonetisation shaving off 150 to 250 basis points in terms of growth across all sub-segments at the end of the year. Compared to 2016, the industry is projected to grow at a faster pace of 14 per cent over the period of 2017-21, with advertising revenues expected to increase at a CAGR of 15.3 per cent. The year 2017 is likely to witness a marginally slower rate of 13.1 per cent as the economy recovers from the lingering effects of demonetisation and initial uncertainties arising from GST implementation.

The Indian media and entertainment industry has benefited from some fundamental growth drivers, which have facilitated its double digit growth in the recent past. Increasing per capital consumption of the Indian population along with the influx of foreign capital and brands has led to the emergence of an ever increasing & a large consuming class. This population is globally aware and acquisitive in nature thereby increasing their propensity to spend on entertainment activities. Majority of this spend is directed towards television subscription, film & print, thereby positively impacting the 3 largest sub sectors in the media & entertainment industry.

Compared to global average, India is lower on penetration of media, thereby signifying a large scope of growth in the coming future. The growing middle class is expected to drive the Indian media economy to its potential with increased spend on leisure & entertainment activities.

Favourable demographic composition of the nation, commonly referred to as the 'demographic dividend', which essentially implies that a large proportion of the country's populace is young and in the working age group, thus allowing for greater future consumption upside. The digitization of cable TV worked wonders for the television industry, according to a FICCI-KPMG report released ahead of FICCI Frames 2017. Girish Menon, Director, Media and Entertainment, KPMG in India, stated, "2016 was a mixed bag for the industry with digital media making its way to the centre-stage rapidly from being just an additional medium. It is compelling existing players to rethink their business models. The long-term factors driving future growth are expected to remain positive, with growing rural demand, increasing digital access and consumption, and the expected culmination of the digitisation process of television distribution over the next two to three years. According to the report, the TV industry clocked slower growth in 2016 at 8.5 per cent, attributed to tepid growth of 7 per cent

ANNUAL REPORT 2016-2017

in subscription revenues and a lower than estimated 11 per cent growth in advertising revenues. The industry is expected to grow at a CAGR of 14.7 per cent over the next five years with advertising and subscription revenues projected to grow at 14.4 per cent and 14.8 per cent, respectively.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **CINERAD COMMUNICATIONS LIMITED** ("the Company") as of 31st March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

ANNUAL REPORT 2016-2017

3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
