NOTES:

- 1 A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF. THE PROXY, SO APPOINTED, NEED NOT BE A MEMBER OF THE COMPANY.**

PROXY IN ORDER TO BE EFFECTIVE, SHOULD BE DULY STAMPED, COMPLETED, SIGNED AND DEPOSITED AT THE REGISTERED OFFICE OF THE COMPANY NOT LESS THAN 48 HOURS BEFORE THE COMMENCEMENT OF THE MEETING. PROXY FORM IS ANNEXED.

A person can act as proxy on behalf of Members not exceeding fifty (50) and holding in the aggregate not more than 10% of the total share capital of the Company.

In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or shareholder.

Proxies submitted on behalf of limited companies, societies, etc., must be supported by appropriate resolutions/authority, under its seal, etc. as applicable.

- 2** The Register of Members and the transfer books of the Company will be closed from 24.09.2018 to 29.09.2018 (both days inclusive).
- 3** M/s. A.Madhusudana & Co., Chartered Accountants, were appointed as Statutory Auditors of the Company at the 23rd Annual General Meeting held on 28th September, 2017. Pursuant to Notification issued by the Ministry of Corporate Affairs on 7th May, 2018 amending section 139 of the Companies Act, 2013 and the Rules framed thereunder, the mandatory requirement for ratification of appointment of Auditors by the Members at every Annual General Meeting ("AGM") has been omitted, and hence the Company is not proposing an item on ratification of appointment of Auditors at this AGM.
- 4** Statement pursuant to Section 102 of the Companies Act, 2013, relating to the Special Business to be transacted under Item No. 3 to 4 at the ensuing Annual General Meeting is annexed hereto and forms part of the Notice.
Further, additional information with respect to Item No. 2 is also annexed hereto.
- 5** Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details, National Electronic Clearing Service (NECS), Electronic Clearing Service (ECS), mandates, nominations (in Form No.SH.13), power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their Depository Participant (DP).
Changes intimated to the DP will then be automatically reflected in the Company's records which will help the Company and the Company's Registrar and Transfer Agent, M/s. Karvy Computershare Private Limited to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes to M/s. Karvy Computershare Private Limited.

The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members

holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company's Registrar and Transfer Agent.

Further, the members who hold shares in physical form are requested to consider converting their holding to dematerialized form to eliminate all risks associated with physical shares.

Members can contact the Company or M/s. Karvy Computershare Private Limited for assistance in this regard.

Non-Resident Indian Members are requested to inform M/s. Karvy Computershare Private Limited of the change in residential status immediately on return to India for permanent settlement.

The Registrar and Transfer Agent, Karvy Computershare Private Limited (Karvy), Karvy Selenium Tower B, Plot 31-32, Gachibowli, Financial District, Nanakramguda, Hyderabad - 500 032, is handling registry work in respect of shares held both in physical form and in electronic/demat form.

In pursuance of SEBI Circular dated 20th April,2018 Company has sent communications to the members holding shares in physical form to update their PAN, Bank and other details. Members are requested to fill the details in the form sent and provide necessary documents to update their records.

- 6 Members holding shares in physical form are requested to note the following:**

Regulation 40 of the SEBI (LODR) Regulations, 2015, has been amended and the amended regulation states that:

"Save as otherwise specified in provisions of securities laws or Companies Act, 2013 and rules made thereunder, the listed entity shall also comply with the requirements as specified in this regulation for effecting transfer of securities:

Provided that, except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository."

As per the above amendment, it is mandated that transfer of securities (incl. shares) would be carried out in dematerialized form only.

As advised by BSE w.e.f. 05.12.2018 the shares lodged for transfer shall be in dematerialized form only. Accordingly, the members of the Company holding shares in physical form may dematerialize the share certificates held by them through the depository participant of their choice and complete the conversion of share certificates from physical form to dematerialized form to avoid any inconvenience in future for transferring those shares, however, as clarified by the SEBI, shareholders may hold shares in physical form also, but, after 05.12.2018 those share certificates cannot be transferred unless they are dematerialized. In this regard, a notice to the members is placed on the website of the Company at www.sspdl.com members are also requested to take note of the same.

- 7 Members desirous of seeking any information/clarifications on the annual accounts are requested to write to the Company at least 7 (seven) working days before the date of Annual General Meeting so that the required information can be made available at the meeting.**

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

As required under Section 102 of the Companies Act, 2013, the following Statement sets out all material facts relating to the Special Business specified in item no. 3 to 4 of the Notice of the Meeting. Information as required under Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Clause 1.2.5 of the Secretarial Standard on General Meetings (SS-2) is given below.

Item No. 3 - To ratify the remuneration of the Cost Auditors for the financial year ending 31st March, 2019

The Board, on the recommendation of the Audit Committee at its meeting held on 14th August, 2018, appointed M/s. D R S & Co., Cost Accountants, having Membership No. 19892, as cost auditor of the Company, in terms of Section 148 of the Companies Act, 2013 ("the Act") and fixed a sum of ₹ 75,000/- (Rupees Seventy Five Thousands Only) as remuneration payable to him for the financial year 2018-19, subject to ratification by the shareholders of the Company.

In terms of Section 148(3) of the Act, read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the cost auditor, as recommended by the Audit Committee and approved by the Board, is required to be ratified by the shareholders of the Company, at the ensuing AGM of the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the resolution set out in Item No. 3 of this Notice.

The Board, therefore, recommends the ordinary resolution, as set out in item No. 3, for ratification of the remuneration payable to the Cost Auditor by the shareholders of the Company.

Item No. 4 - Increase in the aggregate limit of investment by Non-Resident Indians (NRIs) and Overseas Citizens of India (OCIs) in Equity Share Capital of the Company, etc.

In terms of Foreign Exchange Management Act, 1999, as amended, the Foreign Exchange Management (Transferor Issue of Security by a Person Resident Outside India) Regulations, 2017, as amended (the "FEMA Regulations"), and other applicable law with regard to foreign investment in India by a Non-resident Indians (NRIs) or an Overseas Citizens of India (OCIs) (together with the FEMA Regulations, the "FEMA Laws"), NRIs or an OCIs may purchase or sell Capital Instruments of a listed Indian company on repatriation basis, on a recognised stock exchange in India, subject to the following conditions:

- (1) NRIs or OCIs may purchase and sell Capital Instruments through a branch designated by an Authorised Dealer for the purpose;
- (2) The total holding by any individual NRI or OCI shall not exceed 5 percent of the total paid-up equity capital on a fully diluted basis or should not exceed 5 percent of the paid-up

value of each series of debentures or preference shares or share warrants issued by an Indian company and the total holdings of all NRIs and OCIs put together shall not exceed ten percent of the total paid-up equity capital on a fully diluted basis or shall not exceed ten percent of the paid-up value of each series of debentures or preference shares or share warrants;

Provided that the aggregate ceiling of 10 percent may be raised to 24 percent if a special resolution to that effect is passed by the General Body of the Indian company.

In view of the above, the special resolution is proposed to the members, only to enable the NRIs and OCIs to purchase/hold from time to time, as per the FEMA Regulations, the shares and other capital instruments like preference shares, warrants, debentures, etc., that may be issued by the company. In this regard, the Board of Directors of the Company in their meeting held on 14.08.2018, subject to approval of the shareholders by a special resolution and approvals, if any, of the concerned authorities, decided to raise the aggregate ceiling from 10 percent to 24 percent.

As per FEMA Regulations, 'Non-Resident Indian (NRI)' means an individual resident outside India who is citizen of India and 'Overseas Citizen of India (OCI)' means an individual resident outside India who is registered as an Overseas Citizen of India Cardholder under Section 7(A) of the Citizenship Act, 1955.

As on date, NRIs on repatriation basis are holding 5.01% and NRIs on non-repatriation basis holding 0.50% of the Company's paid-up equity share capital.

None of the Directors or the Key Managerial Personnel ("KMPs") of the Company and / or their relatives is concerned or interested, financially or otherwise, in the proposed resolution.

The Board is of the opinion that the Resolution set out at Item No. 4 of the Notice is in the best interests of the Company and therefore, recommends the same for the approval of the Members.

PROPERTY DEVELOPMENT PROJECTS

CHENNAI

Alpha City Project

The construction of 4,77,000 sq. ft. IT Park has been completed in 2007 and software majors like IBM were Tenants in this building. Company is yet to receive ₹ 20.25 crores from Alpha City IT park. As the IT market pickup and expected revival in occupancy is seen we are hope full to recover the amount during this financial year.

Matrix Towers

The construction of this 1,43,000 sq. ft. IT Park is almost completed. Due to slump in IT space the state of the project has not changed and Company is exploring the market for sale/lease of the balance unsold space of about 8,500 sq. ft. with the recent revival in occupancy. Company entered into an agreement for ₹ 5.24 crores for sale of 8,500 sq. ft., however, the sale deed is not yet registered in the name of the buyer.

Green Acres

Godrej SSPDL Azure Project is a residential apartments project situated at Padur, Kazhipattur Village in Old Mahabalipuram Road (IT Highway), Kancheepuram District.

Project is executed through M/s. Godrej SSPDL Green Acres LLP ("LLP"). M/s. SSPDL Limited, Land owners, and M/s. Godrej Properties Limited have entered into a partnership to develop the above said residential project on profit sharing model on 27.03.2014.

After getting the final approval, project is launched in July, 2015. Total project area is 10,44,156 sq. ft., sold area till date 3,16,541 sq. ft., and unsold area till date is 7,27,615 sq. ft.

SSPDL Lakewood Enclave/Mayfair Apartments

A Residential Villa/Apartment project on a 3.89 Ac plot of land situated at Thalambur Village of Old Mahabalipuram, (IT Express Highway), Chennai. This project is being done in phases. 1st Phase consists of 32 Villas and 2nd phase is 76 apartments i.e., Mayfair Apartments. Layout sanction and planning permissions are received. Both the buildings have been pre-certified GOLD by Indian Green Building Council (IGBC). We are happy to inform that IGBC on inspection of the completed project upgraded the rating to "Platinum" category. Perhaps, this is the only Residential Project

in Tamil Nadu given Platinum rating.

We have already sold 13 Villas and 42 apartments from our share of 18 villas and 42 apartments respectively in the two projects. The Mayfair project is completed and handed over. Construction of Villas in Lakewood is in progress and have unsold area of 11,982 sq. ft. Because of slowdown in project sales in Chennai, the balance villas will be completed soon.

HYDERABAD

The Retreat, Hyderabad (BHEL Employees Cyber Colony) The Company has entered into a letter of Intent with one of the employees union of BHEL for developing 1155 homes in about 90+ acres. We have entered into MOU with BHEL Employees Model Mutually Aided Co-operative House Building Society Ltd on 5th September, 2012 for the total sale value of ₹ 317 Crores.

On our application with HMDA, Company got the sanction for construction of 1265 homes and apartments under EWS and LIG scheme to the extent of 1.25 lakhs sq. feet, besides commercial and common amenities. We also received sanctions from the Village Panchayats of Kollur and Osman Nagar Villages.

Against the above, Company finally concluded sale of 1155 plots to BHEL Employees Model Mutually Aided Co-operative House Building Society Ltd at a sale consideration of ₹ 139.47 crores. And, the Company entered into construction agreement with BHEL Employees Model Mutually Aided Co-operative House Building Society Ltd for construction of 1155 homes for a consideration of ₹ 12.95 lakhs per house (cost is subject to escalation) excluding the taxes.

The construction work is done by six contractors. CB Richard Ellis (CBRE) has been appointed as the Project Management Consultant for overseeing the project execution. 90% of the construction work is completed with regard to 1155 homes and it is expected that by end of September, 2018 it is planned to deliver.

Company has since sold 93% of the balance 110 homes and in advance stage of bulk sale of EWS and LIG apartments and we are expecting that the entire project will be completed in about approx. one years' time.

SSPDL Northwoods

SSPDL Ltd and Indiareit Fund Advisors Pvt. Ltd. through their SPVs have acquired 42 acres in Gundla Pochampally village, Hyderabad to develop a gated residential villa community "SSPDL Northwoods". Land conversion process is completed.

Since, the micro market is not supporting for villa development, doing a layout development for selling the developed plots. The final layout approval is received from the HMDA. Plots bookings to the extent of 100% of the project have been taken. The unsold commercial area is about 5,154.30 sq. yds. The sale is expected to be completed by December, 2018.

Development of Residential Apartments, Chennai:

Company signed a Joint Development Agreement for the development of premium residential apartments in Prithvi Avenue, Chennai. The total area of development is about 14,500 sq. ft., wherein SSPDL's share is 25%. SSPDL's share is equal to approximate sale value of ₹ 8.00 and profit margin of SSPDL is about ₹ 1.86 crores. Building approvals have been received and this project is expected to be completed in about 18 months.

KERALA

The Retreat

The Company has acquired about 300 acres through itself and its subsidiaries, a Cardamom plantation land at Kallar Valley, Idukki

District, Kerala. The Company is planning to use the SPV's for operating a) Villa Development, b) Jungle Resort Development and c) Jungle and Plantation Development.

Plots have been demarcated for sale. Preliminary work with regard to roads has been completed. After receiving the necessary approvals from the authorities plots will be registered in favour of the buyers. Applications are submitted for obtaining the permission for construction of villas.

The Kerala budget had announced and recently Government has relaxed the conditions for housing and resorts. However, after the recent publication of Kasturi Rangan Committee report there has been lot of confusion on the development of the project in the Iddukki District. The Kerala Government has appealed to Government of India, Ministry of Environment to have a relook at the report. Unless that is settled we do not see any scope of commencing the project.

CONSTRUCTION BUSINESS:

Members are aware that, Company has incorporated a Subsidiary Company i.e., SSPDL Infratech Private Limited ("SIPL") for carrying on the Construction Business.

During the year under review, no further contract has been taken in SIPL.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
SSPDL Limited
CIN: L70100TG1994PLC018540
Hyderabad

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by *M/s SSPDL Limited* (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992.

The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') are not applicable to the Company during the year as there no relevant transactions during the audit period :

- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

- (d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- (f) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;

I further report that the Company has complied with the following laws specifically applicable to the Company as declared by the Management of the Company:

- (i) Building and Other Construction Workers' (Regulation of Employment and Conditions of Services) Act, 1996

As regards Real Estate (Regulations and Development) Act, 2016 (Central Act 16 of 2016), The Government of Telangana notified Telangana Real Estate (Regulations and Development) Rules, 2017 vide Order dated August 4th, 2017 according to which the said Rules shall come in to force from the date of their publication in the Telangana Gazette. As per the provisions of the Rules Projects for which building permissions were approved prior to 01.01.2017 by the Competent Authorities are excluded from the applicability of the Rules.

As per the information given and explanations provided by the Company, the Company has only one Ongoing Project and permission for the same has been obtained prior to 01.01.2017. The Company has no other new project/projects which fall within the ambit of Telangana Real Estate (Regulations and Development) Rules, 2017 as on date and hence these Rules are not applicable to the Company for year under review.

I have also examined compliance with the Listing Agreements entered into by the Company with BSE Limited.

The Company has complied with Secretarial Standards Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) as issued by The Institute of Company Secretaries of India during the year under review.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT 2017-18

1. ECONOMY OVERVIEW

Global Economy:

The global economy seems to be leaving the legacy of the global financial crisis of the past decade behind. About half the world's countries are experiencing an increase in growth. This synchronized recovery may lead to even faster growth in the near term. All the consensus forecasts for 2018 and 2019 reflect optimism. And this growth is occurring for the right reasons—investment and trade growth, which had been declining, have risen. The global growth is projected to reach 3.9 percent in 2018 and 2019.

However, words of caution from the experts indicate that this upswing will last only as long as global sentiments remain steady and inflation is kept under control. The protectionist threats cast a dark cloud over future growth. The recently announced and anticipated tariff increases by the United States and retaliatory measures by trading partners have increased the likelihood of escalating and sustained trade actions. These could derail the recovery and depress medium-term growth prospects, both through their direct impact on resource allocation and productivity and by raising uncertainty and taking a toll on investment. If these threats lead to trade wars, the consequences could be devastating. Even if they do not, uncertainty about economic policy dampens investor sentiment. Also, among emerging market and developing economies, growth prospects are becoming more uneven, amid rising oil prices, higher yields in the United States, escalating trade tensions, and market pressures on the currencies of some economies with weaker fundamentals.

Avoiding protectionist measures and finding a cooperative solution that promotes continued growth in goods and services trade remain essential to preserve the global expansion. Policies and reforms should aim at sustaining activity, raising medium-term growth, and enhancing its inclusiveness.

The Indian Economy:

The Indian economy witnessed another challenging year, with Real GDP growth slowing down sharply to 6.6% compared to 7.1% in 2016-17, reflecting the short-term disruptions caused by GST implementation, residual impact of cash crunch and deceleration in net exports.

The long-delayed GST was finally implemented and it will go a long way in improving the business environment in the country. This is the single biggest structural reform in the country that pushes for creation of a unified common market, laying aside the inefficiencies created by different tax incidences in various states.

The government is putting more emphasis on infrastructure development, entrepreneurship and investment, improving the business climate, enhancing productivity and fostering strong and sustainable growth. India continues to progress with wide-ranging policy reforms and initiatives. The result is that the country today presents unprecedented opportunities for global and domestic businesses.

Infrastructure development and 'housing for all' mission have earned considerable appreciation from all corners.

OUTLOOK:

India remains the fastest growing major economy in the world. The pace of GDP growth is expected to gather momentum in the medium term on the back of favourable global economic tailwinds, pick-up in Private Investment and implementation of key policy reforms. As per median estimates, based on the Survey of Professional Forecasters conducted by RBI, GDP is likely to grow by 7.3% in 2018-19.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS:

It comprises four sub-sectors - housing, retail, hospitality, and commercial. Housing sector contributes to about six percent of India's gross domestic product (GDP). The total realty market in the country is expected to touch US\$ 180 billion by 2020. Real estate is a highly fragmented sector with only a few organized players. Now, the presence of large corporations in across the country is increasing.

The real estate market has been going through a phase of massive change. The regulatory reforms implemented through frameworks defined under the Real Estate (Regulation and Development) Act, 2016, and Goods and Services Tax (GST) to an extent, have led the sector in a certain direction. Due to which the sector exhibiting a trend towards greater transparency and becoming more organized.

A demographic trend reveals that India is on the verge of massive urbanization over the next couple of decades. Every year, more than one crore people relocate to urban areas in India and the nation's total urban population is expected to reach about 81 crore by 2050. Availability of low cost credit is driving the demand for housing, policies like, Real Estate (Regulation and Development) Act infuse fresh buyers interest in real estate sector.

The Governments recent thrust on affordable housing through policy measures have resulted in sharp rise in new housing projects in the affordable segment for low income groups. Also, with the recent slew of reforms like GST with a special rate of 8% for affordable housing, tax concessions for affordable housing including 80-IBA of Income Tax Act, Infrastructure status to affordable housing, Pradhan Mantri Awas Yojna (PMAY) (including, Credit Linked Subsidy Scheme (CLSS)), Revision of RBI limit on priority sector etc. have usher more confidence in India's Real Estate Sector and particularly in Affordable Housing.

Demand for the affordable housing is at an all-time historic high, but it's the supply part of the equation that India had trouble with. The growing migration of people to urban areas has overwhelmed infrastructure, pushed up land costs, and led to housing shortages.

Credit Linked Subsidy Scheme (CLSS) – PMAY Impact:

- Private developers can participate in the national mission of housing with the advantage of CLSS,
- The carpet area of houses eligible for subsidy under CLSS has been enhanced from 120 square meters to 160 square

meters for MIG I (Income limit Rs. 12 lakh per annum) and from 150 square meters to 200 square meters for MIG II (Income limit Rs. 18 lakh per annum). This is a big boost to housing in tier 3 and tier 4 towns,

- Interest subsidy of 4% on MIG I and 3% on MIG II translate into savings of more than Rs. 5 lakh to consumers over the life of loan, making housing affordable,

3. OPPORTUNITIES, THREATS / RISKS AND CONCERNS:

Opportunities:

The high urbanisation rate, rising young population base, increasing disposable income levels, rising aspirations and increasing proportion of nuclear families, which influence urban consumption base and subsequent rapid growth of the retail industry, offers huge potential for demand for residential real estate and growth in the retail sector.

The government has taken major policy initiatives to bring about dynamism in the real estate sector which has maximum linkages to other industries after agriculture. These include: Pradhan Mantri Awas Yojana (PMAY), Atal Mission for Rejuvenation and Urban Transformation (AMRUT), Real Estate (Regulation and Development) Act 2016 (RERA), Smart Cities Mission, Affordable Housing, Benami Transactions Act, Real Estate Investment Trusts (REITs), and easing of FDI norms.

Above all will energize and boost the sector and have positive impact in the long run. Also, the initiatives of the government will give impetus to employment opportunities in

real estate sector and the growth of industries ancillary to the real estate sector.

Threats / Risks and Concerns:

Real estate being a cyclical industry and projects have a long gestation period, gets impacted more by the changes in macroeconomic variables like global and country's economy, changes in the market dynamics, availability of capital, interest rate, GDP Growth, employment, purchasing power, inflation, availability of skilled labour, etc., and the same directly impacts the project sales and profitability of the Company.

Execution delay may result in cost overruns and it can cost dearly in the form of higher than expected input cost and higher than anticipated interest burden. Further, such delays also negatively impact the Company's reputation and returns.

Also, intrinsic challenges that hinder growth of the sector and performance of your Company, factors such as high borrowing costs, lack of funding, liquidity issues and slow (and uneven) development of urban infrastructure.

4. SEGMENT WISE PERFORMANCE:

The Company is engaged in construction and development of Commercial, residential properties in metropolitan and Tier II cities and infrastructure projects.

The projects under taken by the Company on its own and through other partners are under various stages of execution and the details of the status of these projects are mentioned in the Directors Report.

5. OUTLOOK

Your company is currently executing housing projects in Hyderabad and Chennai. Considering the past experiences,

your Company primarily focusing on the development of property, mid-size houses, etc. and reduced the construction contracts work. However, on finding better opportunities it will take up and execute the construction contracts. In Hyderabad, the demand scenario is seen to be improving during 2018-19.

Based on the opportunities available in real estate sector, the management being optimistic about the growth in real estate sector, your company will undertake projects suiting the current market requirement.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

Your Company has reasonably sound system of controls in the operational areas. Internal controls are in line with the size of the operations and organizational requirements. Which are adequate to protect the Company's resources. The Audit Committee reviews the adequacy of internal financial control and risk management systems from time to time.

The Company focuses on quality control in its operations and projects. Adhering to quality norms and standards will help minimizing risks and improve the efficiency of operations.

INDEPENDENT AUDITORS' REPORT

To the members of SSPDL Limited

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of SSPDL Limited ('the Company') which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that

give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS, of the financial position of the Company as at 31st March, 2018, and its profit including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Other Matter

The Comparative financial information of the Company for the year ended 31st March, 2017 and transition date opening balance sheet as at 01st April, 2016 included in these standalone Ind AS financial statements, are based on previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended 31st March, 2017 and 31st March, 2016 dated 15th May, 2017 and 28th May, 2016 respectively expressed an unmodified opinion on those standalone financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us. Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the order.
2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

- e) On the basis of the written representations received from the directors as on 31st March, 2018, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure-B"; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements- Refer Note 26(b) to the standalone Ind AS financial statements.
- ii. The Company didn't have any long term contracts including derivative contracts for which there were any foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Re: SSPDL Limited ('the Company')

i. In respect of its fixed assets:

- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) As explained to us, the management has physically verified a substantial portion of the fixed assets during the year and in our opinion frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. The discrepancies noticed on physical verification of fixed assets as compared to the books of account were not material and have been properly dealt with in the books of accounts.
- (c) In our opinion and according to the information and explanations given to us, all the title deeds of immovable properties are held in the name of the Company.
- ii. According to the information and explanations given to us, the inventories have been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on physical verification of inventory as compared to the books of account were not material and have been properly dealt with in the books of accounts.
- iii. According to the information and explanations given to us, the Company has granted unsecured loans to four wholly owned subsidiaries covered in the register maintained under section 189 of the Act.
- (a) The terms and conditions of grant of such loans are, in our opinion prima facie, not prejudicial to interest of the shareholders.
- (b) The said loans are repayable on demand and are interest free.
- (c) There are no overdue on the loans mentioned above.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- v. According to the information and explanations given to us, the Company has not accepted deposits from the public within the meaning of Section 73 and 76 or any other relevant provisions of the Act and the rules framed there under.
- vi. We have broadly reviewed the books of account and records maintained by the Company pursuant to the Rules made by the Central Government of India for the maintenance of cost records prescribed under sub-section (1) of section 148 of the Act in respect of production and processing activities of the Company and are of the opinion that prima facie, the prescribed accounts and records have been maintained. We have however, not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. In respect of Statutory dues:
- (a) The Company is regular in depositing with appropriate authorities, undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, Goods and Service tax, customs duty, value added tax, cess and other material statutory dues applicable to it. The provisions relating to excise duty are not applicable to the Company. According to the information and explanations given to us, no undisputed amounts payable in respect of such statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, the dues outstanding of income-tax, sales-tax, service tax, value added tax and cess on account of dispute, are as follows:

Name of the Statute	Nature of the Dues	Amount ₹In Lakhs	Period to which the amount relates	Forum where dispute is pending
Tamil Nadu General sales Act.	Disallowances of Input tax credit	0.33	2006-07	Supreme court
Tamil Nadu General Sales Act	Disallowances of Input tax credit	1.25	2007-08	Supreme court
Finance Act 1994	Service tax demand	7.53	2006-11	CESTAT, Chennai
Finance Act 1994	Service tax demand	0.19	2010-12	CESTAT, Chennai

- viii. Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Company has not defaulted in the repayment of dues to banks and financial institutions. The Company did not have any debentures outstanding as at the year end.
- ix. Based on the information and explanations given to us by the management, the Company has not raised any moneys by way of initial public offer or further public offer of equity shares, convertible securities and debt securities. During the year Company has taken term loan from PNB Housing Finance Ltd. and it is utilised for the purpose for which it is raised.
- x. Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management, we report that no material fraud, by the Company or on the Company by its officers or employees, has been noticed or reported during the year.
- xi. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.

**Annexure - B to the Our Report of even date on the Standalone Financial Statements of SSPDL Limited
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **SSPDL Limited** (“the Company”) as of 31 March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements for the Financial Year Ended 31.03.2018

1 Corporate Information

SSPDL Limited ("the Company") was incorporated on October 17, 1994. The Company is a leading real estate developer engaged primarily in the business of real estate, property development, construction and other related activities. The company is domiciled in India and listed on BSE Limited (BSE)

2 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended 31 March 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

These financial statements are the first financial statements under Ind AS. Refer note on "First-time adoption of Ind AS" for an explanation of how the transition from previous GAAP to Ind AS has effected financial position, financial performance and cash flows.

ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities measured at fair value.

Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue from rendering service is net of service tax and GST.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met and as per terms of lease agreements.

Revenue from Services

Timing of recognition: Revenue from services is recognised in the accounting period in which the services are rendered.

i) Construction Contracts;

In accordance with AS -7 (Revised), the Company recognizes contract revenue at cost of work performed on the contract plus proportionate margin, using percentage completion method stated on the basis of proportionate cost of work performed to-date, to the total estimated contract costs at the balance sheet date, taking in to account the contractual price and revision thereto. Foreseeable losses are accounted for when they are determined except to the extent they are expected to be recovered through claims presented or to be presented to the customer or in arbitration. Expenditure incurred in respect of additional cost/delays is accounted in the year in which they are incurred. Claims made in respect thereof are accounted as income in the year of receipt of arbitration award or acceptance by client or evidence of acceptance received from the client.

ii) Development Projects;

Revenue from Developing /Constructing properties for all projects commenced on or before March 31, 2012 and where revenue recognition commenced on or before the above date, is recognized in accordance with the provisions of Indian Accounting standard 18 on Revenue Recognition, read with Guidance Note on "Accounting for real estate transactions(for entities to whom Ind AS is applicable)". Revenue is computed based on the "percentage of completion method" and on the percentage of actual project costs incurred thereon to total estimated project cost.

Revenue from Developing /Constructing properties for all projects commenced on or after April 1, 2012 or project where the revenue is recognized for the first time on or after the above date, is recognized in accordance with the Revised Guidance Note issued by the Institute of Chartered Accountants of India ("ICAI") on "Accounting for Real Estate Transactions for entities to whom ind AS is applicable."

As per this Guidance Note, the revenue has been recognized on percentage of completion method provided all of the following conditions are met at the reporting date.

- Required critical approvals for commencement of the project have been obtained,
- At least 25% of estimated construction and development costs (excluding land cost) has been incurred,
- At least 25% of the saleable project area is secured by the Agreements to sell/application forms (containing salient terms of the agreement to sell); and
- At least 10% of the total revenue as per agreement to sell is realized in respect of these agreements.

iii) Real Estate Projects;

Sale of land and plots (including development rights) is recognized in the financial year in which the legal title passes to the buyer. Where the Company has any remaining substantial obligations as per the agreements, revenue is recognized on the percentage of completion method of accounting.

iv) Interest Income;

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

v) Dividend Income;

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

vi) Rental Receipts;

Rent, service receipts, income from forfeiture of properties and interest from customers under agreement to sell is accounted for on accrual basis except in cases where ultimate collection is considered doubtful.

Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Leases**As a lessee**

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

Business combinations

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a business comprises the:

- fair values of the assets transferred;
- liabilities incurred to the former owners of the acquired business;
- equity interests issued by the Group; and
- fair value of any asset or liability resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. The Group recognises any non-controlling interest in the acquired entity on an acquisition-by-acquisition basis either at fair value or at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets.

Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used by the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fairvalue recognised in profit or loss.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date. Any gains or losses arising from such remeasurement are recognised in profit or loss or other comprehensive income, as appropriate.

Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from assets or group of assets (cash generating units). Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call, bank deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

Investments and other financial assets

i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The company reclassifies debt investments when and only when its business model for managing those assets changes.

ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/(losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Investments equity instruments of subsidiaries, associates or joint ventures.

Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS 27 Separate Financial Statements

iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 18 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected life time losses to be recognised from initial recognition of the receivables.

(iv) Derecognition of financial assets

A financial asset is derecognised only when

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Property, Plant and Equipment

Free hold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 01 April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation on tangible assets is provided on pro-rata basis on the straight line method in accordance with useful life estimated by the management which is the same as those prescribed under Schedule II to the Companies Act, 2013. The useful life, residual value and the depreciation method are reviewed atleast at each financial year end.

If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate. Assets costing ₹ 5,000 or less are depreciated in full in the year of acquisition. In respect of additions/deletions, depreciation charge is restricted to the period of use.

The asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains or losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

Intangible assets

i) Goodwill

Goodwill on acquisitions of subsidiary is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold. Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or groups of units are identified at the lowest level at which goodwill is monitored for internal management purposes.

ii) Computer software

Computer software are stated at cost, less accumulated amortisation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

iii) Amortisation methods and periods

The Group amortises intangible assets with a finite useful life using the straight-line method over the following periods:

Computer software - 5 years

iv) Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all of intangible assets recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

Trade and other payables

These amounts represent liabilities for goods and services provided to the entity prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per mutual terms of arrangement from the date of supply. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Borrowings

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other gains/ (losses).

Where the terms of a financial liability are renegotiated and the entity issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognized in profit or loss, which is measured as the difference between the carrying amount of the financial liability and the fair value of the equity instrument issued.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of financial statements for issue, not to demand payment as consequence of the breach.

Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization. Other borrowings costs are expensed in the period in which they are incurred.

Provisions

Provisions for legal claims are recognised when the entity has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contributed Equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Earnings per share

i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company;
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Standards issued but not yet effective

The standard issued, but not yet effective up to the date of issuance of the Company's financial statements is disclosed below. The Company intends to adopt this standard when it becomes effective.

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind ASs which the Company has not applied as they are effective for annual periods beginning on or after April 1, 2018. There are no standards, changes in standards and interpretations that are not in force up to reporting period that the Company expects to have a material impact arising from its application in this financial statements.

Ind AS 115- Revenue from Contracts with customers

Ind AS 115, is effective for periods beginning on or after April 01, 2018. Ind AS 115 sets out the requirements for recognising revenue that apply to all contracts with customers (except for contracts that are within the scope of the Standards on leases, insurance contracts and financial instruments). Ind AS 115 replaces the previous revenue Standards: Ind AS 18 Revenue and Ind AS 11 Construction Contracts, and the related appendices.

The standard establishes a comprehensive framework for determining when to recognise revenue and how much revenue to recognise. Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is transferred to the customer. The core principle in that framework is that a company should recognise revenue to depict the transfer of promised goods or services to the customer in an amount that reflects the fair value of consideration to which the company expects to be entitled in exchange for those goods or services.

The management is in process of quantifying the effect of this standard, however no impact is expected.

Critical estimates and judgements**Revenue and inventories**

The Company recognizes revenue using the percentage of completion method. This requires forecasts to be made of total budgeted cost with the outcomes of underlying construction and service contracts, which require assessments and judgements to be made on changes in work scopes, claims (compensation, rebates etc.) and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making estimates for claims, the Company used the available contractual and historical information

Useful lives of depreciable/ amortisable assets

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses

Measurement of financial assets and financial liabilities

The entity measures its financial assets at amortised cost or fair value through other comprehensive income or fair value through Profit and loss and financial liabilities at amortised cost or fair value through Profit and loss. The determination of such values involve the use of significant assumptions such as the expected life of the financial assets or liabilities, fair value of assets or liabilities on the reporting date depending upon the market conditions, cash flows, Restrictions if any on the transfer. Uncertainty in these estimates may significantly impact the Carrying amount of such financial assets or liabilities. For the purpose of making estimates, the Company used the available contractual and historical information

Provisions, Contingent liabilities and contingent assets

Provisions are measured at the present value of management's best estimate of the outflow of resources required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense. Any changes in the market conditions or the expected time for settlement of the liability results in change in the present value of assets.

Contingent liabilities are disclosed based on the best available information with the company regarding the probability of outflow of resources required to settle the obligation.

First-time adoption of Ind AS**A. Transition to Ind AS**

These are the company's first financial statements prepared in accordance with Ind AS.

The accounting policies set out in Note 2, have been applied in preparing the financial statements for the year ended March 31, 2018, in preparing the comparative information presented in these financial statements for the year ended March 31, 2017 (the Company's date of transition), and in preparing the comparative information presented in these financial statements as at April 01, 2016. An explanation of how the transition from previous GAAP to Ind AS has affected the company's financial position, financial performance and cash flows is set out in the following tables and notes

B Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

Impact of Ind AS adoption on the statements of cash flows for the year ended March 31, 2016

* The adjustments above are on account of reclassification of the previous GAAP numbers to conform to Ind AS presentation requirements.

The following are the optional and mandatory exemption availed by the company while preparation of financials in accordance with indian accounting standards

i) Ind AS optional exemptions

a) Deemed cost for property, plant and equipment, investment property and intangible assets

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets and investment property covered by Ind AS 40 Investment Properties. Accordingly, the Company has elected to measure all of its property, plant and equipment, intangible assets and investment property at their previous GAAP carrying value.

b) Investment

Ind AS 101 permits a first-time adopter to continue previous GAAP carrying value for investment in equity instrument of subsidiaries, associates and joint ventures. Accordingly, the Company has elected to apply the said exemption.

ii) Ind AS Mandatory exemptions

An entity shall apply the following exceptions:

- a) derecognition of financial assets and financial liabilities
- b) hedge accounting
- c) non-controlling interests
- d) classification and measurement of financial assets
- e) impairment of financial assets
- f) embedded derivatives
- g) government loans

(i) Fair value hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. There are no transfers between levels 1 and 2 during the year. The company's policy is to recognise transfers in and transfers out of fair value hierarchy levels as at the end of the reporting period.

The carrying amounts of trade receivables, loans, trade payables and cash and bank balances are considered to be the same as their fair values, due to their short term nature.

The fair values of non-current borrowings are based on discounted cash flows using current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

Financial Risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost	Aging analysis Credit rating	Diversification of bank deposits, credit limits and letter of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - Interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps

The Company's risk management is carried out by the treasury department under policies approved by the Board of Directors. The board provides written principles for overall risk management as well as policies covering specific areas such as interest rate risk, credit risk and investment of excess liquidity.

(A) Credit Risk:

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from operating activities (primarily trade receivables) and from financing activities, including deposits with banks and other financial instruments.

(i) Credit risk management

Credit risk is managed at the company level. The company has low or no credit risk associated to its customers and hence the credit risk is considered at low credit risk category.

(ii) Provision for expected credit losses

The company provides for expected credit loss based on the following:

Category	Description of category	Basis for recognition of expected credit loss provision	
		Loans and deposits	Trade receivables
High quality assets, low credit risk	Assets where there is low risk of default and where the counter party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past.	12-month expected credit losses	Life time expected credit losses
Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debt or declaring bankruptcy or failing to engage in a payment plan with the Company. The company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 180 days past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.	Asset is written off	

Year ended March 31, 2018:

(a) Expected credit loss for loans, security deposits and investments

SSPDL LIMITED

CONSOLIDATED FINANCIAL STATEMENTS AS ON 31ST MARCH, 2018

INDEPENDENT AUDITORS' REPORT

To the members of SSPDL Limited

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of **SSPDL Limited** ('the Holding Company'), its subsidiary (the Holding Company and its subsidiary together referred to as the Group), and its associates, comprising of the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows, the Consolidated Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015, as amended.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and associate, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group and its associate as at 31st March, 2018, their consolidated profit including other comprehensive income, their consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

Other Matters

The Comparative financial information of the company for the year ended 31st March, 2017 and transition date opening balance sheet as at 01st April, 2016 included in these consolidated Ind AS financial statements, are based on previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended 31st March, 2017 and 31st March, 2016 dated 15th May, 2017 and 28th May, 2016 respectively expressed an unmodified opinion on those consolidated financial statements, as adjusted for the differences in the accounting principles adopted by the company on transition to the Ind AS, which have been audited by us.

We did not audit the financial statements and other financial information in respect of five subsidiaries whose Ind AS financial statements reflect total assets (net) of Rs. 3,858.84 lakhs as at March 31, 2018, total revenues of Rs 292.02 lakhs and net cash flows amounting to "NIL" for the year ended on that date, as considered in the consolidated Ind AS financial statements. The consolidated Ind AS financial statements also include group share of net Loss of Rs.130.98 lakhs for the year ended March 31, 2018, as considered in the financial statements, in respect of one associate whose financial statements have not been audited by us. These financial statements and other financial information are audited by other auditors, whose financial statements, other financial information and auditor's reports have been furnished to us. Our opinion on the consolidated Ind

AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associate, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries and associate, is based solely on the reports of such other auditors.

Our opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries and joint ventures, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- a) We/the other auditors whose reports we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated Ind AS financial statements.
- b) In our opinion, proper books of account as required by law, relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and reports of other auditors.
- c) The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Statement of Cash Flows and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015, as amended;
- e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies and

associate incorporated in India, none of the directors of the Group's companies and associate incorporated in India is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act

- f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements of the Holding Company and its associate incorporated in India refer to our separate report in "Annexure-A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries and associate, as noted in the 'Other matter' paragraph:
 - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and associate - Refer Note 26(b) to the financial statements.
 - ii. The Group and associate did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding company, its subsidiaries and associate incorporated in India during the year ended 31 March 2018.

Annexure - A to the Our Report of even date on the Consolidated Financial Statements of SSPDL Limited Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SSPDL Limited ("the Holding Company"), its subsidiary companies and associate company, which are companies incorporated in India, as of 31 March 2018 in conjunction with our audit of the Consolidated Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies and its associate company which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Holding Company, its subsidiary companies and its associate company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors of the subsidiary companies and associate company, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company, its subsidiary companies and its associate company, which are companies incorporated in India

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is

a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors referred to in the Other Matters paragraph below, the Parent, its subsidiary companies, its joint operation companies, its associate companies and joint ventures, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to five subsidiary companies and one associate company, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

Notes to Consolidated Financial Statements for the Financial Year ended 31.03.2018

1 Corporate Information

SSPDL Limited ("The Holding Company") was incorporated on October 17, 1994. The company together with its subsidiaries and associates ("The Group") is a leading real estate developer engaged primarily in the business of real estate, property development, construction and other related activities. The group is domiciled in India. SSPDL limited is listed on BSE Limited (BSE)

2 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

(i) Compliance with Ind AS

The consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The consolidated financial statements up to year ended 31 March 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

These consolidated financial statements are the first consolidated financial statements under Ind AS. Refer note on "First-time adoption of Ind AS" for an explanation of how the transition from previous GAAP to Ind AS has effected financial position, financial performance and cash flows.

(ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities measured at fair value.

(iii) Basis for consolidation

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. The Group can have power over the investee even if it owns less than majority voting rights i.e. rights arising from other contractual arrangements. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. Statement of profit and loss (including other comprehensive income ('OCI')) of subsidiaries acquired or disposed of during the period are recognized from the effective date of acquisition, or up to the effective date of disposal, as applicable.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses.

Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

All the subsidiaries of the company are wholly owned subsidiaries and hence there are no non-controlling interests.

Investment in entities in which there exists significant influence but not a controlling interest are accounted for under the equity method i.e. the investment is initially recorded at cost, identifying any goodwill arising at the time of acquisition, as the case may be, which will be inherent in investment. The carrying amount of the investment is adjusted thereafter for the post acquisition changes in the share of net assets of the investee, adjusted where necessary to ensure consistency with the accounting policies of the Group. The consolidated statement of profit and loss (including the other comprehensive income) includes the Group's share of the results of the operations of the investee. Dividends received or receivable from associate ventures are recognized as a reduction in the carrying amount of the investment. The Group discontinues the use of equity method from the date when investment ceases to be an associate.

The company has not entered into any joint ventures as on reporting date.

Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue from rendering service is net of service tax and GST.

Revenue is recognised when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met and as per terms of lease agreements.

Revenue from Services

Timing of recognition: Revenue from services is recognised in the accounting period in which the services are rendered.

i) Construction Contracts;

In accordance with Indian accounting standard 11 (Revised), the group recognizes contract revenue at cost of work performed on the contract plus proportionate margin, using percentage completion method stated on the basis of proportionate cost of work performed to-date, to the total estimated contract costs at the balance sheet date, taking in to account the contractual price and revision thereto. Foreseeable losses are accounted for when they are determined except to the extent they are expected to be recovered through claims presented or to be presented to the customer or in arbitration. Expenditure incurred in respect of additional cost/delays is accounted in the year in which they are incurred. Claims made in respect thereof are accounted as income in the year of receipt of arbitration award or acceptance by client or evidence of acceptance received from the client.

ii) Development Projects;

Revenue from Developing /Constructing properties for all projects commenced on or before March 31, 2012 and where revenue recognition commenced on or before the above date, is recognized in accordance with the provisions of Indian Accounting standard 18 on Revenue Recognition, read with Guidance Note on "Accounting for real estate transactions(for entities to whom Ind AS is applicable)". Revenue is computed based on the "percentage of completion method" and on the percentage of actual project costs incurred thereon to total estimated project cost.

Revenue from Developing /Constructing properties for all projects commenced on or after April 1, 2012 or project where the revenue is recognized for the first time on or after the above date, is recognized in accordance with the Revised Guidance Note issued by the Institute of Chartered Accountants of India ("ICAI") on "Accounting for Real Estate Transactions for entities to whom ind AS is applicable."

As per this Guidance Note, the revenue has been recognized on percentage of completion method provided all of the following conditions are met at the reporting date.

- Required critical approvals for commencement of the project have been obtained,
- At least 25% of estimated construction and development costs (excluding land cost) has been incurred,
- At least 25% of the saleable project area is secured by the Agreements to sell/application forms (containing salient terms of the agreement to sell); and
- At least 10% of the total revenue as per agreement to sell is realized in respect of these agreements.

iii) Real Estate Projects;

Sale of land and plots (including development rights) is recognized in the financial year in which the legal title passes to the buyer. In case of any remaining substantial obligations as per the agreements, revenue is recognized on the percentage of completion method of accounting.

iv) Interest Income;

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

v) Dividend Income;

Dividend income is recognized when the group's right to receive dividend is established by the reporting date.

vi) Rental Receipts;

Rent, service receipts, income from forfeiture of properties and interest from customers under agreement to sell is accounted for on accrual basis except in cases where ultimate collection is considered doubtful.

Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the group operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Leases

As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

Business combinations

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a business comprises the:

- fair values of the assets transferred;
- liabilities incurred to the former owners of the acquired business;
- equity interests issued by the Group; and
- fair value of any asset or liability resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. The Group recognises any non-controlling interest in the acquired entity on an acquisition-by-acquisition basis either at fair value or at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets.

Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used by the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fairvalue recognised in profit or loss.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date. Any gains or losses arising from such remeasurement are recognised in profit or loss or other comprehensive income, as appropriate.

Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from assets or group of assets (cash generating units). Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call, bank deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

Investments and other financial assets

(i) Classification

The group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The group reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement

At initial recognition, the group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Investments equity instruments of subsidiaries, associates or joint ventures.

Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS 27 Separate consolidated financial statements

(iii) Impairment of financial assets

The group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected life time losses to be recognised from initial recognition of the receivables.

(iv) Derecognition of financial assets

A financial asset is derecognised only when

- the group has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but

assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the group has not retained control of the financial asset. Where the group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

Property, plant and equipment

Free hold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind AS

On transition to Ind AS, the group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 01 April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation on tangible assets is provided on pro-rata basis on the straight line method in accordance with useful life estimated by the management which is the same as those prescribed under Schedule II to the Companies Act, 2013. The useful life, residual value and the depreciation method are reviewed atleast at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

Assets costing Rs. 5,000 or less are depreciated in full in the year of acquisition. In respect of additions/deletions, depreciation charge is restricted to the period of use.

The asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains or losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

Intangible assets**(i) Goodwill**

Goodwill on acquisitions of subsidiary is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold. Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or groups of units are identified at the lowest level at which goodwill is monitored for internal management purposes.

(ii) Computer software

Computer software are stated at cost, less accumulated amortisation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

(iii) Amortisation methods and periods

The Group amortises intangible assets with a finite useful life using the straight-line method over the following periods:

Computer software - 5 years

(iv) Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all of intangible assets recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

Trade and other payables

These amounts represent liabilities for goods and services provided to the entity prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per mutual terms of arrangement from the date of supply. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Borrowings

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other gains/ (losses).

Where the terms of a financial liability are renegotiated and the entity issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognized in profit or loss, which is measured as the difference between the carrying amount of the financial liability and the fair value of the equity instrument issued.

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of consolidated financial statements for issue, not to demand payment as consequence of the breach.

Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization. Other borrowings costs are expensed in the period in which they are incurred.

Provisions

Provisions for legal claims are recognised when the entity has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contributed Equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Earnings per share**(i) Basic earnings per share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the group;
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Standards issued but not yet effective

The standard issued, but not yet effective up to the date of issuance of the group's consolidated financial statements is disclosed below. The group intends to adopt this standard when it becomes effective.

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind ASs which the group has not applied as they are effective for annual periods beginning on or after April 1, 2018. There are no standards, changes in standards and interpretations that are not in force up to reporting period that the group expects to have a material impact arising from its application in this consolidated financial statements.

IndAS 115- Revenue from Contracts with customers

Ind AS 115, is effective for periods beginning on or after April 01, 2018. Ind AS 115 sets out the requirements for recognising revenue that apply to all contracts with customers (except for contracts that are within the scope of the Standards on leases, insurance contracts and financial instruments). Ind AS 115 replaces the previous revenue Standards: Ind AS 18 Revenue and Ind AS 11 Construction Contracts, and the related appendices.

The standard establishes a comprehensive framework for determining when to recognise revenue and how much revenue to recognise. Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is transferred to the customer. The core principle in that framework is that a group should recognise revenue to depict the transfer of promised goods or services to the customer in an amount that reflects the fair value of consideration to which the group expects to be entitled in exchange for those goods or services.

The management is in process of quantifying the effect of this standard, however no impact is expected.

Critical estimates and judgements

Revenue and inventories

The group recognizes revenue using the percentage of completion method. This requires forecasts to be made of total budgeted cost with the outcomes of underlying construction and service contracts, which require assessments and judgements to be made on changes in work scopes, claims (compensation, rebates etc.) and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making estimates for claims, the group used the available contractual and historical information

Useful lives of depreciable/ amortisable assets

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses

Measurement of financial assets and financial liabilities

The entity measures its financial assets at amortised cost or fair value through other comprehensive income or fair value through Profit and loss and financial liabilities at amortised cost or fair value through Profit and loss. The determination of such values involve the use of significant assumptions such as the expected life of the financial assets or liabilities, fair value of assets or liabilities on the reporting date depending upon the market conditions, cash flows, Restrictions if any on the transfer. Uncertainty in these estimates may significantly impact the Carrying amount of such financial assets or liabilities. For the purpose of making estimates, the group used the available contractual and historical information

Provisions, Contingent liabilities and contingent assets

Provisions are measured at the present value of management's best estimate of the outflow of resources required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense. Any changes in the market conditions or the expected time for settlement of the liability results in change in the present value of assets.

Contingent liabilities are disclosed based on the best available information with the group regarding the probability of outflow of resources required to settle the obligation.

Impact of Ind AS adoption on the statements of cash flows for the year ended March 31, 2016

* The adjustments above are on account of reclassification of the previous GAAP numbers to conform to Ind AS presentation requirements.

The following are the optional and mandatory exemption availed by the company while preparation of financials in accordance with indian accounting standards

i) Ind AS optional exemptions**a) Deemed cost for property, plant and equipment, investment property and intangible assets**

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets and investment property covered by Ind AS 40 Investment Properties. Accordingly, the Company has elected to measure all of its property, plant and equipment, intangible assets and investment property at their previous GAAP carrying value.

b) Investment

Ind AS 101 permits a first-time adopter to continue previous GAAP carrying value for investment in equity instrument of subsidiaries, associates and joint ventures. Accordingly, the Company has elected to apply the said exemption.

ii) Ind AS Mandatory exemptions

An entity shall apply the following exceptions:

- a) derecognition of financial assets and financial liabilities
- b) hedge accounting
- c) non-controlling interests
- d) classification and measurement of financial assets
- e) impairment of financial assets
- f) embedded derivatives
- g) government loans

(i) Fair value hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. There are no transfers between levels 1 and 2 during the year. The company's policy is to recognise transfers in and transfers out of fair value hierarchy levels as at the end of the reporting period.

The carrying amounts of trade receivables, loans, trade payables and cash and bank balances are considered to be the same as their fair values, due to their short term nature.

The fair values of non-current borrowings are based on discounted cash flows using current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

Financial Risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost	Aging analysis Credit rating	Diversification of bank deposits, credit limits and letter of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - Interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps

The Company's risk management is carried out by the treasury department under policies approved by the Board of Directors. The board provides written principles for overall risk management as well as policies covering specific areas such as interest rate risk, credit risk and investment of excess liquidity.

(A) Credit Risk:

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from operating activities (primarily trade receivables) and from financing activities, including deposits with banks and other financial instruments.

(i) Credit risk management

Credit risk is managed at the company level. The company has low or no credit risk associated to its customers and hence the credit risk is considered at low credit risk category.

(ii) Provision for expected credit losses

The company provides for expected credit loss based on the following:

Category	Description of category	Basis for recognition of expected credit loss provision		
		Loans and deposits	Trade receivables	
High quality assets, low credit risk	Assets where there is low risk of default and where the counter party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past.	12-month expected credit losses	Life time expected credit losses	
Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debt or declaring bankruptcy or failing to engage in a payment plan with the Company. The company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 180 days past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.			Asset is written off

Year ended March 31, 2018:

(a) Expected credit loss for loans, security deposits and investments

Expected credit loss (loss allowance provision)	-	-	-	-
Carrying amount of trade receivables (net of impairment)	419,076,957	-	-	419,076,957

During the period, the company made no write offs of trade receivables, it does not expect to receive future cash flows or recoveries from collection of cash flows previously written off.

(B) Liquidity Risk:

Liquidity risk is the risk that the company will encounter difficulty in meeting its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stresses conditions without incurring unacceptable losses or risking damage to the Company's reputation.

The Company has lines of credit from group company and also from banks. The company believes that these facilities are sufficient to meet its funds requirements. Accordingly, no liquidity risk is perceived.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Floating Rate	31 March, 2018	31 March, 2017
- Expiring within one year	11,641,422	7,135,860
- Expiring beyond one year	80,426,581	27,481,464

(ii) Maturities of financial liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- all non derivative financial liabilities, and
 - net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flow
- The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Capital Management

Risk management

The Company's objective when managing capital are to:

1. Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
2. Maintain an optimal capital structure to reduce the cost of capital

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debts.

Consistent with others in the industry, the group monitors capital on the basis of the following gearing ratio:
