CHAIRMAN STATEMENT

Dear Shareholders,

At the outset, let me thank you for your support and for being a valuable part of the Cupid family. Let me take you through the financial and operating highlights of the year gone past.

Fiscal 2015-16 has by far been the most eventful year for your Company. We registered one of the best financial performances for the company in its history as well as bolstered our readiness to exploit opportunities in the global condoms industry. The total revenues grew 39.1% to INR 628.05 million in FY 2015-16 from INR 451.42 million in FY 2014-15. This performance came on the back of increased shipments both for the female as well as male condoms. From a business standpoint, the revenues are equally distributed between female and male condoms. The female condom business has

seen a robust growth in this fiscal largely on account of new institutional orders and this impacted our EBITDA and PAT positively. While the EBITDA registered a 99.3% growth to move from INR 135.34 million in FY 2014-15 to INR 269.74 million in FY 2015-16, the Net Profits also showed a 106.7% increase to close at INR 159.33 million. This translates to an EBITDA Margin at 42.9% for FY 2015-16 as against 30.0% in FY 2014-15. We exported to about 26 countries and our exports contribution to overall sales was 77% at the end of year.

Operationally, the capacity utilization increased from 52.0% in the FY 2014-15 to 64.0% in FY 2015-16. This is expected to improve further in the coming year as the pipeline of orders gives us the required confidence. During the year, the Company also took the task of upgrading its facility as to improve overall levels of productivity. In addition, a new range of product called water based lubricant jelly was launched. Requisite approvals from the Indian authorities have been received and we expect this business to start generating revenue from FY 2016-17. We also continued our efforts in research and development activity as to develop new value added products for widening our offerings Both for institutional and direct consumer.

As you are aware, the Company also entered into an agreement with National Department of Health(NDOH), Government of South Africa through our agents for supply of female condoms worth USD 16.3 million (INR equivalent of approximately 1,032.2 million). The execution for this order is already underway and we expect to complete the same by fiscal 2018-19. Besides this order, the South Africa and other Sub Sahara African countries are of strategic importance for the business. This country has the biggest HIV epidemic in the world, with an estimated 6.8 million people living with HIV in 2013. It was also estimated according to a survey that HIV prevalence among women was nearly twice as high as men.

We also remain positive on our business in the entire Sub-Saharan region which accounts for close to 70% of the global HIV population, the HIV prevalence is still extremely high in some countries. With these factors, we see a good business opportunity for male as well as female condoms and this is one of the key reasons why the Company's strategy is centred around Sub-Saharan region for future growth. We are also looking at inclusive growth in the region. Fiscal 2015-16 was a stellar year with our share in ex-south Africa female condom business increasing from 8% in 2014-15 to over 25% in 2015-16.

The Company has signed a non-exclusive long term agreement with United Nations Population Fund (UNFPA) for period of 3 years on 10th March 2016 to supply female condoms and for period of 8th March 2016 to 31st July 2016 to supply male condoms, Company is expecting for renewal upon its expiry. UNFPA is a front running organization addressing HIV, adolescent and unintended pregnancies program. This partnership is a step in the right direction to increase access to HIV-related services for young people, women and girls, including those living with HIV. We hope to cement this relationship further and ensure that social interests get married with business commitments. Overall, FY16 was a progressive year for us, and we believe we are on the right trajectory to move towards the next orbit of growth.

The global contraceptives market size is poised to touch USD 33.6 billion in revenue by 2023. Despite the general increase in trends of condom use, there still exists a substantial gap in access to condoms for a large percentage of the population. This dichotomy highlights the important opportunities for strengthening demand and supply of condoms and the Company is well prepared to address it.

I also take the opportunity to acknowledge your feedback regarding the need for a formal investor relations setup. Based on your feedback, we have initiated a formal investor relations program for the company effective first quarter of fiscal 2017. The objective of this program is to enhance our communication efforts and disclosures that are important for investors taking an informed decision on the Company.

The building blocks for the next level of growth has been laid. Events to watch as we moved ahead include approval from UNFPA for CUPID 2 Female condoms which could be a key trigger for the new markets. The other trigger would be the response to water based lubricant jellies that are poised for a mass-market debut.

I would like to thank you once again for reposing your faith and trust in us. I also take the opportunity to thank all the employees of company for their dedicated service towards Company's growth.

BEST REGARDS,

OMPRAKASH GARG
Chairman and Managing Director

DIRECTORS' REPORT

To,

The Members,

The Board of Directors is pleased to present herewith the 23rd Annual Report of your Company together with the Audited Accounts for the year ended 31st March, 2016(FY16). The Management Discussion and Analysis has been annexed to the Directors Report.

FINANCIAL RESULTS

The highlights of financial results of the company are as follows: -

(₹ in lacs)

Particulars	For the financial year 2016 (FY16)	For the financial year 2015 (FY15)
Operating Revenues / Turnover	6,280.47	4,514.19
Profit before Depreciation & Amortization, Finance charges	2,697.43	1,352.90
Depreciation & Amortization	192.99	183.21
Finance Charges	21.47	26.05
Profit / (Loss) before tax	2,482.97	1,143.64
Provision for taxation (incl. deferred tax)	889.68	372.83
Profit / (Loss) after tax	1,593.29	770.81

During the period under review, the Company registered an uptick of 39% in the operating revenues from ₹ 4,514.19 lac in FY15 to ₹ 6,280.47 lac in FY16. This performance was largely driven by ramp up in the institutional business both for the male as well as female condoms. In the total operating revenues, the male condoms contributed about 51% in value terms as against 49% for the female condoms. From a business nature perspective, the contract manufacturing business contributed close to 20% in overall sales.

From the margins standpoint, we expanded our EBITDA margins from 30.0% in FY15 to 42.9% in FY16. This is based on an absolute EBITDA increase of 99% from ₹ 1,353.4 lac to ₹ 2,697.4 lac in FY16. The expansion in the EBITDA performance was led by increased contribution from female condoms business which attract relatively higher margins than the male condoms. At the net profit level, we closed this financial year with a net profit of ₹ 1,593.29 lac as against ₹ 770.81 lac in the previous year which is an increase of 107%.

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMY OUTLOOK

Although the global financial crisis is behind us by many years, the world's economy is still gradually gaining momentum. From 2015 perspective, the growth continues to falter in advanced economies and, while there was considerable divergence of performance across emerging market and developing economies, their overall growth remains potential yet slow. According to the World Bank, the World economy is projected to expand at 2.4 percent in 2016, roughly at the same pace as the last year. India on the other side continues to remain a bright spot in the World. The economic growth is projected to remain strong, hovering around 7.5%. Private consumption will be boosted by expected large increases in public wages and declining inflation. It also continues to be the preferred choice for manufacturing of low cost quality products. The Country is inching up on competitive manufacturing and is forecast to become second only to China by 2018. With government taking multiple initiatives, India will soon be poised to counter China's manufacturing edge through the introduction of policy and labour reforms, investment incentives, and improvements to the country's transportation and power supply networks.

INDUSTRY DEMAND SCENARIO

According to latest report by Global Market Insights, Inc., the global contraceptives Market size is poised to touch USD 33.6 billion in revenue by 2023. This growth will largely factor the increasing number of government initiatives in order to curb unwanted pregnancies as well as sexually transmitted infections(STIs). It is currently estimated at USD 19.8 billion and is projected to increase at 6.8% CAGR over the coming years. Growing need for population control and increasing incidence of STDs are two of the key drivers of this industry.

Condoms which is one of the important component of the industry, is a critical component in a comprehensive and sustainable approach to the prevention of HIV and other STIs and are effective for preventing unintended pregnancies. According to UNAIDS statistics 2015:

- Since 2000, 38.1 million people have become infected with HIV and 25.3 million people have died of AIDS-related illnesses.
- In 2014, an estimated 36.9 million people were living with HIV (including 2.6 million children) – a global HIV prevalence of 0.8%. The vast majority of this number live in low- and middle- income countries.
- In the same year, 1.2 million people died of AIDS-related illnesses.
- 25.8 million people living with HIV are in sub-Saharan Africa, accounting for 70.0% of the global total.
- Only 54% of all people living with HIV know that they have the virus.

Number of People living with HIV Worldwide

Figure 2 Number of People living with HIV (Source: UNAIDS, 2015)

Distribution of condoms has also been shown to reduce rates of HIV and other STIs in sex workers and men who have sex with men. In India and Thailand increased condom distribution to sex workers and their clients in combination with other prevention interventions were associated with reductions of transmission of both HIV and other STIs. Zimbabwe and South Africa are two high-prevalence countries where increased condom use was found to contribute to reductions in spread of HIV.

The Demand for Condoms in Male and Female Category

Although the volumes of condoms used year on year is growing, there exists a gap between the potential use and current use of condoms. This underlines an important opportunity for increasing supply of condoms. It is estimated that the global market for male condoms would touch USD 9.3 billion by the year 2020 (Source: *Global Industry Analyst Inc.*). While the male condoms market would demonstrate a growth from annual 27 billion units to 42 billion units, the female condom market would also expand from the current annual 100 million units to about 340 million units by 2020. (Source: *Industry sources*).

Some key pointers for growth

- Increasing population in the developing Asia Pacific (APAC) industries including China as well as India is anticipated to enhance contraceptive drugs and devices demand in the coming years.
- North America, with the U.S. contraceptives market share dominating demand, grabbed more than 30.0% of global revenue in 2015, followed by Asia Pacific, Europe, Latin America (LATAM) and MEA (Middle East and Africa).
- Increasing child bearing population of women is expected to drive market growth throughout the forecast period.
- Implementation of a number of regulatory initiatives and campaigns such as free distributions of samples in LATAM has led to the development of the contraceptive market in this region.
- The increasing occurrence of HIV in Africa has led to programmes by UN (UNAIDS), public and private funding agencies and other NGOs across the globe to focus on providing better and reliable methods of contraception

COMPANY REVIEW

As Cupid, we started its journey in 1993. Today, we represent India in the Global male and female condom market as one of the leading suppliers of quality male and female condoms. We have one of the largest manufacturing facilities and an in-house Research and Development Centre and we were the first company in India and the second one in the World to have been pre-qualified by WHO/UNFPA for worldwide public distribution of female condoms. With the introduction of female condoms, we aligned our capacities and thus our annual male condom capacity moved from 400 million pieces to 325 million pieces and upto 20 million pieces for female condoms. From a manufacturing capability viewpoint, we conform to global standards and best quality practices. As a testimony to our quality systems, we are WHO-GMP approved along with certifications from ISO standards such as 9001:2008, 13485:2003, 14001:2004, CE-0434, prequalification from UNFPA, SABS Mark, USFDA_510k for male condoms amongst others. Today, we export to over 26 countries and derive around 77.0% of our revenues from our export business. We have long term supply contracts with our customers and with our continued focus on quality, execution and timely delivery, we hope to build upon our business on the burgeoning opportunities in the market.

During the fiscal year 2016, we registered a growth of 39.1% in the total revenues from INR 4,514.2 lacs in FY 15 to INR 6,280.5 lacs in FY16. The increase in sales was largely on account of sales in new territories as well as uptick in the revenue from our contract manufacturing business. The contract manufacturing sales contributed close to 20.0% in the overall revenues. Out of the total sales achieved, the male condoms contributed close to 51.0% while the remaining sales came from our female condoms category. At the EBITDA level, we registered a 99.3% growth to improve our EBITDA from INR 1,353.4 lac in FY 15 to INR 2,697.4 lac in FY16. This translates to an EBITDA Margin at 42.9% for FY16 as against 30.0% in FY15. The Net Profit stood at INR 1,593.3 Lacs for FY16 as compared to INR 770.8 Lac in the previous financial year, an increase of 106.7%. This is by far the best financial performance the company has shown in its history. The Board of Directors have also paid 30% dividend during the financial year.

During the year, we also signed a non-exclusive long term agreement with United Nations Population Fund (UNFPA) for supplying female condoms over the next 3 years. In addition, we also received order worth USD 16.3 million (INR ~10,322 lac equivalent) for female condoms from National department of Health (NDOH), South Africa (Through agents) during last financial year. The execution from this agreement is already underway and will complete through fiscal 2018-19. We also improved our capacity utilization from 52.0% in the FY15 to 64.0% in this fiscal. We have also successfully upgraded our testing and sealing facility as to improve productivity and quality.

OUTLOOK

We would continue our focus on the opportunities that we see in the industry and our strategy towards future would largely bank upon the following key areas:

- i. Enter new geographies such as South America, Eastern Europe and CIS countries
- ii. Add new value added products to the basket and expand capacity and add different types of female condoms
- iii. Brand Promotion: To initiate Cupid brand promotion program to promote Cupid Male & Cupid Female condoms in India and abroad
- iv. Cupid would continue to spread the awareness and promotion of both Male & Female Condoms on the social media, like Facebook & twitter and also to expand the sale of its product online.

As we enter to the new fiscal, we are well poised to grow and find opportunities for us. We would continue to focus on women health and wellness areas and we believe that the market has enough opportunities for resourceful business players like Cupid for growth and expansion.

INDEPENDENT AUDITOR'S REPORT

To the Members of

CUPID LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **CUPID LIMITED (" the Company ")** which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the (Standalone) Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its Profit/Loss and its Cash Flow for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the " **Annexure A** " a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that : -
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “ **Annexure B** ”.
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us : -

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2016 we have audited the internal financial controls over financial reporting of CUPIDLimited (“the Company”) which is a Company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that : -

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Accompanying notes to the financial statements for the Year Ended 31st March, 2016

SIGNIFICANT ACCOUNTING POLICIES

1. General Information

Cupid Limited ('the Company') is a public company domiciled and incorporated in name of Cupid Rubber Limited in the state of Maharashtra on 17th February, 1993. The name was subsequently changed to Cupid Condom Limited with effect from 8th December, 2003 and further change to Cupid Limited with effect from 2nd January, 2006 as per permission affirmation by Central Government. The Company received the Certificate of Commencement of Business on 20th February, 1993.

The main object of Company on incorporation was to carry on business of dealing, marketing and manufacture of rubber contraceptives and allied prophylactic products. Later on main object of Company have been appended with obligatory permissions to entered into Diamonds, Gold, Silver and other allied precious products international or domestic trading/manufacturing/connected business segments.

2. Significant Accounting Policies

a) Basis of Preparation of Financial Statements

The financial statements are prepared and presented under the historical cost convention, on the accrual basis of accounting and in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the accounting Standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 (' the Act ') / The Companies Act 1956 as applicable.

The Classification of assets and liabilities of the Companies into current or non – current is based on the criterion specified in the Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

b) Use of estimates

The preparation of financial statements are in conformity with generally accepted accounting principles in India (Indian GAAP) requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

c) Fixed Tangible Assets / Intangible Assets

Fixed Assets are stated on original cost less accumulated depreciation. The total cost of assets comprises its purchase price, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the working condition for its intended use. Assets costing less than or equal to Rs. 5,000 are treated as company revenue expenditures or else depreciated fully in the year of purchase.

Intangible assets are recognized if it is probable that the future economic benefits that are attributable to the assets will flow to the Company and cost of the assets can be measured reliably.

d) Depreciation & Amortization

On Tangible Assets :-

The Company has provided depreciation on basis of useful lives as prescribed in Schedule II of the Companies Act, 2013 consequent to schedule II becoming applicable w. e. f. 01st April 2014.

On Intangible Assets :-

Intangible Assets are amortized on Straight Line Method over the useful life, based on the economic benefits that would be derived, as per the estimates made by the management, computer software to be written off over a period of three years.

e) Impairment of Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset or a group of assets (cash generating unit) may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset or a group of assets. The recoverable amount of the asset (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Value in use is the present value of estimated future cash flow expected to arise from the continuing use of the assets and from its disposal at the end of its useful life.

Accompanying notes to the financial statements for the Year Ended 31st March, 2016

If at the Balance Sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

f) Inventories

All Inventories are always valued at lower of Total Cost or Net Realizable Value. Basis of determination of cost as follows:-

Items	Methodology of Valuation
Raw materials, components, stores and spares, Trading goods, and Packing Materials	Cost is determined on FIFO cost method. Materials and other items held for use in the production of inventories are not written down below cost, if the finished products in which they will be incorporated are expected to be sold at or above cost.
Work-in-progress and finished goods	Cost includes direct materials and labor and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes provision for excise duty if applicable.
Goods in Transits if any have been valued inclusive of custom duty.	
Net Realizable Value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sales.	

g) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sales of goods: Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer. Sales are stated net of trade discount, duties and sales tax as applicable.

Interest incomes: Interest income is recognized on time proportion basis.

Other Incomes: Export incentive, income from investment and other service income are accounted on accrual basis.

h) Investments :

Investments are classified under Non-current and current categories, as applicable are carried at cost of acquisition

i) Foreign Currency Transactions

Initial recognition: Foreign currency transactions are recorded in the reporting currency which is Indian Rupee, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion : Monetary assets and liabilities in foreign currency, which are outstanding as at the year-end, are translated at the year-end at the closing exchange rate and the resultant exchange differences are recognized in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

Exchange Differences : Exchange differences arising on the settlement of monetary items or on reporting monetary items of the Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

j) Retirement and Other Employee Benefits

Short term employee benefits: All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period. Benefits such as salaries and wages, etc. and the paid or expected cost of the incentives / miscellaneous welfare compensations / bonus / ex-gratia are recognised in the period in which the employee renders the related service.

Long term Post employment employee benefits: Company's periodical makes contribution to several vital funds and employee benefits insurances schemes its cost has been charged to the Statement of Profit and Loss of the year where such contributions to the respective funds are due or on accrual basis.

Such contribution are to the Employee's Provident fund Scheme, 1952 govern by regional provident funds commissioner, Maharashtra whereby Company's employee are obligation towards pension and retirement benefits are covered. Further the Company's liability towards gratuity of eligible employees is administered by Life Insurance Corporation of India under its Employees Group Gratuity Scheme and annual premium paid by the Company.

In addition certain employee benefits insurances schemes whereby Company's uncertain risk cost is covered by annual premium paid are been paid by the Company have been charged on accrual basis.

Accompanying notes to the financial statements for the Year Ended 31st March, 2016

k) Leases

Any applicable assets taken under leases, where the company assumes substantially all the risks and rewards of Ownership are classified as Finance Leases. Such assets are capitalized at the inception of the lease at the lower of fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on outstanding liability for each period.

Assets taken under leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term as applicable.

l) Taxation

Income-tax expense if any comprises current tax, deferred tax charge or credit, minimum alternative tax (MAT).

Current tax : Provision for current tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the prevailing tax laws.

Deferred tax : Deferred tax liability or asset is recognized for timing differences between the profits/losses offered for income tax and profits/losses as per the financial statements. Deferred tax assets and liabilities are measured using the current ongoing tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. Deferred tax asset is recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax asset is recognized only if there is a virtual certainty of realization of such asset. Deferred tax asset is reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realized.

Minimum alternative tax : Minimum alternative tax (MAT) obligation in accordance with the tax laws, which give rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax during the specified period. Accordingly, it is recognized as an asset in the Balance Sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably.

m) Borrowing Cost

Borrowing costs if any to the extent related/attribution to the acquisition/construction of assets that takes substantial period of time to get ready for their intended use are capitalized along with the respective fixed asset up to the date such asset is ready for use. Other borrowing costs are charged to the Statement of Profit and Loss.

n) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated after adjusting effects of potential equity shares (PES). PES are those shares which will convert into equity shares at a later stage. Profit / loss is adjusted by the expenses incurred on such PES. Adjusted profit/loss is divided by the weighted average number of ordinary plus potential equity shares.

o) Provisions and Contingencies

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of future events not wholly within the control of the Company.

When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

p) Exports Benefits

Consumption of raw material is arrived after deducting export benefits accrued such as refund of duty and duty draw back as per exim policy in the year of such exports.
