MANAGEMENT'S DISCUSSION & ANALYSIS REPORT**INDUSTRY STRUCTURE & DEVELOPMENT**

In India's agriculture sector, fertilizers play an important role and accounts for about a seventh of the country's GDP. Demand for fertilizer has been soft and shrinking international prices saw imports rise. Another challenge the industry faces is delayed subsidy payments from the government. The budget allocation on decontrolled fertilizers (P&K) has been reduced. Put together, these challenges are putting a strain on the working capital of fertilizer companies.

OPPORTUNITIES

Fertilizer industry's have increased in last two years. The volume growth during FY16-17 has been driven by low opening inventory levels compared with the prevs and low base effect and was supported by moderate growth in the domestic production of urea and higher import for non-urea fertilizers.

THREATS

The challenges before the Indian fertilizer industry relate to the incertitude in the supply of fertilizers. The robust growth in consumption propensity has not been met with the required surge in fertilizer production. This has widened the gap between the demand and supply of fertilizers, which has led to an increase in the dependence of the country on imports. This also reflects on the lack of realizing of the domestic capacity utilization of the reserves in the country. The environmental damage caused by the inappropriate use of fertilizers is certainly a matter of serious concern in many states. The net result has been an overall increase in fertilizer prices, with neither the government benefiting due to subsidy reduction nor the farmer benefiting, as fertilizer prices more than doubled in the last four years. While rationalizing fertilizer subsidy across nutrients may be the short-term and immediate solution to the problem, the need of the hour is to have a policy framework that incentivizes domestic production of fertilizers.

OUTLOOK

GOI has approved the New Urea Policy effective over next four financial years. The policy has multiple objectives of maximizing indigenous production of Urea and promoting energy efficiency. In order to enhance the use efficiency of Urea, Government had also mandated to produce 75% of domestic Urea as neem coated, so that farmers are benefited.

RISKS AND CONCERNS

The growth trajectory of the Indian fertilizer industry have camouflaged the impending challenges with which it is faced. Adverse Agro climatic conditions can impact the performance of the company. Scanty rains because of monsoon failures which affect the industry. Fertilizer marketing is undergoing a sea change in the emerging scenario in the view of entry of new players and competitors.

INTERNAL CONTROL

The company's internal control/supervisory system is established to ensure that the board and management are able to achieve their business objectives in a prudent manner, safeguarding the interest of company's shareholders and other stakeholders whilst minimizing the key risk such as fraud, misleading financial statements, breach of legal and contractual obligations, unauthorized business activities.

HUMAN RESOURCES

Your company follows a strategy of attracting and retaining the best talent and keep employees engaged, motivated and innovative. The company continues to have cordial relations with its employees and provide personnel development opportunities for all round exposure to them.

FINANCIAL AND OPERATIONAL PERFORMANCE

Financial and operational performance forms part of the Annual Report and is presented elsewhere in the report.

DISCLOSURE OF ACCOUNTING TREATMENT

The Company has complied all the requirement of Accounting standard applicable to the Company and during the year company has not changed any accounting policies.

CAUTIONARY STATEMENT

Statements in the Management Discussions and Analysis Report and Board's Report describing the Company's objectives, expectations, or predictions may be forward looking within the meaning of applicable laws and regulations. Actual results may differ materially from those expressed or implied. Important factors that could influence the Company's operations include competition, government policies and regulations.

Independent Auditors' Report on Financial Statements

To the Members of ARUNJYOTHI BIO VENTURES LIMITED.**Report on the financial Statements**

We have audited the accompanying standalone financial statements of ARUNJYOTHI BIO VENTURES LIMITED ('the Company'), which comprise the balance sheet as at 31st March 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Managements Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are Free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures

selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its Profit and its cash flows for the ended on that date.

ARUNJYOTI BIO VENTURES LIMITED

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF ARUNJYOTHI BIO VENTURES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ARUNJYOTHI BIO VENTURES LIMITED (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my / our audit. We conducted my / our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and

their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

ARUNJYOTI BIO VENTURES LIMITED

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Notes to Financial Statements

1. Significant Accounting Policies

a. Basis of preparation of Financial Statements

The accompanying financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention, on the basis of a going concern basis, while revenue, expenses, assets and Liabilities accounted/recognized on accrual basis. GAAP comprises mandatory accounting as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI) Accounting policies are consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Management evaluates all recently issued or revised accounting standards on an ongoing basis.

b. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the required amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

c. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured.

d. Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation. Cost comprises the purchase price, freight, duties, taxes and any attributable cost of bringing the asset to its working condition for its intended use.

e. Depreciation

Depreciation on fixed assets has been provided on straight-line method based on useful life of asset specified in Schedule II of the Companies Act, 2013 on pro-rata basis.

ARUNJYOTI BIO VENTURES LIMITED

f. Borrowing costs:

Borrowing costs that are directly attributable to the acquisition or the construction of a qualifying asset is capitalized for the period until the asset is ready for its intended use. A qualifying asset is one that necessarily takes substantial period of time i.e more than 12 months to get ready for intended use. All other borrowing costs are charged to revenues.

g. Income Tax

i. Current tax :

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

ii. Deferred tax :

Deferred income taxes is recognized, subject to the consideration of prudence on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Where the Company has carry forward of unabsorbed depreciation or tax losses deferred tax assets are recognized only if it is virtually certain backed by convincing evidence that such deferred tax assets can be realized against future taxable profits.

h. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

i. Provisions

A Provision is recognized when the Company has a present obligation as a result of past event i.e it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

ARUNJYOTI BIO VENTURES LIMITED

j. Cash Flow Statement:

Cash Flow Statement has been prepared under indirect method as per the Accounting Standard-3 “Cash Flow Statement” .

k. Cash and cash equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.
