DIRECTORS' REPORT & STATE OF AFFAIRS REPORT

To,
The Members,
Libord Securities Limited

Your Directors have pleasure in presenting the 25th Annual Report along with the Audited Accounts of the Company for the year ended 31st March, 2019.

1. FINANCIAL PERFORMANCE

A summary of the financial performance of your Company for the financial year ended 31.3.2019, is as under: (₹ in Lacs)

| Particulars | Standalone | |
|--|------------|---------|
| | 2018-19 | 2017-18 |
| Income from Operations (net) | 44.07 | 57.41 |
| Profit before Interest & Depreciation | 10.85 | 30.20 |
| Financial Cost | 0.01 | - |
| Depreciation | 1.56 | 0.81 |
| Profit Before Taxes | 9.28 | 29.39 |
| Deferred Tax | (0.07) | 0.05 |
| Provision for Taxation | 2.50 | 7.75 |
| Short/Excess Provision Written Back | (0.04) | 0.18 |
| Profit after Taxation (PAT) | 6.89 | 21.41 |
| Profit transferred to the Profit & Loss Account under Reserves & Surplus | 6.89 | 21.41 |

2. REVIEW OF OPERATIONS

The income from operations during the year was Rs. 44.07 lakhs (Previous Year Rs. 57.41 lakhs). The Company's turnover has decreased by about 23.24% largely due to decrease in consultancy income. The gross profits before tax have decreased from Rs. 29.39 lakhs to Rs. 9.28 lakhs due to decrease in the level of operations.

3. OUTLOOK & PROSPECTS

Global economic activity has been losing pace after a somewhat improved performance in the first quarter of the year 2019, reflecting further slowdown in trade and manufacturing activity including many emerging market economies (EMEs). During the year, we have seen increased volatility in crude oil prices, weakening global demand and geo-political concerns. Inflation remains below target in several economies, though it has shown an uptick since March. Financial markets were largely impacted by uncertainties surrounding US-China trade negotiations and Brexit. Equity markets in most EMEs also are reported to have lost steam due to the waning risk appetite on rising geo-political uncertainties and weakening global trade prospects.

On the domestic front, the GDP growth for 2018-19 has been estimated at 6.8 per cent year-on-year basis as per data released by the National Statistical Office (NSO) marked by a downward revision in private final consumption expenditure (PFCE) and moderation in exports. However, the overall slowdown in growth was cushioned by a large increase in government final consumption expenditure (GFCE). Growth in eight core industries decelerated sharply in April, pulled down largely by coal, crude oil, fertilisers and cement. High frequency indicators suggest moderation in activity in the service sector. The PMI services index moderated to 50.2 in May on subdued growth of new businesses.

The Reserve Bank of India has revised the estimates for the GDP growth for 2019-20 downwards from 7.2 per cent in the April policy to 7.0 per cent in the bi-monthly monetary policy resolution of June 2019 and has observed that domestic investment activity has weakened and overall demand has been weighed down partly by slowing exports. Weak global demand due to escalation in trade wars may further impact India's exports and investment activity. Further, private consumption, especially in rural areas, has weakened in recent months. However, on the positive side, credit flows from banks to large industries strengthened. Based on early results of the Reserve Bank's order books, inventory and capacity utilisation survey (OBICUS), capacity utilisation (CU) in the manufacturing sector improved to 77 per cent in last quarter of the year. Further, political stability, high capacity utilisation, the uptick in business expectations in the second quarter of the current year, and higher financial flows to the commercial sector augur well for investment activity. Your Company sees improved prospects for growth opportunities in the current fiscal.

4. SHARE CAPITAL

There was no change in the Authorised share capital of the Company during the year under review. The paid-up Equity Share capital remained at Rs. 500 lakhs comprising of 50 lakh Equity shares of Rs. 10/- each as on March 31, 2019. The Company has not issued shares with differential voting rights nor granted stock options nor sweat equity.

5. DIVIDEND

Your Directors do not recommend any dividend for the current year under review in order to conserve resources. A sum of Rs. 6.89 lakhs has been transferred to the Profit & Loss Account under Reserves & Surplus.

6. FIXED DEPOSITS

Your Company has not accepted any deposits within the meaning of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014.

7. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an Internal Control System, commensurate with the size and nature of its operations. During the year, controls were tested and no material weakness in design and operation were observed. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorised use, executing transactions with proper authorisation and ensuring compliance of corporate policies.

8. DIRECTORS & KEY MANAGERIAL PERSONNEL

There was no change in the composition of the Board of Directors of the Company during the year. In accordance with the provisions of the Companies Act, 2013, Mr. Nawal Agrawal (DIN 01753155), Director of the Company, will be retiring by rotation at this Annual General Meeting and is eligible for re-appointment. Dr. (Mrs.) Vandna Dangi (DIN 0886496), Director of the Company, will be retiring by rotation at this Annual General Meeting and is eligible for re-appointment.

9. CORPORATE GOVERNANCE AND MANAGEMENT DISCUSSION & ANALYSIS

As per The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 effective from 1st December, 2015, the compliance with the corporate governance provisions as specified in regulations 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V are not mandatorily required to be complied by a Company whose paid-up share capital does not exceed Rs. 10 crores and net worth does not exceed Rs. 25 crores as at the last day of the previous Financial Year.

Considering that the Company's paid-up equity share capital was less than Rs. 10.00 Crore and the Net Worth was less than Rs. 25 Crore as at 31.3.2018, compliance with the provisions mentioned aforesaid are not mandatory for the Company.

10. NUMBER OF THE MEETINGS OF THE BOARD OF DIRECTORS

During the year there were five (5) Board Meetings held on 29.05.2018, 7.08.2018, 29.10.2018, 13.02.2019 and 25.02.2019. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

11. DECLARATION GIVEN BY INDEPENDENT DIRECTORS

As per the requirement of Section 149 (7) of the Companies Act, 2013, the Independent Directors have given their respective declarations that they meet the criteria of independence as specified under Section 149 (6) of the Act.

12. REMUNERATION POLICY

Based on the recommendation of the Nomination & Remuneration Committee, the Board of Directors have approved and adopted a Remuneration policy for Directors, Key Managerial Personnel and other employees of the Company under section 178 (3) of the Companies Act, 2013. The remuneration policy is displayed on the website of the Company http://libord.com/Securities/InvestorRelations.aspx?Inv_Rel_Id=92.

13. CODE OF CONDUCT

The Code of Conduct for the Board of Directors and the Senior Management has been adopted by the Company. The Code of Conduct has been disclosed on the website of the company at www.libord.com.

14. SUBSIDIARY COMPANIES / ASSOCIATE COMPANIES

The Company does not have any Subsidiary Company or Associate Company as defined under the provisions of the Companies Act, 2013. Hence Statement of Salient Features of the Financial Statement of Subsidiaries & Associate Companies pursuant to first proviso to sub-section (3) of Section 129 of the Companies Act, 2013 read with rule 5 of the Companies (Accounts) Rules, 2014 (AOC1) is not applicable and does not form part of this report.

15. VIGIL MECHANISM / WHISTLE BLOWER POLICY

The Company has adopted a Whistle Blower Policy to report to the Management instances of unethical behavior, actual or suspected, fraud or violation of the Company's code of conduct or ethics policy. Under this policy, the employees can approach the Company's Compliance Officer and/or Chairman of the Audit Committee. Whistle Blower Policy ensures that strict confidentiality is maintained whilst dealing with concerns and also that no discrimination be meted out to any person for a genuinely raised concern. The Whistle Blower Policy of the Company is posted on the website of the Company.

16. PREVENTION OF INSIDER TRADING

The Company has adopted a Code of Conduct for Prevention of Insider Trading with a view to regulate trading in securities by the Directors and designated employees of the Company. SECRETARIAL AUDIT REPORT

(For the Financial year ended 31st March, 2019)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Libord Securities Limited
 104, M.K. Bhavan,
 300 Shahid Bhagat Singh Road,
 Mumbai 400001

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Libord Securities Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering financial year ended on 31st March, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

- I. We have examined the books, papers, minute books, forms and returns filed and other records maintained by Libord Securities Limited for the financial year ended on 31st March, 2019 according to the provisions of:
 - i. The Companies Act, 2013 (the Act) and the Rules made thereunder;
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
 - iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company :-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

INDEPENDENT AUDITORS' REPORT

To
The Members of
Libord Securities Limited

Report on the audit of the Standalone Ind AS Financial Statements**Opinion**

We have audited the Standalone Ind AS financial statements of Libord Securities Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019 and the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provision of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon. There are no other key audit matters and we do not provide a separate opinion on these matters.

Responsibility of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position except as stated otherwise.
 - ii) The Company does not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii) There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund. The question of delay in transferring such sums does not arise.

Annexure B referred to in paragraph 2 (f) of the section on “report on other legal and regulatory requirements” of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

To the Members of Libord Securities Limited.

We have audited the internal financial controls over financial reporting of Libord Securities Limited (“the Company”) as of March 31, 2019 which is based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) (the COSO 2013 criteria) in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established under the COSO 2013 criteria, which considers the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting in COSO 2013 criteria, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

Note 1 – CORPORATE INFORMATION: Libord Securities Limited (“the Company”) is a limited Company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE), in India. The registered office of the Company is situated at 104, M.K. Bhavan, 300, Shahid Bhagat Singh Road, Fort, Mumbai- 400001.

The Company is engaged in the business of Financial Services. The financial statements of the Company for the year ended March 31, 2019 were approved and adopted by board of directors in their meeting held on 27.05.2019

Note 2 – BASIS OF PREPARATION:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS).

The Financial Statements have been prepared on going concern basis and on an accrual method of accounting using historical cost convention except for certain financial assets and liabilities, which are measured at fair value/amortised cost.

The financial statements are presented in Indian Rupees which is the Company’s functional and presentation currency and all values are rounded to the nearest Rupee, except when otherwise indicated.

Note 3 – SIGNIFICANT ACCOUNTING POLICIES:

3.1 Property, Plant and Equipment:

Property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, borrowing cost and any cost directly attributable to the bringing the assets to its working condition for its intended use. Depreciation on the property, plant and equipment is provided using straight line method over the useful life of assets as specified in schedule II to the Companies Act, 2013. Depreciation on property, plant and equipment which are added / disposed off during the year, is provided on pro-rata basis with reference to the date of addition / deletion. The assets’ residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate.

3.2 Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above,

3.3 Impairment of assets:

An asset is considered as impaired when at the date of Balance Sheet, there are indications of impairment and the carrying amount of the asset, or where applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the statement of profit and loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

3.4 Financial Assets – initial recognition, subsequent measurement and impairment:

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

Financial assets - Subsequent measurement: For the purpose of subsequent measurement, financial assets are classified in two broad categories:-

a) Financial assets at fair value

b) Financial assets at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income)

A financial asset that meets the following two conditions is measured at amortised cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

a) Business model test: The objective of the Company’s business model is to hold the financial asset to collect the contractual cash flow.

b) Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

a) Business model test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial assets.

b) Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

All other financial asset is measured at fair value through profit or loss.

Financial assets - Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company’s statement of financial position) when:

a) The rights to receive cash flows from the asset have expired, or

b) The Company has transferred its rights to receive cash flow from the asset.

3.5 Provisions, Contingent Liabilities, Contingent Assets and Commitments:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

can be made of the amount of the obligation. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

3.6 Revenue recognition and other income:

All expenses and income to the extent payable or receivable respectively are accounted for on accrual basis.

3.7 Employee Benefits:

Defined Benefit Plans: The present value of the obligation under such plan, is determined based on an actuarial valuation using the Projected unit Credit Method. Actuarial gains and losses arising on such valuation are recognized immediately in the Profit & Loss Account. In Case of funded defined benefit plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans, to recognize the obligation on net basis.

3.8 Taxes on Income:

Income tax expense represents the sum of current tax and deferred tax. Tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income, in such cases the tax is also recognised directly in equity or in other comprehensive income. Any subsequent change in direct tax on items initially recognised in equity or other comprehensive income is also recognised in equity or other comprehensive income.

Current tax provision is computed for income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

3.9 Earnings per share:

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity and potential equity shares outstanding during the year. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

3.10 Current and non-current classification:

The Company presents assets and liabilities in statement of financial position based on current/non-current classification. The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA. An asset is classified as current when it is: a) Expected to be realised or intended to be sold or consumed in normal operating cycle, b) Held primarily for the purpose of trading, c) Expected to be realised within twelve months after the reporting period, or d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when it is: a) Expected to be settled in normal operating cycle, b) Held primarily for the purpose of trading, c) Due to be settled within twelve months after the reporting period, or d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities, if any, are classified as non-current. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle

3.11 Fair value measurement:

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy.

3.12 Off-setting financial Instrument:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable rights to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable rights must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.

34.2 Fair Valuation techniques used to determine fair value

The Company maintains procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- i) Fair value of trade receivable, cash and cash equivalents, other bank balances, trade payables, loans, borrowings, deposits and other financial assets and liabilities are approximate at their carrying amounts largely due to the short-term maturities of these instruments.
- ii) The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.
- iii) Fair values of quoted financial instruments are derived from quoted market prices in active markets.

34.3 Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques:-

- i) Level 1 :- Quoted prices in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

- ii) Level 2 :- Inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the Group specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.
- iii) Level 3 :- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The following table provides hierarchy of the fair value measurement of Company's asset and liabilities, grouped into Level 1 (Quoted prices in active markets), Level 2 (Significant observable inputs) and Level 3 (Significant unobservable inputs) as described below:

(Currency : Indian Rupee)

| Particulars | March 31, 2019 | | |

Note 35 - Financial Risk Management

The Company is exposed to market risk, credit risk and liquidity risk. Risk management is carried out by the company under policies approved by the board of directors. This Risk management plan defines how risks associated with the Company will be identified, analysed, and managed. It outlines how risk management activities will be performed, recorded, and monitored by the Company. The basic objective of risk management plan is to implement an integrated risk management approach to ensure all significant areas of risks are identified, understood and effectively managed, to promote a shared vision of risk management and encourage discussion on risks at all levels of the organization to provide a clear understanding of risk/benefit trade-offs, to deploy appropriate risk management methodologies and tools for use in identifying, assessing, managing and reporting on risks, and to determine the appropriate balance between cost and control of risk and deploy appropriate resources to manage/optimize key risks. Activities are developed to provide feedback to management and other interested parties (e.g. Audit committee, Board etc.). The results of these activities ensure that risk management plan is effective in the long term.

Note 36 - The Company is engaged primarily in the business of Financial Services and accordingly there are no separate reportable segments dealing with Segment Reporting. The Company's business is not subject to seasonal variation.

Note 37 - Figure of previous quarter/year have been regrouped/rearranged wherever necessary.
