DIRECTORS' REPORT & STATE OF AFFAIRS REPORT

To,
The Members,
Libord Securities Limited.

Your Directors have pleasure in presenting the 28th Annual Report along with the Audited Accounts of the Company for the year ended March 31, 2022.

1. FINANCIAL PERFORMANCE

A summary of the financial performance of your Company for the financial year ended March 31, 2022, is as under:

Particulars	(Rs. in Lakhs)	
	2021-22	2020-21
Total Income	22.12	18.43
Profit before Finance Cost & Depreciation	2.34	2.02
Financial Cost	0.01	-
Depreciation	0.06	1.53
Profit Before Taxes	2.27	0.49
Current Tax	0.49	0.36
Earlier Year Tax Expenses	(0.35)	(0.15)
Deferred Tax	0.09	(0.23)
Profit after Taxation (PAT)	2.04	0.51
Profit transferred to the Profit & Loss Account under Reserves & Surplus	2.04	0.51
Total Comprehensive Income	4.64	1.70

2. REVIEW OF OPERATIONS

The total income during the year was Rs. 22.12 lakhs (Previous Year Rs. 18.43 lakhs). The Company's turnover has increased by about 20.02% on account of better business environment. The gross profits before tax have increased from Rs. 0.49 lakhs to Rs. 2.27 lakhs due to improvement in operational efficiency.

3. OUTLOOK & PROSPECTS

The Global economy continued to be affected by Covid19 pandemic and its repeated waves in the year 2021-22 which disrupted the economic activities amid challenges and uncertainty about the post-Covid19 world. Indian economy has registered a sustained recovery since the second half of the financial year 2021-22 even as the second wave of the pandemic in April-June 2021 proved to be more severe from health perspective. The GDP growth rate was at 8.7 per cent in the year 2021-22 which was even higher than the pre-pandemic (2019-20) level. According to the Economic Survey, the GDP is estimated to grow in the range of 8.0 - 8.5 percent in the current fiscal.

The government has given economic stimulus and a wide array of relaxations to the corporate sector. In particular, the MSME sector has been given a bundle of incentives to cope up with the Covid19 exigencies. The monsoons are expected to be normal and this may help in moderating food inflation. The vaccination coverage is expected to expand which may give boost to the contact intensive services in the urban sector. The Government has been making efforts to upgrade or equip the medical infrastructure.

Besides the Production Linked Scheme (PLI) may improve capacity utilisation rate in the manufacturing sector giving rise to employment as well as incomes of the people. The RBI's focus may have changed towards keeping inflation within tolerable limit yet it has not completely let go its accommodative policy stance which is considered as favourable for the outlook of Indian Economy. The outlook for India has been projected as positive by most rating agencies and leading brokerages.

4. SHARE CAPITAL

There was no change in the share capital of the Company during the year under review. The paid-up equity share capital remained at Rs. 500 lakhs comprising of 50 lakh Equity shares of Rs. 10/- each as on March 31, 2022. The Company has not issued shares with differential voting rights nor granted stock options nor sweat equity.

5. DIVIDEND

Your Directors do not recommend any dividend for the current year under review in order to conserve resources. A sum of Rs. 2.04 lakhs have been transferred to the Profit & Loss Account under Reserves & Surplus.

6. DEPOSITS

Your Company has not accepted any deposits within the meaning of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014.

7. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an Internal Control System, commensurate with the size and nature of its operations. During the year, controls were tested and no material weakness in design and operation were observed. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorised use, executing transactions with proper authorisation and ensuring compliance of corporate policies.

8. MAINTENANCE OF COST RECORDS

The Maintenance of Cost Records pursuant to Section 148(1) of the Companies Act, 2013 is not required by the Company and accordingly such accounts and records are not made and maintained by the Company.

9. DIRECTORS & KEY MANAGERIAL PERSONNEL

In accordance with the provisions of the Companies Act, 2013, Mrs. Vandna Dangi (DIN 00886496), Director of the Company, will be retiring by rotation at the ensuing Annual General Meeting of the Company and being eligible, has offered herself for reappointment. The Board recommends her reappointment as a Director. During the year, Mr. Vinit Agrawal has been relieved from the post of Chief Executive Officer of the Company w.e.f. October 18, 2021. Further, Mr. Mukesh Purohit has been relieved from the post of Company Secretary and Compliance Officer of the Company w.e.f. October 18, 2021 and Ms. Nisha Joly Machingal has been appointed as Company Secretary and Compliance Officer w.e.f. December 1, 2021. Mr. Raj Nandan Kumar was appointed as Chief Executive Officer of the Company w.e.f. January 19, 2022 and was relieved w.e.f. April 7, 2022.

10. CORPORATE GOVERNANCE AND MANAGEMENT DISCUSSION & ANALYSIS

As per the Securities and Exchange Board of India (LODR) Regulations, 2015, the compliance with the corporate governance provisions as specified in regulations 17, 17A, 18, 19, 20, 21, 22, 23, 24, 24A, 25, 26, 27 and clauses (b) to (i) and (t) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V are not applicable to the Company as its paid-up share capital does not exceed Rs.10 crores and net worth does not exceed Rs. 25 crores as at the last day of the previous Financial Year.

11. NUMBER OF THE MEETINGS OF THE BOARD OF DIRECTORS

During the year there were Six (6) Board Meetings held on May 20, 2021, August 5, 2021, October 18, 2021, November 29, 2021, January 18, 2022 and February 4, 2022. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

12. DECLARATION GIVEN BY INDEPENDENT DIRECTORS

ANNEXURE I
Form No. MR-3
Secretarial Audit Report

(For the Financial year ended March 31, 2022)

(Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members,
Libord Securities Limited
104, M.K. Bhavan,
300 Shahid Bhagat Singh Road,
Fort Market, Mumbai 400001

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Libord Securities Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering financial year ended on 31st March, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

- I. We have examined the books, papers, minute books, forms and returns filed and other records maintained by Libord Securities Limited for the financial year ended on 31st March, 2022 according to the provisions of:
 - i. The Companies Act, 2013 (the Act) and the Rules made thereunder;
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
 - iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company: -
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not applicable to the Company during the audit period)
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not applicable to the Company during the audit period)
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the audit period)
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the audit period); and
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during the audit period)
 - vi. We further report that:
 - a. We have examined compliance with the applicable regulations of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
 - b. We have also examined compliance of Secretarial Standards issued by The Institute of Company Secretaries of India, with respect to board and general meetings.
 - c. As per the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the compliance with the corporate governance provisions as specified in regulations 17, 17A, 18, 19, 20, 21, 22, 23, 24, 24A, 25, 26, 27 and clause (b) to (i) and (t) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V are not mandatorily required to be complied by a Company whose paid up share capital does not exceed Rs. 10 crores and net worth does not exceed Rs. 25 crores. Hence, the said corporate governance provisions are not applicable to the company as the paid up capital is less than Rs. 10 crores and net worth is also less than Rs. 25 crores.

II. During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

III. We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. No changes in the composition of the Board of Directors took place during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes, the decisions at the Board Meetings were taken unanimously.

We further report that as per the explanations given to us and the representations made by the Management and relied upon by us, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there were no specific events/actions having a major bearing on the Company's affairs in pursuance of the laws, rules, regulations, guidelines, standards, etc. referred to above.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Libord Securities Limited (“the Company”) is a public limited Company domiciled and incorporated in India and its shares are listed on the Bombay Stock Exchange (BSE), in India. The registered office of the Company is situated at 104, M.K. Bhavan, 300, Shahid Bhagat Singh Road, Fort Mumbai- 400001. The Company is engaged in the business of Financial Services.

OPPORTUNITIES AND THREATS

The Indian economy is finally showing signs of recovery, as the country reels out of the nation-wide lockdown gradually and cautiously. The government of India has announced several measures during the various unlock phases in order to sustain the economy from the perils of a sudden knock down by the covid19 pandemic. The biggest toll of the second wave is in terms of a demand shock - loss of mobility, discretionary spending and rising unemployment, besides inventory accumulation. The geopolitical tensions have aggravated inflationary pressures and have adversely affected India’s trade balance. However, the monsoons are expected to be normal and this may help in moderating food inflations. Further, the vaccination coverage is expected to expand which may give boost to the contact intensive services in the urban sector. Besides, the Production Linked Scheme (PLI) may improve capacity utilisation rate in the manufacturing sector giving rise to employment as well as incomes of the people.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company operates in single business segment and the Company is engaged in the business of Financial Services. As the Company is only in one line of business, product wise disclosure of performance is not required to be made.

OUTLOOK

The Company is fairly optimistic in its outlook for the year 2022-23. The Economy is expected to achieve a steady rate of growth and the Company aims at maximizing the shareholders’ wealth amidst more favourable business conditions emerging therein. A detailed analysis of the outlook is given in Clause No. 3 of Directors’ Report.

RISKS AND AREAS OF CONCERN

The Company is providing financial, corporate and management consultancy and undertakes wide spectrum of activities and therefore has a well-diversified portfolio of services provided. The Company has undertaken suitable measures for the development and implementation of a risk management policy including identification of elements of risk, if any, which in the opinion of the Board may threaten the existence of the Company. At present the Company has not identified any element of risk which may threaten the existence of the Company.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an Internal Control System, commensurate with the size and nature of its operations. During the year, controls were tested and no material weakness in design and operation were observed. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorised use, executing transactions with proper authorisation and ensuring compliance of corporate policies.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The details of the financial performance with respect to operational performance for the Financial Year 2021-22 are discussed in the Directors’ report and notes to the Financial Statements forming part of this Annual Report.

HUMAN RESOURCE DEVELOPMENT

The Company regards its human resources as amongst its most valuable assets and proactively reviews policies and processes by creating a work environment that encourages initiative, provides challenges and opportunities and recognizes the performance and potential of its employees attracting and retaining the best manpower available by providing high degree of motivation. Your Company believes in trust, transparency & teamwork to improve employee’s productivity at all levels.

DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

The details of significant changes in the applicable key financial ratios are given in the Notes to the Financial statements.

DISCLOSURE OF ACCOUNTING TREATMENT

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The details of accounting treatment are given in Significant Accounting policies at Note no. 1 to 3 of the Financial Statements.

INDEPENDENT AUDITOR'S REPORT

To
The Members of Libord Securities Limited

Report on the audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS financial statements of **Libord Securities Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provision of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2022. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters in our audit of the Company for the year ended March 31, 2022.

Fair Value of Investment

The Company's investments (other than investment in Group Companies) are measured at fair value at each reporting date.

Auditor's Response

We have assessed the Company's process to compute the fair value of various investments. For quoted instruments we have independently obtained market quotations and the fair valuation thereof.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report (including annexures), but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations which would impact its financial position except as stated otherwise.
 - ii) The Company does not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii) There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund. The question of delay in transferring such sums does not arise.
 - iv) According to the information and explanations given by the management and to the best of our belief we report that:
 - (a) No funds have been advanced or loaned or invested by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.
 - (b) No funds have been received by the company from any person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that such company whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (Ultimate Beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.
 - (c) Based on the audit procedure performed, we report that nothing has come to our notice that has caused us to believe that the representation given under sub-clause (a) & (b) by the management contains any material mis-statement.
 - (d) The Company has not declared and paid any dividend during the year.

Annexure B referred to in paragraph 2 (f) of the section on "Report on Other Legal and Regulatory Requirements" of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

**To
The Members of Libord Securities Limited**

We have audited the internal financial controls over financial reporting of Libord Securities Limited ("the Company") as of March 31, 2022 which is based on criteria established in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) (the COSO 2013 criteria) in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established under the COSO 2013 criteria, which considers the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting in COSO 2013 criteria, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note 1 CORPORATE INFORMATION:

Libord Securities Limited ("the Company") is a limited Company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE), in India. The registered office of the Company is situated at 104, M.K. Bhavan, 300, Shahid Bhagat Singh Road, Fort, Mumbai- 400001.

The Company is engaged in the business of Financial Services. The financial statements of the Company for the year ended March 31, 2022 were approved and adopted by board of directors in their meeting held on May 23, 2022.

Note 2 BASIS OF PREPARATION AND PRESENTATION:**Note 2.1 Basis of Preparation:**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and applicable provisions read with Section 133 of the Companies Act, 2013 (the "Act").

The Financial Statements have been prepared on going concern basis and on an accrual method of accounting using historical cost convention except for certain financial assets and liabilities, which are measured at fair value/amortised cost at the end of each reporting period as explained in accounting policies below.

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division II of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

The financial statements are presented in Indian Rupees in hundreds rounded off to two decimal places as permitted by Schedule III of the Act which is the Company's functional and presentation currency, except when otherwise indicated.

Note 2.2 Significant Accounting Judgements, Estimates and Assumptions:

The preparation of the Financial Statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year.

Accounting estimates could change from period to period. The estimates and judgements used are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Revision to accounting estimates are recognised prospectively. The management believes that the estimates used in the preparation of Financial Statements are prudent and reasonable.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of: fair valuation of unquoted equity investments, impairment of financial instruments, impairment of property, plant & equipment, useful lives of property, plant & equipment, provisions and contingent liabilities.

Note 3 SIGNIFICANT ACCOUNTING POLICIES:**3.1 Property, Plant and Equipment:**

Property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, borrowing cost and any cost directly attributable to the bringing the assets to its working condition for its intended use. Depreciation on the property, plant and equipment is provided using straight line method over the useful life of assets as specified in schedule II to the Companies Act, 2013. Depreciation on property, plant and equipment which are added / disposed off during the year, is provided on pro-rata basis with reference to the date of addition / deletion. The assets' residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

3.2 Cash and Cash Equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

3.3 Impairment of Assets:

An asset is considered as impaired when at the date of Balance Sheet, there are indications of impairment and the carrying amount of the asset, or where applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the statement of profit and loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

3.4 Financial Assets – Initial Recognition, Subsequent Measurement and Impairment:

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

Financial Assets - Subsequent Measurement: For the purpose of subsequent measurement, financial assets are classified in two broad categories: -

- a) Financial assets at fair value
- b) Financial assets at amortised cost

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income)

A financial asset that meets the following two conditions is measured at amortised cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- a) Business model test: The objective of the Company's business model is to hold the financial asset to collect the contractual cash flow.
- b) Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- a) Business model test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial assets.
- b) Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

All other financial asset is measured at fair value through profit or loss.

Fair Value through Other Comprehensive Income (FVOCI):

These include financial assets that are equity instruments as defined in Ind AS 32 "Financial Instruments: Presentation" and are not held for trading and where they are irrevocably designated as Equity instruments at FVOCI upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in other comprehensive income, net of applicable income taxes.

Gains and losses on these equity instruments are never recycled to profit or loss. Dividends from these equity investments are recognised in the statement of profit and loss when the right to receive the payment has been established.

Financial Liabilities and Equity Instruments:

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Other Financial Liabilities:

These are measured at amortised cost using effective interest rate.

Derecognition of Financial Assets and Financial Liabilities:

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

Impairment of Financial Assets:

The Company recognizes a loss allowance for expected credit losses on a financial asset that is at amortized cost or fair value through OCI. Loss allowance in respect of financial assets is measured based on historical trend, industry practices and the Business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Reclassification of Financial Assets:

The company does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the company changes its business model for managing such financial assets. The company does not re-classify its financial liabilities.

3.5 Provisions, Contingent Liabilities, Contingent Assets and Commitments:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

3.6 Revenue Recognition and other Income:

All expenses and income to the extent payable or receivable respectively are accounted for on accrual basis.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

3.7 Employee Benefits:

Defined Benefit Plans: The present value of the obligation under such plan, is determined based on an actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognized immediately in the profit & Loss Account. In Case of funded defined benefit plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans, to recognize the obligation on net basis.

3.8 Taxes on Income:

Income tax expense represents the sum of current tax and deferred tax. Tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income, in such cases the tax is also recognised directly in equity or in other comprehensive income. Any subsequent change in direct tax on items initially recognised in equity or other comprehensive income is also recognised in equity or other comprehensive income.

Current tax provision is computed for income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

3.9 Earnings per Share:

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity and potential equity shares outstanding during the year. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

3.10 Current and Non-current Classification:

The Company presents assets and liabilities in statement of financial position based on current/non-current classification. The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA. An asset is classified as current when it is: a) Expected to be realised or intended to be sold or consumed in normal operating cycle, b) Held primarily for the purpose of trading, c) Expected to be realised within twelve months after the reporting period, or d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when it is: a) Expected to be settled in normal operating cycle, b) Held primarily for the purpose of trading, c) Due to be settled within twelve months after the reporting period, or d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities, if any, are classified as non-current. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.

3.11 Fair Value Measurement:

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy.

3.12 Off-setting Financial Instrument:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable rights to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable rights must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.

3.13 Segment Reporting:

The Company engaged primarily in the business of financial services and accordingly there are no separate reportable segment dealing with Segment Reporting. The Company's business is not subject to seasonal variation.

31.2 Fair Valuation Techniques used to determine Fair Value

The Company maintains procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- Fair value of trade receivable, cash and cash equivalents, other bank balances, trade payables, loans, borrowings, deposits and other financial assets and liabilities are approximate at their carrying amounts largely due to the short-term maturities of these instruments.
- The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.
- Fair values of quoted financial instruments are derived from quoted market prices in active markets.

31.3 Fair Value Hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques: -

- Level 1: Quoted prices in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date.
- Level 2: Inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the Group specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in Level 2.
- Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

The following table provides hierarchy of the fair value measurement of Company's asset and liabilities, grouped into Level 1 (Quoted prices in active markets), Level 2 (Significant observable inputs) and Level 3 (Significant unobservable inputs) as described below:

Note 32 Financial Risk Management

The Company is exposed to market risk, credit risk and liquidity risk. Risk management is carried out by the company under policies approved by the board of directors. This Risk management plan defines how risks associated with the Company will be identified, analyzed, and managed. It outlines how risk management activities will be performed, recorded, and monitored by the Company. The basic objective of risk management plan is to implement an integrated risk management approach to ensure all significant areas of risks are identified, understood and effectively managed, to promote a shared vision of risk management and encourage discussion on risks at all levels of the organization to provide a clear understanding of risk/benefit trade-offs, to deploy appropriate risk management methodologies and tools for use in identifying, assessing, managing and reporting on risks, and to determine the appropriate balance between cost and control of risk and deploy appropriate resources to manage/optimize key risks. Activities are developed to provide feedback to management and other interested parties (e.g. Audit committee, Board etc.). The results of these activities ensure that risk management plan is effective in the long term.

Note 33 The Company is engaged primarily in the business of Financial Services and accordingly, there are no separate reportable segments dealing with Segment Reporting. The Company's business is not subject to seasonal variation.
