MANAGEMENT DISCUSSION AND ANALYSIS

1. Industry Structure and Developments:

Indian Economy

The Indian textiles industry, currently estimated at around US\$ 120 billion, is expected to reach US\$ 230 billion by 2020. The Indian Textile Industry contributes approximately 4.7 per cent to India's Gross Domestic Product (GDP), and 11 per cent to overall Index of Industrial Production (IIP).

The Government of India is keenly interested in promoting the Brand "Made in India" in global market. As the textile industry is the second largest sector of economy in providing employment opportunities, the Government is committed to the growth and betterment of this sector. The Government is also supporting this expansion mood by way of Textile Park Scheme, wherein the Government is providing capital subsidy for such park upto 40% on the total infrastructure facilities in Textile parks.

In the liberalized post quota period, India has emerged as a major sourcing destination for buyers from all over the globe. As a measure of growing interest in the Indian textiles and clothing sector, a number of reputed houses opened their sourcing / liaison office in India. The Government has taken measures to boost spending by increasing the capex allocation towards infrastructure projects by reforms in the budget. The Government is also taking various initiatives to unlock stuck investments in the core and infrastructure projects, revive investments from the private sector by reforming policy environment, improving the ease of doing business and accelerating the project related approvals.

The real estate sector continued to face a challenging environment due to lacklustre demand scenario, various policy hurdles, delay in approval cycle, continued high borrowing costs both for industry and the consumer. The residential segment continues to witness a challenging environment amidst policy uncertainties, delay in project approval cycle and tepid demand scenario. However, select micro-markets primarily catering to the luxury/premium segment witnessed reasonable interest. Various reforms has been announced by the Government

Tarpaulin And Textiles Sector:

This sector experiences a challenging operating environment and uncertainty over demand growth and volatility in raw material prices, it is likely that the sector's outlook will turn relatively positive. Margin pressure would persist for both the cotton and synthetic textile industries, driven by rising power and wage costs and higher interest rates. The cotton industry is presently facing challenges like slow demand and a loss in margins, but a recovery is expected on account of falling cotton prices, though this could be negated by further volatility in input costs or forex movements.

2. Performance Review:

The Income of the Company for the year is INR 1412.36 Lakhs as against previous years' of INR 1505.21 Lakhs. The Company's net profit for the year ended was INR 27.79 lakhs approximately (last year loss amounts to INR. 14.07 lakhs). The Earning Per Share (EPS) for the year was Rs 0.47.

3. Business Outlook:

Your Company expects to continue to identify prudent land acquisition opportunities even as it intends to focus on the timely completion of its projects, despite of number of risks. Your company will be facing them with full zeal and gist and will be able to overcome and withstand the risks enumerated envisaging future outlook.

4. Opportunities and Threats:

The Company is exposed to different types of risks such as credit risk, market risk (including liquidity risk and interest rate risk), operational risk and legal risk. The Company monitors credit and market risks, as well as portfolio and operational risk through the oversight of senior management personnel in each of its business segments. Legal risk is subject to the review of the Company's legal department and external advisers. The Company is exposed to specific risks in connection with the management of investments and the environment within which it operates.

The Company aims to understand measure and monitor the various risks to which it is exposed and to ensure that it adheres, as far as reasonably and practically possible, to the policies and procedures established by it to mitigate these risks.

There are certain key challenges and threats that need to be actively addressed and mitigation steps to be taken as and when required. These challenges can be summarized as follows:

- > Increasing input material costs leading to higher cost of construction.
- > Increasing labor cost and shortage of skilled and technically qualified manpower.
- > Land prices still continue to be high.
- Lack of desirable progress in development of infrastructure specifically in the areas of roads, water and sewage systems, power, etc.

- Absence of industry status and institutional financing for land procurement.
- > Decrease in Investments in the last year.

5. Internal Control Systems and Adequacy:

The Company has in place adequate internal control systems and procedures commensurate with its size and nature of business. The Internal Audit team continuously monitors the effectiveness of internal control and provides a reasonable assurance of the adequacy and effectiveness of your Company's control, governance and risk management process to the Audit Committee. It also checks the implementation of corrective actions and improvements suggested by the Audit Committee.

Internal Audit focuses on the following objectives, forming part of the Audit Plan approved by the Audit Committee:

- Adherence to the operating systems and manual;
- Performance of operational activities in an efficient and effective manner;
- Compliance with the risk management process;
- Compliance with legislative and regulatory provisions.

The Audit Committee reviews the Audit Reports and also has discussions with the Statutory Auditors.

6. Human Resources:

Your Company continues to maintain a constructive relationship with its employees through a positive environment so as to improve productivity and efficiency. Your company also continues to invest in people process and skill development and provide them with high performance oriented environment.

7. Cautionary Statement:

The information and opinion expressed in this Report may contain certain forward-looking statements, which the management believes are true to the best of its knowledge at the time of preparation of the report. The management shall not be liable for any loss, which may arise as a result of any action taken on the basis of the information contained herein. Prior written permission of the Company may be obtained for furnishing this information to any person.

8. Conclusion :

Your Company's primary focus will be to grow volumes across markets. BTPIL will address each market depending on local conditions and consumer trends. While we recognise that the global environment is extremely challenging there are new opportunities emerging to meet consumer needs. Bharat Textiles will focus on profitable growth through a mix of brand led growth, innovation, efficient cost management and successfully scaling up new businesses.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF BHARAT TEXTILES & PROOFING INDUSTRIES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **M/s Bharat Textiles & Proofing Industries Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements"). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We do not have any key audit matters that needs to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

.32

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

.33

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account and with the returns received from the branches not visited by us.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigations which would impact its standalone financial position.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- 2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of M/s Bharat Textiles & Proofing Industries Limited of even date.)

Report on the Internal Financial Controls over Financial Reporting under clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

We have audited the internal financial controls over financial reporting of **M/s Bharat Textiles & Proofing Industries Limited** ("the Company") as of 31st March, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control

stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company: and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March,2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note Particulars

1 <u>Corporate information</u>

M/s.Bharat Textiles and Proofing Industries Ltd (L17111TN1990PLC020072), is a public limited company domiciled in the state of Tamilnadu. The Company is engaged in manufacturing and trading of Tarpaulin, HDPE and chemically processed canvas.

The financial statements were approved for issue by the Board of Directors on 25/07/2020

2 Basis of preparation of financial statements

2.1 Basis of preparation and compliance with Ind AS

The Financial Statements of the Company as at and for the year ended 31st March 2020 have been prepared in accordance with Indian Accounting Standards (1nd AS') notified under Section 133 of the Companies Act, 2013 ('Act"), and the Companies (Indian Accounting Standards) Rules issued from time to time and relevant provisions of the Companies Act, 2013 (collectively called as Ind AS).

2.2 Basis of measurement

The financial statements have been prepared on a going concern basis, using historical cost convention and on an accrual method of accounting, except for financial assets, financial liabilities and defined benefit plans which have been measured at fair value, as required by relevant Ind AS.

2.3 Current and non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current / non-current classification.

An asset is classified as current if it satisfies any of the following criteria:

- a) It is expected to be realised or intended to be sold in the Company's normal operating cycle.
- b) It is held primarily for the purpose of trading,
- c) It is expected to be realised within twelve months after the reporting period, or
- d) It is a cash or cash equivalent unless restricted from being exchanged or used to settle a liability for atleast twelve months after the reporting period

All other assets are classified as non-current

A liability is classified as current if it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle,
- b) it is held primarily for the purpose of trading,
- c) it is due to be settled within twelve months after the reporting period
- d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The Company classifies all other liabilities as noncurrent. Current liabilities include current portion of noncurrent financial liabilities

Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.

2.4 Use of estimates and assumptions

The preparation of the companys financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

2.5 Property, plant and equipment

Property, plant and equipments are stated at historical cost less accumulated depreciation. Cost comprises of purchase price and other attributable costs, if any, in bringing the assets to its working condition for its intended use.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 01st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation

(i) Depreciation on Property, plant and equipment is provided for on Straight Line method in the manner prescribed in Part C of Schedule II of the Companies Act, 2013 and reckoning the maximum residual value @ 5% of the original cost of the asset. (ii) In respect of addition of assets during the year, depreciation has been provided on Pro-rata basis.

2.6 Inventories

Inventories are valued as under:(1) Raw Materials, Stores & Consumables* - at lower of cost or net realisable value.(ii) Work In progress** - at cost.(iii) Finished Goods*** - at lower of cost or net realizable value.Costs are arrived at by using FIFO method and it includes the followings.* Cost of raw materials includes purchase price plus transportation charges, insurance charges, handling charges and other direct attributable costs to bring the material to the present location as on the reporting date.** Cost of Work in progress includes landed cost of raw material plus proportionate labour and overheads on absorption costing basis.*** Cost of finished goods includes landed cost of raw material plus proportionate labour and overheads on absorption costing basis.

2.7 Revenue recognition

Sale of goods. Revenue is recognised at the fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as sales tax, value added tax and Goods & Service Tax except excise duty.

Others All other incomes are recognised when no significant uncertainty as to its subsequent realisation exists.

.42

2.8 Employee benefits

(i) Short-term employee benefits

Short term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

(ii) Post Employment benefits

(a) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Contributions paid/payable for Provident Fund of eligible employees is recognized in the statement of Profit and Loss each year.

(b) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

Post employment benefits are recognized as an expense in the statement of profit and loss for the year in which the employee has rendered services. The calculation of defined benefit obligation is performed by the management under projected unit credit method.

2.9 Financial instruments

Financial instruments are recognised when the Company becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset.

(A) Financial Assets

The Company determines the classification of its financial assets at initial recognition. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

The financial assets are classified in the following measurement categories:

- a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b) Those to be measured at amortised cost. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss as incurred. Subsequent measurement of debt instruments depends on the Company 's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments.

(i) Amortised Cost

The Company classifies its financial assets as at amortised cost only if both of the following criteria are met:

- a) The asset is held within a business model with the objective of collecting the contractual cash flows, and
- b) The contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

Financial assets at amortised cost include loans receivable, trade and other receivables, and other financial assets that are held with the objective of collecting contractual cash flows. After initial measurement at fair value, the financial assets are measured at amortised cost using the effective interest rate (EIR) method, less impairment.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognised in the Statement of Profit or Loss in other income.

(ii) Fair value through other comprehensive income

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income. Movements in the carrying amount are taken through other comprehensive income, except for the recognition of impairment gains or losses, and interest revenue which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss

- The Company classifies the following financial assets at fair value through profit or loss:
- a) Debt investments that do not qualify for measurement at amortised cost;
- b) Debt investments that do not qualify for measurement at fair value through other comprehensive income; and
- c) Debt investments that have been designated at fair value through profit or loss.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the assets expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

(B) Financial Liabilities

The Company determines the classification of its financial liabilities at initial recognition.

.43

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss. Loans and borrowings, payables are subsequently measured at amortised cost.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

2.10 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

2.11 Taxation

A. Current Tax

Current income tax is measured at the amount of tax expected to be payable on the taxable income for the year.

B. Deferred Tax

Deferred tax is recognised on temporary differences between carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extend that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on the tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period. Current and deferred tax is recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.12 Segment accounting

The Company operates in a single segment i.e manufacturing and marketing of cotton canvas and hence not call for segmentwise disclosure of assets, liabilities, revenues or expenses as prescribed under Indian Accounting Standard 108 on "Operating Segments". The Company operated mainly in Indian market during the year and there are no reportable geographical segments.

2.13 Provisions, Contingent Liabilities, Contingent Assets and Commitments

A. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

B. Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount can not be made.

C. Contingent assets

Contingent assets are disclosed, where an inflow of economic benefit is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.14 Cash flow statement

Cash flow are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals of accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and finance activities of the Company are segregated.

2.15 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

2.16 Dividend to Equity Shareholders

Dividend to equity shareholders is recognised as a liability and deducted from shareholder's equity in the period in which the dividends are approved by the equity shareholders in the general meeting.
