NOTES:

1. **The Ministry of Corporate Affairs (“MCA”) has, vide its circular dated May 5, 2022, read together with circulars dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 8, 2021 and December 14, 2021 (collectively referred to as “MCA Circulars”), permitted convening the Annual General Meeting (“AGM” / “Meeting”) through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”), without physical presence of the members at a common venue. In accordance with the MCA Circulars and applicable provisions of the Companies Act, 2013 (“the Act”) read with Rules made thereunder and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), the AGM of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.**
2. Members who have not updated their latest email addresses in the records with the Company/Transfer Agents and their Depository Participants are requested to update the same at the earliest.

3. The explanatory statement pursuant to Section 102 of Companies Act, 2013 ('Act'), in regard to the business as set out at item nos. 4 and the relevant details pursuant to the Listing Regulations is annexed hereto.
4. The Register of Members and Share Transfer Books of the Company will remain closed from Wednesday, September 14, 2022 to Tuesday, September 20, 2022 (both days inclusive).
5. The dividend on equity shares as recommended by the Board of Directors, if declared at the Annual General Meeting, will be paid within the prescribed time after the Annual General Meeting to those Members whose names appear in the Register of Members of the Company as on the book closure dates.
6. As you may be aware that in terms of the provisions of the Income Tax Act, 1961 ("the Act") as amended by the Finance Act, 2020, dividend paid or distributed by a Company on or after 1st April, 2020 is taxable in the hands of the Members. The Company is, therefore, required to deduct tax at source at the time of payment of dividend to the Members.

For resident members: Tax will be deducted at source ("TDS") under Section 194 of the Act (read with Press Release dated May 13th, 2020) @ 10% on the amount of dividend payable unless exempt under any of the provisions of the Act. However, in case of individuals, TDS would not apply if the aggregate of total dividend distributed to them by the Company during FY 2021-22 does not exceed Rs. 5,000/-.

Tax at source will not be deducted where a member provides Form 15G (applicable to Individual in case of dividend) / Form 15H (applicable to an individual above the age of 60 years), provided that the eligibility conditions are being met.

Tax at source will be deducted @ 20% for a shareholder who falls in the category of "specified person" as defined in Section 206AB of Income Tax Act, 1961 or who has not submitted PAN, as per Section 206AA of the Act.

In order to provide exemption from withholding of tax, the following organisations must provide a self-declaration as listed below:

- Insurance companies: A declaration that they are beneficial owners of shares held.
- Mutual Funds: A declaration that they are governed by the provisions of Section 10(23D) of the Act along with copy of registration documents (self-attested).
- Alternative Investment Fund (AIF) established in India: A declaration that its income is exempt under Section 10(23FBA) of the Act and they are established as Category I or Category II AIF under the SEBI Regulations. Copy of registration documents (self-attested) should be provided.
- New Pension System Trust: A declaration that they are governed by the provisions of Section 10(44) [subsection 1E to Section 197A] of the Act along with copy of registration documents (self-attested).
- Corporation established by or under a Central Act which is, under any law for the time being in force, exempt from income tax on its income - Documentary evidence that the person is covered under Section 196 of the Act.

For non-resident members: Tax is required to be withheld in accordance with the provisions of Section 195 of the Act at applicable rates in force. As per the relevant provisions of the Act, the tax shall be withheld @ 20% (plus applicable surcharge and cess) on the amount of dividend payable. However, as per Section 90 of the Act, a non-resident member has the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA") between India and the country of tax residence of the member, if they are more beneficial to the member. For this purpose, i.e. to avail tax treaty benefits, the non-resident member will have to provide the following:

- i. Self-attested copy of Permanent Account Number (PAN Card), if any, allotted by the Indian income tax authorities;
- ii. Self-attested copy of Tax Residency Certificate (TRC) obtained from the tax authorities of the country of which the member is resident;
- iii. Self-declaration in Form 10F, if all the details required in this form are not mentioned in the TRC;
- iv. Self-declaration by the non-resident member of having no permanent establishment in India in accordance

ANNUAL REPORT & ACCOUNTS 2021-2022

with the applicable Tax Treaty;

- v. Self-declaration of beneficial ownership by the non-resident member.

The Company is not obligated to apply the beneficial DTAA rates at the time of tax deduction / withholding on dividend amounts. Application of beneficial DTAA rate shall depend upon the completeness and satisfactory review by the Company, of the documents submitted by non- resident member.

Notwithstanding the above, tax shall be deducted at source @ 20% (plus applicable surcharge and cess) on dividend paid to Foreign Institutional Investors and Foreign Portfolio Investors under section 196D of the Act. Such rate shall not be reduced on account of the application of the lower DTAA rate, if any.

To enable us to determine the appropriate TDS / withholding tax rate applicable, we request you to provide the above details and documents not later than 5 PM, Saturday, the 24th September, 2022.

To summarize, dividend will be paid after deducting the tax at source as under:

- NIL for resident members receiving dividend upto Rs. 5,000/- or in case Form 15G / Form 15H (as applicable) along with self-attested copy of the PAN is submitted.
- 10% for resident members in case PAN is provided / available.
- 20% for resident members, if PAN is not provided / not available.
- Tax will be assessed on the basis of documents submitted by the non-resident members.
- 20% plus applicable surcharge and cess for non-resident members in case the aforementioned documents are not submitted.
- Lower / NIL TDS on submission of self-attested copy of the certificate issued under Section 197 of the Act.

Kindly note that the aforementioned documents should be emailed to cs@competent-maruti.com and cc marked to compliances@skylinerta.com

No communication on the tax determination / deduction shall be entertained after 24th September, 2022

In case tax on dividend is deducted at a higher rate in the absence of receipt of the aforementioned details / documents, you would still have the option of claiming refund of the excess tax paid at the time of filing your income tax return. No claim shall lie against the Company for such tax deducted.

We request you to submit / update your bank account details with your Depository Participant, in case you are holding shares in the demat form. In case your shareholding is in the physical form, you will have to submit a scanned copy of a covering letter, duly signed by the first member, along with a cancelled cheque leaf with your name and bank account details and a copy of your PAN card, duly self-attested, with RTA. This will facilitate receipt of dividend directly into your bank account. In case the cancelled cheque leaf does not bear the members' name, please attach a copy of the bank pass-book statement duly self-attested. We also request you to register your email IDs and mobile numbers with the RTA.

Explanatory statement pursuant to section 102 of the Companies Act, 2013

Item no. 4

M/s Hitesh Ambani & Associates LLP, Chartered Accountants, (Firm Registration No. 016923N), were appointed as the Statutory Auditors of the Company at the 32nd Annual General Meeting (“AGM”) of the Company held on August 29, 2017, to hold office from the conclusion of the 32th AGM till the conclusion of the 37th AGM. Accordingly, the term of the existing statutory auditors expires on the conclusion of the ensuing AGM.

In terms of the provisions of Section 139 of the Companies Act, 2013, the Companies (Audit and Auditors) Rules, 2014, and other applicable provisions, the Company can appoint or reappoint an audit firm as statutory auditors for not more than two (2) terms of five (5) consecutive years.

Audit Committee has recommended to the Board that in order to ensure the independence of the Auditors and to have better control and system, the Auditors of the Company should be changed after five years on completion of first term by bringing the new Auditor/Auditors Firm. Accordingly, the Board of Directors on recommendation of Audit Committee at their meetings, recommended to appoint M/s Dinesh Mehta & Co., Chartered Accountants, New Delhi-110001 (Firm Registration No. 000220N), in place of M/s Ambani & Associates LLP, Chartered Accountants New Delhi (Firm Registration No. 016923N), retiring Auditors, subject to approval of members in ensuing AGM. M/s Dinesh Mehta & Co., Chartered Accountants, has provided their consent to act as Auditors of the Company and that they satisfy criteria as laid under section 141 of the Companies Act, 2013 and Rules made thereunder. Also, they hold a valid certificate issued by the Peer Review Board of ICAI

The recommendation is based on various parameters, including but not limited to independence, competence, technical capability, overall audit approach, sector expertise and understanding of the business. M/s Dinesh Mehta & Co. is a firm of Chartered Accountants registered with The Institute of Chartered Accountants of India.

The Board of Directors has approved remuneration of ₹ 21.50 lakh plus applicable taxes and out of pocket expenses for the financial year ended March 31, 2023, subject to their appointment by the Members. The remuneration to be paid to the Statutory Auditors for the remaining period during their second term would be decided in line with the existing remuneration and shall be commensurate with the services to be rendered by them during the said tenure.

The Board of Directors, in consultation with the Audit Committee, may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Statutory Auditors. In addition to the statutory audit, the Company may also obtain certifications from Statutory Auditors under various statutory regulations and other permissible non-audit services as required from time to time, for which their remuneration shall be approved by the Audit Committee, in accordance with the provisions of Sections 142 and 144 of the Act.

None of the Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested in the resolution at Item No. 4 of the accompanying Notice. The Board accordingly recommends the Ordinary Resolution as set out at Item No. 4 of this Notice for your approval.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERALL VIEW

A slew of significant measures by the Government to ease the inflationary pressure and support the purchasing capacity of the common man along with a growing ease in the semiconductor situation helped total passenger vehicle to clock an increase of 19.06 % year on year in June 2022. India's Automobile industry is benefitted with the government reducing central excise duty on petrol and diesel and changing the duty structure to moderate prices of steel and plastic.

The Passenger Vehicle demand is expected to remain towards new launches in electric, Hybrid and CNG categories as well as SUVs.

INDUSTRY OVERVIEW, STRUCTURE AND DEVELOPMENT

The automobile sector is one of the key segments of the economy having extensive forward and backward linkages with other key segments of the economy. The Indian automobile industry comprises of a number of Indian-origin and multinational players, with varying degree of presence in different segments.

Automobile dealer Industry plays the vital role of link between the manufacturer of the automobile and the consumer. With large inventories of cars, dealers provide consumers with a wide array of vehicles to meet their needs at different price points.

The sales of most of automobiles today are subject to changing consumer tastes, the popularity of the manufacturer's vehicle models, and the intensity of competition with other dealers. Along with the sale of the car, most dealers also sell additional automobile-related services to potential buyers. These services include extended warranties, undercoating, insurance, and financing. After-market sales departments sell these services and other merchandise after vehicle salespersons have closed a deal. Sales of these packages greatly increase the revenue generated for each vehicle sold.

Performing repair work on vehicles is another profitable service provided in this industry. Service departments at motor vehicle dealers provide repair services and sell accessories and replacement parts. The work of the service department has a major influence on customers' satisfaction and willingness to purchase future vehicles from the dealer.

Industry Structure: The automobile dealer industry is comprised of two segments. New car dealers, often called franchised dealers, primarily sell new cars, sport utility vehicles (SUVs), and passenger and commercial vehicles. These franchised dealers sell vehicles manufactured by a particular company, which may include several brands. Used car dealers comprise the other segment of the industry, and are sometimes referred to as independent dealers. These dealers sell a variety of vehicles that have been previously owned or formerly rented and leased. Improvements in technology have increased the durability and longevity of new cars, raising the number of high-quality used cars that are available for sale. Used car dealers by definition do not sell new cars, but most new car dealers do sell some used cars.

Developments

The availability and adoption of advanced technology solutions is driving the majority of the underlying trends in the auto industry. Connected cars, sensors, electrification, and new business models (including mobility-as-a-service) all take advantage of advanced technology solutions. That's where industry experts say the automotive industry needs to focus going forward. The entire industry, from suppliers to automakers, is challenged to keep existing operations profitable, while simultaneously building out capacity to tackle these new innovations.

Companies must find the right balance between continuity of a stable and profitable business, while at the same time lead the way in disrupting their own business models.

While many automakers and suppliers learned from the past to help them survive recent disruptions and make their existing operations more efficient, some industry leaders say that flexibility and innovation will be critical when it comes to the unique challenges facing the future direction of the automotive industry.

Automotive companies need to innovate and develop solutions quickly in order to react fast to changing customer demands and market opportunities. In a digital world, innovation must become an integral part of each department and discipline, so the entire enterprise contributes to generating top-line, bottom-line, and green-line improvements.

Historically, the Indian Passenger Car Market has been skewed towards small passenger cars. However, there is a structural change taking place in the industry with demand for UVs taking over the passenger car. This shift is paving a way towards new avenues of the growth and will result in a more profitable growth for the sector.

In an effort to achieve greater financial and operational efficiency and flexibility in the automobile dealer industry, greater emphasis is being placed on after sale services, such as vehicle maintenance and repair, at both new and used car dealers. These services remain less susceptible to economic downturns. They are also part of an effort to enhance customer loyalty and overall customer service.

In recent years, the sale of used cars has become another useful business area for many new car dealers in the wake of shrinking margins on new cars. To make them acceptable to more customers, dealers promote "certified pre-owned" vehicles to customers who want a warranty on their used vehicle. This often raises the price, but in return provides customers with peace of mind. In economic downturns, the relative demand for these and other used cars often increases as sales of new cars decline.

The increased use of the Internet to market, new and used cars has also had a significant impact on automobile dealers. Through the Internet, consumers can easily access vehicle reviews, view pictures of vehicles and compare models, features, and prices. Many websites allow consumers to research insurance, financing, leasing and warranty options. As a result, consumers are generally better informed and spend less time meeting with salespersons.

OPPORTUNITIES AND THREATS

Opportunities

India being one of the largest automobile markets in the world, has a bright future because of several factors like rapid urbanisation, Car buyers getting younger, growing middle class, overall growth of other industries, infrastructure development and the improved road infrastructure. This along with rising disposable income, aspirations for a better lifestyle and a slew of new product launches lined up by companies would aid overall increase in sales volumes. The Company, with its wide portfolio is expected to benefit from the same.

Threats

Affordability is the most important demand driver in India, the domestic car market has until now been segmented on the basis of vehicle price. Price based competition also takes place in a continuum than in segments since nearly all the models are launched in multiple versions at different price points. As a result higher end variant compete with lower-end-variant of a car in a segment above it.

Further, intensity of competition has increased in almost all the segments of the Indian automobile dealers market whether it's a competition for sales of cars from dealers of same brand or of competing brands or competition in after-sales service business from other dealers of same brand or from organised (branded) franchised service network or from unorganised local garages.

Moreover, in the automobile dealer industry, vehicles cannot be kept in the store for long unlike consumer durables, as automobiles lose value with time. The model gets old and the customer would not be willing to pay for it. The damage due to handling, if they are in the showroom or warehouse for too long, is another factor.

Other factors like affordability, innovation, infrastructure facilities and price of fuel, stringent emission norms and safety regulations and interest rates affect the demand for automobiles to a larger extent. These factors and challenges always keep the automakers and dealers on their toes.

OUTLOOK

Following on from COVID-19 pandemic, the Indian automobiles sector is expected to bounce back and show growth in FY23, If it continues on its upward trajectory, India could be a leader in shared mobility by 2030, providing opportunities for electric and autonomous vehicles.

However, the management of the Company believes the long term outlook for the automobile industry is bright and robust, though outlook for the Indian auto industry in near term is expected to remain stable growth.

ANNUAL REPORT & ACCOUNTS 2021-2022

RISKS AND CONCERNS

Indian car industry is one of the most promising industries across the globe. It has gradually strengthened its foothold in the international area as well. The country is dealing with many car manufacturers, dealers, and associations in various countries including U.S. From some countries, India imports cars and car components and to some India exports.

Though India has witnessed a growing customer base, it has not inoculated them from the global crisis. The crippling liquidity and high interest rates have slowed down the vehicle demand.

Rising Input costs of commodities, availability of credit and affordable interest rates are important facilitators for automobile sales. The uncertain exchange rates and a sudden increase in dollar value against Indian rupee have contributed to slowdown. Increasing Dollar value has raised the landed cost of imported machine, tools and even raw materials required for production.

In addition, rising cost of dealership operations, limited availability of trained and untrained manpower, increasing labour and wage rates, prospects of accelerated career growth and better training & development opportunities have kept the margins of dealership operations under immense pressure.

Intensity of competition has increased in almost all the segments of the Indian automotive market due to entry of new players and appointment of new dealers by Maruti. Launch of new models by different players have also increased market competition. This increasing level of competition would also translate into higher selling and distribution costs. The Company is aware of the increasing competition and is taking measures to remain competitive in the market place.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Competent Automobiles Co. Ltd.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Competent Automobiles Co. Ltd.** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, its profit, statement of changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1.	Key Audit Matter
	<p>IND AS-116- Leases (Accounting for rent concession arrangements)</p> <p>The company has INR 6,755.19 Lakhs (previous year INR 7,983.82 lacs) of Right of Use (RoV) assets and INR 6,606.37 Lakhs (previous year INR 7,620.33) of Lease Liabilities recognized under IND AS-116 pertaining leased by the Company.</p> <p>During the year, considering the impact of COVID-19 pandemic on its business. The Company negotiated rent concessions with its lessors for its showrooms and workshops and other leased premises</p> <p>The Ministry of Corporate Affairs vide notification dated 24 July 2020, issued an amendment to Ind AS 116 - Leases, by inserting a practical expedient w.r.t. "Covid-19- Related Rent Concessions" effective from the period beginning on or after 01 April 2020. Pursuant to the above amendment, the Company has applied the practical expedient with effect from 01 April 2020. Accordingly, the Company accounted unconditional rent concessions of INR 138.11 Lacs (previous year INR 377.09 Lacs) during the year in "Other income" in the Statement of Profit and Loss, not considering as a lease modification. Accounting of rent concessions pursuant to amendment to Ind AS 116 is considered as a key audit matter considering the number of lease arrangements the assessment of whether individual rent concession arrangements meet the criteria of the practical expedient under Ind AS 116, and the amounts involved.</p>

ANNUAL REPORT & ACCOUNTS 2021-2022

How auditor assessed the Key audit matter

Our audit procedures included the following:

- Assessing the Company's accounting policy with respect to recognition of leases and for assessing compliance with Ind AS 116, including accounting for rent concession arrangements.
- Obtained an understanding, evaluated the design and tested the operating effectiveness of controls that the Company has in relation to accounting of rent concession arrangements under Ind AS 116.
- Tested on a sample basis, the rent concessions accounted by the Company, to agreed rent concession arrangements/ underlying documents, calculations and assessed the terms of the same against the requirements of the practical expedient under Ind AS 116.
- Assessed the Company's disclosures made in accordance with the requirements of Ind AS 116 in this matter.

Information other than the financial statements and auditors' report thereon

The Company's Board of Directors & Management are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors & Management are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors & Management are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the '**Annexure - A**', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure 'B'

Report on Internal Financials Controls with reference to Financial Statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Competent Automobiles Co. Ltd.** ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company & internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNUAL REPORT & ACCOUNTS 2021-2022

Note No.1- SIGNIFICANT ACCOUNTING POLICIES

A. General Information

Competent Automobiles Company Limited (“The Company”) is a public limited Company incorporated and domiciled in India and it is listed on the Bombay Stock Exchange (BSE). The address of its registered office is F-14, Competent House, Connaught Place New Delhi – 110001. The Company is Authorized Dealer of Maruti Suzuki India Limited for Delhi, Haryana and Himachal Pradesh area.

B. (i) Statement of Compliance

The Financial Statements have been prepared as going concern in accordance with Indian Accounting Standard (Ind AS) notified under the Section 133 of the Companies Act, 2013 (“the Act”) read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The Company has prepared the Financial Statements up to 31 st March, 2017 in accordance with the requirements of previous IGAAP, which includes standards notified under the Companies (Accounting Standards) Rules 2006 and other relevant provisions of the Act. These are the Company’s first Ind AS financial statements. The date of transition to the Ind AS is 1 st April 2016.

(ii) Basis of preparation and presentation

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair market value at the end of each reporting period as explained in the accounting policies.

All assets and liabilities have been classified as current or non-current according to the Company’s operating cycle and other criteria set out in the Act.

C. Significant Accounting Policies

1. Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue from operations includes sales of goods/vehicles/Spares parts/Accessories and services and amounts disclosed as revenue are net of trade allowances. The Company recognizes revenue when the amount of revenue and its related cost can be reliably measured and it is probable that future economic benefits will flow to the entity and specific criteria in relation to significant risk and reward and degree of managerial involvement associated with ownership or effective control have been met for each of the Company's activities as described below. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transactions and the specifics of each arrangement and based on the general trade practice as prevailing in the market.

(i) Sale of Goods/Vehicles/Spare parts/Accessories

Sales are accounted on transfer of significant risks and rewards to the customer and as per prevailing trade practice once the good are invoiced the risk and rewards are considered to be transferred and revenue is recognized in the books of account of that period. The trade rebate received from the manufacturer in form of purchase discount is accounted for as and when it is received. The amounts of rebate/discount received on purchase invoice are shown net of basis and other amount of purchase discount/rebate received is shown separately in financial statements.

(ii) Income from services

Income from services is accounted over the period of rendering of services.

(iii) Dividend and interest income

Dividend income from investments is recognized when the shareholders' right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably). Interest income from a financial asset is recognized when it is probable

that the economic benefits will flow to the Company and the amount of income can be measured reliably.

2. Property, plant and equipment & Intangible Assets

- a. Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any. Freehold land is measured at cost and is not depreciated. Such assets are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.
- b. Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work- in-progress'.
- c. Subsequent costs are included in the asset carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
- d. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. The other repairs and maintenance of revenue nature are charged to profit or loss during the reporting period in which they are incurred.

2.1 Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of its property, plant and equipment recognized as at 1st April 2016, measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

2.2 Depreciation methods, estimated useful lives and residual value

- (i) Depreciation on property, Plant and Equipment is provided based on useful life of the assets as prescribed in the Schedule -II to the Companies Act 2013, and charged on the basis of written down Value Method.
- (ii) The assets' residual values, estimated useful lives and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.
- (iii) Any Gains and losses on disposal are determined by comparing proceeds with carrying amount and are credited / debited to profit or loss.
- (iv) The vehicle purchased for the purpose of the test drive are treated as an asset of the Company and depreciation is charged accordingly.

3. Impairment of Assets

- (i) At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).
- (ii) An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not.

4. Borrowing costs

- (i) Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets is substantially ready for their intended use or sale.

ANNUAL REPORT & ACCOUNTS 2021-2022

- (ii) Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets are deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

5. Inventories

Cost of the Inventories are valued on the basis given below:

- (i) Cost of finishes goods are measured at cost or market value whichever is lower.
- (ii) Cost of Spares Parts and Accessories, Oils & Lubricants are measured at cost on FIFO basis.
- (iii) Vehicles and Spares parts has been taken into the stock in hand of the Company as and when they are dispatched from Maruti Suzuki India Limited ("MSIL").

6. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

(i) Initial Recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

(ii) Subsequent Measurement

1. Financial Assets at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

2. Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

3. Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

4. Financial liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest rate method or at fair value through profit or loss.

7. Cash and cash equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, cheques and drafts in hand, balances with bank and deposits held at call with financial institutions, short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown as a part of Cash and Cash Equivalents in the cash flow statement.

8. Leases

Leases Prior to 01-04-2019 – Ind AS 17

A Lease is an agreement whereby the lessor conveys to the lessee the right to use an asset for an agreed period of time in return for a payment or series of payments. A lease is classified at the inception date as a finance lease or an operating lease. Lease transactions that transfer substantially all the risk and rewards incidental to ownership of the leased asset to the lessee are classified as finance leases. All other lease agreements are classified as operating leases. Whether an agreement constitutes a lease or contain a lease is determined upon inception of the lease.

Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term unless the receipts are structure to increase in line with expected general inflation to compensate for expected inflationary cost increases.

“MCA” vide its notification dated 30th March 2019, has notified Ind AS 116 replacing existing Ind AS 17- Leases with effect from accounting year beginning on or after 01, April 2019. Transition to Ind AS -116

The Company has elected to apply Modified Alternative-1 Approach for Transition from Ind AS 17 to Ind AS 116 as Notified by “MCA” vide Notification dated 30-03-2019, effective from 01-4-2019 onwards for which the Company has initially measure its Lease Liabilities and Corresponding Right of use of underlying asset by considering the Incremental Borrowing Rate as on date of transition (i.e., 01st April, 2019) under Transitional Approach – Alternative -1

After 01-04-2019 Ind AS 116:

LEASES

Company as a lessee

Recognition

At the inception of the lease, right of use is recognized at cost including any indirect costs to acquire the asset and dismantling costs (if any), reduced by lease incentives with a corresponding lease liability equal to the present value of unpaid lease payments except in the following cases:

- i. Short-term leases; or
- ii. Leases for which the underlying asset is of low value

In case of lease to be short term or low value lease payments associated with those leases are charged as an expense on either a straight-line basis over the lease term or another systematic basis. The Company as a lessee applies another systematic basis if that basis is more representative of the pattern of the Company as a lessee's benefit.

The interest element of lease payments is charged to Statement of Profit and Loss, as Finance Costs over the period of the lease.

Subsequent measurement (Depreciation)

The right of use is depreciated over the useful life of the underlying asset or the validity of the lease term whichever is shorter and is subject to impairment loss.

The residual values, useful lives and methods of depreciation of right of use are reviewed at each financial year end and adjusted prospectively, if appropriate.

ANNUAL REPORT & ACCOUNTS 2021-2022

Subsequent measurement (Lease Liabilities)

The lease liability is measured at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using interest rate implicit in the lease, if that rate can be readily determined otherwise incremental borrowing rate is used to discounts the lease payments

Re-measurement of lease liability

The lease liability is re-measured (with corresponding adjustment to the right of use asset) when:

1. The lease term is revised – the lessee must reassess whether it is reasonably certain to exercise an extension option, or not to exercise a termination option, if there is a significant event or change in circumstances that:
 - is within the lessee’s control; and
 - affects whether exercise (or non-exercise) is reasonably certain.
2. Future lease payment based on an index or rate are revised.
3. The lease is modified
4. There is a change in the amounts expected to be paid under residual value guarantees.

A lessee shall remeasure the lease liability by discounting the revised lease payments, if either:

- (a) there is a change in the amounts expected to be payable under a residual value guarantee. A lessee shall determine the revised lease payments to reflect the change in amounts expected to be payable under the residual value guarantee.
- (b) there is a change in future lease payments resulting from a change in an index or a rate used to determine those payments, including for example a change to reflect changes in market rental rates following a market rent review. The lessee shall remeasure the lease liability to reflect those revised lease payments only when there is a change in the cash flows (i.e., when the adjustment to the lease payments takes effect). A lessee shall determine the revised lease payments for the remainder of the lease term based on the revised contractual payments.

A lessee shall use an unchanged discount rate, unless the change in lease payments results from a change in floating interest rates. In that case, the lessee shall use a revised discount rate that reflects changes in the interest rate.

Lease modification

A lessee shall account for a lease modification as a separate lease if both:

- (a) the modification increases the scope of the lease by adding the right to use one or more underlying assets; and
- (b) the consideration for the lease increases by an amount commensurate with the stand-alone price for the increase in scope and any appropriate adjustments to that stand-alone price to reflect the circumstances of the particular contract.

For a lease modification that is not accounted for as a separate lease, at the effective date of the lease modification a lessee shall:

- (a) allocate the consideration in the modified contract
- (b) determine the lease term of the modified lease
- (c) remeasure the lease liability by discounting the revised lease payments using a revised discount rate. The revised discount rate is determined as the interest rate implicit in the lease for the remainder of the lease term, if that rate can be readily determined, or the lessee’s incremental borrowing rate at the effective date of the modification, if the interest rate implicit in the lease cannot be readily determined.

For a lease modification that is not accounted for as a separate lease, the lessee shall account for the remeasurement of the lease liability by:

- (a) decreasing the carrying amount of the right-of-use asset to reflect the partial or full termination of the lease for lease modifications that decrease the scope of the lease. The lessee shall recognize in profit or loss any gain or loss relating to the partial or full termination of the lease.

- (b) making a corresponding adjustment to the right-of-use asset for all other lease modifications.
- (c) As a practical expedient, a lessee may elect not to assess whether a rent concession that meets the conditions in Para 46B is a lease concession. A lessee that makes this election shall account for any change in lease payments resulting from the rent concession the same way it would account for the change applying this Standard if the change were not a lease modification
- (d) rent concession occurring as a direct consequence of Covid 19 pandemic and only if all of the following conditions are met:
 - (i) the change in lease payments results in revised consideration for the lease that is substantially the same as or less than, the consideration for the lease immediately preceding the change;
 - (ii) any reduction in lease payments affects only payments originally due on or before the 30th June, 2021 (a concession would meet this condition if it results in reduced lease payments on or before the 30th June 2021, and increased lease payments that extend beyond the 30th June 2021);
 - (iii) there is no substantive change to other terms and conditions of the lease.

De-Recognition

A right of use asset initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the right of use asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss account when the right of use asset is derecognized.

Company as a Lessor

Finance Lease

The Company recognize assets held under a finance lease as a receivable at an amount equal to the net investment in the lease. The Company further recognizes finance income over the lease term, based on straight-line basis reflecting a constant periodic rate of return on the net investment in the lease.

Operating lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Assets leased out under operating leases are capitalized. Rental income is recognized on straight-line basis over the lease term except where scheduled increase in rent compensates the Company with expected inflationary costs.

9. Taxation

(i) Tax Expense

Income tax expense represents the sum of the tax currently payable and deferred tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

(ii) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. Current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

(iii) Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences and incurred tax losses to the extent that it is probable that taxable profits will

ANNUAL REPORT & ACCOUNTS 2021-2022

be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

10. Foreign currencies

(i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the group operates ('the functional currency'). The financial statements are presented in Indian rupee (₹), which is the group's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in profit or loss. They are deferred in equity if they relate to qualifying cash flow hedges.

11. Earnings per Share

The earnings considered in ascertaining the Earnings per Share (EPS) comprise the net profit after tax. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the year. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares.

12. Employee benefits

(i) Short Term obligations

Liabilities for wages and salaries including other monetary benefits that expected to be settled within the period in which the employees render the related services are recognized in the period in which the related services and are measured at the undiscounted amount expected to be paid.

(ii) Other Long-term employee benefit

Liabilities of leave encashment is provided on the basis of earned leave standing to credit of employees and the same is discharged by the Company the end of the year and accounted for the same accordingly.

(iii) Post-employment obligations

The Company has defined contribution plan in respect of payment of gratuity to employees. The contributions are being made to the exclusive trust established under the Group Gratuity Scheme of Life Insurance Corporation of India (LIC). The premium and the contribution paid every year to the LIC are charged to revenue. The Company has no further payment obligations once the contributions have been paid. The Company's contribution to State Plans namely Employee's State Insurance, Employee's Provident Fund Scheme and Employee's Pension Scheme are charged to the statement of profit and loss every year.

13. Provisions, Contingent Liabilities and Contingent Assets

- (i) Provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation.
- (ii) A disclosure for a contingent liability is made when there is possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure as specified in Indian Accounting Standard 37 – "Provisions, Contingent Liabilities and Contingent Assets" is made.

(iii) Contingent Assets are not recognized in the Financial Statements.

14. Events occurring after Reporting Period

The final dividend on shares is recorded as a liability on the date of approval by the shareholders, and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

15. Segment Reporting

The accounting policies adopted for segment reporting are in accordance with the Ind AS - 108; Segment Reporting; issued by Ministry of Corporate Affairs ("MCA"). Segment revenue and expenses include amounts which can be directly identifiable to the segment on reasonable basis.

16. Rounding of amounts

All amounts disclosed in the financial statements and the accompanying notes have been rounded off to the nearest lakhs and two decimals thereof, as per the requirement of Schedule III of the Companies Act 2013, unless otherwise stated.

STANDARDS ISSUED BUT NOT EFFECTIVE

Ministry of Corporate Affairs ("MCA") notifies new Standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022 MCA amended the Companies (Indian Accounting Standards) Amendment Rules 2022, as below :-

Ind AS 16 – Property Plant and Equipment :- The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any shall not be recognized in the statement of profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 37 :- Provisions, Contingent Liabilities and Contingent Assets :- The amendment specifies that the "cost of fulfilling" a contract comprises the 'Costs that relate directly to the contract'. Costs that relate directly to a contract consists of both:-

- (a) The Incremental costs of fulfilling that contract (examples would be direct Labour, materials) and;
- (b) an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

Financial Assets valued according to Level 3 valuation	As at 31st March 2022	As at 31st March 2021
Unquoted Equity Instruments	3,485.00	3,485.00

Level 1 : Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market. This category consists of quoted equity shares and debt based open ended mutual funds.

Level 2 : Valuation techniques with observable inputs. This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly. This level of hierarchy consists of debt based close ended mutual fund investments and over the counter (OTC) derivative contracts.

Level 3 : Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are unquoted equity instruments.

The fair value of the financial assets are determined at the amount that would be received to sell an asset in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:

Quoted equity investments: Fair value is derived from quoted market prices in active markets.

Unquoted equity investments: Fair value is derived on the basis of income approach, in this approach the discounted cash flow method is used to capture the present value of the expected future economic benefits to be derived from the ownership of these investments.

Financial risk management

The Company's activities expose it to credit risk, liquidity risk and market risk. The financial risk management of the Company is carried out under the procedures approved by the Managements. Within these policies, the management provides written principles for overall risk management including procedures covering specific areas, such as interest rate, market challenges and financial budgets to ascertain the adequate liquidity in the company.

A. Credit Risk

The credit risk is the risk that counter party will not meet its obligations under the financial instrument or customer contract, relating to a financial loss.

The credit risk of the company is very much on the lower side. The trade receivables of the company at large are secured in nature. The trade receivable primarily includes receivables from various Banks, finance companies and insurance companies against delivery of vehicles to customers who have availed bank/private finance for which disbursement is due and accidental claims for repairs of vehicles, respectively. The obligation dues on them are secured against the documents issued against the credit. To manage trade receivable, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, economic trends. None of the financial instruments of the Company result in material concentrations of credit risks.

B. Liquidity risk

Liquidity risk is the risk that company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's main objective is to maintain the optimum level of liquidity to meet its cash and collateral requirement. The Company operates with a low Debt Equity ratio. The company's main sources of liquidity are cash and cash equivalents and cash flow generated from operations. However to maintain the liquidity flow of cash and cash equivalents, the company has obtained the cash credit and inventory funding facilities from banks to meet its working capital requirements. The position of the same is as under:

Financing arrangements

The company had access to the following facilities at the end of reporting period :

Particulars	As at 31st March 2022	As at 31st March 2021
Cash Credit Facilities and other Facilities within one year	12,905.91	6,217.36
More than one Year	-	-
	12,905.91	6,217.36

Market risk is the risk that fair value of future cash flows of the financial instruments will fluctuate because of changes in market prices. The market risk at large are categorised as 1) Foreign Currency Risk ; 2) Interest Rate Risk ; 3) Price Risk.

The company's exposure to the market risk is very minimal.

ANNUAL REPORT & ACCOUNTS 2021-2022

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Foreign Risk : The company do not have any exposure to Foreign Currency risk.

Interest Rate and Price Risk :- The Company do not have any investment in Govt securities, quoted shares and any other bond etc.
