# ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") referred to in our report of even date.

We have audited the internal financial controls over financial reporting of NEELKANTH ROCKMINERALS LIMITED. ("The Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:
Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED ON 31ST MARCH, 2016

1. CORPORATE INFORMATION

Neelkanth Rockminerals Limited is a Public Limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956 then in force. The company is engaged in the manufacturing and selling of Granite slabs/Tiles and Mineral Products.

2. BASIS OF PREPARATION

The accounts are prepared as per historical cost convention on going concern basis following mercantile basis of accounting and recognizing income and expenditure on accrual basis except otherwise stated. The mandatory applicable accounting standards in India and the provisions of the Companies Act, 2013 have been followed in preparation of these financial statements.

## 3. SUMMARY OF SIGNIFICANTACCOUNTING POLICIES

a) Change in Accounting policy:-

As stated to us, there is no significant change in accounting policy of the company affecting the financial statements in any manner.

b) Use of estimates:-

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Tangible Fixed Assets

Fixed Assets are shown at cost net of accumulated depreciation and impairment losses if any. Cost comprises of purchase price, other direct attributable costs for bringing the assets to its working conditions for its intended use and proportionate allocated share of indirect expenses, if any.

d) Depreciation on Tangible Fixed Assets

Depreciation on tangible fixed assets is computed on written down value method at such rates as computed considering useful life provided in Sch II of the Act.

Depreciation on intagible fixed assets is computed on written down value method as per the provisions of accounting standards applicable for the time being in force.

e) Investment

"Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments."

"On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such

as brokerage, fees and duties."

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

"On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss."

f) Inventories are valued and shown as under:

i) Inventories are taken as per physical verification conducted by the

management.

ii) Inventories of Raw Material, Consumables, Stores, Oil & Lubricants, Fuel, and Packing Materials have been valued at cost or market price whichever is lower.

iii) Work in Progress and Finished Goods have been valued at lower

of cost or market price.

iv) Scrap and wastage are valued at market realisable value.

g) Revenue Recognition

- i) Sales of products are recognized at the time of invoicing to customers
- ii) There is no excise duty on sales.

h) Preliminary Expenses

Preliminary expenditure is amortized over a period of 5 years commencing from the year of commencement of commercial production.

i) Taxation

Tax expenses for the year, comprising current tax and deferred tax are included in determining the net profit for the year.

A provision is made for the current tax based on tax liability computed in accordance with relevant tax rates and tax laws. The deferred tax for all timing differences arising between taxable income and accounting income are recognized at currently enacted tax rates.

Deferred tax assets are recognized only if there is reasonable certainty that they will be realized and are reviewed for the appropriateness

of their respective carrying values at each balance sheet date.

j) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or nonoccurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation.

A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

k) Gratuity and other Benefits to Employees

The contribution to provident fund are being made monthly and are accounted for on accrual basis. Provision of Gratuity has however not been made.

I) Prior period and Extra ordinary Items

Material events accruing after the Balance Sheet date are taken into cognizance. These items and changes in accounting policies, if material, are separately disclosed wherever required. The changes in accounting policies are generally made only where so required by statutes or standards or by complulsion of convenience.

m) Foreign Exchange Fluctuations

The exchange fluctuation arising on the foreign currency transactions are recognised in the Profit and loss account at the time of realization/remittance except those relating to acquisition of fixed assets which are adjusted in cost of fixed assets.
