Notice

STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013 (“the Act”) IS AS UNDER:

The following statement sets out all material facts relating to the Special Business mentioned in the accompanying notice.

Item 3

Members at the Annual General Meeting held on 15th September, 2015 had approved the appointment of Mr. Sudhir Sathe as Non-Executive Independent Director not liable to retire by rotation for the period of 5 years to hold the office till the conclusion of the 55th Annual General Meeting to be held in the calendar year 2020. Prior to this appointment, the members at the Annual General Meeting held on 30th September, 2014 had approved the appointment of Mr. Sudhir Sathe as Non-Executive Independent Director for the period of 1 year to hold the office till the conclusion of Annual General Meeting to be held in the calendar year 2015.

The Board of Directors at its meeting held on 30th June, 2020, on the recommendation of Nomination & Remuneration Committee appointed Mr. Sudhir Sathe as Non-Executive Independent Director of the Company not liable to retire by rotation subject to approval of the shareholders at this Annual General Meeting.

In terms of Section 149 (10) an Independent Director shall hold office for a term upto 5 consecutive years on the board of a company but shall be eligible for re-appointment by passing of Special Resolution by the Company and disclosure of such appointment in the board's report. Pursuant to Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 w.e.f. 1st April, 2019, no listed entity shall appoint a person or continue the directorship of any person as Non-Executive Director who has attained the age of 75 years unless a Special Resolution is passed to that effect. Accordingly, the Board of Directors has re-appointed Mr. Sudhir Sathe as Non-Executive Independent Director for the further period of four consecutive years subject to the approval of the shareholders by a Special Resolution as proposed. The board of directors is of the opinion that Mr. Sudhir Sathe having attained the age of over 75 years, the continuation on the board of the company as Non-Executive Independent Director would be in the interest of the company as he has been associated with the company for more than one decade and on account of his valuable contribution to the company.

The Company has received notices in writing from a member alongwith the deposit of requisite amount under section 160 of the act proposing the candidature of Mr. Sudhir Sathe for the office of the Director of the Company.

The Company has also received declaration from Mr. Sudhir Sathe that he meets the criteria of independence as prescribed both under sub-section (6) of Section 149 of the act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In the opinion of the Board, Mr. Sudhir Sathe fulfils the conditions for appointment as Independent Director as specified in the act and the listing agreement. Mr. Sudhir Sathe is independent of the management.

Copy of the draft letter of appointment of Mr. Sudhir Sathe as Non-Executive Independent Director setting out the terms and conditions is available for inspection by members at the registered office of the Company.

Mr. Sudhir Sathe is interested in the resolution set out at Item No. 3 of the notice with regard to his appointment.

Notice

Item 4

Members at the Annual General Meeting held on 27th September, 2019 had approved the appointment of Mr. Chandrakumar Z. Shah as Non-Executive Independent Director not liable to retire by rotation for the period of 5 years to hold the office until 27th September, 2024.

Pursuant to Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 w.e.f. 1st April, 2019, no listed entity shall appoint a person or continue the directorship of any person as Non-Executive Director who has attained the age of 75 years unless a Special Resolution is passed to that effect. Accordingly, the Board of Directors has re-appointed Mr. Chandrakumar Z. Shah as Non-Executive Independent Director for the continuation as such for the said period subject to the approval of the shareholders by a Special Resolution as proposed. The board of directors is of the opinion that Mr. Chandrakumar Z. Shah having attained the age of over 75 years, the continuation on the board of the company as Non-Executive Independent Director would be in the interest of the company. He has extensive knowledge which will help the board of directors of the company in the deliberation and will provide valuable guidance in the filed on his expertise.

In the opinion of the Board of Directors, Mr. Chandrakumar Z. Shah, the Independent Director proposed to be appointed fulfils the conditions specified in the act and the rules made thereunder and he is independent of the Management.

No Director, key managerial personnel or their relatives, except Mr. Chandrakumar Z. Shah, to whom the resolution relates, is interested or concerned in the resolution.

The Board recommends the resolution set forth in Item No. 4 and for the approval of the members.

By Order of the Board of Directors

Management's Discussion and Analysis

Industry Structure and Developments

The global economic grew at 2.4% in the year 2019 slowing from 3% in the year 2018 amid global trade war, tariff related uncertainties and Brexit. Chinese growth moderated but held up at 6.1% despite escalation of trade tensions with United States (US). Amidst trade tensions and Brexit related uncertainty, EU growth also weakened to 1.1%. However, with talks of trade resolution in second half of 2019, Europe started to show some recovery in growth. The US economy remained relatively strong growing at around 2.3%.

Domestic economic activity also slow down through the year and weakened notably in the second half of the financial year 2019-20.

Ink industry is having great challenges and competition, more so from multinational companies. Raw material price also plays a major factor for competitive price offerings to the customers and thereby to capture the market share. Company is making all efforts through its new plant at Vadodara to streamline the operations as well as explore new markets, within as well as outside India.

Global growth outlook has changed since the outbreak of COVID-19. There has been coordinated global monetary policy easing a fiscal support from governments. These policy support measures would act as cushions offsetting weaknesses in growth to some extent. However, global economic activity is likely to contract in 2020 and global growth environment will remain challenging in the short term.

The Indian economy grew by 4.2% in the financial year 2019-20 till remaining one of the fastest growing major economies in the world. Industrial activity remained healthy in the beginning of the year but showed some weakness later. Auto sales suffered due to weak credit conditions, demand softness and change in regulatory norms. Outbreak of COVID-19 would make growth environment challenging in the first half of financial year 2020-21 but liquidity measures announced by the government should help provide support.

Opportunities and Threats

The newspaper and magazine circulations fall, advertising revenues are increasingly diverted from print to other channels, especially internet channels, facebook etc. These trends will result in a global decline in consumption of inks.

Company is visualizing facing major threat from Multinational Companies existing as well as new ones with their financial and technological strength.

The completion of distribution and marketing arrangement with M/s. Heidelberg India Pvt. Ltd. once again has led a challenging situation for marketing its product on its own.

Segment-wise or Product-wise Performance

The Company is mainly dealing with inks and its auxiliaries only.

Outlook, Risk and Concerns

Company should be able to improve the efficiency and effectiveness of all the operations at Vadodara Plant including improvement in labour productivity.

As the world economy is full of challenges and competition, Company is facing risks in terms of Strategy, Operations, and Financial reporting and increasing compliances. Competition from multinational companies is a major factor to be looked into. Geo-political scenario like situation in China, Saudi Arabia, Iraq, Iran, Yemen and Afghanistan may change the landscape for Raw Material prices, Exports, etc. in the time to come. Change in tax laws more so about GST, interest rate structure, Government policies, etc. may impact your company's business.

The completion of distribution and marketing arrangement with M/s. Heidelberg India Pvt. Ltd. once again has led a challenging situation for marketing its product on its own.

Annexure I To Directors' Report

Internal Control systems and their Adequacy

The Internal Control system including of financial of the company is established to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition to ensure that transactions are authorized, recorded and reported correctly and that operations are conducted in an efficient and cost effective manner. Company has appointed an independent firm of Chartered Accountants to carry out the work of Internal Audit. Their reports are put and discussed in the Audit Committee regularly. Company is also taking guidance for constant improvement in the operations.

Discussion on Financial Performance with respect to Operational Performance

* PBDIT increased by 36.09% to Rs. 194.92 Lacs for the year ended 31st March, 2020 compared to previous year Rs. 143.23 Lacs.

* Total comprehensive (loss) decreased by 50.05% to Rs (51.37 Lacs) for the year ended 31st March, 2020 compared to previous year Rs. (102.84 Lacs).

* Revenue from operations (net) decreased by 22.03% to Rs. 2793.21 Lacs from Rs. 3582.41 Lacs in the previous year.

Material consumption has been decreased to 73.48% as compared to 76.24% in the previous year.

Employee benefits expenses have been decreased to 4.59% as compared to 5.18% in the previous year.

Finance cost for the year increased to Rs. 117.54 Lacs from Rs. 112.41 Lacs in the previous year.

Depreciation charged at Rs 128.68 Lacs as against Rs. 133.53 Lacs in the previous year.

Material Developments in human Resources / Industrial Relations front, including number of people employed

Due to impact of globalization, the role of Human Resource (HR) is having more relevance. There is shortage of talented and committed people across industries. Your Company is trying best within its own limitation to move further in this regard looking to its nature of operations and requirements. Management would like to thank all the existing as well as past employees for their valuable support in difficult economic conditions. The company has 45 permanent employees as on 31st March, 2020.

Independent Auditor's Report

To
The Members of Organic Coatings Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Organic Coatings Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, and the statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015, as amended ("Ind As") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Trade Receivables – The company is in the supply of printing inks and auxiliaries to printers all over India. In the printing press industry the preference of payments for supplier of inks is the lowest. Some trade receivables are slow in recovery and take time for recovery beyond the limitation period. In some cases suits have been filed for recovery and the court judgments are yet to be received. There is therefore a risk for realisation of the trade receivables (refer note no 37).

How our audit address the key audit matter-

Our audit procedure included among others examining the pattern of subsequent receipts, the status of various legal cases and management's method to determine the recoverability of the amount considering the feedback from the market. We validated the appropriateness of the related disclosures in note no of 37 of the financial statements.

2. Examination of documents/ records in lockdown conditions due to covid-19 pandemic - The Financial Statements of the Company for the year ended March 31, 2020 were audited under exceptional circumstances due to

Independent Auditor's Report

prevailing lockdown conditions on account of Covid-19 pandemic. Due to the restrictions on physical movement, the entire audit team could not visit the company and we have examined the books of accounts and relevant documents through scanned documents / spread sheets received in electronic mode and not in original. Our audit procedures were designed to obtain sufficient appropriate audit evidence under these exceptional circumstances.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

Independent Auditor's Report

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure B", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Independent Auditor's Report

As required by Section 143(3) of the Act, based on our audit, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(Referred to in paragraph (f) under 'Report Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")

We have audited the internal financial controls over financial reporting of Organic Coatings Limited ("the company") as at March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorities of management and directors of the company; and (3) provide reasonable assurance

Annexure 'A' to the Independent Auditor's Report

regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedure may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part Of The Standalone Financial Statements For The Year Ended 31st March, 2020

1. Corporate information

"The Company was incorporated on 22nd April, 1965 as a Private Limited company limited by shares. It was converted in Public Limited company in the year 1995. It has its Registered office in Mumbai and manufacturing facility at village Umaraya, Taluka-Padra, Dist-Vadodara, Gujarat, India. The Company is listed on the Bombay Stock Exchange (BSE). The company is engaged in the business of manufacturing and trading in Printing Inks & Allied products. The company sells its products across India and to other countries.

The financial statements for the year ended March 31, 2020 were approved by the Board of Directors and authorised for issue on June 30, 2020.

2. Significant accounting policies

The financial statements have been prepared on the following basis:

Basis of accounting and preparation of financial statements

These financial statements have been prepared in accordance with Ind AS as prescribed under section 133 of the Companies Act 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.

These financial statements have been prepared on a historical cost basis, except following assets and liabilities which have been measured at fair value:

- (i) Land and building forming part of Property, plant and equipment
- (ii) Defined Benefit plans-plan assets

Up to the year ended March 31, 2017, the Company has prepared its financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP) which includes standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as " Previous GAAP".

The functional and presentation currency of the Company is Indian Rupee ("₹") which is the currency of the primary economic environment in which the Company operates.

2.2 Use of estimates

The preparation of the financial statements are in conformity with Ind AS requires the Management to make estimates, judgement and assumptions. These estimates, judgement and assumption affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

2.3 Revenue recognition

Sales of goods are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sale of goods is net of Indirect taxes, returns and discounts.

Interest income from a financial asset is recognised using effective interest rate method. Dividend income is accounted for when the right to receive the payment is established.

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

Other income is accounted for on accrual basis except where the receipt of income is uncertain in which case it is accounted for on receipt basis.

Notes Forming Part Of The Standalone Financial Statements For The Year Ended 31st March, 2020

2.4 Inventories

Inventories of Raw Materials, Consumable Stores, Packing Materials, Work in Progress and Finished Goods are valued at lower of Cost and net realisable Value. Cost Comprises all cost of purchase and other cost incurred in bringing inventories to their present location and condition. Work in Progress and Finished Goods include appropriate amount proportions of the overhead. Imported raw materials, stock in transit are valued at cost and customs duty thereon.

2.5 Property, Plant and Equipment

Property, plant and equipment are stated at cost of acquisition net of recoverable taxes, trade discount and rebates including any cost, directly attributable to bringing the assets to their working condition for its intended use, net charges on foreign exchange arising from exchange rate variations attributable to the assets less accumulated depreciation and impairment losses, if any except for certain property, plant and equipment, which have been revalued.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Capital Work in Progress if any, are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.6 Depreciation /Amortisation and useful lives of property, plant and equipment/intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

2.7 Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

The residual values, useful lives and methods of depreciation of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Notes Forming Part Of The Standalone Financial Statements For The Year Ended 31st March, 2020

2.8 Foreign Currency Transactions and Translation

Transactions denominated in the foreign currencies are recorded at the exchange rate prevailing on the date of transaction or that approximates the actual rate at the date of the transaction.

The monetary assets and liabilities denominated in the foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Any income or expense on account of exchange difference either on settlement on translation is recognised in the Statement of profit and loss except in the case the long term liabilities, if any, where they relate to the acquisition of the fixed assets, in which case they are adjusted to the carrying amount of such assets.

2.9 Employees Benefits

Defined Contribution Plans

Provident Fund & ESIC are defined contribution schemes established under a State Plan. The contributions to the schemes are charged to the statement of profit and loss in the year when the contributions become due.

Defined Benefit Plans

The company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on post employment at 15 days salary (last drawn salary) for each completed year of services as per the Payment of Gratuity Act, 1972. The aforesaid liability is provided for on the basis of an actuarial valuation made using Project Unit Credit Method at the end of the financial year. The scheme is funded with an insurance company in the form of a qualifying insurance policy. Actuarial gains/losses are recognized in statement of profit and loss in the year in which they arise.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

Compensated Absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the Balance sheet date. Employees are entitled to accumulate leave subject to certain limits for future encashment. The liability in respect of leave encashment is provided for on the basis of actuarial valuation made at the end of the financial year using Project Unit Credit Method. The said liability is not funded.

2.10 Borrowing Cost

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that takes substantial period of time to get ready for its intended use.

All other borrowing costs are recognised as expense in the period in which they are incurred.

2.11 Fair value Measurement

Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of asset and liability if market participants would take those into consideration. Fair value for measurement and / or disclosure purposes in these financial statements is determined

Notes Forming Part Of The Standalone Financial Statements For The Year Ended 31st March, 2020

in such basis except for transactions in the scope of Ind AS 2, 17 and 36. Normally at initial recognition, the transaction price is the best evidence of fair value.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A Fair value measurement of a non-financial asset takes in to account a market participants ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (Unadjusted) market prices and active market for identical assets and liabilities.
- Level 2 – Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 – Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by the re assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.12 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Company recognises a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

a. Financial assets:

A financial asset inter-alia includes any asset that is cash, equity instrument of another entity and a financial liability or equity instrument of another entity. The Company recognises a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss. When transaction price is not the measure of fair value and fair value is determined using a valuation method that uses data from observable market, the difference between transaction price and fair value is recognised in Statement of Profit and Loss and in other cases spread over life of the financial instrument using effective interest method.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in three categories:

- Financial asset measured at amortised cost

Notes Forming Part Of The Standalone Financial Statements For The Year Ended 31st March, 2020

- Financial asset at fair value through OCI
- Financial assets at fair value through profit or loss

Financial assets measured at amortised cost

Financial assets are measured at amortised cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These financial assets are amortised using the effective interest rate (EIR) method, less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss in finance costs.

Financial assets at fair value through OCI (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. At initial recognition, an irrevocable election is made (on an instrument-by-instrument basis) to designate investments in equity instruments other than held for trading purpose at FVTOCI. Fair value changes are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses and reversals and foreign exchange gain or loss in the income statement. On derecognition of the financial asset other than equity instruments, cumulative gain or loss previously recognised in OCI is reclassified to income statements.

Financial assets at fair value through profit or loss (FVTPL)

Any financial asset that does not meet the criteria for classification as at amortised cost or as financial assets at fair value through other comprehensive income, is classified as financial assets at fair value through profit or loss. Further, financial assets at fair value through profit or loss also include financial assets held for trading and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets at fair value through profit or loss are fair valued at each reporting date with all the changes recognised in the Statement of profit and loss.

De-recognition of financial assets

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralized borrowing for the proceeds receivables.

Impairment of financial assets

The Company assesses impairment based on expected credit loss (ECL) model on the following:

- a) Financial assets that are measured at amortised cost.
- b) Financial assets measured at fair value through other comprehensive income (FVTOCI)

Notes Forming Part Of The Standalone Financial Statements For The Year Ended 31st March, 2020

ECL is measured through a loss allowance on a following basis: -

- a) The twelve month expected credit losses (expected credit losses that result from all possible default events on the financial instruments that are possible within twelve months after the reporting date)
- b) Full life time expected credit losses (expected credit losses that result from all possible default events over the life of financial instruments)

The company follows 'simplified approach' for recognition of impairment on trade receivables or contract assets resulting from normal business transactions. The application of simplified approach does not require the Company to track changes in credit risk. However, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, from the date of initial recognition.

For recognition of impairment loss on other financial assets, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has increased significantly, lifetime ECL is provided. For assessing increase in credit risk and impairment loss, the Company assesses the credit risk characteristics on instrument-by-instrument basis.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

Impairment loss allowance (or reversal) recognised during the period is recognised as expense/income in the statement of profit and loss.

b. Financial liabilities and equity instruments:

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial liabilities

The Company's financial liabilities include loans and borrowings including book overdraft, trade payable, accrued expenses and other payables.

Initial Recognition and measurement

All financial liabilities at initial recognition are classified as financial liabilities at amortised cost or financial liabilities at fair value through profit or loss, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the Statement of Profit and Loss or in the "Expenditure Attributable to Construction" if another standard permit inclusion of such cost in the carrying amount of an asset over the period of the borrowings using the effective rate of interest.

Subsequent measurement

Subsequent measurement of financial liabilities depends upon the classification as described below: -

Financial Liabilities classified at Amortised Cost

Financial Liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. Amortised cost is calculated by taking into account any discount or

Notes Forming Part Of The Standalone Financial Statements For The Year Ended 31st March, 2020

premium on acquisition and fees or costs that are integral part of the Effective Interest Rate. Interest expense that is not capitalised as part of cost of assets is included as Finance costs in the Statement of Profit and Loss.

Financial Liabilities at Fair value through profit and loss (FVTPL)

FVTPL includes financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Financial liabilities have not been designated upon initial recognition at FVTPL.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged/cancelled/expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and liabilities are offset and net amount is reported if there is currently enforceable legal right to offset the recognised amounts and there is intention to settle on a net basis, to realise assets and settle the liabilities simultaneously.

2.13 Earnings per share

Basic Earnings per share is computed by dividing the profit from continuing operations and total profits, both attributable to equity share holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share are computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period, except where the results would be anti-dilutive.

2.14 Income Tax Expenses

Income tax expense represents the sum of tax currently payable and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to the items recognised directly in equity or in other comprehensive income.

Current tax

Current tax includes provision for Income Tax computed under special provision (i.e. Minimum Alternate Tax) or normal provision of Income Tax Act provisions. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities on the basis of estimated taxable Income. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are recognised for all temporary differences that are expected to increase taxable profit in the future. Deferred tax assets are recognised for all temporary differences that are expected to reduce taxable profit in the future, and any unused tax losses or unused tax credits. Deferred tax assets are measured at the highest amount that, on the basis of current or estimated future taxable profit, is more likely than not to be recovered. The net carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Notes Forming Part Of The Standalone Financial Statements For The Year Ended 31st March, 2020

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to the income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

2.15 Research and Development

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technological feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Tangible Fixed Assets and Intangible Assets.

2.16 Impairment of Assets non-financial assets - property, plant and equipment and intangible assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.17 Provisions and Contingent Liability

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and commitments are not recognised but are disclosed in the notes. Contingents assets are neither recognised nor disclosed in the financial statements.

41. Financial risk management

The Company's activities are exposed to a variety of market risk (including foreign currency risk and interest risk), credit risk and liquidity risk. The Company's overall financial risk management policy focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

i. Market Risk

Market rate is the risk that arises from changes in market prices, such as commodity prices, foreign exchange rates, interest rates etc. and will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimising returns.

a. Commodity Price Risk

Commodity price risk arises due to fluctuations in prices of raw materials and other products. The company has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices and freight costs.

b. Interest Rate Risk

The company's exposure to the risk of changes in market interest rate relates to the floating the debt obligations.

c. Foreign Currency Exchange Rate Risk

The fluctuation in foreign currency exchange rates may have potential impact on the Statement of Profit & Loss, where transaction references more than one currency or where assets/liabilities are denominated in currency other than functional currency of the entity. Considering the countries and economic development in which Company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risk primarily relates to fluctuations in US Dollar.

Any movement in the functional currency of operations of the Company against the major foreign currency may impact the Company's revenue in international business. Any weakening of the functional currency may impact Company's cost of imports and consequently the profit or loss.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risk.

ii. Credit Risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in a loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The Company performs ongoing credit evaluation of its counterparties' financial conditions. The Company's major classes of financial assets are cash and bank balances, trade receivables, Security deposits, Advances to Suppliers and Employees and prepayments.

at the reporting date, the Company's maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statements of financial position.

As at the reporting date, substantially all the cash and bank balances as detailed in Note 9 to the financial information are held in major Banks which are regulated and located in the India, which management believes are of high credit quality. The management does not expect any losses arising from non-performance by these counterparties.

As at 31 March 2020, the Company's outstanding trade receivables over-due for a period exceeding 180 days is 14.43% of total trade receivables.

iii. Liquidity Risk

Liquidity risk arises from the Company's management of working capital. It is the risk that the Company will encounter difficulty in meeting its financial obligations as they fall due.

The Company has obtained fund based and non-fund based working capital credit facility from a bank. Company's policy is to ensure that it will always have sufficient cash to allow it to meet its liabilities when they become due. The principal liabilities of the Company arise in respect of the trade and other payables. Trade and other payables are all payable within 12 months.

The Company manages liquidity risk by maintaining adequate surplus, banking facilities and reserve borrowing facilities by continuously monitoring forecasts and actual cash flows.

The Company has a system of regularly forecasting cash inflows and outflows and all liquidity requirements are planned.

Forecast for trade and other payables is regularly monitored to ensure timely funding.

All payments are made within due dates subject to availability of funds.
