MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management of WELLNESS NONI LIMITED presents the Industry Overview, Opportunities and Threats, Initiatives by the Company and overall strategy of WELLNESS NONI LIMITED (formerly known as RGN Securities and Holdings Ltd) for the year 2013-2014 and its outlook for the future. This outlook is based on assessment on the current business environment; it may vary due to future economic and other developments.

This Management Discussion and Analysis statement of the Annual Report has been included in adherence to the spirit enunciated in the code of Corporate Governance approved by the Securities and Exchange Board of India.

Introduction :

WELLNESS NONI LIMITED (formerly known as RGN Securities and Holdings Ltd) has entered the business of manufacturing and Marketing of Noni based Fruit Juice Concentrate.

Macro-Economic

The macroeconomic policy response in India after the North Atlantic financial crisis (NAFC) was rapid. The overshooting of the stimulus and its gradual withdrawal sowed seeds for inflationary and BoP pressures and growth slowdown, then exacerbated by domestic policy bottlenecks and volatility in international financial markets during mid-2013. Appropriate domestic oil prices and fiscal consolidation will contribute to the recovery of private sector investment. Fiscal consolidation would also facilitate a reduction in inflation, which would moderate gold imports and favorably impact real exchange rate and current account deficit

Overview of the Business of the Company

Wellness Noni products are considered Food supplementary and harmless to the human beings. Even with a (hopefully) recovering economy, doing business is challenging on the home front because of regulatory changes, raw material pricing, corporate sustainability goals and changing consumer demands, among others., and on the global front by the difficulty (but seeming necessity) to set up foreign operations, safety and reliability of offshore suppliers, impact of currency fluctuations and competition for talent.

Opportunities and Threats

Opportunities

Your Company has to differentiate its service with the help of technology and human capital. Against this backdrop, your company has been marching ahead to face the competition and improve its market share.

Threats

The major challenges are investments at different points of the supply and value chain, proper research, farm and lab connectivity, up gradation of technology, increase in farm holding, skill and manpower training, backend and front-end integration and cold chain integration

10. The Company has an early year's loss of Rs.1,27,16,579.71 and the same is decided by the Board to treat as Intangible assets in the Balance sheet. More over the losses are not eligible to carry forward and set off in the future earnings. The Company earned profit during the year.
11. Based on our audit procedures and according to the information and explanations given to me, we are of the opinion that the company has not defaulted in repayment of dues to financial institutions and banks.
12. In my opinion and according to the information and explanation given to me, no loans and advance have been granted by the company on the basis of security by way of pledge of shares, debentures and other securities.
13. The Company has not raised any term loan during the year.
14. According to the information and explanations given to me and on an overall examination of the balance sheet of the Company, in my opinion, considering the nature of its business and activity being carried on short term funds have not been utilized for long term purposes and vice-versa.
15. During the year, the company has not made any preferential allotment of shares to parties and companies covered in the Register maintained under section 301 of the Companies Act, 1956.
16. The Company has not raised any money by way of public issue during the year.
17. In my opinion and according to the information and explanations given to me, no fraud on or by the company has been notice or reported during the year, that causes the financial statements to be materially misstated.
