**REPORT ON CORPORATE GOVERNANCE FOR THE YEAR ENDED ON 31ST MARCH, 2012****1. THE CORPORATE GOVERNANCE PHILOSOPHY**

Corporate Governance at **ASL** is by the need to “enhance shareholder value, keeping in view the interests of other stakeholders”. This definition places emphasis on the need to strike a balance at all times between the need to enhance shareholders’ wealth whilst not being detrimental to other stakeholders’ interests. The imperative for Corporate Governance lies not merely in drafting a code of Corporate Governance, but in practicing it to achieve desired results.

Actual management of the Company vests with a team of senior executives, led by the Managing Director. They are vested with operational and financial powers through a well-structured process of delegation. The management team functions within the framework laid out by the Board and are accountable to the Board through the Managing Director for all their actions.

The Code therefore endeavours to address the following deliverables:

- Ensure that the quantity, quality and frequency of financial and managerial information, which management shares with the Board, fully places the Board members in control of the Company’s affairs;
- Ensure that the decision making process is transparent and documentary evidence traceable through the minutes of the meetings of the Board/ Committee/ Executive Committees thereof;
- Ensure that executive action at the operating level is exercised within a framework of checks and balances but without debilitating the creative processes that need to be encouraged in the organization;
- Ensure the fullest commitment of the management and the Board to world class operating practices;
- Ensure that the Board exercises its fiduciary responsibilities towards Shareowners and Creditors, there By ensuring high accountability;
- Ensure that the extent to which the information is disclosed to present and potential investors is maximized;

It is evident that real onus of achieving the desired level of Corporate Governance, lies in the proactive initiatives taken to achieve desired results and not in the external measures like breadth and depth of a code or stringency of enforcement of norms.

**2. BOARD OF DIRECTORS :**

The Board of ASL provides leadership and strategic guideline, objectively reviews management decisions and exercises control over the Company, while remaining at all times trustees of shareholders. The Board is accountable at all to the shareholders for creating, protecting and enhancing wealth and resources of the Company and reporting to them on the performance in a timely and transparent manner.

**Scheduling and selection of agenda**

In terms of the Corporate Governance code, Board Meetings are scheduled with proper notice and the agenda for each meeting, along with explanatory statements are distributed in advance to the Board Members. Every Board Member is free to suggest the inclusion of items on the Agenda. Additionally, while approving the ‘Delegation of operational and financial powers’ the Board has mandated the management to bring to its attention various operational powers exercised by the management from time to time for ratification or information. This information is also placed with the Board appropriately.

**3. BOARD STRUCTURE :**

The Board of Directors is having an appropriate mix of executive and non-executive independent directors as on 31st March, 2012. The Board of Directors is consisting of Four Directors. The Managing Director manages the day to day affairs of the Company. The Board comprises of Executive and Non-Executive Directors, with considerable experiences in their respective fields. ASL did not have any pecuniary relationship of transactions with the non-executive directors during the period under review. There are no material transactions where they have had personal interests that conflict with that of the Company.

AUDITORS' REPORT

The Members,  
ANJANI SYNTHETICS LIMITED  
Ahmedabad.

1. We have audited the attached Balance Sheet of ANJANI SYNTHETICS LIMITED at 31<sup>st</sup> March 2012 and the Profit & Loss Account and also the cash flow statement for the year ended on that date annexed thereto. These Financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An Audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) Order, 2003, issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Companies act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 & 5 of the said order.
4. Further to our comments in the Annexure referred to above, we report that :

**NOTES ON ACCOUNTS****1. Significant Accounting policies****Accounting Convention**

The financial statements are prepared under the historical cost convention on the "Accrual Concept" of accountancy in accordance with the accounting principles generally accepted in India and comply with the accounting standards issued by the Institute of Chartered Accountants of India to the extent applicable and with the relevant provisions of the Companies Act, 1956.

**Use Of Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities on the date of the financial statement and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which results are known/materialized.

**Fixed Assets**

Fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises of all expenses incurred to bring the assets to its present location and condition. Borrowing cost directly attributable to the acquisition / construction are included in the cost of fixed assets. Adjustments arising from exchange rate variations attributable to the fixed assets are capitalized.

In case of new projects / expansion of existing projects, expenditure incurred during construction / preoperative period including interest and finance charge on specific / general purpose loans, prior to commencement of commercial production are capitalized. The same are allocated to the respective fixed assets on completion of construction / erection of the capital project / fixed assets.

Capital assets (including expenditure incurred during the construction period) under erection / installation are stated in the Balance Sheet as "Capital Work in Progress."

**Impairment of Assets**

At each balance sheet date, the Company reviews the carrying amount of its fixed assets to determine whether there is any indication that those assets suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the assets and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the assets.

**Depreciation**

All fixed assets, except capital work in progress, are depreciated on a written down value method at the rates and in the manner prescribed in Schedule XIV of the Companies' Act, 1956. Depreciation on additions to / deletions from fixed assets made during the period is provided on pro-rata basis from / up to the date of such addition / deletion as the case may be.

**Investments**

Long term investments are stated at cost. Current investments are stated at lower of cost and market price. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary in the opinion of the management.

**Inventories**

Inventories are measured at lower of cost and net realizable value. Cost of raw materials, stores & spares parts are ascertained on FIFO basis. Cost of finished goods and process stock is ascertained on full absorption cost basis. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing in them to their present location & condition.

### Revenue Recognition

Sales are recognized when goods are supplied. Sales are net of trade discounts, rebates and vat. It does not include interdivisional sales.

Revenue in respect of other items is recognized when no significant uncertainty as to its determination or realization exists.

### Borrowing Cost

Borrowing cost that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. A qualifying assets is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

### Employee Benefits

Short – term employee benefits are recognized as an expense at the undiscounted amount in the profit & loss account of the year in which the related service is rendered.

Post employment and other long term employee benefits are recognized as an expense in the profit & loss account for the year in which the liabilities are crystallized

### Taxes on Income.

Income tax expenses for the year comprises of current tax and deferred tax. Current tax provision is determined on the basis of taxable income computed as per the provisions of the Income Tax Act. Deferred tax is recognized for all timing differences that are capable of reversal in one or more subsequent periods subject to conditions of prudence and by applying tax rates that have been substantively enacted by the balance sheet date.

### Provision, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

Contingent liabilities are not recognized but are disclosed in the notes.

Contingent assets are neither recognized nor disclosed in the financial statements.
