## NOTES:

- a. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide General Circular No. 14/2020 dated April 8, 2020, General Circular No. 17/2020 dated April 13, 2020, General Circular No. 20/2020 dated, May 5, 2020, read with General Circular No. 02/2022 dated May 5, 2022 and other circulars issued in this regard (“MCA Circulars”) and the Securities and Exchange Board of India (“SEBI”) has vide its Circular No. SEBI/HO/CFD/ CMD1/CIR/P/2020/79 dated May 12, 2020 read with Circular No. SEBI/HO/CFD/CMD2/CIRP/P/2022/62 dated May 13, 2022 and other circulars issued in this regard (“SEBI Circulars”) (collectively referred to as “Circulars”), permitted companies to conduct their Annual General Meeting through Video Conferencing (VC) or Other Audio Visual Means (OAVM) without the physical presence of Members at a common venue till December 31, 2022. In accordance with the Circulars and in compliance with the provisions of the Companies Act, 2013 (“Act”) and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), the Company has convened its 28<sup>th</sup> Annual General Meeting (“AGM”) to be conducted through VC/OAVM.
- b. Explanatory statement pursuant to Section 102 of the Act and Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India, stating all material facts and reasons for certain businesses set out in the Notice is annexed hereto.
- c. Information required pursuant to Regulation 36(3) of the SEBI Listing Regulations read with the applicable provisions of Secretarial Standard-2 on General Meetings, in respect of the Directors seeking appointment/re-appointment or variation in terms of remuneration, is provided as part of this Notice. The Company has received the requisite consents/declarations for the re-appointment under the Act and the rules made there under.
- d. Since the AGM is being held through VC/OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM.
- e. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- f. The Company has appointed **Mr. D.S.M. Ram, Proprietor of DSMR & Associates (C.P. No. 4239) Company Secretary in Practice** as the scrutinizer for scrutinizing the entire e- voting process i.e. remote e-voting and e-voting during the AGM, to ensure that the process is carried out in a fair and transparent manner.
- g. Members are permitted to join the AGM through VC/OAVM, 15 minutes before the scheduled time of commencement of AGM and during the AGM, by following the procedure mentioned in this Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first serve basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first serve basis.
- h. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- i. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since the AGM is being held through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM. The Proxy Form as well as the Attendance Slip are therefore, not annexed to this Notice.

In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <https://b2bsoftech.com>. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com). The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).

In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January, 13, 2021.

- j. In case of joint holders, only such joint holder who is higher in the order of names will be entitled to vote during the AGM.
- k. Members who still hold share certificate(s) in physical form are advised to dematerialize their shareholding to avail the benefits of dematerialization, which includes easy liquidity since trading is permitted in dematerialized form only, electronic transfer, savings in stamp duty and elimination of any possibility of loss of documents. Further, with effect from April 1, 2019, requests for transfer of securities are not permitted unless the securities are held in a dematerialized form with a depository except in case of transmission or transposition of securities as per SEBI Listing Regulations. Members who still hold share certificate(s) in physical form are advised to dematerialize their shareholding at the earliest.
- l. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD\_ RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website at [www.b2bsoftech.com](http://www.b2bsoftech.com) and on the website of the Company's Registrar and Transfer Agents, [www.cilsecurities.com](http://www.cilsecurities.com) It may be noted that any service request can be processed only after the folio is KYC Compliant.
- m. Members desiring any information on the Accounts are requested to write to the Company at least one week (7 days) before the Meeting so as to enable the Management to keep the information ready. Replies will be provided only at the Meeting.

n. **Electronic Dispatch of Annual Report and Process for Registration of e-mail id:**

Pursuant to Sections 101 and 136 of the Act read with the relevant Rules made there under and Regulation 36 of the SEBI Listing Regulations, companies can send Annual Reports and other communications through electronic mode to those Members who have registered their e-mail addresses with the Company or Depositories. In accordance with the Circulars issued by MCA and SEBI, the Annual Report containing financial statements (including Report of Board of Directors, Auditor's report or other documents required to be attached therewith), and such statements including the Notice of the 28th AGM are being sent through electronic mode to those Members whose e-mail address is registered with the Company or the Depositories. Members may note that the Notice of the 28th AGM and the Annual Report 2021-22 are also available on the Company's website <https://b2bsoftech.com> website of the Stock exchanges i.e. BSE Limited: [www.bseindia.com](http://www.bseindia.com). The Notice is also disseminated on the website of CDSL (agency providing the remote e-voting facility and e-voting during the AGM) at [www.evotingindia.com](http://www.evotingindia.com).

For the purpose of receiving the Notice of the AGM and the Annual Report through electronic mode in case the email address is not registered with the respective DPs / Company / RTA, Members may register the email IDs using the facility provided by the Company through the following link available on its website: <https://www.cilsecurities.com>. Members who have not yet registered their e-mail addresses are requested to register the same with their DPs in case the shares are held by them in dematerialized form and with Company/ RTA in case the shares are held by them in physical form.

**o. IMPORTANT NOTICE TO SHAREHOLDERS HOLDING SHARES IN PHYSICAL MODE:**

SEBI has vide circular no. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2021/655 dated November 3, 2021, mandated furnishing of PAN, KYC and Nomination by Members holding shares in physical form. In view of the same, it may be noted that any service request can be processed only after the folio is PAN, KYC and Nomination compliant. The concerned shareholders are requested to furnish the requisite documents/ information at the earliest. Non-availability of the same on or after April 1, 2023 will result in freezing of the folios of such shareholders pursuant to the aforesaid SEBI circular. These frozen folios will be referred by the RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, after December 31, 2025

Further, SEBI has vide its circulars dated January 24, 2022 and January 25, 2022 mandated listed companies to issue securities in demat form only while processing service requests viz. Issue of duplicate securities certificate, claim from Unclaimed Suspense Account, Renewal/Exchange of securities certificate, Endorsement, Sub division/ Splitting of securities certificate, Consolidation of securities certificates/folios, Transmission and Transposition. Accordingly, Members are requested to make service requests in prescribed Form ISR-4, as available on the Company's website at <https://b2bsoftech.com>

p. Since the AGM will be held through VC / OAVM, the route map is not annexed to the Notice.

q. Pursuant to the provisions of Section 72 of the Act read with the rules made there under, Members holding shares in a single name may avail the facility of nomination in respect of the shares held by them. Members holding shares in physical form may avail this facility by sending a nomination in the prescribed Form No. SH-13 to the Registrar and Share Transfer Agent. The relevant nomination form is appended to this notice. Further, in terms of SEBI Circular dated February 24, 2022, all existing shareholders holding shares in trading and demat accounts shall provide their choice of nomination on or before March 31, 2023, failing which such trading accounts shall be frozen for trading and demat accounts shall be frozen for debits. Accordingly, Members are urged to update their nomination details for their respective accounts before the aforementioned date by contacting their respective Depository Participant(s)

r. SEBI has made it mandatory for every participant in the securities / capital market to furnish the details of Income Tax Permanent Account Number (PAN). Accordingly, all the shareholders holding shares in physical form are requested to submit their details off PAN along with a Photocopy of both sides of the PAN card, duly attested, to the Registrar and Share Transfer Agents of the Company.

Investor Grievance Redressal: The Company has designated an e-mail ID i.e [investorservice@b2bsoftech.com](mailto:investorservice@b2bsoftech.com) to enable the investors to register their complaints/send correspondence, if any.

**THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**

- (i) The voting period begins on **Friday, the 23<sup>rd</sup> September, 2022 at 9.00 AM and ends on Sunday, the 25<sup>th</sup> September, 2022 at 5.00 PM**. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 19<sup>th</sup> September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter and the same will be enabled during the AGM for the Members who have not casted their vote through remote e-voting.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India.

This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e- voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e- Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

## **Annexure – VI to the Directors Report**

### **Secretarial Audit Report**

For the Financial Year Ended 31<sup>st</sup> March, 2022

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **B2B SOFTWARE TECHNOLOGIES LIMITED** bearing CIN: L72200TG1994PLC018351 (hereinafter called “**the Company**”).

Secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided and declarations made by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on 31<sup>st</sup> March, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31<sup>st</sup> March, 2022 and made available to me, according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the Rules made thereunder to the extent applicable;  
However, the company has availed the exemption provided by the MCA with regard to filing of e-form MGT-7 for the FY 2020-21
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment

During the period of audit, the Company has not made any transactions. Hence the reporting of compliance under these regulations does not arise.

- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
  - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) (Amendment) Regulations, 2011;  
During the period of our Audit, the Company has no activities under these regulations. Hence the reporting of compliance under these regulations does not arise.
  - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;  
During the period of Audit, the Company has no activities under these regulations. Hence the reporting of compliance under these regulations does not arise.
  - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;  
The Company has not raised any capital during the reporting period, hence, reporting of compliance under these regulations does not arise.
  - d. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 except that
    - (i) *The Company has not complied with the requirement of maintaining 100% of promoters holding in demat form.*

- (ii) *The Company has not filed Compliance Certificate as required under the Regulation 7 (3), for the half year ended 31<sup>st</sup> March 2021*
- (iii) *The company has submitted the Shareholding Pattern for the quarter ending March 2021 on 26<sup>th</sup> April 2021, which is 5 days beyond the prescribed due date.*
- (iv) *The company has submitted Related Party Transactions for the year ended March 31, 2021 on 3<sup>rd</sup> June 2021, which is 3 days beyond the prescribed due date.*

The reporting of clause 6(A) and 6(B) of the circular No. CIR/CFD/CMD1/114/2019 dated October 18, 2019 issued by the Securities and Exchange Board of India on “Resignation of statutory auditors from listed entities and their material subsidiaries” is not applicable during the Review Period.

- e. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;

During the period of our audit the Company has not issued any securities under these regulations. Hence the reporting of compliance under these regulations does not arise.

However, it has been observed during the course of our audit, 6,00,000 Equity Shares of Rs.10/- each have been allotted to B2B ESOP Trust during February 2008 after obtaining the necessary statutory and regulatory approvals. The said shares have been allotted to the trust for giving them to the eligible employees of the company under ESOP Scheme 2007. However, after granting of options by the Compensation committee none of the employees have exercised their options before the due date. Hence all the options have lapsed. As on date the shares are still lying in the name of B2B ESOP Trust.

- f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

During the period of audit, the Company has not issued any Debt Securities under these regulations. Hence the reporting of compliance under these regulations does not arise.

- g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

- h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009

During the period of audit, the Company has not delisted its Equity Shares from the Stock Exchange, where the shares are listed. Hence the reporting of compliance under these regulations does not arise;

- i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998

During the period of audit, the Company has not done any buy back of its securities. Hence the reporting of compliance under these regulations does not arise.

- vi. Other laws applicable specifically to the Company namely:

- a. Information Technology Act, 2000 and the rules made thereunder
- b. Software Technology Parks of India rules and regulations

I have also examined compliance with the applicable clauses of the following:

- (I) Secretarial Standards issued by The Institute of Company Secretaries of India,
- (II) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 except Clauses and regulations relating to Corporate Governance Report (which has been reviewed and certified by the Statutory Auditors) and except for the following:

- (a) Not complying with the requirement of maintaining 100% of promoters holding in Demat form.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, and Guidelines mentioned above.

I further report, that the compliance by the company of applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts has not been reviewed in this Audit, since the same have been subject to review by Statutory Financial Auditor and other designated professionals.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act and the rules made there under.

Mr. Rahul Kumar Bhangadiya (ACS-44666) has resigned from the post of Company Secretary on 28th February, 2022. Consequent to his resignation, Mrs. Jyothi Mantri (ACS- 53222) was appointed as a Whole Time Company Secretary with effect from 01st March 2022 and the same were taken on record in the Board Meeting held on 22nd February 2022.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent adequately in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

The decisions at the Board Meetings and Committee Meetings have been carried out unanimously as recorded in minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that, based on the information provided by the Company, its officers and authorized representatives during the conduct of the audit and based on records maintained in my opinion, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that based upon the information provided by the company, the company has received letters from BSE Ltd for Non- Compliance with regard to submission of Shareholding Pattern & Related Party Transactions for the quarter ending March 2021 vide Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/12 dated January 22, 2020 has imposed a fine of:

- a) Rs. 9440/- (Inclusive of GST) &
- b) Rs.17,700/- (Inclusive of GST) for the quarter ending March 2021 respectively.

The company has paid a total amount of Rs. 27,140/- (Inclusive of GST) during the FY 2021-22

## MANAGEMENT DISCUSSION AND ANALYSIS

### 1. OVERVIEW:

#### B2B - Health Care Division

The Healthcare Information Technology industry continued to evolve in 2014 with new coding standards coming to the forefront. Perhaps the most noteworthy change is the transition to ICD- 10, a far more comprehensive coding standard than its predecessor, ICD-9. In addition, GeniusDoc has made strides to expand on its electronic prescribing functionality by including the ability to prescribe controlled substances (EPCS) as well as send clinical messages.

The initial flurry of Meaningful use incentives is drawing to a close, thus putting many physicians at a crossroads. Either tolerate their EHR for the foreseeable future or undertake the painful process of finding and implementing a new EHR throughout their practice. Fortunately, GeniusDoc has been able to reap the benefits of its favourable reputation in the medical community as several practices have moved on from less desirable EHRs to GeniusDoc based largely on word of mouth. Consequently, this transition has helped GeniusDoc expand its reach into previously untapped regions like the Pacific Northwest (i.e. Washington) and the Southeast (i.e. Alabama). The last few years have also featured a wave of hospitals buying out private practices as well as consolidation. The movement towards hospital settings has not fazed GeniusDoc as practices have gone to great lengths to ensure that they are still able to use the application despite the change in ownership. The increase in consolidation has allowed the company to leverage its existing customer base as physicians and practices are joining GeniusDoc affiliated practices.

One of the hallmarks of GeniusDoc is its commitment to constantly improving the product both internally through customer feedback and externally by integrating third parties into the application. Beyond servicing the expected medical needs of practices, GeniusDoc has matured into an incredibly robust practice management application capable of accommodating multiple workflows. In fact, many practices have incorporated the GeniusDoc Patient Portal into their workflow to reduce the burden on front office staff as well as improve transparency with patients. Moreover, several practices have leveraged the tools inside of GeniusDoc to streamline patient visits (i.e. Dashboard, Synopsis, etc.) by tapping into a horde of readily available information.

GeniusDoc collaborated with notable credit card processor, TransFirst, to develop an integrated solution that streamlines payment workflow in front offices. Along those lines, GeniusDoc also worked with an appointment reminder service, Callpointe, to relieve the burden placed on front offices to constantly reach out to patients to confirm patient appointments.

In short, the future continues to look bright for GeniusDoc as the product continues to mature and evolve while the customer base grows.

## **2. GLOBAL ECONOMY AND DEVELOPMENTS**

In early 2022, the global economy seemed to be on track for a strong, albeit uneven, recovery after leaving the worst of the COVID-19 pandemic behind (despite uncertainties associated with subsequent waves of infection and rising global inflationary pressures). However, spillovers from the Russian Federation's invasion of Ukraine have led to a sharp deceleration in global economic activity. In addition to the war, frequent and wider-ranging lockdowns in China due to the zero-COVID policy – including in key manufacturing hubs – have also slowed activity in the region and caused new bottlenecks in global supply chains. Higher, broader, and more persistent price pressures also led to a tightening of monetary policy in many countries. Global inflation has risen sharply from its lows in mid-2020. Markets expect inflation to peak in mid- 2022 and then decline, but to remain elevated even after these shocks subside and monetary policies are tightened further. This has subdued global economy growth projections to only 2.9 percent in 2022 (significantly lower than 4.1 percent that was anticipated in January) per World Bank's latest Global Economic Prospects report. Overall risks to economic prospects have risen sharply and policy trade-offs have become ever more challenging.

In advanced economies, economic activity is being dampened by rising energy prices, less favorable financial conditions, and supply chain disruptions, all of which have been exacerbated by the war in Ukraine. As a result, growth in these economies is projected to decelerate from 5.1 percent in 2021 to 2.6 percent in 2022 – 1.2 percentage points below previous projections. Growth is expected to further moderate to 2.2 percent in 2023, largely reflecting the further unwinding of the fiscal and monetary policy support provided during the pandemic.

Growth in emerging market and developing economies (EMDEs) this year has been downgraded to 3.4 percent, as negative spillovers from the Russia-Ukraine crisis more than offset any near-term boost to some commodity exporters from higher energy prices. The impact will be most severe for Europe and Central Asia, where output is forecasted to sharply contract this year. Output growth is projected to slow this year in all other regions except the Middle East and North Africa, where the benefits of higher energy prices for energy exporters are expected to outweigh those prices' negative impacts for other economies in the region. Despite the negative shock to global activity in 2022, there is essentially no rebound projected next year: global growth is forecasted to edge up only slightly to a still-subdued 3 percent in 2023, as many headwinds – in particular, high commodity prices and continued monetary tightening – are expected to persist. A forceful and wide-ranging policy response is required by EMDE authorities and the global community to boost growth, bolster macroeconomic frameworks, reduce financial vulnerabilities, provide support to vulnerable population groups, and attenuate the long-term impacts of the global shocks of recent years.

Understandably, the ongoing crisis has clouded India's growth outlook as well. India GDP growth was pegged at 8.7% in FY22, after contracting by 6.6% in FY21. The World Bank cut India's FY23 GDP growth forecast to 7.5 percent, a hefty 1.2 percentage points down from its previous forecast, due to headwinds from rising inflation, supply chain disruptions, and geopolitical tensions. Crude oil prices are lingering above US\$100 per barrel, wheat has gone up by 50% in a span of two weeks, and edible oil prices are up 20% – all of which are critical imports from the two warring nations. India also partly meets its fertilizer needs from the region. For India, which has been battling inflation for a while now, this situation is making matters worse. Higher fuel and fertilizer prices will reduce government revenues and increase subsidy costs. Furthermore, capital outflows and rising import bills will weigh on the current account balance and currency valuation.

## **3. INDUSTRY STRUCTURE AND DEVELOPMENTS**

### **Business Continuity during Covid-19 pandemic:**

The ongoing Covid-19 pandemic has drastically changed the global economies and businesses. Governments and central banks have responded with monetary and fiscal interventions to respond to the disruptions.

During the pandemic, companies across the world accelerated their digital transformation initiatives to address these disruptions and secure their businesses. While some companies have now set up advanced business continuity measures, others have embarked on new innovative services and products. As companies focused on protecting employees from the pandemic, technology enabled a seamless transition to remote working by shifting to digital channels and digital customer engagement models.

Global IT service providers offer a range of end-to-end software development, digital services, IT business solutions, research and development services, technology infrastructure services, business process services, consulting and related support functions. Companies will continue to invest in digital transformation to address new pandemic driven consumer behaviors with the support of technology.

**H. Share Transfer System:**

The Company's shares are currently traded in dematerialized form; transfers are processed and approved in the electronic form by NSDL/CDSL through their Depository Participants. The Company obtains from a Company Secretary in practice, a half-yearly certificate of compliance with the share transfer formalities as required under Regulation 7(3) of SEBI (LODR) Regulations, 2015 and files a copy of the certificate with the Stock Exchanges.

The Equity shares of the Company are under compulsory dematerialization ("Demat") category and can be traded only in electronic form. The Company has De-materialised 78,49,629 Equity (67.75% of the paid up share capital) as at March 31, 2022.

The procedure for converting the shares in dematerialized mode is as under:

- Share certificate(s) along with Demat Requisition Form (DRF) is to be submitted by the shareholder to his Depository Participant (DP)
- DP processes the DRF and generates a unique number viz. DRN
- DP forwards the DRF and share certificates to the Company's Registrar & Shares Transfer Agent.
- The Company's Registrar & Shares Transfer Agent after processing the DRF confirm or reject the request to the Depositories.
- Upon confirmation, the Depository gives the credit to shareholder in his/her depository account maintained with DP.

The process of dematerialization takes around 15 days from the date of receipt of DRF by the Registrar & Shares Transfer Agent of the Company.

Since the trading in the shares of the Company can be done only in electronic form, it is advisable that the shareholders who have the shares in physical form get their shares dematerialized.

Effective April 1, 2019, SEBI barred physical transfer of shares of listed companies and mandated transfers only through demat. However, investors are not barred from holding shares in physical form. Members who still hold share certificate(s) in physical form are advised to dematerialize their shareholding at the earliest.

Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website at [www.b2bsoftech.com](http://www.b2bsoftech.com) and on the website of the Company's Registrar and Transfer Agents, [www.cilsecurities.com](http://www.cilsecurities.com) It may be noted that any service request can be processed only after the folio is KYC Compliant.

## INDEPENDENT AUDITOR'S REPORT

To the Members of  
**M/s B2B Software Technologies Limited**

### Report on the Audit of the Standalone Ind AS Financial Statements

#### Opinion

We have audited the accompanying standalone **Ind AS** financial statements of **M/s B2B Software Technologies Limited** ("the Company"), which comprise the balance sheet as at March 31, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the standalone financial statements.)

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter
<p><i>Revenue from Operations:</i></p> <p>The accounting of revenue involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period.</p>
<p><i>Principle Audit Procedures</i></p> <p>We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows :</p> <ol style="list-style-type: none"><li>1. Evaluated the design of internal controls relating to implementation of the new revenue accounting standard.</li><li>2. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, re-performance and inspection of evidence in respect of operation of these controls.</li></ol>

#### Information other than Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include

the Consolidated Financial Statements, Standalone Financials Statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to Report in this regard.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on

the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- v. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
  - i. We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - ii. In our opinion, proper books of account as required by law, have been kept by the company, in so far as appears from our examination of such books of the company;
  - iii. The Balance Sheet, Statement of Profit & Loss and the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this report are in agreement with the books of accounts of the Company;
  - iv. In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Accounting standards referred to in section 133 of Companies Act 2013, read with Rule 7 of Companies (Accounts) Rules, 2014;
  - v. On the basis of written representations received from the directors, as on 31st March, 2022, and taken on record by the Board of Directors, none of the directors, are disqualified as on 31st March, 2022 from being appointed as a director in terms of sub-section (2) of Sec. 164 of the Companies Act, 2013;
  - vi. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - vii. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements

of section 197(16) of the Act, as amended :

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- viii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a) The Company does not have any pending litigations which would impact its financial position.
  - b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - d)
    - i) The management has represented to us that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - ii) The management has represented to us, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
    - iii) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
  - e) The company has not declared or paid any dividend during the year.

- (ii)
  - a. The Company is a service company, primarily rendering software services. Accordingly, it does not hold any physical inventories. Thus, Clause 3(ii) of the Order is not applicable to the Company.
  - b. The Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any point of time during the year from banks or financial institutions on the basis of security of current assets and hence reporting under Clause 3(ii)(b) of the Order is not applicable.
- (iii) The Company has not made investments in, or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to Companies, firms, Limited Liability Partnerships or any other parties hence reporting under Clause 3(iii) of the Order is not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act, with respect to the loans, investments, guarantees and security made.
- (v) The Company has not accepted any Deposits from the public and consequently the directives issued by Reserve Bank of India; the provisions of Section 73 to 76 of the Companies Act, 2013 and the rules framed there under are not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under clause (d) of sub-section (1) of Section 148 of the Companies Act, 2013 in respect of activity carried out by the company.
- (vii)
  - a. According to the information and explanations given to us and on the basis of examination of books of accounts, the Company has been regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance Dues, Goods and Service Tax and Income tax with appropriate authorities. According to the information and explanations given to us, no undisputed dues payable in respect of Provident fund, Employees State Insurance, Income Tax, Sales Tax, VAT, Customs Duty, Service Tax, Goods and Service Tax and Cess were outstanding as at 31<sup>st</sup> March 2022 for a period of more than six months from the date they became payable.
  - b. According to the information and explanations given to us, there are no material dues of Income tax, wealth tax, sales tax, duty of custom, duty of excise and cess which have not been deposited with the appropriate authorities on account of any dispute.
- viii) In our opinion and according to the information and explanations given to us, there were no transactions relating to previously unrecorded income which have been surrendered or disclosed as income during the year in the tax

assessments under the Income Tax Act, 1961.

- ix) The company has not borrowed any loans from any financial institution/Bank/Debenture holders and hence the Clause 3(ix) is not applicable.
- x) The Company did not raise any moneys by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, Clause 3 (x) of the Order is not applicable.
- xi) a. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.  
b. As no fraud has been noticed during the year as mentioned at xi(a) above, report under sub-Section (12) of Section 143 of the Companies Act in the Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 is not applicable.  
c. According to the information and explanations given to us, no whistle-blower complaints has been received during the year by the Company.

## **Annexure - B to the Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **B2B Software Technologies Limited** ("the Company") as of 31<sup>st</sup> March 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes to Financial Statements

(All amounts in Indian Rupees in lakhs, except share data and where otherwise stated)

### 1 Nature of operations

B2B Software Technologies is one of the most prominent and competent Microsoft Dynamics Navision Solution Center of Microsoft Dynamics and the number one partner in Telangana, India. The team of Microsoft Dynamics NAV 2009 certified consultants has carried out successful implementations across various industry segments. Our customers include end-user companies as well as other solution centers in Europe, USA, Australia and Asian markets, for whom we undertake the off-shore / onsite solution development

The Company is a public limited company incorporated and domiciled in India and has its registered office in Hyderabad, Telangana, India. The Company has its primary listings on the BSE Limited.

The Company's Standalone financial statements are approved for issue by the Company's Board of Directors on April 29th, 2022.

### 2 Significant Accounting Policies

#### 2.1 Basis of preparation of financial statements

These Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except certain financial instruments which are measured at fair values, the provisions of Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the act read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and other pronouncements of the Institute of Chartered Accountants of India (ICAI) to the extent applicable.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. As the quarterly and yearly figures are taken from the source and rounded to the nearest digits, the figures already reported for all the quarters during the year might not always add up to the year figures reported in this statement.

#### 2.2 Use of estimates

The Preparation of financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions which effects the application of accounting policies and the reported amounts of assets and liabilities and the disclosure of contingent assets and contingent liabilities at the date of financial statements and the reported amounts of revenue and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and use of assumptions in these financial statements have been disclosed in Note No 2.19. Accounting estimates could change from time to time. Actual results could differ from the estimates. Appropriate changes in estimates are made as the Management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

#### 2.3 Cash flow statement:

Cash flows are reported using the indirect method, where by the net profit before tax for the period is adjusted for the effects of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated and presented separately.

#### 2.4 Revenue recognition:

The Company derives revenues primarily from Consultancy services and sale of Software products. Arrangements with Customers for consultancy services are either on time bound fixed-price or time and material basis.

In respect of Time and Material Contracts, revenue is recognised as and when the services are performed. In respect of time bound fixed-price engagements, where there is no uncertainty as to measurement or collectability of consideration, is recognised using the percentage of completion method of accounting, unless work completed cannot be reasonably estimated. When there is uncertainty as to the measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. Efforts or costs expended have been used

to measure the progress towards the completion as there is a direct relationship between input and productivity. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the current contract estimates. The cumulative impact of any revision in estimates of the percentage of work completed is reflected in the period in which the change becomes known.

In respect of Sale of software products, revenue is recognised on transfer of ownership to the customers.

Interest income is recognised on time proportion basis taking into account the amount outstanding and at the rate applicable.

Effective April 1, 2018, the Company adopted Ind AS 115, *Revenue from Contracts with Customers*. The effect on adoption of Ind AS 115 was insignificant.

In arrangements for software development and related services and maintenance services, the Company has applied the guidance in Ind AS 115, *Revenue from Contracts with Customers*, by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering software development and related services as distinct performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately in the best evidence of its standalone selling price. In cases where the company is unable to determine the standalone selling price, the company uses the expected cost plus margin approach in estimating the standalone selling price. For software development and related services, the performance obligations are satisfied as and when the services are rendered since the customer generally obtains control of the work as it progresses.

### **2.5 Property, Plant and Equipment:**

Property, Plant and Equipment are stated at cost of acquisition less accumulated depreciation and impairment, if any. Cost of acquisition is inclusive of freight, duties, levies and all incidentals directly or indirectly attributable to bringing the asset to its working condition for ready to use, as intended by management. The cost of fixed assets includes cost of initial warranty/ insurance spares purchased along with the capital asset, which are grouped as single item under respective assets. The Company depreciates property, plant and equipment over their estimated useful lives using written down value method. The estimated useful lives of the assets are taken as per Schedule II to the Companies Act, 2013.

Depreciation has been provided in the manner specified in Schedule II of the Companies Act, 2013 except for assets costing up to Rs. 5,000/-, which are fully depreciated in the year of capitalization. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed.

Repairs and maintenance costs are recognised in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognised in the Statement of Profit and Loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost to sell.

### **2.6 Intangible Assets:**

The company owns Copy Rights relating to its service business and are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on written down value method.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

## 2.7 Foreign currency transactions :

### Functional Currency:

The functional currency of the Company is Indian Rupee.

### Transactions & Translations

Foreign currency transactions are initially recorded at the rates of exchange ruling at the date of transaction.

Transactions in foreign currencies are translated into the functional currency at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into functional currency at the foreign exchange rate ruling at that date.

Differences arising on settlement or translation of monetary items are recognised in the Statement of Profit and Loss.

## 2.8 Financial Instruments

### 2.8.1 Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

### 2.8.2 Subsequent recognition

#### a. Financial Assets

##### *i. Financial Assets carried at amortised cost*

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### *ii. Financial assets at fair value through other comprehensive income*

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

##### *iii. Financial assets at fair value through profit or loss*

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

#### b. Financial Liabilities

Financial liabilities are subsequently carried at amortized cost. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### c. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount reported in the Balance sheet if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

#### d. Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

## **e. Share Capital**

### **Ordinary Shares**

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

### **2.8.3 Derecognition of financial instruments**

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

### **2.9 Fair Value Measurement**

The fair value of financial instruments that are actively traded in organised financial markets is determined by reference to quoted market bid prices at the close of business on the reporting date. For financial instruments where there is no active market, fair value is determined using valuation techniques. Such techniques may include using recent arm's length market transactions; reference to the current fair value of another instrument that is substantially the same; discounted cash flow analysis or other valuation models.

Refer to Note 25 in for the disclosure on carrying value and fair value of financial assets and liabilities. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

### **2.10 Impairment of non-Financial Assets**

#### **(i) Intangible assets and property, plant and equipment**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

### **2.11 Earnings per Equity Share**

Basic earnings per share are computed by dividing the net profit or loss after tax attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

### **2.12 Income Taxes**

Income Tax expense comprises current and deferred income tax

#### **a. Current income tax**

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the reporting date. Tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

**b. Deferred income tax**

Deferred tax asset/liability is not determined and accounted as per Indian Accounting Standard-12 issued by ICAI as the related benefits on tax losses are considered virtually uncertain.

**c. MAT Credit**

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

**2.13 Employee Benefits****a. Gratuity**

The Company provides for gratuity, a defined benefit plan covering eligible employees. The contributions made by the company to the scheme are recognised in Statement of Profit and Loss. The liability recognised in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the Balance Sheet date less the fair value of plan assets. The calculation of the Company's obligation under the plan is performed annually by qualified independent actuary using the projected unit credit method.

Actuarial gains and losses arising during the year are immediately recognised in the Statement of Profit and Loss.

**b. Provident Fund**

Eligible employees of Company receive benefits from a provident fund, which is a defined contribution. Both the employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary and the employer contribution is charged to Statement of Profit and Loss. The benefits are contributed to the government administered provident fund, which is paid directly to the concerned employee by the fund. The Company has no further obligation to the plan beyond its monthly contributions.

**c. ESI**

In addition, some employees of the Company are covered under "Employees State Insurance Scheme Act 1948", which are also defined contribution schemes recognized and administered by Government of India.

The Company's contributions to these schemes are recognized as expense in Statement of Profit and Loss during the period in which the employee renders the related service. The Company has no further obligation under these plans beyond its monthly contributions.

**2.14 Other Income**

Other income is comprised primarily of interest income, dividend income, gain/loss on investments and exchange gain/loss on translations. Interest income is recognized using the effective interest method. Dividend income is recognized when the right to receive payment is established.

**2.15 Inventory**

Work in Progress is valued at cost or rate assured under a contract whichever is lower.

**2.16 Investments**

Long-term investments are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments. Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

**2.17 Leases:**

Lease payments under operating leases are recognized as an expense on a straight-line basis in net profit in the Statement of Profit and Loss over the lease term.

**2.18 Provisions and contingencies**

The Company recognises a provision when there is a present obligation as a result of past obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may,

but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

### **2.19 Significant accounting judgements, estimates and assumptions**

The preparation of financial statements in conformity with IND AS requires management to make certain critical accounting estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

The principal accounting policies adopted by the Company in the financial statements are as set out above. The application of a number of these policies required the Company to use a variety of estimation techniques and apply judgment to best reflect the substance of underlying transactions.

The Company has determined that a number of its accounting policies can be considered significant, in terms of the management judgment that has been required to determine the various assumptions underpinning their application in the financial statements presented which, under different conditions, could lead to material differences in these statements.

The policies where significant estimates and judgments have been made are as follows:

#### **Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustments to the carrying amounts of assets and liabilities within the next financial year are discussed below:

- **Estimation of fair value of acquired financial assets and financial liabilities:** When the fair value of financial assets and financial liabilities recorded in the Balance sheet cannot be derived from active markets, their fair value is determined using valuation techniques including the discounted cash flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. The judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.
- **Un-collectability of trade receivables:** Analysis of historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required. Further recoverability of various claims as per power purchase agreement including change in law claim are subject to adjudicate at appropriate regulatory authorities.
- **Taxes:** Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income. Given the long-term nature and complexity of existing contractual agreements, differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax income and expense already recorded. The Company establishes provisions, based on reasonable estimates, for possible consequences of assessment by the tax authorities. The amount of such provisions is based on various factors, such as experience of previous tax assessment and differing interpretations of tax laws by the taxable entity and the responsible tax authority. The Company assesses the probability for litigation and subsequent cash outflow with respect to taxes.
- **Gratuity benefits:** The cost of defined benefit plans and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions which may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexity of the valuation, the underlying assumptions and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Actual results can differ from estimates.

**Notes to Financial Statements**

(All amounts in Indian Rupees in lakhs, except share data and where otherwise stated)

**26 Financial risk management objectives and policies:**

The Company's principal financial liabilities comprises of loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to raise finance for the Company's operations. The Company has loans and receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company also hold investments designated at fair value through profit or loss, fair value through other comprehensive income, at amortised cost and at cost for investment in subsidiaries.

The Company is exposed to Foreign Currency risk, credit risk and liquidity risk.

The Company's senior management oversees the management of these risks. The Company's senior management advises on financial risks and the appropriate financial risk governance framework for the Company. It is the Company's policy that no trading in derivatives for speculative purpose may be undertaken.

The directors reviews and agrees policies for managing each of these risks which are summarised below:

**Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. The majority of our assets are located in India where the Indian rupee is the functional currency. Currency exposures also exist in the nature of revenue expenditure and services denominated in currencies other than the Indian Rupee.

Foreign currency exposures are normally unhedged.

The carrying amount of the Company's financial assets and liabilities in different currencies are as follows:

**Particulars of Unhedged foreign Currency Exposure :**

Particulars	AS AT	
	31 March 2022	31 March 2021
Trade Receivables	80.69	50.78
	1.06	0.69

The Company's exposure to foreign currency arises where a Company holds monetary assets denominated in a currency different to the functional currency with US dollar being the major foreign currency exposure. Set out below is the impact of a 5% change in the US dollar on profit and equity arising as a result of the revaluation of the Company's foreign currency financial instruments:

31st March 2022	Closing exchange rate	Effect of 5% strengthening of US \$ on net earnings	Effect of 5% strengthening of US \$ on total equity
Indian Rupees in lakhs	75.9	80.69	80.69

31st March 2021	Closing exchange rate	Effect of 5% strengthening of US \$ on net earnings	Effect of 5% strengthening of US \$ on total equity
Indian Rupees in lakhs	73.5047	50.78	50.78

**Credit risk analysis**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily for trade and other receivables) and from its financing activities, including short-term deposits with banks and financial institutions, and other financial assets.

The carrying value of financial assets represents the maximum exposure for credit risk. The maximum exposure to credit risk of each class of financial assets at the reporting date was as follows:

Particulars	Carrying Value as at	
	31 March 2022	31 March 2021
Investment in Subsidiary	33.81	33.81
Trade receivables	159.69	137.40
Short term deposits with banks	76.43	104.15
Loans	61.68	61.45

The credit worthiness of customers / subsidiaries to which the Company grants credit in the normal course of the business is monitored regularly. The credit risk for liquid funds and other short-term financial assets is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

#### Liquidity risk analysis:

The Company's main source of liquidity is its operating businesses. The treasury department uses regular forecasts of operational cash flow, investment and trading collateral requirements to ensure that sufficient liquid cash balances are available to service on-going business requirements. The Company manages its liquidity needs by carefully monitoring cash-outflows due in day-to-day business. Liquidity needs are monitored in various time bands, on a day-to-day and week-to-week basis, as well as on the basis of a rolling 90 day projection. Long-term liquidity needs for a 90 day and a 30 day lookout period are identified monthly.

The Company requires funds both for short-term operational needs as well as for long-term investment programmes:

## 28 Fair value hierarchy

The table below analyses recurring fair value measurements for financial assets and financial liabilities. These fair value measurements are categorised in to different levels in the fair value hierarchy based on the inputs to valuation techniques used. The different levels are defined as follows:

**Level 1:** quoted prices (unadjusted) in active markets for identical assets or liabilities.

**Level 2:** inputs other than quoted prices that is observable for the asset or liability, either directly or indirectly.

**Level 3:** valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

**M/s B2B Software Technologies Limited**

### Report on the Audit of the Consolidated Ind AS Financial Statements

#### Opinion

We have audited the accompanying Ind AS consolidated financial statements of **M/s B2B Software Technologies Limited** (hereinafter referred to as the 'Holding Company') and its subsidiaries (collectively referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2022, and the consolidated statement of Profit and Loss, (including other comprehensive income), the consolidated Cash Flow Statement, consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2022, of consolidated profit, consolidated changes in equity and its consolidated cash flows for the year then ended.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter
<i>Revenue from Operations:</i> The accounting of revenue involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period.
<i>Principle Audit Procedures</i> We assessed the Group's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows : <ol style="list-style-type: none"><li>1. Evaluated the design of internal controls relating to implementation of the new revenue accounting standard.</li><li>2. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, re-performance and inspection of evidence in respect of operation of these controls.</li></ol>

### **Information other than Financial Statements and Auditor's Report Thereon**

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements, Standalone Financials Statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to Report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group and of its subsidiaries.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- vi. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matters**

We did not audit the financial statements of the subsidiary which reflect total assets of Rs. in lakhs 84.04 as at 31st March, 2022, total revenues of Rs. in lakhs 535.21 and net profit Rs. in lakhs 17.60 for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is

based solely on the reports of the other auditors after considering the requirement of Standard on Auditing (SA 600) on 'Using the work of Another Auditor' including materiality.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

### Report on Other Legal and Regulatory Requirements

1. According to the information and explanations given to us and based on our examination of the Financial Statements of the Subsidiary, Companies (Auditor's Report) Order (CARO), 2020 report is not applicable to the Subsidiary included in the consolidated financial statements. Accordingly, reporting as required by the paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, is not applicable.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - ii. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
  - iii. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
  - iv. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
  - v. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2022 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
  - vi. With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure which is based on auditor's reports of the Holding Company and its subsidiary company.
  - vii. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended :

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

viii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a) There were no pending litigations which would impact the consolidated financial position of the Group.
- b) The Group, its associates and jointly controlled entities did not have any material foreseeable losses on long-term contracts including derivative contracts.
- c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.
- d) i) The respective management of the Holding Company has represented to us that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or

invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- ii) The respective management of the Holding Company has represented to us, that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- iii) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- e) The company has not declared or paid any dividend during the year.

## **Annexure to the Auditors’ Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31<sup>st</sup> March 2022, we have audited the internal financial controls over financial reporting of B2B Software Technologies Limited (“the Holding Company”) as of that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Holding Company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk

that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## Notes to Financial Statements

(All amounts in Indian Rupees in lakhs, except share data and where otherwise stated)

### 1 Nature of operations

B2B Software Technologies is one of the most prominent and competent Microsoft Dynamics Navision Solution Center of Microsoft Dynamics and the number one partner in Telangana, India. The team of Microsoft Dynamics NAV 2009 certified consultants has carried out successful implementations across various industry segments. Our customers include end-user companies as well as other solution centers in Europe, USA, Australia and Asian markets, for whom we undertake the off-shore / onsite solution development

The Company is a public limited company incorporated and domiciled in India and has its registered office in Hyderabad, Telangana, India. The Company has its primary listings on the BSE Limited.

The Company's Standalone financial statements are approved for issue by the Company's Board of Directors on April 29th, 2022.

### 2 Significant Accounting Policies

#### 2.1 Basis of preparation of financial statements

These Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except certain financial instruments which are measured at fair values, the provisions of Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the act read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and other pronouncements of the Institute of Chartered Accountants of India (ICAI) to the extent applicable.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the quarterly and yearly figures are taken from the source and rounded to the nearest digits, the figures already reported for all the quarters during the year might not always add up to the year figures reported in this statement.

#### 2.2 Use of estimates

The Preparation of financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions which effects the application of accounting policies and the reported amounts of assets and liabilities and the disclosure of contingent assets and contingent liabilities at the date of financial statements and the reported amounts of revenue and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and use of assumptions in these financial statements have been disclosed in Note No 2.19. Accounting estimates could change from time to time. Actual results could differ from the estimates. Appropriate changes in estimates are made as the Management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

#### 2.3 Cash flow statement:

Cash flows are reported using the indirect method, where by the net profit before tax for the period is adjusted for the effects of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated and presented separately.

#### 2.4 Revenue recognition:

The Company derives revenues primarily from Consultancy services and sale of Software products. Arrangements with Customers for consultancy services are either on time bound fixed-price or time and material basis.

In respect of Time and Material Contracts, revenue is recognised as and when the services are performed. In respect of time bound fixed-price engagements, where there is no uncertainty as to measurement or collectability of consideration, is recognised using the percentage of completion method of accounting, unless work completed

cannot be reasonably estimated. When there is uncertainty as to the measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. Efforts or costs expended have been used to measure the progress towards the completion as there is a direct relationship between input and productivity. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the current contract estimates. The cumulative impact of any revision in estimates of the percentage of work completed is reflected in the period in which the change becomes known.

In respect of Sale of software products, revenue is recognised on transfer of ownership to the customers.

Interest income is recognised on time proportion basis taking into account the amount outstanding and at the rate applicable.

Effective April 1, 2018, the Company adopted Ind AS 115, *Revenue from Contracts with Customers*. The effect on adoption of Ind AS 115 was insignificant.

In arrangements for software development and related services and maintenance services, the Company has applied the guidance in Ind AS 115, *Revenue from Contracts with Customers*, by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering software development and related services as distinct performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately in the best evidence of its standalone selling price. In cases where the company is unable to determine the standalone selling price, the company uses the expected cost plus margin approach in estimating the standalone selling price. For software development and related services, the performance obligations are satisfied as and when the services are rendered since the customer generally obtains control of the work as it progresses.

#### **2.5 Property, Plant and Equipment:**

Property, Plant and Equipment are stated at cost of acquisition less accumulated depreciation and impairment, if any. Cost of acquisition is inclusive of freight, duties, levies and all incidentals directly or indirectly attributable to bringing the asset to its working condition for ready to use, as intended by management. The cost of fixed assets includes cost of initial warranty/ insurance spares purchased along with the capital asset, which are grouped as single item under respective assets. The Company depreciates property, plant and equipment over their estimated useful lives using written down value method. The estimated useful lives of the assets are taken as per Schedule II to the Companies Act, 2013.

Depreciation has been provided in the manner specified in Schedule II of the Companies Act, 2013 except for assets costing up to Rs. in lakhs 0.05, which are fully depreciated in the year of capitalization. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed.

Repairs and maintenance costs are recognised in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognised in the Statement of Profit and Loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost to sell.

#### **2.6 Intangible Assets:**

The company owns Copy Rights relating to its service business and are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on written down value method.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

## 2.7 Foreign currency transactions :

### Functional Currency:

The functional currency of the Company is Indian Rupee.

### Transactions & Translations

Foreign currency transactions are initially recorded at the rates of exchange ruling at the date of transaction.

Transactions in foreign currencies are translated into the functional currency at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into functional currency at the foreign exchange rate ruling at that date.

Differences arising on settlement or translation of monetary items are recognised in the Statement of Profit and Loss.

## 2.8 Financial Instruments

### 2.8.1 Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

### 2.8.2 Subsequent recognition

#### a. Financial Assets

##### *i. Financial Assets carried at amortised cost*

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### *ii. Financial assets at fair value through other comprehensive income*

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

##### *iii. Financial assets at fair value through profit or loss*

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

#### b. Financial Liabilities

Financial liabilities are subsequently carried at amortized cost. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### c. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount reported in the Balance sheet if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

#### d. Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

#### e. Share Capital

##### *Ordinary Shares*

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

### **2.8.3 Derecognition of financial instruments**

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

### **2.9 Fair Value Measurement**

The fair value of financial instruments that are actively traded in organised financial markets is determined by reference to quoted market bid prices at the close of business on the reporting date. For financial instruments where there is no active market, fair value is determined using valuation techniques. Such techniques may include using recent arm's length market transactions; reference to the current fair value of another instrument that is substantially the same; discounted cash flow analysis or other valuation models.

Refer to Note 25 in for the disclosure on carrying value and fair value of financial assets and liabilities. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

### **2.10 Impairment of non-Financial Assets**

#### **(i) Intangible assets and property, plant and equipment**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

### **2.11 Earnings per Equity Share**

Basic earnings per share are computed by dividing the net profit or loss after tax attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

### **2.12 Income Taxes**

Income Tax expense comprises current and deferred income tax

#### **a. Current income tax**

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the reporting date. Tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

#### **b. Deferred income tax**

Deferred tax asset/liability is not determined and accounted as per Indian Accounting Standard-12 issued by ICAI as the related benefits on tax losses are considered virtually uncertain.

**c. MAT Credit**

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

**2.13 Employee Benefits****a. Gratuity**

The Company provides for gratuity, a defined benefit plan covering eligible employees. The contributions made by the company to the scheme are recognised in Statement of Profit and Loss. The liability recognised in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the Balance Sheet date less the fair value of plan assets. The calculation of the Company's obligation under the plan is performed annually by qualified independent actuary using the projected unit credit method.

Actuarial gains and losses arising during the year are immediately recognised in the Statement of Profit and Loss.

**b. Provident Fund**

Eligible employees of Company receive benefits from a provident fund, which is a defined contribution. Both the employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary and the employer contribution is charged to Statement of Profit and Loss. The benefits are contributed to the government administered provident fund, which is paid directly to the concerned employee by the fund. The Company has no further obligation to the plan beyond its monthly contributions.

**c. ESI**

In addition, some employees of the Company are covered under "Employees State Insurance Scheme Act 1948", which are also defined contribution schemes recognized and administered by Government of India.

The Company's contributions to these schemes are recognized as expense in Statement of Profit and Loss during the period in which the employee renders the related service. The Company has no further obligation under these plans beyond its monthly contributions.

**2.14 Other Income**

Other income is comprised primarily of interest income, dividend income, gain/loss on investments and exchange gain/loss on translations. Interest income is recognized using the effective interest method. Dividend income is recognized when the right to receive payment is established.

**2.15 Inventory**

Work in Progress is valued at cost or rate assured under a contract whichever is lower.

**2.16 Investments**

Long-term investments are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments. Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

**2.17 Leases:**

Lease payments under operating leases are recognized as an expense on a straight-line basis in net profit in the Statement of Profit and Loss over the lease term.

**2.18 Provisions and contingencies**

The Company recognises a provision when there is a present obligation as a result of past obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

## 2.19 Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with IND AS requires management to make certain critical accounting estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

The principal accounting policies adopted by the Company in the financial statements are as set out above. The application of a number of these policies required the Company to use a variety of estimation techniques and apply judgment to best reflect the substance of underlying transactions.

The Company has determined that a number of its accounting policies can be considered significant, in terms of the management judgment that has been required to determine the various assumptions underpinning their application in the financial statements presented which, under different conditions, could lead to material differences in these statements.

The policies where significant estimates and judgments have been made are as follows:

### Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustments to the carrying amounts of assets and liabilities within the next financial year are discussed below:

- **Estimation of fair value of acquired financial assets and financial liabilities:** When the fair value of financial assets and financial liabilities recorded in the Balance sheet cannot be derived from active markets, their fair value is determined using valuation techniques including the discounted cash flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. The judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.
- **Un-collectability of trade receivables:** Analysis of historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required. Further recoverability of various claims as per power purchase agreement including change in law claim are subject to adjudicate at appropriate regulatory authorities.
- **Taxes:** Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income. Given the long-term nature and complexity of existing contractual agreements, differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax income and expense already recorded. The Company establishes provisions, based on reasonable estimates, for possible consequences of assessment by the tax authorities. The amount of such provisions is based on various factors, such as experience of previous tax assessment and differing interpretations of tax laws by the taxable entity and the responsible tax authority. The Company assesses the probability for litigation and subsequent cash outflow with respect to taxes.
- **Gratuity benefits:** The cost of defined benefit plans and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions which may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexity of the valuation, the underlying assumptions and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Actual results can differ from estimates.

**Notes to Financial Statements**

(All amounts in Indian Rupees in lakhs, except share data and where otherwise stated)

**26 Financial risk management objectives and policies:**

The Company's principal financial liabilities comprises of loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to raise finance for the Company's operations. The Company has loans and receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company also hold investments designated at fair value through profit or loss, fair value through other comprehensive income, at amortised cost and at cost for investment in subsidiaries.

The Company is exposed to Foreign Currency risk, credit risk and liquidity risk.

The Company's senior management oversees the management of these risks. The Company's senior management advises on financial risks and the appropriate financial risk governance framework for the Company. It is the Company's policy that no trading in derivatives for speculative purpose may be undertaken.

The directors reviews and agrees policies for managing each of these risks which are summarised below:

**Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. The majority of our assets are located in India where the Indian rupee is the functional currency. Currency exposures also exist in the nature of revenue expenditure and services denominated in currencies other than the Indian Rupee.

Foreign currency exposures are normally unhedged.

The carrying amount of the Company's financial assets and liabilities in different currencies are as follows:

**Particulars of Unhedged foreign Currency Exposure :**

Particulars	AS AT	
	31 March 2022	31 March 2021
Trade Receivables	80.69	50.78
	\$ 1.06	\$ 0.69

The Company's exposure to foreign currency arises where a Company holds monetary assets denominated in a currency different to the functional currency with US dollar being the major foreign currency exposure. Set out below is the impact of a 5% change in the US dollar on profit and equity arising as a result of the revaluation of the Company's foreign currency financial instruments:

31st March 2022	Closing exchange rate	Effect of 5% strengthening of US \$ on net earnings	Effect of 5% strengthening of US \$ on total equity
Indian Rupees in lakhs	75.9	80.69	80.69

31st March 2021	Closing exchange rate	Effect of 5% strengthening of US \$ on net earnings	Effect of 5% strengthening of US \$ on total equity
Indian Rupees in lakhs	73.5047	50.78	50.78

**Credit risk analysis**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily for trade and other receivables) and from its financing activities, including short-term deposits with banks and financial institutions, and other financial assets.

The carrying value of financial assets represents the maximum exposure for credit risk. The maximum exposure to credit risk of each class of financial assets at the reporting date was as follows:

Particulars	Carrying Value as at	
	31 March 2022	31 March 2021
Investment in Subsidiary	-	-
Trade receivables	159.69	137.40
Short term deposits with banks	76.43	104.15
Loans	61.68	61.45

The credit worthiness of customers / subsidiaries to which the Company grants credit in the normal course of the business is monitored regularly. The credit risk for liquid funds and other short-term financial assets is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

#### Liquidity risk analysis:

The Company's main source of liquidity is its operating businesses. The treasury department uses regular forecasts of operational cash flow, investment and trading collateral requirements to ensure that sufficient liquid cash balances are available to service on-going business requirements. The Company manages its liquidity needs by carefully monitoring cash-outflows due in day-to-day business. Liquidity needs are monitored in various time bands, on a day-to-day and week-to-week basis, as well as on the basis of a rolling 90 day projection. Long-term liquidity needs for a 90 day and a 30 day lookout period are identified monthly.

The Company requires funds both for short-term operational needs as well as for long-term investment programmes: The following is an analysis of the Company contractual undiscounted cash flows payable under financial liabilities at 31 March 2022:
