CHAIRMAN'S MESSAGE

Dear Stakeholders,

At the beginning of FY2019 there was an expectation of higher growth as the economy seemed to have overcome the teething troubles of the Goods and Service Tax (GST). However, a rise in the current account deficit (CAD), concerns relating to rising non-performing assets (NPAs), decline in liquidity, tighter bank credit to industry, and relatively lacklustre sectorial performance contributed to uncertainties around whether India would actually post higher GDP growth.

With the ethos of your company inherent in all that we do, I am happy to share that over the past year, despite challenging economic environment, our projects saw an exceptional response.

We like to see ourselves as an execution-driven company on one hand and an opportunity responsive company on the other, taking part in India's growth story. India as a country has grown leaps and bounds and we feel this is very early for India, as there is immense infrastructure still to be built.

Implementation of RERA and similar reforms are expected to do something similar for the real estate sector. In the long term, these will shore up the buyers' and investors' confidence in the sector, and in turn improve the growth prospects.

We can fairly admit that the business landscape become challenging as both the economy and real estate sector of India went through Solid fundamental overhaul in the last three financial years. Concurrently, we also undertook strong initiatives that facilitated us to stay abreast in this challenging phase. We believe that it is imperative for the thought leaders to tackle challenges, hunt for solutions, find opportunities and make their way ahead.

On behalf of the Board, I would like to take this opportunity to thank all our employees, whose skills and capabilities have been instrumental for our growth, for their continuous dedication and commitment. Also, I would like to thank all our shareholders, financial institutions, bankers, investors, esteemed customers and associates for their continued trust and support. As we enter into another fiscal, I look forward to communicating our results and accomplishments as we execute our coherent and cohesive strategies towards a higher growth trajectory.

Wishing you all a successful year ahead!

With warm regards,

Ashish Patel

SECRETARIAL AUDIT REPORT
FORM NO. MR-3
FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2019
*[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]*

To,
The Members,
Radhe Developers (India) Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by RADHE DEVELOPERS (INDIA) LIMITED (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2019 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- (vi) Other laws applicable specifically to the Company, namely:-
- (a) Real Estate (Regulation and Development) Act, 2016;
 - (b) Gujarat Real Estate (Regulation and Development) (General) Rules, 2017;
 - (c) Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996 and the rules made by State of Gujarat thereunder;
 - (d) The Building and Other Construction Workers' Welfare Cess Act, 1996 and the rules made thereunder;
 - (e) Indian Stamp Act, 1899;
 - (f) Value Added Tax Act, 2017

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned hereinabove.

During the Period under review, provisions of the following Acts, Rules, Regulations, Guidelines, Standards, etc. were not applicable to the Company:

- (i) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- (ii) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- (iii) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (iv) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (v) The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998;

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists

for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the Minutes of the meetings duly recorded and signed by the Chairperson the decisions of the Board were unanimously and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

Indian Economic Scenario

The Indian economy started the fiscal year 2018–19 with a healthy 8.2 percent growth in the first quarter on the back of domestic resilience. Growth eased to 7.3 percent in the subsequent quarter due to rising global volatility, largely from financial volatility, normalized monetary policy in advanced economies, externalities from trade disputes, and investment rerouting. Further, the Indian rupee suffered because of the crude price shock, and conditions exacerbated as recovery in some advanced economies caused faster investment outflows.

The improving macroeconomic fundamentals have further been supported by the implementation of reform measures, which has helped foster an environment to boost investments. Together, these augur well for a healthy growth path for the economy. India has already surpassed France to become the sixth-largest economy. By 2019, it may become the fifth-largest economy and possibly the third-largest in 25 years.

Despite the positive outlook, the economy remains vulnerable to domestic and geopolitical risks, especially economic and political changes that can affect relative prices and hurt current and fiscal account deficit. While expectations of inflationary pressures remain benign, concerns have risen on the twin deficit problem—current account deficit and fiscal deficit—especially as portfolio investments remain subdued while trade deficit stays high. While fiscal expansion remains key to accelerating growth, it may weigh on government coffers if private investment loses steam.

Industry Structure and Developments

Real estate is probably one of the oldest and most recognised sectors in the world. This business has successfully led to the overall development of various countries, including India, and has a significant role in the GDP of a country. In India, real estate is said to reach a large market size of \$1 trillion by 2030. It is also projected to add a whopping 13 per cent to the country's growing economy and GDP by 2025.

According to data released by Department of Industrial Policy and Promotion (DIPP), the construction development sector in India has received Foreign Direct Investment (FDI) equity inflows to the tune of US\$ 24.91 billion in the period April 2000–December 2018.

Some of the major investments and developments in this sector are as follows:

- Housing launches across top eight Indian cities increased 75 per cent in 2018 to 182,207 units.
- In March 2019, Embassy Office Parks, India's first real estate investment trust (REIT) went public.
- Warehousing space in top eight Indian cities increased 22 per cent y-o-y in 2018 to 169 mn sq. ft.
- Around 5.1 million sq. ft. of retail space became operational in top seven Indian cities in 2018.

Government Initiatives

The government has announced certain amendments in the taxation and regulatory features. RERA is streamlining the real estate, ensuring that the buyer gets full value for his money. The central and various state governments are announcing single window approvals. GST and the approval by SEBI for the Real Estate Investment Trust (REIT) has led to greater transparency, and institutional investors are now looking at Indian real estate with renewed interest. With the advent of the first REIT in early 2019, investors could look forward for great opportunities.

Below are some of the other major Government Initiatives:

- Under the Pradhan Mantri Awas Yojana (PMAY) Urban, more than 6.85 million houses have been sanctioned up to December 2018.
- In February 2018, creation of National Urban Housing Fund was approved with an outlay of ₹ 60,000 crore (US\$ 9.27 billion).
- Under the Pradhan Mantri Awas Yojana (PMAY) Urban 1,427,486 houses have been sanctioned in 2017-18. In March 2018, construction of additional 3,21,567 affordable houses was sanctioned under the scheme.

Ahmedabad Real Estate

The overall market for residential developments continued to be subdued in Ahmedabad. However, lack of new launches in key markets over the last few years has gradually brought down the levels of unsold inventory. FY 2018-19 saw some positive movement in launches after a significant gap. Even so, prices continued to be sticky and there was a visible trend towards smaller apartments and ticket sizes.

Opportunities and Threats

Opportunities

Global economic growth lost momentum and slowed down considerably in the latter half of 2018 after a strong performance in 2017 and early-2018. According to the IMF, global growth which was revised downward to 3.6 percent in 2018 is projected to decline further to 3.3 percent in 2019. This decline in growth in 2018 was broad-based as all major advanced and emerging economies were affected. According to the second advance estimates released by the Central Statistics Office (CSO) on 28th February 2019, growth in India's Gross Domestic Product (GDP) for FY 2018-19 is estimated at 7 percent, compared to 7.2 percent in the previous year.

Besides, growth in gross fixed capital formation remained in double digits since the second half of FY 2017-18, supported primarily by the government's thrust on infrastructure sector and affordable housing, which augurs well for the real estate industry.

Threats

It has been observed that there has been a steady decline in the demand of residential sales from 2014-15 onwards. While office space development and leasing have witnessed steady and fast upward growth, the residential segment has recorded below moderate growth. Major metros like Mumbai, Delhi, Bangalore, Ahmedabad etc. noticed only a marginal increase in prices of residential sales that ranged between 5% to 7%.

The capital-intensive real estate industry was already grappling with the issues of land acquisition, cost escalations, delay in getting approvals, delivery pressure from RERA and IBC etc. The recent NBFC crisis has further added chaos to the liquidity strapped sector. The pro activeness and policing of Real Estate Regulatory Authority (RERA) is also mounting pressure on the developers to shape up their act.

The current challenges will invariably delay the completion of the projects and thus result in a huge cost overrun, giving rise to countless litigations against the projects.

Segment Wise Performance

In line with Ind AS - 108 Operating Segments and basis of the review of operations being done by the Senior Management, the operations of the group fall under the Construction business which is considered to be the only reportable segment by the management.

Outlook

In the last few years, the Indian real estate industry has witnessed a positive change in favor of organized players with strong brand equity. Implementation of Real Estate (Regulation and Development) Act (RERA) and the Goods and Services Tax Act (GST) have not only ensured greater transparency and protection for home buyers, but have also rewarded more efficient and organized players in the industry by reducing the cost arbitrage benefits of the unorganized sector.

Moreover, tough market conditions in the last few years have opened-up opportunities for companies with strong balance sheets to secure projects at attractive rates. In addition, as the customer profile has shifted from investors towards end-users, the value propositions of the product and the brand of the

developer have both become more important than ever before.

Risks and Concerns

The sales of units in real estate projects are highly dependent on the economic scenario of the country. The sales are subject to factors such as inflation and interest rates. If the factors are conducive we can expect good market.

Internal Financial Control Systems and Their Adequacy

The Company has a proper and adequate system of internal financial controls, commensurate with its size and business operation. It ensures timely and accurate financial reporting in accordance with applicable accounting standards, safeguarding of assets against unauthorized use or disposition and compliance with all applicable regulatory laws and Company policies.

Internal Auditors of the Company review the internal financial control systems on a regular basis for its effectiveness, and necessary changes and suggestions are duly incorporated into the system. Internal audit reports are also reviewed by the Audit Committee of the Board.

Discussion on Financial Performance with respect to Operational Performance

The Company is focusing on execution of its existing projects. The key strategy will be focused around:

1. Timely completion of Project
2. Financial strength & liquidity
3. Professional Management
4. Customer care
5. Brand Equity

During the year under review, the Company registered total revenue of ₹ 1079.93 lakh as compared to ₹ 1101.92 lakh for the previous year and Profit before Tax stood at ₹ 0.80 lakh for the year under review as compared to ₹ 104.09 lakh for the previous year.

Material Developments Human Resources / Industrial Relations

The Company has cordial relation with the employees and contractors of the company. The staff has the depth of experience and skills to handle company's activities. Skilled team of workers and other professionals ensure superior quality standards during every stage of work. The total employee strength as on March 31, 2019 was 19.

Cautionary Statement

The above Management Discussion and Analysis contains certain forward looking statements within the meaning of applicable security laws and regulations. These pertain to the Company's future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. INDEPENDENT AUDITORS' REPORT

To,
The Members of
Radhe Developers (India) Limited
Ahmedabad

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Radhe Developers (India) Limited**, which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in equity and statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial

controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other legal and Regulatory Requirements

1. As required by Companies (Auditor's Report) Order, 2016 issued by the Central Government of India in terms of Section 143(11) of the Act, we annex hereto a statement in Annexure-A on the matters specified in paragraphs 3 and 4 of the said order.
2. As required by section 143(3) of the Act, we report that :
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account of the Company.
 - d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, please refer to our separate report in Annexure B. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company does not have any pending litigations which would impact its financial position.
 - ii. The company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on the long term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in the Auditors Report to the Members of **Radhe Developers (India) Limited** for the year ended **March 31, 2019**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Radhe Developers (India) Limited** ("the Company") as of **March 31, 2019** in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming part of the Financial Statements for the year ended March 31, 2019**1 CORPORATE INFORMATION**

Radhe Developers (India) Limited is a public limited company incorporated and domiciled in India in the year 1995 and has its registered office in Ahmedabad, Gujarat, India. The Company has its primary listing on the BSE Limited. The company offers residential, commercial, plotting and related projects. It has niche in various aspects like design, timely completion of the project etc.

2 SIGNIFICANT ACCOUNTING POLICIES**2.1 Statement of compliance:**

These financial statements are the separate financial statements of the Company (also called standalone financial statements) prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

2.2 Basis of Preparation of Financial Statements:

The financial statements have been prepared on going concern, accrual basis and on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Notes Forming part of the Financial Statements for the year ended March 31, 2019

- Level 3 inputs are unobservable inputs for the asset or liability.

The principal accounting policies are set out below.

2.3 Revenue Recognition:

The Ministry of Corporate Affairs (MCA) has issued the Companies (Indian Accounting Standards) Amendment Rules, 2017 and Companies (Indian Accounting Standards) Amendment Rules, 2018 amending the following standard:

Ind AS 115 Revenue from contracts with customers

Ind AS 115 was issued on 29 March 2018 and establishes a five-step model to account for revenue arising from contracts with customers.

- 1 Identify the contract(s) with the customer
- 2 Identify the separate performance obligations
- 3 Determine the transaction price
- 4 Allocate the transaction price to the performance obligations
- 5 Revenue Recognition when performance obligations are satisfied

Under Ind AS 115, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

The new revenue standard will supersede all current revenue recognition requirements under Ind AS and the guidance note of real estate issued by ICAI

Effective April 1, 2018, the Company adopted Ind AS 115 from Contracts with using the cumulative catch-up transition method, applied to contracts that were not completed as of April 1, 2018.

The standard permits two possible methods of transition:

- Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Errors
- Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach)The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018.

The Company will adopt the standard on April 1, 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended March 31, 2018 will not be retrospectively adjusted. The effect on adoption of Ind AS 115 is expected to be insignificant as all the projects/contracts of the Company are completed as on the effective date.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Notes Forming part of the Financial Statements for the year ended March 31, 2019

In accordance with the new standard, and on the basis of the Company's contracts with customers, its performance obligations are satisfied over time.

b) Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.4 Employee Benefits:**Retirement benefit costs and termination benefits**

Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognized in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Notes Forming part of the Financial Statements for the year ended March 31, 2019

A liability for a termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

Short-term and other long-term employee benefits

A liability is recognized for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognized in respect of long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

2.5 Taxation:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Notes Forming part of the Financial Statements for the year ended March 31, 2019

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

2.6 Property, plant and equipment:

Property, Plant & Equipment are stated at cost of acquisition or construction net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and other directly attributable costs. Subsequent costs are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that future economic benefits associated with the item flow to company and the cost of item can be measured reliably.

Depreciation provided is pro-rata basis as per "Straight Line Method" over the useful life of the assets as prescribed in Schedule II of the companies Act, 2013 in respect of all assets.

Capital work in progress is stated at cost less accumulated impairment loss, if any.

Deemed cost on transition to Ind AS

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

2.7 Impairment of tangible assets:

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments

Notes Forming part of the Financial Statements for the year ended March 31, 2019

of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

2.8 Inventory:

Inventories comprise completed units for sale and property under construction (Work in progress):

- a. Completed unsold inventory is valued at lower of cost and net realizable value. Cost is determined by including cost of land, materials, services and related overheads.
- b. Work in progress is valued at cost. Cost comprises value of land (including development rights), materials, services and other overheads related to projects under construction.

2.9 Financial Instruments

Financial assets and financial liabilities are recognized when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

2.10 Financial assets

All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Notes Forming part of the Financial Statements for the year ended March 31, 2019**Classification of financial assets**

Debt instruments that meet the following conditions are subsequently measured at amortized cost:

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For the impairment policy on financial assets measured at amortised cost, refer para of Impairment of financial assets.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income:

- The asset is held within a business model whose objective is achieved both by collecting Contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognized in profit or loss for FVTOCI debt instruments. For the purposes of recognizing foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortized cost. Thus, the exchange differences on the amortized cost are recognized in profit or loss and other changes in the fair value of FVTOCI financial assets are recognized in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to profit or loss.

For the impairment policy on debt instruments at FVTOCI, refer Para of Impairment of financial assets. All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in profit or loss and is included in the "Other income" line item.

Notes Forming part of the Financial Statements for the year ended March 31, 2019**Financial assets at fair value through profit or loss (FVTPL)**

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria (see above) are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Impairment of financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Company measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial

Notes Forming part of the Financial Statements for the year ended March 31, 2019

recognition due to improvement in credit quality as compared to the previous period, the Company again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognized in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

Derecognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and

Notes Forming part of the Financial Statements for the year ended March 31, 2019

the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

2.11 Financial liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by a Company entity are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- The amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- The amount initially recognized less, when appropriate, the cumulative amount of income recognized in accordance with the principles of Ind AS 18.

Notes Forming part of the Financial Statements for the year ended March 31, 2019**Derecognition of financial liabilities**

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

2.12 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit before tax and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.13 Cash and Cash Equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

2.14 Borrowing Cost

Borrowing costs attributable to the acquisition, construction or production of qualifying assets, are added to the cost of those assets, up to the date when the assets are ready for their intended use. All other borrowing costs are expensed in the period they occur.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

Notes Forming part of the Financial Statements for the year ended March 31, 2019

2.15 Foreign Currency Transaction

Transaction in foreign currency is recorded at exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currency are translated at the exchange rate prevailing on the Balance sheet date and exchange difference on translation of monetary assets and liabilities and resultant gain or loss is recognised in the Profit and loss account.

Non-Monetary assets and liabilities are translated at the rate prevailing on the date of transaction.

2.16 Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. The Company's primary segment is identified as business segment based on nature of products, risks, returns and the internal business reporting system and secondary segment is identified based on the geographical location of the customers.

2.17 Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders after deducting preference dividends and attributable taxes by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any

2.18 Use of Estimates

The preparation of the financial statements in conformity with Ind-AS requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities (including contingent liabilities) on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialize.

Notes Forming part of the Financial Statements for the year ended March 31, 2019**3 KEY ACCOUNTING ESTIMATES****a) Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value are measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions relating to these factors could affect the reported fair value of financial instruments.

b) Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cashflow (DCF) model. The cash flows are derived from the budget and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

c) Taxes

Deferred tax assets are recognised for unused tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

d) Defined benefit plan

The cost of the defined benefit plans and other post-employment benefits and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter that is subject to change the most is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of

government bonds in currencies consistent with the currencies of the post-employment benefit obligation and extrapolated as needed along the yield curve to correspond with the expected term of the defined benefit obligation. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases are after considering the expected future inflation rates for the country.

4 RECENT ACCOUNTING PRONOUNCEMENTS

Standards issued but not yet effective

Ind AS 116 Leases :

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

1. Full retrospective - Retrospectively to each prior period presented applying Ind AS 8 Accounting policies, Changes in accounting estimates and errors
2. Modified retrospective - Retrospectively, with the cumulative effect of initially applying the standard recognized at the date of initial application Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:
 - Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or
 - An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments,

that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible method of transition :

1. Full retrospective approach - under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight
2. Retrospectively, with the cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019.

Amendment to Ind AS 12 - Income Taxes

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

Amendment to Ind AS 19 - Plan amendment, curtailment or settlement

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and
- to recognise in profit and loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

The company will be adopting the amendments from their effective date.

1. A Statement pursuant to Section 102(1) of the Companies Act, 2013 ("the Act"), relating to the Special Business to be transacted at the Annual General Meeting ("Meeting") is annexed hereto.
2. A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself /herself and the proxy need not be a member of the Company. The instrument appointing the proxy should, however, be deposited at the registered office of the Company not less than forty-eight hours before the commencement of the Annual General Meeting.

A person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder. The holder of proxy shall prove his identity at the time of attending the Annual General Meeting. Attendance Slip, Proxy Form and the Route Map of the venue of the Meeting are annexed hereto.

3. Corporate members intending to send their authorized representatives to attend the meeting are requested to send certified copy of Board Resolution or other governing body authorizing their representatives to attend and vote on their behalf at the meeting.
4. Members / proxies / authorized representatives should bring their copy of the Annual Report and Accounts along with duly filled Attendance Slip enclosed herewith to attend the Meeting.
5. Members who hold shares in dematerialized form are requested to write their DP ID and Client ID Numbers and those who hold shares in Physical form are requested to write their Folio Number in the Attendance Slip for attending the Meeting.
6. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of Names will be entitled to vote.
7. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 ('the Act') and the Register of Contracts or Arrangements in which Directors are interested, maintained under Section 189 of the Act, will be available for inspection by the members at the Annual General Meeting.
8. The Register of Beneficial Owners, Register of Members and Share Transfer Book of the Company shall remain closed from Friday, the August 29, 2019 to Thursday, the September 05, 2019 (both days inclusive) for the purpose of 25th Annual General Meeting.

9. Members are requested to address all correspondence to the Registrar and Transfer Agent, MCS Share Transfer Agent Limited, Unit : Radhe Developers (India) Limited, 201, Shatdal Complex, 2nd Floor, Opp. Bata Show Room, Ashram Road, Ahmedabad - 380 009.
10. The Annual Report 2018-19, the Notice of the 25th Annual General Meeting and instructions for e-voting, along with the attendance slip and proxy form, are being sent by electronic mode to members whose email addresses are registered with the Company / depository participant(s), unless a member has requested for a physical copy of the documents. For members who have not registered their email addresses, physical copies are being sent by the permitted mode.
11. In terms of the provisions of Section 152 of the Act, Smt. Jahnavi A. Patel, Director, retire by rotation at the Meeting. Nomination and Remuneration Committee and the Board of Directors of the Company command her re-appointment.
12. Shri Dineshsingh Kshatriya is interested in the Special Resolution set out at Item No. 3 of the Notice with regard to his appointment. Except Shri Dineshsingh Kshatriya and his relatives, none of the Directors and Key Managerial Personnel of the Company and their respective relatives are, in any way, concerned or interested, in the resolution set out at item No. 3 of this Notice.
13. The requirement to place the matter relating to appointment of Auditors for ratification by members at every Annual General Meeting is done away with vide notification dated May 7, 2018 issued by the Ministry of Corporate Affairs, New Delhi. Accordingly, no resolution is proposed for ratification of appointment of Auditors, who were appointed in the Annual General Meeting, held on September 15, 2017.
14. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in physical form can submit their PAN details to MCS Share Transfer Agent Limited.
15. As per Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The said form can be downloaded from the Company's Website www.radhedevelopers.com (under 'Investors' section). Members holding shares in physical form may submit the same to MCS Share Transfer Agent Limited. Members holding shares in electronic form may submit the same to their respective depository participant.
16. All documents referred to in the accompanying notice and explanatory statement are open for inspection at the registered office of the Company on all working days, except Saturday between 11:00 a.m. to 01:00 p.m. prior to the date of 25th Annual General Meeting of the Company.
17. Any member desiring any clarification/explanation in respect of the information given in this annual report is requested to submit query to the company at least 10 days in advance before the meeting so as to enable the management to keep information ready.

18. SEBI has decided that securities of listed companies can be transferred only in dematerialised form April 01, 2019. In view of the above and to avail various benefits of dematerialisation, members are advised to dematerialise shares held by them in physical form.
19. To support the 'Green Initiative', Members who have not registered their e-mail addresses are requested to register the same with DPs or RTA of the Company.
20. Additional Information, pursuant to Regulation 36 read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, in respect of the directors seeking appointment / reappointment at the AGM, forms part of the Notice.
21. In compliance with the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, and Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by NSDL, on all the resolutions set forth in this Notice. The instructions for e-voting are annexed to the Notice. Resolution(s) passed by Members through e-voting is/are deemed to have been passed as if they have been passed at the AGM. The Board has appointed Alkesh Jalan, Practicing Company Secretary (Membership No. ACS: 15677; CP No: 4580), as the Scrutinizer to scrutinize the e-voting / ballot process in a fair and transparent manner.
22. The e-voting period commences on **Monday, the September 02, 2019 at 9:00 a.m. and ends on Wednesday, the September 04, 2019 at 5:00 p.m.** During this period, members of the Company holding shares either in physical form or in dematerialized form, as on the Cut-off date i.e. **August 29, 2019**, may cast their vote electronically. The members will not be able to cast their vote electronically beyond the date and time mentioned above and the e-voting module will be disabled by NSDL for voting thereafter. The voting rights of the members shall be in proportion to their share in the paid up equity share capital of the Company as on the Cut-off date i.e. **August 29, 2019**. Once the vote on a resolution is cast by the member, he/she shall not be allowed to change it subsequently or cast the vote again.
23. The facility for voting through ballot papers will also be made available at the AGM and the members attending the AGM who have not already cast their votes by remote e-voting shall be able to exercise their right at the AGM through ballot process. The Members who have cast their votes by remote e-voting prior to the AGM may attend the AGM but shall not be entitled to cast their votes again.
24. If Members are opting for remote e-voting, they shall not vote by poll paper and vice versa. However, in case Members cast their vote both by poll paper and by remote e-voting, then voting done through remote e-voting shall prevail and voting done by poll paper will be treated as invalid.
25. The Scrutinizers shall immediately after the conclusion of the voting at the meeting, first count the votes of the valid poll paper cast at the 25th Annual General Meeting. They shall then proceed to unblock the votes cast through remote e-voting in the

presence of at least two witnesses not in the employment of the Company. The Scrutinizers thereafter shall submit their report to the Chairperson after completion of their scrutiny. The result of the voting will be announced within forty eight hours of the conclusion of the 25th Annual General Meeting at the Registered Office of the Company, i.e. 1st Floor, Chunibhai Chambers, Behind City Gold Cinema, Ashram Road, Ahmedabad - 380 009.

26. The results declared along with the Scrutinizer's report shall be placed on the Company's website www.radhedevelopers.com and on the website of NSDL and shall also be intimated to the Bombay Stock Exchange (BSE) where shares of the Company are listed.
27. Members who are holding shares in identical order of names in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio.
28. The route map of the venue of the Annual General Meeting is appended to this Report. The prominent land mark near the venue is City Gold Cinema (Ashram Road).
29. A detailed list of instructions for e-voting is annexed to this Notice.

ANNEXURE TO NOTICE

Explanatory Statement Pursuant to Section 102 of the Companies Act, 2013 and Other Applicable Provisions

ITEM NO. 3

Mr. Dineshsingh Kshatriya was appointed as an Independent Director of the Company by members in Annual General Meeting held on September 30, 2014 for the period of 5 Consecutive year's upto March 31, 2019. As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the board of the Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of the Company.

Based on recommendation of Nomination and Remuneration Committee and in terms of provisions of Sections 149, 152 read with Schedule IV and any other applicable provisions of the Act and Regulation 16 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Dineshsingh Kshatriya, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, is proposed to be re-appointed as an Independent Director for Second term of Five Consecutive years till March 31, 2024.

The Company has received declaration from him stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation16(1) (b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Independent Director of the Company, if so appointed by the members. In the opinion of the Board, Mr. Dineshsingh Kshatriya fulfils the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1) (b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his reappointment as an Independent Director of the Company and is independent of the management. Copy of the draft letter for appointment of Mr. Dineshsingh Kshatriya as an Independent Non-Executive Director setting out terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours on any working day, except Saturday, upto and including the date of AGM of the Company.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Dineshsingh Kshatriya as an Independent Director.

Disclosure under Regulation 36(3) of the Listing Regulations and Secretarial Standard-2 issued by the Institute of Company Secretaries of India are set out in the Annexure to the Explanatory Statement.

Accordingly, the Board recommends passing of the Special Resolution in relation to re-appointment of Mr. Dineshsingh Kshatriya as an Independent Director for another term

of five consecutive years with effect from April 01, 2019 to March 31, 2024, for the approval by the shareholders of the Company.

Except Mr. Dineshsingh Kshatriya, being an appointee and his relatives, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the accompanying Notice of the AGM. Mr. Dineshsingh Kshatriya is not related to any Director of the Company.

- ❖ This form of proxy in order to be effective should be duly completed and deposited at the Registered Office of the Company, not less than 48 hours before the commencement of the Meeting.
- ❖ A proxy need not be a member of the Company and shall prove his identity at the time of attending the Meeting.
- ❖ A person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than 10% of the total share capital of the company carrying voting rights. A member holding more than 10% of the total share capital of the company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.
- ❖ Appoint a proxy doesn't prevent a member from attending the meeting in person if he/she so wishes. When a member appoints a proxy and both the member and proxy attend the meeting, the proxy will stand automatically revoked.
- ❖ In case of Joint holders, the signature of any one holder will be sufficient, but names of all the joint holders should be stated.
- ❖ ** This is only optional. Please put a 'V' in the appropriate column against the resolutions indicated in the box. If you leave 'for' or 'Against' column blank against any or all the resolutions, your proxy will be entitled to vote (on poll) at the meeting in the manner he/she thinks appropriate.
- ❖ This form of proxy shall be signed by the appointer or his attorney duly authorized in writing, or if the appointer is a body corporate, be under its seal or be signed by an officer or an attorney duly authorized by it.
- ❖ This form of proxy will be valid only if it is duly complete in all respects, properly stamped and submitted as per the applicable law. Incomplete form or form which remains unstamped or inadequately stamped or form upon which the stamps have not been cancelled will be treated as invalid.
- ❖ Undated proxy form will not be considered as valid.
- ❖ If the company receives multiple proxies for the same holdings of a member, the proxy which is dated last will be considered valid; if they are not dated or bear the same date without specific mention of time, all such multiple proxies will be treated as invalid.
