MANAGEMENT DISCUSSION & ANALYSIS REPORT

The Management Discussion & Analysis Report has been included in adherence to the spirit enunciated in the code of Corporate Governance approved by the Securities and Exchange Board of India. The report herein presents the Company Overview, SWOT Analysis, Initiatives by the Company and overall outlook of the Company for the future. This outlook is based on the assessment of the current environment which may vary due to future economic and other developments in the universal arena.

COMPANY STRUCTURE AND DEVELOPMENTS

The Company has recovered itself from the sickness status and has recovered its losses upto a extent. The Company has already paid its entire debt and now is a debt free company. Also it is successfully running its operations and after a long time is able to achieve all its objectives and during the year, sales of the company is Rs. 240.74 lacs and the company has achieved a net profit after tax of Rs. 3.13 lacs.

The Company is looking for a strong future ahead and targeting the growth of atleast 60% for the next year. Accordingly the profit would also increase considerably. Its future aim is to improve its financial position.

Though the Company and its management is fully devoted towards producing new range of socks, wrist bands, head bands and other related products in order to fulfill its object of increasing profits.

The entire plant is being revamped; modernized and new capacity is also added. The Company is also negotiating with few of the renowned companies to sell its products. The factory is becoming more or less fully operational and a good future is ahead.

SWOT ANALYSIS

1. STRENGTHS:

- The Company has most strategically located plant and has adopted advanced production techniques.
- We are also pleased to inform you that we are already connected with CDSL for dematerialization of shares and the process of connection with NSDL has been started in May, 2012 as the Company with its hard work, has fulfilled the criteria for admission with NSDL. Hope the same to be successful in next two-three months. This will result into reducing the market lot of shares on BSE and thus shareholders will be able to trade in Company's shares more conveniently and without any problems. This all has become possible due to your support to the Company.
- The Company due to past experience and having better goodwill with world's best exporters, is capable of recapturing the foreign market in short span of time.
- The Company's products are very well established in foreign market. It is capable of making socks of different designs/patterns.

2. Weakness:

- The financial position of the Company is still not improved according to the set objectives. The management is trying its best to bring the Company in a better position by next year.

3. Opportunities:

- Due to expansion of the manufacturing base of the Company, there will be substantial increase in demand of Company's products.
- The Company will be able to use much potential available now in the domestic market on which every Multi National Company has set their eyes upon in India.

4. Threats:

- Due to high competitive pressure in the market, the Company has to operate in this competitive scenario and acquire a grip in the market to hold its foot firmly and upkeep the brand name.
- Technology Obsolescence: These are the days when technology takes no time to become obsolete. Thus to be at par with its competitors the Company has to ensure that it constantly updates and upgrades its technology.
- Adverse change in the Government Policies may affect in the business operations of the Company.
- Exchange Rates: Since the Company uses India as a major source of manpower, the exchange rates of the rupee vis-à-vis the US dollar and other currencies affect its ability to compete. The Company attempts to minimize the foreign exchange exponent by taking appropriate measures wherever required.

ADEQUACY OF INTERNAL CONTROL

The Company has a professional & adequate internal control systems, which assures proper recording of transactions of its operations and also ensures protection against misuse or loss of the Company's assets. This also provides adequate safeguards & effective monitoring of its transactions.

HUMAN RESOURCE DEVELOPMENT

Human Resource Development is very essential in an organization. The management continues to lay emphasis on identifying, developing the talent on organization with a view to retain them and further training to those who capable of handling additional responsibilities. This works to increase employee satisfaction.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The Financial Statements have been prepared in compliance with the requirements of the Companies Act, 1956 and Generally Accepted Accounting Principles (GAAP) in India. Financials of the Company is detailed in the Financial Accounts of the Company forming part of the Annual Report.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations or predictions may be forward looking statements within the meaning of the applicable securities laws and regulations. Actual results could differ materially from those expressed or implied.

AUDITORS' REPORT

The Members,

HIGH STREET FILATEX LTD

7.1 Depreciation on revalued part of Building is transferred to revaluation Reserve and balance amount of depreciation is charged to Profit & Loss A/c. Total life of Building was considered 30 years and residual life as on 1-4-09 (i.e date of revaluation) was 15 years and depreciation is computed @ 6.67% on revalued assets so as to write off the entire value in residual life of Assets.

7.2 Depreciation on Plant & Machinery is restricted up to the amount of net block i.e Rs. 1455869.06/- leaving a residual value of Rs 1/-

7.3 The Leasehold land was allotted on 99 year lease w.e.f. 4-10-1991 by RIICO.

7.4 In terms of decision of Board of Directors, revaluation of Land and Building of the company was got done during 2008-09 by approved valuer so as to represent the true realizable value of assets. The cost of acquisition in case of land and written down value in case of building was substituted with value arrived as per revaluation report and the difference was credited to Revaluation reserve. Accordingly depreciation is calculated on revalued portion of building as adjusted to write off the entire value in residual life and the same has been shown reduced from revaluation reserve.

Note 21 Significant Accounting Policies

- A Fixed Assets are stated at cost of acquisition/ construction less accumulated depreciation. The cost includes all the pre-operative expenses and the financing cost of borrowings related to the pre production period. In case of revaluation of assets cost of acquisition is substituted by appropriate value in terms of valuation by competent professional
- B Depreciation on Fixed Assets is provided on straight line Method at the rates and in the manner prescribed in Schedule XIV to the Companies Act, 1956. Depreciation on assets acquired during the year is charged on pro rata basis & part of the month is considered as a full month.. Depreciation on revalued assets is recomputed so as to write off the entire value in residual life of assets.
- C Foreign Currency Transactions
- i Export Sales- At the rates as on the date of negotiation or collection ,where export bills are negotiated after the close of the year, then at the year end rate when not covered by forward contract.
 - ii Expenditure- At the rates as on the date of transaction, receivables, creditors and outstanding liabilities are translated at the rate as at the close of the year, or at forward contract rate, wherever applicable.
 - iii Foreign Currency Loans for acquiring Fixed Assets and outstanding at the close of the Financial Year - At the contracted /prevailing rate of exchange, at the close of the year. The gain or loss due to decrease/ increase in rupee liability due to fluctuations in rates of exchange is adjusted to the cost of the assets acquired through these loans. The depreciation on such increase/decrease in value of assets is provided for prospectively on residual life of the assets.
- D Investments are stated at cost.
- E Stock of Raw Material, spare parts and work in process are valued at cost . Finished goods are valued at lower of direct cost or net realisable value.
- F Expenditure During Construction Period : Expenditure incurred on projects during implementation is capitalised and apportioned to various assets on commissioning of the project.
- G Preliminary, Capital Issue and Deferred Revenue Expenses :Preliminary, capital issue expenditure are written off in 10 years from the year of commercial production.
- H Retirement Benefit : Gratuity:- Provision for gratuity is made on the basis of actual accrued liability.

Note 22 Notes on Accounts

- 1 The Revised Schedule VI has become effective from April 1, 2011 for the preparation of financial statements. This has significantly impacted the disclosure and presentation made in the financial statements. Previous year's figure have accordingly been regrouped/reclassified, to correspond with the current year's classification/ disclosure.
