The deemed venue for the 30th AGM shall be the Registered office of the company i.e., C-98, Jagan Path, Chomu House, C - Scheme, Jaipur-302001, (Rajasthan).
3. The Company has availed the services of the Central Depository Services (India) limited (CDSL), as the authorized agency for conducting the AGM through VC/OAVM and providing e-voting facility.
4. In compliance with the aforesaid Circulars, the Notice of 30th AGM along with the Annual Report for the financial year 2020-21 is sent only through electronic mode to those Members whose E-mail addresses are registered with the Company / Depositories / RTA as **on 27th August, 2021**. The AGM notice and Annual Report of the Company are made available on the Company's website at www.polyconltd.com and also on the website of the Stock Exchanges where the shares of the Company have been listed viz., BSE Limited at - www.bseindia.com.
The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
5. Though a Member entitled to attend and vote at the meeting, is entitled to appoint one or more proxies (proxy need not be a member of the Company to attend and vote instead of himself / herself), the facility of appointment of Proxies is not available as the AGM is convened through VC/ OAVM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body

corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.

6. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
7. In case of joint holders only such joint holder who is higher in the order of names will be entitled to vote during the meeting.
8. The Register of Members and Share Transfer Books will remain closed **from 24th day of September, 2021 to 30th day of September, 2021** (both days inclusive) for the purpose of AGM.
9. As a part of the green initiatives, the Members who have not yet registered their E-mail address are requested to register their E-mail address with their DPs in case the shares are held by them in electronic form and with RTA in case the shares are held by them in physical form. Upon such Registration, all communication from the Company/RTA will be sent to the registered E-mail address.
10. Members are requested to intimate, indicating their folio number, the changes, if any, in their registered address, either to the Company's Registrar and Share Transfer Agent or to their respective Depository Participant ("DP") in case the shares are held in dematerialized form.
11. As per the provisions of Section 72 of the Act and Rule 19 (1) of the Companies (Share Capital and Debentures) Rules, 2014, Members holding shares in physical form may file nomination in the prescribed Form SH-13 with the Company's RTA. In respect of shares held in demat form; the nomination form may be filed with the respective DP. If a Member desires to cancel the earlier nomination and record fresh nomination, he/she may submit the same in Form No. SH-14.
12. As per Regulation 40 of SEBI (LODR) Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect **from 1st April, 2019**, except in case of request received for transmission or transposition of securities. Hence, the Members holding shares in physical form are requested to consider converting their holdings in the dematerialized form.
13. The Register of Directors and KMP and their shareholding and Register of contracts or arrangements in which the Directors are interested maintained under Sections 170 and 189 of the Companies Act, 2013 respectively will be available electronically for inspection by the members at the AGM. All the documents referred in the accompanying Notice and Statement setting out material facts will be available for electronic inspection for Members on all working days (except Holiday) between **11.00 A.M. and 1.00 P.M. (IST) up to date of 30th AGM**. Members seeking to inspect such documents may send an E-mail to info@polyconltd.com.
14. Updation of Members' details: The format of the Register of Members prescribed by the MCA under the Act requires the Company/RTA to record additional details of Members, including their PAN details, E-mail address, bank details for payment of dividend, etc. Members holding shares in physical form are requested to furnish the above details to the Company or RTA. Members holding shares in electronic form are requested to furnish the details to their respective DP.
15. Since the AGM being held through VC/OAVM, the Route Map, Attendance Slip and proxy form are not attached to this Notice.
16. Mr. Brij Kishore Sharma, Practicing Company Secretary (Membership No. FCS-6206), has been appointed as the Scrutinizer to scrutinize the voting at AGM and remote e-voting process in a fair and transparent manner.
17. The Scrutinizer, after scrutinizing the votes cast at the meeting and through remote e-voting, will, not later than TWO WORKING DAYS of conclusion of the Meeting, make a consolidated scrutinizer's report and submit the same to the Chairman.
18. The results shall be declared by the Chairman or the person authorized by the Chairman in writing and the resolutions will be deemed to have been passed on the AGM date subject to receipt of the requisite number of votes in favor thereof. Promptly after declaration of results the same shall be placed along with scrutinizer's report on the website of the Company www.polyconltd.com and the website of CDSL. The results shall simultaneously be communicated to BSE limited for placing the same on their website.
19. **CDSL e-Voting System – For Remote e-voting and e-voting during AGM**
 1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No. 17/2020 dated April 13, 2020, Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated 13th January 2021. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
 2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as

- well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
 4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
 5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
 6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.polyconltd.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
 7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated 13th January 2021.

20. THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The remote e-voting period begins on 27-09-2021(09:00 AM) and ends on 29-09-2021(05:00 PM). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23-09-2021 may cast their vote electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below :

PERFORMANCE AND FINANCIAL POSITION OF COMPANY

National lockdown due to COVID-19 pandemic at the beginning of the Financial year and continued restrictions impacted production, demand and consequently prices of products. This adversely affected the operations of the Company resulting in, Gross Revenue from the Operations of the company during FY 2020-21 was Rs. 2765.69 Lacs against Rs. 3010.31 Lacs in the year 2019-20. However the company has earned Net Profit during the year in comparison to Loss in last year the Net profit for the year was Rs.4.42 Lacs against Rs.(287.67) Lacs in previous year.

As the company was in production even in lockdown months, the revenues of the Company are slightly to be adversely impacted, but the business situation is very dynamic, the company is closely monitoring it. Business situation as of now is normal, as the company is having sufficient order in hand.

Keeping in view prevailing sluggish market conditions due to Covid-19 outbreak resulting in stagnant sales, in the first half of the financial year, the management considers overall performance to be satisfactory.

The Company's inherent strengths of its people, brand image, its operating efficiencies and the robustness of its plantation efforts have combined to give it the ability to withstand the strongest economic shock in our lifetime. The pandemic severely impacted economic activities all over the country. Your Company responded quickly to ensure the safety of its employees and other stakeholders, as per guidelines issued

by authorities in each jurisdiction. It also ensured that our supply chains and operations were able to function with the least disruption. In keeping with its policy of prioritizing employee safety, The Company is taking utmost care of its staff and work force like sanitization, social distancing, mandatory mask wearing, and thermal check at the gate, maintaining proper hygiene. Supply chain is being monitored to ensure availability of material. We have taken cash flow, capital expenditure and overhead control Measures to smoothly manage our operations.

MANAGEMENT DISCUSSION AND ANALYSIS
Overview

The Financial statements have been prepared in compliance with the requirements of the companies Act, 2013 and adopted "IND AS" with effect from 1st April 2017. Accordingly the, financial statements for the year 2020-21 have been prepared in compliance (Indian Accounting Standard) Rules, 2015. The estimates and Judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner.

Industry Structure & Development

The Indian Economy is standing on a relatively strong path. Polycon International Ltd. is a manufacturing company offering high quality products and services to its clients. The company has been focusing on satisfying the customers by supplying the quality products well in time. This will bring your company in sync with the requirements of buyers and in turn, will bring great profits and values to its stakeholders.

Opportunity

The company supplies PET containers like bottles, jars Caps, to Industrial Buyers including some multinational companies for packing their products mainly engaged in Confectionery, liquor, pharma hair oil etc. Usage of plastics is increasing in automobiles, consumer packaging and impact of increased infrastructure spending, the plastics industry is expected to continue growth.

The industry grew annually Before Pandemic .Even after more than a year into the pandemic, the global economy still remains on highly uncertain ground. COVID cases are accelerating in many countries, new virus strains are emerging and death toll rising continuously even as WHO warns that the pandemic will be more deadly this year than 2020. Although vaccination has started, the disproportionate distribution is a cause for worry.

There was some hindrance in First quarter of Financial Year 2020-2021 due to lockdown induced as a safety measure against COVID-19 Pandemic.

Our company is quick in realizing the latest trends and opportunities in the industry and has been in sync with the latest happenings in the market.

Polycon International Limited is continuously working over its capacity and effectiveness to increase its production and aims to provide better quality products to its consumers along with making strong position in domestic market.

Threats

- Cut-throat competition from the new entrants in the market, thereby squeezing the Company's profit margins.
- Price volatility of key raw material and fuel.
- Uncertainty in the economic environment.
- Unavailability of skilled manpower.
- Threat of substitutes.
- Introduction of new technologies.

Outlook

The year 2020-21 saw unprecedented disruption to lives and livelihoods across the world and India was no exception. The economy declined sharply during first half of the fiscal year as the country grappled with the pandemic, however, effective measures taken by the Government of India and the Reserve Bank of India helped the Indian economy to recover. Rapid rollout of vaccines coupled with Government's efforts on stimulating growth improved consumer sentiments. Notwithstanding these encouraging developments, the Covid-19 pandemic is far from over. The trajectory of the pandemic still remains unpredictable to a very large extent, with country already witnessing a second wave of Covid-19. Our overriding priority remains, therefore, to protect lives and livelihoods.

The operations are running at same capacity as of now as running before lockdown.

Our company is constantly striving to provide quality products and is looking forward to use improvised technology and innovative methods to increase its sales. Company's endeavor to provide high quality

products aiming to grant full value of money to the customer, expected to place in light of its refreshed mission and vision and clear strategic framework. Our Company will seize the opportunities and face the challenges prevailing in the industry and is confident to remain the market leader in the organized plastic industry. There is ample scope and opportunity for companies having business in these sectors not to mention the potential of our company and its large presence in these sectors for many years.

Risks and Concerns

It must be clearly understood that each company has its own risk, from which it cannot be fully isolated but mitigated by means of proper risk management. Our company foresees certain areas of risk, concerns and threats in its arena of operations.

In the normal course of business, the Company is exposed to external risks such as overall demand fluctuation in the market segment in which it operates reduction in relative market share for its products due to the impact of competition as well as internal risks such as limited product range, variation in operational efficiency and cost structure. The company is also exposed the financial risk in the form of interest rate variation. The Company is taking appropriate steps to guard itself against these identified risks.

In order to overcome such situations company is fully devoted in the preparation of appropriate programmes, adoption of suitable policies and to take corrective and precautionary measures for safeguarding the company's market position and further to strengthening it.

Adequacy of Internal Control System

Our Company has adequate system of internal controls commensurate with its size and scale of operation, to ensure that all the assets of the Company are safeguarded and protected and that all the transactions are authorized, recorded and reported appropriately. INDEPENDENT AUDITORS' REPORT

To the Members of Polycon International Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Polycon International Limited** ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and Total Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Attention has to be drawn to Note No. 42 to the financial statements regarding the uncertainties arising out of the outbreak of COVID-19 pandemic and the assessment made by the management on its business and financials, including valuation of assets, policy liabilities and solvency for the year ended 31st March, 2021, this assessment and the outcome of the pandemic is as made by the management and is highly dependent on the circumstances as they evolve in subsequent periods.

Other Information

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis and Board's Report including Annexure to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind-AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from

material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements

represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in planning the scope of our audit work and

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanation given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iii. The Company has provided requisite disclosures in the financial statements, on the basis of information available with the Company. Based on audit procedures and relying on the management representation, we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management.

ANNEXURE B to the Independent Auditor's Report of even date on the Standalone Financial Statements of Polycon International Limited**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****To the Members of Polycon International Limited**

We have audited the internal financial controls over financial reporting of Polycon International Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, judging by the nature and quantum of transactions appearing in the financial statements, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2 SIGNIFICANT ACCOUNTING POLICIES, ASSUMPTIONS AND NOTES

2.1 BASIS OF PREPARATION

2.1.1 Ministry of corporate affairs has notified roadmap to implement IND AS notified under Companies (Indian Accounting Standard) Rules 2015 as amended by the Companies (Indian Accounting Standard) Rules 2016. And according to the said roadmap the company is required to apply IND AS in preparation of financial statements from the financial year beginning from 1st April 2017.

2.1.2 The Company has prepared its financial statements as per the IND AS for the financial year beginning on April 1, 2016 as the date of transition. These are the Company's first annual financial statements prepared complying in all material respects with the IND AS notified by Ministry of Company Affairs ("MCA").

2.1.3 The significant accounting policies used in preparing the financial statements are set out in Notes to the Standalone Financial Statements.

2.1.4 The preparation of the financial statements requires management to make estimates, judgements and assumptions. Actual results could vary from these estimates. The estimates, judgements and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable.

2.1.5 Amounts in these financial statements have, unless otherwise indicated, have been rounded off to 'rupees in lakhs' upto two decimal points.

2.2 Statement of Compliance

The financial statements comprising of the Balance Sheet, Statement of Profit and Loss, Statement of changes in equity, Statement of Cash Flow together with notes comprising of a summary of Significant Accounting Policies and Other Explanatory Information for the year ended 31st March 2021 and comparative information in respect of the preceding period have been prepared in accordance with IND AS as notified

and duly approved by the Board of Directors, along with proper explanation for material departures.

2.3 ACCOUNTING POLICIES

2.3.1 Basis of Measurement

The standalone financial statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value:

- Financial assets and liabilities except those carried at amortised cost
- Defined benefit plans – Plan assets measured at fair value

The standalone financial statements are presented in Indian Rupees, which is the Company's functional and presentation currency.

2.3.2 Current versus non-current classification

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current

A liability is classified as current when it is:

- Expected to be settled in normal operating cycle,
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.3.3 Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw Materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their

present location and condition. Cost is determined on first in first out basis.

Finished Goods and Work in Progress: Cost includes cost of direct materials and labour and a proportion of fixed manufacturing overheads based on the normal operating capacity. Cost is determined on first in first out basis.

Traded Goods: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.3.4 Statement of cash flows

Cash flows are reported using the Indirect method as prescribed in IND AS 7 'Statement of Cash flows', where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expense associated with investing or financial cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.3.5 Revenue recognition and other income

- "Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018). The impact of the adoption of the standard on the financial statements of the Company is insignificant." Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

"Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers"

Other income

- a Interest
 - Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.3.6 Property, Plant and Equipment

"Property, plant and equipment are tangible items that: "(a) are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes; and "(b) are expected to be used during more than one period."

Items such as spare parts, stand-by equipment and servicing equipment are classified as inventory since they do not meet the definition of PPE.

Initial recognition: The initial cost of property, plant and equipment comprises its purchase price, including non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent expenses and recognition: Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized. Subsequently Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss on the date of disposal or retirement.

Depreciation: Property, Plant and Equipments except lease hold land is depreciated on Written Down Method in the manner prescribed in Schedule II to the Companies Act, 2013.

Financial Land Lease: Company has taken certain lands on financial lease. The amount of lease has been amortised over the period of lease.

Component accounting: When parts of an item of property, plant and equipment have different useful life, they are accounted for as separate items (Major components) and are depreciated over the useful life respectively.

Projects under which assets are not ready for their intended use are disclosed under Capital Work-in-progress.

2.3.7 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases.

Lease hold land have been recognized as finance lease as per IND -As 17 (Leases) and therefore have been classified under the head of property ,plant and equipment and have been ammortised on the basis of

remaining life of the land on straight-line basis.

Rental expense from operating leases is generally recognised on a straight-line basis over the relevant lease term other than where the rentals are structured solely to increase in line with expected general inflation to compensate for the increase in lessor's expected inflationary cost, such increase is recognised in the year in which such benefits accrue. In the event that lease premiums are paid to enter into operating leases, such premiums are recognised as a prepaid expenditure and amortised over the period of lease.

2.3.8 Employee benefit expenses

a. Short - term Employee Benefits:-

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognised in the period in which the employee renders the related services

The Company recognises the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability after deducting any amount already paid.

Bonus and Leave encashment expenses are paid in the year in which they are incurred. Hence, they are classified as short term benefits.

b. Post-employment Benefits:-

(a) Defined Contribution Plan: Contribution to PF and ESI is recognised as an expense in the Statement of Profit & Loss as it is incurred. There are no other obligations other than the contribution payable to the respective trust. Eligible employees receive benefits from a provident fund which is a defined contribution plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary.

"(b) Defined Benefit Plans : Retirement benefits in the form of gratuity is determined on the basis of an actuarial valuation using the projected unit credit method as at Balance Sheet date."

2.3.9 Borrowing Cost

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying assets is one that takes necessarily substantial period of time to get ready for its intended use. All other borrowing cost are charged to revenue.

2.3.10 Earnings per share

- Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year.
- Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential

equity shares outstanding during the year, except where the result would be anti-dilutive.

2.3.11 Impairment of assets

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset exceeds its recoverable amount (i.e. the higher of the fair value less cost to sell and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. Any impairment gain loss is transferred to profit and loss.

2.3.12 Provisions, Contingent Liabilities and Contingent Assets

a Provisions

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation (legal or constructive) as a result of past events and it is probable that there will be an outflow of resources.

- If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate.
- Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

b Contingencies

- Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liabilities is disclosed in the Notes to the Financial Statements.

- Contingent assets are not recognised in the books of the accounts but are disclosed in the notes. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset and the corresponding income is booked in the Statement of Profit and Loss.

2.3.13 Taxation

- Income tax expense represents the sum of Current Tax and Deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in Equity or Other comprehensive income, in such cases the tax is also recognised directly in equity or in other comprehensive income.
- Current tax provision is computed for Income calculated after considering allowances and exemptions under the provisions of the Income Tax

Act 1961. Current tax assets and current tax liabilities are off set and presented as net.

- Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

2.3.14 Cash and cash equivalents

Cash and cash equivalents include cash in hand and at bank, deposits held at call with banks.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short term deposits, having maturity less than 3 months.

2.3.15 Financial instruments – initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a Financial Assets

- Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on the judgment of the management for managing those financial assets and the assets' contractual cash flow characteristics.
- Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes, financial assets are assessed individually.

De-recognition of financial Asset

A financial asset is primarily derecognised (i.e. removed from the balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset. When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

Impairment of financial assets (other than fair value)

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance

Trade receivables:

- A receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less expected credit loss if any.
- Impairment is made for the expected credit losses. The estimated impairment losses are presented as a deduction from the value of trade receivables and the impairment losses are recognised in the Statement of Profit and Loss under "Other expenses".
- Subsequent changes in assessment of impairment are recognised in ECL and the change in impairment losses are recognised in the Statement of Profit and Loss under "Other Expenses".
- Individual receivables which are known to be uncollectible are written off by reducing the carrying amount of trade receivables and the amount of the loss is recognised in the Statement of Profit and Loss under "Other Expenses".
- Subsequent recoveries of amounts previously written off are credited to "Other Income".

Investments in Equity Instruments

- Investments in Equity Instruments have been valued at their fair values through Profit and Loss, as on the closing date. The fair value has been taken from the stock exchange where the shares are listed. Investments have also been made in NSC deposits, which have been carried at their book values.

b Financial liabilities

At initial recognition, all financial liabilities other than those valued at fair value through profit and loss are recognised at fair value less transaction costs that are directly related to the issue of financial liability. Transaction costs of financial liability carried at fair value through profit or loss are expensed in profit or loss.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss.

Financial liabilities measured at amortised cost

After initial recognition, interest free Security Deposits and

other financial liabilities are valued at Amortised cost using Effective Interest Rate method (EIR Method). The EIR amortisation is included in finance costs in the Statement of Profit and Loss. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

De-recognition of financial liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid is recognised in profit or loss as "Other Income" or "Finance Expense".

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.3.16 Intangible assets

Intangible assets have been shown at cost, less accumulated amortisation and impairments, if any.

2.3.17 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Company is principally engaged in the business of manufacture and sale of pets and other Plastic Products and there are no other reportable segments.

2.4 CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectation of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events that existed as at the reporting date, or that which occurred after the date but provide additional evidence

about the conditions existing at the reporting date.

a **Property, plant and equipment**

- Management assesses the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable.

b **Income taxes**

- Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities.
- The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

c **Contingencies**

- Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

d **Impairment of accounts receivable and advances**

- Trade receivables carry interest and are stated at their fair value as reduced by appropriate allowances for expected credit losses. Individual trade receivables are written off when management deems them not to be collectible. Impairment is recognised for the expected credit losses.

e **Employee benefit expenses**

- Actuarial valuation for gratuity liability of the Company has been done by an independent actuarial valuer on the basis of data provided by the management and assumptions used by the actuary. The data so provided and the assumptions used have been disclosed in the notes to accounts.

f **Discounting of Security deposit, and other long term liabilities**

- For majority of the security deposits received, the timing of outflow, as mentioned in the underlying contracts, is not substantially long enough to discount. The treatment would not provide any meaningful information and would have no material impact on the financial statements.

g **Government Grants**

"Grants from the government are recognized at fair value where there is reasonable assurance that the grant will be received and the company will comply with all attached conditions."Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income."

Fair Value of Financial Assets and Liabilities

- The carrying amounts of trade receivables, trade payables, capital creditors, cash and cash equivalents, other bank balances, other financial assets, short term borrowings and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.
- Majorly the security deposits are redeemable on demand and hence the fair values of security deposits are approximately equivalent to the carrying amount.
- There is no material difference between carrying amount and fair value of non-current borrowings as on March 31, 2021 and March 31, 2020.

38 FINANCIAL RISK MANAGEMENT

The Company's activities expose it to a variety of financial risks i.e. Market Risk, Liquidity Risk and Credit Risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

A. Market risk

• Foreign Currency Risk :

There are no currency rate risk on the Company since all the transactions are done in the functional currency (INR) and the Company has not taken any loans or borrowings from the market in foreign currency.

• Interest Rate Risk :

The exposure of the Company's borrowing to interest rate charges at the end of the reporting period is on the amount of outstanding balance of cash credit facilities from State Bank Of India. The interest rates are linked to 1 year MCLR and are changed at the time of annual renewal. The rates will either increase or decrease depending on changes in RBI's and Bank's policies.

• Price Risk:

The Company faces price risk due to change in price of Raw Materials from time to time. To shield itself from

them, all sales contracts and orders are variable to changes in prices from time to time. They are based on the price of raw materials at the beginning of each month or weighted average price of last 3 months.

B. Liquidity Risk

- Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due. Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash requirements.

C. Credit risk

- Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The carrying amounts of financial assets represent the maximum credit risk exposure.
- Assets are written off when there is no reasonable expectation of recovery. The Company write offs debtors when they fail to make contractual payment greater than a reasonable limit post due.
- The Company considers the probability of default upon

initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

Trade and Other Receivables

Credit risk refers to the risk of default on its obligation by the counter party resulting in financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to **Rs. 1074.52 Lakhs, Rs.1045.23 Lakhs and Rs. 1097.89 Lakhs as at March 31, 2021, March 31, 2020 and March 31, 2019**, respectively. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry. The Company monitors its exposure to credit risk on an ongoing basis at various levels. Outstanding customer receivables are regularly monitored.

Due to the geographical spread and the diversity of the Company's customers, the Company is not subject to any significant concentration of credit risks at balance sheet date.

Cash and Cash Equivalents and Bank Deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits accounts in different banks across the country.

Cash Credit Facilities

Cash credits facilities from State Bank Of India, Jhotwara Industrial Area Branch, Jhotwara (Jaipur) together with interest and other charges thereon, is secured by mortgage of company's land and building together with plant and machinery thereon both present and future and by way of a hypothecation charge over all movable assets including book debts, stock etc. of the company and secured by personal guarantee of two directors of the company. Cash credit is payable on demand and carries interest rate @ 8.45%- 9.80% p.a. on monthly rest.

39 CAPITAL RISK MANAGEMENT

Objective

The primary objective of the Company's capital management is to maximize the shareholder value. i.e. to provide maximum returns to the shareholders. The Company's primary objective when managing capital is to ensure that it maintains an efficient capital structure and healthy capital ratios and safeguard the Company's ability to continue as a going concern in order to support its business and provide maximum returns to the shareholders. The Company also

proposes to maintain an optimal capital structure to reduce the cost of capital. No changes were made in the objectives, policies or processes during the year ended March 31, 2021 and March 31, 2020.

Policy

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the rules and regulations framed by the Government under whose control the Company operates.

Process

The Company manage its capital by maintaining sound/optimal capital structure financial ratios, such as net debt-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary. Debt-to-equity ratio as of March 31, 2021 and March 31, 2020 is as follows :

42 The management has considered all the possible effects, if any, that may result from the pandemic relating to COVID-19 on the results of operations, liquidity, capital resources and carrying amounts of trade receivables. In developing the assumptions and estimates relating to the uncertainties as on the balance sheet date in relation to

the recoverable amounts of the assets, the management has considered the global economic conditions prevailing as at the date of approval of these financial results and has used the internal and external sources of information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in future due to the impact of the pandemic. The management will continue to monitor and assess the ongoing developments and respond accordingly.

43 FAIR VALUE HEIRARCHY

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

- Quoted prices/published NAV (unadjusted) in active markets for identical assets or liabilities (level 1). It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date.
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2). It includes fair value of the financial instruments that are not traded in an active market (for example, interest free security deposits) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3). If one or more of the significant inputs is not
