Item No. 8

The Articles of Association ("AoA") of the Company is presently in force since its incorporation. The existing Articles of Association are in line with the erstwhile Companies Act, 1956 which are thus no longer in full conformity with the Companies Act, 2013 ('New Act'). With the coming into force of the new Act several articles of the existing Articles of Association of the Company require alterations / deletions. Given this position, it is considered expedient to wholly replace the existing Articles of Association by a new set of Articles.

It is thus expedient to adopt new set of Articles of Association (primarily based on Table F set out under the Companies Act, 2013), in place of existing Articles of Association of the Company instead of amending the Articles of Association by alteration/incorporation of provisions of the Companies Act, 2013. Hence the Board of Directors at its meeting held on 2nd September, 2020 decided to adopt new set of Articles in place of existing Articles of Association of the Company and seek members' approval for the same.

In terms of section 5 and 14 of the Companies Act, 2013, the consent of the members by way of special resolution is required for adoption of new set of Articles of Association of the Company.

A copy of the proposed set of new Articles of Association of the Company would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours on any working day.

Your Board of Directors recommends the Resolution set out at Item No. 8 of notice for the approval of members as a special resolution.

None of the other Directors /Key Managerial Personnel of the Company /their relatives are in any way, concerned or interested in the said resolution.

By Order of the Board,

Review of operations

During the year under review the sales turnover of your company was Rs. 8.83 crore as against sales turnover of Rs. 16.62 crore in the previous financial year. The company has witnessed drastic fall in order book position, escalation in production cost and unrest in the industry. Also witnessed requirement of upgradation of technology and machineries to survive in the cut-throat competition. Apart from this Pandemic Covid-19 and lockdown situation has badly affected overall industry and economy. Owing to this the turnover of the company declined by 47% over last year and booked loss of Rs. 0.36 crore during the period under review.

Your company is taking various efforts to reduce the overall cost, exploring new avenues of investments and trying for better price gains for its products in the market.

Future Outlook

Pandemic Covid-19 and lock down in the country imposed restrictions on circulation of newspapers which has worstly affected supply-demand ratio. Decline in demand lowered turnover of the company and eventually lead to loss. In such tough conditions with the endeavor of various government initiatives the management of the company is optimistic to find path of success in near future. Further the management is also committed towards trust of its various stakeholders and acknowledges their support in such hard time and believes to have same support in future also.

Amounts transferred to reserves

The Board of Directors of the Company has decided to carry loss of Rs. 0.36 Crore to its reserves.

Management Discussion and Analysis Report

Management's discussion and analysis of the financial condition and results of operations include forward looking statements based on certain assumptions and expectations of future events. The Company cannot assure that these assumptions and expectations are accurate. Although the Management has considered future risks as part of the discussions, future uncertainties are not limited to Management perceptions.

Economic Outlook

Global growth is projected at -4.9 percent in 2020, 1.9 percentage points below the April 2020 World Economic Outlook (WEO) forecast. The COVID-19 pandemic has had a more negative impact on activity in the first half of 2020 than anticipated, and the recovery is projected to be more gradual than previously forecast. In 2021 global growth is projected at 5.4 percent. Overall, this would leave 2021 GDP some 6½ percentage points lower than in the pre-COVID-19 projections of January 2020. The adverse impact on low-income households is particularly acute, imperiling the significant progress made in reducing extreme poverty in the world since the 1990s.

The International Monetary Fund (IMF) has projected a deeper 4.5% contraction for India in FY21 than earlier estimated, citing a longer lockdown period and slower than anticipated recovery.

The economic impact of the 2020 corona virus pandemic in India has been largely disruptive. India's growth in the fourth quarter of the fiscal year 2020 went down to 3.1% according to the Ministry of Statistics. The Chief Economic Adviser to the Government of India said that this drop is mainly due to the corona virus pandemic effect on the Indian economy. Notably India had also been witnessing a pre-pandemic slowdown, and according to the World Bank, the current pandemic has "magnified pre-existing risks to India's economic outlook".

The World Bank and rating agencies had initially revised India's growth for FY2021 with the lowest figures India has seen in three decades since India's economic liberalization in the 1990s. However after the announcement of the economic package in mid-May, India's GDP estimates were downgraded even more to negative figures, signalling a deep recession. (The ratings of over 30 countries have been downgraded during this period.) On 26 May, CRISIL announced that this will perhaps be India's worst recession since independence. State Bank of India research estimates a contraction of over 40% in the GDP in Q1 FY21. The contraction will not be uniform, rather it will differ according to various parameters such as state and sector.

Paper Industry in India

The nationwide lockdown to curb the COVID-19 pandemic has impacted demand for paper and paper boards which is likely to witness a 10-15 per cent year-on-year decline in 2020-21, according to Crisil Research

The extended lockdown to stem the COVID-19 pandemic has dealt a nasty blow to the highly fragmented paper industry in India, Crisil Research said in a report.

The demand has shrunk as schools and colleges are shutdown, while majority of offices have also crimped demand for writing and printing (W&P) paper. Industrial paper usage has also crumpled because of weakness in FMCG, consumer durables and apparel segments, which account for 50-60 per cent of demand, it said.

The demand for paper and boards is expected to contract 10-15 per cent this financial year compared to the previous year, the report said, adding all categories of products will be affected. Around 80 per cent of the

nation's paper capacity of 25 million tonnes (750-800 mills) is clustered around six states that account for half of India's gross domestic product.

They are also major consumption hubs, the report said. About 40-45 per cent of paper mills are in COVID-19 red zones, and another 40-45 per cent are in orange zones, it said. In addition to this, the industry is also grappling with shortage of raw material and limited availability of labour, which are affecting capacity utilisation. Besides, exports have also fallen, the report added.

This will affect the financials of paper makers, especially the small- and mid-sized ones, which are highly fragmented, it said.

Industrial Structure & Developments

Changing economic and business conditions, rapid technology, innovation and adoption and globalization are creating an increasingly competitive market environment that is driving corporations to transform the manner in which they operate. Companies in this environment are now focusing even more on their business objectives such as revenue growth, profitability and asset efficiency.

Opportunities and Threat, Outlook & Area of Concern

Growth in the Indian economy and demand creates unprecedented opportunities for company to invest significantly in each of its core businesses.

In keeping with the philosophy of continuous consumer centric approach which is the hall mark of any organization, several developmental activities have been planned for the next fiscal year.

Risk Management & Concerns

Risk in cost of raw materials, environmental liabilities, tax laws, labour relations, litigation and significant changes in the Global political and economical environment exert tremendous influence on the performance of the company. The Company has laid down procedures to inform Board Members about the risk assessment and minimization procedures.

Human Resource Development and Industrial Relations

The Company believes that the employees are the backbone of the Company. Congenial and safe work atmosphere, appropriate recognition and rewards, constant communication, focus on meeting customer needs and change management through training are the hallmarks for development of human resources of the company. Every employee is aware of the challenges posed by the current economic environment.

Employee morale has remained high even during difficult times. The employees have co-opted fully with the management in implementing changes as required by the market. And it is providing an opportunity to all the employees to utilize their full potential and grow in the Organization. There was no strike or labour unrest during the last financial year.

There are 27 employees in the company as on 31st March, 2020.

Internal Control System and Their Adequacy

Every successful company needs to have certain controls in place for functioning effectively. Saffron Industries Limited as well has sufficient internal controls in accordance with the nature and magnanimity of its business.

These have been designed to ensure that:

- Assets of the Company are acquired in an economical manner and safeguards are in place for their upkeep and to ensure their protection against any damage or destruction.
- Controls relating to the financial and operational aspects of the business remain in place and are working satisfactorily to detect exceptions and raise alerts.
- The Company enforces stringent compliance with all applicable laws and internal policies.

The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of internal control systems and suggests improvements to strengthen the same. The Board of Directors has framed a policy which ensures the orderly and efficient conduct of its business, safeguarding of its assets, to provide greater assurance regarding prevention and detection of frauds and accuracy and completeness of the accounting records of the company.

Further your company has adequate internal financial controls with reference to its financial statements.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the **Companies Act, 2013** in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its loss and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We are of the opinion that there are no other key matter as per SA 701, to be reported for the ensuing year under audit.

Information other than the financial statements and auditors' report thereon:

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements:

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit

evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements:

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the **Companies (Accounts) Rules, 2014**.
- (e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of internal financial controls over financial reporting of the company and the operating effectiveness of such controls refer our separate report in Annexure B. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) In respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- a. The Company does not have any pending litigations which would impact its financial position.
- b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of **SAFFRON INDUSTRIES LIMITED** of June 27, 2020)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013.

We have audited the internal financial controls over financial reporting of **SAFFRON INDUSTRIES LIMITED** as at March 31, 2020, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls:

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility:

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance

regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SAFFRON INDUSTRIES LIMITED

SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention and on accrual basis.

B. Fixed Assets :

- i) Fixed assets are stated at cost, alongwith costs directly attributable to bring the asset to their working condition. The MODVAT credit available on fixed assets in respect of Kraft upgradation Plant was deducted from cost of the respective asset. Fixed Assets acquired for Power Project and for upgradation of existing plant, are stated at cost inclusive of excise duty. The company has disposed off a substantial part of its fixed Assets as these were obsolete. This will impact its production capacity.
- ii) Depreciation has been provided in the manner and at the rates calculated as per remaining useful life of tangible assets, as stipulated in the Schedule II of the Companies Act, 2013, on straight line method.

C. Sales-tax :

The unit was eligible for incentives under the Package Scheme of Incentives 1993, of the State Government. Considering the incentives availed so far, the company is liable for payment of tax on part of its turnover Sales tax refunds and set off, available are accounted for on accrual basis.

D. Inventories :

Inventories comprising of raw materials, chemicals, packing materials, goods in process and finished products have been valued at lower of cost or net realisable value. The consumables have been valued at cost.

E. Deferred tax Liability :

No Provision has been made in respect of Deferred Tax Asset calculated as per Ind AS 22, of about ` 41565 hundreds (Approx) (Last year ` 48222 hundreds), arising due to timing differences in the depreciation charged under the Income-tax Act, 1961 and that charged under the Companies Act, 1956, and unabsorbed loss brought forward, in view of the profitability trends, the amount of Unabsorbed Depreciation available and the liability of the company for payment of Income tax in near future.

F. Revenue Recognition:

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection.

G. Segment Reporting:

From last financial year the company has commenced business of Real Estate Development. Segment wise separate reporting is done.

H. The company has applied to the concerned Authorities for change of its surplus factory land ,for Residential purpose with a plan for layout of plots, which is pending with them. Considering this the company has converted a part of its factory land into stock-in trade last year. The company has entered into Memorandum of Understanding (MOU) with a few buyers, to whom these plots have been allotted in pursuant to these MOU. Amounts received or adjusted against sale of these plots are considered as sales. No sale Deeds have been executed for sale of these plots. Balance amounts receivable against sale consideration of these plots, will be considered as sales on execution of Sale Deeds.

I. Borrowing Cost :

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

J. Provisions, Contingent Liabilities and Contingent Assets :

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

K. General :

Other accounting policies of the Company are consistent with generally accepted accounting policies.
