Whereas the terms of appointment of Shri. Bharatbhai P. Patel as Managing Director expired on 31st May, 2018.

Whereas the Board of Directors of the Company at its meeting held on 15th May, 2018 reappointed Shri. Bharatbhai P. Patel as Managing Director for a further period of 5 years with effect from 1st June, 2018 (i.e. up to 31st May, 2023) on terms and conditions mentioned in the resolution, subject to the approval by a resolution of the shareholders of the company in a general meeting.

The payment of remuneration to the Managing Director will be subject to the conditions prescribed under second proviso of Section II(B) read with Section II(A) of Part A of Schedule V and sub-section 3 of Section 197 of the Act, and such remuneration will be payable for a period of three years w.e.f 01.06.2018 to 31.05.2021 and the payment of remuneration thereafter during his tenure will be subject to the approval of the shareholders.

Shri. Bharatbhai P. Patel is a Managing Director of the company since 2008 have a wide-ranging experience in the textiles business. He is drawing remuneration of Rs.1.25 Lac per month since 01st June, 2013. He is appointed for further period of five years at a same remuneration of Rs.1.25 Lac p.m. with an authority to the Board of Directors to increase the remuneration maximum upto Rs. 2 Lac per month. The remuneration proposed to be paid to him is moderate in compare to the remuneration paid in the textiles industry companies of a similar size to the company. As a managing Director he has no pecuniary relationship directly or indirectly with the company, or relationship with the managerial personnel.

With the knowledge and experience of Shri Bharatbhai P. Patel, the company can grow further.

The company is engaged in the business of textiles particularly manufacturing of grey cotton. The company is in operation for more than two decades. The company is a profit making company having profit before tax of Rs.158.18 Lac and operational income of Rs. 5473.44 Lac for the financial year ended on 31.03.2018.

Reduction in operating and financial performance are mainly on account of delay in GST (VAT Refund), Capital subsidy in form of TUF (Textiles upgradation fund) were utilized as working capital and resultant decrease in interest on deposit, increase in raw material consumption cost as rate of yarn is higher than the previous year, the borrowing cost was increased by 2.5 to 3% and increased cost of maintenance of parts of imported machinery. From the month of March, 2018, the company has diversified its activities from sale of grey fabrics to the sale of finished fabrics. Further, the company has started the processing of grey fabrics through reputed processing houses and selling in bulk the ready finished fabrics directly for the garments, consequently the operational income will boost by 15 to 20% during the current year. The company's diversified business policy / activity will result into early realizable payment cycle, say within 40-45 days, leads to reduction in borrowing costs on account of early credit period and considerable increase in profit margin.

The company has not committed any default in repayment of any of its debts (including public deposits) or debentures or interest payable thereon for a continuous period of thirty days in the preceding financial year before the date of appointment of Shri Bharatbhai P. Patel.

The resolution at Item No. 4 of the Notice seeks the approval of the members to the said appointment by way of ordinary resolution. Your directors recommend the resolution to the shareholders for adoption.

Shri. Bharatbhai P. Patel is father of Shri. Nirmal B. Patel and husband of Smt. Manjulaben Patel and Shri. Kiritkumar S. Patel is Brother in Law of Shri Bharatbhai P. Patel and hence, Shri. Bharatbhai P. Patel, Shri. Nirmal B. Patel, Smt. Manjulaben Patel and Shri. Kiritkumar S. Patel be considered as interested in his appointment. However, None of the other directors of the Company including Key Managerial Personnel, if any, is, in any way, concerned or interested in the resolution.

DIVIDEND :

Your directors do not recommend any dividend for the financial year ended on 31st March, 2018 and decided to plug in the profit in the business.

OPERATING AND FINANCIAL PERFORMANCE, INTERNAL CONTROL :

During the year under report, the company has achieved a gross turnover of Rs.5473.44 Lacs compare to previous year turnover of Rs. 5592.60 Lac and the operations for the year under review has resulted in the net profit of Rs. 69.13 Lacs compare to previous year net profit of Rs.141.47 Lac. Reduction in operating and financial performance are mainly on account of delay in GST (VAT Refund), Capital subsidy in form of TUF (Textiles upgradation fund) were utilized as working capital and resultant decrease in interest on deposit, increase in raw material consumption cost as rate of yarn is higher than the previous year, the borrowing cost was increased by 2.5 to 3% and increased cost of maintenance of parts of imported machinery.

From the month of March, 2018, the company has diversified its activities from sale of grey fabrics to the sale of finished fabrics. Further, the company has started the processing of grey fabrics through reputed processing houses and selling in bulk the ready finished fabrics directly for the garments, consequently the operational income will boost by 15 to 20% during the current year. The Board is confident that these diversified business policy / activity will result into early realizable payment cycle, say within 40-45 days, leads to reduction in borrowing costs on account of early credit period and considerable increase in profit margin too.

The company has in place an established internal control system designed to ensure proper recording of financial and operational information and compliance of various internal controls.

INDEPENDENT AUDITOR'S REPORT

To The Members,
MINAXI TEXTILES LIMITED

Report on the Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **MINAXI TEXTILES LIMITED ("the Company")**, which comprise the Balance Sheet as at March 31, 2018 and the statement of Profit and loss (including Other Comprehensive Income), the statement of Cash Flows and the statement of changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information

Management's Responsibility for the Financial Statements.

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind As Financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the order issued under section 143(11) of the Act. We conducted our Audit of the standalone Ind AS financial statements in accordance with the standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosure in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone.

Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other Matters

The financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these Ind AS Financial Statements, are based on the previously issued statutory financial statements for the years ended March 31, 2017 and March 31, 2016 prepared in accordance with the Companies (Accounting Standards) Rules as applicable which were audited by the predecessor auditor, on which they had expressed an unmodified opinion dated May 26, 2017 and May 27, 2016 respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the company on transition to the Ind AS have been audited by us.

Report on other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that

- a. We have sought and obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit.

Annexure-A to Independent Auditor's Report

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members Minaxi Textiles Limited of even date).

Report on the Internal Financial Controls under Clause (I) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of Minaxi Textiles Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of the assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standard on Auditing prescribed under section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls. Those Standards and Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting included those policies and procedures that :

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transaction are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with the authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition , use, or disposition of company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projection of any evaluation of the internal financial controls over financial reporting to future periods are subjects to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion , to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial reporting issued by the Institute of Chartered Accountants of India.

These financial statements were authorized for issue in accordance with a resolution of the Board of Directors on 15th May 2018.

SIGNIFICANT ACCOUNTING POLICIES

(a) STATEMENT OF COMPLIANCE

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013.

Upto the year ended March 31, 2017, the Company prepared its financial statements in accordance with generally accepted accounting principles in India, including accounting standards read with section 133 of the Companies Act, 2013 notified under Companies (Accounting Standards) Rules, 2006 (“Previous GAAP”). These are the Company’s first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016.

(b) BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristic into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis.

(c) USE OF ESTIMATES:

The presentation of the financial statements are in conformity with the Ind AS which requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities.

Such estimates and assumptions are based on management’s evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

(d) REVENUE RECOGNITION

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue from the sale of Goods is measured at the fair value of the consideration received or receivable, net of Goods and service Tax, returns and allowances, related discounts & incentives and volume rebates.

Interest income from a financial asset is recognized when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably.

(e) PROPERTY, PLANTS & EQUIPMENTS

Property, Plants & Equipments acquired by the company are reported at acquisition value, with deductions for accumulated depreciation and impairment losses, if any. The acquisition value includes the purchase price (excluding refundable taxes), and expenses directly attributable to assets to bring it to the factory and in the working condition for its intended use. Where the construction or development of any such asset requiring a substantial period of time to set up for its intended use, is funded by borrowing if any, the corresponding borrowing cost are capitalized up to the date when the asset is ready for its intended use.

All items of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

Leasehold Land and Leasehold improvements are amortized over the period of the lease.

(f) DEPRECIATION :

Depreciation is provided on the straight line method (SLM). Depreciation is provided based on useful life of the assets as prescribed in schedule II to the Companies Act, 2013. Depreciation on items of property, plant and equipment acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal.

Transition to Ind AS

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as of April 1, 2016 (transition date) mentioned as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

(g) CASH FLOW

The Cash flow statement is prepared by the "Indirect Method" Set out in Indian Accounting Standard 7 on "Cash Flow Statements" and present the cash flow by operating, Investing and financing activities of the company. Cash and Cash equivalents presented in the cash flow statement consist of cash on hand and other current account balance / deposits with the bank.

(h) INVENTORIES

Inventories are valued at lower of cost (on FIFO basis) or net realizable value after providing for obsolescence and other losses, where considered necessary. Cost of Finished goods & Work in progress includes appropriate portion of labour & overheads.

(I) **EMPLOYEE BENEFITS:**

(a) **Short Term**

Short term employee benefit are recognized as an expense as the undiscounted amount expected to be paid over the period of services rendered by the employee to the company.

(b) **Long Term**

The Company has both defined contribution and defined benefit Plans, of which some have asset in approved funds. These plans are financed by the Company in the case of defined contribution plans

(c) **Defined Contribution Plans**

These are plan in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to Employees Provident Fund. The Company's payments to the defined contribution plans are reported as expenses during the period in which the employee performs the service that the payment covers.

(d) **Defined Benefit Plans**

For defined benefit plans in the form of gratuity fund, the cost of providing benefit is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to in the statement of profit and loss. Net Interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss.

Net interest expense or income

The retirement benefit obligation recognized in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

(j) **FOREIGN CURRENCY TRANSACTION:**

In preparing the financial statements of the company, the transactions in currencies other than the entity's functional currency (INR) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rate prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on monetary items are recognized in the statement of profit and loss in the period in which they arise.

(k) **BORROWING COST:**

Borrowing Cost incurred in relation to acquisition, construction or production of qualifying assets are capitalized as part of cost of such assets till the activities necessary for its intended use are complete. All other borrowing costs are charged in statement of profit & loss of the year in which incurred.

(l) **EARNING PER SHARE:**

Basic earnings per share is computed by dividing the profit/loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/loss for the year attributable to equity shareholders by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(m) **PROVISION, CONTINGENT LIABILITIES CONTINGENT ASSETS:**

Provisions are recognized when the Company has a present obligation (legal & constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligations. When a provision is measured using the cash flow estimated to settle the present obligation, its carrying amount is the present obligations of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities and Contingent assets are not recognized in the financial statements.

(n) **TAXES ON INCOME:**

Tax expense represents the sum of the current tax and deferred tax.

Current Tax

The tax currently payable is based on taxable profit for the year. Current tax is measured at the amount expected to be paid to the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with the local tax laws. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition.

of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternate Tax (MAT) credit paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT credit is recognized as deferred tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

Current and deferred tax for the year

Current and deferred tax are recognized in the statement of profit and loss, except when they relate to items that are recognized in other comprehensive income, in which case, the current and deferred tax are also recognized in other comprehensive income.

(o) GOVERNMENT GRANTS

Government Grants are recognized where there is reasonable assurance that the Company has complied with the conditions attached to them and that the Grant will be received. Government grants related to fixed asset are shown as deduction from the gross value of the assets concerned in arriving at their book value. The depreciation on such assets is calculated as such reduced value. The government grants related to revenue are recognized on a systematic basis in the profit and loss statements over the period necessary to match them, with the related cost which they are intended to compensate. The grant so received is deducted in reporting the related expenses.

(p) OPERATING CYCLE:

The Company presents assets and liabilities in the balance sheet based on current / non-current classification based on operating cycle.

An asset is treated as current when it is :

1. Expected to be realized or intended to be sold or consumed in normal operating cycle;
2. Held primarily for the purpose of trading.
3. Expected to be realized within twelve months after the reporting period, or
4. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

1. It is expected to be settled in normal operating cycle;
2. It is held primarily for the purpose of trading;
3. It is due to be settled within twelve months after the reporting period, or
4. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The company has identified twelve months as its operating cycle.

(q) CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing as material adjustment to the carrying amounts of assets and liabilities within next financial year.

i. Income taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

ii. Discount rate used to determine the carrying amount of the Company's defined benefit obligation in determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

iii. Useful lives of property, plant and equipment.

The Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

VIII. Expected Employer's Contribution for the financial year

For the defined benefit plan company is not liable to contribute any amount as the plans are unfunded. The estimate of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

Expected Benefit Payments in the following year.

Projected Benefits Payable in Future Years From the Date of Reporting:

PARTICULARS	CURRENT PERIOD	PREVIOUS PERIOD
1st Following Year	432,999	214,992
2nd Following Year	240,529	40,037
3rd Following Year	37,169	252,694
4th Following Year	371,394	39,956
5th Following Year	33,532	327,197
Sum of Years 6 to 10	356,569	354,888
Sum of Years 11 and above	4,548,997	4,985,691

Sensitivity analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Particulars	31.03.18	31.03.17
Projected Benefit Obligation on Current Assumptions	2,182,472	2,073,634
Delta effect of +1% change in the rate of Discounting	(181,069)	(209,808)
Delta effect of - 1% change in the rate of Discounting	217,661	252,882
Delta effect of +1% change in the rate of Salary Increase	224,160	259,566
Delta effect of -1% change in the rate of Salary Increase	(188,819)	(218,168)
Delta effect of +1% change in the rate of employee turnover	97,341	100,415
Delta effect of -1% change in the rate of employee turnover	(111,133)	(115,132)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using "Projected Unit Credit" method at the end of the reporting period which is the same as that applied in calculating the defined benefit obligation liability recognized in Balance Sheet.

Notes to the Financial Statements for the Year ended on 31st March, 2018

Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risks. The company's senior management has the overall responsibility for establishing and governing the company's risk management framework. The company's risk management policies consider market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the company.

A. Management of Liquidity Risk

Liquidity risk is the risk that the company will face in meeting its obligation associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing the management considers both normal and stressed conditions.

Due to dynamic nature of the underlying businesses, the company treasury maintains flexibility in funding by maintaining availability of under committed credit lines. Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows.

The following table shows the maturity analysis of the company's financial liabilities based on the contractually agreed undiscounted cash flows along with its carrying value as the Balance sheet date.

B. Management of Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. The Company is exposed to credit risk primarily trade receivables and other financial assets including deposits with banks. The Company's exposure and credit ratings of its counter parties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counter parties. To manage this, the company periodically assess financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

Other Financial assets

This comprises mainly of deposits with banks and other inter company receivables. Credit risk arising from these financial assets is limited and there is no collateral held against these are banks and recognized financial institutions. Banks and recognized financial institutions have high credit ratings assigned by the international credit rating agencies.

Trade receivables

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through out each reporting period. To assess whether there is a significant increase in credit risk, the company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

Actual or expected significant adverse changes in business.

Actual or expected significant changes in the operating results of the counter party.

Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations.

Significant increase in credit risk on other financial instruments of the same counterparty.

Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on historical data, loss on collection of receivables is not material hence no additional provision considered.

B. Management of Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of the changes in market prices. Market risk comprises three types of risks: interest rate, currency risk, and other price risk. Financial instruments affected by the market risk includes borrowings, investments, trade payables, trade receivables and loans.

MINAXI TEXTILES LIMITED

Notes to the Financial Statements for the Year ended on 31st March, 2018

Within the various methodologies to analyze and manage risk, Company has implemented a system based on "sensitivity analysis" on symmetric basis. This tool enables the risk managers to identify the risk position of the entities. Sensitivity analysis provides an approximate quantification of the exposure in the event that certain specified parameters were to be met under a specific set of assumptions. The risk estimates provided here assume:

- a parallel shift of 50-basis points of the interest rate yield curves in all currencies.
- a simultaneous, parallel foreign exchange rates shift in which the INR appreciates / depreciates against all currencies by 2%.

The potential economic impact, due to these assumptions, is based on the occurrence of adverse / inverse market conditions and reflects estimated changes resulting from the sensitivity analysis. Actual results that are included in the statement of profit and loss may differ materially from these estimates due to actual developments in the global financial markets.

The analyses exclude the impact of movements in market variables on the carrying values of gratuity, pension and other post-retirement obligations and provisions.

The following assumptions has been made in calculating the sensitivity analysis:

The sensitivity of the relevant statement of profit and loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2018, March 31, 2017 and April 1, 2016.

Interest Rate Risk

Interest rate risk is that the future cash flow with respect to interest payments on borrowing will fluctuate because of change in market interest rates. The company's exposure to the risk of changes in market interest rates relates primarily to the company's long-term debts obligation with floating interest rates.

Interest rate sensitivity

Profit or loss is sensitive to higher /lower interest expense from borrowings as a result of change in interest rates. The following table demonstrates the sensitivity of floating rate financial instruments to a reasonably possible change in interest rates. The risk estimates provided assume a parallel shift of 50 basis points interest rate across all yield curves.

(Amount in Rs.)	
Particulars	Impact on profit before tax
As at March 31, 2018	
Increase in 50 basis points	(1,001,198)
Decrease in 50 basis points	1,001,198
As at March 31, 2017	
Increase in 50 basis points	(768,872)
Decrease in 50 basis points	768,872

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment showing a significantly higher volatility than in prior years.

Foreign currency risk & Exposure to Currency Risk:

The Company does not have significant exposure to foreign currency risk. Accordingly, the management does not hedge any foreign currency receipts or payments

Capital Management

Equity Share capital and other equity are considered for the purpose of company's capital management.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimize returns to shareholders. The Capital structure of the company is based on management's judgement of its strategic and day to day needs with a focus on total equity to maintain investor creditors and market confidence and to sustain future development and growth of its business. The Company monitors capital using Debt-Equity ratio, which is net debt divided by total equity. The company's policy is to keep the net debt to equity ratio below 2.

The management and the Board of Directors monitors the return on capital as well as the level of dividends to shareholders. The company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Particulars	As at March 31, 2018	As at March 31, 2017	As at March 31, 2016

4) Reconciliation of the Profit For the Year Ended March 31, 2017

(Amount in Rs)

Particulars	As at March 31, 2017
Net Profit after tax under Previous IGAAP	14,146,004
Add/less: Adjustment in the Statement of Profit & Loss	
Reclassification of Net actuarial profit on defined benefits plan to other comprehensive income	145,724
Lease Hold Land Carried at Amortized Cost	(25812)

Net Profit as Per Ind AS	14,147,830
Remeasurement of defined Benefit plan	210,889
Tax expenses on above items	(65,165)
Total Comprehensive Income as per Ind AS	14,002,106

5) **Adjustment of Statement of Cash Flow**

The Ind AS adjustments are either non cash adjustments or are regrouping among the cash flows from operating, investing and financing activities. Consequently, Ind AS adoption has no impact on the net cash flow for the year ended March 31, 2017 as compared with the previous GAAP.

5) **Notes on Reconciliation
Other Ind AS Adjustments**

- (a) The Company has given effect of amortization of leasehold land with effect from April 1, 2016. Consequently the amount of amortization of leasehold land up to March 31, 2016 have been recognized as decline in opening balance of Retained Earnings amounting to Rs. 5,26,308/- and amortization expense of Rs. 25,812/- has been transferred to the Statement of Profit & Loss for F.Y. 2016-17. The lease hold land is carried at Cost less its amortized cost. Further the other Ind AS adjustment includes the reclassification of Prior Period Income retrospectively. The prior period Income (i.e commission income) booked in F.Y. 2016-17 is recognized as increase in opening balance of Retained Earnings since it relates to the earlier period. The net effect of these changes is increase in total equity as at April 1, 2016 of Rs. 118086/-
- (b) Under previous GAAP, there was no concept of other comprehensive income. Under Ind AS, specified items of income, expense, gains or losses are required to be presented in other comprehensive income.
- (c) Under previous GAAP, actuarial gains and losses were recognized in profit or loss. Under Ind AS, the actuarial gains and losses form part of remeasurement of the net defined benefit liability / asset which is recognized in other comprehensive income. Consequently, the tax effect of the same has also been recognized in other comprehensive income under Ind AS instead of profit or loss. The actuarial gain for the year ended March 31, 2017 were Rs. 2,10,889/- and the tax effect thereon Rs. 65,165/-. This change does not affect total equity, but there is decrease in profit before tax of Rs.2,10,889/- and in total Profit of Rs.1,45,724/-

- (d) The Extraordinary item (net) amounting to Rs. 6019652/- includes:
- (a) VAT refund (TUF's Scheme) amounting to Rs. 75,72,742/- in form of subsidy, filed with Sales Tax Department, Gujarat Government, as per VAT refund eligibility certificate. The VAT refund of F.Y. 2015-16 was filed, accepted and received during the year. Under Previous GAAP, the same was classified as Extraordinary items, however, in the Ind AS Balance Sheet, the same is appropriately classified in Revenue from Operation as VAT Refund.
- (a) It also includes the Gratuity provision of earlier years amounting to Rs. 1553090/- charged during the year based on the report of Actuary. Under Previous GAAP, the same was classified as Extra Ordinary item. However, under Ind AS the same is regrouped and classified under Employees Benefit Expense.
