ANNEXURE TO THE DIRECTORS' REPORT
CORPORATE GOVERNANCE REPORT

As required by Regulation 17 to 27 of the Securities and Exchange Board Of India (Listing Obligations And Disclosure Requirements) Regulations, 2015 entered into with the Stock Exchanges and amendments thereof.

1. Company's philosophy on the Code of Governance

Continental Controls Limited believes that Corporate Governance is a thorough process by which Companies are directed to control and enhance their wealth generating capacity. Continental Controls Limited endeavors to virtually create value for its stakeholders, be it Customers, Employees, Shareholders or the Society at large. Integrity, transparency, accountability and compliance with laws which are the columns of good governance are cemented in the Company's robust business practices to ensure ethical and responsible leadership both at the Board and at the Management level. Continental Controls Limited focuses on adopting the highest standard of Corporate Governance and moral business practices based on the following main principles to maintain transparency, accountability and ethics:

- Constitution of a Board of Directors of appropriate composition, size, varied experience and commitment to discharge their responsibilities and duties
- Ensuring timely inflow of information to the Board and its Committees to enable them to discharge their functions effectively.
- Timely and balanced disclosure of all material information concerning the Company to all stakeholders.
- A sound system of risk management and internal control.
- Transparency and accountability
- Compliance with applicable rules and regulations.
- Fair and equitable treatment of all its stakeholders.

This chapter, along with the chapter on Management Discussion and Analysis reports indicates CCL compliances with the guidelines on Corporate Governance stipulated under Regulation 17 to 27 of the Securities and Exchange Board Of India (Listing Obligations And Disclosure Requirements) Regulations, 2015 with the Stock Exchanges, from time to time.

2. Board of Directors

a. Composition

The present strength of the Company's Board is 7 (seven) Directors. Composition of the Board of Directors is as under:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Continental Controls Limited is one amongst the few companies into the manufacturing of Thermal Overload Protectors and has carried out a niche for them in this particular engineering industry. The management of the company vests in the Board comprising of personnel with more than over a decade of hands-on industry experience. The day to day affairs are being managed by a team of experienced and qualified professionals.

The company always strives to achieve optimum performance at all levels by adhering to corporate governance practices which rests upon the four pillars of: transparency, disclosure, independent monitoring and fairness to all.

Continental Controls Limited always strived to promote good governance practices, which ensures that:

- A Competent management team is at the helm of affairs.
- The Board is strong with an optimum combination of Executive and Non-Executive directors, who represent the interest of all stakeholders.
- The Board effectively takes all key corporate decisions and is effectively in control of the company affairs.
- The management and employees have a stable environment.

The total revenue of the Company has been Rs. 474.12 Lacs as against the corresponding figure of Rs. 492.84 Lacs for the last year.

With the positive economic environment, the company is positioning itself to reach greater heights with increase in production of all its product groups. Continuous R & D initiatives have shown improvement in quality and in the introduction of new products. However, with the un-organized players in the Indian Market, more particularly in the small-scale sector, prices have been under constant pressure resulting in lower realization. This threat is being effectively met by constant product up gradation, cost reduction, avoidance of waste and going for high value component.

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

The Members of
CONTINENTAL CONTROLS LIMITED

We have examined the compliances of conditions of Corporate Governance by **CONTINENTAL CONTROLS LIMITED** for the year ended 31st March, 2018 as stipulated in regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of regulation 46 and paragraph C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") with Stock Exchanges in India.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination has been limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the condition of Corporate Governance as stipulated in the said clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us by the Management, we certify that the Company has complied with the conditions of the Corporate Governance as stipulated in the abovementioned Listing Regulations.

We state that no investor grievances are pending for a period exceeding one month against the Company as per the records maintained and produced before us by the Share Transfer-cum-Investors Grievance Committee.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Continental Controls Limited**

Report on the Financial Statements

1. We have audited the accompanying Standalone Ind AS financial statements of **Continental Controls Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss including Other Comprehensive Income, the cash flow statement & Statement of Changes in equity and a summary of the significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (India Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

4. Basis of Qualified Opinion

Reference is invited Note nos. 35 regarding various balances of debtors, creditors and assets and liabilities and relating to various tax related accounts pending for reconciliation and subsequent adjustments if any, and also Note No 36 regarding pending compliance of Ind-As 19 on employee benefits. The precise impact of which has not been ascertained. The Internal controls including internal audit in the company also required further strengthening. The Overall impact of the above, on the financial statements has remained unascertained.

5. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its profit including Other Comprehensive Income, and its cash flows for the year ended on that date.

“ANNEXURE B” REFERRED TO IN THE INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR 2017-18**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013**

1. We have audited the internal financial controls over financial reporting of Continental Controls Limited (“the Company”) as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date. Management’s Responsibility for Internal Financial Controls
2. The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

3. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the” Guidance Note”) and the Standards on Auditing, , to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. Based on our audit conducted as above, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

8. According to the information and explanation given to us and based on our audit, the following internal control weaknesses of material nature have been identified as at March 31,2018:
- a. *Confirmation and reconciliation of various balances relating to debtors, creditors and assets and liabilities and relating to various tax related accounts pending for reconciliation and subsequent adjustments if any are pending.;*
 - b. *Balances of Statutory receivables being TDS receivables, GST, VAT, Excise Duty, Service Tax as at the year end are under reconciliation with the returns filled and records of respective departments. Adjustments if any arising out of such reconciliations are to be carried out in due course and is presently unascertained.*
 - c. *The management is stated to have been taking steps for implementing and strengthening internal controls in various areas of financial reporting and the process of internal audit is also stated of being strengthened. Inadequate controls are observed in the areas as stated above.*
9. A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's financial statement will not be prevented or detected on a timely basis.
10. In our opinion, except for the possible effects of the internal control weaknesses described above on the achievements of the objectives of the control criterion, the company has maintained, in all material respects, adequate internal financial control over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31,2018, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".
11. We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31,2018 financial statements of the Company, and these material weaknesses do not affect our opinion on the Standalone financial statements of the Company except to the extent of our qualification as contained in our separate report on the Standalone financial statements of the company.

CASH FLOW STATEMENT FOR THE YEAR ENDED MARCH 31, 2018
Accounting policy

cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transaction of a non case nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated. The company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

Amendment to Ind AS 7:

Effective April 1, 2017, the Company adopted the amendment to Ind AS 7, which require the entities to provide disclosures that enable users of financial statement to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement. the adoption of the amendment did not have any material impact on the financial statements.

CONTINENTAL CONTROLS LIMITED

Note 1: Corporate Information

CONTINENTAL CONTROLS LIMITED (“the company”) is engaged in the manufacturing of Thermal Overload Protectors. Its manufacturing facility is located in Vasai.

Note 2: Significant Accounting Policies

a) Basis of preparation of financial statements

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with the accounting principles generally accepted in India (GAAP) and provisions of the Companies Act 2013, read with the Companies (Accounting Standard) Rules, 2006 (Accounting Standard Rules) as well as applicable pronouncements of the Institute of Chartered Accountant of India.

b) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management’s evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

c) Revenue recognition

a) Sales are recorded net of trade discounts, sales tax/ value added tax, rebates and excise duty. Revenue from sale of products is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured.

b) Interest income is recognised on time proportion basis.

d) Inventories:

Inventories are valued at cost or net realisable value, whichever is lower. Cost is determined on FIFO basis.

e) Investments

Investments are classified into non current investments and current investments. Investments which are intended to be held for more than one year are classified as non current investments and investments which are intended to be held for less than one year, are classified as current investments. Non current investments are stated at cost and a provision for diminution in value of non current investments is made only if the decline is other than temporary in the opinion of the management. Current investments are valued at cost or market/fair value whichever is lower.

f) Provisions, Contingent Liabilities and Contingent Asset

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or present obligation in respect of which the likelihood of outflow of resource is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the assets and related income are recognized in the period in which the change occurs.

g) Fixed assets and depreciation

- i. Fixed assets are stated at cost of acquisition and installation less accumulated depreciation. Cost is inclusive of freight, duties, levies and any directly attributable cost of bringing the assets to their working condition for intended use.
- ii. Depreciation on Fixed Assets is provided on Straight Line Method at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013
- iii. Expenses incurred on Project and other charges during construction period are included under pre-operative expenditure (grouped under Capital Work in Progress) and are allocated to the cost of Fixed Assets on the commencement of commercial operations.

h) Impairment of assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such condition exists, the company estimates the recoverable amount of the assets. If such recoverable amount of the asset or recoverable amount of the cash generating units to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Profit and Loss Account.

If at the Balance Sheet date there is an indication that if previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at revised recoverable amount.

i) Foreign currency transactions

- a) Transactions denominated in foreign currency are normally recorded at the exchange rate prevailing at the time of transaction.
- b) Any income or expenses on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss account.
- c) Monetary items denominated in foreign currencies at the year end are restated at the year end rates.
- d) Non monetary items denominated in foreign currencies are carried at cost.

j) Retirement benefits

Retirement benefits are dealt with in the following manner:

- (1) Contribution to Provident Fund and Family Pension Fund are accounted on accrual basis with corresponding contribution to relevant authorities.
- (2) Encashment of leave lying to the credit of employees is not provided for on actuarial basis. It is accounted on accrual basis. Therefore, it is not possible to ascertain the liability at the end of the accounting year.
- (3) Liabilities in respect of gratuity of employees are accounted as and when incurred.

k) Taxation**a. Current Tax:**

Provision for tax is based on the taxable profit for the accounting year after taking into consideration the relevant provisions of the Income Tax Act, 1961.

b. Deferred Tax:

Deferred tax resulting from timing difference between accounting and taxable income is accounted for using the tax rates and laws that are enacted or substantively enacted on the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent there is a virtual certainty that the asset will be realised in future.

l) Borrowing Cost:

Interest and other costs incurred in connection with the borrowing of the funds are charged to revenue on accrual basis except those borrowing costs which are directly attributable to the acquisition or construction of those fixed assets, which necessarily take a substantial period of time to get ready for their intended use. Such costs are capitalized with the fixed assets.

m) Earnings per share

The basic earnings per share is computed by dividing the net profit / loss attributable to the equity shareholders for the period by the weighted average number of equity shares outstanding during the reporting period. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving earnings per share, and also the weighted average number of equity shares, which could have been issued on the conversion of all dilutive potential shares. In computing dilutive earnings per share, only potential equity shares that are dilutive and that reduce profit / loss per share are included.

n) Cash and cash equivalent

Cash and cash equivalent for the purpose of cash flow statement comprised cash at bank and cash in hand and other short term investment with maturity of three months or less.

Note 35 a : Balances of Sundry Debtors, Sundry Creditors, Deposits, Loans and Advances are subjected to reconciliation and confirmation, necessary adjustment if required, will be made after reconciliation. The management does not expect any material difference affecting the current year's financial statements. However the precise impact is presently not ascertained.

b : Balances of Statutory receivables being TDS receivables, GST, VAT, Excise Duty, Service Tax as at the year end are under reconciliation with the returns filled and records of respective departments. Adjustments if any arising out of such reconciliations are to be carried out in due course and is presently unascertained.

The management is taking steps for implementing and strengthening internal controls in various areas of financial reporting and the process of internal audit is also being strengthened .

Note 36: Liability In respect of gratuity and leave encashment and other employee benefits are accounted on cash basis which is not in conformity with Indian Accounting Standard Ind AS 19 on Employee Benefits , which requires that such liabilities are accounted for on actuarial basis. In the opinion of the management the impact arising out of the above if any is not expected to be material since the employees on the roll of the company do not meet the recognition criterion for such benefits in accordance with relevant statutes.

Note 37: In the opinion of the Board and to the best of their knowledge and belief all the Current Assets, Loans and Advances have value on realisation at least of an amount at which they are stated in Balance Sheet.

Note 38: The Company has not received intimation from most of the suppliers regarding the status under the Micro, Small and Medium Enterprise Development Act, 2006, and hence disclosure requirements in this regard as per schedule III of the Companies Act, 2013 is not being provided.

Note 39 : Revenue from operations are not comparable with previous year to the extent that current year revenue is stated exclusive of Excise Duty and GST whereas previous year figures is inclusive of Excise Duty.

Risk Management:

The Company's activities expose it to market risk, liquidity risk, interest risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

The Risk Management is embedded in the company's operating framework. The Audit Committee of the Board evaluates the Risk Management systems and the Board takes responsibility for the total process of Risk Management in the organization, which includes framing, implementing and monitoring Risk Management Plan.

The Company does not actively engage in the trading of financial assets for speculative purposes nor does it write options.

The most significant financial risks to which the Company is exposed are described below:

a Credit risk:

Credit risk arises from the possibility that customer may not be able to settle its obligations as agreed. The company is exposed to credit risk from trade receivables, bank deposits and other financial assets.

The Company periodically assesses the financial reliability of the counter party taking into account the financial condition, current economic trends, analysis of historical bad debts and ageing of accounts receivable. Party-wise credit is monitored and reviewed accordingly.

Bank deposits:

The company maintains its Cash and cash equivalents and Bank deposits with reputed and highly rated banks Hence, there is no significant credit risk on such deposits.

Trade Receivable:

The Company is exposed to credit risk in the event of non-payment by customers. Major part of sales is made on 'Delivery against payment' basis, hence the credit risk is insignificant. To eliminate credit risk further, the high value sales are made by adequate coverage through Letters of Credit, wherever possible. The Company trades with recognized and credit worthy customers. It is the Company's policy that all customers who wish to trade on credit terms are subjected to scrutiny and periodic review. In addition, receivable balances are monitored on an on-going basis with the result that the Company's exposure to bad debts is not significant.

Further, credit risk concentration with respect to trade receivables is mitigated by the Company's large customer base, widely distributed both economically and geographically. Adequate expected credit losses are recognized as per the assessments based on historic data and prevalent market conditions.

According to the management there are no doubtful debt out of the outstanding trade receivables that required allowance for impairment and therefore no such allowance has been recognised. The agewise break up of outstanding receivables is as under :

	March 31, 2018	March 31, 2017	April 1, 2016
Ageing of Trade Receivables:			
0 - 3 Months	12374.71	12973.08	9397.32
3 - 6 Months	1096.10	909.75	1269.83

Provision for Bad Debts	0	0	0
Trade Receivables Carried in Balance Sheet	16008.82	15051.89	111917.00

b Liquidity risk:

- a Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.
- b Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves considering the level of liquid assets necessary to meet these.

c. Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US Dollar, GBP and EURO. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Company's functional currency. The company uses forward contracts for high valued foreign currency transaction to hedge the foreign currency risk.

Foreign currency risk exposure:

The Company's exposure to foreign currency risk at the end of the reporting period expressed are as follows:

Exposure of USD	INR in thousands		
	March 31, 2018	March 31, 2017	April 1, 2016
Financial assets:			
Trade receivable	1402.26	1004.86	1028.12
Total exposure to foreign currency risk [assets]	1402.26	1004.86	1028.12
Financial liabilities:			
Total exposure to foreign currency risk [liabilities]	Nil	Nil	Nil
Net exposure to foreign currency risk	1402.26	1004.86	1028.12

Exposure of YEN	INR in thousands		
	March 31, 2018	March 31, 2017	April 1, 2016
Financial assets:			
Trade receivable	Nil	Nil	Nil
Total exposure to foreign currency risk [assets]			
Financial liabilities:			
Total exposure to foreign currency risk [liabilities]	40493.67	12345.48	Nil
Net exposure to foreign currency risk	40493.67	12345.48	Nil

Sensitivity Analysis:

The sensitivity of profit or loss and equity to changes in the exchange rates arises mainly from foreign currency denominated financial instruments. In the opinion of the management there is no material impact of normal movement of the currency on the returns and profits of the company.

The company has not undertaken any forward cover as the management is confident to meet the liability arising at the time of repayment of borrowings denominated in foreign currency.

Interest rate risk:

Interest rate risk is the risk that the fair value of future cash flow of the financial instrument may fluctuate because of the change in market interest rates.

The Company’s policy is to minimise interest rate cash flow risk exposures on long-term financing. As at March 31, 2018, the Company is not exposed to changes in market interest rates through bank borrowings as the company has minimal level of borrowings and those in Foreign currency are not subject to significant risk on this account..

Price risk:

Exposure:

The Company has no exposure to price risk arising from investments in equity and mutual fund held by the Company and classified in the balance sheet as fair value through OCI and at fair value through profit or loss respectively.

Note: 41-Capital Management:

The Company’s capital management objectives are:

- a to ensure the Company’s ability to continue as a going concern
- b to provide an adequate return to shareholders
- c maintain an optimal capital structure to reduce the cost of capital.

Management assesses the Company’s capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company’s various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

	March 31, 2018	March 31, 2017	April 1, 2016
Net debts	40493.67	12345.48	0
Total equity	69572.94	77484.20	54971.21

Note: 42- First Time Adoption of Ind AS:

The accounting policies set out in the note here have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet as at April 1, 2016 [the Company's date of transition].

In preparing its opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies [Accounting Standards] Rules, 2006 [as amended] and other relevant provisions of the Act [previous GAAP]. An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position and financial performance is set out in Note 41 hereunder.

Exemptions and exceptions availed:

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

A Deemed cost:

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments required under other Ind AS. This exemption can also be used for intangible assets covered by Ind AS 38 "Intangible Assets".

Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying values.

B Estimates:

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP [after adjustments to reflect any difference in accounting policies], unless there is objective evidence that those estimates were in error.

Ind AS estimates as at April 1, 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP.

C Classification of financial assets:

As per the requirements of Ind AS 101 the Company assessed classification of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

D De-recognition of financial assets and liabilities:

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. The company has followed such policy. However, there were no assets or liabilities to be derecognised.

E Transition to Ind AS- Reconciliations:

The following reconciliations, as provided in Note 42, provide a quantification of the effect of significant differences arising from the transition from previous GAAP to Ind AS as required under Ind AS 101:

- i. Reconciliation of Equity as at 1st April 2016 (Transition date) and as at 31 March 2017
- ii. Reconciliation of Net Profit for the year ended March 31, 2017:
