18. **Facility for Voting:**

The voting period begins on 27.09.2022 at 10:00 A.M. and ends on 29.09.2022 at 5:00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the 23.09.2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to

all the Demat account holders, by way of a single login credential, through their Demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In Compliance with the provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has provided a facility to the members to exercise their votes electronically through the remote e-voting service facility arranged by Central Depository Services Limited. The facility for voting, through ballot paper, will also be made available at the Annual General Meeting (AGM) and the members attending the AGM who have not already cast their votes by remote e-voting shall be able to exercise their right at the AGM through ballot paper. Members who have cast their votes by remote e-voting prior to the AGM may attend the AGM but shall not be entitled to cast their votes again. The voting rights of the Members shall be in proportion to the paid-up value of their shares in the equity capital of the Company as on the Cut-off date, being, **23.09.2022**. The Instructions for e-voting are given below.

Shareholders can also cast their vote electronically using CDSL's Mobile App 'M-Voting' available for Android, I Phone and Windows based mobiles. The M-Voting App can be downloaded from Google Play Store, App store and the Windows Phone Store respectively. Please follow the Instructions as prompted by the mobile app while voting on your mobile.

The Board recommends the Special Resolution set out at Item No.5 & 6 of the Notice for approval by the members

Item No 7

The Board of Directors of the Company, based upon the recommendation of Audit Committee, at its meeting held on 30th August, 2022, has approved a Material Related Party Transaction to be enter up to an aggregate amount of Rs. 10 Crore (Ten Crore Rupees) on such terms and condition as may be agreed between contracting parties.

In terms of Section 188 of the Companies Act, 2013 read with Rules framed thereunder and Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and in terms of policy of the Company in dealing with related parties, the said transaction requires prior approval of the members by passing a resolution as the amount of transaction exceeds 10% of the annual turnover of the Company as per latest audited financial statement of the Company.

None of the other Directors or Key Managerial Personnel (KMPs) of the Company and their relatives is concerned or interested, financially or otherwise, in the Resolution.

As per Section 188 of Companies Act, 2013 and Regulation 23 SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the related parties shall abstain from voting on this resolution.

The Board recommends the resolution as set out in the Item No. 7 of accompanying notice for the approval of members of the Company as a Special Resolution.

ITEM NO. 8

The Company has been making investments in, giving loans, inter corporate deposits and guarantees to various persons and bodies corporate from time to time, in compliance with the applicable provisions of the Act. The provisions of Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014, as amended to date, provides that no company is permitted to, directly or indirectly, (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more.

Further, the said Section provides that where the giving of any loan or guarantee or providing any security or the acquisition of securities of anybody corporate as provided under Section 186(2) of the Act, exceeds the limits specified therein, prior approval of Members by means of a Special Resolution is required. As per the latest audited Balance Sheet of the Company as on 31st March, 2022, sixty per cent of the paid-up share capital, free reserves and securities premium account amounts to Rs. 549.40 lakh while one hundred per cent (100%) of its free reserves and securities premium account amounts to Rs. NIL. Therefore, the maximum limit available to the Company under Section 186(2) of the Act for making investments or giving loans or providing guarantees/ securities in connection with a loan, as the case may be, is Rs. 549.40 lakh.

The Company makes investments for the purpose of expansion on regular basis and inter corporate loans and guarantees are provided in the ordinary course of business from time to time as per the business requirements. In view of the above and considering the long term business plans of the Company, which requires the Company to make sizeable loans / investments and issue guarantees to persons or bodies corporate, from time to time, prior approval of the Members is being sought for enhancing the said limits. Accordingly, the Board of Directors in its meeting held on August 30, 2022 approved increasing the aforesaid threshold by Rs. 10 Crores (Rupees Ten Crores only) over and above the limit specified under section 186 of the Companies Act, 2013 subject to approval of the Shareholders.

Therefore, it is proposed to seek fresh approval of members by way of a Special Resolution under Section 186(2) of the Companies Act, 2013 to authorize the Board of Directors of the Company to make investments in, giving loans, inter corporate deposits and guarantees to various persons and bodies corporate from time to time.

Hence, The Board recommends the resolution as set out in the Item No. 8 of accompanying notice for the approval of members of the Company as a Special Resolution.

MANAGEMENT DISCUSSION AND ANALYSIS

Pursuant to the Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, your Directors have pleasure in presenting the Management and Analysis Report for the year ended on March, 31st 2022.

An Overview Indian Textile Industry

India is the world's second-largest producer of textiles and garments. It is also the fifth-largest exporter of textiles spanning apparel, home and technical products. The fundamental strength of the textile industry in India is its strong production base of a wide range of fibre/yarns from natural fibres like cotton, jute, silk and wool to synthetic/man-made fibres like polyester, viscose, nylon and acrylic.

The textiles and apparel industry contribute 2.3% to the country's GDP, 13% to industrial production and 12% to exports. Around 45 million people are working in the textile business, including 3.5 million people who work on handlooms. The Indian textile and apparel industry is expected to grow at 10% CAGR from 2019-20 to reach US\$ 190 billion by 2025-26. The Indian apparel market stood at US\$ 40 billion in 2020 and is expected to reach US\$ 135 billion by 2025.

India enjoys a comparative advantage in terms of skilled manpower and in cost of production relative to other major textile producers. India's textile and apparel exports (including handicrafts) stood at US\$ 44.4 billion in FY22, a 41% increase YoY. Exports of readymade garments including cotton accessories stood at US\$ 6.19 billion in FY22.

The textiles industry (including dyed and printed) attracted Foreign Direct Investment (FDI) worth US\$ 3.99 billion from April 2000-March 2022. 100% FDI (automatic route) is allowed in the Indian textile sector.

The Government's Rs. 10,683 crore (US\$ 1.44 billion) PLI scheme is expected to be a major booster for the textile manufacturers. The scheme proposes to incentivise MMF (man-made fibre) apparel, MMF fabrics and 10 segments of technical textiles products.

The Government approved the Mega Integrated Textile Region and Apparel (MITRA) Park scheme worth Rs. 4,445 crore (US\$ 594.26 million) to establish seven integrated mega textile parks with state-of-the-art infrastructure, common utilities and R&D lab over a three-year period, which will boost textile manufacturing in the country.

The industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, with the capital-intensive sophisticated mills sector on the other end. The decentralized power looms/ hosiery and knitting sector forms the largest component in the textiles sector. The close linkage of textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles makes it unique in comparison to other industries in the country. India's textiles industry has a capacity to produce a wide variety of products suitable for different market segments, both within India and across the world.

Market Size

India's textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country. Exports of textiles (RMG of all textiles, cotton yarns/fabs/made-ups/handloom products, man-made yarns/fabs/made-ups, handicrafts excluding handmade carpets, carpets and jute mfg. including floor coverings) stood at US\$ 29.8 billion between April-December 2021.

The Indian textiles market is expected to be worth more than US\$ 209 billion by 2029.

India is the world's largest producer of cotton. Production stood at 360.13 lakh bales for the crop year October 2021-September 2022. Domestic consumption for the 2021-22 crop year is estimated to be at 335 lakh bales.

Production of fibre in India reached 2.40 MT in FY21 (till January 2021), while that for yarn, the production stood at 4,762 million kgs during same period.

India's home textile exports grew at a healthy rate of 9% in FY21 despite the pandemic. In the year 2020-21, 1.13 million tonnes of cotton yarn were exported from India.

Investment

The textiles sector has witnessed a spurt in investment during the last five years. The industry (including dyed and printed) attracted Foreign Direct Investment (FDI) worth US\$ 3.93 billion from April 2000-December 2021.

In November 2021, Federico Salas, the Mexican Ambassador to India, visited the Khadi India Pavilion at the India International Trade Fair 2021 and suggested that India and Mexico should come together to promote Khadi globally.

Home textile companies in India are also leveraging strategic partnerships to strengthen their business operations and foothold in the country.

Government Initiatives

Indian government has come up with several export promotion policies for the textiles sector. It has also allowed 100% FDI in the sector under the automatic route. The Rs. 10,683 crore (US\$ 1.44 billion) PLI scheme is expected to be a major booster for the textile manufacturers. The scheme proposes to incentivise MMF (man-made fibre) apparel, MMF fabrics and 10 segments of technical textiles products.

Other Initiatives taken by Government of India are:

- In March 2022, the Bihar Government submitted a proposal to the Union Textiles Ministry to set up a mega hub under the PM Mitra Mega Textile Park.
- In March 2022, Tamil Nadu Chief Minister Mr. MK Stalin announced that the State Industries Promotion Corporation of Tamil Nadu Ltd (SIPCOT) will set up a mega textile park in the Virudhunagar district.
- Under the Union Budget 2022-23, the total allocation for the textile sector was Rs. 12,382 crore (US\$ 1.62 billion). Out of this, Rs.133.83 crore (US\$ 17.5 million) is for Textile Cluster Development Scheme, Rs. 100 crore (US\$ 13.07 million) for National Technical Textiles Mission, and Rs. 15 crore (US\$ 1.96 million) each for PM Mega Integrated Textile Region and Apparel parks scheme and the Production Linked Incentive Scheme.

- The Ministry of Textiles has also been implementing Handloom Marketing Assistance (HMA), a component of the National Handloom Development Programme (NHDP), all across India. HMA provides a marketing platform to the handloom weavers/agencies to sell their products directly to the consumers and develop and promote the marketing channel through organizing expos/events in domestic as well as export markets.
- In November 2021, Union Minister of Textiles, Commerce and Industry, Consumer Affairs & Food and Public Distribution, Mr. Piyush Goyal, stated the desire to target a 3-5x time increase in the export of technical textiles worth US\$ 10 billion over the next three years.
- The Indian government has notified uniform goods and services tax rate at 12% on man-made fabrics (MMF), MMF yarns, MMF fabrics and apparel, which came into effect from January 1, 2022.
- Union Minister of Textiles, Commerce and Industry, Consumer Affairs & Food and Public Distribution, Mr. Piyush Goyal announced a mega handloom cluster in Manipur and a handloom and handicraft village at Moirang in Bishnupur. The mega cluster will be set up at an estimated cost of Rs. 30 crore (US\$ 4.03 million) under the National Handloom Development Programme (NHDP).
- The government allocated funds worth Rs. 17,822 crore (US\$ 2.38 billion) between FY16 and FY22 for the 'Amended Technology Upgradation Fund Scheme' (A-TUFS), to boost the Indian textile industry and enable ease of doing business.
- In August 2021, Union Minister of Textiles, Commerce and Industry, Consumer Affairs & Food and Public Distribution, Mr. Piyush Goyal said that steps needed to be taken to boost production capacities of handloom sector from the existing Rs. 60,000 crore (US\$ 8.06 billion) to 125,000 crore (US\$ 16.80 billion) in the next three years. He added that target must be set to increase exports of handloom items from existing Rs. 2,500 crore (US\$ 335.92 million) to Rs. 10,000 crore (US\$ 1.34 billion). He also announced that a committee would be constituted consisting of all weavers, trainer equipment makers, marketing experts and other stake holders to recommend ways and means to achieve these objectives and enhance overall progress of the handloom sector.
- In July 2021, the government extended the Rebate of State and Central Taxes and Levies (RoSCTL) scheme for exports of apparel/garments and made ups until March 2021. This will help boost exports and enhance competitiveness in the labour-intensive textiles sector.
- To support the handloom weavers/weaver entrepreneurs, the Weaver MUDRA Scheme was launched to provide margin money assistance at 20% of the loan amount subject to a maximum of Rs. 10,000 (US\$ 134.22) per weaver. The loan is provided at an interest rate of 6% with credit guarantee of three years.
- Gorakhpur is on track to become a major garment manufacturing centre, boosting the economy in eastern Uttar Pradesh. The Gorakhpur Industrial Development Authority (GIDA) will provide four acres of land for construction of a flattened factory and will enable access to entrepreneurs.
- Under the proposed trade agreement, the Textile Ministry expects more market access for the Indian textiles and clothing sector in order to achieve its full potential.
- Defence Research and Development Organisation (DRDO) is helping the Indian textile industry to produce yarns and eliminate dependence on import of Chinese and other foreign clothing for military uniforms. Indian defence sector has expressed support towards the Indian technical textile sector.

Achievements

Following are the achievements of the Government in the past four years:

- In June 2021, KVIC recorded a 7.71% growth in gross annual turnover to Rs. 95,741.74 crore (US\$ 12.85 billion) from Rs. 88,887 crore (US\$ 11.93 billion) in FY20.
- Under the Scheme for Integrated Textile Parks (SITP), 59 textile parks were sanctioned, out of which, 22 have been completed.
- Sangam India Ltd, one of the foremost producers in PV dyed yarn, cotton and OE yarn and also ready to stitch fabric, has installed two solar power plants of 5 MW that, on average, helps them to bring down their carbon footprint by at least 20% per annum. SIL also plans to increase the use of recycled fibre, leading to lesser consumption of plastic waste by using it as a raw material.

Strengths

- Availability of large varieties of fibre and has a fast growing synthetic fibre industry.
- Low labour charges means that the manufacturing cost rarely spins out of control.
- India has availability of abundant raw material which helps to control the costs and reduces the lead time.
- India is one of the largest producers of cotton in the world and is also enjoys abundant supplies of polyester, silk, viscose, among others.
- Industry has large and diversified segments that provide wide variety of products.
- Indian textile industry is a self-reliant industry which has complete value chain from the procurement of raw materials to the production of finished goods.

Weakness

- Lack of technological development affects productivity and other activities across the value chain.
- The Indian industry falls short on the economies-of-scale front therefore unable to compete with nations like China.
- Indian Textile Industry is highly Fragmented Industry.
- Rigid & unfavorable labor Laws.
- Lack of Trade Membership, which restrict to tap other potential market.
- Lacking to generate Economies of Scale.
- Use of outdated technology resulted in low productivity & production capacities as compared to China.
- Comparatively high expenses like indirect taxes, power & interest.

Opportunities

- A number of initiatives have been announced to support the handloom and power loom industries.
- A number of e-marketing platforms have been developed to simplify marketing issue.

- Greater Investment and FDI opportunities are available.
- Large, Potential Domestic and International Market.
- Product development and Diversification to cater global needs.
- Elimination of Quota Restriction leads to greater Market Development.
- Market is gradually shifting towards Branded Readymade Garment.

Threats

- Low-cost players like Pakistan and Bangladesh may hinder India's exports prospects.
- Geographical Disadvantages relating to Export & Import of goods. India's geographical distance from major global markets of US, Europe and Japan in contrast to its rival countries are comparatively nearer. This results in high shipping expenses and lengthy lead times.
- Polyester manufacturers struggled to pass on high raw material costs due to sluggish demand.
- Continuous Quality Improvement is need of the hour as there are different demand patterns all over the world.
- Threat for Traditional Market for Power loom and Handloom Products and forcing them for product diversification.
- To make balance between price and quality in order to compete with cheaper imports.

Outlook

- The Indian textile sector considers the Union Budget 2022-2023
- To be growth oriented as it will enable the textile manufacturing sectors to grow at a faster rate.
- With a view to support the "Make in India" initiative, the Central Government Launched ATUFS (Amended Technology Upgradation Fund Scheme) in place of the existing RRTUFS (Revised Restructure Technology Upgradation Fund Scheme), for technology upgradation of textile industry with one-time capital subsidy for eligible machinery.
- It is the endeavor of the Company to improve its performance by adopting new techniques of production, improve product acceptability and cutting/reducing costs wherever possible.

Financial & Operational Performance

Risks and Concerns: Your Company has established a strong risk management structure. Under this structure, the risks are identified across all business processes of the organization on continual basis. The Company endeavors to mitigate the risks on an ongoing basis by evaluating the progress of the projects being undertaken on a regular basis and close monitoring.

- **Liquidity Risk:** The Company is into a highly capital intensive industry segment. Non availability of funds or increased cost of funding will result in pressurized margins. The Company requires a substantial amount of long term/short term funds to meet its requirement for various Infrastructure/Construction projects. To manage this, the Company proactively manages the debt levels from banks to provide adequate liquidity for its operations.
- **Government Policy Risk:** There could be unfavorable regulatory measures in Government policies towards the textile industry and may impact the long term planning of the Company.
- **The MAT (Minimum Alternate Tax):** Regime if not taken out of the SEZ's might create difficulties in the sector as SEZs and the companies in the zones might not be able to reap the benefits as originally enshrined in the SEZ act. Same risk may get augmented if the SEZs are not allowed to sell in the Domestic Tariff Area in tandem with the Free Trade Agreements with some countries
- **Competition Risk:** The top management of the Company reviews the risk from time to time and as a measure of risk mitigation your Company has decided to focus only on the core competency area so as to ensure that it is constantly moving up the value chain.

INDEPENDENT AUDITOR'S REPORT

To the Members of
SYBLY INDUSTRIES LIMITED

REPORT ON THE AUDIT OF STANDALONE FINANCIAL STATEMENTS**1. Opinion**

We have audited the accompanying financial statements of "Sybly Industries Limited", which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss for the period 1st April 2021 to 31st March 2022, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act,

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2022;
- b) In the case of the Profit and Loss Account, of the Profit for the period ended on that date and
- c) In the case of Cash Flow Statement, for the cash flows for the year ended on that date.
- d) And the changes in equity for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Material Uncertainty Related to Going Concern

We draw attention to Note 22, which indicates that the company has a Contingent Liability of more than Rs. 19.50 Crore as on 31.03.2022 and as of that date, company has a net worth of Rs. 9.28 Crore. The Company's Contingent Liability exceeds its net worth as on 31.03.2022. These conditions along with other matters indicates that if the Contingent Liability stands payable, then there is the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the management is of the opinion that the demands so raised are in dispute and appropriate appeals have been filed by the company. In view of the mitigating factors as fully described in the aforesaid note that company, the management is of the view that the going concern basis of accounting is appropriate.

Our opinion is not modified in respect of this matter.

4. Key Audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatements of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Management's Responsibility for the Standalone Financial Statements

The company's Board of Directors are responsible for the matters in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Principles generally accepted in India, including Accounting Standards specified in under Section 133 of the Act. This responsibility includes the maintenance of adequate accounting records in accordance with the provision of the act for safeguarding the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgment and estimates are reasonable and prudent and design, implementation and maintenance of internal control, that were operating efficiently for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease the operations or has no realistic alternative but to do so, the Board of Directors are also responsible for overseeing the financial reporting process.

Auditor's Responsibility for the Audit of Standalone Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

8. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure-A statement on the matters specified in paragraphs 3 & 4 of the Order, to the extent applicable.
9. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The standalone financial statements dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Companies Act, 2013.
 - e) On the basis of written representations received from the directors as on March 31, 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - g) With respect of the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of the information and according to the explanations given to us:
 - i. the Company as detailed in Note 22 to the financial statements, has disclosed the impact of the pending litigations on its financial position.
 - ii. the Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. there were no amounts which required to be transferred to Investor Education and Protection Fund.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

To the Members of
SYBLY INDUSTRIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of "Sybly Industries Limited", as of 31st March, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1). pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2). provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3). provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS

1. COMPANY OVERVIEW

Sybly Industries Limited (referred to as "Sybly" or "the Company") is engaged in manufacturing & trading of yarn & fabrics. The Company is a Public Limited Company incorporated in India and has its registered office at Pawan Puri, Muradnagar, Distt. Ghaziabad, Uttar Pradesh, India.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

(a) Basis of Preparation and Compliance with Ind AS

- i. These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.
- ii. The accounting policies are applied consistently to all the periods presented in the financial statements.
- iii. The standalone financial statements were approved by the Board of Directors and authorized for issue on 30th May, 2022.

(b) Basis of measurement

The Ind AS financial statements have been prepared on historical cost basis except for certain financial instruments measured at fair value at the end of each reporting period as explained in the accounting policies below.

(c) Functional and presentation currency

The Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency.

(d) Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Revenue Recognition

Revenue is measured at fair value of consideration received or receivable.

(i) Sale of Products

The Company recognizes revenues on the sale of products, net of discounts.

(ii) Other Operating Revenue

Other Income is recognised as and when the same is accrued.

(b) Property, Plant and Equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any.

Freehold land is measured at cost and is not depreciated.

Cost includes purchase price, taxes and duties, labour cost and direct overheads for self-constructed assets and other direct costs incurred up to the date the asset is ready for its intended use.

Interest cost incurred for constructed assets is capitalized up to the date the asset is ready for its intended use, based on borrowings incurred specifically for financing the asset or the weighted average rate of all other borrowings, if no specific borrowings have been incurred for the asset.

Depreciation is provided on the Straight Line Method (SLM) over the estimated useful lives of the assets considering the nature, estimated usage, operating conditions, past history of replacement, anticipated technological changes, manufacturer's warranties and maintenance support.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

Capital work in progress Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed.

(c) Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

(d) Financial Instruments

i) Classification, Initial Recognition and Measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets other than equity instruments are classified into categories: financial assets at fair value through profit or loss and at amortised cost. Financial assets that are equity instruments are classified as fair value through profit or loss or fair value through other comprehensive income. Financial liabilities are classified into financial liabilities at fair value through profit or loss and other financial liabilities.

Financial instruments are recognized on the balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Initially, a financial instrument is recognized at its fair value. Transaction costs directly attributable to the acquisition or issue of financial instruments are recognized in determining the carrying amount, if it is not classified as at fair value through profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

Financial assets at amortised cost: Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently, these are measured at amortized cost using the effective interest method less any impairment losses.

Equity investments at fair value through other comprehensive income: These include financial assets that are equity instruments and are irrevocably designated as such upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognized directly in other comprehensive income, net of applicable income taxes.

Dividends from these equity investments are recognized in the Statement of Profit and Loss when the right to receive payment has been established.

When the equity investment is derecognized, the cumulative gain or loss in equity is transferred to retained earnings.

Financial assets at fair value through profit or loss: Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognised in profit or loss.

Equity instruments: An equity instrument is any contract that evidences residual interests in the assets of the Company after deducting all of its liabilities.

Equity instruments issued by the Company are recorded at the proceeds received, net of direct Financial Liabilities at fair value through profit or loss. Derivatives, including embedded derivatives separated from the host contract, unless they are designated as hedging instruments, for which hedge accounting is applied, are classified into this category. These are measured at fair value with changes in fair value recognized in the Statement of Profit and Loss.

Financial guarantee contracts: These are initially measured at their fair values and, are subsequently measured at the higher of the amount of loss allowance determined or the amount initially recognized less, the cumulative amount of income recognized.

Other financial liabilities: These are measured at amortized cost using the effective interest method.

ii) Determination of Fair Value:

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

iii) Derecognition of Financial Assets and Financial Liabilities:

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

Financial liabilities are derecognised when these are extinguished, that is when the obligation is discharged, cancelled or has expired.

iv) Impairment of Financial Assets:

The Company recognizes a loss allowance for expected credit losses on a financial asset that is at amortized cost. Loss allowance in respect of financial assets is measured at an amount equal to life time expected credit losses and is calculated as the difference between their carrying amount and the present value of the expected future cash flows discounted at the original effective interest rate.

(e) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

(f) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(g) Inventories

Inventories of Raw Materials, Consumable Stores & Spares, Stock in trade of Trading Purchases and Stock-in-Process are valued at cost on FIFO basis, Scrap at realizable value & Finished Goods are valued at cost or Net Realizable Value(NRV), whichever is less.

(h) Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Product warranty expenses: The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidences based on actions on product failures. The timing of outflows will vary as and when warranty claim will arise, being typically up to four years.

(i) Foreign Currency

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are re-measured into the functional currency at the exchange rate prevailing on the balance sheet date.

Exchange differences are recognized in the Statement of Profit and Loss except to the extent, exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings, are capitalized as part of borrowing costs.

(j) Income Taxes

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the Statement of Profit and Loss except when they relate to items that are recognized outside profit or loss (whether in other comprehensive income or directly in equity), in which case tax is also recognized outside profit or loss. Current income taxes are determined based on respective taxable income of taxable entity.

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carry-forwards and tax credits. Such deferred tax assets and liabilities are computed for the taxable entity. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

(k) Earnings Per Share

Basic earnings per share has been computed by dividing profit/loss for the year by the weighted average number of shares outstanding during the year.

Partly paid up shares are included as fully paid equivalents according to the fraction paid up. Diluted earnings per share has been computed using the weighted average number of shares and dilutive potential shares, except where the result would be anti-dilutive.

(l) Employee Benefits**i) Gratuity**

Sybly Industries Limited have an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 to 30 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. Sybly Industries Limited account for the liability for gratuity benefits payable in the future based on an actuarial valuation.

ii) Provident Fund and ESI

In accordance with Indian law, eligible employees of Sybly Industries Limited are entitled to receive benefits in respect of provident fund and ESI, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the provident fund and pension fund set up.

(m) Dividends

Any dividend declared or paid by Sybly Industries Limited for any financial year is based on the profits available for distribution as reported in the statutory financial statements of Sybly Industries Limited (Standalone) prepared in accordance with Generally Accepted Accounting Principles in India, or Indian GAAP or Ind AS. Indian law permits the declaration and payment of dividend out of profits for the year or previous financial year(s) as stated in the statutory financial statements of Sybly Industries Limited (Standalone) prepared in accordance with Generally Accepted Accounting Principles in India, or Indian GAAP or Ind AS after providing for depreciation in accordance with the provisions of Schedule II to the Companies Act. However, in the absence of inadequacy of the said profits, it may declare dividend out of free reserves, subject to certain conditions as prescribed under the Companies (Declaration and payment of Dividend) Rules, 2014. Accordingly, in certain years the net income reported in these financial statements may not be fully distributable.

(n) Segments

The company is engaged in business of manufacturing & trading of yarn and Fabrics, which is in same business segment.

(o) Investments in Subsidiaries, Joint Ventures and Associates

Investments in Subsidiaries, Joint Ventures and Associates are measured at cost as per Ind AS 27 – Separate Financial Statements. However, company has no subsidiary, joint venture and associates.

Nature of Long Term Unsecured borrowings :

The Unsecured Loans have been taken from Directors / Promoters & their relatives. These Unsecured Loans have been taken in the condition imposed by the financial institution for bringing the adequate margins. These unsecured loans will not be repaid without the permission of the financial institution. During the year some of unsecured loans are repaid and in place of them fresh are taken. However, the overall quantum of the unsecured loans were within the adequate margins as stipulated by the financial institution. The company is of the opinion that these are well within the provision of Section 73 of the Companies Act, 2013 as the same are accepted in pursuance of stipulations of financial institutions.
