ANNEXURE- A

INFORMATION ON THE RATIO OF REMUNERATION OF DIRECTOR TO THE MEDIAN EMPLOYEES REMUNERATION

PARTICULARS OF EMPLOYEES

The information required under section 197 of the Act read with rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are given below:

- a. The ratio of the remuneration of each director to the median remuneration of the employees of the Company for the financial year:

Name of the Directors	Ratio
Mr. Ritesh Patel	5.96
Mr. Miten Shah	NIL
Mr. Chirag Rawal	5.96
Mrs. Jalpa Patel	5.53

The percentage increase in remuneration of each director, Chief Executive Officer, Chief Financial Officer, Company Secretary in the financial year:

Name of the Directors & KMP	% Increase
Mr. Ritesh Patel – Director & CFO	NIL
Mr. Chirag Rawal – Independent Director	NIL
Mr. Miten Shah – Independent Director	NIL
Mrs. Jalpa Patel – Director	NIL
Mr. Keshava Kannan – CEO	NIL
Mr. Ankit Shukla – Company Secretary	NIL

Note: Mr. Ritesh Patel, Mr. Chirag Rawal and Mrs. Jalpa Patel are only paid the Sitting Fees for Board Meetings and the Committee Meetings attended by them during the year. Apart from that no other directors have been paid any sitting fees or remuneration

- b. The percentage increase in the median of employees in the financial year: 100%
- c. The number of permanent employees on the rolls of the Company: 139
- d. The remuneration (by way of sitting fees) of the Directors was Rs. 20,50,000/- during the year and in the previous year was Rs. NIL.
- e. Comparison of the remuneration of the key managerial personnel against the performance of the Company:

Average remuneration of key managerial personnel (KMP) 2015 - 2016	Amount (Per Month)
Mr. Ritesh Patel – Chief Financial Officer	NIL
Mr. Keshava Kannan – Chief Executive Officer	NIL
Mr. Ankit Shukla – Company Secretary	34,000/-

There has been no change in the remuneration of the Key Managerial Personal as compared to the previous year, however, the profits after tax of the company has increased to INR 48.90/- Lakhs as compared to the previous year profit after tax of INR 29.67/- Lakhs.

- f. Variation in the market capitalization of the Company, price earnings ratio as at the closing date of current financial year and previous financial year:

Particulars	March 31, 2016	March 31, 2015	% Change
Market capitalization	9.76 Cr	6.34 Cr	53.94
Price Earnings Ratio	20.00	21.31	-6.15

- g. Percentage increase over decrease in the market quotation of the shares of the Company in comparison to the rate at which the Company came out with the last Public Offer:

MANAGEMENT DISCUSSION ANALYSIS REPORT

GLOBAL OVERVIEW:

The global economy remained lacklustre in 2015 – 2016 with the dull economic growth rate from the developed nations and under performance for the certain emerging economies. This marks the slowest pace of expansion since the global financial crisis in 2009 and the fourth successive year that the global economy has grown at a rate lower than its long-term average. The Emerging Market & Developing Economies witnessed further deceleration in growth with the Chinese economy slowing down and other major constituent economies like Brazil and Russia witnessing contraction. The Advanced Economies, on the other hand, recorded a marginal uptick in growth. The US economy posted a muted growth for the second year in a row due to weak exports and decline in investments. The pace of economic activity improved in the Euro Area during the year, aided by strengthening domestic demand and supportive financial conditions.

Recovery in global economic activity is expected to remain subdued over the near / medium term with only a modest cyclical uptick to 3.2% in 2016 and 3.5% in 2017 as per IMF estimates. Such sub-par growth outlook is largely attributable to the structural '3D Challenge' facing the global economy - high levels of Debt, weakening Demographic trends with rising age dependency ratios even in emerging economies (excluding India and Africa) and persistent Deflationary pressures. The Emerging Market & Developing Economies are likely to witness another year of muted growth at 4.0% before improving to 4.6% in 2017, aided by Brazil and Russia coming out of deep recession. Growth in China is projected to slow down further to 6.5% in 2016 and 6.2% in 2017, reflecting the on-going rebalancing of the economy towards a more sustainable and broad-based consumption and services led growth. The outlook for the Advanced Economies point to the absence of any material pick-up in economic activity over the next two years, with GDP growth projected at 1.9% in 2016 (in line with 2015) and 2.0% in 2017. Within Advanced Economies, growth in the United States is projected to remain subdued around the 2.5% mark over the next two years due to strengthening of the dollar, weak manufacturing activity and decline in energy investments due to lower oil prices. The modest recovery in the Euro Area is likely to continue in 2016-17, with low energy prices, moderate fiscal expansion and supportive financial conditions outweighing weakening external demand.

Compared to the trends of other emerging and developing economies, the Indian economy showed some resilience. There was room for cheers on some counts, as there was an upward growth in IIP, robust growth rate in the services sector, declining rate of inflation (both CPI and WPI), containing fiscal deficit within the target, narrowing current account deficit at 1.3% of GDP, improved investor sentiment, healthy foreign exchange reserves, stable Rupee and rising stock markets. As per the analytical reports which states that India will grow at 7.5% in 2015-16 and therefore, India shall continue to remain, one of the fastest growing economies in the world. However, if India has to live up to its true potential, there is an urgent need to focus on job creation and skill up-gradation to address the issue of unemployment, especially among the youth. And, for this the manufacturing sector needs to get the required boost and the Modi government's call for 'Make in India' should travel beyond the realms of mere sloganeering.

COMPANIES OUTLOOK:

The domestic cigarette industry continues to reel under pressure of increased indirect taxes with declining volumes and substitute products. This indirect tax rates tolls to almost 200% - 300% of the total product cost, besides which, taxes are being levied by the local authorities which toll the total tax rates to 400% (approx.). Besides this, owing to certain health issues, the government has decided to impose the revised health warning covering 85% of the total display area of the pack, coming into force from April 01, 2016, which will result in the market share of the cigarettes industry to the further step below. Further, the upper revision in the health cess by the Central Government has increased the cost of the product, which has resulted in the slowdown in the sales of the company product.

However, your Company has witnessed increase in volume of its product and it was able to register a growth of 1356% in terms of operating revenue from INR 172.07/- Lakhs in previous year to INR 2506.70/- Lakhs. We have been able to increase volume in the 84 mm segment despite aggressive competitive moves by the peer companies. Despite the challenging scenario faced by it, your Company is aiming for steady growth through balanced brand portfolio, consumer engagement programs, quicker response to environmental changes and data driven decision making process. Directors are working hard towards making our brands consumer centric in the market place to gain market share. In view of the pricing pressure on consumers, your Company has already enhanced its focus on more economical price points to regain volume growth. We are offering a brand called "One & Only" which increasingly superior products at multiple price points which are affordable to various sections of society. The brand is being imported from Korea and company is selling the same into various States and expanding the business further by opening new branches in other state. Our effort will be to enhance the market share of the company in the cigarettes industry and launching further products owing to the market demand.

Report on the Financial Statements

We have audited the accompanying financial statements of AROMA ENTERPRISES (INDIA) LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016 and its profit and its cash flows for the year ended on that date.

ANNEXURE B TO THE INDEPENDENT

(Referred to in Paragraph 2(f) under the heading of "Report on Other Legal and date)

Report on the Internal Financial Controls under Clause (d) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of AROMA ENTERPRISES (INDIA) LIMITED ("the Company") as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal

financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies

A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements have been prepared to comply with the Generally Accepted Accounting Principles in India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.

The financial statements are prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian rupees.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

B. USE OF ESTIMATES

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes and the useful lives of fixed tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

C. INVENTORIES

Inventories are valued at the lower of cost and net realizable value. Costs of inventories comprise all cost of purchase, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Cost of inventories is generally ascertained on the 'FIFO' basis.

D. CASH FLOW STATEMENT

The Cash Flow Statement has been prepared under the 'Indirect Method' as set out in Accounting Standard 3 on Cash Flow Statement issued by the Institute of Chartered Accountants of India whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flow. The cash flows from operating, investing and financing activities of the Company are segregated.

Figures in bracket represent outflow in cash.

E. TANGIBLE ASSETS

Fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses. Cost comprises of all costs incurred to bring the assets to their location and working condition and includes all expenses incurred up to the date of commercial utilization.

Subsequent expenditure related to an item of fixed assets is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of Profit and Loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of fixed assets are measured as the difference between net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit and Loss when the asset is derecognized.

F. DEPRECIATION

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 for the period and depreciation on addition of assets during the period has been provided on prorated basis.

G. REVENUE RECOGNITION

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer. Sales are stated net of returns and Sales Tax/VAT. Revenue from services is recognized upon rendering of services.

Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Dividend Income is recognized in the year in which it is declared / received.

H. FOREIGN CURRENCY TRANSACTIONS

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.

Monetary items denominated in foreign currencies at the year end are restated at year end rates.

Non-monetary foreign currency items are carried at cost.

Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Profit and Loss Statement, except in case of long term liabilities, where they relate to acquisition of Fixed Assets, in which case they are adjusted to the carrying cost of such assets.

I. INVESTMENTS

Investments are classified as long term or current based on intention of the management at the time of purchase.

Initially investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges.

Current investments are carried in the financial statements at lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognize a decline, other than temporary, in the value of long-term investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit & Loss.

Company has not made or held any investment during the year under review.

J. EMPLOYEE BENEFITS

Short-term employee benefits are recognized as an expense in the profit and loss account of the period in which the related service is rendered.

Provident Fund of the Regional Provident Fund Commissioner is a defined contribution scheme, and contribution made to Regional Provident Fund Commissioner is charged to Profit & Loss Account.

K. BORROWING COSTS

Borrowing costs include interest, fees and other charges incurred in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition/construction of qualifying assets are capitalised as part of the cost of such asset up to the date when the asset is ready for its intended use. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Profit and Loss Account.

L. EARNING PER SHARE

The Company reports basic and diluted Earning Per Share (EPS) in accordance with Accounting Standard (AS) – 20 on “Earning Per Share”. The basic EPS is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period. Diluted EPS is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

M. TAXES ON INCOME

Current Tax is determined as the amount of tax payable in respect of taxable income for the period.

Deferred Tax Assets or Deferred Tax Liability is recognized on timing difference being the difference between taxable income and accounting income. Deferred Tax Assets or Differed Tax Liability is measured using the tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. Deferred Tax Assets arising from timing differences are recognized to the extent there is a reasonable certainty that the assets can be realized in future.

N. IMPAIRMENT OF ASSETS

An assets is considered as impaired in accordance with Accounting Standard (AS) – 28 “Impairment of Assets” when at balance sheet date there are indications of impairment and the carrying amount of the assets, or wherever applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the assets net selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as impairment loss in the Profit & Loss Account.

O. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provision is recognised in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the financial statements.

13. The instructions for members for voting electronically are as under:

In compliance to the provisions of section 108 of the Companies Act, 2013, read with Companies (Management & Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, the Company is pleased to offer e-voting facility to the members to cast their votes electronically on all resolutions set out forth in the Notice convening the Annual General Meeting to be held on Friday, September 30, 2016 at 11:00 A.M. The Company has engaged the services of CENTRAL DEPOSITORY SERVICES LIMITED (CDSL) to provide e-voting facility

1. Kindly note that all new e-Voting instances will have to be registered on www.evotingindia.com.
2. Companies should ensure that the total shareholdings (number of shares) are mentioned correctly. RTAs should ensure that the start date and time, end date and time are mentioned correctly for a given EVSN.
3. Once the EVSN is verified by the RTA checker, modifications are not permitted.
4. The PAN number should be of 10 characters only and is a mandatory field. Any value below or greater than 10 characters will be rejected by the system.
5. In case of records not having PAN number in the ROM file, a PAN value using the first two characters of the first name field excluding any special characters and the remaining eight digits from the Sequence Number in the ROM file would have to be provided in the ROM file. The sequence number should be generated by the RTA. If the sequence number is less than eight digits the remaining digits should be padded with the relevant number of 0 (Zero) from the left.
6. The sequence number should be communicated, in the notice, to those shareholders whose PAN number is not available and has been provided by the company in the ROM file.
7. Adequate precaution should be taken to ensure that the correct sub-status has been recorded for each member id / folio number for demat and physical shareholders.
8. In case Date of Birth (DOB) and Dividend Bank Details field is left blank in the ROM file, CDSL will populate the Folio Number / demat account number in the Dividend Bank Details field. The same should be communicated in the notice to the shareholders.
9. CDSL will activate those EVSNs on receipt of the EVSN Activation Letter as given below:
 - a. Activation letter received between 10.00 am and 6.00 pm will be acted on the same business day.
 - b. Activation letter received after 6.00 pm will be acted on the next business day.

We wish to highlight a few benefits of the system:

1. Passwords can be self generated by the Demat Shareholders of the Company.
2. Corporate shareholders can vote on multiple accounts through a single login.
3. Requirement of quoting the EVSN number in the notice is done away with.
4. After execution of the Finalise Voting option by the Scrutinizer, the company would be able to view the final voting report in their login.

The e-voting instructions for intimation to shareholders are enclosed for review and implementation.

In case of any queries kindly mail us on helpdesk.evoting@cdslindia.com or on 18002005533.

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

Item Nos3 & 4:

M/s. S. D. Motta & Associates, Chartered Accountants, Statutory Auditor of the company had tendered w.e.f. 17/03/2016 to continue and conduct of the company for the financial year 2015 - 2016. Hence to fill up the casual vacancy of the Statutory Auditor, the Company had appointed M/s. Rajpara Associates, Chartered Accountants in the Extra Ordinary General Meeting held on May 31, 2016 to conduct the audit for the financial year 2015 - 2016.

However, it was stated by M/s. Rajpara Associates, Chartered Accountants, that due to certain health issue and pre – occupations, they would not be able to continue as the Statutory Auditor of the Company and conduct the Audit for the financial year 2015 – 2016 w.e.f. July 30, 2016.

In order to fill up such casual vacancy, the company has appointed M/s. Saurabh R Shah & Co., Chartered Accountants, to conduct the audit for the period 2015 – 2016, in the Board Meeting held on August 08, 2016.

In pursuance to the provisions of Section 139(8) of the Companies Act, 2013, the company needs to approve the appointment of M/s. Saurabh R Shah & Co., Chartered Accountants, in the General Meeting of the Company within 3 (three) months from the date of appointment by the Board. Hence, the company has proposed their approval of the members in the item number 4 of the notice.

Further, the company has proposed their appointment in the item number 5 of the notice, for the period of 5 (five) years subject to the ratification by the members at every Annual General Meeting.

The board of directors has proposed the two resolutions for your approval.

None of the directors and key managerial personnel are interested in this resolutions.
