## **POLICIES**

### **A. POLICY ON RELATED PARTY TRANSACTIONS**

#### **SCOPE AND PURPOSE OF THE POLICY**

Related party transactions can present a potential or actual conflict of interest which may be against the best interest of the company and its shareholders. Considering the requirements for approval of related party transactions as prescribed under the Companies Act, 2013 ("Act") read with the Rules framed there under (as amended by SEBI Circulars dated April 17, 2014 and September 15, 2014), our Company has formulated guidelines for identification of related parties and the proper conduct and documentation of all related party transactions.

Also, SEBI LODR REGULATIONS requires a company to formulate a policy on materiality of related party transactions and dealing with related party transactions. In light of the above, our Company has framed this Policy on Related Party Transactions ("Policy"). This Policy has been adopted by the Board of Directors of the Company based on recommendations of the Audit Committee. ## **C. RISK MANAGEMENT POLICY**

### **LEGAL FRAMEWORK**

Risk Management is a key aspect of the "Corporate Governance Principles and Code of Conduct" which aims to improvise the governance practices across the Company's activities. Risk management policy and processes will enable the Company to proactively manage uncertainty and changes in the internal and external environment to limit negative impacts and capitalize on opportunities.

### **BACK GROUND AND IMPLEMENTATION**

The Company is prone to inherent business risks. The objective of Risk Management Policy shall be identification, evaluation, monitoring and minimization of identifiable risks. This policy is in compliance with the amended Reg. 27 of the SEBI (LODR), 2015 W.e.f 1st October 2014) which requires the Company to lay down procedure for risk assessment and procedure for risk minimization. The Board of Directors of the Company and the Audit Committee shall periodically review and evaluate the risk management system of the Company so that the management controls the risks through properly defined network. Head of Departments shall be responsible for implementation of the risk management system as may be applicable to their respective areas of functioning and report to the Board and Audit Committee.

### **COMMITTEE**

The Company has not made Risk Management Committee but the Board of Directors & Audit Committee is looking after the Risk Management of the Company.

## **D. CORPORATE SOCIAL RESPONSIBILITY POLICY**

India's new Companies Act, 2013 has introduced several new provisions which change the face of Indian corporate business. One of such new provisions is Corporate Social Responsibility (CSR). As per Section 135 of the Companies Act, 2013, it provides the threshold limit for applicability of the CSR to a Company i.e. (a) net worth of the company to be Rs 500 crore or more; (b) turnover of the company to be Rs 1000 crore or more; (c) net profit of the company to be Rs 5 crore or more.

---

Our Company is though a profit making, but earning very small amount of profit during the last 3 years, hence, the provisions relating to Corporate Social Responsibilities are not applicable to the Company. Hence, CSR Policy is Not Applicable to the Company

#### **E. VIGIL MECHANISM POLICY**

##### **LEGAL FRAMEWORK**

Section 177 of the Companies Act, 2013 requires every listed company and such class or classes of companies, as may be prescribed to establish a vigil mechanism for the directors and employees to report genuine concerns in such manner as may be prescribed.

Effective October 1, 2014, Clause 49 of the Listing Agreement between listed companies and the Stock Exchanges, inter alia, provides for a mandatory requirement for all listed companies to establish a mechanism called „Whistle Blower Policy“ for employees to report to the management instances of unethical behavior, actual or suspected, fraud or violation of the company’s code of conduct.

##### **POLICY**

In compliance of the above requirements, the Company being a Listed Company has established a Vigil (Whistle Blower) Mechanism and formulated a Policy in order to provide a framework for responsible and secure whistle blowing/vigil mechanism.

The Vigil (Whistle Blower) Mechanism aims to provide a channel to the Directors and employees to report genuine concerns about unethical behavior, actual or suspected fraud or violation of the Codes of Conduct or policy. The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations and in order to maintain these standards, the Company encourages its employees who have genuine concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment. The mechanism provides for adequate safeguards against victimization of Directors and employees to avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in exceptional cases. This neither releases employees from their duty of confidentiality in the course of their work nor can it be used as a route for raising malicious or unfounded allegations about a personal situation.

#### **F. SEXUAL HARASSMENT OF WOMEN AT WORK PLACE (POLICY WHERE MORE THAN 4 WOMEN WORKING) AND ELIMINATION OF CHILD LABOUR POLICY.**

The Company is not employing more than 4 women employees as well as the Company is not employing any child labor. So these both policies are not applicable to the Company.

## INDEPENDENT AUDITORS' REPORT

To  
The Members of  
Vax Housing Finance Corporation Limited,

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the standalone accompanying financial statements of Vax Housing Finance Corporation Limited ("the Company"), which comprise the balance sheet as at March 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), change in Equity and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit and other comprehensive Income, changes in equity and cash flows for the year ended on that date.

#### Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

#### Emphasis of matter

COVID-19 pandemic will impact the Company's financial performance are dependent on future developments, the severity and duration of the pandemic, which cannot be predicted with certainty. Our opinion is not modified in respect of the above matter.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These

matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we have determined that there are no key audit matters to communicate in our report.

#### **Information Other than the Standalone Financial Statements and Auditors' Report Thereon**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Director's report and Management Discussion & Analysis (MD&A) report, but does not include the standalone financial statements and our auditors' report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **To Independent Auditors' Report**

**Referred to in Report on Other Legal and Regulatory requirements paragraph 2(f) of the Independent Auditors' Report of even date to the members of Vax Housing Finance Corporation Limited on the financial statements for the year ended March 31, 2021**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act**

We have audited the internal financial controls over standalone financial reporting of Vax Housing Finance Corporation Limited ("the Company") as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control

based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting, were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes forming part of the standalone financial statements**

**18. Company Overview**

Vax Housing Finance Company Limited ('the Company' or 'the Company') was incorporated in 1994 in India as a limited company having its Corporate office at 301, Simandhar Estate, Nr. Sakar-III, Income Tax, Ahmedabad 380014, Gujarat, INDIA. The principal business of the company is providing financial services. The Company is a public limited company and its shares are listed on the Bombay Stock Exchange (BSE), India.

**19. Basis of Preparation and Presentation**

**19.1 Statement of Compliance and basis of preparation and presentation**

The standalone financial statements ("financial statements") have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and relevant amendment rules issued thereafter ("Ind AS").

The standalone financial statements have been prepared and presented on going concern basis and at historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period as explained below, the relevant provisions of the Companies Act, 2013 (the "Act"). The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division II of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

Amounts in the financial statements are presented in Indian Rupees rounded off to two decimal places as permitted by Schedule III to the Act. Per share data is presented in Indian Rupee to two decimal places.

Accounting policies have been consistently applied except where a newly-issued Ind AS is initially adopted or a revision to an existing Ind AS requires a change in the accounting policy hitherto in use.

**19.2 Functional and Presentation Currency**

The financial statements are presented in Indian Rupees (₹) which is the functional and the presentation currency of the company and all values are rounded to the nearest Indian Rupees with two decimals, except when otherwise indicated.

**19.3 Basis of Measurement**

The financial statements have been prepared on historical cost basis except for certain financial instruments that are measured at fair values.

A historical cost is a measure of value used in accounting in which the price of an asset on the balance sheet is based on its nominal or original cost when acquired by the Company.

**Fair Value Measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of

an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis.

Fair value measurements under Ind AS are categorised into fair value hierarchy based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access on measurement date.
- Level 2 inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 where unobservable inputs are used for the valuation of assets or liabilities.

#### 19.4 Use of Estimates and Judgements

The preparation of the financial statements in conformity with Indian Accounting Standards ("Ind AS") requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Accounting estimates could change from period to period. Actual results could differ from those estimates. Revisions to accounting estimates are recognised prospectively. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

##### 19.4.1 Determination of Expected Credit Loss ("ECL")

The measurement of impairment losses (ECL) across all categories of financial assets requires judgement.

In particular, the estimation of the amount and timing of future cash flows based on Company's historical experience and collateral values when determining impairment losses along with the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

Elements of the ECL models that are considered accounting judgements and estimates include:

- Bifurcation of the financial assets into different portfolios when ECL is assessed on collective basis.
- Company's criteria for assessing if there has been a significant increase in credit risk.
- Development of ECL models, including choice of inputs / assumptions used.

##### 19.4.2 Fair Valuation of Investments

Some of the Company's Investments are measured at fair value. In determining the fair value of such Investments, the Company uses quoted prices (unadjusted) in active markets for identical assets or based on inputs which are observable either directly or indirectly.

However, in certain cases, the Company adopts valuation techniques and inputs which are not based on market data. When Market observable information is not available, the Company has applied appropriate valuation techniques and inputs to the valuation model.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

#### **19.4.3 Income Taxes**

The Company's tax jurisdiction is in India. Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for certain tax positions.

#### **19.4.4 Evaluation of Business Model**

Classification and measurement of financial instruments depends on the results of the Solely Payments of Principal and Interest on the principal amount outstanding ("SPPI") and the business model test. The Company determines the business model at a level that reflects how the Company's financial instruments are managed together to achieve a particular business objective.

The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those instruments.

#### **19.4.5 Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

##### **An asset is treated as current when it is:**

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

The Company classifies all other assets as non-current.

##### **A liability is current when:**

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

## **20. Significant Accounting Policies**

## 20.1 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

### 20.1.1 Interest

Interest income on financial instruments is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate applicable.

#### Effective Interest Rate ("EIR")

The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount. The future cash flows are estimated taking into account all the contractual terms of the instrument.

The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets measured at fair value through profit and loss ("FVTPL"), transaction costs are recognised in the statement of profit and loss at initial recognition.

Interest income/expenses is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets/liabilities (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets, interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses).

## 20.2 Property, Plant and Equipment ("PPE")

PPE held for use are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses.

PPE is recognised when it is probable that future economic benefits associated with the item is expected to flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Cost includes professional fees related to the acquisition of PPE.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

## 20.3 Depreciation and Amortisation

Depreciation is recognised using written down method so as to write off the cost of the assets less their residual values over their estimated useful lives specified in Schedule II to the Act, or in case of assets where the estimated useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and

residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/residual value is recognised on prospective basis.

Depreciation for additions to/deductions from, owned assets is calculated pro rata to the period of use.

The useful lives for these assets are as prescribed under Part C of Schedule II of the Act.

#### **20.4 Impairment of Assets other than Financial Instruments**

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, are tested for impairment so as to determine the impairment loss, if any.

#### **20.5 Dividends on Ordinary Shares**

The Company recognises a liability to make cash to equity holders of the Company when the dividend is authorised and the distribution is no longer at the discretion of the Company. As per the companies laws in India, an interim dividend is authorised when it is approved by the Board of Directors and final dividend is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

#### **20.6 Cash and Cash Equivalents**

Cash comprises of cash on hand and demand deposits with banks. Cash equivalents are short-term deposits with banks (with an original maturity of three months or less from the date of placement) and cheques on hand. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

#### **20.7 Securities Premium Account**

Securities premium is credited when shares are issued at premium. It can be used to issue bonus shares, to provide for premium on redemption of shares and issue expenses of securities which qualify as equity instruments.

#### **20.8 Segments**

The Company's main business principal business of investment and acquiring or otherwise and hold sell, by or otherwise deal in shares, debentures, debenture stocks, bonds, units, obligations and securities issued or guaranteed by Indian or foreign governments, states, dominions, sovereigns, municipalities or public authorities or bodies and by any company, corporation, firm or person whether incorporated in India or elsewhere and to manage investment pools and financial services. Company has also engaged in business of real estate. All other activities of the company revolve around the main business. This in the context of Ind AS 108 – Operating Segments reporting is considered to constitute one reportable segment.

#### **20.9 Earnings per share**

Basic earnings per share is computed by dividing profit or loss attributable to ordinary equity holders by the weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of shares and dilutive potential shares, except where the result would be antidilutive.

## 20.10 Taxes on Income

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the statement of profit and loss except when they relate to items that are recognized outside statement of profit and loss (whether in other comprehensive income or directly in equity), in which case tax is also recognized outside statement of profit and loss.

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carry-forwards and tax credits. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date, and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Significant accounting estimates and judgements are involved in determining Company's tax charge for the year which includes an interpretation of local tax laws, judicial pronouncements and an assessment whether the tax authorities will accept the position taken. These judgements, also, take account of external advice, wherever appropriate, and the Company's view on settling with the tax authorities.

The Company provides for current tax liabilities at the best estimate that is expected to be paid to the tax authorities where an outflow is probable.

## 20.11 Provisions, Contingent Liabilities and Contingent Assets

### Provisions are recognised only when:

- (i) The Company has a present obligation (legal or constructive) as a result of a past event; and
- (ii) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) A reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows.

**Contingent liability is disclosed in case of:**

- (i) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; or
- (ii) A present obligation arising from past events, when no reliable estimate is possible.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

**Contingent Assets:**

Contingent assets are not recognised in the financial statements.

Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

**20.12 Statement of Cash Flows**

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities.

Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

**21. Financial Instruments**

**(I) Financial Assets**

**(i) Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

**(ii) Impairment of financial assets**

Expected credit losses are measured through a loss allowance at an amount equal to:

- (a) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or  
(b) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month expected credit losses to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime expected credit losses is used.

## **(II) Financial Liabilities**

### **(i) Initial recognition and measurement**

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost.
