The effect for the same has not been quantified by the Company.</i>	Considering the fact that only one employee is working in the company, the provision for gratuity for the period has not been made.
2	Basis of Qualified Opinion ii. <i>Attention is drawn to Note 24 and Note 9 to the financial statement - "Long Term Loans and</i>	The Company is confident of starting a new venture within

<p><i>advances - Mat Credit Entitlement” that the Company continues to recognize minimum alternative tax paid in previous years amounting to Rs. 25,20,258 as asset and expects the same to be adjusted against future tax payments. In our view, considering the past history of losses, which is resulting into negative net worth of the Company and overall financial position of the Company, it is not prudent on part the company to recognize the same as assets, and the same is not in consonance with provisions of "Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961".</i></p>	<p>this current financial year and hopes to adjust the same against future tax liabilities.</p>

<b>INDEPENDENT AUDITOR’S REPORT</b>
<b>TO THE MEMBERS OF ANKA INDIA LIMITED</b>
<b><u>Report on the Financial Statements</u></b>
We have audited the accompanying financial statements of Anka India Limited (“the Company”), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss, the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.
<b><u>Management’s Responsibility for the Financial Statements</u></b>
The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
<b><u>Auditor’s Responsibility</u></b>
Our responsibility is to express an opinion on these financial statements based on our audit.
We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company’s preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes

<p>evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.</p>	
<p>We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.</p>	
<p><b><u>Basis for Qualified opinion:</u></b></p>	
<p>i. Attention is drawn to Note 17 to the financial statement, the Company has not made provision for gratuity as defined benefit plan as required by provisions of AS -15 "Employee Benefits". The effect for the same has not been quantified by the Company.</p>	
<p>ii. Attention is drawn to Note 24 and Note 9 to the financial statement - "Long Term Loans and advances - Mat Credit Entitlement" that the Company continues to recognize minimum alternative tax paid in previous years amounting to Rs. 25,20,258 as asset and expects the same to be adjusted against future tax payments. In our view, considering the past history of losses, which is resulting into negative net worth of the Company and overall financial position of the Company, it is not prudent on part the company to recognize the same as assets, and the same is not in consonance with provisions of "Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961".</p>	
<p><b><u>Qualified Opinion</u></b></p>	
<p>In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified opinion Paragraph above, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its Loss and its cash flows for the year ended on that date.</p>	
<p><b><u>Emphasis of Matter:</u></b></p>	
<p>We refer to Note- 23 to the financial statements regarding Company's ability to continue as Going Concern and managements plan's to deal with these events or conditions.</p>	
<p>The Net worth of the company is negative and the company has past history of losses. There was no business transacted during the financial year 2016-17. These events or conditions indicate that material uncertainty exists and may cast significant doubt on entity's ability to continue as going concern.</p>	
<p>Our opinion is not modified in respect of this matter.</p>	
<p><b><u>Report on Other Legal and Regulatory Requirements</u></b></p>	
1.	<p>As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure 'A' a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.</p>

<b>Annexure 'B' to the Independent Auditors' Report</b>
The Annexure referred to in paragraph 3(h) under 'Report on Other Legal and Regulatory Requirements' our Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2017.
<b><u>Report on the Internal Financial Control u/s.143 (3)(i) of The Companies Act, 2013 ('the Act')</u></b>
We have audited the internal financial controls over financial reporting of Anka India Limited ('the Company') as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.
<b><u>Management's Responsibility for Internal Financial Controls</u></b>
The Company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of the reliable financial information, as required under the Companies Act, 2013;
<b><u>Auditor's Responsibility</u></b>
Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting ('the Guidance Note') and the Standards on auditing, to the extent applicable to an audit of internal financial control, both issued by the Institute of Chartered Accountants of India. Those Standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such controls operated effectively in all material respects.
Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial control over financial reporting included obtaining and understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatements of the financial statement, whether due to fraud or error.
We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.
<b><u>Meaning of Internal Financial Controls Over Financial Reporting</u></b>
A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

<ol style="list-style-type: none"><li>1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;</li><li>2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and</li><li>3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.</li></ol>
<b><u>Inherent Limitations of Internal Financial Controls Over Financial Reporting</u></b>
Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
<b><u>Opinion</u></b>
In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**ANKA INDIA LIMITED****Notes to Financial Statements for the year ended 31st March, 2017****1. CORPORATE INFORMATION -**

Anka India Limited is a public company, incorporated in India under the provisions of Companies Act, 1956. The Company is having its Registered Office at Gurgaon, Haryana and Corporate office at New Delhi. CIN Number of the Company is L74900HR1994PLC033268.

**2. BASIS OF PREPARATION –**

The accompanying financial statements have been prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standard issued by the Institute of Chartered Accountants of India (ICAI) and the provisions of Companies Act, 2013. These accounting policies have been consistently applied, except where newly issued accounting standard is initially adopted by the Company. Management evaluates the effect of accounting standards issued on an on-going basis and ensures they are adopted as mandatory by the ICAI.

**2.1. SIGNIFICANT ACCOUNTING POLICIES –****a) BASIS OF ACCOUNTING:**

The financial statements of Anka India Limited (“ANL” or the “Company”) have been prepared and presented in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises accounting standards notified by the Central Government of India under Section 133 of the companies Act, 2013, other pronouncements of Institute of Chartered Accountants of India.

All Assets and Liabilities have been classified as Current or Non- Current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in Cash and Cash Equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current, non-current classification of assets and liabilities.

The Company follows the accrual system of accounting for recognizing income and expenditure.

**b) USE OF ESTIMATES:**

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements and reported amounts of revenues and expenses for the year. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in the current and future periods.

**c) REVENUE RECOGNITION:**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

**d) FIXED ASSETS AND DEPRECIATION :**

- i. Fixed Assets are stated at their original cost of acquisition inclusive of inward freight, duties and expenditure incurred in the acquisition, construction/ installation.
- ii. Depreciation on fixed assets is provided to the extent of depreciable amount on the Written Down Value(WDV) method. Depreciation is provided based on useful life of the assets as prescribed in schedule of the Companies Act, 2013.

**e) IMPAIRMENT OF ASSETS :**

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of amortized historical cost.

**f) INVENTORIES:**

Items of Inventory are valued on the principle laid down by Accounting Standard 2 on "Valuation of Inventories". The Inventories are valued at lower of cost /net realizable value, Cost includes cost of material and other direct overheads such as inward freight, brokerage on procurement of material etc. Under this broad principle, Inventory is valued at FIFO basis.

**g) FOREIGN CURRENCY TRANSACTIONS****i. Initial recognition -**

Foreign currency transactions are recorded using the exchange rates prevailing on the dates of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognized in the statement of profit and loss.

**ii. Conversion -**

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated using the foreign exchange rates as at the balance sheet date. The resultant exchange differences are recognized in the statement of profit and loss. Non-monetary assets and liabilities are not translated.

**iii. Exchange differences -**

Exchange differences arising on the settlement of monetary, items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

**iv. Forward exchange contracts not intended for trading or speculation purposes –**

The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

**h) EMPLOYEE BENEFITS****a. Defined Contribution Plan**

- i. The Company makes defined contributions to Provident Fund which are recognized in the Profit and Loss Account on accrual basis.

- ii. Accruing liability for leave encashment is accounted for on the basis of present salaries and unclaimed leaves.

**i) TAXATION**

Tax expense comprises of current and deferred tax. The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

The carrying amount of deferred tax assets are reviewed at each Balance Sheet date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

**j) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:****a. Provisions**

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

**b. Contingent Liability:**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it

cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent liabilities are disclosed for:-

- i. Possible obligations which will be confirmed only by future events not wholly within the control of the company, or
- ii. Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of obligation cannot be made.

Contingent assets are not recognized in the financial statements, since this may result in recognition of income that may never be realized.

k) **EVENTS OCCURRING AFTER THE BALANCE SHEET DATE**

Events occurring after the date of Balance Sheet are considered up to the date of approval of accounts by the Board of Directors.

l) **EARNINGS PER SHARE**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m) **CASH AND CASH EQUIVALENTS:**

The Company considers all highly liquid financial instruments, which are readily convertible into and cash and have original maturities of three months or less from the date of purchase, to be cash equivalents.

n) **CASH FLOW STATEMENT:**

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.
