IMPORTANT NOTES:

A. GENREAL INFORMATION

1. The Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 (“the Act”) for the matter included in the notice, which is unavoidable and therefore proposed for seeking approval at AGM, is enclosed herewith.
2. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
3. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
4. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the

Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.

5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
6. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, , the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
7. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.ankaindia.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
8. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
9. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.
10. The Register of Members and the Share Transfer books of the Company will remain closed from 23rd September, 2021 to 30th September, 2021 (both days inclusive).
11. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM facility, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the e-AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
12. The deemed venue for 27th e-AGM shall be the Registered Office of the Company.
13. Since the AGM will be held through VC/OAVM Facility, the Route Map is not annexed in this Notice.
14. Information as required under Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing

Regulations') and the Secretarial Standard on General Meetings (SS -2) issued by the Institute of Company Secretaries of India (ICSI), in respect of the Directors seeking appointment / reappointment at the AGM is provided under a separate heading, which forms part of this Notice.

15. Attendance of the Members participating in the 27th AGM through VC/OAVM Facility shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
16. The Company has paid the Annual Listing Fees for the year 2021-2022.
17. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ("ICSI") and Regulation 44 of Listing Regulations read with MCA Circulars and SEBI Circular, the Company is providing remote e-Voting facility to its Members in respect of the business to be transacted at the 27th AGM and facility for those Members participating in the 27th AGM to cast vote through e-Voting system during the 27th AGM.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins 27th September, 2021 09:00 A.M. and ends on 29th September, 2021 05:00 P.M.. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 23rd September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs,

thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

S. NO	AUDITORS REMARKS	DIRECTORS REPLY
1	Basis of Qualified Opinion (i) <i>Company continues to recognize minimum alternative tax paid in previous years amounting to Rs. 25.20 Lakhs as asset and expects the same to be adjusted against future tax payments. In our view, considering the past history of losses, which is resulting into negative net worth of the Company and overall financial position of the Company, it is not prudent on part the company to recognize the same as assets, and the same is not in consonance with the provisions of "Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961".</i>	The Company is confident of starting a new venture soon and hopes to adjust the same against future tax liabilities.
2.	<i>Company has not complied with the requirements of the Income Tax, 1962 on account of short deduction of TDS amounting to Rs. 6,525 u/s 194J. Further, Company has defaulted in payment of TDS amounting to Rs 52,000 outstanding from the previous years.</i>	Due to current COVID-19 situations the Company is facing financial challenges. The Management is putting their best efforts to pay out all pending dues.
3.	<i>The Company does not appear to be carrying out any operations over the past few years, further the Company's cumulative negative reserves amounts to over 80% of paid up capital as a result the going concern capability of the Company is being questioned although the financial have not been drawn questioning the same.</i>	The Company is confident of starting a new venture soon and will be a going concern Company.

Rest of the observations of the auditors on the Financial Statements including relevant notes on the accounts are self-explanatory and therefore do not call for any further comments.

During the year under review, the Auditors had not reported any matter under Section 143(12) of the Companies Act, 2013 therefore no detail is required to be disclosed under Section 134(3) of the Act.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****Forward Looking Statement**

Forward-looking statement reflects the current expectations regarding future results of operations. Actual results, performances or achievements could differ materially from those expressed or implied in such forward-looking statements. Shareholders are cautioned not to place undue reliance on these forward-looking statements that speak only as of their dates. This Report should be read in conjunction with the financial statements included herein and the notes thereto.

Business Overview

Due to current COVID-19 situations the future plans of the Company has adversely effected. Currently the board is looking forward for the new ventures and get try to get the operations started as soon as possible.

OPPORTUNITIES AND THREATS

As you are aware of the current recessionary conditions prevailing in the market coupled with the cut -throat completion, it becomes difficult to grab the new opportunity. Government Policy on relaxing the Foreign Direct Investment limits in the different areas will allow many Multi-National Companies to enter into the Indian Market, which might pose as a probable risk, since the Company will be competing with the International Players as well.

Future Outlook

As it has been already mentioned above the company is exploring new markets keeping in mind the new objects to be undertaken and efforts are being made to initiate the new ventures as early as possible

Risks & Concerns

Every business faces risks involved in it operations, which could be internal as well as external. The external factors like trade war between **China and United States** is affecting every Country's business directly or indirectly. But at the same time the Company is quite hopeful that **Modi 2.0 Government** will leave no stone unturned to increase the consumption and Growth of India by laying out friendly business and Industrial Policies

The Company has a control over its internal factors but may not have much control over such external factors; however it is important to address these risks & concerns to mitigate their overall impact on the business. Realistic risk assessment and Management approach along with the regular monitoring mechanism in the Company ensures that these risks are duly addressed and well managed. High focus on safety of our manpower continuity and proactive Management of related business environment

are essential for the risk management in the overall supply chain and business in general.

Internal Control System & Their Adequacy

The Company has adequate system of internal controls to ensure that all activities are monitored and controlled as well as transactions are authorized, recorded and reported correctly. The Company has effective budgetary control system and the actual performance is reviewed with reference to the budget periodically by the Management. The Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines, which are supplemented by internal audit regularly. The Audit Committee of the Board meets on quarterly basis and reviews the internal control systems as well as financial statements.

Human Resources/Industrial Relations

The company lays due emphasis on sound Human Resource Management practices and appraisal systems with focus on cordial employer-employee relations to ensure higher level of productivity and operational efficiency. Adequate efforts have been made to strengthen and develop its human resources as a key strength through continuous training inputs and focused development plan.

INDEPENDENT AUDITOR'S REPORT**To the Members of
Anka India Limited
Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the standalone financial statements of Anka India Limited ("the Company"), which comprise the balance sheet as at 31st March 2021, the statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date except for the below mentioned qualifications:

- ***Company continues to recognize minimum alternative tax paid in previous years amounting to Rs. 25.20 Lakhs as asset and expects the same to be adjusted against future tax payments. In our view, considering the past history of losses, which is resulting into negative net worth of the Company and overall financial position of the Company, it is not prudent on part the company to recognize the same as assets, and the same is not in consonance with the provisions of "Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961 "***
- ***Company has not complied with the requirements of the Income Tax, 1962 on account of short deduction of TDS amounting to Rs.6,525 u/s 194J. Further, Company has defaulted in payment of TDS amounting to Rs 52,000 outstanding from the previous years.***
- ***The Company does not appear to be carrying out any operations over the past few years, further the Company's cumulative negative reserves amounts to over 80% of paid up capital as a result the going concern capability of the Company is being questioned although the financial have not been drawn questioning the same.***

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of The Companies Act, 2013. Our responsibilities under those

Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of The Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of The Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial

statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of The Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are

based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by The Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of The Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of The Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of The Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- I. The Company does not have any pending litigations which would impact its financial position.
 - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - III. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- (C) With respect to the matter to be included in the Auditor's Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.

Annexure B to the Independent Auditors' Report of even date on the Standalone Financial statements of Anka India Limited – 31st March 2021.**Report on the Internal Financial Controls under Paragraph (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of the Company as of 31st March 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanation provided to us and on the basis of our audit, the following material weakness have been identified as at 31st March, 2021

The Company has designed and designed and implemented internal financial controls in the organization and the same are operating effectively. However documentation of such control framework is in progress.

A material is a deficiency or a combination of deficiencies, in internal financial controls over financial reporting, such that there is reasonable possibility that there is a material misstatement of the Company's annual return or the interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects / possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company has maintained adequate and effective internal financial control over the financial reporting as at 31st March, 2021 based on the internal control over the financial reporting criteria established by the Company considering the essential components of the internal control stated in the Guidance Note on the Audit of Internal

Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered material weakness identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the March 31, 2021 standalone financial statements of the Company and the material weakness do not affect our opinion on the standalone financial statements of the Company.

Notes to the Standalone Financial Statements**Significant Accounting Policies for the year ended 31st March, 2021****Company Overview**

Anka India Limited (the company) is a Public Company domiciled in India and incorporated under provisions of the Companies Act, 1956. The company is engaged in the business of Information Technology. The company caters only to the domestic market. Registered Office of the Company is located at 41, Shvalik Building, Near Saraswati Hospital Telephone Exchange, Old Delhi Road Gurugram, Gurgaon, Haryana 122001

The Financial Statement were authorised for issue in accordance with a resolution of Directors on June 30, 2021.

1 Basis of Preparation of Financial Statements**a) Compliance with Ind AS**

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013, (the "Act") and other relevant provisions of the Act.

b) Functional and presentation currency

These financial statements are presented in Indian Rupees, which is also the Company's functional currency.

c) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- i Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments),
- ii Defined Benefits and other long term employment benefits

d) Use of Estimates and Judgments

The preparation of financial statements in conformity with Ind AS requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of financial statements and reported amounts of revenue and expenses for that year. Actual result could differ from these estimates. Any revision to accounting estimates is recognized prospectively.

The estimates and underlying assumptions are reviewed by management at each reporting date. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of revision or future periods if the revision affects both current and future periods.

Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

Assumptions and estimations uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the financial year ending 31 March 2021 are included in the following notes:

- i) Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;

e) Current vs Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle
- ii) Held primarily for the purpose of trading
- iii) Expected to be realised within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- i) Expected to be settled in normal operating cycle
- ii) Held primarily for the purpose of trading
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2 Significant Accounting Policies

a) Inventories

Since the Company is dealing in provision of services it does not have any Inventory in its books.

b) Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

c) Income Tax

Current

a) Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

b) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities not recognised if the temporary differences arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

d) Property, Plant and Equipment

Recognition and Measurement

Property, plant and equipment are stated at cost of acquisition less accumulated depreciation and impairment in value, if any.

Cost for additions comprises the purchase price and any other attributable cost of bringing the asset to its working condition for its intended use.

Subsequent expenditures are added to its gross book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance and cost of the item can be measured reliably.

The Company identifies and determines cost of each component/part of the Property, plant and equipment separately, if the component/ part has a cost which is significant to the total cost of the plant and equipment and has useful life that is materially different from that of the remaining plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset.

Gains or losses arising from derecognition of tangible Property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss.

Depreciation of these assets commences when the assets are ready for their intended use. Depreciation is recognised on the cost of assets (other than Capital work-in-progress) less their residual values on written down value method over their useful lives as indicated in Schedule II of the Companies Act, 2013 and based on technical parameters/ assessments.

The estimated useful life is as follows:

Type of Asset	Useful Life (Years)
Others	5 to 20

The residual values, useful lives and methods of depreciation of Property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. The cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

e) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on the property, plant and equipment is provided on written down value method, over the useful life of the assets, as specified in schedule II to the companies Act, 2013.

Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis.

f) Employee Benefits

Short Term Employee Benefits

The employee benefits payable only within 12 months of rendering the services are classified as short term employee benefits. Benefits such as salaries, Leave Travel Allowance, etc., is recognized in the period in which the employee renders the related services

A liability is recognized for benefits accruing to employees in respect of wages and salaries, in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

g) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets
Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Classifications

The Company classifies its financial assets as subsequently measured at either amortised cost or fair value depending on the company's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Business model assessment

The company makes an assessment of the objective of a business model in which an asset is held at an instrument level because this best reflects the way the business is managed and information is provided to management

A financial asset is measured at amortized cost net of impairment, if the objective of the Company's business model is to hold the financial asset to collect the contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through the Statement of Profit and Loss

Derecognition

The company derecognize a financial asset only when contractual rights to the cash flow from the asset expires or it transfer the financial asset and substantially all the risks and rewards of ownership of the asset.

b) Financial Liability

Financial Liabilities are classified, at initial recognition, as either 'Financial Liability at fair value through profit or loss' or 'Other Financial Liabilities'.

- i) Financial Liabilities are classified as 'Financial Liability at fair value through profit or loss', if they are held for trading or if they are designated as financial liabilities at fair value through profit or loss. These are initially at fair value with subsequent changes recognized in profit or loss.
- ii) Other financial liabilities, are initially measured at fair value, net of directly attributable transaction costs. Subsequent to initial recognition, these are measured at amortised cost using the effective interest rate method.

h) Fair Value Measurement

The Company measures financial instruments at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i) in the principal market for the asset or liability, or
- ii) in the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

i) Earnings Per Share

Basic earnings per share is computed by dividing the profit/ (loss) after tax (including the post tax effect of extraordinary items, if any) by weighted average number of equity shares outstanding during the year.

j) Impairment of Non-Financial Asset

At each reporting date, the Company reviews the carrying amounts of its non-financial assets (other than inventories and deferred tax assets) to determine whether there is any indication on impairment. If any such indication exists, then the asset's recoverable amount is estimated.

k) Provisions and Contingencies**A Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

B Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

l) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for allocating resources and assessing performance of the operating segments.

m) Exceptional Items

Exceptional Items refer to items of income or expenses including tax items, within the statement of profit and loss from ordinary activities which are non-recurring and one of such size, nature of incidence that their separate Disclosure is concerned necessary to explain the performance of the company.

n) Revenue

The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. The specific recognition criteria described below must also be met before revenue is recognised:

Sale of goods

Revenue from contracts with customers is recognised when the provision of service is completed at an amount that reflects the consideration to which the Company expects to be entitled in provision for those services.

o) Leases**Short-term leases and leases of low-value assets**

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

p) New and amended standards

The Company applied Ind AS 116 for the first time. The nature and effect of the changes as a result of adoption of these new accounting standards are described below.

Ind AS 116 Leases Ind AS 116 supersedes Ind AS 17 Leases

The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the Balance Sheet. Lessor accounting under Ind AS 116 is substantially unchanged from Ind AS 17. Lessors will continue to classify leases as either operating or finance leases using similar principles as in Ind AS 17. Therefore, Ind AS 116 does not have an impact for leases where the Company is the lessor. The Company has elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option (short-term leases).

**q) Recent Accounting pronouncements
Standards issued but not yet effective and not early adopted by the
Company**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

NOTE : 20**FINANCIAL RISK MANAGEMENT**

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and balance with banks. The carrying amount financial assets represents the maximum credit exposure .The maximum exposure to credit risk was Rs.Nil as at March 31, 2021 (March 31, 2020 : Rs.Nil). Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of counterparty to which the Company grants credit terms in the normal course of business. Further, significant sales of the Company are against to a single customer with Credit Terms 7 to 15 days. Outstanding customer receivables are regularly monitored. The management continuously monitors the credit exposure towards the customers and makes provision against those balances considered doubtful of recovery.

Trade receivables

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

Balance at the end of the year	-	-

The management believes that no further provision is necessary in respect of trade receivables based on historical trends of these customers. Further, the Company’s exposure to a single customer has significant contribution to trade receivables balances.

The credit risk on liquid funds such as balances with banks in current and deposit accounts is limited because the counter parties are banks with reasonably high credit ratings. Financial assets other than trade receivables and bank balances are not exposed to any material credit risk and not impaired.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company’s reputation

The company had unutilised working capital lines from banks of NIL. As on March 31,2021 NIL. As on March 31,2020.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks namely interest rate risk, currency risk and other price risk, such as commodity risk. The Company is not exposed to other price risk whereas the exposure to currency risk and interest risk is given below :

i) Foreign exchange risk

Presently Company deals only in the domestic market and hence is not exposed to Foreign Exchange Risk.

ii) Interest rate risk

Presently Company does not have any Fixed Rated Instruments and hence are not exposed to this risk.

NOTE : 29**COVID-19 IMPACT ANALYSIS**

The Company has considered the possible effects that may result from the pandemic relating to COVID-19. With a view to ensure minimal disruption with respect to operations including production and distribution activities, the Company has taken several business continuity measures. While the Company has not experienced any significant difficulties with respect to market demand, liquidity, financing capital expansion projects, collections so far, the Company has assessed the financial impact of the COVID-19 situation particularly on the carrying amounts of receivables, inventories, property, plant and equipment and intangible assets. The Company has, as at the date of approval of these standalone financial results, used internal and external sources of information, including economic forecasts and estimates from market sources. On the basis of evaluation and current indicators of future economic conditions, the Company believes that it will be in a position to recover the carrying amounts of these assets and does not anticipate any material impact due to impairment to these financial and non-financial assets. However, the impact assessment of COVID-19 is a continuing process, given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.

NOTE : 30**USE OF ESTIMATES, JUDGMENTS AND ASSUMPTIONS**
