**NOTES :**

1. In accordance with the Ministry of Corporate Affairs, (“MCA”) General Circulars Nos. 14/2020 dated April 8, 2020, 17/2020 dated April 13, 2020, 20/2020 dated May 5, 2020, 02/2021 dated January 13, 2021, 21/2021 dated December 14, 2021 and 2/2022 dated May 5, 2022, respectively, (“the MCA Circulars”) read with the Securities and Exchange Board of India (“SEBI”) Circular No. SEBI/HO/CFD/CMD2/ CIR/P/2022/62 dated May 13, 2022 (the SEBI Circular), the Annual General Meeting (“AGM”) will be held without the physical presence of the Members and Members can attend and participate in the AGM through VC/OAVM
2. Pursuant to the provisions of the Companies Act, 2013 (“the Act”), a Member entitled to attend and vote at the Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this Meeting will be held through VC/OAVM, in accordance with the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Meeting and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC / OAVM and participate thereat and cast their votes through e-Voting.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to csmanishaagr@gmail.com with a copy marked to evoting@nsdl.co.in
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.

7. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.gkconsultantsltd.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
8. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.
9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant of securities market. Members holding shares in electronic form are therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holdings shares in physical form can submit their PAN details to the company.
10. Members holding shares in physical form, in their own interest, are requested to dematerialize the shares to avail the benefits of electronic holding / trading.
11. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone / mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form to their Depositories.
12. Members, holding shares in physical form, are requested to notify / send the following to the Registrar and Share Transfer Agent (Beetal Financial & Computer Services Private Limited) of the Company: -
 - a) any change in their address / bank mandate.
 - b) particulars of their bank account, in case they have not been sent earlier.
 - c) nomination in Form SH-13, in duplicate, as provided under Section 72 of the Companies Act, 2013, in case they have not been sent earlier.
 - d) share certificate(s) held in multiple accounts in identical names or joint accounts in the same order of names, for consolidation of such shareholdings into one account.
13. In terms of Section 124(6) of the Companies Act, 2013 read with Investor Education and Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Amendment Rules 2017 ("the Rules"), the Company is required to transfer the shares, in respect of which the dividend remains unpaid or unclaimed for a period of seven consequent years to the IEPF account established by the Central Government. There are no shares in respect of which the dividend remains unpaid or unclaimed for a period of seven consequent years. Any person whose shares have been transferred to the Fund, may claim the shares from the authority by submitting an online Application form IEPF-5 available on the website www.iepf.gov.in and after making an application in form IEPF-5, send the same duly signed along with requisite documents to the Company for verification of the claim.
14. In compliance with the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, and Regulation 44 of the SEBI Listing Regulations, the Members are provided with the facility to cast their vote electronically, through the e-Voting services provided by NSDL, on all the resolutions set forth in this Notice.

Members holding shares either in physical form or in dematerialized form, as on Friday, 23rd September, 2022 i.e. cut-off date, may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter. Those Members, who present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system during the AGM.

15. The Members who have cast their vote by remote e-voting prior to the AGM may also attend/participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again.
16. The Voting rights of members shall be in proportion to their shares of the paid-up equity share capital of the Company as on the Cut-off date Friday, 23rd September, 2022. Members whose names appear on the Register of Members / List of Beneficial Owners as on Cut-off date i.e Friday, 23rd September, 2022 will be considered for the purpose of availing Remote e-Voting or Vote in the Annual General Meeting. A person who is not a member as on the cut-off date should treat this Notice for information purposes only.
17. The board has appointed Ms. Manisha Agrawal, (M/s. MA & Associates, Practising Company Secretaries) holding certificate of practice (CP No.3507) issued by the Institute of Company Secretaries of India (ICSI) as the Scrutinizer to Scrutinize the e-Voting process in a fair and transparent manner.
18. The Scrutiniser shall, immediately after the conclusion of voting at annual general meeting, unblock the votes cast through remote e-Voting in the presence of at least two witnesses not in the employment of the Company. Scrutiniser shall within 48 hours (forty-eight) of conclusion of the meeting submit his report to the Chairman / Managing Director / Chief Financial Officer & Company Secretary of the Company.
19. The voting results of the Annual General Meeting will be declared and communicated to the Stock Exchanges and would also be displayed on the Company's website at www.gkconsultants_ltd.com and will also available in website of NSDL <https://www.evoting.nsdl.com/>.
20. **THE INSTRUCTIONS OF SHAREHOLDERS FOR E -VOTING AND JOINING VIRTUAL MEETING ARE AS UNDER:**

Annexure III***MANAGEMENT DISCUSSION AND ANALYSIS REPORT*****Industry and Economic Scenario**

India's real GDP growth for FY 2021-22 was 8.7%, which is amongst the highest in leading economies, as the Indian economy bounced back during the year exhibiting resilience during the pandemic. As the year progressed, most of the economic indicators such as GST collection, IIP, Exports and UPI transactions saw an uptick, indicating a steady recovery from the lows of the first quarter of FY 2021-22. This was also reflected in the credit growth for both Banks and NBFCs where the larger, well-funded ones witnessed a swifter recovery on the back of ebbing third wave of COVID-19 and easing of restrictions.

While India's growth outlook for the year ahead remains bright, driven by private consumption and elevated public spending, but risks remain, the biggest of which is inflation. Higher inflation can curtail the discretionary consumption and unfavourably affect the recovering domestic demand. The ongoing geopolitical crisis has caused supply chain disruptions which has led to higher commodity prices; if this gets prolonged, it can further fuel the inflation. The depreciating Rupee can become another issue as India is one of the biggest importers of crude oil leading to likely rise in trade deficit in FY 2022-23. As Rupee depreciates and import prices go up, taming inflation can become an uphill task for the central bank. A slower than expected global growth recovery may affect the demand for exports.

India's retail inflation soared to an 18-month high of 7.5% in April 2022 driven by inflationary pressures, post which the RBI announced a 40 bps repo rate hike in May 2022 in an off-cycle monetary policy to combat the said rise in inflation. While RBI's stance remains accommodative in order to support growth, ensuring that inflation remains within the target going forward shall be key for a sustainable growth environment. However, a downside to this is any further increase in the rates may force Banks and NBFCs to further increase their lending rates, and thus affecting consumption and capital expenditure.

Nevertheless, the opportunities for growth remain intact driven by strong economic fundamentals, favourable economic policies (such as PLI scheme, Aatmanirbhar Bharat Abhiyan and Startup India initiative), digital push, demographic dividend and growing global preference for India as an investment destination. Further, as the Company enters into FY 2022-23, the thrust on capital expenditure in Union Budget 2022 is a welcome move and expected to push demand through multiplier effect on the economy. Given the proactive efforts by the regulator and the push from the government to support growth, the Company expects the inflationary environment to soften and a large vaccinated population is likely to contain the impact of subsequent COVID-19 waves, which will give way to robust growth going forward. This in turn shall spur credit demand across retail, SME and corporate segments, and reflect in the performance of the financial services sector as a whole.

Financial Services -NBFC Sector

Over the past few years, Non-Banking Financial Companies (NBFCs) have played a prominent role in the Indian financial system. They provide financial inclusion to the underserved section of the society that does not have easy access to credit. NBFCs have revolutionized the Indian lending system and have efficiently leveraged digitization to drive efficiency and provide customers with a quick and convenient financing experience. The plethora of services include vehicle financing, MSME financing, home financing, microfinance and other retail segments. The Government has

consistently worked on the governance measures to strengthen the systemic importance of the NBFCs. As of January 31, 2022 there were approximately 9,495 NBFCs registered with Reserve Bank of India (RBI), of which 49 deposit accepting NBFCs. The pandemic impacted the NBFCs operations, leading to decline in disbursements across the sectors. However, the support and focus of the Government through various liquidity measures such as repo rate cut, targeted long-term repo operations, special liquidity scheme and partial credit guarantee scheme, kept the sector afloat. The total credit outstanding from the NBFCs for Financial Year 2020-21 stood at Rs.23.75 trillion and is expected to grow by 6-7% in the Financial Year 2021-22. This growth was mainly led by growth in the housing, auto, gold and other retail segments which stood resilient even in the previous fiscal year. While the disbursement and AUM trends improved in the second and third quarters of Financial Year 2021-22, the trend is expected to continue in Q4 of Financial Year 2021-22 due to the limited impact of the third wave of the pandemic. The disbursement growth would have to remain healthier for a sustained AUM growth. Besides, bank credit growth to the NBFC sector improved significantly to 14.6% in February 2022 from 7% a year ago.

Pursuant to RBI circular RBI/2021-22/125 DOR/STR/ REC.68/21.04.048/2021-22 dated November 12, 2021, on Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances – Clarifications, the Company has revised its process of NPA classification to flagging of the borrower accounts as overdue as part of the day-end processes for the due date.

Segment-wise or product-wise performance of the Company

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

During the Financial Year ended March 31, 2022, the Segment wise gross revenue before allocating expenses of the Company under different segments was as under (all figures are in rupees):

Sale of Shares	40,30,492.02
Fee and Commission Income	32,00,000.00
Interest	51,33,567.00
Dividend	37,192.00

The Chart for Segment wise revenue before allocating expenses for the financial year 2021-22 is as under-

FINANCIAL AND OPERATIONAL PERFORMANCE

S.No	Ratio	Numerator	Denominator	Current Period	Previous Period	% Variance
1	Current Ratio (in times)	Current Assets	Current Liabilities	15.29	12.87	18.76
2	Debt – Equity Ratio (in times)	Total Debt	Shareholder's Equity	-	-	-
3	Debt Service coverage Ratio (in times)	Earnings available for debt service	Debt Service	-	-	-
4	Return on Equity (ROE) (in %)	Net Profit after taxes	Shareholder's Equity	0.07	-0.08	-181.07
5	Inventory Turnover Ratio (in times)	Sales	Average Inventory	5.29	4.57	15.84

6	Trade Receivable turnover Ratio (in times)	Net Credit sales	Average Trade Receivable	3.13	4.18	-25.12
7	Trade Payables Turnover Ratio (in times)	Net Credit Purchases	Average Trade Payables	1.74	19.17	-90.95
8	Net Capital Turnover Ratio (in times)	Net Sales	Working Capital	2.34	1.59	47.47

10	Return on Capital Employed	Earning before interest and taxes	Capital Employed	0.08	-0.11	-175.34

Reason for Variances

- Return on equity has become positive due to increase in the profit.
- Net Profit ratio and return on capital employed have become positive due to increase in profit.
- Trade receivable and trade Payable ratio were affected due to covid 19 considerably but in relative term these are better as compared to previous year.
- Capital turnover ratio has decreased as compared to previous year due to reduction in working capital.

Accounting Treatment

The Company has followed all the applicable Indian Accounting Standards (Ind AS) issued by the Ministry of Corporate Affairs (MCA) in the preparation of financial statements.

Opportunities

The demand for credit picks up with the growth in economic activities. The economic policies and various economic reforms pursued by the government will spur the economic growth of the country in the years to come. This will naturally lead to credit demand. However, at macro level the trade policies followed by U.S.A may impact the growth in international trade. Although India is one of the largest growing emerging markets, it is very difficult to foresee how such policies will impact the country's economic growth. NBFCs in the last two years face financial crunch due to drying up of sources of funds, bank's unwillingness to lend to NBFCs, shortage of liquidity, stressed assets, etc. The situation has worsened due to Covid 19 pandemic with economic activities almost coming to a standstill. This has affected the Company's operations. The Board of Directors of the Company is seized of the issues and advises the management to take prompt corrective action wherever required.

**Future Outlook**

As the pandemic has spread across the globe, the adverse impact of COVID-19 has overshadowed global macroeconomic outlook. No one has fair idea about how fast economy will overcome the effects of COVID-19, and Country's economy has just pressed RESTART button. Everyone is looking for pace at the same time no one can expect how and when situation will improve. But with the core and focused team we would try and get new horizons.

G. K. Consultants Limited as a NBFC has invested in the various corporates/companies and will continue to take relevant strategies to grow. G. K. Consultants Limited as a NBFC intends to continue its investment in the various corporate and its business in the Service Sector. Your company is planning to explore the benefits of Stock Markets to the maximum possible extent, besides providing consultancy services to the client to generate additional revenue in the year 2021-22.

Internal Control Systems and their adequacy

INDEPENDENT AUDITOR'S REPORT**To the Members of****G.K. Consultants Ltd.****Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of G.K. Consultants Ltd. ("the Company") which comprises the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the 'ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

We draw attention to Note No 25.30- Impact of CoVID-19 on the Financial Statements wherein the Company has disclosed its assessment of CoVID- 19 pandemic. As mentioned therein, the assessment of the Management does not indicate any material effect on the carrying value of its assets and liabilities of the Company on the reporting date or any adverse change in the ability of the Company to continue as a Going Concern. The assessment of Management is dependent on the circumstance as they evolve considering the uncertainties prevailing in the economic situation. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters	How our audit addressed the key audit matter
<u>Compliance with regulations impacting financial</u>	
<p>1. The company operates in a highly regulated environment. Being a Non-Banking Financial Company RBI provides directives and guidelines in the form of circulars from time to time. Given the pervasive nature of the regulations, failure to comply with them could have a material financial impact on the operations of the company.</p>	<p>1. Understood the relevant legal and regulatory framework within which the NBFC Company operates and operation of its key control over this framework.</p> <p>2. Assessed the compliance structure of the company with regard to adherences to various regulation. We understood the process followed by the Compliance Team to obtain and disseminate updates regarding new circulars/notification/ press releases.</p> <p>3. Assessed that disclosure in the financial statements are in line with the requirement of RBI.</p> <p>4. Enquired about penalties levied if any on the company for any assessed noncompliance with regulatory requirements.</p>

Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with reference to the Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the Internal Financial Control with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position.;
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There was no amount which were required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of G.K. CONSULTANTS LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of G.K. CONSULTANTS LIMITED (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the “internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial control over Financial Reporting issue by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control

over financial reporting includes those policies and procedure that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company is Non-Banking Financial Company– Non-Deposit Taking Systemically Important registered under Section 45-IA of Reserve Bank of India Act, 1934 vide Certificate Registration No. **B-14-00143** dated 12.09.2001. The company is engaged in business of consultancy, share trading, investment, hiring of assets, software business and other activities of a non-banking finance company.

2. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Statement of Compliance and Basis of Presentation and Preparation of financial statements

These financial statements are presented in 'Indian Rupees', which is also the Company's functional currency.

a. Statement of Compliance

These financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 ("the Act"), and in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. Any application guidance/ clarifications/ directions issued by the RBI or other regulators are implemented as and when they become applicable.

b. Presentation of financial statements

The Balance Sheet, the Statement of Changes in Equity and the Statement of Profit and Loss are presented in the format prescribed under Division III of Schedule III of the Act, as amended from time to time, for Non-Banking Financial Companies ('NBFCs') that are required to comply with Ind-AS. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

c. Preparation of financial statements

The financial statements have been prepared under the historical cost convention on the accrual basis.

d. Use of Estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.2 **Financial Instruments**

a. **Date of Recognition**

Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

b. **Initial Measurement**

Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset.

2.3 **Financial Assets**

Financial asset is recognised on trade date initially at cost of acquisition net of transaction cost and income that is attributable to the acquisition of the financial asset. Cost equates the fair value on acquisition. Financial asset measured at amortised cost and Financial measured at fair value through other comprehensive income is presented at gross carrying value in the financial statements. Unamortised transaction cost and incomes and impairment allowance on Financial asset is shown separately under the heading "Other non-financial asset", "Other non-financial liability" and "Provisions" respectively.

a. **Cash and Cash Equivalents**

Cash and cash equivalents include cash at banks and on hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

The Company follows the policy of crediting the customer's account only on receipt of amount in the bank and as such no cheques in hand are taken into consideration.

b. **Inventories**

The company has valued the inventories at fair value in the Financial Statements.

c. **Property, Plant and Equipment**

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment includes interest on borrowings attributable to acquisition up to the date the asset is ready for its intended use & other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when placed. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives & residual value

Depreciation on Property, Plant and Equipment is provided in accordance with the provisions of Schedule II of the Companies Act, 2013. Tangible assets are depreciated on straight line basis method over the useful life of assets, as prescribed in Part C of Schedule II of the Companies Act, 2013.

The estimated useful lives for the different types of assets are:

- (i) Furniture and Fixtures -10 years
- (ii) Office Equipment owned - 5 years
- (iii) Computers - 3 years
- (iv) Air Conditioners – 10 years

The Company provides pro-rata depreciation from the day the asset is put to use and for any asset sold, till the date of sale. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognised in the statement of profit and loss.

d. Intangible Assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Intangible Assets are amortised on straight-line basis over the useful life of the asset up to a maximum of 5 years commencing from the month in which such asset is first installed.

The Company provides pro-rata depreciation from the day the asset is put to use and for any asset sold, till the date of sale.

e. Impairment of Assets

At the end of each year, the Company determines whether a provision should be made for impairment loss on Property, Plant and Equipment to determine whether there is any indication that the asset have suffered an impairment loss. An impairment loss is charged to Statement of Profit and Loss in the year in which, an asset is identified as impaired, when the carrying value of the asset exceeds its recoverable value. The impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

f. Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary if any, in the value of such investments. Investments are nil in the company.

g. Reclassifications within classes of financial assets

A change in the business model would lead to a prospective re-classification of the financial asset and accordingly the measurement principles applicable to the new classification will be applied. During the current financial year and previous accounting period there was no change in the business model under which the Company holds financial assets and therefore no reclassifications were made.

h. Modification and De-recognition of financial assets

Modification of financial assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/or timing of the contractual cash flows either immediately or at a future date.

The Company renegotiates loans to customers in financial difficulty to maximise collection and minimise the risk of default. A loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness).

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when:

- 1) the rights to receive cash flows from the asset have expired, or
- 2) the Company has transferred its rights to receive cash flows from the asset and substantially all the risks and rewards of the asset, or the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Write-off

Impaired loans and receivables are written off, against the related allowance for loan impairment on completion of the Company's internal processes and when the Company concludes that there is no longer any realistic prospect of recovery of part or all of the loan.

For loans that are individually assessed for impairment, the timing of write off is determined on a case-by-case basis. A write-off constitutes a de-recognition event. The Company has right to apply enforcement activities to recover such written off financial assets. Subsequent recoveries of amounts previously written off are credited to the income statement.

2.4 Financial Liability and Equity

Debt and equity instruments that are issued are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

a. Financial liabilities

A financial liability is a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavourable to the Company or a contract that will or may be settled in the Company's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own equity instruments, or a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of the Company's own equity instruments.

Financial liability is recognised initially at cost of acquisition net of transaction costs and incomes that is attributable to the acquisition of the financial liability.

De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

b. Equity

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

No gain/loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

2.5 Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment wherever applicable.

2.6 Revenue Recognition

Ind-AS 115 Revenue from Contracts with Customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers. Revenue is generally recognised on accrual basis as and when they are earned. Revenue is recognised when (or as) the Company satisfies a performance obligation by transferring a promised good or service to a customer.

When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

a. Interest Income

Interest income from investments/financial assets is recognized when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable. The interest income is earned on loans, advances and bank deposits.

b. Dividend Income

Dividend income is accounted for on receipt basis. The company is dealing in trading of shares & securities and dividend earned on such dealings of shares is shown as other operating revenue. Such income is generally accounted when the Company's right to receive dividend is established.

c. Fees and commission Income

Fee for professional advisory services are accounted as and when service is rendered provided there is reasonable certainty of its ultimate realisation.

Revenue from commission income is recognised when the service is performed.

d. Sale of products

Sales are recognised on transfer of significant risks and rewards of ownership to the buyer as and when the same are traded on Stock Exchange.

e. F & O Income

Income and/or loss on Future and Options as well as derivative dealings are recognised in books of assets are on maturity of such transactions on settlement date. Outstanding/Pending transactions/positions, which are not settled by end of any period, are not recognised as income or loss.

2.7 Employees Benefits

Gratuity

As per terms of employment, none of the employee of the company is entitled for gratuity.

Compensated Absences/Leave Encashment

As per the company's employment policy, employees are not entitled for leave encashment.

Other short-term benefits

Expense in respect of other short-term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

2.8 Borrowing Costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan wherever applicable. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets wherever applicable.

2.9 Leases

Leases are classified as operating lease where significant portion of risks and reward of ownership of assets acquired under lease is retained by the lessor. Leases of assets under which substantially all of the risks and rewards of ownership are effectively retained by the lessee are classified as finance lease.

Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease rentals are apportioned between principal and interest on the internal rate of return. The principal amount received reduces the net investment in the lease and interest is recognised as revenue.

Lease rental - under operating leases (excluding amount for services such as insurance and maintenance) are recognised on a straight-line basis over the lease term, except for increase inline with expected inflationary cost increases.

2.10 **Foreign currencies transactions**

Transactions in currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the rates prevailing at the year end. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

2.11 **Other Expenditure**

Other expenses are accounted on accrual basis.

2.12 **Earnings per share**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the number of equity shares outstanding during the year.

2.13 **Taxation**

a. **Income Tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

b. **Current Taxes**

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company, if applicable.

c. **Deferred Taxes**

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is reasonable certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably certain (as the case may be) to be realised. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets.

**d. Goods and Services Input Tax Credit**

Goods and Services tax input credit is accounted for in the books in the period in which the supply of goods or service received is accounted and when there is no uncertainty in availing/utilising the credits.

2.14 Provisions, contingent liabilities and contingent assets

The Company creates a provision when there is a present obligation as a result of past events and it is probable that there will be outflow of resources and a reliable estimate of the obligation can be made of the amount of the obligation.

Contingent liabilities are not recognised but are disclosed in the notes to the financial statements. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are neither recognised nor disclosed in the financial statements.

2.15 Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and

financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates and joint ventures; and
- iii. all other items for which the cash effects are investing or financing cash flows. Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.
