Annexure – B to the Independent Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Trinity League India Limited (the Company) as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are

recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles; and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial control over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1. Accounting Conventions

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2. Use of estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relation to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Examples of such estimates include provisions for doubtful receivables, employee benefits and provision for income taxes. Future results could differ due to changes in the estimates and the difference between the actual results and the estimates are recognized in the period in which the results are known/materialize.

3. Revenue Recognition

Revenue from sale of services is accounted on the basis of billing to customers and includes unbilled revenue accrued up to the end of the accounting period. Revenue from the sale of material is recognized net of discounts and rebates. Interest income from deposits and others is recognised on an accrual basis. Profit/loss on sale of Assets is recognised on the date of its sale and is computed as excess of sale proceeds over its carry amount as at the date of sale.

4. Fixed Assets

Fixed Assets are stated at cost of acquisition/construction as reduced by accumulated depreciation. Apart from taxes (Excluding CENVAT) all costs including financial costs up to the date of commissioning and attributable to the fixed assets, freight and other incidental expenses related to the acquisition and installation of the respective fixed assets are capitalized.

Capital work-in-progress is stated at the amount expended up to the date of balance sheet and includes advances paid to suppliers and contractors on account of Capital works.

5. Depreciation

The company follows the Written Down Value Method for calculation of depreciation. The depreciation has been calculated based on the new depreciation rates based on estimated life of the assets as per Companies Act 2013.

6. Investments

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are

TRINITY LEAGUE INDIA LIMITED

recognized at cost. The cost comprises purchase price and directly attributable acquisition expenses such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

7. Retirement Benefits

The retirement benefits are accounted for as and when liability becomes due for payments.

8. Provision for Current Tax & Deferred Tax

The company is a loss making entity and therefore accounting for taxes on income as per AS - 22 has not been done.

9. Provisions & Contingencies

The Company recognizes provision when there is present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. In cases where the available information indicates that the loss on the contingency is reasonably possible but the amount of loss cannot be reasonably estimated, a disclosure is made in the financial statements. Provisions are reviewed at each balance sheet date and adjusted to reflect the current management estimates. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

A disclosure of contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resource is remote, no provision or disclosure is made.

Contingent assets are not recognized in the financial statements.

10. Earnings per share(EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

11. Borrowing costs

Interest on borrowings is recognized in statement of profit and loss on an accrual basis. Costs associated with borrowings are grouped under financial charges along with the interest costs.

TRINITY LEAGUE INDIA LIMITED

12. Cash Flow Statement

Cash Flow statement has been prepared by following the Indirect Method and in accordance with the provisions of AS 3.
