Notes forming part of the Financial Statements

Note 1. Significant Accounting Policies

a) **Basis of preparation**

The financial statements are prepared under the historical cost convention on accrual basis of accounting to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions thereof.

W.e.f 1-4-2014 Depreciation on fixed assets is provided on Written Down Value Method (WDV) as per useful life & in the manner prescribed in Schedule II of the Companies Act, 2013.

For assets where the remaining useful life of assets is exhausted, the carrying amount of the assets as on 1st April, 2014 after retaining the residual value is adjusted against opening balance of retained earnings.

d) **Investments**

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments.

Current investments are carried at the lower of cost or fair value. Long term investments are carried at cost less permanent diminution in value, if any.

Revenue is recognised when there is reasonable certainty of its ultimate realization/collection.

f) **Inventories**

Inventories are shown at lower of cost or net realizable value.

g) **Foreign Exchange Transactions**

Monetary assets and liabilities denominated in foreign currency are restated at the prevailing year end rates. The resultant gain/loss upon such restatement along with the gain/loss on account of foreign currency transactions are accounted in the Statement of Profit and Loss.

h) **Taxation**

Current tax is determined as the amount of tax payable in respect of taxable income in accordance with relevant tax rates and tax laws.

Deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognized only to the extent there is virtual certainty and convincing evidence that there will be sufficient future taxable income available to realize such assets.

i) **Impairment of Assets**

Regular review is done to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets. If any such indication exists, impairment loss i.e. the amount by which the carrying amount of an asset exceeds its recoverable amount is provided in the books of accounts. In case there is any indication that an impairment loss recognized for an asset in prior accounting periods no longer exists or may have decreased, the recoverable value is reassessed and the reversal of impairment loss is recognized as income in the Statement of Profit and Loss.

j). **Provisions and Contingencies**

A provision is recognized when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources would be required to settle the obligation, and in respect of which a reliable estimate can be made.
