COVID-19 IMPACT

The COVID-19 Pandemic is having a deep Impact on Indian businesses and has already caused unprecedented challenges in economic activities. Further, the "second wave" of COVID-19 pandemic has further exacerbated the Global as well as the Indian economy whether in the organized or unorganized sectors, particularly the latter and permanently set back the country's growth prospects and GDP..

Since the Company has no operational activity currently, the few existing employees office-based were allowed to work from home by providing adequate assistance. The Company believes the COVID - 19 is not likely to have any material impact on its financial statements, liquidity or ability to service its.

FUTURE OUTLOOK-

The medium term outlook for industry was indeed quite negative due to the Global Pandemic that had derailed the global and Indian economy. This was further accentuated by policy initiatives such as demonetization, hurried implantation of GST, credit squeeze etc. had already resulted in a substantial slow-down of the economy, impacting all, informal and organized sectors of

the economy. The government's programmes and policy initiatives with respect to "Make in India" etc. had not taken root, consequent to freeze on investments by corporate-

So while the Indian economy is emerging from the pandemic at a considerable low cumulatively as detailed above, the Government has moved aggressively to revive growth, employment, and industry in general while encouraging foreign investment at an unprecedented pace. Furthermore, with monetisation of Government owned assets, sale of unprofitable businesses, and in general creating a much lesser restrictive investment environment, the out look for the future does seem encouraging should these initiatives bear fruit. The Government and its economic agencies are optimistic of India's future growth from 2022 onwards, and in line with that optimism, ITL too looks forward to substantially improved business prospect in the coming year.

The electronics industry had contracted considerably, and new technology induction or absorption was missing altogether. The future as per the Company's assessment lies in AI, machine learning software, automotive electronics, mobile communications although existing skill sets in India for implementing these are limited at present but growing with inflow of foreign investment. The Company is examining in depth possibilities for developing such skills under the Government's "Skill India" programme, where the Company has access to such know-how and technology. Furthermore, with the impact of the pandemic worldwide and Chinese aggression have both contributed to a unique opportunity for our Company, as with Indian industry in general. Many companies from various affected nations such as USA, Japan, Taiwan, South Korea etc. have planned to shift manufacturing out of China and relocate to other low cost destinations such as India, as a strong possible manufacturing alternative destination, fulfilling and securing supply chains threatened by Chinese intransigence and instability arising out of international security issues.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st MARCH 2021
[Pursuant to section 204(1) of Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Integrated Technologies Limited
C-24, Defence Colony,
New Delhi - 110024

I have conducted the secretarial audit of the compliance of, applicable statutory provisions and adherence to good corporate practices by **INTEGRATED TECHNOLOGIES LIMITED (L31909DL1995PLC277176)**(hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, we hereby report that in my opinion, the company has, during the audit period covering the financial year ended 31st March, 2021 ("Audit Period") complied with the statutory provisions listed hereunder. The Company has proper Board – processes and compliance–mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31st March, 2021 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye- laws Framed there under;
- iv. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act,1992('SEBI Act') :-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of insider Trading) Regulation, 1992;
 - c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

I have also examined compliances with the applicable clauses of the following:-

- a) Secretarial Standards (SS-1 and SS-2) issued by the Institute of Company Secretaries of India
- b) Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015,

and it was noted that the Company has complied with the same to the extent possible, however the stricter applicability of the Secretarial Standards is to be observed by the company.

I further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this audit since the same have been subject to review by the statutory financial auditor and other designated professionals. Further, our report should also be read along with the views, as given by the Statutory Auditors in their report for the financial year 2020-21.

During the period under review, the Company had complied with the provisions of the Act, rules, regulations, guidelines, standards, etc. mentioned above.

We further report that the Board of directors of the Company is duly constituted with total 03 (three) Directors, comprising of 01(One) Executive Directors, 01(One) Non-Executive Director and 01 (One) Independent Director. The Company has not appointed a female Director on its Board and has expressed its inability to appoint one due to financial constraints and non-availability of female Director at the present moment.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

There were no instances of:-

- i. Issue of shares on rights basis or on preferential basis,
- ii. Redemption/ buy-back of securities,
- iii. Merger/amalgamation/reconstruction, etc.
- iv. Foreign technical collaborations.

Management Discussion and Analysis

Having waited over six years for an expectedly positive decisions for restructuring of its 100% EOU PCB manufacturing unit as of July 2010, the Company was most unfortunately and finally forced to finally abandon the business as the assets had degenerated beyond repair and had also become technologically obsolete, awaiting governmental approvals.

This emergent situation has effectively put a complete halt to the Company's relentless pursuit of its' business plans and interests in terms of manufacturing of PCBs for the lucrative and growing domestic market at that time, as also the interests of all its stake holders.

Needless to mention, the Company has paid all liabilities to its secured creditors and had emerged strongly as a zero debt Company, with only some unsecured debt outstanding to promoters, which the promoters have from time to time been re-investing in the Company.

There is an unmistakable and gaping, wide disparity between Policy pronouncements by Governmental authorities and their implementation. Furthermore, policy initiatives and fresh so called "reforms" have a strong bias towards large business enterprises, consolidation of businesses into large conglomerates, or in favour of MNCs with large capital access, especially in consumer retail. Scope for SME growth is quickly vanishing, as is for capital goods, components, high tech etc. Existing companies are not expanding their operations. New domestic investment is not forthcoming.

However, in view of emergent global events and trends, and what appear in general overall depressed scenarios, Management feels that the Company needs to evaluate its business plans and accordingly focus on areas with minimal governmental interface / approvals.

The world at large now sees India not only in terms of its potential as a large consumer market with interesting demographics which could sustain high demand for consumer goods and services, but also a possible manufacturing alternative to China in fulfilling global supply chains consequent to the global pandemic COVID 19, the impact of which has so far been disastrous for developed and developing economies. While there are initial indications that such moves by MNCs at large scales could fructify leading to a bail out of India's struggling and battered economy, revival could take a few years. However, the opportunity offered by the pandemic and Chinese aggression worldwide has opened up opportunities for Indian companies. Policy emphasis on MSME sectors will give further fillip to such plans. Further incentives under the "Atmanirbhar" Policy of the Indian Government have been very encouraging. Active implementation could see rapid growth of Indian companies and their business outlook.

The Company Management has taken all these information and trends into consideration in devising its future course, while maintaining the central focus of the stakeholders' interests. The management believes that the future plans being so considered factoring the above inputs would lead to substantial growth of the Company and its stakeholders net worth looking forward.

The Company plans to announce its revised business plan and strategy in the near future in the emerging fields such as Artificial Intelligence and machine learning software training and development, apart from manufacturing / subcontracting electronics design, assembly and manufacture, being areas of core competence.

Independent Auditor's Report on Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Integrated Technologies Limited

Opinion

1. We have audited the accompanying annual financial results ('the Statement') of "**Integrated Technologies Limited**" ('the Company') for the year ended 31 March 2021, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('listing Regulations'), including relevant circulars issued by the SEBI from time to time.

2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:

(i) presents financial results in accordance with the requirements of Regulation 33 of the Listing Regulations; and

(ii) gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with relevant rules issued there under, and other accounting principles generally accepted in India, of the net loss and other comprehensive income and other financial information of the Company for the year ended 31 March 2021.

Basis for Opinion

3 We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143 (10) of the Act. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Statement* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Statement

4. This Statement has been prepared on the basis of annual audited financial statements and has been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income and other financial information of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India, and in compliance with Regulation of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

5. In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

6. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

8. As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

11. The Statement includes the financial results for the quarter ended 31 March 2021, being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subject to limited review by us.

INDEPENDENT AUDITOR'S REPORT

To the Members of
INTEGRATED TECHNOLOGIES LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of INTEGRATED TECHNOLOGIES LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021 and its loss, total comprehensive income, Changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended 31st March 2021. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the

financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of

accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure - A**, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act read with relevant rules issued thereunder.
- e) On the basis of written representations received from the directors as on 31st March 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2021, from being appointed as a director in terms Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure – B.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, no remuneration is paid by the Company to its directors during the year.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – refer note no. 14, 16 & 17 to the financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure - B to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **INTEGRATED TECHNOLOGIES Limited** ("the Company") as of 31st March 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to

error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. NOTES ACCOMPANYING TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

A. CORPORATE INFORMATION

INTEGRATED TECHNOLOGIES LIMITED (“the Company”) is a listed entity incorporated in India with registered office in New Delhi.

B. SIGNIFICANT ACCOUNTING POLICIES

B.1 BASIS OF PREPARATION AND PRESENTATION

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. For all periods up to and including the year ended 31 March 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with Companies (Accounts) Rules 2014 (Indian GAAP). The financial statements have been prepared on a historical cost basis except for certain assets and liabilities which have been measured at fair value or revalued amount. The fact is disclosed in the relevant accounting policy. The financial statements are presented in Indian Rupees (‘INR’) and the values are rounded to the nearest rupee.

B.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Property, plant and equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost, directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset’s carrying amount or recognized as separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Depreciation on property, plant and equipment is provided using straight line method (SLM). Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

b. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

c. Inventories

Inventories are measured as under on the basis of first-in first-out principle and include expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition:

- Finished Goods	:	At lower of cost or selling price.
- Semi-finished Goods	:	At estimated cost.
- Raw Materials, Stores & Spares and Packing Materials	:	At Cost.
- Scrap	:	At realizable value.

d. Impairment of assets

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite life may be impaired. If any such impairment exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any.

e. Provisions, Contingent liabilities, Contingent assets and Commitments

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed by way of notes to accounts. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

f. Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or equity. In which case, the tax is also recognized in other comprehensive income or equity.

Current Tax

Current tax assets and liabilities are measured at the amount expect to be recovered or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

Deferred Tax

Deferred tax is provided, using the balance sheet method, on all temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

g. Operating Cycle

Based on the nature and activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

h. Foreign Currency transactions and translation

The Company's financial statements are presented in INR, which is also the Company's functional currency.

Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction.

At each balance sheet date, foreign currency monetary items (such as Cash, Receivables, Loans, Payables, etc.) are reported using the closing exchange rate.

Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognized as gain or loss in the period in which they arise.

Non-monetary items (such as Investments, Fixed Assets, etc.) which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

i. Revenue recognition

Sales are recognized on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to the customers. Sales include excise duty but exclude value added tax.

Revenue from rendering of services is recognized when the performance of agreed contractual task has been completed.

Interest income from a financial asset is recognized using effective interest rate method.

Dividend income is recognized when the Company's right to receive the payment has been established.

j. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Financial assets

Classification: The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through statement of profit and loss on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset.

Initial recognition and measurement: All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit and loss, transaction costs that are attributable to the acquisition of the financial asset

Subsequent measurement: For purposes of subsequent measurement financial assets are classified in below categories:

- Financial assets carried at amortized cost: A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- Financial assets at fair value through other comprehensive income: A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- Financial assets at fair value through statement of profit and loss: A financial asset which is not classified in any of the above categories are subsequently fair valued through statement of profit and loss.
- De-recognition: A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.
- Investment in subsidiaries, joint ventures and associates: The Company accounts for its investment in joint ventures at cost.
- Impairment of financial assets: The Company assesses impairment based on expected credit losses (ECL) model for measurement and recognition of impairment loss on the financial assets that are trade receivables or contract revenue receivables and all lease receivables.

ii. Financial liabilities

Classification: The Company classifies all financial liabilities as subsequently measured at amortized cost, except for financial liabilities at fair value through statement of profit and loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement: All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement: The measurement of financial liabilities depends on their classification as described below:

- Financial liabilities at amortized cost: After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

- Financial liabilities at fair value through profit or loss: Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon

initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the statement of profit and loss.

- De-recognition: A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

iii. Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

k. Earnings per share

Basic earnings per share is calculated by dividing the profit from continuing operations and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

l. Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of the Company. Lease liabilities are re-

measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

For Short Term Leases and leases for which underlying asset is of low value, Lease payments are recognize as an expenses on a straight line basis over a lease term.

m. APPLICATION OF NEW AND REVISED INDIAN ACCOUNTING STANDARDS (IND AS)

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 01, 2021.

14. NOTES ACCOMPANYING TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021.

Contingent Liabilities	31.03.2021	31.03.2020
	Rs.	Rs.
In respect of demand from various government authorities regarding following dues:		
a) Income Tax interest demand for AY 1995-96 to 1997-98 (Refer note no.16)	1,932,005	1,932,005
b) Amount Payable to Haryana State Electronic Development Corp. (HARTRON) for buyback of equity shares in terms of Arbitral award. Simple Interest @ 9% p.a. to be paid in addition w.e.f. 01.11.2000. (Refer another note no.17)	Nil	8,423,135

14. Changes in Capital during the year 2008-09

As per rehabilitation scheme (SS-08) for revival of the company sanctioned by Board for Industrial Financial Reconstruction (BIFR), the company restructured its share capital in the year 2008-2009 as under:

- a) Reduction in paid up equity share capital by 90% as result of which paid up value of one equity share was reduced from Rs 10 to Re. 1.
Further to above, 10 equity shares of Re 1 each were consolidated to one equity share of Rs 10 each, resulting in reduction of 10,318,100 equity shares to 1,031,810 equity shares.
- b) Preferential issue to strategic investor and promoters of 3,111,600 equity shares and 638,100 equity shares respectively.

16. Income Tax dues for assessment year 1995-96 to 1997-98 are of Rs 3,932,005 as per the orders of ITAT/ Honorable Delhi High Court against which liability for Rs 2,000,000 has been accounted for as per BIFR rehabilitation Sanction Scheme dated 27th March, 2008 and for the remaining sum of Rs 1,932,005 which is on account of interest, waiver has been sought from CBDT.

17. Haryana State Electronic Development Corporation (HARTRON) has invested Rs 4,400,000 as per Assisted Sector Agreement dated 5th June, 1991 by way of equity of Integrated Technologies Limited with the condition that the company will buy back this equity after expiry of 5 years from the date of commercial production or at the expiry of 7 years; whichever is earlier.

The Arbitrator had passed the Arbitral Award dated 25th April, 2003 in favor of HARTRON and determined payable amount Rs 8,423,135 with interest @12% p.a. w.e.f 1.11.2000. Award was challenge by the company in District Court which was dismissed. In the company's further appeal (FAO 1197 of 2009) to Honorable High Court, Chandigarh, the payment to HARTRON was upheld but at a reduced interest rate of 9% p.a. w.e.f 1.11.2000.

The company's special leave petition to Honorable Supreme Court against the above judgment dated 18.05.2011 of Honorable High Court; Chandigarh has been dismissed on 25.11.2011.

During the financial year 2020-2021 the issue has been resolved as the buyback amount is paid by its managing director in his personal capacity and the HARTRON has accepted the resolution of the matter vide their Affidavit dated 23-02-2021 and letter dated 24-02-2021.

18. There is no taxable profit for current year and therefore, no provision for income tax has been made.
