LETTER TO SHAREHOLDERS

Dear Shareholders,

It gives me immense pleasure to place before you 26th Annual report of Chartered Logistics Limited. I value this opportunity to share our perspective regarding the work we undertook for our shareholders during 2020-21. Our objective is to guide and oversee management in the creation of long-term value through the execution of a sound business strategy, thoughtful succession planning, a commitment to corporate ethics, careful risk oversight, prudent risk management, talent development, and creating societal impact.

Your company has managed to emerge from all the difficult situations of the external factors and of the economy.

I wish to place on record my sincere thanks and deep appreciation to the management and staff of the company who have made this possible for the company to achieve. I wish to also thank our clients, vendors who continue to be our partners in success.

Any queries can be sent to cs@chartered.co.in. I invite the shareholders to the 26th Annual General Meeting of the company.

Yours Sincerely

Lalit Kumar Gandhi
Managing Director

By Order of the Board of Director

Place: Ahmedabad
Date: August 27, 2021

Sheetal Sharma
(Company Secretary)

NOTES

1. A member entitled to attend and vote is entitled to appoint a proxy to attend and vote instead of himself/herself and the proxy need not be a member. Proxies, to be effective, must be received by the company not later than forty-eight (48) hours before the commencement of the meeting. Proxy/Proxies submitted on behalf of limited companies, societies, etc must be supported by appropriate resolutions/authority, as applicable. A person can act as proxy on behalf of Members not exceeding fifty(50) members and holding in aggregate not more than ten(10) percent of the total share capital of the company. In case a proxy is proposed to be appointed by a member holding more than Ten(10) percent of the total share capital of the company carrying voting rights then such proxy shall not act as a proxy for any other person or shareholder. Only registered members of the company or any proxy appointed by such registered member may attend and vote at the meeting as provided under the provisions of the Companies Act, 2013 ("the Act"). In case any shareholder has voted electronically then he/she can participate in the meeting but not vote.
2. In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report 2020-21 will also be available on the Company's website www.chartered.co.in, websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. Shareholders who have not registered their e-mail address and in consequence the Annual Report, Notice of AGM, and e- voting notice could not be serviced, may also temporarily provide their email address and mobile number to the Company's Registrar and Share Transfer Agent. Alternatively, the member may send an e-mail request at the email id info@skylinerta.com along with a scanned copy of the signed copy of the request letter providing the email address, mobile number, self-attested PAN copy, and Client Master copy in case of the electronic folio and copy of share certificate in case of physical folio for sending the Annual report, Notice of AGM and the e-voting instructions.
3. The Register of Members and Share Transfer Books of the Company will remain closed from Monday, September 21, 2021, to Sunday, September 27, 2021 (both days inclusive). During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, a member would be entitled to inspect the proxies lodged with the Company, at any time during the business hours of the Company, provided that not less than three(3) days of notice in writing is given to the company.
4. Equity shareholders holding shares in physical form are requested to send their NECS Mandate Form in the format available for download on the Company's website www.chartered.co.in, duly filled in, under the signature of the Sole/First joint holder, to the Registrars and Share Transfer Agent of the Company Skyline Financial Services Private Limited. In the case of Equity Shareholders holding shares in Electronic form, the NECS Mandate Form will have to be sent to the concerned Depository Participants (DPs) directly. For shareholders who have not updated their bank account details, dividend warrants/demand drafts/ cheques will be sent out to their registered addresses once the postal facility is available.
5. Members are requested to bring their attendance slips duly completed and signed mentioning therein details of their DP ID and Client ID/ Folio No.
6. Members can avail of the facility of nomination in respect of the shares held by them in the physical form under the provisions of Section 72 of the Companies Act, 2013. Members desiring to avail of this facility may send their nomination in prescribed form SH-13 duly filed to Skyline Financial Services Private Limited, Registrar, and Transfer Agent of the Company. Members holding shares in electronic form may contact their respective depository participants.

7. SEBI has mandated the submission of Permanent Account Number (PAN) for participating in the securities market deletion of the name of the deceased holder, transmission/transposition of shares. Members are requested to submit the PAN details to their Depository Participant (DP) in case of the holdings in dematerialization form or to Skyline Financial Services Private Limited. In case of holdings in physical form, mentioning your correct reference folio number.
8. As per the provisions of Section 72 of the Act and Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014. Members holding shares in physical form may file nomination in the prescribed form SH-13 with Skyline Financial Services Private Limited. In respect of the shares held in demat form, the nomination form may be filed with the respective DP.
9. SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated 8th June 2018 and further amendment vide notification No. SEBI/LAD-NRO/GN/2018/49 dated 30th November 2018 requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from 1st April 2019 unless the securities are held in dematerialized form with depositories. Therefore, members are requested to take action to dematerialize the equity shares of the Company, promptly. Members holding shares in the dematerialized form are requested to intimate all changes about their bank details, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc. to their DP only. Changes intimated to the DP will then be automatically reflected in the Company's records which will help the Company and Skyline Financial Services Private Limited to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes to Skyline Financial Services Private Limited.
10. Members are requested to bring their attendance slips duly completed and signed mentioning therein details of their DP ID and Client ID/ Folio No. An electronic copy of the Annual report for FY 2020-21, Notice of the 26th Annual General Meeting of the Company inter-alia indicating the process and manner of remote e-voting along with Attendance sheet/Proxy form are being sent to all the members whose e-mail IDs are registered with the Company/Depository Participant(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their e-mail address, physical copies of the Notice of 26th Annual General Meeting inter-alia indicating the process and manner of remote e-voting along with Attendance Slip/Proxy Form are being sent in the permitted mode.
11. (a) Following the provision of section 108 of the Companies Act, 2013 read with Companies (Management & Administration) Rules, 2014, the shareholders may exercise their option to participate through an electronic voting system and the company is providing the facility for voting by electronic means (e-voting) to all its members. The company has engaged the services of Central Depository Securities Limited (CDSL) to provide e-voting facilities and enabling the members to cast their vote in a secured manner. It may be noted that this e-voting facility is optional. This facility will be available at the link [Error! Hyperlink reference not valid.](#) during the following voting period.
Commencement of e-voting: From 9.00 a.m. on 24th September 2021
End of e-voting: Up to 5.00 p.m. on 26th September 2021
Company's EVSN number is 210901052, E-voting shall not be allowed beyond 26th September 2021. During the E-voting period, the shareholders of the company, holding shares either in physical form or dematerialized form, as on the closing of business hours of the cutoff date, may cast their vote electronically. The cut-off date for eligibility for e-voting is 20th September 2021.
 - The company has engaged the services of CDSL as the Authorized Agency to provide e-voting facilities.
 - The company has appointed Ms. Anamika Jajoo, Practicing Company Secretary as scrutinizer for conducting and scrutinizing the e-voting process fairly and transparently.
12. In view of the green initiative being undertaken by the Company, members who have not yet registered their e-mail ID address so far are requested to register/update their e-mail address with Skyline Financial Services Private Limited or with the Company at cs@chartered.co.in. Shareholders holding shares in the dematerialized form are requested to register their e-mail addresses and changes therein with the concerned Depositories through their DP. Members may also note that the Notice of Annual General Meeting for 2020-21 will also be available on Company's website www.chartered.co.in for download. Route Map showing directions to reach the venue of the 26th Annual General Meeting is given in this Annual report.

**THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING ARE AS UNDER:**

- (i) The voting period begins from 9.00 a.m. on 24th September 2021 and ends at 5.00 p.m. on 26th September 2021. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 20th September 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

The Company has prepared the Financial Statements under the Companies (Indian Accounting Standards) Rules, 2015 prescribed under Section 133 of the Companies Act, 2013.

1. Financial Performance during the year

During the financial year, 2020-21, as compared to the previous year during the year company, has reported a total income of Rs. 13326.94 Lakhs as against a total income of Rs. 14490.64 lakhs in the previous year. The interest and financial expenses have been increased this year as compared to the previous year. Profit before tax (PBT) has been reported at Rs. -238.87 Lakhs in the current year as against Profit before tax (PBT) of Rs. 9.59 Lakh in the previous year. The net profit after tax for the current year 2020-21 is Rs. -236.33 Lakhs as compared to Rs. 51.33 Lakhs in the previous year.

2. Material changes and commitments affecting the financial position of the Company after the end of the financial year till the date of this Report:

There have been no changes like business and operations of your company during the financial year under review.

The global Coronavirus has caused significant economic and social disruption worldwide. Given the nationwide lockdown announced by the Government of India, the business operations were temporarily disrupted. The company has resumed its operations in a phased manner as per the Government directives.

There is no other change like business during the year under review.

3. SUBSIDIARY, ASSOCIATES, AND JOINT VENTURE:

There is no subsidiary of the company as of 31st March 2021. The Company does not have any Associate or Joint Venture Companies as of 31st March 2021.

4. TRANSFER TO RESERVES:

The Board of your company has decided not to transfer any amount to the General reserves for the financial year 2020-21.

5. DIVIDEND:

Your directors do not recommend any dividend for the year ended 2020-21. Further, during the year under review, no amount was transferred to General Reserve.

6. ISSUE OF SHARE CAPITAL

During the financial year under report, the company has neither made any issue of equity shares with differential voting rights, sweat equity shares or under employee stock option scheme nor it has made any provision of money for the purchase of its shares by employees or by trustees for the benefits of the employees.

7. OPERATIONS AND FUTURE OUTLOOK:

The Company will continue to focus and undertake Transport business. The COVID-19 pandemic continued its impact on the business of the Company with the second wave disrupting the operations in the fourth quarter. The Company is taking all necessary measures in terms of mitigating the impact of the challenges being faced in the business and it will take a few months for the economic activities to revive and gain momentum.

The Future outlook of the business is highly dynamic. As markets evolve and customer demands change, we need to constantly review and update our operation and products to meet the market need. We have an exciting future ahead. The actions are taken internally within the company and the improving macro-economic situation in the country, further buoyed by recent policy initiatives and the regulatory changes being pursued by the government, including the much-anticipated introduction of GST framework in this financial year, all point towards a great year in the new fiscal 2021-22. The future holds immense opportunities and we are fully geared, to deliver on our commitments to various stakeholders.

8. BUSINESS STRATEGY

We have introduced several strategic initiatives during the year to spur overall growth and productivity in the Company. The following are some of the broad areas covered by these initiatives:

- Cost optimization: A series of measures have been initiated to yield high levels of cost optimization. These include focusing on location Optimization, deploying people in the right jobs, and eliminating unnecessary costs.
- Enhancing sales productivity: We are focusing on reinvigorating our sales teams and enabling them with better systems, training, and processes. We have made all branches of the company online located at the various locations of the country. This helps us in getting the MIS Report daily from all branches which enables us to focus and improving the sales productivity of all branches thereby winning large revenue for the company.
- Improving Service effectiveness: Our delivery services have always been of a high order, and we want to re-focus on strengthening it further.

9. STOCK EXCHANGE

FORM MR -3
SECRETARIAL AUDIT REPORT

(FOR THE PERIOD FROM 01.04.2020 TO 31.03.2021)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Chartered Logistics Limited
(CIN: L74140GJ1995PLC026351)
Chartered House, 6, Dada
Estate, Sarkhej-Sanand Chokdi,
Sarkhej, Ahmedabad-382210

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Chartered Logistics Limited (hereinafter called “the company”) for the audit period covering the financial year ended on March 31, 2021. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

- I. I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the financial year ended on March 31, 2021, according to the provisions of:
- (i) The Companies Act, 2013 (the Act) and the rules made there under;
 - (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
 - (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - (iv) The Foreign Exchange Management Act, 1999 (FEMA) and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (SEBI ICDR Regulations) up to September 10, 2018 and SEBI ICDR Regulations, 2018 w.e.f. September 11, 2018.
 - (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulation, 2014
 - (f) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - (g) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
 - (h) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (i) The Securities and Exchange Board of India (SEBI) (Listing Obligations and disclosure requirements) Regulations, 2015
- I have also examined compliance of the following to the extent applicable:
- (j) The Secretarial Standards issued by the Institute of Company Secretaries of India; and
 - (k) The Listing Agreements entered into by the Company with Bombay Stock Exchange.

- II. I further report that:
- (i) The Company has complied with the provisions of the Securities Contracts (Regulation) Act, 1956 and the Rules made under that Act, with regard to maintenance of minimum public shareholding;
 - (ii) The Company has complied with the provisions of the Depositories Act, 1996 and the Byelaws framed there under by the Depositories with regard to dematerialization / re-materialisation of securities and reconciliation of records of dematerialized securities with all securities issued by the Company;
 - (iii) The Company has, in my opinion, complied with the provisions of the Companies Act, 1956, Companies Act, 2013 and the Rules made under that Act as notified by the Ministry of Corporate Affairs and the Memorandum and Articles of Association of the Company;
 - (iv) The Company has complied with the requirements under the Equity Listing Agreements entered into with Bombay Stock Exchange Limited; and
 - (v) The Company has complied with the requirements of the SEBI (Prohibition of Insider Trading) Regulations, 2015.
- III. I further report that:
- (i) The Company has complied with the provisions of the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 including the provisions with regard to disclosures and maintenance of records required under the said Regulations;
 - (ii) The Company has not introduced ESOP / ESPS Schemes; therefore, it does not require to comply with the provisions of the Securities and Exchange Board of India ((Share Based Employee Benefits) Regulations, 2014 including the provisions with regard to disclosures and maintenance of records required under the said Regulations;
 - (iii) There are no FDI transactions in the Company. Therefore, the Company does not require complying with the relevant provisions of the FEMA, 1999 and the Rules and Regulations made under that FEMA Act, to the extent it is applicable;
 - (iv) The Company has not bought back equity shares of the Company, during the period; therefore, the compliance of the provisions of the Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 does not arise; and
 - (v) The Company has not delisted any of its securities, during the period, therefore, the compliance of the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; does not arise.
- IV. I further report that:
- (i) As on the date of this report The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non- Executive Directors and Independent Directors.
 - (ii) Adequate notice is given to all the Directors to conduct the Meetings of Board and its Committees. Agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting;
 - (iii) Majority decision is considered and there is no dissenting members.
 - (iv) The Company has obtained all necessary approvals under the various provisions of the Act;
 - (v) There was no prosecution initiated and no fines or penalties imposed during the year under review under the Act, SEBI Act, SCRA, Depositories Act, Listing Agreement and Rules, Regulations and Guidelines framed under these Acts against / on the Company, its Directors and Officers; and
 - (vi) The Directors have complied with the disclosure requirements in respect of their eligibility of appointment, their being independent and compliance with the Code of Business Conduct & Ethics for Directors and Managerial Personnel.
- V. The Company has duly complied with the rules, regulations, provisions, guidelines, standards of all applicable acts as per the documents provided and representation made by the management and officers of the company except the following as per our observation:

- VII. In respect of Compliance on financial and accounting laws, direct tax laws, indirect tax laws by company we have relied upon the report of Statutory auditors of the Company.
- VIII. Based on the information received and the records maintained, there are adequate systems and processes in the Company that commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
- IX. During the audit period, there were no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

Confirmation on the independence of the Independent Directors

Certificates have also been obtained from the Independent Directors confirming their position as Independent Directors on the Board of the Company and your Company had also issued formal appointment letters to all the Independent Directors in the manner provided under Section 149 of the Companies Act, 2013.

The Board of Directors hereby confirms that in their opinion, the Independent Directors fulfill the conditions specified in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and are Independent of the Management.

Independent Directors' Meeting:

Under the provisions of Schedule IV (Code for Independent Directors) of the Companies Act, 2013 and Regulation 25(3) of Listing Regulations, a meeting of the Independent Directors of the Company was held on 12th November 2020, without the attendance of Non-Independent Directors and members of the management.

familiarization program for Independent Directors in terms of listing regulations

At the time of appointing a director, a formal letter of appointment is given to him/her, which inter alia explains the role, function, duties, and responsibilities expected of him/her as a director of the company.

The familiarization Programme is conducted on a "need basis" during the year. A brief extract of the familiarization program is as follows:

- a) The Company shall through its executive directors/senior managerial personnel apprise/brief periodically to familiarize the Independent Directors with the strategy, operations, and functions of the company;
- b) Such briefings provide an opportunity to the independent directors to interact with the senior leadership team of the company and help them to understand the company's strategy, business model, operations, service, and product offerings, markets, organization structure, finance, human resources, technology, quality, facilities, and risk management and such other areas as may arise from time to time;
- c) The programs shall also familiarize the Independent Directors with their roles, rights, and responsibilities.
- d) The company may circulate news and articles related to the industry on regular basis and may provide specific regulatory updates from time to time.

Performance Evaluation:

The Nomination and Remuneration Committee has laid down criteria for the Performance Evaluation of the Board of Directors. Accordingly, the Board has carried out the annual performance evaluation of its performance, the Directors individually as well as the evaluation of the working of its other Committees. A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning.

A separate exercise was carried out to evaluate the performance of individual Directors including the Chairman of the Board, who were evaluated on various parameters. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman and the Non-Independent Directors was carried out by the Independent Directors after taking into view the executive director. The Directors expressed their satisfaction with the evaluation process.

Skills/Expertise/Competence of the Board:

The Board comprises of persons with varied experiences in different areas who bring in the required skills, competence, and expertise that allows them to make an effective contribution to the Board and its committees. The following list summarizes the key skills, expertise, and competence that the Board thinks is necessary for functioning in the context of the Company's business and sector and which in the opinion of the Board, its members possess.

Name of Director	Expertise in the specific functional area
Mr. Lalit Kumar Gandhi	Transport and Logistics industry, management skills
Mr. Harsh Gandhi	Management skills, operations, and business development
Mr. Sandeep Shah	Audit, accounts, finance, control, and system design
Mr. Hemaram Choudhary	Logistics and business operations.
Ms. Bhumika Rajput	Corporate planning, understanding regulatory environment, and analytical abilities, awareness of legal, ethical, and financial responsibilities.

3. COMMITTEES OF THE BOARD OF DIRECTORS:

The Committees constituted by the Board play a very important role in the governance structure of the Company. The terms of reference of these Committees are approved by the Board and are in line with the requirements of the Companies Act, 2013 and Listing Regulations.

For and on behalf of the Board of Directors

Lalit Kumar Gandhi
(Managing Director)

**AUDITORS' CERTIFICATE ON COMPLIANCE OF CONDITIONS OF CORPORATE
GOVERNANCE TO THE MEMBERS OF CHARTERED LOGISTICS LIMITED**

We have examined the compliance of conditions of Corporate Governance by Chartered Logistics Limited ('the Company'), for the year ended March 31, 2021, as stipulated in Regulation 17 to 27 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 ('Listing Regulations').

The compliance of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency/effectiveness with which the management has conducted the affairs of the Company.

Management Discussion and Analysis Report

The management of Chartered Logistics Limited presents the analysis of the performance of the company for the year 2020-21 and its outlook for the future. The outlook is based on an assessment of the current business environment and expectations of future events. The company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, based on any subsequent developments, information, or events. The day-to-day management of the Company is looked at by the Executive Directors assisted by a team of competent technical & commercial professionals.

Overview of the Economy Global

Global economics' GDP grew at a rate contracted by 7.3% during FY21, the year 2020 was marked by crisis, instability, and doubts across the globe because of the pandemic. This shut down the economy and almost side-lined small businesses. The second quarter of 2020 was majorly about debt distress, job loss, pay cuts, supply and demand shocks. Most Governments responded by declaring fiscal stimulus, while central banks around the world started lowering the interest rates to inject liquidity into the economy. Interestingly, Asian countries stood firm compared to their western counterparts because of their inherent resilience. In the third quarter of 2020, economic activities in Asian countries like China, India, Indonesia, Vietnam, and South Korea picked up. It was majorly driven by strong demand for the region's exports. Presently, we are looking at a positive outlook for 2021, and it is estimated that the global economy will grow at the rate of around 5.5%.

Indian Economy

Although the COVID-19 has impacted all countries around the world, the threat to India was much greater due to its large population. The FY 2020-21 was particularly unsteady for the Indian economy because of the lockdowns and therefore they reduced the magnitude of the infected peak and led to a low mortality rate. The Indian economy is showing early signs of a broad V-shaped recovery, owing to larger public stimulus spends, the revival of consumer confidence, robust financial markets and an uptick in manufacturing activity. Unlike the first wave where lockdowns were applied nationwide for several months, the second wave measures are more localized, targeted, and will likely be of shorter duration. It is believed that economic activity in the first half of FY 2021-22 will be clouded by the pandemic, but the second half should see growth, led by increased vaccinations and the public adapting better to lockdowns. India is likely to breach its fiscal deficit target in FY 22 mainly due to revenue shortfall. The government is targeting a deficit between revenue it earns and what it spends at 6.8 percent of the gross domestic product (GDP) in FY22.

Indian Logistics Industry: Current Scenario and Future Outlook

the Indian logistics industry has been on a constant move as demand for essential products pushed the logistics operators to ensure that the goods reach the customers a store. Rail freight replaced roads because of restrictions and this led to a faster movement of cargo. There was an increase in technology adoption by the logistics players to enhance operational efficiencies. Going forward, the technological trends that emerged in FY 2020-21 are expected to gain further traction in FY 2021-22.

We at Chartered believe that benefits of GST and policy simplification will accrue to Indian businesses and the same is likely to reflect in our performances. The Indian logistics industry is expected to derive gains from the recovery and revival of the economy in the industrial sector and also foster the growth of the logistics industry in India. The logistics industry in India is finding many other sectors that are investing heavily, such as aviation, FMCG, and metal & minerals. The Indian logistics industry looks well-poised for a bright future with the entry of many foreign companies and their focus on outsourcing their logistical requirements. The Indian logistics sector is likely to continue growing at over a CAGR of 10% for the next few years, thereby aiding the growth of the Indian economy on a large scale.

Company Business Outlook

For the last two decades, Chartered Group is scaling new heights in the logistics industry. We have created an impressive track record of value addition to our customers. Our basic principles behind the growth are our values i.e., Honesty and Integrity, Commitment, Efficiency, Safety. With our ardent passion and focused vision which we have outlined as “To BE A PREMIUM LOGISTICS COMPANY WITH FOCUS ON BETTER THAN THE BEST” and our mission is to achieve it. It is an unflinching goal of Chartered to become a force to reckon with and the roadmap has been designed to translate our dreams into reality.

We have an exciting future ahead. The actions are taken internally within the company and the improving macro-economic situation in the country, further buoyed by recent policy initiatives and the regulatory changes being pursued by the government, including the much-anticipated introduction of GST framework in this financial year, all point towards a great year in the new fiscal 2021-22. The future holds immense opportunities and we are fully geared, to deliver on our commitments to various stakeholders

CLL Business Strategy

We have introduced several strategic initiatives during the year to spur overall growth and productivity in the Company. The following are some of the broad areas covered by these initiatives:

- **Cost optimization:** A series of measures have been initiated to yield high levels of cost optimization. These include focusing on location Optimization, deploying people in the right jobs, and eliminating unnecessary costs.
- **Enhancing sales productivity:** We are focusing on reinvigorating our sales teams and enabling them with better systems, training, and processes. We have made all branches of the company online located at the various locations of the country. This helps us in getting the MIS Report daily from all branches which enable us to focus and improving the sales productivity of all branches thereby winning large revenue for the company
- **Improving Service effectiveness:** Our delivery services have always been of a high order, and we want to re-focus on strengthening it further.

Recent Scenario

In the recent scenario, the logistics industry is largely dominated by transportation. The prevailing trend towards omnichannel distribution, technology adoption, and proliferation of e-commerce, among others, have proved beneficial for the logistics market growth. However, a shortage of container availability is expected to create a problem in supply chains and it is likely to keep rates high through the first half of 2021. This situation is likely to be back to the pre-COVID-19 level once trade flow rebalances across geographies

Challenges Faced by The Recent Logistics Industry In India

COVID-19 pandemic and subsequent measures including lockdown have badly hit end-user consumption. The surface transport industry suffers from an acute driver shortage issue and the said problem also affects your Company. The management opines that this is the single most important factor that affects all the transporters across the country.

The biggest challenge faced by the industry today is poor integration of transport networks, information technology, and warehouse & distribution facilities. Regulations existing at different tiers are imposed by national, regional, and local authorities. However, the regulations differ from city to city, hindering the creation of national networks. Trained manpower is essential for the third-party logistics sector and the manufacturing and retailing sectors. It is lacking at the IT, driving, and warehouse as well as at the higher strategic level. The sector is in a disorganized state in India. The general perception of logistics being a manpower-driven industry and lack of adequate training institutions have created a crisis of skilled management and client service personnel. Poor facilities and management are reasons behind high levels of loss, damage of stock, mainly in the perishable sector. The problem arises mainly because of the absence of specialist equipment, like proper refrigerators. Lack of quality training is another reason. Though practitioners and academicians are slowly becoming aware of the importance of logistics and supply chain, however, the field is still not adequately explored as far as research is concerned. It is essential to prioritize research and development so that the weaknesses in the industry can be taken care of and improved.

There are fluctuations in fuel prices that result in diesel de-regulation, lorry hire charges to third party vehicles and input costs, etc. The cost of fuel has increased in recent years and fluctuates significantly due to various factors beyond control. There are many unorganized players so many segments within the logistics industry are Covid-19 is being harped upon by one and all as one of the biggest threats to every business worldwide and the same is true, albeit only in the near short and medium term. Human beings have lived through several such catastrophes as also pandemics and the facilities, technology as also infrastructure would place today's world in a much better position to cope up and overcome the aftereffects of this pandemic in the days to come. One of the positives emanating out of this occurrence is that people would be more aware and sensitive to their health and well-being and this would ensure that the human resources, in general, would contribute more to their respective organizations in a much better manner in the days to come highly commoditized and have low barriers to entry or exit, leading to market with a high degree of fragmentation.

Solutions To Some of The Challenges

After GST is implemented, the determining factors of planning logistics will be fundamental principles of logistics-demand, supply, near-to-customer, sourcing, transportation costs, and inventory costs. This will ensure a major shift and/or consolidation in warehousing locations, transportation costs, and inventory costs. This will ensure a major shift and consolidation in transportation costs and will also impact the trends of commercial vehicle classes. We believe that there would be a marked shift in the operating model of surface transporters in the country and the hub-and-spoke- model which would find a lot of followers in the Indian context.

The consumption in remote locations, rural areas, and difficult terrain are expected to increase. Lack of rail or port connectivity will increase dependence on road transport to fulfil the spurt in consumption, which is the only mode of transport that can reach these destinations.

Emerging opportunities and Trends

Grant of infrastructure status to logistics, the introduction of the E-Way Bill, and GST implementation are set to streamline the logistics sector in India. Setting up a logistics division under the Department of Commerce, technology upgrades, and the development of dedicated freight corridors and logistics parks are also major moves to upgrade the logistics landscape.

Logistics start-ups in India gained a substantial foothold after the onset of e-Commerce, and several new companies are gaining traction in the industry. Online platforms have increased competition and lowered freight costs with real-time data availability and a transparent value chain. This will help the Air cargo service 'providers to innovate and adapt to the transforming logistics landscape and increase the Volumes

Going forward, it is felt that the focus on improvement in the Ease of Doing Business in India coupled with landmark Government of India initiatives like 'Make in India', and 'Digital India', and new norms of "LOCAL TO GLOBAL" coupled with suitable policy, logistics, regulatory, and skills regime will all contribute to facilitating accelerated growth in air cargo.

Review of the business of CLL

Established in the year 1995 A trademark logistics company Chartered Logistics Limited (CLL) offers world-class services like road transport services, special warehousing services, cost & freight services, etc. right from the point of origin till the final point of destination, to meet the exacting requirements of consumers satisfactorily.

CLL is a renowned service provider, offering cost-effective and highly trusted Road Transportation Services, Cost & Freight Services, Special Warehousing Services, etc. Some of the key features of our road transportation services comprise door-to-door services, project works, and options of the customized carrier as per customers' needs.

CLL is having a large fleet (approximately 600) of owned and attached vehicles. CLL is having its clients from industry sectors such as Pharma, FMCG, Cement, Heavy metals & tubes, power transmission, petroleum, chemicals, etc.

CLL provides a comprehensive supply chain expertise and logistics infrastructure that work seamlessly to ensure highly cost-effective solutions.

Review of CLL's Preparedness against emerging opportunities and future outlook

With the implementation of the GST and related E-way bill implementation, we expect good things for the entire domestic road freight transport industry. One of the key achievements of the e-way bill will surely be the effective dissolution of state borders. The amount of time wasted at state borders to validate documents with regards to inter-state movements of goods was a hindrance to any business which dared to spread its wings, beyond its home state. Organized players will stand to benefit and smaller and unorganized players need to step up and meet the compliance requirements which appears very difficult given the present-day scenario.

The Company has availed the option to postpone the repayment of the principal amounts due on its outstanding loans. We believe that we need to live through with the Coronavirus and find ways and means to overcome the challenges and expect the resumption of healthy financial growth from the next fiscal onwards.

Review of Operational and Financial Performance of the year 2020-21

Financial summary or highlights/Performance of the Company

(Rs. In lakhs)		
Particulars	31/03/2021	31/03/2020
Gross Income	13326.94	14490.64
Profit Before Interest and Depreciation	731.51	981.72
Interest & Finance Charges	663.21	662.75
Depreciation	307.17	309.38
Profit Before Tax	-238.87	9.59
Less: Provision for Tax	0	0
Deferred Tax Credit	2.23	41.73
Add: MAT Credit entitlement	0	0
Profit/Loss After Tax	-236.33	51.33
Other Comprehensive income	13.99	-0.18
Excess/Short Provision of earlier year	0	0
Net Profit	-222.63	51.14

During the financial year, 2020-21, as compared to the previous year during the year company, has reported a total income of Rs. 13326.94 Lakhs as against a total income of Rs. 14490.64 lakhs in the previous year. The interest and financial expenses have been increased this year as compared to the previous year. Profit before tax (PBT) has been reported at Rs. -238.87 Lakhs in the current year as against Profit before tax (PBT) of Rs. 9.59 Lakh in the previous year. The net profit after tax for the current year 2020-21 is Rs. - Lakhs as compared to Rs. 51.33 Lakhs in the previous year.

Risks in Logistics Sector

It will become necessary for the operators to adapt to how the new normal unfolds. Planning for these operational changes and remaining agile to changes in procedure will be vital when operating in these challenging times and building a strong foundation for the future. Fluctuations in fuel prices resulting from diesel de-regulation, lorry hire charges payable to third party vehicles, and input costs especially those related to tolls as also others like rent, salary, etc. have a significant bearing on the Company's profitability margins.

The logistics sector is married by many inherent risks which are specific to its functioning, like fragmented ownership of vehicles, poor infrastructure of roads, bureaucratic delays at the borders, poor vehicles maintenance, en-route levies, probability of criminal acts has been heightened, etc. These may be categorized as operational risks. It is also exposed to market risks and financial risks to which all the operations are exposed. These include risks like fluctuations in the economy and sudden changes in the Government policies and

The Board takes responsibility for the overall process of risk management throughout the organization. During the financial year ending March 31, 2021, your company has conducted an assessment of the effectiveness of the internal financial control over financial reporting and it has in place, adequate internal financial controls concerning financial statements, commensurate with the size, scale, and complexity of its operations. During the year, such controls were tested and no reportable material weaknesses in the design or operation were observed.

Human Resources

The Company believes that the employees are central as well as critical to the Company as they are the real assets of the organization. It recognizes people as its most valuable asset and therefore it lays due emphasis on its overall training and development. The Company's HR policy aims to establish and build a high-performing organization, where each individual is motivated to perform at the fullest capacity to contribute towards self-development and thereby achieve individual excellence along with achieving the departmental objectives. The employee relationship with the company remained harmonious throughout the year.

Details of significant changes (i.e. Change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations, therefore:

Description	2020-21	2019-20	Reason if Material Variance

Debt Equity Ratio	0.5 times	0.6 times	No significant variance
Operation Profit Margin (%)	3.2 %	4.7 %	Decrease in sales with fixed expenses
Net Profit Margin (%)	-1.8 %	0.4 %	Decrease in sales with fixed expenses

Cautionary Statement

Some of the statements in the report describing the Company's objectives, projections, estimates, and expectations may be a 'forward-looking statement' within the meaning of applicable securities laws and regulations. The forward-looking statement has as their basic certain assumptions and expectations about behavior or outcome of future events and/or economic variables. Actual results may vary from those expressed or implied depending on these economic conditions, demand/supply scenario, price conditions in which the Company operates changes in the Government Policies, changes in fiscal laws, and other incidental factors. Readers are cautioned not to place undue reliance on forward-looking statements.

Independent Auditor's Report

To The Members of Chartered Logistics Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of CHARTERED LOGISTICS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 37 in the accompanying financial statements, which describes management's assessment of uncertainty relating to the effects of the COVID-19 pandemic on the Company's operations and moratorium of monthly loan repayments application. Our opinion is not modified in respect of this matter.

Key audit matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	
<p>Revenue recognition - Goods transport operations:</p> <p>The Company has high volume of transactions each day recorded across various branches and through agencies using complex information technology systems which are linked to the financial reporting process. The number of sale transactions in goods transport business are settled in cash. Further, Standards on Auditing mandate a presumed significant risk of fraud in revenue recognition.</p> <p>Further, management is required to make certain key judgements relating to identifying contracts with customers, performance obligations involved in contracts, determining transaction price which involves variable consideration elements, allocation of the transaction price to such performance obligations and satisfaction of performance obligations. Lorry receipts movement resulting delayed billing in number of transactions and evaluation of the control point for the same is also necessary.</p> <p>Due to the significance of the item to the financial statements, complexities involved including high inherent risk associated with cash transactions, information technology systems relied on and management judgement involved for ensuring appropriateness of accounting treatment of revenue generated from goods transport operations business, this matter has been identified as a key audit matter for the current year's audit.</p>	<p>How our audit addressed the key audit matter:</p> <p>Our audit work included, but was not limited to, the following procedures:</p> <ul style="list-style-type: none"> • Understood the revenue and receivable business process for goods transport operations, and assessed the appropriateness of the accounting policy adopted by the Company for revenue recognition. • Evaluated the design and implementation of the key financial and Information Technology (IT) controls around the revenue recognition process including controls around issuance of invoices to customers based on underlying goods consignment notes and other evidences around service delivery, price approvals, cash collections and timing of transaction recording in the books of account including cut off procedures. • Tested operating effectiveness of above identified key controls over the recognition and measurement of revenue during the year and as at year end. • Assessed the appropriateness of the accounting policy for revenue recognition from goods transport operations business in accordance with Ind AS 115, 'Revenue from Contracts with Customers'. • Attended and re-performed cash counts at year end for locations selected on sample basis. • Evaluated the time gap between LR dispatched, received and then billing for the same including control points for the same that were duly considered. • Performed test of details on a sample of revenue transactions recorded during the year including specific periods before and after year end. For the samples selected, inspected supporting documents such as invoices, contracts, goods consignment notes, evidence of delivery of service, cash receipt, etc. • On a sample basis, compared the daily cash collection with the bank deposit reconciliation prepared by each branch and agency and submitted to head office periodically by tracing the same to relevant bank statements. • Tested the appropriateness and rationale for specific manual journal entries impacting revenue, as well as other adjustments made in the preparation of the financial statements, selected through a combination of risk-based and high-value transactions selection criteria. • Evaluated the appropriateness of the disclosures made in the financial statements for revenue recorded during the year.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence

2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1) As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. Further, managing director has not drawn any remuneration during the year.

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2) As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of CHARTERED LOGISTICS LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of CHARTERED LOGISTICS LIMITED (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the

company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and those receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure 'B' to the Independent Auditor's Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of CHARTERED LOGISTICS LIMITED of even date)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i. In respect of the Company's fixed assets:
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c) The title deeds of the immovable properties are held in the name of Company.
- ii. As explained to us, the inventories were physically verified during the year by the management at reasonable intervals and no material discrepancies were noticed on physical verification.
- iii. The Company has not granted any loans, secured or unsecured, to companies, firms, LLPs or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii)(a) to (c) of the Order are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2021 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. As informed to us, the maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.
 - (c) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise value added tax outstanding on account of any dispute.

- (c) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise value added tax outstanding on account of any dispute.
- viii. In our opinion and according to the information and explanations given to us, as at the reporting date, the Company has not defaulted in the repayment of loans or borrowings to financial institutions & banks. However, Company has generally delayed in the repayments of loans or borrowings to financial institutions & banks. The company has not taken any loans from government and has not issued debentures.
- ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3 (ix) of the Order is not applicable to the Company.
- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act. Further, managing director has not drawn any remuneration during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

35. Additional information pursuant to the provisions of new schedule III to the Companies Act, 2013 to the extent applicable, is given below:

Expenditure in Foreign Currency	: NIL
CIF Value of Income & Expenses	: NIL

36. As per the directives of both the Central and State Governments in the wake of COVID-19 pandemic, the Company had suspended operations across various locations. The Company has considered the possible effects that may result due to lockdown announced consequent to outbreak of COVID-19 on the carrying amounts of property, plant and equipment, investments, inventories, receivables and other current assets. Based on internal and external sources of information and economic forecasts, the Company expects the carrying amount of these assets will be recovered and sufficient liquidity would be available as and when required to fund the business operations. A definitive assessment of the impact, at this stage, is not possible in view of the highly uncertain economic environment and the situation is still evolving. The Company is continuously monitoring material changes in such information and economic forecasts. The Company being in the business of logistics which has been declared as essential services, started operating its service facilities and operations in a phased manner with limited staff from the beginning of April 2020. The Company has also applied for moratorium of loan EMI exposure for the period of March'20 to August'20 as per RBI guidelines, resulting delay in payments of dues to banks and financial institutions.

37. Figures of the Previous Financial Years have been regrouped / reclassified wherever necessary to conform to the current year classification and presentation

Harsh Gandhi
(Executive Director)

DIN:03045752

Sheetal Sharma
(Company Secretary)

Notes to Financial Statements for the year ended on 31st March, 2021.

All amounts are in lakhs, unless otherwise stated.

1. Corporate Information

Chartered Logistics Limited ("the Company") is a public company domiciled in India and Incorporated under the provision of the Companies Act, 1956 having its registered office at 6, Chartered House, Sanand Road, Sarkhej, Ahmedabad, Gujarat, 382210. The Company is engaged in logistics service dealing in domestic transportation of goods. The operation of the Company is spread through various branches.

2. Significant accounting policies.

2.1 Basis of Preparation

The financial statements of the Company have been prepared in compliance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with section 133 of Companies Act, 2013, on the historical cost basis except for certain financial instruments that are measured at fair values, as explained in the accounting policies below.

2.2 Summary of significant accounting policies

a) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent cost are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance expenses are charged to profit or loss during the reporting period in which they are incurred.

Assets acquired but not ready for use are classified under Capital work in progress and are stated at cost comprising direct cost and related incidental expenses.

b) Financial assets.

Initial recognition and measurement

In the case of financial assets, not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

I. Financial Assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates, to cash flows

that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

II. Financial Assets measured at fair value.

Financial assets are measured at fair value through other comprehensive income (FVOCI) if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss.

Derecognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received / receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Equity investments

All equity investments in the scope of Ind AS 109, Financial Instruments, are measured at fair value. For equity instruments, the Company may make an irrevocable election to present the subsequent fair value changes in Other Comprehensive Income (OCI). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. Equity instruments included within the FVTPL (fair value through profit and loss) category are measured at fair value with all changes in fair value recognized in the profit or loss.

c) Financial liabilities

Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

d) Inventories

Consumables, stores and spares are valued at lower of cost and net realisable value; cost is computed on first-in-first out basis. The cost of inventories comprises all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Obsolete, defective, unserviceable and slow/nonmoving stocks are duly provided for. Net realisable value is estimated

selling price in ordinary course of business less the estimated cost necessary to make the sale.

e) Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non - current.

f) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the financial asset or settle the financial liability takes place either:

- In the principal market, or
- In the absence of a principal market, in the most advantageous market

The principal or the most advantageous market must be accessible by the Company. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use. Fair value measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The Company- uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's - accounting policies. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

g) Revenue Recognition

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers' using the cumulative catch-up transition method. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable excluding taxes or duties collected on behalf of the government and reduced by any rebates and trade discount allowed. Contract assets includes costs incurred to fulfill a contract with a customer. Where the amount of consideration received from a customer exceeds the amount of revenue recognized, this gives rise to a contract liability.

The specific recognition criteria described below must also be met before income is recognized:

- i. Revenue from Goods transport service is recognised as and when goods and documents are transported.
- ii. Dividend income is recognised when the right to receive the dividend is established.
- iii. Rent income is recognised on a straight-line basis over the period of the lease.
- iv. Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

h) Borrowing costs

General and specific borrowing costs directly attributable to the acquisition/ construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in Statement of Profit and Loss in the period in which they are incurred.

i) Employee Benefits

Defined benefit plans:

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees through Group Gratuity Scheme. The Company accounts for the liability for the gratuity benefits payable in future based on an independent actuarial valuation carried out using Projected Unit Credit Method considering discounting rate relevant to Government Securities at the Balance Sheet Date. Defined benefit costs in the nature of current and past service cost and net interest expense or income are recognized in the statement of profit and loss in the period in which they occur. Actuarial gains and losses on remeasurement are reflected immediately in the balance sheet with a

charge or credit recognised in other comprehensive income in the period in which they occur and is reflected immediately in retained earnings and not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment.

Compensated Absences:

Provision for Compensated Absences and its classifications between current and non-current liabilities are based on independent actuarial valuation. The actuarial valuation is done as per the projected unit credit method as at the reporting date.

Short term employee benefits: They are recognised at an undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered.

j) Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rental income from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

Rental expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

k) Taxation

Tax on Income comprises current tax and deferred tax. These are recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

Current Tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available

against which the deductible temporary differences can be utilised. Deferred tax relating to items recognised outside the statement of profit and loss is recognized outside the statement of profit and loss, either in other comprehensive income or directly in equity. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

l) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for the effects of dividend, interest and other charges relating to the dilutive potential equity shares by weighted average number of shares plus dilutive potential equity shares.

m) Provisions, Contingencies, Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Such liabilities are disclosed by way of notes to the financial statements. No disclosure is made if the possibility of an outflow on this account is remote.

3. Significant accounting judgments, estimates and assumptions

The application of the Company's accounting policies as described in Note 2, in the preparation of the Company's financial statements require management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an ongoing basis and any revisions thereto are recognised in the period in which they are revised or in the period of revision and future periods if the revision affects both the current and future periods. Actual results may differ from these estimates which could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**Key Sources of estimation uncertainty:**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

I. Useful lives of property, plant and equipment.

Property, plant and equipment are depreciated over the estimated useful lives of the assets, after taking into account their estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation for future periods is adjusted if there are significant changes from previous estimates.

II. Fair Value measurement

Management uses valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

III. Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

IV. Defined benefit plans (Gratuity benefits)

Management's estimate of the Defined benefit plans is based on a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the Defined benefit plans amount and the annual defined benefit expenses

V. Impairment

In assessing impairment, management estimates the recoverable amount of each asset or cash-generating unit based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

VI. Taxes

Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies, including estimates of temporary differences reversing on account of available benefits from the Income Tax Act, 1961. Deferred tax assets recognised to the extent of the corresponding deferred tax liability.

The 26th Annual General Meeting of Chartered Logistics Limited

Full name of the members attending

_____ (In block capitals)

Ledger Folio No./Client ID No. _____ No. of shares held: _____

Name of Proxy _____

(To be filled in, if the proxy attends instead of the member)

I hereby record my presence at the 26th Annual General Meeting of Chartered Logistics Ltd.

Date.....

(Member's /Proxy's Signature)

Note:

- 1) Members are requested to bring their copies of the Annual Report to the meeting since further copies will not be available.
- 2) The Proxy, to be effective should be deposited at the Registered Office of the Company not less than FORTY- EIGHT HOURS before the commencement of the meeting.
- 3) A Proxy need not be a member of the Company.
- 4) In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the vote of the other joint holders. Seniority shall be determined by the order in which the names stand in the Register of Members.
- 5) The submission by a member of this form of proxy will not preclude such member from attending in person and voting at the meeting.

Form No. MGT-11 Proxy form
