The company earned a net loss (before tax) of Rs. 107.33 Lacs as against a net loss (before tax) of Rs. 78.80 Lacs during the previous year. Your Directors are putting in their best efforts to improve the profitability of the Company and necessary steps are being taken by the Directors to get back the business of the Company which was wrongly shifted by the then Managing Director of the Company in one of the Companies incorporated by him.

B. Future Prospects

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making high growth strides. Proving its resilience to the world, the Indian M&E industry is on the cusp of a strong phase of growth, backed by rising consumer demand and improving advertising revenues.

Ministry of Information and Broadcasting has set up the Film Facilitation Office (FFO) to facilitate efficient approvals and improving the ease of shooting in India. Filmmakers can expect clearance between 6-8 weeks, depending on the shooting location. India has signed film co-production treaties with 11 countries (UK, Spain, Germany, Canada, New Zealand, Brazil, Italy, France, Poland, China, and most recently, South Korea) providing a huge opportunity for growth. Negotiations are on-going to finalize the agreement with Australia. Over past few years, international film studios have collaborated with local film production houses to develop Hindi and regional movies. Local film production can leverage the experience of these international studios to expand their international reach and incorporate enhanced project planning and cost controls.

India is still under penetrated in terms of screens which means there is a huge scope of growth for the film sector. With the proliferation of multiplex screens coupled with technology to conveniently book tickets, footfalls are expected to increase. Many foreign players have expanded their base in India by acquiring a controlling stake and increasing the number of screens across the country. On account of huge Indian population residing overseas, there is an opportunity for Indian broadcasters to expand their footprint overseas by broadcasting channels in such countries. Apart from the above, content syndication now extends to local audiences as well.

Considering the increasing growth of Indian Media and Entertainment (M&E) industry your Directors are optimistic that coming years will fetch better returns for the Company.

6. Change in the nature of business, if any

During the year, there is no change in the nature of business activity of the company.

7. Material changes and commitments, if any, affecting the financial position of the company which have occurred between the end of the financial year of the company to which the financial statements relate and the date of the report

During the period between the end of the financial year of the company and the date of the report, there are no material changes and commitments, which affect the financial position of the company.

8. Details of significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status and company's operations in future

During the year under review, there is no significant and material orders passed by the Regulators or Courts or Tribunals which impact the going concern status and company's operations in future.

Management Discussion & Analysis Report

INDUSTRY STRUCTURE AND DEVELOPMENT

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making high growth strides. Proving its resilience to the world, the Indian M&E industry is on the cusp of a strong phase of growth, backed by rising consumer demand and improving advertising revenues.

The industry has been largely driven by increasing digitalization and higher internet usage over the last decade. Internet has almost become a mainstream media for entertainment for most of the people.

Market Dynamics

The year 2016-17 was a mixed bag for the Indian Media and Entertainment (M&E) industry. A slow economic recovery in the US and muted growth in China saw the global economy grow at a sluggish rate of 2.6%, with Brexit, the US election and the rise of protectionist and free trade rhetoric adding to business uncertainty. The Indian economy, nevertheless, is expected to outperform major economies with a projected Financial Year (FY) 2017 GDP growth rate of 7.1%, despite the speed bump caused by demonetisation.

In 2016-17, the Indian M&E industry grew at 9.1% on the back of advertising growth of 11.2%. This was aided by strong fundamentals and a steady growth in consumption, although demonetisation shaved off 150 to 250 basis points in terms of growth.

Television experienced slower growth due to a lacklustre year for subscription revenues. Television advertising saw sunrise sectors such as eCommerce scaling back spend significantly and the event of demonetisation leading to an adverse impact across categories. However, strong long-term fundamentals driven by domestic consumption augur well for the future.

Films had a disappointing year with a near flat performance as the core revenue streams of domestic theatricals and cable and satellite rights declined, on the back of poor box office performance of Bollywood and Tamil films.

This is the American company's third children's channel in India after Cartoon Network and POGO. Toonami joins an assortment of over 15 channels in the kids' genre, which attracts close to Rs 500 crore (US\$ 75 million) in advertising.

SWOT ANALYSIS OF MEDIA AND ENTERTAINMENT INDUSTRY/INDIAN FILM INDUSTRY

STRENGTHS:

Indian film industry comes with many privileges and it is not easy to embrace them all if not set to face challenges and threats on the pathway to success. Establishing a film company does not come easy. You have to toil and moil all day and night. Regardless of whether you want to establish a small fill business or an empire, a SWOT analysis of the Indian film industry can lend a helping hand. A SWOT analysis offers an investor and opportunity to understand how the market operates and the best move to make and excel. It also helps managers, supervisors or group of employees easily comprehend a certain situation.

Brainstorming is advantageous while conducting a SWOT analysis of Indian film industry. Generally, this is a one of the oldest areas that have played great role in development and growth of the Indian economy. Thus, carefully look at the probable strengths, weaknesses, opportunities and threats in the field. On your SWOT analysis, do not only look at the relevant internal factors, but also external factors that will easily impact your film company in India. For instance, in your SWOT analysis of Indian film industry, base your focus on.

These are the traits within the film industry that make it easy to lead a company whether small or large to triumph. Indian film industry as great appeal and presence in major cities in the country. There is also a higher viewership in the country due to the rich, creative and innovative content. It is easy to access film and broadcasting rights in the country. Technology innovations like online channels, web-stores and others have helped implement the growth of the sector. Low cost of production and high revenues are a great attraction into the market.

Weaknesses–

These are the internal factors that hinder the achievement of a successful film production projects. For instance, the India film industry is highly fragmented and some companies who want to outshine its competitors via any means. For many small companies in India, lack of consistent production and distribution infrastructures has been a core challenge. It has been hard for media saturation in the lower socio-economic classes.

Opportunities–

This area has to do with the external aspects that will make it easy to achieve company's goals and objectives. For example, there is rapid de-regulation in the Indian film industry. Technological innovations such as multiplexes, animation and others have opened doors for new opportunities. Poor penetration of India media to rural poor parts of the society offers great opportunities to invest in the areas. Rise in viewership and advertising expense presents an opportunity to invest in the media industry. Technological innovations like animations, multiplexes, etc and new distribution channels like mobiles and Internet have opened up the doors of new opportunities in the sector.

Threats–

These are external factors that impend success of a company and piracy is one of the issues affecting film industry. Violation of intellectual property rights has been on rise and many film companies are victims. Lack of high quality content has been on rise as many producers and project managers use quick-money routes to exploit the market. Advent of technology has ripped off good revenues from film companies as consumers can easily access material online. With technological innovations taking place so rapidly, the media sector is facing considerable uncertainty about success in the marketplace.

The main threat for the film industry now-a-days is PIRACY. Where hackers sell the duplicate CD's and DVD's. Online piracy has also come into action and every illegal download cost to the film industry is huge. It is obvious that people get attracted to the internet as it is free. Online piracy is could impact the film industry losing up to \$460m (275 million pounds) annually according to leading motion picture studios and distributors report. Technology is playing a key role where things became more easy and simple. A recent report estimated around 144,000 films is downloaded every day across the world. The main piracy is done with the help of camcorders in the theatres.

To prevent this threat for film industry government is taking necessary steps with the "FEDERATION AGAINST COPYRIGHT THEFT (FACT) ". The primary purpose of FACT is to prevent the UK's film and broadcasting industry from being infringed. FACT closely works with UK police, HM Revenue & Customs, UK border agency, Serious and organised crime agency and the other agencies. FACT assess, analyse and report the threats. It plays a key role in ensuring that the awareness is created among people about the growing piracy.

Indian film industry comes with many privileges and it is not easy to embrace them all if not set to face challenges and threats on the pathway to success. Establishing a film company does not come easy. You have to toil and moil all day and night. Regardless of whether you want to establish a small fill business or an empire, a SWOT analysis of the Indian film industry can lend a helping hand. It also helps managers, supervisors or group of employees easily comprehend a certain situation.

GOVERNMENT INITIATIVES**Make in India**

- Promote Foreign Films shooting in India
- Develop technical skills for film production, post production, and VFX
- Explore additional film treaties

Digital India

- Digitization of cable television in 4 phases to attract institutional funding, improve profitability and value chain.
- Strengthen the sectors such as video streaming, online music consumption and gaming by increasing internet penetration.
- Give consumer better control in terms of subscription choices. It will also lead to increase in ARPU and subsequently increase in broadcasters' share of subscription revenues.
- The Budget reinforced India's huge shift towards digitization especially with the proposed deployment of high optic cables to increase internet penetration in rural India. This is a big positive for content creators as it will boost the digital content consumption across online and mobile platforms.
- Further impetus on digital payments and transactions will eventually help the subscription model.

Skill India

- Increase productivity of the existing workforce in M&E sector
- Develop technical skills for film production, post production and VFX
- Create employment opportunities - 1.2 million skilled workforce by 2022

OUTLOOK AND INDUSTRY PROJECTIONS

The Indian Media and Entertainment industry is on an impressive growth path. The revenue from advertising is expected to The Indian M&E industry is projected to grow at a faster pace of 14% over the period 2016–21, with advertising revenue expected to increase at a CAGR of 15.3% during the same period. However, in 2017, advertising revenues are expected to grow at a marginally slower rate of 13.1% due to the lingering effects of demonetisation and initial volatilities arising from GST implementation.

Print is projected to continue its growth at 7.3%, largely on the back of continued readership growth in vernacular markets and advertisers' confidence in the medium, especially in the tier II and tier-III cities. However, rising digital content consumption is perceived to be a long-term risk to the industry.

Digital advertising is expected to grow at a CAGR of 31% to reach Rs 294.5 billion by 2021, contributing 27.3% to the total advertising revenues by that point. As digital infrastructure continues to develop and data costs are driven down, digital consumption is likely to become more frequent and more mainstream.

The fallout of demonetization

The government of India's de-legalisation of high denomination currency notes led to a decline in consumption across sectors, such as FMCG, auto, banking, financial services and Insurance and real estate. This led to a pull back on discretionary spends on marketing and advertising, the repercussions of which were felt across M&E industry.

Advertising revenues across television, print and radio suffered while the attendance at cinema halls, particularly single screens, and live events, was also impacted. It is estimated that the annual advertising growth rates for television, print and radio were adversely impacted by about 1.5 to 2.5%.

However, the impact is expected to be shortlived, as since January 2017, there has been an upswing in consumption and advertising demand, although spend levels continue to remain lower than the same period in the previous year. It is expected that the spend level would be back to usual by Q2 2017.

GST to rationalise taxation

The GST, which is implemented in FY18, is likely to streamline the multiple incidences of taxes currently being levied by both the central and state governments. While the introduction of GST is likely to have varied levels of impact across the various media segments on an overall basis, M&E industry is expected to be a net beneficiary. This is primarily due to availability of input credits across the board and inclusion of entertainment tax within the ambit of GST.

However, GST rules are complex and particularly the move from a place of production-based taxation to destination-based taxation would require change in operating models to optimise the impact of GST. Further, adherence to compliance would also require multiple changes in an organisation's reporting systems.

It is expected that in 2017, there would be an initial adverse impact on advertising spend as organisations across the board struggle with the implementation of GST. However, in the long term, with the formalisation of the economy and widening of tax base, there could be a positive impact on the country's GDP and consequently on advertising spends.

Consolidation gaining momentum

The M&E industry continued to witness consolidation in 2016-17 as leading players explored options to expand their footprint across genres and markets. Even though the number of transactions decreased in 2016, the overall value of deal increased compared to the previous year. While Dish TV and Videocon d2h merged operations to form the single-largest pay TV operator, Ten Sports was sold to Sony resulting in a two-player dominance in the sports genre. ZEE also acquired the TV broadcasting business of Reliance ADAG Group and acquired 49% stake in their radio business. The year 2016 also saw larger players in the radio segment expanding into non-metro cities and towns through acquisitions of smaller players in the industry.

The 'Bharat' story strengthens

Print has been a testament to the importance of small town and rural markets. Amidst the competition from digital media, the Indian print industry stands strong (unlike its western counterparts) on the back of growing demand from the regional markets. In the film exhibition space too, the number of multiplexes witnessed an increase across smaller towns, with major operators entering tier-II cities leading to increased footfalls and revenue realisations.

On the cusp of transformation

While strong economic fundamentals would continue to drive growth, the Indian M&E industry is on the cusp of rapid transformation with digital media taking centre stage across all the sub-sectors. Digital media, which was earlier being viewed as just an additional distribution platform and just another touch point, is rapidly emerging as a core revenue engine.

While M&E organisations are looking to build out digital strategies, the economic and business models required to succeed in the digital landscape are challenging and would require a significant shift in mindset and approach.

Future Prospects

Ministry of Information and Broadcasting has set up the Film Facilitation Office (FFO) to facilitate efficient approvals and improving the ease of shooting in India. Filmmakers can expect clearance between 6-8 weeks, depending on the shooting location. India has signed film co-production treaties with 11 countries (UK, Spain, Germany, Canada, New Zealand, Brazil, Italy, France, Poland, China, and most recently, South Korea) providing a huge opportunity for growth. Negotiations are on-going to finalize the agreement with Australia. Over past few years, international film studios have collaborated with local film production

houses to develop Hindi and regional movies. Local film production can leverage the experience of these international studios to expand their international reach and incorporate enhanced project planning and cost controls.

India is still under penetrated in terms of screens which means there is a huge scope of growth for the film sector. With the proliferation of multiplex screens coupled with technology to conveniently book tickets, footfalls are expected to increase. Many foreign players have expanded their base in India by acquiring a controlling stake and increasing the number of screens across the country. On account of huge Indian population residing overseas, there is an opportunity for Indian broadcasters to expand their footprint overseas by broadcasting channels in such countries. Apart from the above, content syndication now extends to local audiences as well.

Performance Evaluation Policy

1. Introduction

The Interworld Digital Limited (“**The Company**”) conducts its operations as per the directions provided by the Board of Directors within the framework laid down by the Companies Act, 2013 (“**the Act**”), the Articles of Association, Listing Agreement with stock exchanges and Code of Conduct and policies formulated by the Company for its internal execution. The Company’s Board of Directors is dedicated to act in good faith; exercise their judgment on an informed basis, in the best interest of the company and its stakeholders.

The Act provides that the Nomination and Remuneration Committee shall formulate the criteria for evaluation of performance of Independent Directors and the Board. Such an evaluation procedure will provide a fine system of checks and balances on the performance of the directors and will ensure that they exercise their powers in a rational manner. The Act further casts an obligation on part of the board of directors for evaluating the performance of independent directors. All the directors on the board of a company, except the independent director whose performance is being evaluated, will assess the performance of the independent director. Accordingly, a report of performance evaluation of each independent director of the company would be prepared, which would determine whether to extend or continue the term of appointment of the concerned independent director or not.

As one of the most important functions of the Board of Directors is to oversee the functioning of Company’s top management, this Board Performance Evaluation process aims to ensure individual directors (“Directors”) and the Board of Directors of the Company (“Board”) as a whole work efficiently and effectively in achieving their functions. This policy aims at establishing a procedure for conducting periodical evaluation of its own performance and individual directors. Hence, it is important that every individual Board Member effectively contributes in the Board deliberations.

2. Role of Board and Independent Directors

In conformity with the requirement of the Act, the performance evaluation of all the Independent Directors shall be done by the entire Board of Directors, excluding the director being evaluated.

The Independent Directors are duty bound to evaluate the performance of non – independent directors and Board as a whole. The independent directors of the Company shall meet at least once in a year to review the performance of the non- independent directors, performance of Chairperson of the Company and Board as a whole, taking into account the views of executive directors and non-executive directors.

3. Evaluation Criteria

The Board of Directors shall pay regards to the following parameters for the purpose of evaluating the performance of a particular director. In respect of each of the evaluation factors, various aspects have been provided to assist with the evaluation process in respect of performance of Board itself, and individual directors. Such evaluation factors may vary in accordance with their respective functions and duties. Evaluation of Independent Director shall be carried on by the entire Board in the same way as it is done for the Executive Directors of the Company except the Director being evaluated.

Appraisal of each Director of the Company shall be based on the criteria as mentioned herein below.

PART – B

Policy for appointment and removal of Director, KMPs and Senior Management

I. Appointment criteria and qualifications

1. The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or senior management level and recommend to the Board his / her appointment.
2. A person to be appointed as Director, KMP or senior management level should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the concerned position.
3. A person, to be appointed as Director, should possess impeccable reputation for integrity, deep expertise and insights in sectors / areas relevant to the Company, ability to contribute to the Company's growth, complementary skills in relation to the other Board members.
4. The Company shall not appoint or continue the employment of any person as Managing Director / Executive Director who has attained the age of seventy years and shall not appoint Independent Director who is below age of 21 years. Provided that the term of the person holding this position may be extended at the discretion of the committee beyond the age of seventy years with the approval of shareholders by passing a special resolution based on the explanatory statement annexed to the notice for such motion indicating the justification for extension of appointment beyond Seventy years as the case may be.
5. A whole-time KMP of the Company shall not hold office in more than one company except in its subsidiary company at the same time. However, a whole-time KMP can be appointed as a Director in any company, with the permission of the Board of Directors of the Company.

II. Term / Tenure

1. Managing Director / Whole-time Director

The Company shall appoint or re-appoint any person as its Managing Director and CEO or Whole-time Director for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

2. Independent Director

An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.

No Independent Director shall hold office for more than two consecutive terms, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director. Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

At the time of appointment of Independent Director, it should be ensured that number of Boards on which such Independent Director serves is restricted to seven listed companies as an Independent Director and three listed companies as an Independent Director in case such person is serving as a Whole-time (Executive) Director of a listed company.

III. Retirement

The Whole-time Directors, KMP and senior management personnel shall retire as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company. The Board will have the discretion to retain the Whole-time Directors, KMP and senior management personnel in the same position / remuneration or otherwise, even after attaining the retirement age, for the benefit of the Company with the approval of shareholders by passing a special resolution at the general meeting of the Company.

PART – C

Policy relating to the remuneration for Directors, KMPs and other employees

A. General

1. The remuneration / compensation / commission etc. to Directors will be determined by the Committee and recommended to the Board for approval.
2. The remuneration and commission to be paid to the Managing Director shall be in accordance with the provisions of Chapter xiii of the Companies Act, 2013 read with schedule v, and the rules made thereunder.
3. Increments to the existing remuneration / compensation structure may be recommended by the Committee to the Board which should be within the limits approved by the Shareholders in the case of Managing Director.
4. Where any insurance is taken by the Company on behalf of its Managing Director, Chief Financial Officer, the Company Secretary and any other employees for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel. Provided that if such person is proved to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.

B. Remuneration to KMPs and other employees

The policy on remuneration for KMPs and other employees is as below:-

1. Fixed pay

The remuneration and reward structure for employees comprises two broad components - annual remuneration and long-term rewards. The Committee would determine the remuneration of the Directors and formulate guidelines for remuneration payable to the employees.

These guidelines are as under:

a) Annual remuneration

Annual remuneration refers to the annual compensation payable to the employees of the Company. This comprises two parts - a fixed component, and a performance-linked variable component based on the extent of achievement of the individual's objectives and performance of the business unit. Employee is required to determine his/her key result areas for that particular defined role. The performance-linked variable pay will be directly linked to the performance on individual components of the performance and the overall performance of the business. An employee's variable pay would, therefore, be directly dependent on key performance measures that represent the best interests of shareholders.

The objective is to set the total remuneration at levels to attract, motivate, and retain high-caliber, and high potential personnel in a competitive global market. The total remuneration level is to be reset annually based on a comparison with the relevant peer group globally, established through independent compensation surveys, from time to time.

b) Long-term rewards

Long-term rewards may be granted to eligible key employees based on their contribution to the performance of the Company, relative position in the organization, and length of service under the supervision and approval of the Committee.

The grant, vesting and other scheme details would be formulated from time to time.

These long-term reward schemes are implemented to attract and retain key talent in the industry.

2. Minimum remuneration to Managing Director/ Chief Executive officer

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Managing Director in accordance with the provisions of Schedule V of the Companies Act, 2013 and if it is not able to comply with such provisions, with the previous approval of the Central Government.

C. Remuneration/ Setting Fees / Commission to Non-Executive / Independent Directors

1. Remuneration/ Setting Fees / Commission

The remuneration payable to each Non-Executive Director is based on the remuneration structure as determined by the Board, and is revised from time to time, depending on individual contribution, the Company's performance, and the provisions of the Companies Act, 2013 and the rules made there under.

The remuneration to the Non-executive Directors (including Independent Directors) may be paid within the monetary limit approved by shareholders, subject to the limit not exceeding 1% of the profits of the Company computed as per the applicable provisions of the Companies Act, 2013.

Non-Executive Directors/ Independent Director shall be paid a Setting Fees / Commission as may be decided by the Board of Directors from time to time subject to the limits specified in Companies Act, 2013 and other applicable laws/ Regulations.

2. Stock options

The Independent Directors shall not be entitled to any stock option of the Company.

Policy review

This policy is framed based on the provisions of the Companies Act, 2013 and rules there under and the requirements of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 with the Stock Exchanges.

In case of any subsequent changes in the provisions of the Companies Act, 2013 or any other regulations which makes any of the provisions in the policy inconsistent with the Act or regulations, then the provisions of the Act or regulations would prevail over the policy and the provisions in the policy would be modified in due course to make it consistent with law.

This policy shall be reviewed by the Nomination and Remuneration Committee as and when any changes are to be incorporated in the policy due to change in regulations or as may be felt appropriate by the Committee. Any changes or modification on the policy as recommended by the Committee would be given for approval of the Board of Directors.

Report on the Financial Statements

We have audited the accompanying financial statements of **INTERWORLD DIGITAL LIMITED ("the Company")** which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there-under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Basis for Qualified Opinion

The Company has increased its authorized capital from Rs. 21 Crores to Rs. 70 Crores during the period From FY 2010-11, ROC fees of Rs. 55,97,309 towards the same stands payable, under the head "Current Liabilities" in the Financial Statements.

INTERWORLD DIGITAL LIMITED

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of INTERWORLD DIGITAL LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **INTERWORLD DIGITAL LIMITED** (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENT

25. SIGNIFICANT ACCOUNTING POLICIES

(i) Nature of Operation

The company is engaged in IT enabled services, Digital Cinema services and other trading activities.

(ii) Basis of preparation

- The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP).
- The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting) Rules, 2014, (as amended) and the relevant provisions of the Companies Act, 2013.
- The company follows the Mercantile System of Accounting recognizing Income and Expenditure on accrual basis.
- The directors have certified that there are no outstanding expenses not provided for and nor there are income which have fallen due but not accounted for. The accounts are prepared on historical cost basis and as a going concern.
- The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

(iii) Summary of significant accounting policies

Schedule III notified under the Companies Act 2013, has become applicable to the company, for preparation and presentation of its financial statements. The adoption of Schedule III does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements..

(iv) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(v) Fixed Assets

Fixed Assets are stated at cost. Depreciation has been provided on the written down value method as prescribed in Schedule II of the Companies Act, 2013.

(vi) Intangible Assets

Intangible assets are recognized only if it is probable that the future economic benefits that are attributable to the asset will flow to the enterprises and the cost of the asset can be measured reliably. Internally generated intangible asset arising from development activity are recognized only on demonstration of its technical feasibility, the intention and ability of the company to complete, use or sell it. The intangible assets are recorded at cost and are carried at cost less accumulated depreciation.

(vii) Investment

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(viii) Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. Work in progress and finished goods are valued at lower of cost and net realizable value.

(ix) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

(x) Income tax

- a. Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- b. Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years.

(xi) Impairment of Assets

All assets other than inventories, investments and deferred tax assets are reviewed for impairment at each balance sheet date, wherever events or changes in circumstances indicate that the carrying amount may not be recoverable. Assets whose carrying values exceed their recoverable amount are written down to the recoverable amount.

- **Contingent Liabilities**

Contingent liabilities are not provided for, and if any, are disclosed separately by way of notes.

26. Balance of Sundry Debtors, Sundry Creditors and Loans & Advances as shown in the accounts are subject to confirmation and reconciliation. E-COMMUNICATION REGISTRATION FORM

Dear Shareholders,

You are aware that majority of the provisions of Companies Act, 2013 have been made effective from 1st April, 2014. Pursuant to Section 101 and Section 136 of the Companies Act, 2013 read with relevant Rules issued there under, Companies can serve Annual Reports, Notices and other communications through electronic mode to those shareholders who have registered their email address either with the Company/RTA or with the Depository.

It is a welcome move that would benefit the society at large, as this will reduce paper consumption to a great extent and allow shareholders to contribute towards a greener environment. This provides a golden opportunity to every shareholder of Interworld Digital Limited to contribute to the cause of 'Green Initiative' by giving their consent to receive various communications from the Company through electronic mode.

We therefore invite all our shareholders to contribute to the cause by filling up the form given below to receive communication from the Company in electronic mode. You can also download the appended registration form from the website of the Company www.interworld.co.in

[Please note that as a Member of the Company, you will be entitled to receive all such communication in physical form, upon request.]

To support this green initiative in full measure, members who have not registered their E-mail address and PAN Number so far, are requested to register their E-mail address and PAN Number along with self attested copy of their PAN Card.

Best Regards,

Sd/-

Shweta Chawla

Company Secretary
