ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s. **SKM EGG PRODUCTS EXPORT (INDIA) LIMITED**, (Registered Office at 185, Chennimalai Road, Erode – 638 001) as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

m) Foreign Currency Transactions and Forward Contracts in Foreign Currencies:**Foreign Currency Transactions:**

Transaction in Foreign Exchange are accounted at the rates prevailing on the dates of transactions.

Foreign currency Liabilities / Assets at the close of the year are restated, adopting the contracted / year end rates, as applicable. The resultant difference, if any, is suitably dealt with in the accounts.

Premium/Discounts arising on forward contracts are amortised as expense or income over the life of the Contract.

Any Profit or Loss arising on cancellation or renewal of the forward exchange contract is recognised as income or as expense for the period.

n) Forward Exchange Contracts covered under AS 11, "The Effects of Changes in Foreign Exchange Rates":

The Company uses foreign exchange contracts to hedge its exposure to movements in foreign exchange rates. The use of these foreign exchange contracts reduces the risk or cost to the company. Wherever the company uses the forwards to mitigate the business loss on account of foreign currency fluctuations, the company records the gain or loss on effective hedges in foreign currency fluctuation reserve until the transactions are complete. On completion, the gain or loss is transferred to the profit and loss account of that period. To designate a forward contract as an effective hedge the management objectively evaluate and evidences with appropriate supporting documents at the inception of each contract whether the contract is effective in achieving offsetting cash flows attributable to the hedged risk. In the absence of a designation as effective hedge, the gain or loss is recognized in the profit and loss account.

vi. Provision for Income Tax :

Provision had been made in respect of Income Tax liability arising under the Normal Provisions of the Income Tax Act, 1961, since the tax liability when computed in accordance with the Provisions of MAT under section 115JB of the Income Tax Act, 1961 is higher than the book profits. Excess tax amount paid over the tax paid/payable under normal provisions of the Income Tax Act during the yester years, if any, constitutes MAT credit and the same has been taken credit and set off against the provision for taxation made during the year.

- vii. No provision has been made in respect of demand of Excise Duties Rs.24.13 lacs and Service Tax of Rs.44.38 Lacs, for which the company has filed appeals with various Higher Appellate Forums, against the orders of the Lower Authorities since the company is confident of coming out successful in the Appeals as per the advice taken from the legal experts. Similarly there are Income Tax Demands totaling to the tune of of Rs.395.63 lacs i.e for the Assessment year 2008-2009 (Rs.244.15 Lacs - Net of Recovery) and 2009-2010 (Rs.151.48 Lacs Net of Part Payment and payments in instalments). Based on the decisions of Appellate Authorities and the interpretations of other relevant provisions, the company has been legally advised that the demand is likely to be either deleted or substantially reduced and accordingly no provision has been made for the balance amount net of payments.

The carried forward losses under the Income Tax Act,1961 of the earlier assessment years has been reduced by the Assessing Officer while completing the assessment for the A.Y.2011-12 and A.Y. 12-13 by making some adjustments to the returned Loss. The Company has preferred appeals before the immediate superior authority which appeal is pending for disposal as on the date of the financial reports. Since the adjustments have resulted only in the reduction of carry forward losses, there is no immediate demand raised for the relevant assessment years, but the adjustments have an impact on the availability of Future MAT credit to the extent of Rs.1.55 Crores which has been considered while making provision for Income Tax for the current year on conservative basis. The MAT Credits available in the Books of Accounts will be suitably dealt with on the outcome of the appellate decisions.

- viii. There are no impairment of assets in terms of Accounting Standard No.28 issued by The Institute of Chartered Accountants of India. The Company had disposed some of the assets during the current financial year which has been suitably recognised / dealt with in the financial statements in accordance with the Accounting Standard No.10 issued by the Institute of Chartered Accountants of India.

vi. Provision for Income Tax :

Provision had been made in respect of Income Tax liability arising under the Normal Provisions of the Income Tax Act, 1961, since the tax liability when computed in accordance with the Provisions of MAT under section 115JB of the Income Tax Act, 1961 is higher than the book profits. Excess tax amount paid over the tax paid/payable under normal provisions of the Income Tax Act during the yester years, if any, constitutes MAT credit and the same has been taken credit and set off against the provision for taxation made during the year.

vii. No provision has been made in respect of demand of Excise Duties Rs.24.13 lacs and Service Tax of Rs.44.38 Lacs, for which the company has filed appeals with various Higher Appellate Forums, against the orders of the Lower Authorities since the company is confident of coming out successful in the Appeals as per the advice taken from the legal experts. Similarly there are Income Tax Demands totalling to the tune of of Rs.395.63 lacs i.e for the Assessment year 2008-2009 (Rs.244.15 Lacs - Net of Recovery) and 2009-2010 (Rs.151.48 Lacs Net of Part Payment and payments in instalments). Based on the decisions of Appellate Authorities and the interpretations of other relevant provisions, the company has been legally advised that the demand is likely to be either deleted or substantially reduced and accordingly no provision has been made for the balance amount net of payments.

The carried forward losses under the Income Tax Act,1961 of the earlier assessment years has been reduced by the Assessing Officer while completing the assessment for the A.Y.2011-12 and A.Y. 12-13 by making some adjustments to the returned Loss. The Company has preferred appeals before the immediate superior authority which appeal is pending for disposal as on the date of the financial reports. Since the adjustments have resulted only in the reduction of carry forward losses, there is no immediate demand raised for the relevant assessment years, but the adjustments have an impact on the availability of Future MAT credit to the extent of Rs.1.55 Crores which has been considered while making provision for Income Tax for the current year on conservative basis. The MAT Credits available in the Books of Accounts will be suitably dealt with on the outcome of the appellate decisions.

viii. There are no impairment of assets in terms of Accounting Standard No.28 issued by The Institute of Chartered Accountants of India. The Company had disposed some of the assets during the current financial year which has been suitably recognised / dealt with in the financial statements in accordance with the Accounting Standard No.10 issued by the Institute of Chartered Accountants of India.
