Pursuant to requirement under Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, the Board of Directors has constituted various committees of Board such as Audit Committee, Nomination and Remuneration Committee, and Stakeholders Relationship Committee. The details of Composition and terms of reference of these committees are mentioned in the Corporate Governance Report.

8. POLICY LAID DOWN BY THE NOMINATION AND REMUNERATION COMMITTEE FOR REMUNERATION OF DIRECTORS, KMP & OTHER EMPLOYEES:

Remuneration policy of the Company is performance driven and is structured to motivate Employees. Recognize their merits and achievements and promote excellence in their performance. The Nomination Remuneration and Evaluation Policy of the Company is enclosed as **Annexure-I** of this report.

Manner in Which Formal Annual Evaluation has been made by the Board of its Own Performance and that of its Committees and Individual Directors:

Pursuant to the provisions of the Companies Act 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Board has carried out evaluation of (i) its own performance, (ii) the directors individually and (iii) working of its Committees. The manner in which the evaluation was carried out as detailed below:

- (a) **Nomination & Remuneration Committee:** Pursuant to the provisions of the Companies Act 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Nomination and Remuneration Committee has formulated the criteria for evaluation of directors and evaluated every director. A structured questionnaire was prepared after taking into consideration various parameters such as attendance and participation in meetings, monitoring corporate governance practices, independence of judgment, safeguarding the interests of the Company etc., and accordingly the evaluation was made. The Members of the Committee evaluated the individual directors at its meeting held on 10.02.2017.

The Nomination and Remuneration Committee decided that since the performance of the directors has been excellent, it is decided to continue with the term of the directors and Managing Director.

- (b) **Separate Meeting of Independent Directors:** The Independent directors of the Company at its meeting held on 10.02.2017 (a) reviewed the performance of the Non-Independent directors and Board, (b) reviewed the performance of the Chairperson of the Company and (c) assessed the quality, quantity and timeliness of flow of information between the Company management and the Board. All the Independent Directors attended the meeting.

A structured questionnaire was prepared after taking into consideration various parameters such as attendance and participation in meetings, monitoring corporate governance practices, independence of judgment, safeguarding the interests of the Company etc., and accordingly, the evaluation was made. The Independent directors evaluated the Non-Independent directors.

The Independent Directors decided that since the performance of the Non-Independent Directors (including Managing Director) is excellent, the term of their appointment be continued.

The Independent Directors after review of the performance of the Chairperson decided that the Chairperson has good experience, knowledge and understanding of the Board's functioning and her performance is excellent. The Independent Directors decided that the information flow between the Company's Management and the Board is excellent.

- (c) **Evaluation by Board:** The Board has carried out the annual performance evaluation of its own performance, the Directors individually (excluding the director being evaluated) as well as the evaluation of the working of its Committees. A structured questionnaire was prepared after taking into consideration various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, effectiveness in developing Corporate Governance structure to fulfill its responsibilities, execution and performance of specific duties etc. The Board decided that the performance of individual directors, its own performance and working of the committees is excellent.

15. DETAILS OF ADEQUACY OF INTERNAL FINANCIAL CONTROLS:

The Company's internal control system is aimed at proper utilisation and safeguarding of the Company's resources and promoting operational efficiency. The internal audit process reviews the in-system checks, covering significant operational areas regularly.

The Company's Audit Committee is responsible for reviewing the Audit Report submitted by the Internal Auditors. Suggestions for improvements are considered and the Audit Committee follows up on the implementation of corrective actions. The Audit Committee also invites the Statutory and Internal Auditors for regular meetings to ascertain their views on the adequacy of internal control systems and keeps the Board of Directors informed of its observations from time to time.

The statutory auditors had a qualified opinion on the Internal financial controls over the financial reporting stating that material weakness has been identified as at March 31, 2017 in the Company relating to deficiency in internal financial controls over financial reporting in respect of certain reconciliations between various accounting systems and on assessment of estimating potential liability relating to a disputed matter.

The Management conducted an assessment of the effectiveness of the internal control over financial reporting using the criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Based on this assessment, Management identified a deficiency in the internal control over financial reporting, that constitutes a material weakness, in respect of certain reconciliations between various accounting systems.

The Company uses various subsystems, the output from which is being used for accounting in the financial package maintained by the Company. Consequent to certain deficiencies in IT General and Application controls in the software platforms used for financial reporting, there were differences in balances between sub-systems / sub- ledgers with the general ledger, which have been manually reconciled by the Company. Whilst necessary adjustment entries were passed in the books of account for the year ended 31st March 2017 and these material weakness did not affect on the financial statements, except assessment of estimating the liability on a disputed matter. The management is of the view that the Electricity Duty payable on Captive Consumption is a contingent in nature and no provision is required to be made.

ANNEXURE –III

FORM NO.MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st March, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
M/s. Gayatri Sugars Limited
Hyderabad, Telangana State.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. Gayatri Sugars Limited** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me/us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I, hereby report that in my opinion, the company has, during the audit period ended on 31st March, 2017 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **M/s. Gayatri Sugars Limited** for the period ended on 31st March, 2017 according to the provisions of:

- i. The Companies Act, 2013 (**the Act**) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 (**'SCRA'**) and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**'SEBI Act'**) to the extent applicable to the Company:-

Global scenario

Sugar is one of the world's major agro-based industries and is also one of the most actively traded soft commodities on the exchanges. Brazil, India, the EU, China and Thailand rank amongst the top global producers of sugar. Around 80% of the sugar is produced from sugarcane while the balance is from sugar beet. Brazil and India are the largest sugar producers from sugarcane and EU and U.S are the major sugar producers from beet. India, the EU, China, Brazil and U.S are the major sugar consuming countries.

Global trends in sugar

The global sugar production for the sugar year 2016-17 is up 5 million metric tonnes (raw value) to 171 million as gains in Brazil and the European Union and most of the top 25 producers more than offset declines in India and Thailand. Global raw sugar monthly average prices, after falling for over a year and bottoming at less than 11 cents per pound in August 2015, have been trending higher to near 23 cents in October 2016. Despite high prices, consumption is forecast at a record 174 million tonnes, drawing stocks down to the lowest level since 2010-11. The global sugar deficit narrows from 6.7 million tonnes in 2015-16 to a forecast 2.6 million. Despite production gains in 2016-17, low stock levels portend another year of rebuilding supplies amid strong prices.

Domestic Scenario

ICRA expects domestic sugar production to decline to 23.0 million MT during sugar year 2017 (SY2017), a decline of around 9% over the previous year. This is largely on account of lower cane availability in Maharashtra and Karnataka due to poor monsoons last year. Although the monsoons are likely to be better this year, the impact on the cane output is likely to be seen only in SY2018, given the growing period (12 months) of sugarcane. The expected decline in the sugar production during SY2017, coupled with the decline in the domestic sugar stocks during SY2016 and the impact of global sugar deficit scenario has firmed up the domestic sugar price to Rs. 36,200/MT in October 2016, although there was a dip in November following demonetisation and arrival of the new crop.

Price of Sugar Cane

The cane price for the current sugar season have been either stable or shown a modest increase. For SY2017, the FRP is fixed at Rs. 230/quintal, which is at the same level as that of the previous year. The UP Government has, through a November 18, 2016 order, announced a Rs. 25/quintal (qtl) increase in the state-advised price (SAP) of sugarcane for the sugar year (SY) 2016-17 (October-September season). At these prices, ICRA expects the landed cost of cane (inclusive of basic SAP, taxes and levies and inward freight costs) to be around Rs. 321-325/qtl. According to ICRA's estimates, with the new cane prices, the cane cost of production for sugar is likely to increase by around Rs. 2500/MT vis-a-vis SY2015-16 and stand at around Rs. 28500-30500/MT, given that the recovery rates for most UP-based sugar mills range between 10.5% and 11.5%. ICRA, however, notes that for SY2016-17, mills will have to pay the entire cane price upfront, unlike in SY2015-16, when mills were given the flexibility of paying Rs. 50/quintal (out of the total basic SAP of ₹ 280/qtl) within a period of 90 days. This may have some short-term liquidity impact on mills, which are financially weaker and relatively more levered. On the positive side however, ICRA expects the UP-based sugar mills to continue to report steady sugar realisations (currently

Twenty Second Annual Report

at ₹ 35,500/MT) in the near-term, given the supply deficit, both domestically and globally. This apart, these mills are likely to continue to derive benefits from the relatively healthy recovery rates (estimated at between 10.0-11.5% for most mills in SY2015-16 and SY2016-17 - ICRA projected - as against the sub 10% levels seen in the previous two to three years, on the back of cane development activities undertaken in the recent past, which resulted in better varietal mix. Margins are likely to come down somewhat from the levels seen in the previous two quarters (Apr-Sep 2016) and they are still likely to be satisfactory for most efficient and forward integrated sugar mills over the next two to three quarters.

OPPORTUNITIES AND THREATS:

Opportunities:

The long term outlook for sugar remains positive and promising on account of:

- Mandatory blending of Ethanol with petrol will boost the revenue of sugar mills and profitability.
- Growing energy consumption in India allowing the sugar industry to play a vital role.
- Environmental friendly power generated by Cogeneration Units equipped with high-pressure boilers and turbines that intelligently use the fuel to get optimum energy output.
- Expected flow of funds from Trading of Renewable Energy Certificate (REC).
- More emphasize on Bio-composting process and consequent efforts to convert organic and inorganic matter into bio-manure to ensure zero discharge from the distillery combining with press mud.
- Growing demand for bio manure, which works as the perfect soil conditioner Bio manure made from distillery and organic matter does not allow leaching of chemicals and hence can offer a solution to the problem of depletion of soil productivity.
- Sugar weightage in WPI.

Threats:

Sugar industry is at present confronted by the following threats:

- Dearth in availability of farm labour for harvesting, transportation, loading and unloading of sugar cane and sugar.
- The spurt in cane procurement prices is expected to remain volatile for a couple of years.
- Cyclical nature of industry and local climatic conditions over the crop affecting both the quantity and quality of cane available.
- Short crushing season.
- Shrinkage of sugarcane area under cultivation due to growing urbanisation and availability of many alternate cash crops.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

Sugar:

During the year under review, the crushing operations for the crushing season 2016-17 were started at Kamareddy Unit on 5th December 2016 and closed the operations on 8th February, 2017. The operations at Nizamsagar Unit started on 5th December 2016 and closed on 18th January, 2017.

During the Crushing Season 2016-17, at both the units, 2.09 Lakh Tonnes of Sugar Cane was crushed and 2.33 Lakh Quintals of sugar produced with an average recovery of 11.12% comparing to the previous season figures of 6.56 Lakh Tonnes of Sugar Cane and Sugar of 7.42 Lakh Quintals with an average recovery of 11.31%. In detail, at Kamareddy Unit, 1.59 Lakh Tonnes of Sugar Cane was crushed (Previous Season 3.93 Lakh Tonnes) and produced sugar of 1.80 Lakh Quintals (Previous Season 4.40 Lakh Quintals) with an Average Recovery of 11.31% (Previous Season 11.20%) and at Nizamsagar Unit 0.50 Lakh Tonnes (Previous Season 2.62 Lakh Tonnes) of Sugar Cane and produced sugar of 0.52 Lakhs Quintals (Previous Season 3.02 Lakh Quintals) with an Average Recovery of 10.25% (Previous Season 11.48%).

Distillery:

During the Financial Year, the Distillery unit produced Rectified Spirit (RS) of 15.99 Lakh Liters and Impure Spirit (IS) of 1.95 Lakh Liters and Ethanol of 42.80, totally 60.74 lakh Liters (compared to the previous year of Rectified Spirit (RS) of 50.70 Lakh Liters and Impure Spirit (IS) 1.86 Lakhs and Ethanol of 17.34, totally 69.90 lakh Liters).

Power:

The Export of Power during the crushing season 2016-17 was to the extent of 44.93 Lakh kwh (Kamareddy Unit 19.23 Lakh kwh & Nizamsagar Unit 25.70 lakh kwh) as compared to the previous year season of 214.07 Lakh kwh (Kamareddy Unit 55.12 Lakh kwh & Nizamsagar Unit 158.95 lakh kwh).

Manufacturing:

The Company is continuously implementing better manufacturing methods to increase operational efficiencies and to eliminate process losses.

OUTLOOK:

The industry forecast for 2016-17 was lower than the government estimate of 22.5 million tonnes. The latest production estimate 5% lower than ISMA's earlier estimate released in January and 13% lower than what was estimated in September last year implies sugar prices may rise in the coming months, which could force the government to cut import duties.

RISKS AND CONCERNS:

The major risks faced by Sugar business are the availability of cane, regulatory risks, price of sugar and that of sugar cane. The management periodically reviews the risk management framework to identify the major business risks as applicable to the Company and works out their mitigation strategy. Sugarcane is the key raw material for sugar and any difficulty in getting cane at right time will have impact on the business. The key factors that influence cane availability are climatic condition, availability of cane harvesting labour and farmers opting competitive crops.

The sugar industry is regulated by the central and state governments. The risks of rising prices of sugar cane and volatility in sugar prices are expected to be met by a number of measures viz. improving the yield, increasing the cane cultivation and improving the operating efficiency etc. besides effort to increase the revenue from the byproducts.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has well-established processes and clearly-defined roles and responsibilities for people at various levels. The control mechanism also involves well documented policies, authorisation guidelines commensurate with the level of responsibility and standard operating procedures specific to the respective businesses. Adherence to these processes is ensured through

Twenty Second Annual Report

frequent internal audits and adequate and effective internal audit system that employs periodic checks on on-going process. The internal audits conducted are reviewed by the Audit Committee and requisite guidelines and procedures augment the internal controls. The internal control system is designed to ensure that financial and other records are reliable for preparing financial statements and other information which ensures that all transactions are properly reported and classified in the financial records.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

During the Financial Year 2016-17, the Overall performance of the Company both the units viz. Kamareddy and Nizamsagar put together are as under:

Production:

Details	Financial Year 2016-17
Total Cane Crushed	2,09,482 Tonnes
Sugar Production	2,29,880 Quintals
Recovery	11.12 %
Molases production (Tonnes)	7,021 Tonnes
Power Exported (lakh units)	44.93 lakh Units
Distillery Unit: Ethanol	42.80 lakh Liters
Rectified Spirit (RS), Impure Spirit (IS)	17.94 lakh Liters

Financial Review:

Capital:

There was no increase in the capital structure of the Company.

Net Worth:

The net worth of the Company eroded due to losses incurred by the Company in the previous years.

Long Term Debt:

The Long Term Borrowings including current maturities of the Company decreased from ₹ 10,613.66 lakhs to ₹ 10,060.90 lakhs with a net effect of ₹ 552.76 lakhs. The Company has repaid the Term Loan to an extent of ₹ 1,247.81 lakhs and has also issued NCD's amounting to ₹ 695.06 lakhs by converting ROR amount of ₹ 695.05 lakhs with a net effect of ₹ 552.76 lakhs.

Working Capital:

There was no additional working capital borrowings during the year.

Gross Block of Assets:

The gross block of the Company was increased from ₹ 26,183.53 lakhs to ₹ 26,281.00 lakhs because of capital expenditure incurred on ethanol plant. During the year, the Company provided depreciation and amortization of ₹ 993.66 lakhs as per the provisions of Schedule II of the Companies Act, 2013.

Inventories:

The value of inventories stood at ₹ 4,055.68 lakhs as at 31st March, 2017 against ₹ 13,238.81 lakhs as at 31st March, 2016. The increase was due to higher sugar price.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

In a challenging and competitive environment, the Company believes that people are the key to success and continues to focus on people capabilities by leveraging technology and creating a learning environment. The Human Resources function proactively develops innovative and business focused methods to attract, develop, motivate and retain talent. Human resources strategy is closely aligned to key business and stems from the organisation purpose which is - "To build Credible, Reliable & Capable Human Capital to deliver superior Individual and Business performance". This vision is delivered by a high level of policy deployment initiatives and contemporary HR practices focusing key imperatives such as Capability Development, Talent Management, Employee Engagement, Productivity & Cost and HR excellence.

During the year under review, there were no cases filed pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

We have audited the accompanying financial statements of Gayatri Sugars Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

Basis for Qualified Opinion

Attention is drawn to Note 33 of the financial statements regarding the High Court dismissing the writ filed by the Company challenging the levy of electricity duty by the State Government on consumption of electricity by captive generating units, the subsequent dismissal of special leave petition by the Hon'ble Supreme Court, and the pending matter before the Board for Industrial and Financial Reconstruction

(BIFR) being abated. As stated in the said note, the Company has treated the estimated duty amount aggregating ₹ 283.99lakhs as a Contingent liability.

In view of the above, we are unable to comment on the ultimate outcome of the matter and the consequential impact, if any, on these financial statements.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis of Qualified Opinion paragraph above, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

Emphasis of Matters

We draw attention to the following notes in to the financial statements:

- (i) Note 34 of the financial statements, which indicates that as at March 31, 2017 the accumulated losses amounting to ₹ 12,804.58 lakhs have completely eroded the net-worth of the Company and, the current liabilities exceeded the current assets as on that date. These conditions along with other matters as set forth in Note 34 of the financial statements, including dependence on continuous support from its promoters, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern and therefore it may be unable to realise its assets and discharge its liabilities in the normal course of business. The Board for Industrial and Financial Reconstruction (BIFR) declared the Company as a sick industrial company under section 3 (o) of SICA, 1985 vide its order in October, 2016. Subsequently, the case filed by the Company under the BIFR stands abated. We have been informed that based on its discussions with several lenders/Banks, the Company has decided not to initiate the corporate insolvency resolution process under the Insolvency and Bankruptcy Code 2016, before the NCLT.

These financial statements have been prepared on a going concern basis for the reasons stated in the said Note.

- (ii) Note 37 of the financial statements in respect of the remuneration paid to Executive Director, reappointed during the year (designated as Managing Director w.e.f. August 29, 2016), in excess of the limits specified in Schedule V of the Companies Act, 2013 by ₹ 38.45 lakhs. The said appointment and payment/provision of remuneration was approved by the shareholders in the Annual General Meeting held on September 26, 2016. The Company has sought the necessary approval from Central Government, whose response is pending.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a) We have sought and, except for the matter described in the Basis for Qualified Opinion paragraph above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

Twenty Second Annual Report

- d) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under section 133 of the Act.
 - e) The going concern matter described in sub-paragraph (i) under the Emphasis of Matters paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - f) On the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
 - h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses a qualified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The Company has provided requisite disclosures in the financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the November 8, 2016 of the Ministry of Finance, during the period from November 8, 2016 to December 30, 2016. Based on audit procedures performed and the representations provided to us by the Management we report that the disclosures are in accordance with the books of account maintained by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Gayatri Sugars Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company;

and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified opinion

According to the information and explanations given to us and based on our audit, material weaknesses have been identified as at March 31, 2017 relating to inadequate internal financial controls over financial reporting in respect of certain reconciliations between various accounting systems and period-end adjustments as fully described in Note 38 to the financial statements, and Management's assessment of estimating potential liability relating to a disputed matter as described in Note 33 to the financial statements.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the possible effects of the material weaknesses described in Basis for Qualified Opinion paragraph above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended March 31, 2017, and these material weaknesses did not affect our opinion on the said financial statements of the Company, except in respect of the qualification relating to the Management's assessment of estimating potential liability relating to a disputed matter, in respect of which, we have issued a qualified opinion on the financial statements of the Company.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and the records examined by us, we report that, the title deeds, comprising all the immovable properties of land and buildings, are held in the name of the Company as at the balance sheet date. Immovable properties of land whose title deeds have been pledged as security for loans are held in the name of the Company based on the confirmations directly received by us from lenders.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable, except in respect of the guarantees amounting to ₹ 90 lakhs given to a party on behalf of cane suppliers for financing arrangements which owing to the brought forward losses is in excess of the limits specified under Section 186 of the Act. However, the Management is of the view that such guarantees are within the limits specified in Section 186.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) The The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. Background:

Gayatri Sugars Limited was established in the year 1995. The Company is into manufacture of sugar and allied products and it also operates a power cogeneration unit, the output of which is captively used and also exported to the grid. The Company's products includes sugar, distillery products like Rectified Spirit, Impure spirit, Ethanol and by-products like Molasses and Bagasse.

2. Significant Accounting Policies:

2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenue and expenses for year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ due to those estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/ materialize.

2.3 Inventories

Raw materials, Stores and Spares and Consumables are valued at First-in-First out basis. Cost includes applicable taxes, duties, transport and handling costs.

Finished goods are valued at cost or net realizable value whichever is lower. Cost is average cost and includes all material costs, direct and indirect expenditure and inclusive of excise duty.

Work-in-progress is valued at cost inclusive of factory overheads.

By-products are valued at estimated net realisable value as the cost is not ascertainable.

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and Amortisation

Tangible Assets

Depreciation on tangible fixed assets is provided on straight line method as per the rates and in the manner prescribed in Schedule III to the Companies Act, 2013.

Intangible Assets

Software is amortised over a period of 3 years.

Individual assets costing less than ₹ 5,000 are fully depreciated in the year of acquisition.

2.7 Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods are transferred to the customer and is stated net of trade discounts, sales returns but inclusive of excise duty.

Revenue from sale of power is recognised when the units generated are transmitted to the pooling station, in accordance with the terms and conditions of the power purchase agreement entered into by the Company with the purchasing party.

2.8 Other income

Dividend income is recognised when the unconditional right to receive the income is established. Interest Income is recognised on a time proportionate method using underlying interest rates.

Insurance and other claims/refunds are accounted for as and when admitted by appropriate authorities.

2.9 Property, Plant and Equipment, Intangible Assets (Fixed Assets)

Tangible / Intangible Assets

Fixed Assets are stated at cost (net of CENVAT) less accumulated depreciation and impairment losses, if any. Cost includes installation and expenditure during construction, including freight, insurance, borrowing costs and incidental expenses relating to acquisition and installation of the respective assets.

Capital work-in-progress

Projects under which assets are not ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing costs.

2.10 Foreign currency transactions and translations

Initial recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company outstanding at the Balance Sheet date are restated at the year-end rates. Non-monetary items are carried at historical cost. Exchange differences arising out of these translations are charged to the Statement of Profit and Loss.

2.11 Employee Benefits

Liability for employee benefits, both short and long term, for present and past services which are due as per the terms of employment are recorded in accordance with Accounting Standard (AS-15) "Employee Benefits" notified by the Companies (Accounting Standards) Rules, 2006.

i Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The Gratuity plan of the entity is an unfunded plan. The Company accounts for the liability for future Gratuity benefits on the basis of an independent actuarial valuation.

ii Provident Fund

In accordance with applicable local laws, eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan to which both the employee and employer contribute monthly at a determined rate. These contributions are either made to the respective Regional Provident Fund Commissioner, or the Central Provident Fund under the state pension scheme, and are expensed as incurred.

iii Liability for Compensated absences

The employees of the Company are entitled to compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation based on the additional amount expected to be paid as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognised in the period in which the absences occur.

2.12 Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized till the date the assets are ready to put to use. All other borrowing costs are charged to revenue.

2.13 Leases

Leases, where the lessor retains substantially all the risks and rewards incidental to the ownership are classified as operating leases. Operating lease payments are recognized as an expense in Statement of Profit and Loss on Straight Line basis over the lease term.

2.14 Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

2.15 Earnings Per Share

The basic and diluted earnings per share ("EPS") are calculated by dividing the profit / (loss) after tax by the weighted average number of Equity Shares outstanding. Diluted earnings per share is computed by dividing net profits for the year, adjusted for the effects of dilutive potential equity shares, attributable to the Equity Shareholders by the weighted average number of the equity shares and dilutive potential equity shares outstanding during the year except where the results are anti-dilutive. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless they have been issued at a later date.

2.16 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

2.17 Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset/ cash generating unit may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and such reversal of impairment is recognised in the Statement of Profit and Loss.

2.18 Provisions and Contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

2.19 Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Note 32 There are no derivative contracts taken during the year and outstanding as at the year-end. Further, there are no foreign currency exposures as at the year-end.

Note 33 The Hon'ble High Court of Judicature at Hyderabad for the State of Telangana and the State of Andhra Pradesh dismissed the Company's writ petition (along with the other petitions on the same matter filed by other companies) vide its common order dated May 19, 2016 ('the Order') in which it upheld the validity of levy of Electricity Duty @ 25 paise per unit by the State Government on consumption of electricity by captive generating units relating to earlier years. During the year, the Company filed a Special Leave Petition (SLP) in the Hon'ble Supreme Court which dismissed the SLP vide order dated September 27, 2016 on the grounds that these matters were pending before the Board for Industrial and Financial Reconstruction (BIFR), and unless payments were being made by the petitioners as directed in its interim orders @15 paise per unit. The Hon'ble Supreme Court also granted liberty to the petitioners to revive the petitions after the decision is given by the BIFR. Currently, the case filed before BIFR stands abated and the Company has not initiated any proceedings before the NCLT.

The Company has treated the estimated duty amount aggregating ₹ 283.99 lakhs as a Contingent Liability and no provision has been made in respect of the same. In the event of an unfavourable verdict in this matter, the Management based on the Supreme Court's interim orders and considering the inherent uncertainty in predicting the final outcome of the above litigation estimates the impact of the potential liability to be ₹ 170.39 lakhs.

In view of the above, the auditors have made a qualification in their Audit Report about their inability to comment on the ultimate outcome of this matter and the consequential impact, if any, on these financial statements.

Note 34 Over the last few years, the Company has been incurring losses and as at March 31, 2017 the accumulated losses amounting to ₹ 12,804.58 lakhs (31st March, 2016 ₹ 13,884.97 lakhs) have completely eroded the net worth and, its current liabilities exceeded the current assets as on that date. The Sugar Companies have been facing financial difficulties on account of higher sugar cane prices, lower realization of sugar and high finance cost.

Owing to the complete erosion of the net-worth of the Company, the Board of Directors, in their meeting held on August 14, 2015 decided to make a reference under the Sick Industrial Companies (Special Provisions) Act, 1985 (SICA) to the Board for Industrial and Financial Reconstruction (BIFR) which in their hearing held on October 19, 2016 declared the Company as a Sick Industrial Company under section 3 (1) (0) of SICA, 1985. The BIFR appointed IDBI as the Operating Agency (OA) and the Company was required to submit the Draft Rehabilitation Proposal to the OA within a period of 8 weeks and the next date of hearing by the BIFR was fixed on December 27, 2016. Consequent to the repeal of SICA w.e.f. December 1, 2016, the case filed by the Company under the BIFR stands abated and the Company has an option to file a revised petition within 180 days before the NCLT. Based on the discussions with several lenders/Banks, the Company has decided not to initiate the corporate insolvency resolution process under the Insolvency and Bankruptcy Code, 2016, before the NCLT.

The financial statements have been prepared on a going concern basis, based on a Comfort letter provided by the promoters for continued support to the Company to meet its financial obligations, in order to enable the Company to continue its operations in the foreseeable future.

Note 35 Exceptional items

(a) Exceptional item for the quarter and year ended March 31, 2017 represents liability no longer required and written back of ₹ 150.47 lakhs relating to non-fulfillment of contractual obligations/damages.

(b) Exceptional item for the year ended March 31, 2016 - The Telangana State Electricity Regulatory Commission (TSERC) passed the final order on September 18, 2015 for upward revision of tariff in favour of the Company in respect of energy exported in the earlier years. On receipt of the TSERC order, the Company recognised the differential revenue of ₹ 227.40 lakhs, which amount was also received.

Note 36 In the earlier years the Company paid interest on Working Capital loans raised from the Banks at a concessional rate under Corporate Debt Restructuring ('CDR') scheme as per the Reserve Bank of India guidelines, pursuant to which, the Banks had a Right of Recompense ('ROR') i.e. interest rate concession given earlier to the Company, which shall be compensated by the Company at the end of the scheme.

During the year ended March 31, 2017, the Company has allotted 6,950,500 Secured Unlisted Non-Convertible Debentures (NCD) of ₹ 10/- each at a coupon rate of 4% to the Banks.

Twenty Second Annual Report

Note 37 The tenure of appointment of the Executive Director (designated as a Managing Director w.e.f August 29, 2016) ended on April 30, 2016. The Remuneration Committee and the Board of Directors of the Company at their respective meetings held on May 20, 2016, approved the appointment and payment of remuneration for a period of three years with effect from May 1, 2016 on the same terms of earlier appointment. The said appointment and payment/provision of remuneration was approved by the shareholders in the Annual General Meeting held on September 26, 2016. The Company has sought the necessary approval from Central Government, whose response is pending.

Note 38 Financial Reporting Process : The Management conducted an assessment of the effectiveness of the internal control over financial reporting using the criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Based on this assessment, Management identified deficiencies in the internal control over financial reporting, that constitute material weaknesses, in respect of certain reconciliations between various accounting systems and the period - end adjustments.

The Company uses various subsystems, the output from which, is being used for accounting in the financial package maintained by the Company. Consequent to certain deficiencies in IT General and Application controls in the software platforms used for financial reporting, there were differences between sub-systems / sub- ledgers with the general ledger, which have been manually reconciled by the Company. Further, Management review controls over entity's financial reporting were ineffective as evidenced by recording of certain period-end adjustment entries. Whilst all necessary adjustment entries were passed in the books of account for the year ended March 31, 2017, the related material weakness in internal control was remediated after the year-end.

Also refer Note 33 in respect of Management's assessment of estimating potential liability relating to a disputed matter as described in the aforesaid Note.

Note 39 Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.
