MANAGEMENT DISCUSSION & ANALYSIS REPORT

Siel Financial Services Limited was mainly engaged in the business of leasing, advancing loan/ICDs, making investments, bill discounting and other financial activities. The Company is not doing any business activities and had been lying dormant for the last more than thirteen years.

The Company has submitted its reply to exchange that as the Company is dormant since more than ten (10) years. There are no other employees except KMPs i.e. Company Secretary, Whole Time Director and Chief Financial Officer in the Company. Minimum number of Directors appointed for compliance purpose and the Company has very limited cash which is placed in Fixed Deposits. The interest earned on FD is being used by the Company to meet expenses relating to various filing and other fees for statutory compliances.

The Securities and Exchange Board of India (SEBI) passed an order dated 26.8.2014 under Section 11(1), 11(2)(j), 11(4) and 11B of the SEBI Act, 1992 read with Section 12A of the Securities Contracts (Regulation) Act, 1956 in the matter of non-compliance with the requirement of Minimum Public Shareholding (MPS) under clause 40A of the Listing Agreement and restrained the Company, its promoters and directors from trading in company scrip.

The Company has submitted various letters, submissions explaining the reasons for non-compliance with MPS till date and requested to SEBI for approval to reduce promoter's shareholding below 75% by way of sale of 20% promoters stake at a negotiated price to some unconnected person in an off market trade due to current financial position of the Company.

SEBI vide its order dated 15.06.2020 (Impugned Order) informed the Company that the request for relaxation of clause 2(a) and clause 3(a) of February 2018 circular cannot be acceded to.

The Company has filed a Memorandum of Appeal against the Order dated 15.06.2020 (Impugned Order) passed by the Hon'ble SEBI before the Securities Appellate Tribunal, Mumbai and the same was dismissed by the Tribunal vide its Order dated 3.8.2020 after hearing the reasons explained by the Company.

The financial performance of the Company is covered in the Directors' Report.

As there is no other employee except the KMPs on the rolls of the Company, there is nothing to report on the development of human resources.

INDEPENDENT AUDITOR'S REPORT

To the Members of Siel Financial Services Limited

Report on the Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying Ind AS financial statements of **SIEL Financial Services Limited** ("the Company"), which comprise the balance sheet as at March 31, 2020, the statement of profit and loss (including other comprehensive income), cash flow statement and the statement of changes in equity for the year then ended, and notes to the Ind AS financial statements, including summary of significant accounting policies and other explanatory information. (collectively referred as "Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion Paragraph, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March, 2020, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

- (a) The Company is not allowed to carry Non-Banking Financial Business due rejection of its application by the Reserve Bank. However, presently the operations of the Company are restricted to realization of debtors and advances and interest income on investments.
- (b) The Company has incurred a net loss of Rs 1,583.10 thousand for the year ended March 31, 2020 resulting in accumulated loss of 1,59,436.44 thousand as on that date which has completely eroded the net worth of the Company. Further, As on March 31, 2020, the Company's current liabilities exceeded its current assets by Rs 9,657.90 thousand. The Company had been reporting negative operating cash flows for few years which have also contributed to constraints of working capital. These conditions have resulted into acute working capital deficit and have casted material uncertainty on functioning of the Company.

As stated by the management, the accounts of the Company have been prepared on a "going concern" basis as the management is hopeful that adequate finance and opportunities would be available in the foreseeable future to enable the Company to start operating on a profitable basis. In view of the above, the accounts of the Company have been prepared on a going concern basis and do not include any adjustments relating to the recoverability and classification of recorded assets amounts or to amounts or classification of liabilities that may be necessary if the Company is unable to continue as going concern. (Refer note 21 to the Ind AS financial statements).

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report except as reported under Basis for Qualified opinion paragraph above.

Emphasis of Matter

Without qualifying our report, we invite attention to Note 31 to the notes to Ind AS financial statements, which describes the uncertainties and the impact of Covid-19 pandemic on the Company's operations and results as assessed by the management. The impact of these uncertainties on the Company's operations is significantly dependent on future developments.

Information Other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the Ind AS financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report. Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Siel Financial Services Limited

INDEPENDENT AUDITOR'S REPORT (Contd.)

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant Rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Siel Financial Services Limited

INDEPENDENT AUDITOR'S REPORT (Contd.)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) we have sought, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder;
 - e) The matter described in the Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company;
 - f) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
 - h) In our opinion, and according to the information and explanations given to, the company has not paid any managerial remuneration during the year ended March 31, 2020. Hence, provisions of section 197 read with Schedule V to the Act are not applicable to the Company and has not commented upon; and
 - i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, the Company does not have any pending litigations which would impact its financial position;
 - ii. Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, the Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There is no amount required to be transferred to the Investor Education and Protection Fund by the Company.

INDEPENDENT AUDITOR'S REPORT (Contd.)

Annexure A to the Independent Auditor's Report to the members of SIEL Financial Services Limited dated June 25, 2020.

Report on the matters specified in paragraph 3 of the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 ("the Act") as referred to in paragraph 1 of 'Report on Other Legal and Regulatory Requirements' section

- (i) There are no fixed assets in the Company during the financial year ending March 31, 2020. Accordingly, provisions of clause 3 (i) of the Order are not applicable to the Company.
- (ii) The Company's operations does not give rise to inventories. However, the Company hold shares as stock in trade. Some of those shares are held in physical form which has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. No material discrepancies were noticed on such verification.
- (iii) According to the information and explanations given to us, the Company has not granted loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, provisions of clause 3 (iii) of the Order are not applicable to the Company.
- (iv) As per the information and explanation given to us and on the basis of our examination of the records, the Company has not granted any loan and advances or made any guarantees, investments or security as per the provisions of section 185 and 186 of the Act. Hence, provisions of clause 3 (iii) of the Order are not applicable to the Company.
- (v) The company has not accepted deposits, the directives issued by the Reserve Bank of India and provisions of sections 73 to 76 or any other provisions of the Act and Rules framed there under, are not applicable.
- (vi) According to the information and explanation given to us, the Central Government has not prescribed maintenance of cost records under section 148 of the Act for the activities undertaken by the Company. Hence, the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, employees' state insurance, income tax, goods & services tax, customs duty, cess and other material statutory dues, as applicable, with the appropriate authorities. Further there were no undisputed amounts outstanding at the year-end for a period of more than six months from the date they became payable.
(b) According to the information and explanations given to us and as per the books and records examined by us, there are no dues in respect of income tax, goods & services tax, duty of custom and cess which have not been deposited on account of any dispute.
- (viii) According to the information and explanations given to us and as per the books and records examined by us, the Company has not taken any loan from any financial institution or Government. The Company does not have any outstanding debentures. Hence, provisions of clause 3 (viii) of the Order are not applicable to the Company.
- (ix) According to the information and explanations given by the management, the Company has not raised any monies by way of initial public offer or further public offer during the financial year, and the Company has not raised any term loans. Accordingly, the provisions of clause 3(ix) of the Order are not applicable to the Company.
- (x) In our opinion and on the basis of information and explanations given to us, we report that no fraud by the company or on the company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given to us, the Company has not paid any managerial remuneration during the year, hence the provisions of section 197 of the Act and reporting requirements of the Order are not applicable to the Company.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company, therefore the provision of clause (xii) of the Order is not applicable to the Company and hence not commented upon.
- (xiii) In our opinion and according to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of the Act, where applicable and the details have been disclosed in the notes to the Ind AS financial statements, as required by the applicable Indian Accounting Standards.
- (xiv) As the Company has not made any preferential allotment and private placement of shares or fully & partly convertible debentures during the year under review, the reporting requirement of section 42 of the Act are not applicable to the Company.
- (xv) In our opinion and on the basis of information and explanations given to us, the Company has not entered into non-cash transactions with directors and persons connected with him. Hence, the provisions of section 192 of Act are not applicable.
- (xvi) In our opinion and on the basis of information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

INDEPENDENT AUDITOR'S REPORT (Contd.)

Annexure B to the Independent Auditor's Report to the members of SIEL Financial Services Limited dated June 25, 2020

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section

We have audited the internal financial controls over financial reporting of SIEL Financial Services Limited (the "Company") as of March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India" (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Siel Financial Services Limited

INDEPENDENT AUDITOR'S REPORT (Contd.)

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India"

- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current

(iv) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company measures financial instruments such as investment in unquoted equity and preference shares, quoted mutual funds, security deposits paid to landlords for properties on rent and financial guarantees at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the following fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

v) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

- (a) **Interest income** is recognized on a time proportion basis considering the amount outstanding and the rate applicable. For all debt instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. Interest income is included in other income in the statement of profit or loss.
- (b) **Dividend income** is recognised when the right to receive the payment is established (generally on shareholder's approval by the reporting date).

(vi) Income taxes

Tax expense comprises of current income tax and deferred tax. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax is recognised using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax liabilities are recognized for all taxable temporary differences

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses, if any. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Siel Financial Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

(vii) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost

(viii) Employee benefits

No provision for Short term employee benefit and Post employment benefits such as provident fund, gratuity, superannuation schemes and leave encashment has been made during the reporting period. Upon commencement of operations and upon induction of employees, the liability will be provided towards defined contribution plan and defined benefit plan in compliance with "**Indian Accounting Standard-19 on Employees Benefits**", issued as per Companies (Indian Accounting Standards) Rules, 2015.

The aforesaid staff benefit scheme will be provided according to respective laws as and when these will be applicable on the company.

(ix) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial assets

Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All the financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date

Subsequent measurement

Non-derivative financial instruments

i) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates that are solely payments of principal and interest on principal amount outstanding. Further in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments the subsequent changes in fair value are recognized in other comprehensive income

iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair value through profit or loss

(b) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit or loss. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments

i) Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization

ii) Borrowings

On initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

(c) Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under IND AS 109. A financial liability (or a part of the financial liability) is derecognized when the obligation specified in the contract is discharged or cancelled or expires.

(d) Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For all other financial instruments the carrying amounts approximate fair value due to the short maturity of those instruments

(e) Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized as an impairment gain or loss in statement of profit or loss

(f) Reclassification

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Siel Financial Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

(g) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(x) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits and liquid fund investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

1.(B). Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events.

b) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Changes in accounting policies and disclosures

New and amended standards

The following amendments and interpretations apply for the first time in current financial year, but do not have an impact on the financial statements of the Company. The Company has not early adopted any standards or amendments that have been issued but are not yet effective.

Ind AS 116 Leases

Ind AS 116 supersedes Ind AS 17 Leases. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet.

Upon adoption of Ind AS 116, lessees will apply a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The lessee will recognise lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Lessor accounting under Ind AS 116 is substantially unchanged from Ind AS 17. Lessors will continue to classify leases as either operating or finance leases using similar principles as in Ind AS 17. Therefore, Ind AS 116 does not have an impact for leases where the Company is the lessor.

The application of Ind AS 116 did not have an impact on the financial statements of the Company.

Appendix C to Ind AS 12– Income taxes

Appendix C - Uncertainty over Income Tax Treatment has been inserted in Ind AS 12. The appendix C to Ind AS 12 addresses the accounting for income taxes when tax treatments involve uncertainty that affects the application of Ind AS 12 Income Taxes. It does not apply to taxes or levies outside the scope of Ind AS 12, nor does it specifically include requirements relating to interest and penalties associated with uncertain tax treatments. The appendix specifically addresses the following:

- Whether an entity considers uncertain tax treatments separately

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

- The assumptions an entity makes about the examination of tax treatments by taxation authorities
- How an entity determines taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates
- How an entity considers changes in facts and circumstances

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty. The Company applies significant judgement in identifying uncertainties over income tax treatments.

Upon adoption of the Interpretation, the Company considered whether it has any uncertain tax positions. The Company's tax filings include deductions based on the management judgement and the taxation authorities may challenge those tax treatments. The Company determined, based on its tax compliance and transfer pricing study, that it is probable that its tax treatments will be accepted by the taxation authorities. The amendment did not have an impact on the financial statements of the Company.

Amendment to Ind AS 109: Prepayment Features with Negative Compensation

Under Ind AS 109, a debt instrument can be measured at amortised cost or at fair value through other comprehensive income, provided that the contractual cash flows are 'solely payments of principal and interest on the principal amount outstanding' (the SPPI criterion) and the instrument is held within the appropriate business model for that classification. The amendments to Ind AS 109 clarify that a financial asset passes the SPPI criterion regardless of an event or circumstance that causes the early termination of the contract and irrespective of which party pays or receives reasonable compensation for the early termination of the contract. These amendments had no impact on the financial statements of the Company.

Amendment to Ind AS 19: Plan Amendment, Curtailment or Settlement

The amendments to Ind AS 19 address the accounting when a plan amendment, curtailment or settlement occurs during a reporting period. The amendments specify that when a plan amendment, curtailment or settlement occurs during the annual reporting period, an entity is required to determine the current service cost for the remainder of the period after the plan amendment, curtailment or settlement, using the actuarial assumptions used to remeasure the net defined benefit liability (asset) reflecting the benefits offered under the plan and the plan assets after that event. An entity is also required to determine the net interest for the remainder of the period after the plan amendment, curtailment or settlement using the net defined benefit liability (asset) reflecting the benefits offered under the plan and the plan assets after that event, and the discount rate used to remeasure that net defined benefit liability (asset). The amendments had no impact on the financial statements of the Company as it did not have any plan amendments, curtailments, or settlements during the period.

Amendments to Ind AS 12 Income taxes

The amendments clarify that the income tax consequences of dividends are linked more directly to past transactions or events that generated distributable profits than to distributions to owners. Therefore, an entity recognises the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where it originally recognised those past transactions or events. An entity applies the amendments for annual reporting periods beginning on or after 1 April 2019, with early application permitted. When the entity first applies those amendments, it applies them to the income tax consequences of dividends recognised on or after the beginning of the earliest comparative period. These amendments had no impact on the financial statements of the Company.

Amendments to Ind AS 23 Borrowing Costs

The amendments clarify that an entity treats as part of general borrowings any borrowing originally made to develop a qualifying asset when substantially all of the activities necessary to prepare that asset for its intended use or sale are complete. The entity applies the amendments to borrowing costs incurred on or after the beginning of the annual reporting period in which the entity first applies those amendments. An entity applies those amendments for annual reporting periods beginning on or after 1 April 2019, with early application permitted. These amendments had no impact on the financial statements of the Company.

21 The Company has severely curtailed its operations due to meagreness of funds and adverse market conditions. The operations of the Company are restricted to realization of debtors or advances. The management is negotiating with certain parties for realizing some of the assets and is hopeful of generating funds for this business. The accounts of the company have been prepared on a "going concern" basis on an assumption & promises made by the management that adequate finances and opportunities would be available in the foreseeable future to enable the company to start operating on a profitable basis. In view of the above, the accounts of the Company have been prepared on a going concern basis.

22 During the year ended March 31, 2020, there are no MSMED parties accordingly information as required under Micro, Small & Medium Enterprises Development Act, 2006, has not been provided.

23 No Employee Benefits Schemes such as Gratuity, Provident Fund & other staff welfare schemes are applicable on the Company during the reporting year. Accordingly no provision has been made during the reporting period as mandated by "Ind AS 19 on Employees Benefits".

24 The Company estimates the deferred tax (charge) / credit using the applicable rate of taxation based on the impact of timing differences between financial statements and estimated taxable income for the current year. Since there is no reasonable certainty in timing of realization of profits hence deferred tax asset (Net) has not been recognized.

25 Earnings per share (EPS)

Basic and Diluted EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

The following reflects the income and share data used in the basic and diluted EPS computations:

i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. However, as the Company does not have any outstanding floating rate interest bearing long term and short term debts at the balance sheet date. Therefore, a change in interest rates on the reporting date would neither affect profit or loss nor affect equity.

Fair value sensitivity analysis for fixed rate instruments

The Company does not have any fixed rate financial assets and liabilities at fair value through profit and loss as on date. Therefore, a change in interest rates at the reporting date would neither affect profit or loss nor affect equity.

B. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities, including deposits with banks. Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Credit evaluations are performed on all customers requiring credit over a certain amount.

An impairment analysis is performed at each reporting date on an individual basis. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed below. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to financing activities as low on the basis of past default rates of its customers.

Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.
