MD's Letter to Shareholders

Dear Valued Stakeholders.

As we all are aware, the previous financial year was rife with challenges from the COVID-19 pandemic. The outbreak of this pandemic adversely affected our personal lives as well as industries and entire economies worldwide. With lockdowns across various countries to curb the spread of this virus, several markets came to a virtual standstill, consequently slowing down the global economy.

es ly ad

However, even as the second wave of the pandemic rages on in various nations, we are witnessing a recovery in business activity and industries globally, as vaccination drives increase and consumer sentiment recovers. We took this opportunity over the past year to improve our internal efficiencies, and strengthen our R&D and product innovation initiatives.

In the year ended 31st March 2021, the Company reported total revenue of Rs. 138.94 crores, up 14.75% year-on-year. Our EBITDA (including other income) and PAT grew 71.54% and 130.20% year-on-year to Rs. 49.77 crores and Rs. 26.66 crores, respectively. This overall growth in top line, bottom line as well as profit margins reflects our resilience and capability to grow even during headwinds.

Growth came in mainly from the US market where we registered nearly 100% growth. The pandemic has expedited an ongoing paradigm shift that is being witnessed in the automotive marketing industry globally - the shift towards e-marketing and use of software tools for auto dealers and consumers to do business. An increasing number of dealerships across the US and worldwide, are adopting powerful software-based tools to capture and showcase data, gain consumer insights/trends and market their products. Such tools not only prove cost-efficient, but also enable the dealers to reach a larger target audience and lead-base.

From the consumer's perspective, tools such as interactive media and virtual reality products enable a showroom-like experience from the comfort and safety of their homes. In fact we even have a VR-based virtual test drive product coming soon to the US market. As more and more consumers make their buying decision online, we believe the relevance and demand for e-marketing solutions is very likely to continue to rise in the automotive sector.

In line with our strategy and vision, we continue to invest in R&D, product conceptualization and innovation, and a competitive workforce, to stay a step ahead of the market. Our annual spend on R&D continues to be upwards of 10% of our revenues.

Moreover, our focus remains on our 3-fold strategy - to grow existing products in existing markets, expand new products in existing markets, and introduce existing products in new markets.

I am happy to share that despite the challenges that were faced world wide, we added over 130 clients in the past year, including Group Bernier and Atmosphere. We also added 43 new clients for izmocars in the US with products such as Capital One, Fareportal and Motor Trend. Furthermore, in the last quarter alone, we added 59 rooftops under FrogData, our highest ever in a quarter.

With growth in demand anticipated in North America and European markets, we are also aiming to raise funds for our US-based subsidiary izmo, Inc. to support organic as well as inorganic growth. This, along with a good position in the European markets, gives us a cautiously optimistic outlook for the coming year.

I am proud to say that the izmo team has proven its mettle during such difficult times and came out stronger, pushing the Company forward. I would like to thank the entire team of izmo and all the stakeholders, for their relentless dedication and support, helping the Company scale greater heights.

With Warm Regards,
Sanjay Soni
Managing Director

NOTES

- 1. In view of continuing COVID-19 Pandemic, the Ministry of Corporate Affairs (the "MCA") vide its General Circular No. 14/2020 dated April 08, 2020, Circular No. 17/2020 dated April 13, 2020, Circular No. 20/2020 dated, May 05, 2020, and Circular No. 02/2021 dated January 13, 2021 in relation to "Clarification on holding of Annual General Meeting (AGM) through Video Conferencing (VC) or Other Audio Visual Means (OAVM)" (hereinafter, collectively referred as the "MCA Circulars") read with SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 and Circular No. SEBI/HO/CFD/CMD2/ CIR/P/2021/11 dated January 15, 2021 have allowed Companies to conduct their AGM through VC or OAVM, thereby, dispensing with the requirement of physical attendance of the members at their AGM and accordingly, the **26th Annual General Meeting (the "AGM")** of the Company will be held through VC or OAVM in compliance with the aforesaid circulars and the relevant provisions of the Companies Act, 2013 (as amended) (the "Act") and Rules made there under and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (the "Listing Regulations"). The registered office of the Company shall be deemed to be the venue for the AGM. Members attending the AGM through VC or OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- 2. In terms of the MCA Circulars and SEBI CIRCULAR NO. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, the requirement of sending proxy forms to holders of securities as per provisions of section 105 of the act read with regulation 44(4) of the listing regulations, has been dispensed with. Therefore, the facility to appoint proxy by the members will not be available and consequently, the proxy form, attendance slip and route map are not annexed to this notice convening the 26th AGM of the Company (the "notice").
- 3. Pursuant to Section 113 of the Act and Rules framed there under, the corporate members are entitled to appoint authorized representatives for the purpose of voting through remote e-Voting or for the participation and e-Voting during the AGM, through VC or OAVM. Institutional Shareholders (i.e., other than individuals, HUF, NRI, etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution / Power of Attorney / appropriate Authorization Letter together with attested specimen signature(s) of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer through e-mail at syed1948@gmail.com with a copy marked to evoting@nsdl.co.in.
- 4. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition and relodged transfers of securities. Further, SEBI vide its Circular No. SEBI/HO/MIRSD/RTAMB/CIR/P/2020/236 dated December 2, 2020 had fixed March 31, 2021 as the cut-off date for re-lodgement of transfer deeds and the shares that are re-lodged for transfer shall be issued only in demat mode. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents ("RTA") Cameo Corporate Services Limited ("CCSL") for assistance in this regard.
- 5. Members who have not yet registered their e-mail addresses are requested to register the same with their Depository Participants ("DP") in case the shares are held by them in electronic form and with CCSL in case the shares are held by them in physical form.
- 6. Members are requested to notify changes, if any pertaining to their name, postal address, e-mail address, telephone / mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, etc., to their DPs if the shares are held by them in electronic form and to CCSL if the shares are held by them in physical form along with their addresses specifying full address in block letters with PIN code to the Company's Registrar and Share Transfer Agents ("the RTA") at the following address: Cameo Corporate Services Limited, Subramanian Building, No.1, Club House Road, Anna Salai, Chennai, Tamil Nadu 600002.
- 7. In terms of the provisions of the Companies Act, 2013 and Rules made there under and Articles of Association of the Company, Mrs. Shashi Soni (DIN: 00609217), Chairperson and Whole-time Director of the Company retires by rotation and being eligible offers herself for reappointment. A brief resume of Mrs. Shashi Soni along with the nature of her expertise are given herewith and forms part of the notice convening the Annual General Meeting.
- 8. In Compliance with aforesaid Circulars issued by MCA and SEBI Circular dated May 12, 2020, the Notice along with the Annual Report of the Company for the Financial Year ended March 31, 2021, will be sent only through e-mail, to those Members whose e-mail addresses are registered with the Company or Depository Participants or the Registrar and Share Transfer Agent (the "RTA"), i.e. M/s Cameo Corporate Services Limited ("CCSL"). Members may also note that the Notice and Annual Report for 2020-21 will also be available on the Company's website www.izmoltd.com,

Every storm cloud brings with it a silver lining of renewed hope and opportunity. Early signs of an impressive global automotive retail sales turnaround in 2021 is already visible. US second quarter sales reported a seasonally adjusted annual rate (SAAR) of 17 million vehicles, thanks to innovative online marketing methodologies driving robust consumer demand.

At the forefront of this drive is izmo, with its CGR (Computer Generated Imagery), VR (Virtual Reality) and AR (Assisted Reality) suite of products, positioned to reap the rewards of over a decade of trail-blazing work with emerging automotive marketing tech.

Recent surveys around consumer shopping habits and buying behavior clearly suggest that about 92% of customers shop online at least once a year, and 57% of them consistently prefer online shopping to in-store shopping.

With consumers spending 5 hours on average every week shopping online, automotive retailers need to retain them with engaging online experiences. The izmo virtual shopping experience offers their online prospects a lifelike interactive experience from anywhere, on any device, ranging from big screens to mobile phones, powered by the latest CGI and web technologies.

Online car shoppers can take virtual vehicle walkarounds and interior tours, explore vehicles from every angle, choose and try colors and accessories virtually, watch videos, view inventory, and finally get pricing and download a customized vehicle brochure, complete with color choices, accessories, and more.

izmoEmporio 3D CGI **Virtual Showroom**

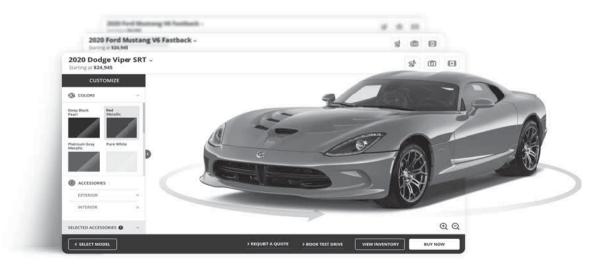

izmoEmporio is the world's first full 3D CGI Virtual Auto Showroom, with very high levels of user engagement reducing bounce rates to a negligible 2%.

No other company in the automotive retail space has the capacity to build anything of this power and scale, since they neither possess the assets nor the production capability. The market potential of this product line itself is estimated to be around \$200M ARR.

VREmporio -Virtual Retailing

VREmporio offers the ultimate virtual car shopping experience in amazing virtual reality environments. VREmporio can be deployed at the dealership or in kiosks at airports or malls, helping to demonstrate and market vehicles with magical customer experiences.

VR can demonstrate functionality and safety features that is simply not physically possible at a car dealership, like demonstrating the effect of an air bag deploying.

AI DRIVEN DATA ANALYTICS

Frog Data. Al Driven Data Analytics for Dealerships

FrogData, the leading data analytics platform for dealers is one of the fastest growing AI driven innovations in automotive retail analytics.

Deploying FrogData results in more deals, higher margins, improved employee and equipment utilization, high inventory turnover, long-term customer loyalty, and much more.

The FrogData data analytics platform is the first full-featured analytics platform available to auto dealers. Partnerships with major players in the automotive vertical makes FrogData easy to adapt and deploy.

Built on a state-of-the-art open architecture platform that can easily accommodate virtually any type of data from any system into a data lake,

FrogData enables dealers to use the data in their systems efficiently and derive competitive advantage out of it.

Innovative use of data analytics in areas like retail rates for warranty work is proving to be highly popular with US car dealers.

The izmoweb Cloud Platform

The izmoweb "responsive" web platform which hosts all izmo auto retail websites is the most advanced automotive web platform available globally, with unmatched enterprise level functionality that empowers dealerships to scale up and down effortlessly, OEMs and dealer groups can now manage all of their retail websites with just a few clicks.

Intelligent Web Design, izmo's design philosophy combining breathtaking visual design, ease of use, search friendliness, reliability, and scalability into one plug-and-play package, is largely responsible for the success of izmo's auto dealer websites and web apps.

izmo's websites are available in 36 languages, including French and Spanish. This multilingual functionality now allows thousands of car dealers to converse with customers and prospects in their own native language.

AUTOMOTIVE PARTS & ACCESSORIES MANAGEMENT

DistrigoBoost / PartsVelocity / PartsGorilla

The parts & accessories management solutions of your company is fast gaining significant traction in Europe, with hundreds of users spanning seven countries including France, Netherlands, Italy, Belgium, Germany, Spain, and Portugal.

PartsGorilla combines an accessories visualization app with a catalog and pricing manager, making it easy for customers to choose accessories and dealers to manage inventory with ease.

REPUTATION MANAGEMENT

Buyerater In dealership review platform, review website, and app

More than 90% of prospective customers look up reviews before they choose a vehicle and a dealership. Dealers need a steady flow of recent reviews to help them reach local customers during this crucial decision-making phase.

Buyerater is the first review aggregator and in-dealership customer review app available to auto dealers. The Buyerater app allows customers to publish authentic reviews with ease when they are still at the dealership. These reviews are then location-certified and published on the dealer's own review website, and shared on social media.

Buyerater also makes the entire review management process easy and seamless for dealers. Presently Buyerater is available in the US, Canada, Spain, France, and India.

Top Tier Digital Marketing and Advertising Partner

Your company is a top tier, full-spectrum digital marketing and advertising partner in the automotive retail space. Kinetic CGI

Kinetic CGI has the potential to transform online retail, and izmo expects to make major strides in this area.

Intellectual Property Rights

Measures taken to protect the intellectual property of izmo produced significant results in this financial year.

Rental Car and Leasing Industry Solutions

The izmo Rental Car and Leasing **Industry Solutions continued to** dominate the market, and major rental car companies worldwide are izmo clients. The world's largest online travel portals use izmo images and 75% of all global rental car listings are powered by izmocars.

CGI based production has further enabled izmo to expand global model coverage in markets outside of the regions served by izmo's studios. We now cover most automotive models in key markets worldwide, except China.

WEBSITES AND PORTALS

Top Automotive web solutions provider in France

izmo is presently dominating French auto retail, serving 69 prominent retail groups.

Apart from delivering retail websites to dealers belonging to 36 global automotive OEMs, izmo delivered an OEM automotive portal for used cars and continue to operate it. Your company also introduced the "Online Car Purchase Journey" in France.

Spain

izmo is working in partnership with a prominent OEM to create a used car portal which has huge market potential in the country. With a new local partnership in place, we are all set to make big strides in Spain.

Columbia

Your company has opened its account in Columbia and we expect to see significant market traction in the coming years.

With customer shopping preferences increasingly shifting online, auto dealers are receptive to new and innovative ways to compete online and win market-share. This is one reason why izmo's virtual showroom solutions, WebGL vehicle configurators, responsive dealer websites, digital marketing, reputation management, parts and accessories management, and data analytics solutions are expected to gain significant traction in the coming financial year.

INDUSTRY STRUCTURE AND **DEVELOPMENTS**

USA

After a disappointing year, automotive sales in the US is finally reaching for record breaking levels. Per NADA (National Association of Automotive Dealers) statistics, the Seasonally Adjusted Annual Rate (SAAR) for March was 17.75 million units, the second-highest March sales figures in history. Analysts point out that had there not been supply chain disruptions, sales figures would have been even higher.

European Union

In March, EU car registrations increased by 63%, from 842,094 vehicles in March 2020 to 1,374,313 units in March 2021. The French new car market expanded by 21% in the first quarter, with Peugeot being the bestselling car brand in France.

In Europe, your company operates in France, Italy, Belgium, Portugal and Spain.

izmo continues to be the top auto dealer website and marketing solutions provider dominating the French retail market, serving dealers and groups belonging to 36 OEMs. Your company also has tieups with 2 global OEMs.

In addition, izmo has delivered four automotive portals to 2 global OEMs and 2 major dealer groups, as well as a portal targeting customers in France, Luxembourg, and Switzerland for a prominent tractor and agricultural equipment manufacturer.

The izmoVN new car inventory feed delivered by your company powers hundreds of car dealer websites in Europe.

India

Indian auto dealers registered a 118% growth in sales last June, selling 2,55,397 vehicles, as compared to 1,16,927 in June 2020.

With online showrooms serving dealers belonging to 10 OEM brands, izmocars India continues to be a leading car dealer website provider in India.

Enterprise Software Products

During this period, the **Enterprise Software Products** division of your company recorded a growth of over 300% compared with the previous year, practically dominating the market in it's area of operations.

IZMO: A LONG **TRADITION** OF INNOVATION

izmoEmporio, FrogData, Buyerater, PartsGorilla, izmoVN, CGI, and VR are among the latest in a long series of trend-setting market innovations from izmo, starting with izmoflix ver.1 that introduced the interactive automotive marketing experience to US consumers as early as 2003. To this day, izmo remains invested in its global market leadership in the automotive retail space.

Meanwhile. izmo dealer websites continue to be the first choice of the world's leading automotive retailers and portals, from the Americas to Europe to Asia.

The India **Advantage**

The India advantage of high-end human resources right from IP to support services at highly competitive costs is a strategic advantage that greatly supports the organic growth of your company.

Unlike other players in the market, the India component is not merely another cost-cutting measure for izmo - it is integral to the performance culture of the company, built into its corporate DNA.

Dear Members.

Your Directors are pleased to present the 26th Annual Report together with the Audited Financial Statements for the Financial Year ended March 31, 2021.

Performance on a Consolidated Basis

The Company's performance in FY 20-21 has been the best ever since its inception. On a consolidated basis, all the financial parameters have shown a significant improvement over the previous year. The revenues have increased by nearly 30%, whereas profits have increased by approximately 124%. The Company has achieved higher sales as a result of the pandemic forcing many companies to take their operations online. This trend is likely to continue in the current year as well.

Despite a sharply higher depreciation write-off, the profit in FY 20-21 has shown a significant increase. This is primarily due to the recovery of more than Rs. 15.0 crores from clients for

improper usage of the company's intellectual property. We expect this revenue stream to continue in the current year as legal suits have been filed against several large corporations for violation of the company's copyright on its images.

The Data Analytics division FrogData is growing very rapidly. A strategic investor has invested in FrogData in FY 20-21. The division is growing at the rate of more than 100% YOY. It's Artificial Intelligence (AI) driven product suite has delivered strong ROIs to its customers. FrogData has one of the most powerful AI engines built inside its product.

The Company's CGI division is being slowly expanded as the company receives more orders from its customers. This division is expected to become a major revenue and profit generator in the years to come.

The Company is launching several new products in the Virtual Reality (VR) space and this is expected to significantly enhance the customer base of the company.

Performance

The Company's sales on a standalone basis has shown an increase of around 3% over the previous year. This is a direct result of the lockdown necessitated by the Coronavirus pandemic which impacted revenues during Q1 of FY 2020-21.

Analysis of Expenses

The Direct cost of operations has increased significantly as a result of a big jump in domestic software sales.

Employee benefit expenses have shown a slight increase over the previous year. This is primarily due to the annual salary hike given to the employees.

Financial expenses have reduced significantly as the company has steadily reduced its debt. The company will be debt free by the end of FY 21-22.

The company's other expenses have increased as it has moved to the WFH model due to the COVID pandemic necessitating additional costs for securely connecting its workforce to the servers located in various locations.

Profitability

The company's profitability has reduced slightly due to the increase in other expenses as well as a slight increase in employee expenses.

Dividend

In order to augment the ongoing expansion programmes, the Directors have decided to plough back the profits into the system and regret inability to recommend dividend.

Mona Lisa, Leonardo da Vinci

Where great art meets great visual engineering.

This iconic work of Leonardo da Vinci is well known, and many consider it the finest piece of Italian renaissance. Perhaps what is not so well known is the light engineering in the master's craft. Leonardo da Vinci treated the Poplar plank base with a lead white primer rather than the usual chalk and pigment. The light penetrating through layers of paint will reflect off this undercoat, enhancing the depth and luminosity of the painting and lending it a living, breathing aura close to Virtual Reality.

Opportunities and Threats

To begin with, izmo is a blue ocean company that creates value out of breakthrough innovation and not price-competition. Our company owns deep domain expertise in all its areas of operations. The only possible threat to the company is new ground-breaking innovation, which is extremely unlikely, given that your company never ceases to explore new opportunities.

Between these two, the entry barriers to any competition is quite formidable, and potential competitors in areas like Al and Data analytics, CGI, VR, Imagery, Parts and Accessories Configurators, etc. are unlikely to be price-competitive for a long period of time.

Presently your company is exploring the newest opportunities in its operating space, namely reputation management, data analytics and CGI/VR/AR, which is innovation driven. Previous experience tells us that companies who enter the market arena at the commencement of the bell curve are the ones likely to reap the richest dividends.

Outlook

COVID 19 IMPACT

The COVID-19 pandemic has emerged as a global challenge, creating disruption across the world last year. The impact of Pandemic continues, and the year gone by, has been like no other and has made us all reflect on our priorities and recognize what is truly important. India witnessed a second wave of COVID-19 by the end of financial year 2020-21 and the second wave appeared to be far steeper than the first wave. This has resulted in complete lockdown at different places. Likewise last year your Company's main focus was to ensure the health and well-being of all employees, and on minimizing disruption to services for all our customers globally. Our work from home model continues and your Company has been able to seamlessly adapt and extend it to prospect for new business, sell, contract and execute programs. These new ways of working and managing businesses present a great opportunity to more than just 'recover' from the consequences of the crisis, but to accelerate transformation. The revenue impact of the pandemic played out broadly along the lines that the Company had anticipated at the start.

SHARE CAPITAL

The Authorized Share Capital of your Company as on March 31, 2021 stood at Rs. 180,000,000 divided into 18000000 equity shares of Rs.10/- each. The Issued Share Capital of your Company is Rs. 13,19,16,730 divided into 13191673 equity shares of Rs.10/- each and the Subscribed and Paid-up Share Capital is Rs. 13,19,16,730 divided into 13191673 equity shares of Rs.10/- each, fully paid up.

DIVIDEND

In order to augment the ongoing expansion programs, the Directors have decided to plough back the profits into the system and regret inability to recommend dividend.

TRANSFER TO RESERVE

Your Directors does not propose to carry any amount to reserves, during the financial year ended March 31, 2021.

INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

Pursuant to Sections 124 and 125 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), dividend, if not claimed for a period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF").

Further, all the shares in respect of which dividend has remained unclaimed for seven consecutive years or more from the date of transfer to unpaid dividend account shall also be transferred to IEPF Authority. The said requirement does not apply to shares in respect of which there is a specific order of Court, Tribunal or Statutory Authority, restraining any transfer of the shares.

In the interest of the shareholders, the Company sends periodical reminders to the shareholders to claim their dividends in order to avoid transfer of dividends / shares to IEPF Authority. Notices in this regard are also published in the newspapers and the details of unclaimed dividends and shareholders whose shares are liable to be transferred to the IEPF Authority, are uploaded on the Company's website.

In light of the aforesaid provisions, the Company did not have any funds lying unpaid or unclaimed for a period of seven years. Therefore there were no funds which were required to be transferred to Investor Education and Protection Fund (IEPF).

SECRETARIAL AUDIT REPORT

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

FOR THE FINANCIAL YEAR ENDED: 31st March, 2021

To: The Members IZMO LIMITED #177/2C Billekahalli Industrial Area, Bannerghatta Road, Bengaluru 560076

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by IZMO Limited (Hereinafter referred to as "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon. Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the Financial Year ended on March 31, 2021 (hereinafter referred to as "the audit period") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company during the audit period according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment. The Company had not obtained any External Commercial Borrowing during the period under review;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015:
 - (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (c) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011:
 - (d) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not Applicable to the Company during the Audit Period);
 - (e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;

- (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not Applicable to the Company during the Audit Period);
- (g)Securities and Exchange Board of India (Issue and Listing of Non Convertible and Redeemable Preference Shares) Regulations, 2013 (Not Applicable to the Company during the Audit Period):
- The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; and (h)
- The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 (i) regarding the Companies Act, 2013 and dealing with client;
- (vi) Other laws applicable specifically to the Company namely: Information Technology Act, 2000 and the rules made thereunder.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (SS-1) on meetings of the Board of Directors and Secretarial Standards (SS-2) on General Meetings issued by the Institute of Company Secretaries of India; and
- (ii) Listing Agreements entered into with both the Stock Exchanges (BSE & NSE).

I have not examined compliance by the Company with respect to applicable financial laws like direct and indirect tax laws, since the same have been subject to review by statutory auditors and other designated professionals.

During the audit period, the Company has complied with the provisions of the Acts Rules, Regulations, Guidelines, etc., mentioned above, subject to the following observations:

To the Members of Izmo Limited

Report on the Audit of the Standalone Financial Statements

Opinion

I have audited the accompanying standalone financial statements of **Izmo Limited** ('the Company'), which comprise the balance sheet as at March 31, 2021, the statement of profit and loss (including other comprehensive Income), the statement of changes in Equity and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid standalone financial statements give the information required by the Companies Act, 2013("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

I have conducted my audit of the standalone financial statements in accordance with the standards on Auditing ("SA"s) specified under section 143(10) of the Act. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of my report. I am Independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to my audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in my professional judgment, were of most significance in my audit of the standalone financial statements of the current period. These matters were addressed in the context of my audit of the standalone financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

Description of Key Audit Matters

1. (a) Adoption of Ind AS 115 – Revenue from Contracts with customers

As described in Note 2(f) to the standalone financial statements, the Company has adopted Ind AS 115, Revenue from Contracts with Customers ('Ind AS 115'). The application and transition to this accounting standard is complex and is an area of focus in the audit. The revenue standard establishes a comprehensive framework for determining whether, how much and when revenue is recognized. This involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of identified performance obligation, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, the standard mandates robust disclosures in respect of revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date. The Company adopted Ind AS 115 and applied the available exemption provided therein, to not restate the comparative periods.

1. (b) Auditor's Response

My audit procedures on adoption of Ind AS 115, Revenue from contracts with Customers ('Ind AS 115'), include –

- Evaluated the design and implementation of the processes and internal controls relating to implementation of the new revenue accounting standard.
- Evaluated the detailed analysis performed by management on revenue streams by selecting samples for the existing contracts with customers and considered revenue recognition policy in the current period in respect of those revenue streams.
- Evaluated the changes made to IT systems to reflect the changes required in revenue recognition as per the new accounting standard.
- Evaluated the cumulative effect adjustments as at 1 April 2020 for compliance with the new revenue standard; and

To the Members of Izmo Limited

• Evaluated the appropriateness of the disclosures provided under the new revenue standard and assessed the completeness and mathematical accuracy of the relevant disclosures.

2. (a) Accuracy of revenues and onerous obligations in respect of fixed-price contracts involves critical estimates

Estimated effort is a critical estimate to determine revenues and liability for onerous obligations. The estimate has a high inherent uncertainty as it requires consideration of progress of the contract, efforts incurred till date and efforts required to complete the remaining contract performance obligations.

Refer Notes Note 2(f) and 23 to the Standalone Financial Statements.

2. (b) Auditor's Response

The Company has majority of Time and Material Contracts, where the revenue is determined based on the Milestones defined in the contracts based on Purchase Order.

I have verified the Contracts with the purchase order, and they are in line with the requirements.

My audit approach was a combination of test of internal controls and substantive procedures which included the following:

- Evaluated the design of internal controls relating to recording of efforts incurred and estimation of efforts required to complete the performance obligations.
- Tested the access and application controls pertaining to time recording, allocation and which prevents unauthorized changes to recording of efforts incurred.
- Selected a sample of contracts and through inspection of evidence of performance of these controls, tested operating effectiveness of the internal controls relating to efforts incurred and estimated.
- Performed analytical procedures and test of details for reasonableness of incurred and estimated efforts.

3. (a) Evaluation of uncertain tax positions

The Company has material uncertain tax positions including matters under dispute which involves significant judgement to determine the possible outcome of these disputes Refer Notes 2(i), 42 & 45 to the Standalone Financial Statements.

3. (b) Auditor's Response

- Obtained details of completed tax assessments and demands for the year ended March 31, 2021, from management.
- Read and analysed select key correspondences, external legal opinions / consultations by management for key uncertain tax positions.
- Discussed with appropriate senior management and evaluated management's underlying key assumptions in estimating the tax provisions; and
- Assessed management's estimate of the possible outcome of the disputed cases.

4. (a) Receivables outstanding for more than 6 months & Confirmation of balances

The Company is of the opinion that Receivables are good in nature and will be realized with certainty in the subsequent period.

Refer Notes 11, 43 & 47 to the Standalone

4. (b) Auditor's Response

Financial Statements.

- The Company must take necessary steps to receive the money within the timelines specified in the contracts and keep receivables under control.
- The Debtors balances are subject to confirmation and reconciliation.

Emphasis of Matter

As more fully described in Note. 42 & 45 to the Standalone Financial Statements and in Point 3 of Key Audit Matters, The Company is responding to inquiries

To the Members of Izmo Limited

from Indian regulatory authorities. The scope, duration or outcome of these matters are uncertain.

My opinion is not modified in respect of this matter.

Other Matters

Further to the continuous spreading of COVID -19 across India, the government announced a strict lockdown across the state to contain the spread of the virus. This has resulted in restriction on physical visit to the client locations and the need for carrying out alternative audit procedures as per the Standards on Auditing prescribed by the Institute of Chartered Accountants of India (ICAI).

As a result of the above, the entire audit was carried out based on remote access of the data as provided the management. This has been carried out based on the advisory on "Specific Considerations while conducting Distance Audit/ Remote Audit/ Online Audit under current Covid-19 situation" issued by the Auditing and Assurance Standards Board of ICAI. I have been represented by the management that the data provided for my audit purposes is correct, complete, reliable and are directly generated by the accounting system of the Company without any further manual modifications.

I bring to the attention of the users that the audit of the financial statements has been performed in the aforesaid conditions.

Information Other than the Standalone Financial Statements and Auditor's Report Theron

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the standalone financial statements and my auditor's report thereon.

My opinion on the standalone financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the standalone financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, chanes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adquate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and irregularities; selection and application of appropriate policies; making accounting judgments estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Standalone Financial Statements

My objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

To the Members of Izmo Limited

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit appropriate in the procedures that are circumstances. Under Section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists. I am required to draw attention in my auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. I consider quantitative materiality and qualitative factors in (i) planning the scope of my audit work and in evaluating the results of my work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, I give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (A) As required by Section 143(3) of the Act, I report that:
- a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.
- b) In my opinion proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the Books of account.

To the Members of Izmo Limited

- d) In my opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the company as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to my separate report in "Annexure B". My report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In my opinion and to the best of my information and according to the explanation given to me, the remuneration paid by the company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in my opinion and to the best of my information and according to the explanations given to me. As required by Section 143(3) of the Act, I report that:
- i. The Company has disclosed the impact of pending litigations as at 31st March 2021 on its financial position in its financial statements Refer Note 42 to the financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure - B to the Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of my report to the members of **Izmo Limited** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

I have audited the internal financial controls over financial reporting of **IZMO Limited** ("the Company") as of March 31, 2021 in conjunction with my audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent audit of internal financial applicable to an controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal

financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error

I believe that the audit evidence I have obtained, is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure - B to the Auditors' Report

Opinion

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria estab lished by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Guru Prakash.V Chartered Accountant Membership No. 228938

For the Year ended March 31.2021

1. BACKGROUND:

IZMO LIMITED ("the Company") was incorporated on 08th September, 1995. The Company is engaged in interactive marketing solutions. The company offers hi-tech automotive e-retailing solutions.

2. SIGNIFICANT ACCOUNTING POLICIES:

a) BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ("Indian GAAP") to comply with Accounting Standards ("AS") specified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules as ammended from time to time. The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management of the Company to make estimates and assumptions that affect certain reported balances of assets and liabilities, disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Accordingly, future results could differ due to changes in these estimates and the difference between the actual result and the estimate are recognized in the period in which the results are known / materialize.

c) PROPERTY, PLANT AND EQUIPMENT:

(i) Tangible assets:

Property Plant and Equipment (PPE) and other tangible assets are stated at cost of acquisition inclusive of freight, duties, taxes and incidental relating to the acquisition, Installation, erection and commissioning less depreciation. Internally manufactured assets are valued at works cost. Subsequent expenditure related to PPE is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of item can be measured reliably. Other repairs and maintenance costs are recognized in the Statement of Profit & Loss while incurred. Spare parts whose life has more than 12 months has been considered as PPE and capitalized by the company.

(ii) Intangible assets:

Intangible assets are accounted at cost of acquition less depreciation /amortization.

(iii) Depreciation & Amortization:

- a. Depreciation on PPE bought / sold during the year is charged on straight line method as per the useful life in Schedule II of Act, depending upon the month of the financial year in which the assets are installed / sold. For the assets acquired prior to April 1, 2014 the carrying amount as on April 1, 2014 is depreciated on over the remaining useful life as defined in Schedule II of the Act.
- b. Intangible assets are amortized over a period of 2-5 years.

(iv) Investment Property:

Properties that are held for long-term rental yields or for capital appreciation or both, and that are not occupied by the Company, are classified as investment property. Investment property is measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure related to investment properties are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Investment properties are depreciated using the straight line method over the useful lives and is recognised in the statement of profit and loss. Depreciable investment properties have been ascribed a useful life in the range of 30 years.

d) INVESTMENTS:

- (i) Investments unless otherwise stated are considered as long term in nature and are valued at acquisition cost less provision for diminution, if any other than those which are considered as temporary in nature.
- (ii) Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

For the Year ended March 31, 2021

e) INVENTORIES:

- (i) Inventories does not include spare parts, servicing equipment and stand by equipment which meet definition of PPE as per AS-10 (revised).
- (ii) Raw materials, stores, spare parts and components are valued at cost on weighted average basis or net realizable value whichever is lower.
- (iii) Work in progress is valued at works cost or net realizable value whichever is lower.
- (iv) Finished goods are valued at works cost or net realizable value whichever is lower.
- (v) Material cost of work in progress and finished goods are computed on weighted average basis.

f) REVENUE RECOGNITION:

Revenue is recognized to an extent that is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

(i) Revenue from Contract with Customer: Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods and services to the customer.

Performance obligations maybe satisfied at a point of time or over a period of time. Performance obligations satisfied over a period of time are recognised as per the terms of relevant contractual agreements / arrangements.

Performance obligations are said to be satisfied at a point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

A liability is recognised for expected sale returns and corresponding assets are recognised for the products expected to be returned.

The Company recognises as an asset, the incremental costs of obtaining a contract with

- a customer, if the Company expects to recover those costs. The said asset is amortised on a systematic basis consistent with the transfer of goods or services to the customer.
- (ii) Interest income is recognized on time proportion basis.
- (iii) Dividend income is recognized, when the right to receive the dividend is established.
- (iv) Rental income is recognized on time proportion basis.

g) EMPLOYEE BENEFITS:

(i) Short term employee benefits:

Employee benefits payable wholly within twelve months of rendering the service are classified as short term. Benefits such as salaries, bonus, leave travel allowance etc. are recognized in the period in which the employee renders the related service.

(ii) Post employment benefits:

a. Defined contribution plans:

The Company has contributed to provident and pension which are defined contribution plans. The contributions paid/ payable under the scheme are recognized during the year in which employee renders the related service.

b. Defined benefit plans:

Employees' gratuity is defined benefit plan. The present value of the obligation under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognized in the statement of other comprehensive income in the year they arise. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields as at the balance sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms that matches to the defined benefit obligation.

c. Compensated Absences:

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The

For the Year ended March 31, 2021

obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit Method) at the end of each year. Actuarial losses/ gains are recognized in the statement of profit and loss in the year in which they arise.

(iii) Share Based Payments:

Share-based compensation benefits are provided to employees via the IZMO Limited Employee Stock Option Plan.

The fair value of options granted under the Employees' Stock Option Scheme is recognised as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options granted:

- including any market performance conditions (e.g., the entity's share price)
- excluding the impact of any service and non-market performance vesting conditions (e.g. profitability, sales growth targets and remaining an employee of the entity over a specified time period), and
- including the impact of any non-vesting conditions (e.g. the requirement for employees to save or holdings shares for a specific period of time).

The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in profit or loss, with a corresponding adjustment to equity.

h) FOREIGN CURRENCY TRANSACTIONS:

(i) Foreign currency transactions are translated into rupees at the exchange rate prevailing on the date of the transaction / rates that approximate the actual rates as at that date.

- (ii) Monetary foreign currency assets and liabilities outstanding as at the year-end are restated at the exchange rates prevailing as at the close of the financial year. All exchange differences are accounted for in the statement of profit and
- (iii) Non monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction.

i) TAXES ON INCOME:

Provision for Income-tax of the company has been made at the higher of that on the assessable income or on basis of section 115 JB of the Income Tax Act, 1961 after taking cognizance of excess / short provision in prior years. Deferred tax is recognized subject to consideration of prudence, on timing differences being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit is recognized using current tax rates. Deferred tax assets / liabilities are reviewed as at each Balance sheet date.

In terms of the Guidance note on accounting for credit available in respect of Minimum Alternative Tax(MAT) under the Income Tax Act 1961, issued by the ICAI, the excess of MAT over normal current tax payable has been recognized as an asset by way of credit to the profit & loss account as "MAT credit entitlement"

j) BORROWING COSTS:

Interest and other borrowing costs on specific borrowings relatable to qualifying assets are capitalized up to the date such assets are ready for use/ intended to use. Other interest and borrowing costs are charged to the statement of profit and loss.

k) PROVISIONS AND CONTINGENT LIABILITIES:

i) A provision is recognized when the Company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits, decommissioning and site restoration cost) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

For the Year ended March 31, 2021

ii) Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

I) EARNINGS PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity share holders by the weighted average number of equity shares during the period. For the purpose of calculating the diluted earnings per share, the net profit or loss for the period attributable to the equity share holders and weighted average number of shares outstanding during the period are adjusted for the effects of all potential dilutive equity shares.

m) FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(i) Cash and Cash Equivalents:

Cash and Cash Equivalents comprise cash and deposit with banks. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

(ii) Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through other comprehensive income (FVTOCI)

All equity investments and unquoted debentures are measured at fair values.

Investments which are not held for trading purposes and where the Company has exercised the option to classify the investment as at fair value through other comprehensive income, all fair value changes on the investment are recognised in OCI. The accumulated gains or losses recognised in OCI are reclassified to retained earnings on sale of such investments.

Financial assets at fair value through profit or loss (FVTPL) Financial assets which are not classified in any of the categories above are fair value through profit or loss.

(iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

n) IMPAIRMENT:

(i) Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes life time expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii) Non Financial Assets:

A non financial asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss, in the year in which an asset is identified as impaired.

o) LEASES:

(i) Operating leases

Where the Company is Lessee:

 The Company's lease asset classes primarily consist of lease rentals for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for

For the Year ended March 31, 2021

a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contact involves the use of an identified asset.
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease.
- (iii) the Company has the right to direct the use of the asset.
- 2) At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.
- 3) Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.
- 4) Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.
- 5) The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Leases of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are

capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in other financial liabilities. Each lease payment is apportioned between the finance charge and the reduction of the outstanding liability. The outstanding liabilities included in Non-current liabilities. The finance charge is charged to the Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

(ii) Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to its operations taking into account the location of the underlying as set and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts.

p) SEGMENT REPORTING

Segments are identified based on the manner in which the Company's Chief Operating Decision Maker ('CODM') decides about resource allocation and reviews performance. Segment results that are reported to the CODM include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Segment capital expenditure is the total cost incurred during the period to acquire property, plant and equipment and intangible assets other than goodwill.

^(*) Leave provision for current year includes provision for short term compensated absence as assessed by the actuary.

(c) Sensitivity Analysis:

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, has been determined based on possible effect of changes of an assumption occurring at end of the reporting period, while holding all other assumptions constant.

(₹ In lakhs)

/ v iii i			(
Particulars	March 31, 2021		March 31, 2020	
Particulars	Decrease	Increase	Decrease	Increase
Change in discounting rate (delta effect of +/- 1.0%)	194.89	180.19	168.62	155.56
Change in rate of salary increase (delta effect of +/- 1.0%)	180.89	194.07	156.19	167.84
Change in rate of Mortalility (delta effect of +/- 0.5%)	187.27	187.29	161.84	161.86
Change in rate of Attrition (delta effect of +/- 0.5%)	187.38	187.19	162.02	161.69

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan assets.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include deposits, FVTOCI investments and derivative financial instruments.

The sensitivity analysis in the following sections relate to the positions as at March 31, 2021 and March 31, 2020:

The analysis exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations. The following assumption has been made in calculating sensitivity analysis.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2021 and March 31, 2020 including the effect of hedge accounting.

i. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to the some of the vendor payments and customer receivables.

The foreign currency exposures that have not been hedged by any derivative instrument or otherwise as on March 31, 2021 are as under:

ii. Credit risk

Credit risk is the risk that counterparty will not meet its obligations leading to a financial loss. The Company is exposed to credit risk arising from its operating (primarily trade receivables) and investing activities including deposits placed with banks, financial institutions and other corporate deposits. The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of financial assets. Financial assets are classified into performing, under-performing and non performing. All financial assets are initially considered performing and evaluated periodically for expected credit loss. A default on a financial asset is when there is a significant increase in the credit risk which is evaluated based on the business environment. The assets are written off when the Company is certain about the non-recovery.

For the Year ended March 31, 2021

46. Impact of COVID-19 on Business:

The management has considered the possible effects that may result from the Covid-19 pandemic on the carrying value of assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of these financial statements has used internal and external sources of information to assess the expected future performance of the company. The company has internally performed sensitivity analysis on the assumptions used and based on the current estimates, the company expects that the carrying amount of these assets, as reflected in the balance sheet as at March 31, 2021, are fully recoverable. The management has also estimated the future cashflows for the company with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on its ability to continue as going concern and in meeting its liabilities as and when they fall due. The actual impact of the COVID-19 pandemic may be different from the estimated as at the date of approval of these financial statements.

Report on the Consolidated Financial Statements

Opinion

I have audited the accompanying consolidated financial statements of Izmo Limited (herein referred to as 'the Company') and its subsidiaries (the Company and its subsidiaries together referred to as 'the Group'), comprising the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (includina other comprehensive income). Consolidated Statement of Changes in Equity, the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (herein referred as the "consolidated financial statements").

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the vear ended on that date.

I have reviewed but not Audited the Financial Statements / financial Information of the subsidiaries incorporated outside India. The Consolidated Financial statements are as furnished and certified by the Management reflecting total net worth of INR. 235.54 Crores as at 31st March 2021 and total revenue from operations of INR. 116.14 Crores for the year ended. The Financial Statements of subsidiaries incorporated outside India are unaudited and have been certified by the Management.

Basis of Opinion

I have conducted my audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. My responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of my report. I am independent of the Group in $accordance with the Code of Ethics is sued by the Institute of {\tt Code} and {\tt Co$ Chartered Accountants of India ('ICAI'), and I have fulfilled my other ethical responsibilities in accordance with the provisions of the Act. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key audit matters

Key audit matters ('KAM') are those matters that, in my professional judgment, were of most significance in my audit of the Consolidated financial statements of the current period. These matters were addressed in the context of my audit of the Consolidated financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters. I have determined the matters described below to be the key audit matters to be communicate in my report.

1. (a) Adoption of Ind AS 115 - Revenue from Contracts with customers

As described in Note 2(f) to the Consolidated financial statements, the Company has adopted Ind AS 115, Revenue from Contracts with Customers ('Ind AS 115') which is the new revenue accounting standard. The application and transition to this accounting standard is complex and is an area of focus in the audit. The revenue standard establishes a comprehensive framework for determining whether, how much and when revenue is recognized. This involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of identified performance obligation, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, the standard mandates robust disclosures in respect of revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date. The Company adopted Ind AS 115 and applied the available exemption provided therein, to not restate the comparative periods.

1. (b) Auditor's Response

My audit procedures on adoption of Ind AS 115, Revenue from contracts with Customers ('Ind AS 115'), which is the new revenue accounting standard, include -

- Evaluated the design and implementation of the processes and internal controls relating to implementation of the new revenue accounting standard;
- Evaluated the detailed analysis performed by management on revenue streams by selecting samples for the existing contracts with customers and considered revenue recognition policy in the current period in respect of those revenue streams;

To the Members of Izmo Limited

- Evaluated the changes made to IT systems to reflect the changes required in revenue recognition as per the new accounting standard;
- Evaluated the cumulative effect adjustments as at 1 April 2020 for compliance with the new revenue standard; and
- Evaluated the appropriateness of the disclosures provided under the new revenue standard and assessed the completeness and mathematical accuracy of the relevant disclosures.

I have reviewed but not Audited the Financial Statements of Subsidiaries incorporated outside India and unable to comment on adoption of IND AS 115 with respect to financial statements of subsidiaries incorporated outside India.

2. (a) Accuracy of revenues and onerous obligations in respect of fixed-price contracts involves critical estimates.

Estimated effort is a critical estimate to determine revenues and liability for onerous obligations. The estimate has a high inherent uncertainty as it requires consideration of progress of the contract, efforts incurred till date and efforts required to complete the remaining contract performance obligations.

Refer Notes 2(f) and 22 to the Consolidated Financial Statements.

2. (b) Auditor's Response

The Company has majority of Time and Material Contracts, where the revenue is determined based on the Milestones defined in the contracts based on Purchase Order.

I have verified the Contracts with the purchase order and are in line with the requirements.

My audit approach was a combination of test of internal controls and substantive procedures which included the following:

- Evaluated the design of internal controls relating to recording of efforts incurred and estimation of efforts required to complete the performance obligations.
- Tested the access and application controls pertaining to time recording, allocation and which prevents unauthorized changes to recording of efforts incurred.

- Selected a sample of contracts and through inspection of evidence of performance of these controls, tested operating effectiveness of the internal controls relating to efforts incurred and estimated.
- Performed analytical procedures and test of details for reasonableness of incurred and estimated efforts.

I have reviewed but not Audited the Financial Statements of Subsidiaries incorporated outside India and unable to comment on Accuracy of revenues and onerous obligations in respect of fixed-price contracts involves critical estimates with respect to financial statements of subsidiaries incorporated outside India.

3. (a) Evaluation of uncertain tax positions

The Company has material uncertain tax positions including matters under dispute which involves significant judgement to determine the possible outcome of these disputes Refer Notes 2(i) & 41 to the Consolidated Financial Statements.

3. (b) Auditor's Response

- Obtained details of completed tax assessments and demands for the year ended March 31, 2021 from management.
- Read and analysed select key correspondences, external legal opinions / consultations by management for key uncertain tax positions;
- Discussed with appropriate senior management and evaluated management's underlying key assumptions in estimating the tax provisions; and
- Assessed management's estimate of the possible outcome of the disputed cases.

I have reviewed but not Audited the Financial Statements of Subsidiaries incorporated outside India and unable to comment on Evaluation of uncertain tax positions if any with respect to subsidiaries incorporated outside India.

To the Members of Izmo Limited

4. (a) Receivables outstanding for more than 6 months & Confirmation of balances

The Company is of the opinion that Receivables are good in nature and will be realized with certainty in the subsequent period.

Refer Notes 10 & 47 to the Consolidated Financial Statements.

4. (b) Auditor's Response

- The Company must take necessary steps to receive the money within the timelines and keep receivables under control.
- The Debtors balances are subject confirmation and reconciliation.

I have reviewed but not Audited the Financial Statements of Subsidiaries incorporated outside India and unable to comment on Receivables outstanding for more than 6 months & Confirmation of balances with respect to subsidiaries incorporated outside India.

Emphasis of Matter

As more fully described in Note. 41 & 44 to the Consolidated Financial Statements and in Point 3 of key Audit Matters. The Company is responding to inquiries from Indian regulatory authorities. The scope, duration or outcome of these matters are uncertain.

My opinion is not modified in respect of this matter.

Information Other than the Financial **Statements and Auditor's Report** Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and my auditor's report thereon.

My opinion on the consolidated financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the consolidated financial statements, My responsibility is to read the other information and, in doing so, consider whether the other information is materially in consistent with the consolidated financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Management's Responsibilities for the **Consolidated Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the **Audit of the Consolidated Financial** Statements

My objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether

To the Members of Izmo Limited

due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to in fluence the economic decisions of users taken on the basis of these consolidated financial statements

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude appropriateness on the management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If I conclude that a material uncertainty exists, I am required to draw attention in my auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements. including the disclosures. and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. I am responsible for the direction, supervision and performance of the audit of financial information of such entities.

I believe that the audit evidence obtained by me is sufficient and appropriate to provide a basis for my audit opinion on the consolidated financial statements.

I communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which I am the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143 (3) of the Act, based on my audit, I report that:
- a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit of the aforesaid consolidated financial statements.

To the Members of Izmo Limited

- b) In my opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from my examination of those books:

Annexure - A to the Auditors' Report

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of my report to the Members of **Izmo Limited** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with my audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2021, I have audited the internal financial controls over financial reporting of **Izmo Limited** (herein referred to as 'the Company') and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

My responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained, is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure - A to the Auditors' Report

Opinion

In my opinion and to the best of my information and according to the explanations given to me, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria by respective established the companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The effect of adoption of non-uniform accounting policies / practices has not been quantified.

Differences arising on account of change in the financial statement of the subsidiary for previous consequent to their finalization. as compared to the figure previously adopted for the purpose of consolidation are treated as a prior period item and related adjustments are carried out where necessary.

b) USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management of the Company to make estimates and assumptions that affect certain reported balances of assets and liabilities, disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Accordingly, future results to could differ due to changes in these estimates and the difference between the actual result and the estimate are recognized in the period in which the results are known / materialize.

c) PROPERTY, PLANT AND EQUIPMENT:

(i) Tangible assets:

Property Plant and Equipment (PPE) and other tangible assets are stated at cost of acquisition inclusive of freight, duties, taxes and incidental expenses relating to the acquisition, installation, erection and commissioning less depreciation. Internally manufactured assets are valued at works cost. Subsequent expenditure related to PPE is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of item can be measured reliably. Other repairs and maintenance costs are recognized in the Statement of Profit & Loss while incurred. Spare parts whose life has more than 12 month has been considered as PPE and capitalized by the company.

For the year ended March 31, 2021

(ii) Intangible assets:

Intangible assets are accounted at cost of acquisition less depreciation /amortization.

(iii) Depreciation & Amortization:

- a. Depreciation on PPE bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Act, depending upon the month of the financial year in which the assets are installed/sold. For the assets acquired prior to April 1, 2014 the carrying amount as on April 1, 2014 is depreciated on over the remaining useful life as defined in Schedule II of the Act.
- b. Intangible assets are amortized over a period of 2-5 years

(iv) Investment Property

Properties that are held for long-term rental yields or for capital appreciation or both, and that are not occupied by the Company, are classified as investment property. Investment property is measured initially at cost, including transaction initial recognition, costs. Subsequent to investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure related to investment properties are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Investment properties are depreciated using the straight line method over the useful lives and is recognised in the statement of profit and loss. Depreciable investment properties have been ascribed a useful life in the range of 30 years.

d. INVESTMENTS:

- (i) Investments unless otherwise stated are considered as long term in nature and are valued at acquisition cost less provision for diminution, if any other than those which are considered as temporary in nature.
- (ii) Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

e. INVENTORIES:

- (i) Inventories does not include spare parts, servicing equipment and stand by equipment which meet definition of PPE as per AS-10 (revised).
- (ii) Raw materials, stores, spare parts and components are valued at cost on weighted

average basis or net realizable value whichever is lower.

- (iii) Work in progress is valued at works cost or net realizable value whichever is lower.
- (iv) Finished goods are valued at works cost or net realizable value whichever is lower.
- (v) Material cost of work in progress and finished goods are computed on weighted average basis

f. REVENUE RECOGNITION:

Revenue is recognized to an extent that is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

i) "Revenue from Contract with Customer:

Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations may be satisfied at a point of time or over a period of time. Performance obligations satisfied over a period of time are recognised as per the terms of relevant contractual agreements / arrangements. Performance obligations are said to be satisfied at a point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/ discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method. A liability is recognised for expected sale returns and corresponding assets are recognised for the products expected to be returned.

The Company recognises as an asset, the incremental costs of obtaining a contract with a customer, if the Company expects to recover those costs. The said asset is amortised on a systematic basis consistent with the transfer of goods or services to the customer."

- (ii) Interest income is recognized on time proportion basis.
- (iii) Dividend income is recognized, when the righ to receive the dividend is established.

For the year ended March 31, 2021

(iv) Rental income is recognized on time proportion

g. EMPLOYEE BENEFITS:

(i) Short term employee benefits:

Employee benefits payable wholly within twelve months of rendering the service are classified as short term. Benefits such as salaries, bonus, leave travel allowance etc. are recognized in the period in which the employee renders the related service.

(ii) Post employment benefits:

a. Defined contribution plans:

The Company has contributed to provident and pension which are defined contribution plans. The contributions paid/ payable under the scheme are recognized during the year in which employee renders the related service.

b. Defined benefit plans:

Employees' gratuity is defined benefit plan. The present value of the obligation under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognized in the statement of other comprehensive income in the year they arise. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields as at the balance sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms that matches to the defined benefit obligation.

c. Compensated Absences:

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined

(using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognized in the statement of profit and loss in the year in which they arise.

(iii) Share Based Payments:

Share-based compensation benefits are provided to employees via the IZMO Limited Employee Stock Option Plan.

The fair value of options granted under the Employees' Stock Option Scheme is recognised as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options granted:

- including any market performance conditions (e.g., the entity's share price)
- excluding the impact of any service and non-market performance vesting conditions (e.g. profitability, sales growth targets and remaining an employee of the entity over a specified time period), and
- including the impact of any non-vesting conditions (e.g. the requirement for employees to save or holdings shares for a specific period of time).

The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in profit or loss, with a corresponding adjustment to equity.

h. FOREIGN CURRENCY TRANSACTIONS:

- (i) Foreign currency transactions are translated into rupees at the exchange rate prevailing on the date of the transaction / rates that approxi mate the actual rates as at that date.
- (ii) Monetary foreign currency assets and liabilities outstanding as at the year-end are restated at the exchange rates prevailing as at the close of the financial year. All exchange differences are accounted for in the statement of profit and loss.
- (iii) Non monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction.

For the year ended March 31, 2021

- (iv) The results and financial position of foreign operations that have a functional currency different from the presentation currency are translated into the presentation currency as follows:
- assets and liabilities are translated at the closing rate at the date of that balance sheet
- Income and expenses are translated at average exchange rates (unless this is not a reaonable approximation of the cummulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the dates of the transaction), and
- All resulting exchange differences are recognised in the the statement of comprehensive income
- Goodwill and fair value adjustments arising on the acquisition of a foreign operations are treated as assets and liabilities of the foreign operations and translated at the closing rate.

i. TAXES ON INCOME:

Provision for Income-tax of the company has been made at the higher of that on the assessable income or on basis of section 115 JB of the Income Tax Act, 1961 after taking cognizance of excess / short provision in prior years. Deferred tax is recognized subject to consideration of prudence, on timing differences being the differences between tahxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit is recognized using current tax rates. Deferred tax assets/liabilities are reviewed as at each Balance sheet date.

In terms of the Guidance note on accounting for credit available in respect of Minimum Alternative Tax(MAT) under the Income Tax Act 1961, issued by the ICAI, the excess of MAT over normal current tax payable has been recognized as an asset by way of credit to the profit & loss account as "MAT credit entitlement"

j. BORROWING COSTS:

Interest and other borrowing costs on specific borrowings relatable to qualifying assets are capitalized up to the date such assets are ready for use / intended to use. Other interest and borrowing costs are charged to the statement of profit and loss.

k. PROVISIONS AND CONTINGENT LIABILITIES:

(i) A provision is recognized when the Company

has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits, decommissioning and site restoration cost) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(ii) Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

I. EARNINGS PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity share holders by the weighted average number of equity shares during the period. For the purpose of calculating the diluted earnings per share, the net profit or loss for the period attributable to the equity share holders and weighted average number of shares outstanding during the period are adjusted for the effects of all potential dilutive equity shares.

m. FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(i) Cash and Cash Equivalents

Cash and Cash Equivalents comprise cash and deposit with banks. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

For the year ended March 31, 2021

(ii) Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through other comprehensive income (FVTOCI)

equity investments and unquoted debentures are measured at fair values. Investments which are not held for trading purposes and where the Company has exercised the option to classify the investment as at fair value through other comprehensive income, all fair value changes on the investment are recognised in OCI. The accumulated gains or losses recognised in OCI are reclassified to retained earnings on sale of such investments.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets which are not classified in any of the categories above are fair value through profit or loss.

(iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

n. IMPAIRMENT:

i) Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii) Non Financial Assets:

A non financial asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss, in the year in which an asset is identified as impaired.

o. LEASES:

(i) Operating leases

Where the Company is Lessee:

- 1) "The Company's lease asset classes primarily consist of lease rentals for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:
- (i) the contact involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease
- (iii) the Company has the right to direct the use of the asset. "
- 2) At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.
- 3) Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.
- 4) Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair

For the year ended March 31, 2021

- value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.
- 5) The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

(ii) Finance leases

Leases of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of payments. minimum lease corresponding rental obligations, net of finance charges, are included in other financial liabilities. Each lease payment is apportioned between the finance charge and the reduction of the outstanding liability. The outstanding liabilities included in Non-current liabilities. The finance charge is charged to the Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

(iii) Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to its operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts.

p. SEGMENT REPORTING:

Segments are identified based on the manner in which the Company's Chief Operating Decision Maker ('CODM') decides about resource allocation and reviews performance. Segment results that are reported to the CODM include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Segment capital expenditure is the total cost incurred during the period to acquire property, plant and equipment and intangible assets other than goodwill.

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market.

(c) **Sensitivity Analysis:**

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, has been determined based on possible effect of changes of an assumption occurring at end of the reporting period, while holding all other assumptions constant.

For the year ended March 31, 2021

(₹ In lakhs)

Particulars	March 31, 2021		March 31, 2020	
Particulars	Decrease	Increase	Decrease	Increase
Change in discounting rate (delta effect of +/- 1.0%)	194.89	180.19	168.62	155.56
Change in rate of salary increase (delta effect of +/- 1.0%)	180.89	194.07	156.19	167.84
Change in rate of Mortalility (delta effect of +/- 0.5%)	187.27	187.29	161.84	161.86
Change in rate of Attrition (delta effect of +/- 0.5%)	187.38	187.19	162.02	161.69

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan assets.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

35. OPERATING LEASE (Ind AS 17):

The Company has various operating leases for office facilities which is renewable on a periodic basis, and cancelable at its option. Rental expenses for operating leases included in the financial statements for the year are Rs. 38,625,937/- (Previous Year Rs 31,753,561/-).

36. Financial risk management objectives and policies:

The entity's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the entity's operations to support its operations. The entity's principal financial assets include trade and other receivables, rental and bank deposits and cash and cash equivalents that are derived directly from its operations.

The entity is exposed to market risk/credit and liquidity risks. The entity's senior management oversee the management of these risks. The board reviews their activities. No significant derivative activities have been undertaken so far.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include deposits, FVTOCI investments and derivative financial instruments.

The sensitivity analysis in the following sections relate to the positions as at March 31, 2021 and March 31, 2020:

The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations.

The following assumption has been made in calculating sensitivity analysis.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2021 and March 31, 2020 including the effect of hedge accounting.

i. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to the some of the vendor payments and customer receivables.

ii. Credit risk

Credit risk is the risk that counterparty will not meet its obligations leading to a financial loss. The Company is exposed to credit risk arising from its operating (primarily trade receivables) and investing activities including deposits placed with banks, financial institutions and other corporate deposits. The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of financial assets. Financial assets are classified into performing, under-performing and non performing. All financial assets are initially considered performing and evaluated periodically for expected credit loss. A default on a financial asset is when there is a significant increase in the credit risk which is evaluated based on the business environment. The assets are written off when the Company is certain about the non-recovery.

37. Fair Value Measurement (Ind AS 113):

The Financial Instruments of the Company are initially recorded at fair value and subsequently measured at amortized cost based on the nature and timing of the cash flows.

The below table summarises particulars of Financial Instruments used:

For the year ended March 31, 2021

(Amount in Rs.)

Particulars	March 31, 2021	March 31, 2020

44. The Company has filed an appeal before the Honourable High Court Of Karnataka against order of the ITAT for the AY 2010-11 & AY 2011-12 and the said appeals are pending for disposal as on Balance sheet date.

45. Impact of COVID-19 on Business:

The management has considered the possible effects that may result from the Covid-19 pandemic on the carrying value of assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of these financial statements has used internal and external sources of information to assess the expected future performance of the company. The company has internally performed sensitivity analysis on the assumptions used and based on the current estimates, the company expects that the carrying amount of these assets, as reflected in the balance sheet as at March 31, 2021, are fully recoverable. The management has also estimated the future cashflows for the company with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on its ability to continue as going concern and in meeting its liabilities as and when they fall due. The actual impact of the COVID-19 pandemic may be different from the estimated as at the date of approval of these financial statements.
