Chairman's
Message
to **Shareholders**

Dear Fellow Shareholders,

Music unites us, therefore music is priceless. It transcends borders and boundaries as a force for good. That's why at Tips, our endeavours are about shaping culture through the power of artistry. We deploy knowledge and innovation to help fans connect with the artists and music they love and in ways they want.

FY2022 has been a watershed year in many ways. In this first year the Music business established itself as a freestanding Company capable of charting out its own destiny. Your Company achieved its highest ever Revenues of Rs. 135.6 crores and PAT of Rs. 64.55 crores. It is a matter of great satisfaction and personal pride that the Company has been able to create more jobs within the Company as well as offer more opportunities to artists, contributed more in taxes and has also been able to create value for its shareholders.

We are actively creating and acquiring new IP. We had 276 new releases in FY2022. During the year, these new releases have clocked over 2.8bn views, including UGC, on YouTube alone. Recreations of old songs are about 4 to 5% of new releases but energise the portfolio and also provide strategic opportunities. No doubt, recreations derive strength from the originals. But in essence these are completely new songs with different lyrics, changed music and new videos picturised on different actors. An important underappreciated difference is that these songs are sung by completely

different singers. This should provide a flavour of the levers which the Company has to discover, test, promote and boost new artists.

At this juncture, music and technology are both contributing to growth of our business. We believe new technological advancements in the areas of social media, digital health/fitness and gaming offer exciting new market opportunities. We expect social media to become a large revenue generator and expect exponential growth to begin in the next two to three years. Other potential areas for future growth include music products and experiences developed for metaverse and Web3 platforms. These range from streaming within metaverse services, to digital merch, collectibles, and fan-oriented NFT products.

Building on these advancements, we expect the existing addressable streaming market to be expanded through the penetration of Smart Audio Devices – “wearables” (smart watches, earbuds) – Smart TVs and Connected Cars. These developments may increase engagement and consumption and support new listening behaviours, creating a powerful driver for customer acquisition and retention.

We believe the future will bring more opportunities for us.

Notes:

1. In view of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020, Circular No. 02/2021 dated January 13, 2021, Circular No. 19/2021 dated December 08, 2021, Circular No. 21/2021 dated December 14, 2021 and Circular No. 2/2022 dated May 05, 2022 issued by the Ministry of Corporate Affairs (collectively referred to as 'MCA Circulars') and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, read with the Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12 May 2020, No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 issued by the SEBI (collectively referred to as 'SEBI Circulars'), companies are allowed to hold AGM through VC/OAVM, without the physical presence of members at a common venue. In compliance with the Circulars, the AGM of the Company is being held through VC/OAVM.
2. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the company. Since this AGM is being held through VC / OAVM pursuant to the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence, the Proxy Form and Attendance Slip are not annexed hereto.
3. Members attending the meeting through VC/OAVM shall be counted for the purposes of reckoning the quorum under Section 103 of the Companies Act, 2013.
4. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
5. The Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 in respect of the Special Business under Item No. 4 to 9, are annexed hereto. The relevant details of the Directors seeking appointment/re-appointment under Item No. 3 to 8, pursuant to Regulations 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and as required under Secretarial Standards - 2 on General Meetings issued by The Institute of Company Secretaries of India, are annexed.
6. In compliance with the Circulars, Notice of the AGM along with the Annual Report 2021-22 is being sent only through electronic mode to those Members whose e-mail address is registered with the Company/ Depository Participants. Members may note that the Notice of Annual General Meeting and Annual Report for the financial year 2021-22 will also be available on the Company's website www.tips.in; websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com. Members can attend and participate in the Annual General Meeting through VC/OAVM facility only.
7. For receiving all communication (including Annual Report) from the Company electronically and updating email addresses / Bank Account
 - Members holding shares in physical mode and who have not registered / updated their e-mail address or other KYC details are requested to submit duly filled in Form ISR-1 to update their email, bank account and other KYC Details with Company's RTA, Link Intime India Private Limited at [rnt.helpdesk@linkintime.co.in](mailto:helpdesk@linkintime.co.in) or by post to C-101, 247 Park, LBS Marg, Vikhroli West, Mumbai 400083.
 - Members holding shares in dematerialised mode are requested to register / update their e-mail address with the relevant Depository Participant.
8. The Register of Members and Share Transfer Books of the Company will remain closed from August 23, 2022 to August 29, 2022 (both days inclusive), for determining the names of members eligible for dividend on Equity Shares, if declared at the AGM.
9. Dividend, if approved by the members at the Annual General Meeting will be paid within a period of 30 days from the date of declaration, to the Members whose names appear on the Register of Members and Register of Beneficial Owners as on August 22, 2022 as per details furnished by the Company's Share Registrar and Transfer Agent and the Depositories for this purpose.
10. If the final dividend, as recommended by Board of Directors, is approved by the shareholders, payment of dividend will be subject to deduction of tax at source.

In terms of the Income Tax Act, 1961 ("the Act"), as amended by the Finance Act, 2020, dividend income is taxable in the hands of

members effective April 1, 2020 and therefore, the Company is required to deduct tax at source (TDS) at the prescribed rates on dividend payable to members.

In the absence of details of valid Permanent Account Number (PAN) of any member, the Company will have to deduct tax at a higher rate as prescribed under the Act. Members holding shares in electronic form are requested to submit their PAN details to their Depository Participant with whom they maintain their demat accounts and members holding physical shares are requested to submit their PAN details to our RTA.

Members not liable to pay income tax are also requested to submit necessary declaration viz., Form 15G, 15H etc. as may be applicable in their case, to avail the benefit of non-deduction of tax at source to bijal@tips.in on or before August 19, 2022.

In terms of the amendment by the Finance Act, 2021, to the Act, a new section 206AB has been introduced mandating higher rate of deduction in case of non-filers with respect to tax deductions. Accordingly, the Company will be using the new functionality, "Compliance Check for Sections 206AB and 206CCA" provided by the Central Board of Direct Taxes through reporting portal of Income Tax Department. In case of non-filers as per the report available under the new functionality, tax will be deducted at twice the prescribed rate or 5% whichever is higher

11. Members had passed the Special Resolution through postal ballot on January 15, 2018 for Alteration of Article of Association relating to waive/forgo his/their right to receive the dividend (interim or final) by the Members of the Company for any financial year effective from the dividend recommended by the Board of Directors of the Company for the year ended March 31, 2018 or any year thereafter, as per the rules framed by the Board of Directors of the Company from time to time for this purpose.

Members, if so wishes to waive/forgo the right to receive dividend for the year ended March 31, 2022 shall fill up the form and send it to the Company's Registrar on or before August 22, 2022 (record date). The form prescribed by the Board of Directors of the Company for waiving/forgoing the right to receive dividend for any year shall be available for download on the Company's website www.tips.in. or can also be obtained from the Company's Registrar and Share Transfer Agent, Link Intime India Private Limited.

THE BOARD OF DIRECTORS OF THE COMPANY AT ITS MEETING HELD ON NOVEMBER 29, 2017 HAVE FRAMED THE FOLLOWING

RULES UNDER ARTICLE 111A OF THE ARTICLES OF ASSOCIATION OF THE COMPANY FOR EQUITY SHAREHOLDERS WHO WANT TO WAIVE/ FORGO THE RIGHT TO RECEIVE DIVIDEND IN RESPECT OF FINANCIAL YEAR 2017-18 OR FOR ANY YEAR THEREAFTER.

- a. A Shareholder can waive/forgo the right to receive the dividend (either final and/or interim) to which he is entitled, on some or all the Equity Shares held by him in the Company as on the Record Date/Book Closure Date fixed for determining the names of Members entitled for such dividend. However, the shareholders cannot waive/forgo the right to receive the dividend (either final and/or interim) for a part of percentage of dividend on share(s).
- b. The Equity Shareholder(s) who wish to waive/forgo the right to receive the dividend for any year shall inform the Company in the form prescribed by the Board of Directors of the Company only.
- c. In case of joint holders holding the Equity Shares of the Company, all the joint holders are requested to intimate to the Company in the prescribed form their decision of waiving/ forgoing their right to receive the dividend from the Company.
- d. The Shareholder, who wishes to waive/forgo the right to receive the dividend for any year shall send his irrevocable instruction waiving/ forgoing dividend so as to reach the Company before the Record Date/Book Closure Date fixed for the payment of such dividend. Under no circumstances any instruction received for waiver/forgoing of the right to receive the dividend for any year after the Record Date/Book Closure Date fixed for the payment of such dividend for that year shall be given effect to.
- e. The instruction once given by a Shareholder intimating his waiver/forgoing of the right to receive the dividend for any year for interim, final or both shall be irrevocable and cannot be withdrawn for that particular year for such waived/forgone the right to receive the dividend. But in case, the relevant Shares are sold by the same Shareholder before the Record Date/ Book Closure Date fixed for the payment of such dividend, the instruction once exercised by such earlier Shareholder intimating his waiver/forgoing the right to receive dividend will be invalid for the next succeeding Shareholder(s) unless such next succeeding Shareholder(s) intimates separately in the prescribed form, about his waiving/forgoing of the right to receive the dividend for the particular year.

- f. The Equity Shareholder who wish to waive/forgo their right to receive the dividend for any year can inform the Company in the prescribed form only after the beginning of the relevant financial year for which the right to receive the dividend is being waived/forgone by him.
 - g. The instruction by a Shareholder to the Company for waiving/ forgoing the right to receive dividend for any year is purely voluntary on the part of the Shareholder. There is a no interference with a Shareholder's Right to receive the dividend, if he does not wish to waive/forgo his right to receive the dividend. No action is required on the part of Shareholder who wishes to receive dividends as usual. Such Shareholder will automatically receive dividend as and when declared.
 - h. The decision of the Board of Directors of the Company or such person(s) as may be authorized by Board of Directors of the Company shall be final and binding on the concerned Shareholders on issues arising out of the interpretation and/ or implementation of these Rules.
 - i. These Rules can be amended by the Board of Directors of the Company from time to time as may be required.
12. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a member desires to opt-out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form No. ISR-3 or Form No. SH-14, as the case may be. The said forms are available on the website of the Company www.tips.in. 19. **VOTING THROUGH ELECTRONIC MEANS:**

- i) Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the Listing Regulations and Circulars, the Company is providing facility of remote e-voting to its members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with CDSL for facilitating voting through electronic means, as the authorized e-voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system during the AGM will be provided by CDSL.
- ii) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. However, this number does not include the large Shareholders i.e. Shareholders holding 2% or more shareholding, Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- iii) Pursuant to MCA and SEBI Circular, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- iv) Any person who becomes a member of the Company after dispatch of the Notice of the Meeting and holding shares as

on the cut-off date i.e. August 22, 2022 may obtain the login details in the manner as mentioned below.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on August 26, 2022 at 9:00 a.m. and ends on August 28, 2022 at 5:00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of August 22, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Members will be provided with the facility for e-Voting during the VC proceedings at the AGM and Members participating at the AGM, who have not already cast their vote by remote e-Voting, will be eligible to exercise their right to vote at the end of discussion on such resolution(s) upon announcement by the Chairman. Members who have cast their vote on resolution(s) by remote e-Voting prior to the AGM will also be eligible to participate at the AGM through VC/OAVM but shall not be entitled to cast their vote on such resolution(s) again.
- (iv) The e-Voting module on the day of the AGM shall be disabled by CDSL for voting 15 minutes after the conclusion of the Meeting.
- (v) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (vi) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email ID in their demat accounts in order to access e-Voting facility.

Mr. Ramesh Taurani and Mr. Girish Taurani, being relatives of Mr. Kumar Taurani, are also deemed to be interested in the said Resolutions.

Save and except the above, none of the other Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in these resolutions.

The Board of Director recommends the relevant resolution for your consideration and approval as Special Resolution.

Item No. 5:

Mr. Girish Taurani was appointed as an Executive Director of the Company at the 24th Annual General Meeting held on September 25, 2020 for a period of three years with effect from February 13, 2020 at remuneration of Rs.5 lakhs per month. His current term of appointment

as an Executive Director of the Company will be expired on February 12, 2023.

Keeping in view Mr. Girish Taurani's rich and varied experience in the Media and Entertainment, his involvement in the operations of the Company over a long period of time, and his pioneering role in guiding the Company and contribution towards improvement in performance of the Company, the Board of Directors of the Company, on recommendation of the Nomination and Remuneration Committee, at their Meeting held on May 30, 2022 approved the re-appointment of Mr. Girish Taurani as an Executive Director of the Company for a period of three years effect from June 1, 2022 at minimum remuneration of Rs.5 lakhs p.m. i.e. Rs.60 lakhs p.a.

The above remuneration shall be paid to Mr. Girish Taurani as the minimum remuneration in the event of absence or inadequacy of profits in any financial year of the Company.

It is proposed to seek the members' approval for the re-appointment and remuneration payable to Mr. Girish Taurani as an Executive Director of the Company, in terms of the applicable provisions of the Act and Regulation as recommended by the Nomination and Remuneration Committee and approved by the Board of Directors.

Mr. Kumar Taurani, being relative of Mr. Girish Taurani, is also deemed to be interested in the said Resolutions.

Save and except the above, none of the other Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in these resolutions.

The Board of Director recommends the relevant resolution for your consideration and approval as Special Resolution.

Item No. 6:

Mr. Ramesh Taurani was re-appointed as a Managing Director of the Company at the 25th Annual General Meeting held on September 21, 2021 for a period of one year with effect from June 1, 2021. His current term has expired on May 31, 2022.

Pursuant to the recommendation by the Nomination and Remuneration Committee, the Board of Directors at their meeting held on May 30, 2022, has re-designated and appointed Mr. Ramesh Taurani as an Executive Director of the Company for a period of three years effect from June 1, 2022 without any remuneration.

It is proposed to seek the members' approval for the appointment of Mr. Ramesh Taurani as an Executive Director of the Company, in terms of the applicable provisions of the Act and Regulation as recommended by the Nomination and Remuneration Committee and approved by the Board of Directors.

Mr. Kumar Taurani, being relative of Mr. Ramesh Taurani, is also deemed to be interested in the said Resolutions.

Save and except the above, none of the other Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in these resolutions.

The Board of Director recommends the relevant resolution for your consideration and approval as Ordinary Resolution.

Item No. 7:

In compliance with the Companies Act, 2013 (the "Act") and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (the "Listing Regulations"), the Board of Directors, based on the recommendations of the Nomination and Remuneration Committee, had appointed Ms. Tara Subramaniam (DIN: 07654007) as an Additional Director designated as Non-Executive Independent Director of the Company, for a term of 5 (five) consecutive years from May 31, 2022, not liable to retire by rotation. Her appointment is subject to the approval of Members at the AGM.

The Nomination and Remuneration Committee and the Board has recommended the appointment of Ms. Tara Subramaniam and in terms of Section 160 of the Act, the Company has received a notice in writing from a member proposing the candidature of Ms. Tara Subramaniam for the office of Director of the Company.

The Company has received a declaration under Section 149 of the Act from Ms. Tara Subramaniam confirming that she meets the criteria of independence as prescribed under the Act and Listing Regulations, consent to act as Director of the Company in terms of Section 152 of the Act and a declaration that she is not disqualified from being appointed as Director in terms of Section 164 of the Act. She has further confirmed that she has registered herself with the Independent Directors' databank and is exempt from the online proficiency self-assessment test in terms of the Companies (Appointment and Qualifications of Directors) Rules, 2014.

In the opinion of the Board, Ms. Tara Subramaniam fulfils the conditions of independence as specified in the Act and the Listing Regulations for appointment as an Independent Director and is independent of the Management.

Ms. Tara Subramaniam is independent of the management and possesses appropriate skills, experience and knowledge. Brief profile and additional information pursuant to Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 are included separately in this Notice. Keeping in view her vast expertise and knowledge, it will be in the interest of all the stakeholders that Ms. Tara Subramaniam is appointed as Independent Director. It is proposed to appoint for a term upto five consecutive years commencing from May 31, 2022.

Save and except Ms. Tara Subramaniam and her relatives, to the extent of their shareholding interest, if any, in the Company, none of the other Directors or Key Managerial Personnel of the Company or their relatives are in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 7 of the Notice.

The Board recommends the Special Resolution set out at Item No. 7 of the Notice for approval by the shareholders.

Item No. 8:

In compliance with the Companies Act, 2013 (the "Act") and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (the "Listing Regulations"), the Board of Directors, based on the recommendations of the Nomination and Remuneration Committee, had appointed Mr. Shashikant Vyas (DIN: 00237150) as an Additional Director designated as Non-Executive Independent Director of the Company, for a term of 5 (five) consecutive years from May 31, 2022, not liable to retire by rotation. His appointment is subject to the approval of Members at the AGM.

The Nomination and Remuneration Committee and the Board has recommended the appointment of Mr. Shashikant Vyas and in terms of Section 160 of the Act, the Company has received a notice in writing from a member proposing the candidature of Mr. Shashikant Vyas for the office of Director of the Company.

The Company has received a declaration under Section 149 of the Act from Mr. Shashikant Vyas confirming that he meets the criteria of independence as prescribed under the Act and Listing Regulations, consent to act as Director of the Company in terms of Section 152 of the Act and a declaration that he is not disqualified from being appointed as Director in terms of Section 164 of the Act. He has further confirmed that he has registered himself with the Independent Directors' databank and is exempt from the online proficiency self-assessment test in terms of the Companies (Appointment and Qualifications of Directors) Rules, 2014.

Board's Report & Management Discussion and Analysis

To The Members Tips Industries Limited

Your Directors are pleased to present the 26th Annual Report on the business and operations of the Company, together with the Audited Financial Statements for the financial year ended March 31, 2022. The Management Discussion and Analysis is also included in this Report.

THE INDIAN MEDIA AND ENTERTAINMENT INDUSTRY

India's economy is recovering from the Covid-19 pandemic. In a globalised world, large, open economies like India's are also affected by external events. The war in Ukraine, rising interest rates and tightening of liquidity will affect India's growth this year. Despite all these uncertainties, the World Bank expects India's GDP to grow at 7.5% in the coming year.

The share of traditional media (television, print, filmed entertainment, OOH, music, radio) stood at 68% of M&E sector revenues in 2021, down from 75% in 2019.

The Indian M&E sector recovered by 16.4% to Rs.1.61 trillion (US\$21.5 billion), still 11% short of pre-pandemic 2019 levels, due to the second wave of COVID-19 which impacted the April – June quarter. While television remained the largest segment, digital media cemented its position as a strong number two segment followed by a resurgent print. The M&E sector is expected to grow 17% in 2022 to reach Rs.1.89 trillion (US\$25.2 billion) and recover its 2019 levels, then grow at a CAGR of 11% to reach Rs.2.32 trillion (US\$30.9 billion) by 2024.

Except for in-cinema advertising and TV subscription, all M&E segments grew in 2021. Digital media grew the most at Rs.68 billion and consequently, increased its contribution to the M&E sector from 16% in 2019 to 19% in 2021.

Segment	2019	2020	2021	2022E	2024E	CAGR 2021-2024

MUSIC

Music unites us, therefore it is priceless. It permeates our culture across all age groups, which makes India one of the world's most exciting music markets, as reflected in our growth rates. The recorded music industry in India has grown at CAGR of 15.78% over the past 5 years compared to the global industry's 10.61% over the same period. The Indian music market is ranked 17th in the world with revenue of Rs. 1620 crores as per IFPI metrics. According to IMI, the recorded music industry grew 20.3% in CY2021 over the previous year. India's market is largely digital with revenues from physical sales accounting for 1.4% and Sync revenues contributing 5.4% to total industry revenues. It is expected

that Industry revenues will surpass Rs.28 billion in the medium term on the back of increasing digital revenues and performance rights.

Category	Revenue
Streaming	86.8%
Other Digital	2.6%
Physical	1.4%
Performance Rights	3.8%
Synchronisation	5.4%

Source: IMI Report

Share of physical sales grew strongly from 1% in 2020 to 1.4% in 2021, albeit on a depleted base. Sales of vinyl records have been growing for ten years globally, but in India there has been no market so far, but indications are that it may be changing.

Digital revenues comprised 89.4% of total revenues, up from 68% in 2019. Younger people are generally early adopters of technology and more likely to subscribe to music streaming services. Music listeners aged 16-44 years are more likely to pay for audio streaming as they prefer an ad-free experience, the freedom to listen to anything, at any time, at the click of a button. Convenience and availability of millions of songs for a small price is driving penetration of subscription based music streaming services.

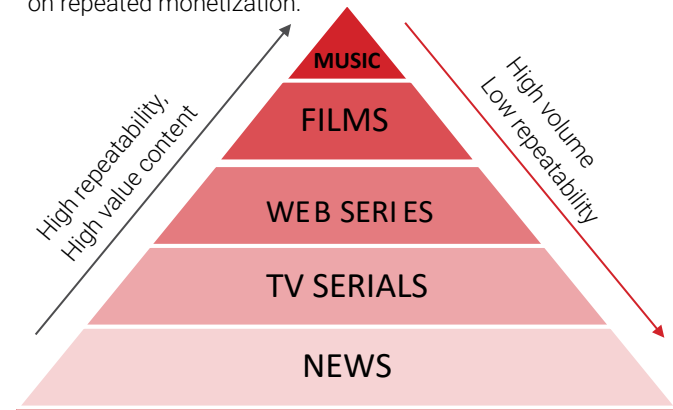

KEY ASPECTS OF THE MUSIC INDUSTRY

Music is part of the broader content industry that comprises news, television serials, films, and music. Each of these sub-segments has their own economic attributes and appropriate monetization methods.

- Value of content**

Many factors determine the value of content. Content that can be monetized multiple times naturally commands greater economic

value. Music ranks at the top of the content pyramid when ranked on repeated monetization.

The Content Pyramid

Once aired, news bulletins and TV serials lose relevance very quickly. Viewers rarely revisit such content. Films hold a special appeal and can be repeatedly aired. Superhit films may be viewed multiple times by audiences. Such films attract audiences even many years after release.

Music lovers can be very passionate about their favorite music and may listen to their favourite songs multiple times a week. It is entirely possible that listeners hear their favorite songs thousands of times over their lifetimes.

- Intellectual Property Rights (IPR)**

The Copyright (Amendment) Act, 2012 protects music copyrights for 60 years in India. This is the longest period of protection when compared to any other type of intellectual property rights. In the United States, music copyrights are protected for much longer periods.

IPR protection for such long durations allows music labels to exploit multiple monetization strategies over time. Catalogues benefit from technological evolution, inflation, and increased market penetration over such long periods.

- Impact of Internet**

The internet has made it possible to access the entire global audience for content with minimum intermediation. Physical distribution channels for selling cassettes, CDs and DVDs have been disrupted. In today's digital world, every content owner can directly connect with the end consumer via the internet. This ability to reach large audiences directly has improved terms of trade for content owners vis-a-vis distributors and other content aggregators.

FACTORS AFFECTING GROWTH OF MUSIC INDUSTRY TODAY

• Convenience

Until the first decade of the current century, music lovers had to carry devices such as Walkmans or iPods or USB drives to hear music on the go. These and other functions have now converged into a single device; the smartphone. Listeners no longer need to carry separate devices; smartphone apps make music available 24x7 with a tap and a swipe.

• Rising Data Consumption

The Ericsson Mobility Report- November 2021 (EMR) estimates that data usage per smartphone will increase from 18 GB/month in 2021 to 50 GB/month in 2027. The report estimates total Mobile Data Traffic to grow at 18% CAGR between 2021 and 2027 in India. FICCI's M&E Report 2021 states that news, books, music, video, and gaming accounted for over 75% of data consumption in India. Rising data consumption provides a tailwind for growth.

• More Subscribers

As per EMR, there were 81 crore smart phone subscriptions in India in 2021 compared to 73 crore in 2020. This number is expected to touch 120 crore in 2027. According to TRAI, current tele-density in rural areas is only 59.5%. A lot of people are yet to be connected to smartphones and the Internet, so there is huge headroom for growth.

• Faster Networks

The number of 4G connections are expected to decline from 79 crore in 2021 to about 71 crore in 2027. 5G subscriptions are expected to be 50 crore in 2027 from none today. Higher speeds provide seamless user experience and improve adoption. Upgrading to faster connections will continue to drive an increase in content consumption.

• Smarter Phones

Smartphones provide improved user experience for media consumption compared to feature phones. New users and upgrades from feature phones to smartphones are both tailwinds for music consumption.

• Cheap Data

India has the lowest data costs in the world. Given such low costs, data prices are no longer a hindrance to adoption of mobile Internet.

EMR estimates data usage per smartphone to increase from 18.4 GB/Month in 2021 to 50GB/Month in 2027. Smart phones and video drive data consumption.

During the year under review, no material or serious observations have been received from the Internal Auditors of the Company with respect to inefficiency or inadequacy of the controls.

RISK MANAGEMENT

TIPS has a well-defined policy to foresee, identify and analyze risks and take suitable action to mitigate and minimize the impact of such risks. Accordingly, the Company has identified the followings risks that can impact its business performance and plans:

• Piracy

Copyright infringement remains a challenge for the music ecosystem. An estimated 27% of those surveyed used unlicensed methods to listen or obtain music in the past month, while 23% used illegal stream ripping services. The availability of quick remedies, including blocking orders, to tackle such pirate services is vital to protect the music industry and other creative industries. Furthermore, app stores and ISPs that host such services need to be proactive in recognizing this form of infringement and work with industry bodies to curb piracy. Piracy in the music ecosystem has reduced from 76% in 2018 to 67% in 2019 and remained flat in 2020, but is still higher than the global average of 27%. China has succeeded in curbing piracy with an estimated 96% of consumers listening to licenced music.

OPPORTUNITIES

• Digital / OTT Rights

India is second globally in the digital consumption of services, following China. Video subscriptions grew 29% in 2021 as sports content went behind paywalls. Paid subscriptions crossed 80 million and generated Rs.56 billion in revenues. OTT players are expected to spend Rs.300 billion on content over 2021-25, Netflix, Disney and Amazon are expected to spend USD 66.6 billion on content in CY2022, a growth of 18.2% yoy.

OUTLOOK

We believe the following secular trends will continue to drive growth in the recorded music industry.

• Consumer Trends and Demographics

Consumers today engage with music in more ways than ever. In 2021, Indian consumers spent 21.9 hours listening to music each week compared to 19.1 hours in 2019. Data indicate that the hours spent listening to music can grow further. Indians in the age group of 25- 34 listened to 24.8 hours of music a week. Consumption through paid audio streaming increased from 2.4 hours in 2019 to 3.3 hours in 2021. According to Nielsen, in 2019, teens and millennials in the United States listened to an average of 32.6 and 29.7 hours of music each week, respectively, above the 26.9 hours for all U.S. consumers.

Demographic trends and smartphone penetration have been key factors in driving growth in consumer engagement. Younger consumers typically are early adopters of new technologies, including music-enabled devices.

Members of older demographic groups are also increasing their music engagement. Indians in the age group of 55-64 listened to 16.7 hours of music in 2021 up 1.9 hours over 2019. According to

an IFPI survey of 19 leading geographic markets in 2019, 54% of 35 to 64 year olds used a streaming service to listen to music in the past month, representing an increase from 46% in 2018, which was the highest rate of growth for use of streaming services across all age groups.

Music permeates our culture across age groups, as evidenced by the footprint that music has across social media. According to a study conducted by visual capitalist in May 2021, 6 of the top 10 influencers across all social media platforms were musicians. As per the Recording Industry Association of America (RIAA), 9 out of 10 social media users do music related social media activity. This new monetization channel is showing great promise. According to YouTube, musicians owned the majority of videos that have achieved more than 1 billion lifetime views and/or have made it to the top 10 most watched videos of all time.

- **Streaming Still in Early Stages of Global Adoption and Penetration**

According to IFPI, global paid music streaming subscribers totalled 523 million at the end of 2021 and subscription revenue grew 21.9% to touch USD 12.3 billion. Subscription accounts have grown 18% over 2020 to 523 million, representing only 6.5% of the humans on this planet. In terms of smartphone users, it represents only 8.3% of the 6.3 billion smartphone users globally, as per the EMR. The fast growing population of paying subscribers is still only a small fraction of the reported user bases of large, globally scaled digital services such as Facebook, which reported 2.93 billion monthly active users across its services as of March 2022, and YouTube, which has 2.6 billion unique monthly users according to Statista.

The United States, with a population of under 330 million, generated 1.15 trillion on-demand streams (both audio and video) in 2019, according to Nielsen; continued growth is to be expected. That indicates the potential size of India's streaming market, even after assuming substantially lower realizations, when its population of 1.38 billion gets connected to the Internet.

The global music market derives 47.3% of revenues from paid subscriptions. In India, we expect to see advertisement-supported and subscription models co-exist. The evolution of Chinese markets over the past 7 years provides a firm basis for our belief that subscriptions will contribute substantial revenues in the near future.

According to IFPI, in 2013, China was ranked 21st in the world with total music industry revenues of approximately USD 82.6 million. The Indian music industry was much larger with revenues of USD 119.1 million at that time. Piracy in China was estimated to be over 95%. By the end of 2020, the Chinese market was ranked 6th in the world with revenues of USD 791.9 million. Subscription revenues in 2020 grew 55.8% over 2019.

- **Pricing improvements**

Internationally streaming subscription prices had remained flat for over a decade as players focused on penetration. Paid streaming is now entering a new phase as players have started raising prices. Spotify has recently raised subscription rates in 12 territories including US and UK. Other players are widely expected to follow suit. Amazon is experimenting by offering its Amazon Music HD at premium pricing in the US since 2019. Pricing improvements have aided paid streaming revenues to grow at 21.9% in 2021.

The Indian Government's crackdown on piracy from 2012 and changing attitudes of Indian consumers make it possible for the Indian music industry to follow a similar growth trajectory. The FICCI-EY Media & Entertainment Report 2022 expects paid subscribers for music streaming in India to cross 7 million by 2024.

As Indian OTT players inch closer towards public listing of their shares, they may opt to focus on subscription revenues. Bundling music with telecom services is also a viable option to reach a much wider but lower income audience.

- **Technology Enables Innovation and Presents Additional Opportunities**

Technological innovation has aided the penetration of music consumption across locations, including homes, offices and cars, as well as across devices, including smartphones, tablets, wearables, digital dashboards, gaming consoles, and smart speakers. These technologies represent advancements that are deepening listener engagement and driving further growth in music consumption by forming new listening habits. New technologies are likely to bring change in consumption patterns and provide new opportunities to engage with customers and increase penetration.

- **Device Innovation**

According to Nielsen, as of August 2019, U.S. consumers listened to music across an average of 4.1 devices per week. We believe that the use of multiple devices is expanding listening hours by bringing music into more moments of consumers' lives; the different uses that these devices enable are also broadening consumers' exposure to new and different genres of music. The music that consumers listen to during a commute may be different from the music they listen to while they exercise, and different still from the music they play through a smart speaker while cooking a meal. Smart speakers enable consumers to access music more readily by using their voices. According to PwC, smart speaker ownership is expected to increase at a 38% CAGR from 2018 through 2023, reaching 440 million devices globally in 2023. Smart speakers are fuelling further growth in streaming by converting more casual listeners into paid subscribers, drawn in by music as a critical application for these devices. According to Nielsen, 61% of

U.S. consumers who use a smart speaker weekly to listen to music currently pay for a subscription as well.

- **Format and Monetization Model Innovation**

Short-form music and music-based video content has grown rapidly, driven by the growth of global social video applications such as TikTok, which features 15-second videos often set to music. TikTok has reportedly been downloaded more than 3.3 billion times since its launch in 2017. TikTok has reported 1 billion monthly active users as of January 2022. Such applications have the potential for mass adoption, illustrating the opportunity for additional platforms of scale to be created to the benefit of the music and entertainment industry. Short-form music and music based videos have become popular on social media platforms like Facebook and Instagram too. It illustrates the growing number of pathways through which performing artistes and music labels may monetize their content. IMI reports that 19% of time spent on listening to music is on short form video apps, a close second to YouTube which accounts for 22% of such time.

The Media and Entertainment Industry in India continues to undergo a transformation. The rapid proliferation of mobile access is enabling on-demand, anytime-anywhere content consumption nationwide. For global players across the M&E value chain looking for a vibrant growth market, India provides an exciting opportunity to reach digitally empowered consumers. India ranks as one of the fastest growing app markets globally, a promising scenario for subscription-based and ad-supported music apps.

Independent Auditors' Certificate on Compliance with the Corporate Governance requirements under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

**To
The Members,
Tips Industries Limited
601, Durga Chambers, Linking Road,
Khar (West), Mumbai 400052**

1. This certificate is issued in accordance with the terms of our engagement letter dated September 21, 2021.
2. We have examined the compliance of the conditions of Corporate Governance by Tips Industries Limited (Company) for the year ended on March 31, 2022 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of sub-regulation (2) of regulation of 46 and para C, D and E of Schedule V of Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 (Collectively referred to as "SEBI Listing Regulations, 2015) as amended from time to time ("Listing Regulations") pursuant to the Listing Agreement of the Company with Stock Exchanges.

Management's Responsibility for compliance with the conditions of Listing Regulations

3. The compliance of conditions of Corporate Governance as stipulated under the listing regulations is the responsibility of the Company's Management including the preparation and maintenance of all the relevant records and documents. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of Corporate Governance stipulated in the Listing Regulations.

Auditors' Responsibility

4. Our examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of Corporate Governance. It is neither an auditor nor an expression of opinion on the financial statements of the Company.
5. Pursuant to the requirements of the Listing Regulations, it is our responsibility to provide a reasonable assurance whether the Company has complied with the conditions of Corporate Governance as stipulated in Listing Regulations for the year ended March 31, 2022.
6. We conducted our examination of the above corporate governance compliance by the Company in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) and Guidance Note on Certification of Corporate Governance both issued by the Institute of the Chartered Accountants of India (the "ICAI"), in so far as applicable for the purpose of this certificate. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
8. The procedures selected depend on the auditor's judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. Summary of procedures performed include:
 - i. Read and understood the information prepared by the Company and included in its Corporate Governance Report;
 - ii. Obtained and verified that the composition of the Board of Directors with respect to executive and non-executive directors has been met throughout the reporting period;
 - iii. Obtained and read the Register of Directors as on March 31, 2022 and verified that atleast one independent woman director was on the Board of Directors throughout the year;

INDEPENDENT AUDITOR'S REPORT

To the Members of Tips Industries Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Tips Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to Note No. 34 (17) to the annual financial results which describes the scheme of arrangement in respect of demerger of Film Production and Distribution business from Tips Industries Limited to Tips Films Limited. The annual financial results have been drawn giving effect to the scheme of arrangement for the year ended March 31, 2022.

Our report is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Further, based on information and explanation given to us, we have determined that there is no key audit matters to communicate in our report

Information other than the Financial Statements and Auditor's Report thereon (Other Information)

The Company's management and Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management and Board of Directors' Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial statements made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other

matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by 'The Companies (Auditor's Report) Order, 2020' (hereinafter referred to as the "Order"), issued by the Central Government of India in terms of sub - section 11 of section 143 of the Companies Act, 2013, we give in the "Annexure-A" a statement on the matters specified in paragraph 3 and 4 of the Order to the extent applicable.
2. (A) As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to Financial Statements of

the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-B".

2. (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a) The Company has disclosed the impact of pending litigations as at March 31, 2022 on its financial position in its financial statements – Refer Note No. 34(1)(a) to the financial statements.

 - c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - d)
 - (i) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recoded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like or behalf of the Ultimate Beneficiaries.

- (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under d(i) and d(ii) above, contain any material misstatement.
- e) The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.

As stated in Note No. 34(12)(b) to the financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

2. (C) With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act read with Schedule V of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS OF TIPS INDUSTRIES LIMITED FOR THE YEAR ENDED MARCH 31, 2022

Report on the Internal Financial Controls with reference to the aforesaid financial statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of **Tips Industries Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal controls with references to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be

prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the

internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

2. Summary of Significant Accounting Policies:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of Preparation of financial statements:

i) Compliance with Ind AS:

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under section 133 of the Companies Act, 2013, ("the act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 with effect from April 1, 2016. The financial statements were approved by the Company's board of directors on May 30, 2022.

These financial statements are presented in Indian rupees (INR), which is the Company's functional currency. All amounts have been rounded off to two decimal places to the nearest lakh, unless otherwise indicated.

ii) Historical cost convention:

The financial statements have been prepared on a historical cost basis, except for the following:

- A) Certain financial assets and liabilities (including derivative instruments) that are measured at fair value.
- B) Defined benefit plans assets measured at fair value

iii) Current/ Non- Current Classification:

Any asset or liability is classified as current if it satisfies any of the following conditions:

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

- a) it is expected to be realised or settled or is intended for sale or consumption in the Company's normal operating cycle;
- b) it is expected to be realised or settled within twelve months from the reporting date;
- c) it is held primarily for the purposes of being traded;
- d) the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- e) in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for atleast twelve months from the reporting date.

All other assets and liabilities are classified as non- current.

For the purpose of current/ non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realisation in cash and cash equivalents.

b) Use of accounting estimates and judgments:

The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have effect on their recognition and measurement in the balance sheet and statement of profit and loss. The actual amounts realised may differs from the estimates.

Such estimates are reviewed at each reporting period and impact if any is given in current and future periods. Estimates and assumptions are required in particular for:

i) Estimated useful life of property, plant and equipment:

Useful lives of tangible assets are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

ii) Recoverability of deferred income tax assets:

In determining the recoverability of deferred income tax assets, the Company primarily considers current and expected profitability of applicable operating business segments and their ability to utilise any recorded tax assets. The Company reviews its deferred income tax assets at every reporting period end, taking into consideration the availability of sufficient current and projected taxable profits, reversals of taxable temporary differences and tax planning strategies.

iii) Measurement of defined benefit obligations and other employee benefit obligations:

The Company's net obligation in respect of gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets is deducted.

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the other long-term employment benefits.

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

The present value of the obligation is determined based on actuarial valuation at the balance sheet date by an Independent actuary using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the balance sheet date.

c) **Property, Plant and equipment:**

Measurement at recognition

The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably and is measured at cost. Subsequent to recognition, all items of property, plant and equipment (except for freehold land) are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of property, plant and equipment comprises its purchase price plus any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and the initial estimate of decommissioning, restoration and similar liabilities, if any. Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Items such as spare parts, stand-by equipment and servicing that meets the definition of property, plant and equipment are capitalised at cost and depreciated over the useful life. Cost of repairs and maintenance are recognised in the statement of profit and loss as and when incurred.

Depreciation:

Depreciation is provided on Straight Line Method, over the useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013 except for Improvements to Leasehold Premises.

Improvements to Leasehold Premises are amortized over the period of lease.

Depreciation on additions / deletions is calculated on a pro-rate basis from the date of addition / upto the date of deletion.

Capital work in progress and Capital advances

Assets under Capital Work in Progress includes the cost of property, plant and equipment that are not ready to use at the balance sheet date. Advances paid to acquire property, plant and equipment before the balance sheet date are disclosed under Other Non Current Assets. Assets under Capital Work in Progress are not depreciated as these assets are not yet available for use.

Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognised in the statement of profit or loss in the period the asset is derecognised.

d) **Investment properties**

Properties that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that the future economic benefits

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

associated with the expenditure will flow to the Company and the cost of item can be measured reliably. All other repairs and maintenance costs are expensed out when incurred. Investment properties are depreciated using the straight-line method over their estimated useful life. Improvements to the leasehold premises are amortised over the period of lease.

e) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Non-derivative financial assets:

Initial recognition and measurement

The Company recognises a financial asset in its balance sheet when it become party to the contractual provisions of the instrument. All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset.

Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognised as a gain or loss in the statement of profit and loss at initial recognition if the fair value is determined through quoted market price in an active market for an identical asset (i.e level 1 input) or through a valuation technique that uses data from observable markets (i.e level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognised as a gain or loss in the statement of profit and loss only to the extent that such gain or loss arises due to a change in factor market participants take into account when pricing the financial asset.

However, trade receivables that do not contain a significant financing component are measured at transaction price irrespective of the fair value on initial recognition.

Subsequent measurement:

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria:

- i) The Company's business model for managing the financial asset and
- ii) The contractual cash flow characteristics of the financial asset.

Based on the above criteria, the Company classifies its financial assets into the following categories:

- i) Financial assets measured at amortised cost.
- ii) Financial assets measured at fair value through profit and loss (FVTPL).

i) Financial assets measured at amortised cost:

A financial asset is measured at the amortised cost if both the conditions are met:

- a) The Company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows.
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

This category applies to cash and bank balances, trade receivables, loans, deposits and other financial assets of the Company. Such financial assets are subsequently measured at amortised cost using the effective interest method. The amortised cost of a financial asset is also adjusted for loss allowance, if any.

ii) Financial assets measured at fair value through profit and loss (FVTPL):

A financial asset is measured at FVTPL unless it is measured at amortised cost or at Fair Value through Other Comprehensive Income (FVTOCI). This is a residual category applies to inventories, and other investments of the Company excluding investment in subsidiary. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognised in the statement of profit and loss.

Derecognition:

A financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. On derecognition of a financial asset, the difference between the carrying amount and the consideration received is recognised in the statement of profit and loss.

Impairment of financial assets:

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables - The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. Trade receivables are tested for impairment on a specific basis after considering the sanctioned credit limits, security like letters of credit, security deposit collected etc. and expectations about future cash flows.

Presentation:

Financial assets and liabilities are offset and the net amount presented in the statement of balance sheet when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

ii) Non-derivative financial liabilities

Initial recognition and measurement

Financial liabilities are recognised initially on the trade date at which the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liabilities.

Borrowings are recognised initially at fair value, net of transaction costs incurred, and subsequently carried at amortised cost; any difference between the initial carrying value and the redemption value is recognised in the statement of profit or loss over the period of the borrowings using the effective interest rate method. Other financial liabilities are recognised initially at fair value plus any directly attributable transaction costs.

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

Non-derivative financial liabilities of the Company comprise long-term borrowings, short-term borrowings, bank overdrafts and trade and other payables.

Subsequent measurement:

Subsequent to initial recognition these financial liabilities are measured at amortised cost using the effective interest method.

Derecognition:

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expired. When an existing financial liability is replaced from the same lender on substantially different terms, or terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid is recognised in the statement of profit and loss.

f) Fair Value

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i) in the principal market for the asset or liability or
- ii) in the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy that categorises into three levels, as described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (level 3 inputs).

Level 1: quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: inputs that are unobservable for the asset or liability

For assets and liabilities that are recognised in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

g) Inventories:

Items of inventory are valued on the basis as given below:

i) Cost of Feature Films:

- The Company amortizes 60% of the cost of movie rights acquired or produced by it, on first theatrical release of the movie. The said amortization is made proportionately based on Management's estimates of revenues pertaining to Domestic Theatrical Rights, International Theatrical Rights, Television Rights, Video Rights and others over a period of 12 months from the date of theatrical release of the movie.

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

- Balance 40% of COP is amortized as per the management estimate / review of future revenues but not exceeding nine years and subject to a minimum of 4.4% in any year.

ii) Cost of under Production Films:

Expenses of under production films incurred till the films are ready for release are inventorised.

The production of films requires various types of materials in different qualities and quantities. Considering the peculiar nature of those items including their multiplicity and complexity, it is not practicable to maintain quantitative records of those items. Further, in the absence of certainty of reusability of such items, the same are not valued.

- iii) The Company reassesses the realizable value and / or revenue potential of inventory based on market condition and future demand and appropriate write down is made in cases where accelerated write down is warranted.

h) In house music production/ acquisition cost for Audio film and non film albums:-

In-house music production costs / acquisition cost is charged to revenue on release of albums/audio, considering the uncertainty of future economic benefits and the short duration over which such benefits may accrue.

i) Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with remaining maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

j) Foreign Currency Transactions

Initial Recognition:

All transactions that are not denominated in the Company's functional currency are foreign currency transactions. These transactions are initially recorded in the functional currency by applying the appropriate daily rate which best approximates the actual rate of the transaction. Exchange differences arising on foreign exchange transactions settled during the period/ year are recognised in the statement of profit and loss.

Measurement of foreign current items at reporting date:

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency rate of exchange at the reporting date. Non-monetary items measured based on historical cost in a foreign currency are not translated. Non-monetary items measured at fair value in a foreign currency are translated to the functional currency using the exchange rates at the date when the fair value was determined.

Exchange differences arising out of these translations are recognised in the statement of profit and loss.

k) Revenue recognition:

Revenue is recognized when a customer obtains control and has the ability to direct the use of and obtain the benefits of products or services for the consideration that the company expects to be entitled to in exchange for those products and services.

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

The Company exercises judgment whether the revenue should be recognized “over time” or “at a point of time”. The company considers detailed understanding of customer contractual arrangements, transfer of control vis a vis transfer of risk and reward, acceptance of delivery i.e when control is transferred.

Revenue is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

The specific recognition criteria described below must also be met before revenue is recognized:

- i) **Audio Right Receipt:** Revenue from sale is recognized at a point of time when a control is transferred to a customer based on terms of the agreement / contracts.
 - ii) **Royalty from Music Rights:** Revenue from Music rights where a customer obtains “right to use” is recognized at the point of time the license is made available to the customer as per the terms of the agreement / contracts.
 - iii) **Revenue from Films:**
 - Revenue from production of films is recognized on assignment of such rights as per the contract/ arrangements with the distributors.
 - Revenue from distribution of motion pictures is recognized based on ticket sales on exhibition of motion pictures at exhibition of theatres. Recoveries from films as overflows are recognized on the basis of business statements received from the distributors. Contracted minimum guarantees are recognized on theatrical rights.
 - iv) **Interest Income:** Interest income is accounted on accrual basis, at the contracted terms.
 - v) **Others:** Revenue in respect of Insurance/Other claims is recognized only when it is reasonably certain that the ultimate collection is made.
- I) **Employee Benefits:**
- i) **Short-term obligations:**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related services are recognised in respect of employees services up to the end of the reporting period and are measured at the amount expected to be paid when liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.
 - ii) **Other long term employee benefit obligations:**

Gratuity obligations:

The liability or asset recognised in the balance sheet in respect of defined benefits and gratuity plans is the present value of the defined benefits obligations at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost

Defined Contribution plans:

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The company has no further payment obligations once the contribution have been paid. The contributions are accounted for as defined contribution plans and the contribution are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

iii) Bonus Plan:

The company recognises a liability and an expense for bonuses. The company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

m) Taxes on Income:

Income tax expense comprises current and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year/period as per the provisions of tax laws enacted in India and any adjustment to the tax payable or receivable in respect of previous years/periods. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company has a legally enforceable right to set off the recognised amounts; and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

ii) Deferred tax:

Deferred tax is recognised on deductible temporary differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable income, the carry forward of unused tax losses and the carry forward of unused tax credits.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax liabilities are generally recognized for all deductible temporary differences. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognised. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognised.

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable income will be available against which those deductible temporary differences can be utilised. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognised.

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period and reduce amounts to the extent that it is no longer probable that sufficient taxable income will be available to allow all or part of the asset to be recovered.

Presentation of current and deferred tax:

Current and deferred tax are recognised as income or an expense in the statement of profit and loss, except when they relate to items that are recognised in Other Comprehensive Income/ Equity, in which case, the current and deferred tax income/ expense are recognised in Other Comprehensive Income/ Equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current income tax assets against current income tax liabilities and when they relate to income taxes levied by the same taxation authority.

n) Earnings per share:

The basic earnings per share ('EPS') is computed by dividing the net profit attributable to equity shareholders for the period, by the weighted average number of equity shares outstanding during the period.

Diluted EPS is computed using the weighted average number of equity and dilutive (potential) equity equivalent shares outstanding during the period except where the results would be anti-dilutive.

o) Provisions and Contingencies

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is more likely than not that an outflow of economic benefits will be required to settle the obligation. Provisions are discounted where the effect of discounting is material at a pre-tax rate that reflects current market assessments of the time value of money. Unwinding of the discount (accretion) is recognized as a finance cost. Discount rates are assessed and projected timing of future obligations each reporting period.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

p) Investment and other financial assets:

i) Classification:

The company classifies its financial assets in the following measurement categories:

- a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b) those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.

ii) Measurement:

At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

q) Leases:

As a Lessee:

The company recognizes a right-of-use asset and a lease liability at the lease commencement date.

Right-of-use asset (ROU):

The right-of-use asset is initially measured at cost. Cost comprises of the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, any initial direct costs incurred by the lessee, an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located less any lease incentives received.

After the commencement date, a lessee shall measure the right-of-use asset applying cost model, which is Cost less any accumulated depreciation and any accumulated impairment losses and also adjusted for certain re-measurements of the lease liability.

Right-of-use asset is depreciated using straight-line method from the commencement date to the end of the lease term. If the lease transfers the ownership of the underlying asset to the company at the end of the lease term or the cost of the right-of-use asset reflects the company will exercise the purchase option, ROU will be depreciated over the useful life of the underlying asset, which is determined based on the same basis as property, plant and equipment.

Lease liability:

Lease liability is initially measured at the present value of lease payments that are not paid at the commencement date. Discounting is done using the implicit interest rate in the lease, if that rate cannot be readily determined, then using the company's incremental borrowing rate. Incremental borrowing rate is determined based on entity's borrowing rate adjusted for terms of the lease and type of the asset leased.

Lease payments included in the measurement of the lease liability comprises of fixed payments (including in substance fixed payments), variable lease payments that depends on an index or a rate, initially measured using the index or rate at the commencement date, amount expected to be payable under a residual value guarantee, the exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

Lease liability is measured at amortised cost using the effective interest method. Lease liability is re-measured when there is a change in the lease term, a change in its assessment of whether it will exercise a purchase, extension or termination option or a revised in-substance fixed lease payment, a change in the amounts expected to be payable under a residual value guarantee and a change in future lease payments arising from change in an index or rate.

When the lease liability is re-measured corresponding adjustment is made to the carrying amount of the right-of-use asset. If the carrying amount of the right-of-use asset has been reduced to zero it will be recorded in statement of profit and loss.

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

Right-of-use asset is presented under “Property, Plant & Equipment” and lease liabilities are presented under “Financial liabilities” in the balance sheet.

The company has elected not to recognise right-of-use assets and lease liabilities for short term leases. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

As a Lessor: Lease income from operating leases where the Company is a lessor is recognised as income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

r) **Impairment of non-financial assets:**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset’s carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset’s fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units).

s) **Borrowing costs:**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred, unless they are capitalised.

Financial instruments – Fair values and risk management

- The carrying value of trade receivables, cash and cash equivalents, other bank balances, loans, trade payables and other financial assets and liabilities are considered to be the same as their fair values due to their short term nature. The fair value of financial instruments as referred to in note above have been classified into three categories depending on the inputs used in valuation technique. The hierarchy gives highest priority to quoted prices in active market for identical assets or liabilities (Level 1 measurement) and lowest priority to unobservable inputs (Level 3 measurement).
- Valuation technique used to determine fair value Specific valuation technique used to value financial instruments include: The mutual funds are valued using closing NAV available in the market.

B] Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- * Credit Risk ;
- * Liquidity Risk ; and
- * Market Risk

i] Risk Management objectives

The Companys activities expose it to a variety of financial risks viz. credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

ii] Credit risk

a] Credit Risk management

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company deals with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. The Company uses publicly available financial information and its own trading records to rate its major customers. The Company's exposure and credit ratings of its counterparties are regularly monitored and the aggregate value of transactions concluded is spread amongst counterparties

b] Cash and Cash equivalents and other Bank balances

The Company held cash and cash equivalents and other bank balances of INR 6192.75 Lakhs as on March 31, 2022 (March 31, 2021 : INR 3,348.47 Lakhs). The cash and cash equivalents are held with bank counterparties with good credit ratings.

c] Loans and Advances :

The Company held Loans and Advances of INR 255 Lakhs as on March 31, 2022 (March 31, 2021 : INR 510 Lakhs). The loans and advances are in nature of rent deposit paid to landlords and are fully recoverable.

d] Trade receivables :

Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue.

On account of adoption of IND AS 109, the Company uses expected credit loss model to assess the Impairment loss. The Movement of expected credit provision (allowance for bad and doubtful receivables) made by the Company are as under:

Particulars	March 31, 2022	March 31, 2021
Opening Balances	8.25	8.25
Add: Provision made during the year (net)	11.23	-
Closing Balance	19.48	8.25

iii] Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation

As of March 31, 2022 and March 31, 2021 the Company had unutilized credit limits from banks is Nil (fully repaid), INR 2143 Lakhs respectively.

Maturity profile of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements

iv] Market Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. We are exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of our investments. Thus, our exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive exposure in our foreign currency revenues and costs

a] Currency Risk

The company is exposed to currency risk on account of its receivables / payables in foreign currency. The functional currency of the Company in Indian Rupees.

i) Exposure to currency risk (Exposure in different currencies converted to functional currency i.e. INR)

The currency profile of financial assets and financial liabilities as at March 31, 2022 and March 31, 2021 are as below :

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows:

Currency	March 31, 2022		March 31, 2021	
	Financial Assets	Financial Liabilities	Financial Assets	Financial Liabilities
USD	1,265.53	-	924.75	-
Euro	1.26	0.54	0.61	6.57
GBP	12.54	-	61.20	-
TOTAL	1,279.33	0.54	986.56	6.57

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

ii) Net Exposure to Foreign Currency Risk

(Assets – Liabilities)

Currency	March 31, 2022	March 31, 2021
USD	- 1,265.52	- 924.75
Euro	- 0.72	- (5.96)
GBP	- 12.54	- 61.20
TOTAL	1,278.78	979.99

iii) Sensitivity analysis

A reasonably possible strengthening (weakening) of the foreign Currency against the Indian Rupee at March 31 would have affected the measurement of financial instruments denominated in foreign currencies and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Effect in INR	March 31, 2022		March 31, 2021	
	Profit or Loss		Profit or Loss	
	Strengthening	Weakening	Strengthening	Weakening
USD - 10 % Movement	126.55	-126.55	92.48	-92.48
Euro - 10 % Movement	0.07	-0.07	-0.60	0.60
GBP - 10 % Movement	1.25	-1.25	6.12	-6.12

b) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

i) Exposure to interest rate risk

Company's interest rate risk arises from borrowings. The interest rate profile of the Company's interest bearing financial instruments as reported to the management of the Company is as follows

Particulars	As at March 31, 2022	As at March 31, 2021
Borrowings		
Fixed Rate Borrowings	-	-
Variable Rate Borrowings	-	-

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

ii) Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

iii) Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

INR	Profit or (loss)	
	100 bp increase	100 bp decrease
March 31, 2022		
Variable-rate instruments	-	-
Cash flow sensitivity (net)	-	-
March 31, 2021		
Variable-rate instruments	-	-
Cash flow sensitivity (net)	-	-

The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

c) Price Risk

Price risk refers to risk that the fair value of a financial instrument may fluctuate because of the change in the market price. The Company is exposed to the price risk mainly from investment in mutual funds. Investments in mutual funds are made primarily in units of fixed maturity and liquid funds and are not exposed to significant price risk.

12] Capital Management

a) Risk Management

The Company's capital management objectives are:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Consistent with others in the industry, the Company monitors capital on the basis of net debt to equity ratio and maturity profile of overall debt portfolio of the Company

In addition to the above dividend, since year end the directors have recommended the payment of final Dividend for the year ended March 31, 2022 of INR 2/- (March 31, 2021 - INR 2/- per fully paid share (along with Dividend distribution tax). The proposed dividend is subject to the approval of shareholder in the ensuing annual general meeting. Hence no liability has been recognised in books	259.37	259.37

13] Employee Benefits:

The Company contributes to the following post-employment defined benefit plans in India

i] Post Employment Defined Contribution Plans :

The contributions to the Provident Fund and Family Pension fund of certain employees are made to a Government administered Provident Fund and there are no further obligations beyond making such contribution. The Company recognized INR 9.56 Lacs for year ended March 31, 2022 (INR 9.00 Lacs for year ended March 31, 2021) provident fund contributions in the Statement of Profit and Loss.

The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

ii] Post Employment Defined Benefit Plans :

Gratuity

The Company participates in the Employees Gratuity scheme, a funded defined benefit plan for qualifying employees. Gratuity is payable to all eligible employees on death or on separation / termination in terms of the provisions of the Payment of Gratuity Act, 1972. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust fund.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as at March 31, 2022. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumption the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognized in the Balance Sheet.

iii] Leave Obligation

The Company provides leave to employees. The employees at the end of the financial year can carry forward their balance leave to the subsequent financial year and it gets lapsed if not availed in that subsequent financial year. The Company Rules does not provide encashment of Leave at any time during the tenure of employment and also on retirement or termination. The Company records a provision for leave obligation at the end of the financial year. The total provision recorded by the Company towards this obligation was INR 6.81 lakhs and INR 3.01 lakhs as at March 31,2022 and March 31,2021

Notes to the Financial Statements

Amount expressed in INR Lakhs unless otherwise stated

Employee Benefits:

iv] Risk Exposure

Through its defined benefit plans, the Company is exposed to some risks, the most significant of which are detailed below:

Discount rate risk

The Company is exposed to the risk of fall in discount rate. A fall in discount rate will eventually increase the ultimate cost of providing the above benefit thereby increasing the value of the liability

Salary growth risks

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability

Demographic risk

In the valuation of the liability, certain demographic (mortality and attrition rates) assumptions are made. The Company is exposed to this risk to the extent of actual experience eventually being worse compared to the assumptions thereby causing an increase in the benefit cost.

14] Recent accounting pronouncements - Standards issued but not yet effective:

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 01, 2022, as below:

- 1) Ind AS 103 – Reference to Conceptual Framework - The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103
- 2) Ind AS 16 – Proceeds before intended use - The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss.
- 3) Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract - The amendments specify that that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts.
- 4) Ind AS 109 – Annual Improvements to Ind AS (2021) - The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability.
- 5) Ind AS 116 – Annual Improvements to Ind AS (2021) - The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration.

The Company is assessing the impact of these changes and will accordingly incorporate the same in the financial statements for the year ending March 2023.
