DIRECTORS' REPORT

To,

The Members

UNIVERSAL ARTS LIMITED

Your Directors are pleased to present the Twenty Second Annual Report together with the audited financial statements for the year ended on 31st March, 2017.

Financial Results:

(₹ in 000)

	Year Ended 31.03.2017	Year Ended 31.03.2016
Total Income	58.61	87.29
Total Expenditure	58.28	144.46
Profit / (Loss) before Interest, Depreciation, Amortization, Exceptional item	0.33	(57.17)
Less : Interest	Nil	Nil
Depreciation	0.24	1.39
Profit / (Loss) before Exceptional item & tax	0.09	(58.56)
Add : Exceptional items	Nil	Nil
Profit / (Loss) Before Tax	0.09	(58.56)
Less: Provisions for Taxation	Nil	Nil
Profit / (Loss) After Tax	0.09	(58.56)

DIVIDEND:

In view of the accumulated losses, the Board of Directors of your Company regret their inability to recommend any dividend for the year ended on 31st March, 2017

RESERVE:

In view of the accumulated losses, the Board of Directors of your Company do not proposes to carry any amount to reserve.

OPERATION REVIEW:

Your Company showed a steep decrease in the Income. Your Company posted Income of ₹ 58.61 lacs as against ₹ 87.29 lacs during the previous year. Though the Company's income was decreased, your Company posted a profit after tax of ₹ 0.09 lacs against loss of ₹ 58.56 lacs during the previous year.

OUTLOOK:

With the entry of Big Corporate like UTV, Eros, Dharma Productions, Fox Star Studios, Sony Pictures, Reliance Big Entertainment, Viacom18 Group, the competition has increased and thereby increasing the cost of negative rights, satellite rights, video rights, etc. This would result in requirement of huge amount of capital to survive in this business, With a small capital and negative reserves the going for the Company appears to be tough.

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making high growth strides. Proving its resilience to the world, the Indian M&E sector is on the cusp of a strong phase of growth, backed by rising consumer payments and advertising revenues across all sectors. The industry has been largely driven by increasing digitization and higher internet usage over the last decade. Internet has almost become a mainstream media for entertainment for most of the people. In view of all above it appear the right opportunity is yet to come for growth of small capital based company and at the same time the draft of the Optical Disc Law to address the need for regulating piracy at the manufacturing stage is still lying with the ministry for approval.

SUBSIDIARY AND ASSOCIATE COMPANIES:

A statement pursuant to Section 129 of the Companies Act, 2013 relating to Company's subsidiary is attached to the balance sheet.

FIXED DEPOSITS:

The company has not accepted any deposits from the public to which the directives issued by the Reserve Bank of India and the provisions of Section 73 to 76 of the Companies Act, 2013 and other relevant provisions of the Companies Act, 2013 and the rules framed there under apply.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT
GLOBAL ECONOMY OVERVIEW

The global economy is in the midst of a decade-long slow growth environment characterized by an imminent productivity growth crisis. The looming labour shortage in mature economies and skill deficiencies in emerging markets will add further challenges to global economic prospect. Global financial markets continue to face elevated levels of uncertainty notwithstanding the resilience to the outcomes of Brexit referendum and the US election.

Goldman Sachs expects global growth for 2017 to be 3.5%. The US has led this improvement by growing at 2-3% growth. Fiscal easing is also likely under the Trump administration, Europe's growth forecast is 1.5% which is consistent with the gradual labour market improvement, Japan's growth rate is in the range of 1% due to weakness in the demographics and decline in the working age population. China is expected to grow by 6.5%; however, long-term concerns remain due to the continued rapid debt growth, which has a potential to cause financial weakness. Growth is projected to pick up from 2017 onwards, almost entirely on account of developments in emerging market and developing economies. This reflects primarily two factors: the gradual normalization of macroeconomic conditions in several countries experiencing deep recessions and the increasing weight of the fast-growing countries in this group, in the world economy.

INDIAN ECONOMY OVERVIEW

India's economy is slowly gaining momentum, with an expected GDP growth of 7.3% and 7.5% in 2016 and 2017, respectively. Despite some delays in domestic policy reforms and enduring fragilities in the banking system, investment demand is supported by the monetary easing cycle, rising FDI, and government efforts towards infrastructure investments and public-private partnerships. Economic activity is beginning to firm up after demonetization shocked the economy, resulting in massive cash shortages and economic disruptions through the economy at the end of last year; growth is expected to have slowed to a multi-year low in Q3 FY 2016. The manufacturing PMI crossed into expansionary territory in January 2017 and imports rebounded. Despite the backdrop of more moderate growth, the government stuck to a market-friendly budget for FY 2017. The budget pursued growth-supportive policies while targeting a narrower deficit of 3.2% of GDP, and was met with a positive market reaction.

MEDIA AND ENTERTAINMENT INDUSTRY

The year 2016 was a mixed bag for the Indian Media and Entertainment (M&E) industry with digital ecosystem penetrating further and opening up new avenues of consumption and revenue.

On the back of advertising growth of 11.2%, the Indian M&E industry grew at 9.1 percent in 2016. Primarily due to a lacklustre year for subscription revenues and a speed bump in advertisement revenue growth, television witnessed slower growth in 2016 at 8.5%. Due to increased marketing spends by telecom operators on the launch of 4G services and strong performance of FTA channels, the growth was steady. Films growth was only 3%, thus masking a decline in core revenue streams of domestic theatricals and satellite (C&S) rights. But this decline will be offset through expansion of overseas markets, increase in the depth in regional content and rise in acquisitions of digital content by Over-the-Top (OTT) platforms.

GST, which was implemented on July 1 by the central government, is likely to streamline the multiple incidences of taxes currently being levied by both the central and state governments. While the introduction of GST is likely to have varied levels of impact across the various media segments on an overall basis, the M&E industry is expected to be a net beneficiary. This is primarily due to the availability of input credits across the board and inclusion of entertainment tax within the ambit of GST.

In conclusion, while strong economic fundamentals will continue to drive growth, the Indian M&E industry is on the cusp of rapid transformation with digital media taking centre stage across all sub-sectors. Digital media, which was earlier viewed as just an additional distribution platform and touch point, is rapidly emerging as a core revenue engine.

TRADITIONAL MEDIA

There has been a paradigm shift in the overall operations of the television sector due to the on-going cable digitisation; however, constant delays in set-top-box supply, seeding and challenges pertaining to addressability, gross billing, per subscriber billing, and roll out of packaging remain a major concern for stakeholders. It is now expected that digitisation will largely be completed in the calendar year 2017 with related benefits flowing through gradually, although at a slow pace based on historical indicators.

Due to demonetization, advertising revenues were impacted across television, print and radio. Estimates indicate that annual advertising growth rates for television, print and radio were adversely impacted by about 1.5 to 2.5%. However, the impact of demonetisation was short-lived: since January 2017 there has been an upswing in consumption and advertising demand, although spend levels continue to remain lower as compared to the same period in the previous year. As customers are moving towards e-payment options, demonetisation will have a positive impact for companies in the long run. It will reduce cash collection overheads and bring down bad debts. In the next six-to-eight months, major DTH operators are envisaging e-payments contributing majorly to their recharges/collections.

The long-term forecast for advertising growth in the television industry remains robust at 14.4% CAGR over 2016-21, due to strong economic fundamentals and India remaining a mass market consumption story. On the subscription growth front, the intent behind TRAI's tariff and interconnect guidelines could help alleviate some of the issues, combined with the inevitable though delayed completion of digitisation, leading to a projected 14.8% CAGR over 2016-21.

BARC (Urban and Rural) data was available across the entire 52 weeks for the first time in 2016. As a measurement tool for viewership BARC introduced the metric of '000 Impressions in January 2016. The coverage of rural viewership by BARC opened up whole new marketing opportunities for broadcasters and advertisers in 2016. Ratings pushed FTA GEC channels of the top broadcasters, along with DD National, in the top 10 category. This has led to ad rates for these channels increasing by about 50-70 percent during the year. The FTA channel launches were broad based, covering Hindi movies, news (Hindi and regional), music and even kids at the end of the year. A YoY

comparison shows a rise in TV impressions and average time spent in rural India by 30% and 26% respectively. This is higher than the overall growth in TV impressions of 24% and in average time spent of 21%.

DIGITAL MEDIA

Good broadband speeds are essential for consumers to enjoy a rich internet experience. The average broadband speed in India is 4.1 mbps (3Q-2016), which has marked a 62% increase YoY. The broadband (4 mbps) adoption (IPv4) in India is at 30%, representing a 116% YoY change. At the same time, the adoption of IPv6 internet protocol is improving in India, which creates the necessary infrastructure to connect more devices, supports higher speeds, increases security of communication and reduces latency. As of 2016, IPv6 adoption in India was at 16.4%. How fast the telcos are able to transition to this new protocol will determine the rate of adoption of new-age technology, such as Internet of Things (IoT), in India.

The number of wireless internet users in the country is likely to cross 389 million in 2016 and reach 969 million in 2021. The number of 4G connections is expected to grow five-fold from 2016 to 2021 at a CAGR of 38%. 3G connections are expected to surpass 2G connections by 2019. Further, 3G and 4G connections are expected to represent 80% of the overall connections by 2021, up from 25% in 2016.

The rising penetration of mobile internet and smartphones has given rise to an alternative means of media consumption in a country where most households still own a single television set. The number of internet-enabled mobile phones crossed 300 million in 2016 and is expected to touch 700 million in 2021. The penetration of mobile devices in India is growing steadily and mobile remains the primary device to meet the digital needs of Indian consumers. A digital customer's appetite for rich content requiring higher bandwidth, such as video, continues to grow. This indicates that the rate of growth of 4G networks will be multi-fold as compared to the growth in wired connections and Wi-Fi access. Mobile video traffic is expected to grow 11.5 times during 2016-21 at a CAGR of 63%, and the number of videocapable devices and connections is expected to grow 2.2 times between 2016 and 2021, crossing the 800 million-mark.

Digital advertisement

Digital advertising was marginally impacted by demonetisation, but continued its growth trajectory with 28% growth in 2016 and reached a 15% share in overall advertising revenues. With the rapid increase in internet penetration, advertisers' interest is following the ongoing shift in consumption trends towards digital media. The launch of Reliance Jio proved to be an added impetus, rapidly bringing down data costs. Digital advertising is expected to grow at a robust CAGR of almost 31% between 2016 and 2021, making this the fastest-growing segment in the M&E industry. The Digital Advertising industry will also contribute more than 27% to the total advertising spends. Mobile advertising spends are expected to grow from INR 16.9 billion in 2016 to INR 132 billion in 2021 at 50.9% CAGR.

With the help of improved network, better access to internet and smart mobile devices, digital platforms are expected to drive more media consumption.

Internet users (in millions)

The Government of India, through its 'Digital India' umbrella, continues to invest and drive several digital initiatives to improve the digital infrastructure and digital ecosystem of the country.

About 1,12,871 km of optical fibre cable has already been laid under the BharatNet initiative for better connectivity. Mumbai is expected to get 1,200 Wi-Fi hotspots for free internet usage and Google is working with Railtel to provide free Wi-Fi at over 400 railways stations in the next few years. Bharat Sanchar Nigam Limited (BSNL) has also built over 2,500 free Wi-Fi hotspots across the country. The government's initiative to connect the remote parts of the country has boarded 8,621 villages already, and plans to on-board over 55,000 villages by 2019.

Today, video content dominates mobile internet usage and the same trend is likely to continue going forward. Mobile internet video traffic will be 75% of all internet traffic in 2021, up from 49% in 2016. Online video is an integral part of the daily lives of 85% of mobile data consumers in India, who watch these videos at least once a week, whereas 39% of connected consumers watch online videos every day. Urban consumers have been early adopters of video content, especially those in the age group of 15-34 - this group constitutes roughly 70-75% of India's total internet base. With on-demand accessibility, aggressively-priced high-speed 4G data services and a latent demand for differentiated content, OTT Video on Demand (VoD) services have seen an upsurge in the last year. Also online video audience in India is estimated to be around 160 million in 2016, projected to increase to around 450 million by 2020.

OUTLOOK

The overarching theme of our annual report titled 'Built to Thrive' is a sharper focus on our strategy. Content has always been at the heart of our strategy, but we see a lot more focus on monetisation of our built-up library. It is important to achieve these objectives while also optimising costs. Keeping a firm eye on return of investment and profitability has improved investments in the marketplace.

The industry has witnessed significant growth on the back of diversified content ideas, wider releases and aggressive promotions by production houses. Factors such as rapid urbanisation, increasing sophistication in production and marketing of films, and viewers' appetite to embrace varied content are expected to catalyse future growth. With the advent of digitisation, there is an increase in demand for content as well as an increase in the number of offerings by channels in niche genres. Regional channels are attractive for advertisers due to the lower cost incurred on connecting with the right audience. Regionalization has caught the eye of most established broadcasters, and newer and niche channels continue to be launched catering to specific interests of viewers.

Our operations involving the distribution of films across Television (Satellite, Terrestrial and Cable Television), New Media (Mobile, Internet, OTT etc.), Home Entertainment and other media, along with monetisation of our extensive film library gives us diversified revenue streams and a de-risked business model, which has proved advantageous.

Annexure B referred to in paragraph 8 Our Report of even date to the members of UNIVERSAL ARTS LIMITED on the accounts of the Company for the year ended 31st March, 2017.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **UNIVERSAL ARTS LIMITED** ("Company") as of March 31, 2017 in conjunction with our audit of the financial statements of Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

Company's management is responsible for establishing and maintaining internal financial controls in accordance with Rule 8 (5) (viii) of the Companies (Accounts) Rule, 2014 and essential components of internal control stated in the guidance Note on Audit of Internal Financial Controls over Financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013, the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse audit opinion on Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of Company are being made only in accordance with authorizations of management and directors of Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITORS' REPORT

To the Members of
BAMA INFOTECH PRIVATE LIMITED
CIN No. U30007MH2000PTC123495

Report on the Financial Statements

- 1) We have audited the accompanying financial statements of **BAMA INFOTECH PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

- 2) The management and Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and Cash Flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

- 3) Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement
- 4) An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's management and Board of Directors, as well as evaluating the overall presentation of the financial statements
- 5) We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

- 6) In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2017, its profit and Cash Flow for the year ended on that date;

Report On Other Legal and Regulatory Requirements

- 7) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters Specified in paragraphs 3 and 4 of the Order.
- 8) As required by section 143(3) of the Act, we further report that:
- we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - the Balance Sheet, Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - in our opinion, the aforesaid financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014

Annexure B referred to in Paragraph 8 Our Report of even date to the members of BAMA INFOTECH PRIVATE LIMITED on the accounts of the company for the year ended 31st March, 2017.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **BAMA INFOTECH PRIVATE LIMITED** ("Company") as of March 31, 2017 in conjunction with our audit of the financial statements of Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

Company's management is responsible for establishing and maintaining internal financial controls in accordance with Rule 8 (5) (viii) of the Companies (Accounts) Rule, 2014 and essential components of internal control stated in the guidance Note on Audit of Internal Financial Controls over Financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013, the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse audit opinion on Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of Company are being made only in accordance with authorizations of management and directors of Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITORS' REPORT

To

The Members of

Universal Arts Limited (Formerly known as Goldmine Media Limited)

{CIN: - L22300MH1995PLC091082}

REPORT ON FINANCIAL STATEMENTS

We have audited the accompanying consolidated financial statements of **UNIVERSAL ARTS LIMITED** (Formerly known as Goldmine Media Limited) ("the Company") and its subsidiary **BAMA INFOTECH PRIVATE LIMITED** ("Subsidiary Company") (collectively referred to as "the Company" or "the Group"), which comprise the consolidated balance sheet as at March 31st, 2017, and the consolidated statement of Profit and Loss and the consolidated Cash Flow for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the consolidated financial statements).

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS.

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 ('the act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. The Board of Directors of the Company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

AUDITOR'S RESPONSIBILITY.

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

Annexure A referred to in paragraph 1 Our Report of even date to the members of UNIVERSAL ARTS LIMITED on the accounts of the company for the year ended 31st March, 2017.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of **UNIVERSAL ARTS LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary company which are Companies incorporated in India, as of that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding Company, its subsidiary Company, which are Companies incorporated in India are responsible for establishing and maintaining internal financial controls in accordance with Rule 8 (5) (viii) of the Companies (Accounts) Rule, 2014 and essential components of internal control stated in the guidance Note on Audit of Internal Financial Controls over Financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013, the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse audit opinion on Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of Company are being made only in accordance with authorizations of management and directors of Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company, its subsidiary Company, which are Companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER MATTERS

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one subsidiary company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Notes forming part of the Consolidated Financial Statements for the period ended on 31/03/2017

NOTE 1:-SIGNIFICANT ACCOUNTING POLICIES

PRINCIPLES OF CONSOLIDATION:

The accompanying consolidated financial statements include the accounts of Universal Arts Ltd. (Formerly known as Goldmines Media Ltd.) and its following subsidiary:-

Name of the Company % of holding

Bama Infotech Pvt. Ltd.	100
-------------------------	-----

The financial statement of the parent company and its subsidiaries have been consolidated on a line by line basis by adding together the book value of the items of assets, liabilities, income and expenses after fully eliminating inter group balances and inter group transactions.

SIGNIFICANT ACCOUNTING POLICIES

1. Basis of preparation of Financial Statements

- a) These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rules, 2006, as amended] and the other relevant provisions of the Companies Act, 2013 and the RBI guidelines/regulations to the extent applicable.
- b) Accounting policies not specifically referred to otherwise are consistent with the generally accepted accounting principles followed by the Company.
- c) The preparation of financial statements requires estimates and assumption to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenue and expenses during the reporting period. The Difference between the actual and estimate are recognized in the period in which results are known/materialized.

2. Fixed Assets and Depreciation

- a) Fixed assets stated at cost less accumulated depreciation.
- b) As per the amended Companies Act, 2013 company has charged depreciation on fixed assets on the basis of useful life of assets and as per Schedule II of the said Act. Further as per guidance note issued by ICAI, depreciation rate is calculated for existing assets considering its residual value and remaining useful life and depreciation on such assets is charged on written down value method.

3. Foreign Exchange Transaction

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction. Outstanding balances are valued at the rate prevailing on the Balance Sheet date.

4. Investments

The Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.

5. Inventories

The inventories include Raw stock (Taps and cassettes etc.) TV programmers/ Episodes of TV serials under production are valued at cost or net realizable value, whichever is lower. The inventories of film have been valued at cost.

6. Revenue Recognition.

- i) In the case of movies telecasted on Doordarshan, the revenue is recognized in the year in which Doordarshan sanctions the payment.
- ii) In case of sale of other rights, the Company recognizes the income when all the following criteria are met:
 - A license agreement is signed by both the parties;
 - The licensee is able to freely exploit the rights granted;
 - Effective date of grant of rights to the licensee has commenced as per the agreement or complete payment with respect to the rights has been received, whichever is earlier;
 - The Enterprise has no remaining performance obligations;
 - The arrangement is fixed and determinable;
 - Collection of the fee is reasonably assured;
 - All the essential deliverables to the licensee as per the agreement are completed.

Other streams of income

In all other cases, revenue is recognized when the Company has the undisputable right to receive the income.

7. Purchase of Movie rights.

The Enterprise recognizes purchase of movie rights when the all the below mentioned criteria are met:

- A license agreement is signed by both the parties;
- The Enterprise is able to freely exploit the rights granted;
- Effective date of grant of rights to the Enterprise has commenced as per the agreement or complete payment for the same has been made, whichever is earlier;
- The Seller has no remaining performance obligations;
- The arrangement is fixed and determinable;
- All essential deliverables to the Enterprise as per the agreement are completed.

8. Employees Retirement and other benefits

The company does not fulfill the criteria of minimum number of Employee employed and therefore no provision is required to be made for Gratuity and provident fund.

9. Provisions for Current and Deferred Tax

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961. Company has not provided deferred tax in the books.

10. Impairment of Assets

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.
